The board of directors of Collective Growth Corporation, a Delaware corporation ("Collective Growth") has unanimously approved the business combination agreement ("Business Combination Agreement"), dated as of December 10, 2020, by and among Collective Growth, Innoviz Technologies Ltd., a company organized under the laws of the State of Israel (the "Company" or "Innoviz"), Hatzata Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of the Company ("Merger Sub"), Perception Capital Partners LLC, a Delaware limited liability company ("Perception") (solely for purposes of Sections 2.2(d), 2.3(a), 2.8, 2.9, 5.2, 5.5, 7.2 and Article VIII of the Business Combination Agreement) and Antara Capital LP, a Delaware limited partnership and investment manager acting on behalf of certain funds it manages and/or designees ("Antara Capital") (solely for purposes of Sections 5.2, 5.5, 7.2 and Article VIII of the Business Combination Agreement). Pursuant to the Business Combination Agreement, Merger Sub will merge with and into Collective Growth, with Collective Growth surviving the merger (the "Business Combination"). As a result of the Business Combination, and upon consummation of the Business Combination and the other transactions contemplated by the Business Combination Agreement (the "Transactions"), Collective Growth will become a wholly owned subsidiary of the Company, with the securityholders of Collective Growth becoming securityholders of the Company.

Pursuant to the Business Combination Agreement, at the effective time of the Business Combination (the "Effective Time"), (a) each share of Class A Common Stock of Collective Growth, par value \$0.0001 per share ("Class A Stock"), outstanding immediately prior to the Effective Time will be exchanged for 1.13897422 Innoviz ordinary shares (the "Exchange Ratio"), (b) each share of Class B Common Stock of Collective Growth, par value \$0.0001 per share ("Class B Stock") and, together with the Class A Stock, the "Collective Growth Common Stock"), outstanding immediately prior to the Effective Time, after giving effect to the forfeiture of 1,875,000 shares of Class B Stock pursuant to that certain letter agreement dated December 10, 2020, by and among Collective Growth and certain holders of Class B Stock (the "Forfeiture Agreement"), will be exchanged for 1.13897422 Innoviz ordinary shares, (c) each warrant of Collective Growth entitling the holder to purchase one share of Class A Stock per warrant at a price of \$11.50 per share (each, a "Collective Growth warrant") outstanding immediately prior to the Effective Time, after giving effect to the forfeiture of 187,500 Collective Growth warrants pursuant to the Forfeiture Agreement, will be assumed by Innoviz and will become a warrant of Innoviz ("Innoviz warrant"), with the number of Innoviz ordinary shares underlying the Innoviz warrants and the exercise price of such Innoviz warrants subject to adjustment in accordance with the Business Combination Agreement, (d) Innoviz will issue to Perception 3,448,526 Innoviz warrants, (e) each outstanding Innoviz preferred share will be converted into one Innoviz ordinary share and (f) Innoviz will issue to certain members of the Company's management ("Company Management") 2,847,436 Innoviz ordinary shares and 3,986,410 Innoviz warrants, in each case less any applicable withholding taxes.

In addition, pursuant to the Business Combination Agreement, if the trading price of the Innoviz ordinary shares on the Nasdaq Capital Market ("Nasdaq") is greater than \$10.97 (the "Earnout Target") for any period of ten (10) trading days out of a twenty (20) consecutive trading-days at any time after the closing of the Transactions until the fourth anniversary of the date of the closing of the Transactions, (i) Innoviz will issue to Perception up to 2,477,269 Innoviz ordinary shares ("Perception Earnout Shares") as additional consideration for services provided by Perception to Innoviz, with the number of Innoviz ordinary shares to be issued to Perception to be calculated based on the amount of aggregate cash proceeds available for release to Collective Growth from Collective Growth's trust account in connection with the transactions contemplated hereby (after, for the avoidance of doubt, giving effect to all redemptions but before release of any other funds, as described in more detail herein) (the "Initial Transaction Proceeds"), and (ii) Innoviz will issue to Company Management 1,423,718 Innoviz ordinary shares, in each case less any applicable withholding taxes.

Agreement. In consideration for entering into the Put Option Agreement, Innoviz agreed to issue to Antara Capital Master Fund LP (“Antara Capital Master”) 4,310,736 Innoviz warrants and up to 3,559,294 Innoviz ordinary shares, with the number of Innoviz ordinary shares to be issued to Antara Capital Master to be calculated based on the amount of Initial Transaction Proceeds. If Innoviz issues to Perception the Perception Earnout Shares, then Innoviz will also issue to Antara Capital Master up to an additional 370,167 Innoviz ordinary shares, with the number of Innoviz ordinary shares to be issued to Antara Capital Master to be calculated based on the amount of Initial Transaction Proceeds (the “Antara Earnout Shares”).

Prior to the Effective Time, Innoviz intends to effect a reverse stock split to cause the value of the outstanding Innoviz ordinary shares immediately prior to the Effective Time to equal \$10.00 per share (the “Stock Split”). Upon consummation of the Stock Split, the Earnout Target and the consideration to be issued to securityholders of Collective Growth, Company Management, Antara Capital Master and Perception shall be adjusted appropriately to reflect the effect of the Stock Split.

Concurrently with and following the execution of the Business Combination Agreement, Innoviz and certain accredited investors (“PIPE Investors”) entered into a series of subscription agreements (“Subscription Agreements”), including the Put Share Subscription Agreement providing for the purchase by the PIPE Investors at the Effective Time of an aggregate of 23,000,000 Innoviz ordinary shares (“PIPE Shares”) at a price per share of \$10.00 (assuming the Stock Split has been effected), for gross proceeds to Innoviz of \$230,000,000 (collectively, the “PIPE”). Accordingly, we are registering up to an aggregate of 25,925,901 Innoviz ordinary shares, 18,373,078 Innoviz warrants, and 18,373,078 Innoviz ordinary shares issuable upon the exercise of the warrants. We are not registering the Innoviz ordinary shares and Innoviz warrants issuable to the Innoviz securityholders, Company Management, or the PIPE Investors.

Proposals to approve the Business Combination Agreement and the other matters discussed in this proxy statement/prospectus will be presented at the special meeting of Collective Growth stockholders scheduled to be held on \_\_\_\_\_, 2021 in virtual format.

Although Innoviz is not currently a public reporting company, following the effectiveness of the registration statement of which this proxy statement/prospectus is a part and the closing of the Business Combination, Innoviz will become subject to the reporting requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Innoviz intends to apply for listing of the Innoviz ordinary shares and Innoviz warrants on Nasdaq under the proposed symbols “INVZ” and “INVZW”, respectively, to be effective at the consummation of the Business Combination. It is a condition of the consummation of the Transactions that the Innoviz ordinary shares are approved for listing on Nasdaq (subject only to official notice of issuance thereof and round lot holder requirements). While trading on Nasdaq is expected to begin on the first business day following the date of completion of the Business Combination, there can be no assurance that Innoviz’s securities will be listed on Nasdaq or that a viable and active trading market will develop. See “Risk Factors” beginning on page 15 for more information.

**Innoviz will be an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012, and is therefore eligible to take advantage of certain reduced reporting requirements otherwise applicable to other public companies.**

**Innoviz will also be a “foreign private issuer” as defined in the Exchange Act and will be exempt from certain rules under the Exchange Act that impose certain disclosure obligations and procedural requirements for proxy solicitations under Section 14 of the Exchange Act. In addition, Innoviz’s officers, directors and principal shareholders will be exempt from the reporting and “short-swing” profit recovery provisions under Section 16 of the Exchange Act. Moreover, Innoviz will not be required to file periodic reports and financial statements with the U.S. Securities and Exchange Commission as frequently or as promptly as U.S. companies whose securities are registered under the Exchange Act.**

**The accompanying proxy statement/prospectus provides Collective Growth stockholders with detailed information about the Business Combination and other matters to be considered at the special meeting of Collective Growth. We encourage you to read the entire accompanying proxy statement/prospectus, including the Annexes and other documents referred to therein, carefully and in their entirety. You should also carefully consider the risk factors described in “Risk Factors” beginning on page 15 of the accompanying proxy statement/prospectus.**

**Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of the securities to be issued in connection with the Business Combination, or determined if this proxy statement/prospectus is accurate or adequate. Any representation to the contrary is a criminal offense.**

This proxy statement/prospectus is dated \_\_\_\_\_, 2021, and is first being mailed to Collective Growth stockholders on or about \_\_\_\_\_, 2021.

## QUESTIONS AND ANSWERS ABOUT THE BUSINESS COMBINATION AND THE SPECIAL MEETING

*The questions and answers below highlight only selected information set forth elsewhere in this proxy statement/prospectus and only briefly address some commonly asked questions about the special meeting and the proposals to be presented at the special meeting, including with respect to the proposed Business Combination. The following questions and answers do not include all the information that may be important to Collective Growth stockholders. Stockholders are urged to carefully read this entire proxy statement/prospectus, including the annexes and the other documents referred to herein, to fully understand the proposed Business Combination and the voting procedures for the special meeting.*

**Q: Why am I receiving this proxy statement/prospectus?**

**A:** Collective Growth and Innoviz have agreed to a business combination under the terms of the Business Combination Agreement that is described in this proxy statement/prospectus. A copy of the Business Combination Agreement is attached to this proxy statement/prospectus as Annex A and Collective Growth encourages its stockholders to read it in its entirety. Collective Growth's stockholders are being asked to consider and vote upon a proposal to approve the Business Combination Agreement, which, among other things, provides for Merger Sub to be merged with and into Collective Growth with Collective Growth being the surviving corporation in the Business Combination and becoming a wholly owned subsidiary of Innoviz, and the other Transactions contemplated by the Business Combination Agreement. See "*Proposal One—The Business Combination Proposal.*"

**Q: Are there any other matters being presented to stockholders at the meeting?**

**A:** In addition to voting on the business combination proposal, the stockholders of Collective Growth will vote on the following proposals:

- to approve the following material differences between the SPAC Charter and the Innoviz Articles to be effective upon the consummation of the Business Combination: (i) the name of the new public entity will be "Innoviz Technologies Ltd." as opposed to "Collective Growth Corporation"; (ii) the Innoviz Articles will provide for one class of ordinary shares as opposed to the two classes of Collective Growth Common Stock provided for in the SPAC Charter; (iii) Innoviz's corporate existence is perpetual as opposed to Collective Growth's corporate existence terminating if a business combination is not consummated within a specified period of time; and (iv) the Innoviz Articles will not include the various provisions applicable only to special purpose acquisition corporations that the SPAC Charter contains. See the section of this proxy statement/prospectus titled "*Proposal Two—The Charter Proposals.*"
- to consider and vote upon a proposal to adjourn the special meeting to a later date or dates, if necessary, if the parties are not able to consummate the Business Combination for any reason. See the section of this proxy statement/prospectus titled "*Proposal Three—The Adjournment Proposal.*"

Collective Growth will hold the special meeting of its stockholders to consider and vote upon these proposals. This proxy statement/prospectus contains important information about the proposed Business Combination and the other matters to be acted upon at the special meeting. Stockholders should read it carefully.

**The vote of stockholders is important. Regardless of how many shares you own, you are encouraged to vote as soon as possible after carefully reviewing this proxy statement/prospectus.**

**Q: Why is Collective Growth providing stockholders with the opportunity to vote on the Business Combination?**

**A:** Pursuant to the SPAC Charter, Collective Growth is required to provide stockholders with an opportunity to have their shares of Collective Growth Common Stock redeemed for cash, either through a stockholder meeting or tender offer. Due to the structure of the Transactions, Collective Growth is providing this opportunity through a stockholder vote.

**Q: I am a Collective Growth warrant holder. Why am I receiving this proxy statement/prospectus?**

**A:** The Collective Growth warrants will become exercisable following the Business Combination and will entitle holders to purchase Innoviz ordinary shares, with the number of shares and the exercise price adjusted in accordance with the Exchange Ratio, as described in more detail herein. This proxy statement/prospectus includes important information about Innoviz and the business of Innoviz and its subsidiaries following the closing of the Business Combination. Because holders of Collective Growth warrants will be entitled to purchase Innoviz ordinary shares after the closing of the Business Combination, we urge you to read the information contained in this proxy statement/prospectus carefully.

**Q: What will happen to Collective Growth's securities upon consummation of the Business Combination?**

**A:** Collective Growth's units, Class A Stock and the Collective Growth warrants are currently listed on Nasdaq under the symbols CGROU, CGRO and CGROW, respectively. Collective Growth's securities will cease trading upon consummation of the Business Combination. Innoviz intends to apply for listing of the Innoviz ordinary shares and Innoviz warrants on Nasdaq under the proposed symbols "INVZ" and "INVZW," respectively, to be effective upon the consummation of the Business Combination. While trading on Nasdaq is expected to begin on the first business day following the consummation of the Business Combination, there can be no assurance that Innoviz's securities will be listed on Nasdaq or that a viable and active trading market will develop. See "*Risk Factors—Risks Related to the Combined Company Following the Business Combination*" for more information.

**Q: Why is Collective Growth proposing the Business Combination?**

**A:** Collective Growth was organized to effect a merger, capital stock exchange, asset acquisition or other similar business combination with one or more businesses or entities.

On May 5, 2020, Collective Growth completed its initial public offering of units (the "Collective Growth IPO"), with each unit consisting of one share of its Class A Stock and one-half of one Collective Growth warrant, raising total gross proceeds of approximately \$150,000,000. Since the Collective Growth IPO, Collective Growth's activity has been limited to the evaluation of business combination candidates.

Collective Growth's management believes Innoviz is an exciting company with an appealing market opportunity and growth profile, a strong position in its industry and a compelling valuation. As a result, Collective Growth believes that the Business Combination will provide Collective Growth stockholders with an opportunity to participate in the ownership of a company with significant growth potential. See the section entitled "*Proposal One—The Business Combination Proposal—Collective Growth's Reasons for the Business Combination and Recommendation of the Board of Directors.*"

**Q: Did Collective Growth's board of directors obtain a third-party valuation or fairness opinion in determining whether or not to proceed with the Business Combination?**

**A:** No. Collective Growth's board of directors did not obtain a third-party valuation or fairness opinion in connection with its determination to approve the Business Combination. Accordingly, investors will be relying solely on the judgment of Collective Growth's board of directors and its advisors in valuing Innoviz and will be

---

## Table of Contents

assuming the risk that the Collective Growth board may not have properly valued the business. However, Collective Growth's officers and directors have substantial experience in evaluating the operating and financial merits of companies from a wide range of industries and have substantial experience with mergers and acquisitions. Furthermore, in analyzing the Business Combination, Collective Growth's board of directors conducted significant due diligence on Innoviz. Collective Growth also received advice from the underwriters of the Collective Growth IPO as to the valuation of Innoviz. Based on the foregoing, Collective Growth's board of directors concluded that its members' collective experience and backgrounds, together with the experience and sector expertise of Collective Growth's advisors, enabled it to make the necessary analyses and determinations regarding the Business Combination, including that the Business Combination was fair from a financial perspective to its stockholders and that Innoviz's fair market value was at least 80% of the assets held in the trust account (excluding the deferred underwriting commissions and taxes payable on interest earned on the trust account) at the time of the agreement to enter into the Business Combination. There can be no assurance, however, that Collective Growth's board of directors was correct in its assessment of the Business Combination. For a complete discussion of the factors utilized by Collective Growth's board of directors in approving the Business Combination, see the section entitled "*Proposal One—The Business Combination Proposal*."

### **Q: Do I have redemption rights?**

**A:** If you are a holder of public shares, you have the right to demand that Collective Growth redeem such shares for a pro rata portion of the cash held in Collective Growth's trust account, calculated as of two business days prior to the consummation of the Business Combination. We sometimes refer to these rights to demand redemption of the public shares as "redemption rights."

Notwithstanding the foregoing, a holder of public shares, together with any affiliate of his or any other person with whom such holder is acting in concert or as a "group" (as defined in Section 13(d)(3) of the Exchange Act), will be restricted from seeking redemption rights with respect to 15% or more of the public shares. Accordingly, all public shares in excess of 15% held by a public stockholder, together with any affiliate of such holder or any other person with whom such holder is acting in concert or as a "group," will not be converted.

Under the SPAC Charter, the Business Combination may not be consummated if Collective Growth has net tangible assets of less than \$5,000,001 either immediately prior to or upon consummation of the Business Combination after taking into account the redemption for cash of all public shares properly demanded to be redeemed by holders of public shares.

### **Q: How do I exercise my redemption rights?**

**A:** A holder of public shares may exercise redemption rights regardless of whether it votes for or against the business combination proposal or does not vote on such proposal at all, or if it is a holder of public shares on the record date. If you are a holder of public shares and wish to exercise your redemption rights, you must demand that Collective Growth convert your public shares into cash and deliver your public shares to Collective Growth's transfer agent physically or electronically using The Depository Trust Company's Deposit/Withdrawal at Custodian ("*DWAC*") System no later than two (2) business days prior to the special meeting. Any holder of public shares seeking redemption will be entitled to a full pro rata portion of the amount then in the trust account (which, for illustrative purposes, was \$ , or \$ per share, as of the record date), less any owed but unpaid taxes on the funds in the trust account. Such amount will be paid promptly upon consummation of the Business Combination. There are currently no owed but unpaid income taxes on the funds in the trust account.

Any request for redemption, once made by a holder of public shares, may be withdrawn at any time prior to the time the vote is taken with respect to the business combination proposal at the special meeting. If you deliver your shares for redemption to Collective Growth's transfer agent and later decide prior to the special meeting not to elect redemption, you may request that Collective Growth's transfer agent return the shares (physically or electronically). You may make such request by contacting Collective Growth's transfer agent at the address listed at the end of this section.

---

## Table of Contents

Any written demand of redemption rights must be received by Collective Growth's transfer agent at least two (2) business days prior to the vote taken on the business combination proposal at the special meeting. No demand for redemption will be honored unless the holder's stock has been delivered (either physically or electronically) to the transfer agent.

If you are a holder of public shares (including through the ownership of Collective Growth units) and you exercise your redemption rights, it will not result in the loss of any Collective Growth warrants that you may hold (including those contained in any units you hold). Your whole warrants will become exercisable to purchase one Innoviz ordinary share following consummation of the Business Combination.

**Q: Do I have appraisal rights if I object to the proposed Business Combination?**

**A:** Under Section 262 of the General Corporation Law of the State of Delaware, the holders of Collective Growth Common Stock and Collective Growth warrants will not have appraisal rights in connection with the Business Combination.

**Q: What happens to the funds deposited in the trust account after consummation of the Business Combination?**

**A:** The net proceeds of the Collective Growth IPO, together with a portion of the amount raised from the simultaneous private placement of Collective Growth warrants for a total of \$150,000,000, was placed in the trust account immediately following the Collective Growth IPO. After consummation of the Business Combination, the funds in the trust account will be used to pay, on a pro rata basis, holders of the public shares who exercise redemption rights, to pay fees and expenses incurred in connection with the Business Combination (including aggregate fees of approximately \$5.25 million to the underwriters of the Collective Growth IPO as deferred underwriting commissions) and to develop new technology, products and services, expand internationally and for working capital and general corporate purposes.

**Q: What happens if a substantial number of public stockholders vote in favor of the business combination proposal and exercise their redemption rights?**

**A:** Collective Growth's public stockholders may vote in favor of the Business Combination and still exercise their redemption rights, although they are not required to vote in any way to exercise such redemption rights. Accordingly, the Business Combination may be consummated even though the funds available from the trust account and the number of public stockholders are substantially reduced as a result of redemptions by public stockholders. To the extent that there are fewer public shares and public stockholders, the trading market for Innoviz's ordinary shares may be less liquid than the market was for Collective Growth prior to the Transactions and Innoviz may not be able to meet the listing standards of a national securities exchange. In addition, to the extent of any redemptions, fewer funds from the trust account would be available to Innoviz to be used in its business following the consummation of the Business Combination.

**Q: What happens if the Business Combination is not consummated?**

**A:** If Collective Growth does not complete the Business Combination with Innoviz for whatever reason, Collective Growth would search for another target business with which to complete a business combination. If Collective Growth does not complete the Business Combination with Innoviz or another business combination by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter), Collective Growth must redeem 100% of the outstanding public shares, at a per-share price, payable in cash, equal to an amount then held in the trust account (net of taxes payable and less up to \$100,000 of interest to pay dissolution expenses) divided by the number of outstanding public shares. The Sponsor and Collective Growth's officers and directors have waived their redemption rights with respect to their sponsor shares in the event a business combination is not effected in the required time period, and, accordingly, their

sponsor shares will be worthless. Additionally, in the event of such liquidation, there will be no distribution with respect to our outstanding warrants. Accordingly, the warrants will expire worthless.

### **How do the Sponsor and the officers and directors of Collective Growth intend to vote on the proposals?**

The Sponsor, as well as Collective Growth's officers and directors, beneficially own and are entitled to vote an aggregate of approximately 21.1% of the outstanding Collective Growth Common Stock. These holders have agreed to vote their shares in favor of the business combination proposal. These holders have also indicated that they intend to vote their shares in favor of all other proposals being presented at the meeting. In addition to the shares of Collective Growth Common Stock held by the Sponsor and Collective Growth's officers and directors, Collective Growth would need 5,493,751 shares, or approximately 36.6%, of the 15,000,000 public shares sold in the Collective Growth IPO to be voted in favor of the business combination proposal and other proposals in order for them to be approved (assuming all outstanding shares are voted on each proposal).

### **Q: What interests do the Sponsor and the current officers and directors of Collective Growth have in the Business Combination?**

**A:** In considering the recommendation of our board to vote in favor of the Business Combination, stockholders should be aware that, aside from their interests as stockholders, the Sponsor and certain of our directors and officers have interests in the Business Combination that are different from, or in addition to, those of other stockholders generally. Our directors were aware of and considered these interests, among other matters, in evaluating the Business Combination, in recommending to stockholders that they approve the Business Combination and in agreeing to vote their shares in favor of the Business Combination. Stockholders should take these interests into account in deciding whether to approve the Business Combination. These interests include, among other things, the fact that:

- If the Business Combination with Innoviz or another business combination is not consummated by November 5, 2021 (or such later date as may be approved by Collective Growth's stockholders), Collective Growth will cease all operations except for the purpose of winding up, redeeming 100% of the outstanding public shares for cash and, subject to the approval of its remaining stockholders and its board of directors, dissolving and liquidating. In such event, the sponsor shares held by the Sponsor and Collective Growth's directors and officers, which were acquired for an aggregate purchase price of \$25,000 prior to the Collective Growth IPO, would be worthless because the holders are not entitled to participate in any redemption or distribution with respect to such shares. Such shares had an aggregate market value of \$ [redacted] based upon the closing price of \$ [redacted] per share on Nasdaq on [redacted], 2021. On the other hand, if the Business Combination is consummated, each outstanding share of Collective Growth Common Stock (other than the shares forfeited pursuant to the Forfeiture Agreement) will be converted into Innoviz ordinary shares at the Exchange Ratio.
- The Sponsor purchased 1,875,000 private warrants from Collective Growth for \$1.00 per private warrant and the Sponsor and certain of Collective Growth's directors and officers purchased 262,500 private units from Collective Growth for \$10.00 per private unit. These purchases took place on a private placement basis simultaneously with the consummation of the Collective Growth IPO. All of the proceeds Collective Growth received from these purchases were placed in the trust account. Such private warrants (including the warrants included in the private units) had an aggregate market value of \$ [redacted] based upon the closing price of \$ [redacted] per warrant on Nasdaq on [redacted], 2021. The Class A Stock underlying the private units had an aggregate market value of \$ [redacted] based upon the closing price of \$ [redacted] per share on Nasdaq on [redacted], 2021. The private warrants (including the warrants included in the private units) and the Class A Stock underlying the private units will become worthless if Collective Growth does not consummate a business combination by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter). On the other hand, if the Business Combination is consummated, each outstanding

## [Table of Contents](#)

whole warrant will become an Innoviz warrant exercisable to purchase one Innoviz ordinary share following consummation of the Business Combination and each outstanding share of Collective Growth Common Stock (other than the shares forfeited pursuant to the Forfeiture Agreement) will be converted into Innoviz ordinary shares at the Exchange Ratio

- If Collective Growth is unable to complete a business combination within the required time period, the Sponsor will be personally liable under certain circumstances described herein to ensure that the proceeds in the trust account are not reduced by the claims of target businesses or claims of vendors or other entities that are owed money by Collective Growth for services rendered or contracted for or products sold to Collective Growth. If Collective Growth consummates a business combination, on the other hand, Collective Growth will be liable for all such claims.
- The Sponsor and Collective Growth's officers and directors and their affiliates are entitled to reimbursement of out-of-pocket expenses incurred by them in connection with certain activities on Collective Growth's behalf, such as identifying and investigating possible business targets and business combinations. However, if Collective Growth fails to consummate a business combination within the required period, they will not have any claim against the trust account for reimbursement. Accordingly, Collective Growth may not be able to reimburse these expenses if the Business Combination or another business combination is not completed by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter). As of the record date, the Sponsor and Collective Growth's officers and directors and their affiliates had incurred approximately \$ \_\_\_\_\_ of unpaid reimbursable expenses.
- The Business Combination Agreement provides for the continued indemnification of Collective Growth's current directors and officers and the continuation of directors and officers liability insurance covering Collective Growth's current directors and officers.
- Collective Growth's officers and directors (or their affiliates) may make loans from time to time to Collective Growth to fund certain capital requirements. As of the date of this proxy statement/prospectus, no such loans have been made, but loans may be made after the date of this proxy statement/prospectus. If the Business Combination is not consummated, the loans will not be repaid and will be forgiven except to the extent there are funds available to Collective Growth outside of the trust account.

### **Q: When do you expect the Business Combination to be completed?**

**A:** It is currently anticipated that the Business Combination will be consummated promptly following the Collective Growth special meeting, which is set for \_\_\_\_\_, 2021; however, such meeting could be adjourned or postponed to a later date, as described above. The closing of the Transactions is also subject to the approval of the holders of Innoviz ordinary shares and Innoviz preferred shares, as well as other customary closing conditions. For a description of the conditions for the completion of the Business Combination, see the section entitled "*The Business Combination Agreement—Conditions to Closing of the Transactions.*"

### **Q: What do I need to do now?**

**A:** Collective Growth urges you to carefully read and consider the information contained in this proxy statement/prospectus, including the annexes, and to consider how the Business Combination will affect you as a stockholder and/or warrant holder of Collective Growth. Stockholders should then vote as soon as possible in accordance with the instructions provided in this proxy statement/prospectus and on the enclosed proxy card.

### **Q: When and where will the special meeting take place?**

**A:** The special meeting will be held on \_\_\_\_\_, 2021, at 9:00 a.m., Eastern time, solely over the Internet by means of a live audio webcast. You may attend the special meeting webcast by accessing the web portal located

### **Q: How do I vote?**

**A:** If you are a holder of record of Collective Growth Common Stock on the record date, you may vote by virtually attending the special meeting and submitting a ballot via the special meeting webcast or by submitting a proxy for the special meeting. You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage paid envelope. If you hold your shares in “street name,” you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly voted and counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares or, if you wish to attend the virtual special meeting and vote through the web portal, obtain a legal proxy from your broker, bank or nominee.

**Q: If my shares are held in “street name,” will my broker, bank or nominee automatically vote my shares for me?**

**A:** Your broker, bank or nominee can vote your shares without receiving your instructions on “routine” proposals only. Your broker, bank or nominee cannot vote your shares with respect to “non-routine” proposals unless you provide instructions on how to vote in accordance with the information and procedures provided to you by your broker, bank or nominee.

The adjournment proposals and the charter proposal to approve the name of the public company being “Innoviz Technologies Ltd.” are each considered a routine proposal. Accordingly, your broker, bank or nominee may vote your shares with respect to such proposals without receiving voting instructions.

The business combination proposal and each other charter proposal are non-routine proposals. Accordingly, your broker, bank or nominee may not vote your shares with respect to these proposals unless you provide voting instructions.

**Q: May I change my vote after I have mailed my signed proxy card?**

**A:** Yes. Stockholders of record may send a later-dated, signed proxy card to Collective Growth’s transfer agent at the address set forth below so that it is received prior to the vote at the special meeting or virtually attend the special meeting and submit a ballot through the web portal during the special meeting webcast. Stockholders of record also may revoke their proxy by sending a notice of revocation to Collective Growth’s transfer agent, which must be received prior to the vote at the special meeting. If you hold your shares in “street name,” you should contact your broker, bank or nominee to change your instructions on how to vote. If you hold your shares in “street name” and wish to virtually attend the special meeting and vote through the web portal, you must obtain a legal proxy from your broker, bank or nominee.

**Q: What constitutes a quorum for the special meeting?**

**A:** A quorum is the minimum number of shares of Collective Growth Common Stock that must be present to hold a valid meeting. A quorum will be present at the Collective Growth special meeting if a majority of all the outstanding shares of Collective Growth Common Stock entitled to vote at the meeting are represented at the virtual special meeting or by proxy. Abstentions and broker non-votes will count as present for the purposes of establishing a quorum. The Class A Stock and Class B Stock are entitled vote together as a single class on all matters to be considered at the special meeting.

**Q: What stockholder vote thresholds are required for the approval of each proposal brought before the special meeting?**

- **Business Combination Proposal**—The approval of the business combination proposal will require the affirmative vote of the holders of a majority of the then outstanding shares of Collective Growth Common Stock present and entitled to vote at the special meeting. Abstentions will have the same effect as a vote “against” the business combination proposal. Brokers are not entitled to vote on the business combination proposal absent voting instructions from the beneficial holder and, consequently, broker non-votes will have no effect on the business combination proposal. The Transactions will not be consummated if Collective Growth has less than \$5,000,001 of net tangible assets (as determined in accordance with Rule 3a51-1(g)(1) of the Securities Exchange Act) either immediately prior to or upon consummation of the Transactions.
- **Charter Proposals**—The approval of each of the charter proposals will require the affirmative vote of the holders of a majority of the Collective Growth Common Stock present and entitled to vote at the special meeting. Abstentions will have the same effect as a vote “against” the charter proposals. The charter proposal to approve “Innoviz Technologies Ltd.” as the name of the new public entity is a

routine proposal and, accordingly, your broker, bank or nominee may vote your shares with respect to such proposal without receiving voting instructions. Consequently, there should be no broker non-votes with respect to such proposal. Each other charter proposal is considered a non-routine proposal, and, accordingly, brokers are not entitled to vote on those proposals without receiving voting instructions, and broker non-votes will have no effect with respect to such proposals.

- **Adjournment Proposal**—The approval of the adjournment proposal will require the affirmative vote of the holders of a majority of the shares of Collective Growth Common Stock present and entitled to vote at the special meeting. Abstentions will have the same effect as a vote “against” the adjournment proposal. Brokers are entitled to vote on the adjournment proposal absent voting instructions from the beneficial holder because the proposal is considered “routine”. Consequently, there should be no broker non-votes with respect to the adjournment proposal.

### **Q: What happens if I fail to take any action with respect to the special meeting?**

**A:** If you fail to take any action with respect to the meeting and the Business Combination is approved by the Collective Growth stockholders and consummated, you will become a shareholder or warrant holder of Innoviz.

If you fail to take any action with respect to the special meeting and the Business Combination is not approved, you will continue to be a stockholder and/or warrant holder of Collective Growth, as applicable, and Collective Growth will continue to search for another target business with which to complete an initial business combination. If Collective Growth does not complete an initial business combination by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter), Collective Growth must cease all operations except for the purpose of winding up, redeem 100% of the outstanding public shares, at a per-share price, payable in cash, equal to an amount then held in the trust account (net of taxes payable and less up to \$100,000 of interest to pay dissolution expenses), and as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate.

### **Q: What should I do with my share and/or warrant certificates?**

**A:** Warrant holders and those stockholders who do not elect to have their shares of Collective Growth Common Stock redeemed for a pro rata share of the trust account should wait for instructions from Collective Growth’s transfer agent regarding what to do with their certificates. Collective Growth stockholders who exercise their redemption rights must deliver their share certificates to Collective Growth’s transfer agent (either physically or electronically) no later than two (2) business days prior to the special meeting as described above.

Upon consummation of the Transactions, the Collective Growth warrants, by their terms, will entitle holders to purchase shares of Innoviz. Therefore, warrant holders need not deliver their warrants to Collective Growth or Innoviz at that time.

### **Q: What should I do if I receive more than one set of voting materials?**

**A:** Stockholders may receive more than one set of voting materials, including multiple copies of this proxy statement/prospectus and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive in order to cast a vote with respect to all of your shares of Collective Growth Common Stock.

### **Information About the Companies**

#### ***Innoviz Technologies Ltd.***

Innoviz is a leading provider of high-performance, solid-state LiDAR and perception solutions that bring enhanced vision and superior performance to enable safe autonomous driving at a mass scale. We believe that Innoviz provides a complete and comprehensive solution for automotive original equipment manufacturers (“OEMs”) and Tier-1 partners that are developing and marketing autonomous driving vehicles to the passenger car and other relevant markets, such as robotaxis, shuttles and trucking. Innoviz’s unique LiDAR and perception solutions, which feature technological breakthroughs across core components, have propelled Innoviz to the first Level 3 LiDAR Automotive series production contract in its industry. In addition, Innoviz’s solutions can enable safe autonomy for other industries, including drones, robotics and mapping.

Innoviz was founded in 2016 by veterans of Unit 81, the elite technology unit of Israel’s Intelligence Corps, one of the most prestigious multidisciplinary technological units in the Israeli Defense Forces. From its founding, Innoviz’s culture drew from Unit 81’s core values of solving sophisticated technological problems through creativity and agile thinking in order to address the needs of autonomous vehicles in a manner that strikes the desired balance between performance and cost. Innoviz created a new type of LiDAR sensor from the chip-level up, including a suite of powerful and sophisticated software applications for high-performance computer vision to allow superior perception. Innoviz’s multidisciplinary team developed an operational MEMS-based (Micro-Electro Mechanical System) LiDAR prototype in less than a year, which then attracted the attention of leading Tier-1 companies such as Magna and Aptiv already in 2017. This was followed by a rigorous further development and qualification stage, culminating in Innoviz achieving a design win with BMW in 2018 to power BMW’s Level 3 autonomous platform. BMW is a leader and a pioneer in deploying new technologies into the automotive industry and it is the first OEM worldwide to incorporate a LiDAR for a Level 3 autonomous driving configuration in mass commercialization program. Innoviz therefore believes that its close cooperation with BMW and its Tier-1 partner Magna uniquely positions Innoviz to make Level 3 autonomous driving a commercial reality.

***Hatzata Merger Sub, Inc.***

Hatzata Merger Sub, Inc. ("Merger Sub") is a newly formed Delaware corporation and a wholly owned subsidiary of Innoviz. Merger Sub was formed solely for the purpose of effecting the Transactions and has not carried on any activities other than those in connection with the Transactions. The address and telephone number for Merger Sub's principal executive offices are the same as those for Innoviz.

**The Business Combination Agreement (page 82)**

The terms and conditions of the merger of Merger Sub with and into Collective Growth, with Collective Growth surviving the merger as a wholly owned subsidiary of Innoviz (the "Business Combination") are contained in the Business Combination Agreement, which is attached as *Annex A* to this proxy statement/prospectus. We encourage you to read the Business Combination Agreement carefully, as it is the legal document that governs the Business Combination.

***Merger Consideration***

The pro forma equity valuation of the Company upon consummation of the Transactions is estimated to approximate \$1,405,000,000. We estimate that, upon consummation of the Transactions (the "Effective Time"), without giving effect to the issuance of Earnout Shares (defined below) and assuming none of Collective Growth's public stockholders demand redemption ("SPAC Redemptions") pursuant to the SPAC Charter, the securityholders of Innoviz and certain members of Innoviz management receiving shares in the Transactions ("Company Management") will own more than 75% of the outstanding Innoviz ordinary shares and the securityholders of Collective Growth, Perception, Antara, and certain accredited investors purchasing PIPE Shares will own the remaining Innoviz ordinary shares.

Pursuant to the Business Combination Agreement, at the Effective Time (a) each share of Class A Common Stock of Collective Growth, par value \$0.0001 per share ("Class A Stock"), outstanding immediately prior to the Effective Time will be exchanged for 1.13897422 Innoviz ordinary shares (the "Exchange Ratio"), (b) each share of Class B Common Stock of Collective Growth, par value \$0.0001 per share ("Class B Stock") and, together with the Class A Stock, the "Collective Growth Common Stock", outstanding immediately prior to the Effective Time, after giving effect to the forfeiture of 1,875,000 shares of Class B Stock pursuant to that certain letter agreement dated December 10, 2020, by and among Collective Growth and certain holders of Class B Stock (the "Forfeiture Agreement"), will be exchanged for 1.13897422 Innoviz ordinary shares, (c) each warrant of Collective Growth entitling the holder to purchase one share of Class A Stock per warrant at a price of \$11.50 per share (each, a "Collective Growth warrant") outstanding immediately prior to the Effective Time, after giving effect to the forfeiture of 187,500 Collective Growth warrants pursuant to the Forfeiture Agreement, will be assumed by Innoviz and will become a warrant of Innoviz ("Innoviz warrant"), with the number of Innoviz ordinary shares underlying the Innoviz warrants and the exercise price of such Innoviz warrants subject to adjustment in accordance with the Business Combination Agreement, (d) Innoviz will issue to Perception Capital

Partners LLC (“Perception”) 3,448,526 Innoviz warrants, (e) each outstanding Innoviz preferred share will be converted into one Innoviz ordinary share and (f) Innoviz will issue to certain members of the Company’s management (“Company Management”) 2,847,436 Innoviz ordinary shares and 3,986,410 Innoviz warrants, in each case less any applicable withholding taxes.

In addition, pursuant to the Business Combination Agreement, if the trading price of the Innoviz ordinary shares on the Nasdaq Capital Market (“Nasdaq”) is greater than \$10.97 (the “Earnout Target”) for any period of ten (10) trading days out of a twenty (20) consecutive trading-days at any time after the closing of the Transactions until the fourth anniversary of the date of the closing of the Transactions, (i) Innoviz will issue to Perception up to 2,477,269 Innoviz ordinary shares (“Perception Earnout Shares”) as additional consideration for services provided by Perception to Innoviz, with the number of Innoviz ordinary shares to be issued to Perception to be calculated based on the amount of Initial Transaction Proceeds (as defined herein), and (ii) Innoviz will issue to Company Management 1,423,718 Innoviz ordinary shares, in each case less any applicable withholding taxes.

Concurrently with the execution of the Business Combination Agreement, Innoviz and Antara Capital entered into a put option agreement (“Put Option Agreement”) pursuant to which Innoviz caused Antara Capital to subscribe for a number of Innoviz ordinary shares in the PIPE with an aggregate equity value equal to \$70,000,000 pursuant to the Put Share Subscription Agreement. In consideration for entering into the Put Option Agreement, Innoviz agreed to issue to Antara Capital Master 4,310,736 Innoviz warrants and up to 3,559,294 Innoviz ordinary shares, with the number of Innoviz ordinary shares to be issued to Antara Capital Master to be calculated based on the amount of Initial Transaction Proceeds. If Innoviz issues to Perception the Perception Earnout Shares, then Innoviz will also issue to Antara Capital Master up to an additional 370,167 Innoviz ordinary shares, with the number of Innoviz ordinary shares to be issued to Antara Capital Master to be calculated based on the amount of Initial Transaction Proceeds (the “Antara Earnout Shares”).

#### ***Adjustments to Merger Consideration***

Prior to the Effective Time, Innoviz intends to effect a reverse stock split to cause the value of the outstanding Innoviz ordinary shares immediately prior to the Effective Time to equal \$10.00 per share (the “Stock Split”). Upon consummation of the Stock Split, the Earnout Target and the consideration to be issued to securityholders of Collective Growth, Company Management, Antara and Perception shall be adjusted appropriately to reflect the effect of the Stock Split.

#### **The Collective Growth Board’s Reasons for the Business Combination**

In evaluating the Business Combination, Collective Growth’s board of directors consulted with Collective Growth’s management and legal and financial advisors. Collective Growth’s board of directors reviewed various industry and financial data in order to determine that the consideration to be paid was reasonable and that the Business Combination was in the best interests of Collective Growth’s stockholders. The financial data reviewed included the historical and projected consolidated financial statements of Innoviz, comparable publicly traded company analyses and an analysis of pro forma capital structure and trading multiples prepared by management and Collective Growth’s advisors.

Collective Growth’s management conducted a due diligence review of Innoviz that included an industry analysis, an analysis of the existing business model of Innoviz and historical and projected financial results. Collective Growth’s management, including its directors and advisors, have many years of experience in both operational management and investment and financial management and analysis and, in the opinion of Collective Growth’s board of directors, was suitably qualified to conduct the due diligence and other investigations and analyses required in connection with the search for a business combination partner. A detailed description of the experience of Collective Growth’s executive officers and directors is included in the section of this proxy statement/prospectus entitled “*Collective Growth’s Business—Directors and Executive Officers.*”

In reaching its unanimous resolution (i) that the terms and conditions of the Business Combination Agreement, including the proposed Business Combination, are advisable, fair to and in the best interests of Collective Growth and its stockholders and (ii) to recommend that its stockholders adopt and approve the Business Combination Agreement and approve the Business Combination contemplated therein, Collective Growth's board of directors considered a range of factors, including but not limited to, the factors discussed below. In light of the number and wide variety of factors, Collective Growth's board of directors did not consider it practicable to, and did not attempt to, quantify or otherwise assign relative weights to the specific factors it considered in reaching its determination. Collective Growth's board of directors viewed its position as being based on all of the information available and the factors presented to and considered by it. In addition, individual directors may have given different weight to different factors. This explanation of Collective Growth's reasons for the Business Combination and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the section of this proxy statement/prospectus entitled "*Cautionary Statement Regarding Forward-Looking Statements; Market, Ranking and Other Industry Data.*"

In considering the Business Combination, Collective Growth's board of directors gave considerable weight to the following factors:

- *Unique Market Position.* Innoviz is well-positioned to take advantage of the dramatic adoption of its next generation, cost-effective LiDAR-based perception software and solid-state systems over the next five to ten years with the only current certified automotive-grade higher performance LiDAR system on the market today, and is expected to deliver meaningful revenue in the next twelve to twenty-four months compared to its competitors in an emerging industry;
- *Existing Customer and Supplier Relationships.* Innoviz has established key strategic relationships with Tier-1 customers and suppliers to validate Innoviz's position and potential for early, mass commercial adoption of its high quality and safe Level 3 LiDAR while developing next-generation Level 2+ with Innoviz's Tier-1 partners across U.S., Europe and China;
- *Experienced Leadership Team with a Proven Track Record.* Innoviz is led by an experienced management team in Innoviz's industry;
- *Platform for Future Development and Expansion.* A public company status, combined with the capital to be provided from the PIPE and expected to be provided from Collective Growth's trust, is expected to provide Innoviz with an optimal platform for further developing and expanding its current programs of Level 2+ and Level 3, and even Level 4 LiDAR systems and software;
- *Attractive Valuation.* Collective Growth's board of directors believes Innoviz's implied valuation following the Business Combination relative to the current valuations experienced by comparable publicly traded companies in the LiDAR sector is favorable for Collective Growth;
- *Due Diligence.* Collective Growth's due diligence examinations of Innoviz and discussions with Innoviz's management, strategic investor, financial and legal advisors;
- *Other Alternatives.* Collective Growth's board of directors believes, after a thorough review of other business combination opportunities reasonably available to Collective Growth, that the Business Combination represents the best potential business combination for Collective Growth and the most attractive opportunity for Collective Growth based upon the process utilized to evaluate and assess other potential combination targets, and Collective Growth's board of directors' belief that such process has not presented a better alternative; and
- *Negotiated Transaction.* The financial and other terms of the Business Combination Agreement and the fact that such terms and conditions are reasonable and were the product of arm's length negotiations between Collective Growth and Innoviz.

Collective Growth's board of directors also considered a variety of uncertainties and risks and other potentially negative factors concerning the Business Combination, including, but not limited to, the following:

- *Market Adoption.* Whether the adoption of autonomous cars will occur and be widespread, and whether such adoption will rely on LiDAR rather than another technology;
- *Systems Update.* The need to update Innoviz's financial systems and operations necessary for a public company;
- *Competition.* Competition in Innoviz's industry is intense, which may cause reductions in the price Innoviz can charge for its products and services, thereby potentially lowering Innoviz's profits;
- *Loss of Key Personnel.* Key personnel in Innoviz's industry is vital and competition for such personnel is intense. The loss of any key personnel could be detrimental to Innoviz's operations;
- *Macroeconomic Risks.* Macroeconomic uncertainty and the effects it could have on the combined company's revenues;
- *Benefits Not Achieved.* The risk that the potential benefits of the Business Combination may not be fully achieved or may not be achieved within the expected timeframe;
- *Collective Growth Stockholders Receiving Minority Position.* The fact that existing Collective Growth stockholders will hold a minority position in the combined company; and
- *Other Risks.* Various other risks associated with Innoviz's business, as described in the section entitled "Risk Factors" appearing elsewhere in this proxy statement/prospectus.

Collective Growth's board of directors concluded that the potential benefits that it expected Collective Growth and its stockholders to achieve as a result of the Business Combination outweighed the potentially negative factors associated with the Business Combination. Accordingly, Collective Growth's board of directors unanimously determined that the Business Combination Agreement and the Business Combination contemplated therein were advisable, fair to and in the best interests of Collective Growth and its stockholders.

**Interests of Collective Growth's Officers and Directors in the Transactions (page 61)**

In considering the recommendation of Collective Growth's board of directors to vote in favor of approval of the business combination proposal and the charter proposals, stockholders should keep in mind that the Sponsor and Collective Growth's directors and executive officers have interests in such proposals that are different from, or in addition to, those of Collective Growth's stockholders generally. In particular:

- If the Business Combination with Innoviz or another business combination is not consummated by November 5, 2021 (or such later date as may be approved by Collective Growth's stockholders), Collective Growth will cease all operations except for the purpose of winding up, redeeming 100% of the outstanding public shares for cash and, subject to the approval of its remaining stockholders and its board of directors, dissolving and liquidating. In such event, the sponsor shares held by the Sponsor and Collective Growth's directors and officers, which were acquired for an aggregate purchase price of \$25,000 prior to the Collective Growth IPO, would be worthless because the holders are not entitled to participate in any redemption or distribution with respect to such shares. Such shares had an aggregate market value of \$ based upon the closing price of \$ per share on Nasdaq on , 2021. On the other hand, if the Business Combination is consummated, each outstanding share of Collective Growth Common Stock (other than the shares forfeited pursuant to the Forfeiture Agreement) will be converted into Innoviz ordinary shares at the Exchange Ratio.
- The Sponsor purchased 1,875,000 private warrants from Collective Growth for \$1.00 per private warrant and the Sponsor and certain of Collective Growth's directors and officers purchased 262,500

private units from Collective Growth for \$10.00 per private unit. These purchases took place on a private placement basis simultaneously with the consummation of the Collective Growth IPO. All of the proceeds Collective Growth received from these purchases were placed in the trust account. Such private warrants (including the warrants included in the private units) had an aggregate market value of \$ [redacted] based upon the closing price of \$ [redacted] per warrant on Nasdaq on [redacted], 2021 and the Class A Stock underlying the private units had an aggregate market value of \$ [redacted] based upon the closing price of \$ [redacted] per share on Nasdaq on [redacted], 2021. The private warrants (including the warrants included in the private units) and the Class A Stock underlying the private units will become worthless if Collective Growth does not consummate a business combination by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter). On the other hand, if the Business Combination is consummated, each outstanding whole warrant will become an Innoviz warrant exercisable to purchase one Innoviz ordinary share following consummation of the Business Combination and each outstanding share of Collective Growth Common Stock (other than the shares forfeited pursuant to the Forfeiture Agreement) will be converted into Innoviz ordinary shares at the Exchange Ratio.

- If Collective Growth is unable to complete a business combination within the required time period, the Sponsor will be personally liable under certain circumstances described herein to ensure that the proceeds in the trust account are not reduced by the claims of target businesses or claims of vendors or other entities that are owed money by Collective Growth for services rendered or contracted for or products sold to Collective Growth. If Collective Growth consummates a business combination, on the other hand, Collective Growth will be liable for all such claims.
- The Sponsor and Collective Growth's officers and directors and their affiliates are entitled to reimbursement of out-of-pocket expenses incurred by them in connection with certain activities on Collective Growth's behalf, such as identifying and investigating possible business targets and business combinations. However, if Collective Growth fails to consummate a business combination within the required period, they will not have any claim against the trust account for reimbursement. Accordingly, Collective Growth may not be able to reimburse these expenses if the Business Combination or another business combination is not completed by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter). As of the record date, the Sponsor and Collective Growth's officers and directors and their affiliates had incurred approximately \$ [redacted] of unpaid reimbursable expenses.
- The Business Combination Agreement provides for the continued indemnification of Collective Growth's current directors and officers and the continuation of directors and officers liability insurance covering Collective Growth's current directors and officers.
- Collective Growth's officers and directors (or their affiliates) may make loans from time to time to Collective Growth to fund certain capital requirements. As of the date of this proxy statement/prospectus, no such loans have been made, but loans may be made after the date of this proxy statement/prospectus. If the Business Combination is not consummated, the loans will not be repaid and will be forgiven except to the extent there are funds available to Collective Growth outside of the trust account.

**Agreements entered into in connection with the Business Combination Agreement (page 93)**

***Subscription Agreements***

Concurrently with and following the execution of the Business Combination Agreement, Innoviz entered into subscription agreements, including the Put Share Subscription Agreement (each, a "Subscription Agreement" and collectively, the "Subscription Agreements") with certain parties subscribing for Innoviz ordinary shares (the "PIPE Investors"), pursuant to which the PIPE Investors have agreed to purchase, and Innoviz has agreed to sell the PIPE

Investors, an aggregate of 23,000,000 Innoviz ordinary shares, for a purchase price of \$10.00 per share and at an aggregate purchase price of \$230,000,000, which price per share and aggregate purchase price assume that Innoviz has effected the Stock Split prior to the Effective Time. The obligations to consummate the transactions contemplated by the Subscription Agreements are conditioned upon, among other things, customary closing conditions and the consummation of the transactions contemplated by the Business Combination Agreement. The Subscription Agreements include customary resale registration rights provisions.

***Support Agreements***

Concurrently with the execution of the Business Combination Agreement, Innoviz and Collective Growth entered into a support agreement (each, a “**Support Agreement**” and collectively, the “**Support Agreements**”) with certain shareholders of Innoviz (each, a “Supporting Innoviz Shareholder” and collectively, the “Supporting Innoviz Shareholders”) that collectively hold Innoviz ordinary shares and Innoviz preferred shares representing the majority of the voting power of the Innoviz ordinary shares and 60% of the voting power of the Innoviz preferred shares, including more than 50% of the Series C Preferred Shares and 50% of the Series C-1 Preferred Shares (voting together). Each Support Agreement provides, among other things, that each Supporting Innoviz Shareholder will (i) vote all Innoviz ordinary shares and Innoviz preferred shares beneficially owned by them in favor of the Business Combination and each other proposal related to the Business Combination on the agenda at the meeting of Innoviz shareholders called to approve the Business Combination, (ii) appear at such shareholder meeting for the purpose of establishing a quorum, (iii) vote all such shares against any action that would reasonably be expected to materially impede, interfere with, delay, postpone, or adversely affect the Transactions and (iv) not transfer, assign, or sell such shares, except to certain permitted transferees, prior to the consummation of the Transactions.

***Registration Rights Agreement***

Concurrently with the execution of the Business Combination Agreement, Innoviz, certain equityholders of Innoviz, certain equityholders of Collective Growth, Perception and Antara Capital entered into a registration rights agreement (the “Registration Rights Agreement”), pursuant to which Innoviz agreed to file a shelf registration statement with respect to the registrable securities defined therein within sixty (60) days of the closing of the Transactions. Certain holders of registrable securities under the Registration Rights Agreement may request to sell all or any portion of their registrable securities in an underwritten offering up to twice in any 12-month period so long as the total offering price is reasonably expected to exceed \$75,000,000. Innoviz also agreed to provide customary “piggyback” registration rights. The Registration Rights Agreement also provides that Innoviz will pay certain expenses relating to such registrations and indemnify the shareholders against certain liabilities.

***Confidentiality and Lockup Agreement***

Concurrently with the execution of the Business Combination Agreement, Innoviz certain equityholders of Innoviz, certain equityholders of Collective Growth, Perception and Antara Capital entered into a confidentiality and lockup agreement (the “Confidentiality and Lockup Agreement”). Pursuant to the Confidentiality and Lockup Agreement, such shareholders have agreed that they will not, during the period beginning at the Effective Time and continuing to and including the date that is one hundred eighty (180) days after the date of closing of the Business Combination, directly or indirectly, offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of any shares, or any options or warrants to purchase any shares, or any securities convertible into, exchangeable for or that represent the right to receive shares, or any interest in any of the foregoing, whether now owned or hereinafter acquired, owned directly by such shareholder (including holding as a custodian) or with respect to which such shareholder has beneficial ownership within the rules and regulations of the SEC (in each case, subject to certain exceptions set forth in the Confidentiality and Lockup Agreement).

In connection with the Confidentiality and Lockup Agreement, at the Effective Time, the transfer restrictions set forth in certain letter agreements among Collective Growth and the Sponsor and officers and directors of Collective Growth will terminate.

***Assignment, Assumption and Amendment Agreement***

Upon the closing of the Business Combination, Innoviz, Collective Growth and Continental Stock Transfer & Trust Company (“Continental”) will enter into an assignment, assumption and amendment agreement (the “Warrant Agreement Amendment”). Such agreement will amend that certain Warrant Agreement, dated as of April 30, 2020, between Collective Growth and Continental (the “Existing Warrant Agreement”), to provide for the assignment by Collective Growth of all its rights, title and interest in the outstanding warrants of Collective Growth to Innoviz. Pursuant to the Warrant Agreement Amendment, all Collective Growth warrants under the Existing Warrant Agreement will no longer be exercisable for shares of Class A Stock, but instead will be exercisable for Innoviz ordinary shares.

***Sponsor Letter Agreement***

Concurrently with the execution of the Business Combination Agreement, the Sponsors and officers and directors of Collective Growth entered into a letter agreement (“Sponsor Letter Agreement”) in favor of Innoviz and Collective Growth, pursuant to which they agreed to (i) vote all shares of Collective Growth Common Stock beneficially owned by them in favor of the Business Combination and each other proposal related to the Business Combination on the agenda at the meeting of Collective Growth stockholders called to approve the Business Combination, (ii) appear at such stockholder meeting for the purpose of establishing a quorum, (iii) vote all such shares against any action that would reasonably be expected to materially impede, interfere with, delay, postpone, or adversely affect the Transactions and (iv) not transfer, assign, or sell such shares, except to certain permitted transferees, prior to the consummation of the Transactions.

***Forfeiture Agreement***

Concurrently with the execution of the Business Combination Agreement, the Sponsor and officers and directors of Collective Growth entered into a Forfeiture Agreement in favor of Innoviz and Collective Growth, pursuant to which they agreed to forfeit an aggregate of 1,875,000 shares of Class B Stock and 187,500 Collective Growth warrants for cancellation in exchange for no consideration at the Effective Time (the “Forfeiture”).

***Put Option Agreement***

Concurrently with the execution of the Business Combination Agreement, Innoviz and Antara Capital entered into the Put Option Agreement, pursuant to which Innoviz caused Antara to subscribe for a number of Innoviz ordinary shares in the PIPE with an aggregate equity value equal to \$70,000,000 pursuant to the Put Share Subscription Agreement. In consideration for entering into the Put Option Agreement, at the Effective Time, Innoviz agreed to issue to Antara Capital Master 4,310,736 Innoviz warrants and up to 3,559,294 Innoviz ordinary shares, with the number of Innoviz ordinary shares to be issued to Antara Capital Master to be calculated based on the amount of Initial Transaction Proceeds. If Innoviz issues to Perception the Perception Earnout Shares, then Innoviz will also issue to Antara Capital Master the Antara Earnout Shares, with the number of Innoviz ordinary shares to be issued to Antara to be calculated based on the amount of Initial Transaction Proceeds .

**Certain Material U.S. Federal Income Tax Considerations (page 95)**

For a description of certain U.S. federal income tax consequences of the Business Combination, the exercise of redemption rights in respect of shares of Collective Growth Common Stock and the ownership and disposition

of Innoviz ordinary shares and/or Innoviz warrants, please see the information set forth in “*Certain Material U.S. Federal Income Tax Considerations*” beginning on page 95.

**Certain Material Israeli Tax Considerations (page 110)**

For a description of certain Israeli tax consequences of the ownership and disposition of Innoviz ordinary shares and/or Innoviz warrants, please see the information set forth in “*Certain Material Israeli Tax Considerations*” beginning on page 110.

**Conversion Rights**

Pursuant to the SPAC Charter, a holder of public shares may demand that Collective Growth convert such shares into cash if the business combination is consummated; provided that Collective Growth may not consummate the business combination if it has less than \$5,000,001 of net tangible assets either immediately prior to or upon consummation of the business combination. Holders of public shares will be entitled to receive cash for these shares only if they deliver their shares to Collective Growth’s transfer agent no later than two (2) business days prior to the special meeting. Holders of public shares do not need to affirmatively vote on the business combination proposal or be a holder of such public shares as of the record date to exercise conversion rights. If the Business Combination is not consummated, these shares will not be converted into cash. If a holder of public shares properly demands conversion, delivers his, her or its shares to Collective Growth’s transfer agent as described above, and the Business Combination is consummated, Collective Growth will convert each public share into a full pro rata portion of the trust account, calculated as of two (2) business days prior to the date of the special meeting. It is anticipated that this would amount to approximately \$ \_\_\_\_\_ per share. If a holder of public shares exercises his, her or its conversion rights, then it will be exchanging its shares of Collective Growth Common Stock for cash and will not become a shareholder of Innoviz. See the section of this proxy statement/prospectus titled “*Special Meeting of Collective Growth Stockholders—Conversion Rights*” for a detailed description of the procedures to be followed if you wish to convert your shares into cash.

Holders of Collective Growth warrants do not have conversion rights with respect to such securities.

**Appraisal Rights**

Collective Growth stockholders and holders of Collective Growth warrants do not have appraisal rights in connection with the Transactions under the DGCL. See the section of this proxy statement/prospectus titled “*Special Meeting of Collective Growth Stockholders—Appraisal Rights.*”

**Voting Power; Record Date**

Collective Growth stockholders will be entitled to vote or direct votes to be cast at the special meeting if they owned Class A Stock at the close of business on \_\_\_\_\_, 2021, which is the record date for the special meeting. Collective Growth stockholders will have one vote for each share of Class A Stock owned at the close of business on the record date. If your shares are held in “street name” or are in a margin or similar account, you should contact your broker to ensure that votes related to the shares you beneficially own are properly counted. Collective Growth warrants do not have voting rights. On the record date, there were \_\_\_\_\_ shares of Class A Stock outstanding, of which \_\_\_\_\_ were public shares with the rest being held by the Collective Growth board of directors, Collective Growth’s officers and other initial stockholders and their respective affiliates (including the Sponsor).

### **The Charter Proposals**

The Collective Growth stockholders will vote on separate proposals to approve the following material differences between the SPAC Charter and Innoviz Articles to be effective upon the consummation of the Business Combination: (i) the name of the new public entity will be “Innoviz Technologies Ltd.” as opposed to “Collective Growth Corporation”; (ii) the Innoviz Articles provide for one class of ordinary shares as opposed to the two classes of Collective Growth Common Stock provided for in the SPAC Charter; (iii) Innoviz’s corporate existence is perpetual as opposed to Collective Growth’s corporate existence terminating if a business combination is not consummated within a specified period of time; and (iv) the Innoviz Articles do not include the various provisions applicable only to special purpose acquisition corporations that the SPAC Charter contains. The Innoviz Articles to be in effect upon consummation of the Business Combination is attached as Annex        to this proxy statement/prospectus. See the section of this proxy statement/prospectus titled “*Proposal Two—The Charter Proposals.*”

### **The Adjournment Proposal**

If Collective Growth is unable to consummate the Business Combination at the time of the special meeting for any reason, the chairman presiding over the special meeting may submit a proposal to adjourn the special meeting to a later date or dates, if necessary. See the section of this proxy statement/prospectus titled “*Proposal Three—The Adjournment Proposal.*”

### **Recommendation to Collective Growth Stockholders**

Collective Growth’s board of directors has determined that each of the proposals outlined above is fair to and in the best interests of Collective Growth and its stockholders and recommended that Collective Growth stockholders vote “FOR” the business combination proposal, “FOR” each of the charter proposals, and “FOR” the adjournment proposal, if presented.

### **Comparison of Rights of Stockholders of Collective Growth and Shareholders of Innoviz (page 210)**

If the Business Combination is successfully completed, holders of Collective Growth Common Stock will become holders of Innoviz ordinary shares, and their rights as shareholders will be governed by Innoviz’s organizational documents. There are also differences between the laws governing Collective Growth, a Delaware corporation, and Innoviz, an Israeli company. Please see “*Comparison of Rights of Innoviz Shareholders and Collective Growth Stockholders*” on page 210 for more information.

### **Emerging Growth Company**

Each of Collective Growth and Innoviz is, and consequently, following the Business Combination, the combined company will be, an “emerging growth company,” as defined in Section 2(a) of the Securities Act, as modified by the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). As such, the combined company will be eligible to take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies” including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”), reduced disclosure obligations regarding executive compensation in their periodic reports and proxy statements, and exemptions from the requirements of holding a non-binding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved. If some investors find the combined company’s securities less attractive as a result, there may be a less active trading market for the combined company’s securities and the prices of the combined company’s securities may be more volatile.

Further, Section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such election to opt out is irrevocable. The combined company has elected not to opt out of such extended transition period, which means that when a standard is issued or revised and it has different application dates for public or private companies, the combined company, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of the combined company's financial statements with certain other public companies difficult or impossible because of the potential differences in accounting standards used.

The combined company will remain an emerging growth company until the earlier of: (i) the last day of the fiscal year (a) following the fifth anniversary of the closing of the combined company's initial public offering, (b) in which Innoviz has total annual gross revenue of at least \$1.07 billion, or (c) in which the combined company is deemed to be a large accelerated filer, which means the market value of the combined company's common equity that is held by non-affiliates exceeds \$700 million as of the last business day of its most recently completed second fiscal quarter; and (ii) the date on which the combined company has issued more than \$1.00 billion in non-convertible debt securities during the prior three-year period. References herein to "emerging growth company" have the meaning associated with it in the JOBS Act.

#### **Regulatory Matters**

The Business Combination is not subject to any federal or state regulatory requirement or approval, except for the filing of required notifications and the expiration or termination of the required waiting periods under the HSR Act and filings with the State of Delaware necessary to effectuate the Business Combination.

#### **Summary Risk Factors (page 15)**

You should consider all the information contained in this proxy statement/prospectus in deciding how to vote for the proposals presented in this proxy statement/prospectus. In particular, you should consider the risk factors described under "*Risk Factors*" beginning on page 15. Such risks include, but are not limited to:

- Innoviz is an early stage company with a history of losses, and expects to incur significant expenses and continuing losses for the foreseeable future;
- Innoviz's limited operating history and evolving business model makes evaluating its business and future prospects difficult and may increase the risk of your investment;
- Innoviz is creating innovative technology by designing and developing unique components. The high price of or low yield in these components may affect Innoviz's ability to sell at competitive prices, or may lead to losses;
- Innoviz expects to invest substantially in research and development for the purpose of developing and commercializing new products, and these investments could significantly reduce its profitability or increase its losses and may not generate revenue for Innoviz;
- Innoviz may experience significant delays in the design, production and launch of its LiDAR products for autonomous driving systems, which could harm its business, prospects, financial condition and operating results;
- Innoviz is substantially dependent on its design win with BMW and its relationship with Magna, and its business could be materially and adversely affected if the BMW L3 Program was terminated

## [Table of Contents](#)

- The period of time from a design win to implementation is long and Innoviz is subject to the risks of not achieving design wins, cancellation or postponement of contracts or unsuccessful implementation;
- Innoviz may need to raise additional funds in the future in order to execute its business plan and these funds may not be available to Innoviz when it needs them. If Innoviz cannot raise additional funds when it needs them, its business, prospects, financial condition and operating results could be negatively affected;
- If market adoption of LiDAR for autonomous vehicles does not continue to develop, or develops more slowly than Innoviz expects, its business will be adversely affected;
- Innoviz targets many customers that are large companies with substantial negotiating power, exacting product standards and potentially competitive internal solutions. If Innoviz is unable to sell its products to these customers, its prospects and results of operations will be adversely affected;
- Innoviz continues to implement strategic initiatives designed to grow its business. These initiatives may prove more costly than it currently anticipates and Innoviz may not succeed in increasing its revenue in an amount sufficient to offset the costs of these initiatives and to achieve and maintain profitability;
- The markets in which Innoviz competes are characterized by rapid technological change, which requires Innoviz to continue to develop new products and product innovations, and could adversely affect market adoption of its products;
- Certain of Innoviz's strategic, development and supply arrangements could be terminated or may not materialize into long-term contract partnership arrangements;
- Innoviz may experience difficulties in managing its growth and expanding its operations;
- Continued pricing pressures, automotive OEM cost reduction initiatives and the ability of automotive OEMs to source or cancel vehicle or technology programs may result in lower than anticipated margins, or losses, which may adversely affect Innoviz's business;
- If Collective Growth's stockholders fail to properly demand conversion rights, they will not be entitled to convert their Collective Growth Common Stock into a pro rata portion of Collective Growth's trust account;
- The Collective Growth board of directors did not obtain a third-party fairness opinion in determining whether or not to proceed with the Business Combination;
- The financial and other interests of the Collective Growth board of directors may have influenced the board's decision to approve the Business Combination;
- The Innoviz securities to be received by Collective Growth's securityholders as a result of the Business Combination will have different rights from Collective Growth securities and Collective Growth's stockholders will have a reduced ownership and voting interest of the combined company after consummation of the Business Combination; and
- The other matters described in the section titled "*Risk Factors*" beginning on page 15.

**UNAUDITED HISTORICAL COMPARATIVE AND PRO FORMA COMBINED PER SHARE DATA OF COLLECTIVE GROWTH AND INNOVIZ**

The following table sets forth summary historical comparative share and unit information for Collective Growth and Innoviz and unaudited pro forma condensed combined per share information of Collective Growth after giving effect to the Transactions (as defined in the section titled “*Unaudited Pro Forma Condensed Combined Financial Information*”), assuming two redemption scenarios as follows:

- **Assuming No Redemptions:** This presentation assumes that no Collective Growth stockholders exercise redemption rights with respect to their Public Shares.
- **Assuming Maximum Redemptions:** This presentation assumes that all Collective Growth stockholders holding approximately 14,019,139 shares of Class A Stock will exercise their redemption rights for the \$140.2 million of funds in Collective Growth Corporation’s trust account. Innoviz’s obligations under the Business Combination Agreement are subject to having at least \$200 million Aggregate Transaction Proceeds (as such term is defined in the Business Combination Agreement). Furthermore, Collective Growth Corporation will only proceed with the Business Combination if it will have net tangible assets of at least \$5.0 million either immediately prior to or upon consummation of the Business Combination.

The unaudited pro forma book value information reflects the Transactions as if they had occurred on September 30, 2020. The weighted average shares outstanding and net earnings per share information reflect the Transactions as if they had occurred on January 1, 2019.

This information is only a summary and should be read together with the summary historical financial information included elsewhere in this proxy statement/prospectus, and the historical financial statements of Collective Growth Corporation and Innoviz Technologies and related notes that are included elsewhere in this proxy statement/prospectus. The unaudited pro forma combined per share information of Collective Growth Corporation and Innoviz Technologies is derived from, and should be read in conjunction with, the unaudited pro forma condensed combined financial statements and related notes included elsewhere in this proxy statement/consent solicitation statement/prospectus.

The unaudited pro forma combined earnings per share information below does not purport to represent the earnings per share which would have occurred had the companies been combined during the periods presented, nor earnings per share for any future date or period. The unaudited pro forma combined book value per share information below does not purport to represent what the value of Collective Growth Corporation and Innoviz Technologies would have been had the companies been combined during the periods presented.

- (1) Book value per share equals total equity excluding convertible preferred shares divided by total shares outstanding. The Collective Growth Corporation historical weighted average shares outstanding excludes 14,019,139 shares subject to redemption for Collective Growth Corporation at September 30, 2020.
- (2) There is no Unaudited Pro Forma Condensed Combined Balance Sheet required for December 31, 2019. Because of this, there is no Innoviz Technologies equivalent pro forma book value per share for December 31, 2019.
- (3) No cash dividends were declared under the periods presented.
- (4) Assuming that no Antara Top-up Amount (as defined in the Business Combination Agreement) was subscribed for.

## RISK FACTORS

*If the Business Combination is completed, the combined company will operate in a market environment that is difficult to predict and that involves significant risks, many of which will be beyond its control. You should carefully consider the risks described below before voting your shares. Additional risks and uncertainties not presently known to Innoviz and Collective Growth or that they do not currently believe are important to an investor, if they materialize, also may adversely affect the Business Combination. If any of the events, contingencies, circumstances or conditions described in the following risks actually occur, the combined company's business, financial condition or results of operations could be seriously harmed. If that happens, the trading price of Innoviz ordinary shares or, if the Business Combination is not consummated, Collective Growth Common Stock could decline, and you may lose part or all of the value of any Innoviz ordinary shares or, if the Business Combination is not consummated, shares of Collective Growth Common Stock that you hold.*

### **Risks Related to the Business Combination**

#### ***Collective Growth may not have sufficient funds to consummate the Business Combination.***

As of September 30, 2020, Collective Growth had approximately \$390,234 available to it outside the trust account to fund its working capital requirements. If Collective Growth is required to seek additional capital, it would need to borrow funds from the Sponsor, its management team or other third parties to operate or it may be forced to liquidate. None of such persons is under any obligation to advance funds to Collective Growth in such circumstances. Any such advances would be repaid only from funds held outside the trust account or from funds released to Collective Growth upon completion of the Business Combination. If Collective Growth is unable to consummate the Business Combination because it does not have sufficient funds available, Collective Growth will be forced to cease operations and liquidate the trust account. Consequently, Collective Growth's public stockholders may receive less than \$10 per share and their warrants will expire worthless.

#### ***If Collective Growth's stockholders fail to properly demand conversion rights, they will not be entitled to convert their Collective Growth Common Stock into a pro rata portion of the trust account.***

Collective Growth stockholders holding public shares may demand that Collective Growth convert their public shares into a pro rata portion of the trust account, calculated as of two (2) business days prior to the special meeting. To demand conversion rights, Collective Growth stockholders must deliver their shares (either physically or electronically) to Collective Growth's transfer agent no later than two (2) business days prior to the special meeting. Any stockholder who fails to properly demand conversion rights by delivering his, her or its shares will not be entitled to convert his, her or its shares into a pro rata portion of the trust account. See the section of this proxy statement/prospectus titled "*Special Meeting of Collective Growth Stockholders—Conversion Rights*" for the procedures to be followed if you wish to convert your shares to cash.

#### ***The Business Combination remains subject to conditions that Collective Growth cannot control and if such conditions are not satisfied or waived, the Business Combination may not be consummated.***

The Business Combination is subject to a number of conditions, including the condition that Collective Growth have at least \$5,000,001 of net tangible assets (as determined in accordance with Rule 3a51-5(g)(1) of the Exchange Act) either immediately prior to or upon consummation of the Business Combination, the condition that there is no legal prohibition against consummation of the business combination, that the Innoviz ordinary shares be approved for listing on Nasdaq subject only to official notice of issuance thereof and the requirement to have a sufficient number of round lot holders, receipt of securityholder approvals, continued effectiveness of the registration statement of which this proxy statement/prospectus is a part, the truth and accuracy of Collective Growth's and Innoviz's representations and warranties made in the Business Combination Agreement, the non-termination of the Business Combination Agreement and consummation of certain ancillary agreements. There are no assurances that all conditions to the business combination will be satisfied or that the conditions will be satisfied in the time frame expected.

---

## Table of Contents

If the conditions to the Business Combination are not met (and are not waived, to the extent waivable), either Collective Growth or Innoviz may, subject to the terms and conditions of the Business Combination Agreement, terminate the Business Combination Agreement. See the section of this proxy statement/prospectus titled “*The Business Combination Agreement—Termination.*”

***The exercise of Collective Growth’s directors’ and officers’ discretion in agreeing to changes or waivers in the terms of the Business Combination may result in a conflict of interest when determining whether such changes to the terms of the Business Combination or waivers of conditions are appropriate and in Collective Growth’s stockholders’ best interest.***

In the period leading up to the closing of the Business Combination, events may occur that, pursuant to the Business Combination Agreement, would require Collective Growth to agree to amend the Business Combination Agreement, to consent to certain actions taken by Innoviz or to waive rights that Collective Growth is entitled to under the Business Combination Agreement. Waivers may arise because of changes in the course of Innoviz’s business, a request by Innoviz to undertake actions that would otherwise be prohibited by the terms of the Business Combination Agreement or the occurrence of other events that would have a material adverse effect on Innoviz’s business and would entitle Collective Growth to terminate the Business Combination Agreement. In any of such circumstances, it would be at Collective Growth’s discretion, acting through its board of directors, to grant its consent or waive those rights. The existence of the financial and personal interests of the directors and officers described in the following risk factors may result in a conflict of interest on the part of one or more of the directors or officers between what he or they may believe is best for Collective Growth and what he or they may believe is best for himself or themselves in determining whether or not to take the requested action. As of the date of this proxy statement/prospectus, Collective Growth does not believe there will be any changes or waivers that Collective Growth’s directors and officers would be likely to make after stockholder approval of the business combination proposal has been obtained. While certain changes could be made without further stockholder approval, Collective Growth will circulate a new or amended proxy statement/prospectus and resolicit Collective Growth’s stockholders if changes to the terms of the Business Combination that would have a material impact on its stockholders or represent a fundamental change in the proposals being voted upon.

***Innoviz may issue additional Innoviz ordinary shares or other equity securities without seeking approval of the Innoviz shareholders, which would dilute your ownership interests and may depress the market price of the Innoviz ordinary shares.***

Upon consummation of the Business Combination, Innoviz will have warrants outstanding to purchase up to an aggregate of 22,359,488 Innoviz ordinary shares. Assuming the earnout targets are satisfied, Innoviz will be required to issue an additional 4,271,154 Innoviz ordinary shares to the Company Management, Perception and Antara Capital Master. Further, Innoviz may choose to seek third party financing to provide additional working capital for the Innoviz business, in which event Innoviz may issue additional equity securities. Following the consummation of the Business Combination, Innoviz may also issue additional Innoviz ordinary shares or other equity securities of equal or senior rank in the future for any reason or in connection with, among other things, future acquisitions, the redemption of outstanding warrants or repayment of outstanding indebtedness, without shareholder approval, in a number of circumstances.

The issuance of additional Innoviz ordinary shares or other equity securities of equal or senior rank would have the following effects:

- Innoviz’s existing shareholders’ proportionate ownership interest in Innoviz will decrease;
- the amount of cash available per share, including for payment of dividends in the future, may decrease;
- the relative voting strength of each previously outstanding Innoviz ordinary share may be diminished; and
- the market price of the Innoviz ordinary shares may decline.

---

## Table of Contents

***Future resales of the Innoviz ordinary shares issued in connection with the Business Combination may cause the market price of the Innoviz to drop significantly, even if Innoviz's business is doing well.***

Certain equityholders of Innoviz, certain equityholders of Collective Growth, Perception and Antara Capital entered into the Confidentiality and Lockup Agreement with Innoviz. Pursuant to the Confidentiality and Lockup Agreement, such shareholders have agreed that they will not, during the period beginning at the Effective Time and continuing to and including the date that is one hundred eighty (180) days after the date of closing of the Business Combination, directly or indirectly, offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of any shares, or any options or warrants to purchase any shares, or any securities convertible into, exchangeable for or that represent the right to receive shares, or any interest in any of the foregoing, whether now owned or hereinafter acquired, owned directly by such shareholder (including holding as a custodian) or with respect to which such shareholder has beneficial ownership within the rules and regulations of the SEC (in each case, subject to certain exceptions set forth in the Confidentiality and Lockup Agreement). See the section of this proxy statement/prospectus titled "*Agreements Entered into in connection with the Business Combination—Confidentiality and Lockup Agreement.*"

Further, concurrently with the execution of the Business Combination Agreement, Innoviz, certain equityholders of Innoviz, certain equityholders of Collective Growth, Perception and Antara Capital entered into the Registration Rights Agreement, providing such stockholders with customary demand registration rights and piggy-back registration rights with respect to registration statements filed by Innoviz after the closing. See the section of this proxy statement/prospectus titled "*Agreements Entered into in connection with the Business Combination—Registration Rights Agreement.*"

Upon expiration of the applicable lock-up periods and upon the effectiveness of any registration statement Innoviz files pursuant to the above-referenced Registration Rights Agreement, in a registered offering of securities pursuant to the Securities Act or otherwise in accordance with Rule 144 under the Securities Act, the Innoviz shareholders may sell large amounts of Innoviz ordinary shares and warrants in the open market or in privately negotiated transactions, which could have the effect of increasing the volatility in the trading price of the Innoviz ordinary shares or the Innoviz warrants or putting significant downward pressure on the price of the Innoviz ordinary shares or warrants. Additionally, downward pressure on the market price of the Innoviz ordinary shares or Innoviz warrants likely will result from sales of Innoviz ordinary shares issued in connection with the exercise of warrants. Further, sales of Innoviz ordinary shares or warrants upon expiration of any applicable lockup periods could encourage short sales by market participants. Generally, short selling means selling a security, contract or commodity not owned by the seller. The seller is committed to eventually purchase the financial instrument previously sold. Short sales are used to capitalize on an expected decline in the security's price. Short sales of Innoviz ordinary shares or warrants could have a tendency to depress the price of the Innoviz ordinary shares or the Innoviz warrants, respectively, which could increase the potential for short sales.

Additionally, through the Subscription Agreements Innoviz has agreed with the PIPE Investors to register the PIPE shares on a resale registration statement following the closing of the Transactions. These shares will be freely tradable without restriction or further registration under the Securities Act, unless the shares are held by any of our "affiliates" as such term is defined in Rule 144 under the Securities Act. This additional liquidity in the market for Innoviz ordinary shares may lead to downward pressure on the market price of the Innoviz ordinary shares.

We cannot predict the size of future issuances of Innoviz ordinary shares or warrants or the effect, if any, that future issuances and sales of shares of Innoviz ordinary shares or warrants will have on the market price of the Innoviz ordinary shares or warrants. Sales of substantial amounts of Innoviz ordinary shares (including those shares issued in connection with the Business Combination), or the perception that such sales could occur, may adversely affect prevailing market prices of Innoviz ordinary shares or warrants.

***The Collective Growth board of directors did not obtain a third-party fairness opinion in determining whether or not to proceed with the Business Combination.***

Collective Growth's board of directors did not obtain a third-party fairness opinion in connection with their determination to approve the Business Combination. In analyzing the Business Combination, Collective Growth's board of directors and management conducted due diligence on Innoviz and researched the industry in which Innoviz operates and concluded that the business combination was fair to and in the best interest of Collective Growth and its stockholders. Accordingly, investors will be relying solely on the judgment of Collective Growth's board of directors and management in valuing Innoviz's business, and the board of directors and management may not have properly valued such business. The lack of a third-party fairness opinion may lead an increased number of stockholders to vote against the proposed Business Combination or demand redemption of their shares for cash, which could potentially impact Collective Growth's ability to consummate the Business Combination or adversely affect Innoviz's liquidity following the consummation of the Business Combination.

***Collective Growth and Innoviz will incur significant transaction and transition costs in connection with the Business Combination.***

Collective Growth and Innoviz have both incurred and expect to incur significant, non-recurring costs in connection with consummating the Transactions and operating as a public company following the consummation of the Transactions. Innoviz may also incur additional costs to retain key employees. All expenses incurred in connection with the Business Combination, including all legal, accounting, consulting, investment banking and other fees, expenses and costs, will be for the account of the party incurring such fees, expenses and costs or paid by Innoviz following the closing of the Transactions.

***Subsequent to the completion of the Business Combination, the combined company may be required to take write-downs or write-offs, restructuring and impairment or other charges that could have a significant negative effect on its financial condition, results of operations and the combined company's ordinary share price, which could cause you to lose some or all of your investment.***

Although Collective Growth has conducted extensive due diligence on Innoviz, Collective Growth cannot assure you that this diligence will surface all material issues that may be present in Innoviz's business, that it would be possible to uncover all material issues through a customary amount of due diligence, or that factors outside of Innoviz's business and outside of its control will not later arise. As a result of these factors, the combined company may be forced to later write-down or write-off assets, restructure its operations, or incur impairment or other charges that could result in its reporting losses. Even if Collective Growth's due diligence successfully identified certain risks, unexpected risks may arise and previously known risks may materialize in a manner not consistent with Collective Growth's preliminary risk analysis. Even though these charges may be non-cash items and would not have an immediate impact on the combined company's liquidity, the fact that the combined company reports charges of this nature could contribute to negative market perceptions of the combined company or its securities. In addition, charges of this nature may cause the combined company to violate net worth or other covenants to which the combined company may be subject as a result of assuming pre-existing debt held by Innoviz's business or by virtue of the combined company obtaining post-combination debt financing. Accordingly, any stockholders who choose to remain shareholders following the Business Combination could suffer a reduction in the value of their shares. Such shareholders are unlikely to have a remedy for such reduction in value.

***The Innoviz securities to be received by Collective Growth's securityholders as a result of the Business Combination will have different rights from Collective Growth securities.***

Following completion of the Business Combination, Collective Growth's securityholders will no longer be securityholders of Collective Growth but will instead be securityholders of Innoviz. There will be important differences between your current rights as a Collective Growth securityholder and your rights as an Innoviz securityholder. See "Description of Share Capital—Comparison of Shareholder Rights" for a discussion of the different rights associated with the Innoviz securities.

## Table of Contents

***Collective Growth's stockholders will have a reduced ownership and voting interest after consummation of the Business Combination and will exercise less influence over management.***

After the completion of the Business Combination, Collective Growth's stockholders will own a smaller percentage of the combined company than they currently own of Collective Growth. At the closing of the Transactions, existing Innoviz shareholders would hold approximately 97,500,000 of the issued and outstanding Innoviz ordinary shares (including Innoviz ordinary shares acquired pursuant to certain earnout conditions under the Business Combination Agreement) and current stockholders of Collective Growth would hold approximately 15,262,500 of the issued and outstanding Innoviz ordinary shares (assuming no holder of Collective Growth Common Stock exercises redemption rights as described in this proxy statement/prospectus, and based on current estimates of transaction expenses). Consequently, Collective Growth's stockholders, as a group, will have reduced ownership and voting power in the combined company compared to their ownership and voting power in Collective Growth.

***Even if we consummate the Business Combination, there is no guarantee that the Innoviz warrants will ever be in the money, and they may expire worthless and the terms of our warrants may be amended.***

The exercise price for the Innoviz warrants will be \$11.50 per ordinary share, assuming the Stock Split has occurred. Upon consummation of the Business Combination, the Collective Growth warrants will become Innoviz warrants, and the exercise price and number of shares issuable upon exercise of such warrants will change in accordance with the Exchange Ratio. There is no guarantee that the Innoviz warrants, following the Business Combination, will ever be in the money prior to their expiration, and as such, the warrants may expire worthless.

***Collective Growth's current directors and executive officers and their affiliates own shares of Collective Growth Common Stock, and private placement units, and private placement warrants that will be worthless if the Business Combination is not approved. Such interests may have influenced their decision to approve the Business Combination.***

If the Business Combination or another business combination is not consummated by November 5, 2021 (or such later date as may be approved by Collective Growth's stockholders), Collective Growth will cease all operations except for the purpose of winding up, redeeming 100% of the outstanding public shares for cash and, subject to the approval of its remaining stockholders and its board of directors, dissolving and liquidating. In such event, the 3,750,000 shares of Class B Stock held by the Sponsor and Collective Growth's directors and officers, which were acquired for an aggregate purchase price of \$25,000 prior to the Collective Growth IPO, would be worthless because the holders are not entitled to participate in any redemption or distribution with respect to such shares. Further, the Sponsor, which is affiliated with certain of Collective Growth's directors and officers, other certain officers, and Cantor Fitzgerald & Co., purchased an aggregate of 262,500 private placement units at a price of \$10.00 per unit and an aggregate of 1,875,000 private placement warrants at a price of \$1.00 per warrant, concurrently with the Collective Growth IPO, for an aggregate purchase price of \$4,500,000. The Class B Stock, Class A Stock, warrants underlying the private units, and the private warrants will become worthless if Collective Growth does not consummate a business combination by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter). On the other hand, if the Business Combination is consummated, each outstanding share of Class B Stock (other than the shares forfeited pursuant to the Forfeiture Agreement) and each outstanding share of Class A Stock underlying the private units will convert into Innoviz ordinary shares in accordance with the Exchange Ratio at the closing and each outstanding Collective Growth warrant (including the Collective Growth warrants underlying the private units) will become an Innoviz warrant. Such shares and warrants had an aggregate market value of \$      and \$      , respectively, based upon the closing price of \$      per share and \$      per warrant on Nasdaq on      , 2021.

These financial interests may have influenced the decision of Collective Growth's directors and officers to approve the Business Combination and to continue to pursue the Business Combination. In considering the recommendations of Collective Growth's board of directors to vote for the business combination proposals and

other proposals, its stockholders should consider these interests. See the section of this proxy statement/prospectus titled “*The Business Combination Proposals—Interests of Certain Persons in the Transactions.*”

***The Sponsor, an affiliate of a director of Collective Growth, is liable to ensure that proceeds of the trust account are not reduced by vendor claims in the event the Business Combination is not consummated. Such liability may have influenced the board’s decision to pursue the Business Combination and the board’s decision to approve it.***

If the Business Combination or another business combination is not consummated by Collective Growth on or before November 5, 2021, the Sponsor, an affiliate of a director of Collective Growth, will be liable to ensure that the proceeds in the trust account are not reduced by the claims of target businesses or claims of vendors or other entities that are owed money by Collective Growth for services rendered or contracted for or for products sold to Collective Growth, but only if such a vendor or target business has not executed a waiver agreement. If Collective Growth consummates a business combination, on the other hand, Collective Growth will be liable for all such claims. Collective Growth has no reason to believe that the Sponsor will not be able to fulfill its indemnity obligations to Collective Growth.

These obligations of the Sponsor may have influenced the board’s decision to pursue the business combination with Innoviz or the board of director’s decision to approve the Business Combination. In considering the recommendations of Collective Growth’s board of directors to vote for the business combination proposals and other proposals, stockholders should consider these interests. See the section of this proxy statement/prospectus titled “Proposal One—*The Business Combination Proposals—Interests of Certain Persons in the Transactions.*”

***Collective Growth’s directors may decide not to enforce the indemnification obligations of the Sponsor, resulting in a reduction in the amount of funds in the trust account available for distribution to Collective Growth’s public stockholders in the event a business combination is not consummated.***

If proceeds in the trust account are reduced below \$10.00 per public share and the Sponsor asserts that it is unable to satisfy its indemnification obligations or that it has no indemnification obligations related to a particular claim, Collective Growth’s independent directors would determine whether to take legal action against the Sponsor to enforce its indemnification obligations. While Collective Growth currently expects that its independent directors would take legal action on Collective Growth’s behalf against the Sponsor to enforce the Sponsor’s indemnification obligations, it is possible that Collective Growth’s independent directors in exercising their business judgment may choose not to do so in any particular instance. If Collective Growth’s independent directors choose not to enforce these indemnification obligations, the amount of funds in the trust account available for distribution to Collective Growth’s public stockholders may be reduced below \$10.00 per share.

***Activities taken by existing Collective Growth stockholders to increase the likelihood of approval of the business combination proposal and other proposals could have a depressive effect on the Collective Growth Common Stock.***

At any time prior to the special meeting, during a period when they are not then aware of any material nonpublic information regarding Collective Growth or its securities, Collective Growth, the Sponsor, Collective Growth’s officers and directors, Innoviz, the Innoviz officers and directors and/or their respective affiliates may purchase Collective Growth Common Stock from institutional and other investors who vote, or indicate an intention to vote, against the business combination proposal, or execute agreements to purchase such shares from such investors in the future, or they may enter into transactions with such investors and others to provide them with incentives to acquire shares of Collective Growth Common Stock or vote their shares of Collective Growth Common Stock in favor of the business combination proposal. The purpose of such purchases and other transactions would be to increase the likelihood of approval of the business combination proposals by the holders of a majority of the outstanding shares of Collective Growth Common Stock and ensure that Collective Growth has in excess of \$5,000,001 of net assets to consummate the Business Combination where it appears that such

## Table of Contents

requirement would otherwise not be met. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/prospectus, they might include, without limitation, arrangements to protect such investors or holders against potential loss in value of their shares, including the granting of put options and the transfer to such investors or holders of shares owned by the Sponsor for nominal value. Entering into any such arrangements may have a depressive effect on the Collective Growth Common Stock. For example, as a result of these arrangements, an investor or holder may have the ability to effectively purchase shares of Collective Growth Common Stock at a price lower than market and may therefore be more likely to sell the Collective Growth Common Stock he owns, either prior to or immediately after the special meeting.

In addition, if such purchases are made, the public “float” of the Innoviz ordinary shares following the Business Combination and the number of beneficial holders of Innoviz securities may be reduced, possibly making it difficult to obtain or maintain the quotation, listing or trading of Innoviz securities on Nasdaq or another national securities exchange or reducing the liquidity of the trading market for the Innoviz ordinary shares.

***The Business Combination may be completed even though material adverse effects may result from the announcement of the Business Combination, industry-wide changes and other causes.***

In general, either Collective Growth or Innoviz may refuse to complete the Business Combination if there is a material adverse effect affecting the other party between the signing date of the Business Combination Agreement and the planned closing. However, certain types of changes do not permit either party to refuse to consummate the Business Combination, even if such change could be said to have a material adverse effect on Innoviz or Collective Growth, including the following events (except, in certain cases where the change has a disproportionate effect on a party):

- changes generally affecting the economy and the financial or securities markets, including the COVID-19 pandemic;
- the outbreak or escalation of war or any act of terrorism, civil unrest or natural disasters;
- changes (including changes in law) or general conditions in the industry in which the party operates;
- changes in GAAP, or the authoritative interpretation of GAAP; or
- changes attributable to the public announcement or pendency of the Transactions or the execution or performance of the Business Combination Agreement.

Furthermore, Collective Growth or Innoviz may waive the occurrence of a material adverse effect affecting the other party. If a material adverse effect occurs and the parties still consummate the Business Combination, the market trading price of Innoviz’s ordinary shares and Innoviz warrants may suffer.

***Delays in completing the Business Combination may substantially reduce the expected benefits of the Business Combination.***

Satisfying the conditions to, and completion of, the Business Combination may take longer than, and could cost more than, Collective Growth expects. Any delay in completing or any additional conditions imposed in order to complete the Business Combination may materially adversely affect the benefits that Collective Growth expects to achieve from the Business Combination.

***Collective Growth and Innoviz have no history operating as a combined company. The unaudited pro forma condensed combined financial information may not be an indication of Innoviz’s financial condition or results of operations following the business combination, and accordingly, you have limited financial information on which to evaluate Innoviz and your investment decision.***

forma condensed combined financial information contained in this proxy statement/prospectus has been prepared using the consolidated historical financial statements of Collective Growth and Innoviz, and is presented for illustrative purposes only and should not be considered to be an indication of the results of operations including, without limitation, future revenue, or financial condition of Collective Growth following the Business Combination. Certain adjustments and assumptions have been made regarding Collective Growth after giving effect to the Business Combination. Innoviz and Collective Growth believe these assumptions are reasonable, however, the information upon which these adjustments and assumptions have been made is preliminary, and these kinds of adjustments are difficult to make with accuracy. These assumptions may not prove to be accurate, and other factors may affect Collective Growth's results of operations or financial condition following the consummation of the Business Combination. For these and other reasons, the historical and pro forma condensed combined financial information included in this proxy statement/prospectus does not necessarily reflect Innoviz's results of operations and financial condition and the actual financial condition and results of operations of Innoviz following the Business Combination may not be consistent with, or evident from, this pro forma financial information.

***The projections and forecasts presented in this proxy statement/prospectus may not be an indication of the actual results of the transaction or Innoviz's future results.***

This proxy statement/prospectus contains projections and forecasts prepared by Innoviz. None of the projections and forecasts included in this proxy statement/prospectus have been prepared with a view toward public disclosure other than to certain parties involved in the Business Combination or toward complying with SEC guidelines or GAAP. The projections and forecasts were prepared based on numerous variables and assumptions which are inherently uncertain and may be beyond the control of Innoviz and Collective Growth and exclude, among other things, transaction-related expenses. Important factors that may affect actual results and results of Innoviz's operations following the Business Combination, or could lead to such projections and forecasts not being achieved include, but are not limited to: client demand for Innoviz's products, an evolving competitive landscape, rapid technological change, margin shifts in the industry, regulation changes in a highly regulated environment, successful management and retention of key personnel, unexpected expenses and general economic conditions. As such, these projections and forecasts may be inaccurate and should not be relied upon as an indicator of actual past or future results.

***If Collective Growth is unable to complete the Business Combination or another business combination by November 5, 2021 (or such other date as approved by Collective Growth stockholders through approval of an amendment to the SPAC Charter), Collective Growth will cease all operations except for the purpose of winding up, redeeming 100% of the outstanding public shares and, subject to the approval of its remaining stockholders and its board of directors, dissolving and liquidating. In such event, Collective Growth public stockholders may only receive \$10 per share (or less than such amount in certain circumstances) and Collective Growth warrants will expire worthless.***

If Collective Growth is unable to complete the Business Combination or another business combination within the required time period, Collective Growth will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the outstanding public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including any amounts representing interest earned on the trust account, less any interest released to Collective Growth to pay Collective Growth's income taxes and dissolution expenses, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of its remaining stockholders and its board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to its obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. In such case, Collective Growth public stockholders may only receive \$10 per share, and Collective Growth warrants will expire worthless. In certain circumstances, Collective Growth public stockholders may receive less than \$10 per share on the redemption of their shares.

***In the event of liquidation by Collective Growth, third parties may bring claims against Collective Growth and, as a result, the proceeds held in the trust account could be reduced and the per-share liquidation price received by stockholders could be less than \$10 per share.***

Under the terms of the SPAC Charter, Collective Growth must complete the Business Combination or another business combination by November 5, 2021 (unless such date is extended by Collective Growth's stockholders) or Collective Growth must cease all operations except for the purpose of winding up, redeeming 100% of the outstanding public shares and, subject to the approval of its remaining stockholders and its board of directors, dissolving and liquidating. In such event, third parties may bring claims against Collective Growth. Although Collective Growth has obtained waiver agreements from certain vendors and service providers it has engaged and owes money to, and the prospective target businesses it has negotiated with, whereby such parties have waived any right, title, interest or claim of any kind they may have in or to any monies held in the trust account, there is no guarantee that they or other vendors who did not execute such waivers will not seek recourse against the trust account notwithstanding such agreements. Furthermore, there is no guarantee that a court will uphold the validity of such agreements. Accordingly, the proceeds held in the trust account could be subject to claims which could take priority over those of Collective Growth's public stockholders. If Collective Growth is unable to complete a business combination within the required time period, the Sponsor has agreed that it will be liable to Collective Growth if and to the extent any claims by a vendor for services rendered or products sold to it, or a prospective target business with which it has discussed entering into a transaction agreement, reduces the amount of funds in the trust account to below \$10.00 per public share, except as to any claims by a third party who executed a waiver of any and all rights to seek access to the trust account and except as to any claims under Collective Growth's indemnity of the underwriters of the initial public offering against certain liabilities, including liabilities under the Securities Act. Moreover, in the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsor will not be responsible to the extent of any liability for such third party claims. Furthermore, the Sponsor will not be liable to public stockholders and instead will only have liability to Collective Growth. Collective Growth has not independently verified whether the Sponsor has sufficient funds to satisfy its indemnity obligations and, therefore, the Sponsor may not be able to satisfy those obligations. Collective Growth has not asked the Sponsor to reserve for such eventuality. Therefore, the per-share distribution from the trust account in such a situation may be less than the approximately \$ estimated to be in the trust account as of two business days prior to the special meeting date, due to such claims.

Additionally, if Collective Growth is forced to file a bankruptcy case or an involuntary bankruptcy case is filed against it which is not dismissed, or if Collective Growth otherwise enters compulsory or court supervised liquidation, the proceeds held in the trust account could be subject to applicable bankruptcy law and may be included in its bankruptcy.

***Collective Growth's stockholders may be held liable for claims by third parties against Collective Growth to the extent of distributions received by them.***

If Collective Growth is unable to complete the Business Combination or another business combination within the required time period, Collective Growth will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the outstanding public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including any amounts representing interest earned on the trust account, less any interest released to Collective Growth to pay Collective Growth's income taxes and dissolution expenses, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of its remaining stockholders and its board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to its obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. Collective Growth cannot assure you that it will properly assess all claims that may be potentially brought against Collective Growth. As such, Collective Growth's stockholders could potentially be liable for any claims to the extent of distributions received by them.

## Table of Contents

(but no more) and any liability of its stockholders may extend well beyond the third anniversary of the date of distribution. Accordingly, Collective Growth cannot assure you that third parties will not seek to recover from its stockholders amounts owed to them by Collective Growth.

Additionally, if Collective Growth is forced to file a bankruptcy case or an involuntary bankruptcy case is filed against it that is not dismissed, any distributions received by stockholders could be viewed under applicable debtor/creditor and/or bankruptcy laws as either a “preferential transfer” or a “fraudulent conveyance.” As a result, a bankruptcy court could seek to recover all amounts received by Collective Growth’s stockholders. Because Collective Growth intends to distribute the proceeds held in the trust account to its public stockholders promptly after the expiration of the time period to complete a business combination, this may be viewed or interpreted as giving preference to its public stockholders over any potential creditors with respect to access to or distributions from its assets. Furthermore, Collective Growth’s board may be viewed as having breached their fiduciary duties to its creditors and/or may have acted in bad faith, and thereby exposing itself and Collective Growth to claims of punitive damages, by paying public stockholders from the trust account prior to addressing the claims of creditors. Collective Growth cannot assure you that claims will not be brought against it for these reasons.

***Collective Growth may be a target of securities class action and derivative lawsuits which could result in substantial costs and may delay or prevent the Business Combination from being completed.***

Securities class action lawsuits and derivative lawsuits are often brought against companies that have entered into business combination agreements or similar agreements. Even if the lawsuits are without merit, defending against these claims can result in substantial costs and divert management time and resources. An adverse judgment could result in monetary damages, which could have a negative impact on Collective Growth’s liquidity and financial condition. Additionally, if a plaintiff is successful in obtaining an injunction prohibiting consummation of the Transactions, then that injunction may delay or prevent the Transactions from being completed. Currently, Collective Growth is not aware of any securities class action lawsuits or derivative lawsuits being filed in connection with the Transactions.

***The Sponsor and Collective Growth’s officers and directors have agreed to vote in favor of the Business Combination, regardless of how Collective Growth’s public stockholders vote.***

The Sponsor, as well as Collective Growth’s officers and directors, beneficially own and are entitled to vote an aggregate of approximately 21.1% of the outstanding Collective Growth Common Stock. These holders have agreed to vote their shares in favor of the business combination proposal. These holders have also indicated that they intend to vote their shares in favor of all other proposals being presented at the meeting. Accordingly, it is more likely that the necessary stockholder approval for the business combination proposal and the other proposals will be received than would be the case if these holders agreed to vote their founder shares in accordance with the majority of the votes cast by Collective Growth’s public stockholders.

***The ongoing COVID-19 pandemic may adversely affect Collective Growth’s and Innoviz’s ability to consummate the Transactions.***

The COVID-19 pandemic has resulted in governmental authorities worldwide implementing numerous measures to contain the virus, including travel restrictions, quarantines, shelter-in-place orders and business limitations and shutdowns. More generally, the pandemic raises the possibility of an extended global economic downturn and has caused volatility in financial markets. The pandemic may also amplify many of the other risks described in this proxy statement/prospectus.

Collective Growth and Innoviz may be unable to complete the Transactions if continued concerns relating to COVID-19 restrict travel and limit the ability to have meetings with potential investors or the Innoviz personnel. The extent to which COVID-19 impacts Collective Growth’s and Innoviz’s ability to consummate the

## Table of Contents

Transactions will depend on future developments, which are highly uncertain and cannot be predicted, including new information that may emerge concerning the severity of COVID-19 and the actions to contain COVID-19 or treat its impact, among others. If the disruptions posed by COVID-19 or other matters of global concern continue for an extended period of time, Collective Growth's and Innoviz's ability to consummate the Transactions may be materially adversely affected.

***If the Business Combination does not qualify as a reorganization under Section 368(a) of the Code, is taxable under Section 367(a) of the Code, or is otherwise taxable to U.S. Holders of Collective Growth common stock and/or Collective Growth warrants, then the Business Combination would be taxable with respect to such U.S. Holders.***

The Business Combination (i) is intended to qualify as a reorganization within the meaning of Section 368(a) of the Code (a "reorganization"), and (ii) is not expected to result in gain being recognized by U.S. Holders (as defined in "Certain Material U.S. Federal Income Tax Considerations") of Collective Growth common stock and Collective Growth warrants immediately prior to the Effective Time under Section 367(a) of the Code (other than with respect to any such holder that would own, actually or constructively, 5% or more (by vote or value) of the outstanding shares of Innoviz stock immediately after the Business Combination) (together, the "Intended Tax Treatment"). The parties intend to report the Business Combination in a manner consistent with the Intended Tax Treatment. However, there are significant factual and legal uncertainties as to whether the Business Combination will qualify for the Intended Tax Treatment. For example, under Section 368(a) of the Code, the acquiring corporation (or, in the case of certain reorganizations structured similarly to the Business Combination, its corporate parent) must continue, either directly or indirectly through certain controlled corporations, either a significant line of the acquired corporation's historic business or use a significant portion of the acquired corporation's historic business assets in a business. However, there is an absence of guidance directly on point as to how the provisions of Section 368(a) of the Code apply in the case of an acquisition of a corporation with no active business and only investment-type assets, such as Collective Growth. Moreover, Section 367(a) of the Code and the applicable Treasury regulations promulgated thereunder provide that where a U.S. shareholder exchanges stock in a U.S. corporation for stock in a non-U.S. corporation in a transaction that would otherwise qualify as a reorganization within the meaning of Section 368(a) of the Code, the U.S. shareholder is required to recognize gain, but not loss, realized on such exchange unless certain requirements are met. There are significant factual and legal uncertainties concerning the determination of certain of these requirements. Moreover, the closing of the Business Combination is not conditioned upon the receipt of an opinion of counsel that the Business Combination will qualify for the Intended Tax Treatment, and neither Collective Growth nor Innoviz intends to request a ruling from the IRS regarding the U.S. federal income tax treatment of the Business Combination. Accordingly, no assurance can be given that the IRS will not challenge the Intended Tax Treatment or that a court will not sustain a challenge by the IRS.

If, at the Effective Time, any requirement for Section 368(a) of the Code is not met, then a U.S. Holder of Collective Growth common stock and/or Collective Growth warrants would recognize gain or loss in an amount equal to the difference, if any, between the fair market value (as of the closing date of the Business Combination) of Innoviz ordinary shares and/or Innoviz warrants received in the Business Combination, over such holder's aggregate tax basis in the corresponding Collective Growth common stock and/or Collective Growth warrants surrendered by such holder in the Business Combination.

If, at the Effective Time, any requirement for Section 367(a) of the Code is not satisfied, then a U.S. Holder of Collective Growth common stock would recognize gain (but not loss) in an amount equal to the excess, if any, of the fair market value as of the closing date of the Business Combination of Innoviz ordinary shares received in the Business Combination, over such holder's aggregate tax basis in the Collective Growth common stock surrendered by such holder in the Business Combination.

***The IRS may not agree that Innoviz should be treated as a non-U.S. corporation for U.S. federal income tax purposes.***

Although Innoviz is incorporated and tax resident in Israel, the IRS may assert that it should be treated as a U.S. corporation (and therefore a U.S. tax resident) for U.S. federal income tax purposes pursuant to Section 7874 of the Code. For U.S. federal income tax purposes, a corporation is generally considered a U.S. “domestic” corporation (or U.S. tax resident) if it is organized in the United States, and a corporation is generally considered a “foreign” corporation (or non-U.S. tax resident) if it is not a U.S. corporation. Because Innoviz is an entity incorporated and tax resident in Israel, it would generally be classified as a foreign corporation (or non-U.S. tax resident) under these rules. Section 7874 of the Code provides an exception under which a foreign incorporated and foreign tax resident entity may, in certain circumstances, be treated as a U.S. corporation for U.S. federal income tax purposes.

As more fully described in the section titled “*Certain Material U.S. Federal Income Tax Considerations—U.S. Federal Income Tax Treatment of Innoviz—Tax Residence of Innoviz for U.S. Federal Income Tax Purposes*,” based on the terms of the Business Combination and certain factual assumptions, Innoviz is not currently expected to be treated as a U.S. corporation for U.S. federal income tax purposes under Code Section 7874 after the Business Combination. However, the application of Section 7874 of the Code is complex and is subject to detailed regulations (the application of which is uncertain in various respects and would be impacted by changes in such U.S. Treasury regulations with possible retroactive effect) and is subject to certain factual uncertainties. Accordingly, there can be no assurance that the IRS will not challenge the status of Innoviz as a foreign corporation under Code Section 7874 or that such challenge would not be sustained by a court.

If the IRS were to successfully challenge under Code Section 7874 Innoviz’s status as a foreign corporation for U.S. federal income tax purposes, Innoviz and certain Innoviz shareholders would be subject to significant adverse tax consequences, including a higher effective corporate income tax rate on Innoviz and future withholding taxes on certain Innoviz shareholders, depending on the application of any income tax treaty that might apply to reduce such withholding taxes.

See “*Certain Material U.S. Federal Income Tax Considerations—U.S. Federal Income Tax Treatment of Innoviz—Tax Residence of Innoviz for U.S. Federal Income Tax Purposes*” for a more detailed discussion of the application of Code Section 7874 to the Business Combination. Investors in Innoviz should consult their own advisors regarding the application of Code Section 7874 to the Business Combination.

***Code Section 7874 may limit the ability of Collective Growth to use certain tax attributes following the Business Combination, increase Innoviz’s U.S. affiliates’ U.S. taxable income or have other adverse consequences to Innoviz and Innoviz’s shareholders.***

Following the acquisition of a U.S. corporation by a foreign corporation, Code Section 7874 can limit the ability of the acquired U.S. corporation and its U.S. affiliates to use U.S. tax attributes (including net operating losses and certain tax credits) to offset U.S. taxable income resulting from certain transactions, as well as result in certain other adverse tax consequences, even if the acquiring foreign corporation is respected as a foreign corporation for purposes of Code Section 7874. In general, if a foreign corporation acquires, directly or indirectly, substantially all of the properties held directly or indirectly by a U.S. corporation and after the acquisition, the former shareholders of the acquired U.S. corporation hold at least 60% (by either vote or value) but less than 80% (by vote and value) of the shares of the foreign acquiring corporation by reason of holding shares in the acquired U.S. corporation, subject to other requirements, certain adverse tax consequences under Section 7874 of the Code may apply.

If these rules apply to the Business Combination, Innoviz and certain of Innoviz’s shareholders may be subject to adverse tax consequences including, but not limited to, restrictions on the use of tax attributes with respect to “inversion gain” recognized over a 10-year period following the transaction, disqualification of

---

dividends paid from preferential “qualified dividend income” rates and the requirement that any U.S. corporation owned by Innoviz include as “base erosion payments” that may be subject to a minimum U.S. federal income tax any amounts treated as reductions in gross income paid to certain related foreign persons. Furthermore, certain “disqualified individuals” (including officers and directors of a U.S. corporation) may be subject to an excise tax on certain stock-based compensation held thereby at a rate of 20%.

As more fully described in the section titled “*Certain Material U.S. Federal Income Tax Considerations—U.S. Federal Income Tax Treatment of Innoviz—Utilization of Collective Growth’s Tax Attributes and Certain Other Adverse Tax Consequences to Innoviz and Innoviz’s Shareholders*,” based on the terms of the Business Combination and certain factual assumptions, Innoviz is not currently expected to be subject to these rules under Code Section 7874 after the Business Combination.

However, even if Innoviz is not subject to the above adverse consequences under Section 7874, Innoviz may be limited in using its equity to engage in future acquisitions of U.S. corporations over a 36-month period following the Business Combination. If Innoviz were to be treated as acquiring substantially all of the assets of a U.S. corporation within a 36-month period after the Business Combination, the Section 7874 Regulations would exclude certain shares of Innoviz attributable to the Business Combination for purposes of determining the Section 7874 Percentage of that subsequent acquisition, making it more likely that Code Section 7874 will apply to such subsequent acquisition.

See “*Certain Material U.S. Federal Income Tax Considerations—U.S. Federal Income Tax Treatment of Innoviz—Utilization of Collective Growth’s Tax Attributes and Certain Other Adverse Tax Consequences to Innoviz and Innoviz’s Shareholders*” for a more detailed discussion of the application of Code Section 7874 to the Business Combination. Investors in Innoviz should consult their own advisors regarding the application of Code Section 7874 to the Business Combination.

### **Risks Related to the Adjournment Proposal**

***If the adjournment proposal is not approved, Collective Growth’s board of directors will not have the ability to adjourn the special meeting to a later date.***

If, at the special meeting, the chairman presiding over the special meeting determines that it would be in the best interests of Collective Growth to adjourn the special meeting to give Collective Growth more time to consummate the Business Combination for whatever reason (such as if the Business Combination Proposal is not approved, or if Collective Growth would have net tangible assets of less than \$5,000,001 either immediately prior to or upon the consummation of the Transactions, or if additional time is needed to fulfil other closing conditions), the chairman presiding over the special meeting will seek approval to adjourn the special meeting to a later date or dates. If the adjournment proposal is not approved, the chairman will not have the ability to adjourn the special meeting to a later date in order to solicit further votes. In such event, the Business Combination would not be completed.

### **Risks Related to the Combined Company Following the Business Combination**

Any of the following risk factors could cause the combined company’s actual results to differ materially from anticipated results. These risks and uncertainties are not the only ones that the combined company faces.

### ***Risks Related to Innoviz’s Business and Industry***

Innoviz is an early stage company with a history of losses, and expects to incur significant expenses and continuing losses for the foreseeable future.

Innoviz has incurred net losses on an annual basis since its inception. Innoviz incurred a net loss of approximately \$49.3 million for the nine months ended September 30, 2020 and net losses of approximately

## Table of Contents

\$67.7 million and \$56.4 million for the years ended December 31, 2019 and 2018, respectively. Innoviz believes that it will continue to incur operating and net losses each quarter until at least the time it begins commercial deliveries of its LiDAR-based products. Even if Innoviz is able to successfully develop and sell its LiDAR solutions, there can be no assurance that they will be commercially successful.

Innoviz expects the rate at which it will incur losses to be significantly higher in future periods as Innoviz:

- expands its production capabilities to produce its LiDAR solutions, including costs associated with outsourcing the production of its LiDAR solutions;
- expands its design, development, installation and servicing capabilities;
- increases its investment in research and development;
- produces an inventory of its LiDAR solutions;
- supports additional design wins of serial production of OEM consumer vehicle programs; and
- increases its sales and marketing activities and develops its distribution infrastructure.

Innoviz will incur the costs and expenses from these efforts before it receives incremental revenues with respect thereto, and therefore Innoviz's losses in future periods may be significant. In addition, Innoviz may find that these efforts are more expensive than it currently anticipates or that these efforts may not result in revenues, which would further increase Innoviz's losses.

***Innoviz's limited operating history and evolving business model makes evaluating its business and future prospects difficult and may increase the risk of your investment.***

Innoviz has been focused on developing LiDAR products for autonomous driving systems since its inception in 2016. This relatively limited operating history makes it difficult to evaluate Innoviz's future prospects and the risks and challenges it may encounter. Further, because Innoviz has limited historical financial data and operates in a rapidly evolving market, any predictions about its future revenue and expenses may not be as accurate as they would be if it had a longer operating history or operated in a more predictable market.

In addition, Innoviz's business model may undergo changes or differ with respect to certain Tier-1 partners such that instead of manufacturing and selling a full-blown LiDAR solution, it may sell a chip-set containing certain components to the Tier-1 partner(s), which will then assemble the LiDAR solution in accordance with Innoviz's design and sell the solution to the OEMs. To the extent that its business model does change, this will also render its historical operating history and financial data less useful in assessing its future prospects.

If Innoviz fails to address the risks and difficulties that it faces, including those described elsewhere in this 'Risk Factors' section, its business, financial condition and results of operations could be adversely affected. Innoviz has encountered in the past, and will encounter in the future, risks and uncertainties frequently experienced by growing companies with limited operating histories in rapidly changing industries. If Innoviz's assumptions regarding these risks and uncertainties, which it uses to plan and operate its business, are incorrect or change, or if it does not address these risks successfully, its results of operations could differ materially from its expectations and its business, financial condition and results of operations could be adversely affected.

***Innoviz is creating innovative technology by designing and developing unique components. The high price of or low yield in these components may affect Innoviz's ability to sell at competitive prices, or may lead to losses.***

Part of Innoviz's technological approach to providing cost-efficient LiDAR-based autonomous driving solutions featuring superior performance involves using a multi-disciplinary approach to design some of its components. Many of these components are complex and contain multiple sophisticated elements. Volume production of these elements may require extreme precision and present challenges to their manufacturers. This

---

## **Table of Contents**

can lead to increased costs of production of the components which the manufacturers may pass on to Innoviz or a production run may yield fewer usable components than what was desired or anticipated. Any such increased components cost or suboptimal yield in production of Innoviz's components may significantly increase Innoviz's production costs and thereby decrease its margins and potentially increase or cause losses for Innoviz.

***Innoviz expects to invest substantially in research and development for the purpose of developing and commercializing new products, and these investments could significantly reduce its profitability or increase its losses and may not generate revenue for Innoviz.***

Innoviz's future growth depends on maintaining its technological leadership in order to introduce new products that achieve market acceptance and penetrate new markets. Therefore Innoviz plans to incur substantial research and development costs as part of its efforts to design, develop, manufacture and commercialize new products and enhance existing products. Innoviz's research and development expenses were approximately \$42.1 million during the nine months ended September 30, 2020, and approximately \$59.3 million and \$58.3 million during the years ended December 31, 2019 and 2018, respectively and are likely to grow in the future. Future research and development expenses will adversely affect Innoviz's future results of operations. In addition, Innoviz's research and development program may not produce successful results, and even if it does successfully produce new products, those products may not achieve market acceptance, create additional revenue or become profitable.

***Innoviz may experience significant delays in the design, production and launch of its LiDAR products for autonomous driving systems, which could harm its business, prospects, financial condition and operating results.***

Innoviz's recently announced product, InnovizTwo, which is still in the development and testing phase. Any delay in the financing, design, production and launch of InnovizTwo or of any other future products, could materially damage Innoviz's brand, business, prospects, financial condition and operating results. There are often delays in the design, production and commercial release of new products, and Innoviz has limited experience in managing the process of introducing a new product and managing its launch. To the extent Innoviz delays the launch of InnovizTwo or any future product, its growth prospects could be adversely affected as it may fail to grow its market share.

***Innoviz is substantially dependent on its design win with BMW and its relationship with Magna, and its business could be materially and adversely affected if the BMW L3 Program was terminated.***

Innoviz's business is substantially dependent on its design win with BMW. Innoviz is the supplier of LiDAR to the BMW Level 3 program (BMW L3 Program), through its Tier-1 partner, Magna. For the nine months ended September 30, 2020, sales to Magna accounted for approximately \$2.3 million and for the years ended December 31, 2019 and December 31, 2018, sales to Magna accounted for approximately \$1.0 million, and \$0.5 million, respectively, representing 50% or more of total revenues during each respective period. There can be no assurance that Innoviz will be able to maintain its relationship with BMW or Magna and secure orders from Magna for BMW's program. If BMW terminates or significantly alters or delays its L3 Program and/or alters its relationship with Innoviz in a manner that is adverse to Innoviz, Innoviz's business would be materially adversely affected. Similarly, if Innoviz is unable to maintain its relationship with Magna, or if its arrangement with Magna is modified so that the economic terms become less favorable to Innoviz, then Innoviz's business would be materially adversely affected.

***The period of time from a design win to implementation is long and Innoviz is subject to the risks of not achieving design wins, cancellation or postponement of contracts or unsuccessful implementation.***

Prospective customers, including those in the automotive industry, generally must make significant commitments of resources to test and validate Innoviz's products and confirm that they can integrate with other

---

technologies before including them in any particular system, product or model. The development cycles of Innoviz's products with new customers varies widely depending on the application, market, customer and the complexity of the product. In the automotive market, for example, this development cycle can be five to seven years. As a result of these lengthy development cycles, Innoviz spends significant time and resources to have its products selected by automotive OEMs and their suppliers for use in a particular vehicle model, which is known as a design win. If Innoviz does not achieve a design win with respect to a particular vehicle model, it may not have an opportunity to supply its products to the automotive OEM for that vehicle model for a period of many years. If Innoviz's products are not selected by an automotive OEM or its suppliers for one vehicle model or if Innoviz's products are not successful in that vehicle model, it is unlikely that its product will be deployed in other vehicle models of that OEM. Further, Innoviz is subject to the risk that customers cancel or postpone implementation of its technology, as well as that it will not be able to integrate its technology successfully into a larger system with other sensing modalities. If Innoviz fails to win a significant number of vehicle models from one or more of automotive OEMs or their suppliers, or its customers cancel or postpone implementation, its business, results of operations and financial condition will be materially and adversely affected.

***Innoviz may need to raise additional funds in the future in order to execute its business plan and these funds may not be available to Innoviz when it needs them. If Innoviz cannot raise additional funds when it needs them, its business, prospects, financial condition and operating results could be negatively affected.***

Innoviz may require additional capital in the future in order to fund its growth strategy or to respond to technological advancements, competitive dynamics or technologies, customer demands, business opportunities, challenges, acquisitions or unforeseen circumstances. It may also determine to raise equity or debt financing for other reasons. For example, in order to further enhance business relationships with current or potential customers or partners, Innoviz may issue equity or equity-linked securities to such current or potential customers or partners.

Innoviz may not be able to timely secure additional debt or equity financing on favorable terms, or at all. If Innoviz raises additional funds through the issuance of equity or convertible debt or other equity-linked securities, its existing shareholders could experience significant dilution. In addition, any debt financing obtained by Innoviz in the future, whether in the form of a credit facility or otherwise, could involve restrictive covenants relating to its capital raising activities and other financial and operational matters, which may make it more difficult for Innoviz to obtain additional capital and to pursue business opportunities, including potential acquisitions. If Innoviz is unable to obtain adequate financing or financing on terms satisfactory to Innoviz when Innoviz requires it, Innoviz's ability to continue to grow or support its business and to respond to business challenges could be significantly limited. In addition, because Innoviz's decision to issue debt or equity in the future will depend on market conditions and other factors beyond its control, it cannot predict or estimate the amount, timing, nature or success of its future capital raising efforts.

***If market adoption of LiDAR for autonomous vehicles does not continue to develop, or develops more slowly than Innoviz expects, its business will be adversely affected.***

While Innoviz's LiDAR-based solutions can be applied to different use cases across end markets, Innoviz has been and expects to continue to be significantly focused on automotive applications. Despite the fact that the automotive industry has engaged in considerable effort to research and test LiDAR products for advanced driver-assistance systems ("ADAS") and autonomous driving applications, there is no guaranty that the automotive industry will introduce LiDAR products in commercially available vehicles. LiDAR products are still relatively new in the market and it is possible that other sensor technologies and devices, based on new or existing technology or a combination of technologies, will achieve acceptance or leadership in the ADAS and autonomous driving industries. Even if LiDAR products are used in initial generations of autonomous driving technology and certain ADAS products, Innoviz cannot guarantee that LiDAR products will be designed into or included in subsequent generations of such commercialized technology. In addition, Innoviz expects that initial generations of autonomous vehicles will be focused on limited applications, such as robo-taxis, and that mass

---

market adoption of autonomous technology may lag behind these initial applications significantly. The speed of market growth for ADAS or autonomous vehicles is difficult if not impossible to predict, and it is more difficult to predict this market's future growth in light of the economic consequences of the COVID-19 pandemic. In addition, to the extent that the market for autonomous vehicle develops successfully, Innoviz expects that there will be increasing competition from providers of sensing technology based on LiDAR and other modalities. If commercialization of LiDAR products is not successful, or not as successful as Innoviz or the market expects, or if other sensing modalities gain acceptance by developers of autonomous driving systems or ADAS, automotive OEMs, regulators and safety organizations or other market participants by the time autonomous vehicle technology achieves mass market adoption, Innoviz's business, results of operations and financial condition will be materially and adversely affected.

***Innoviz targets many customers that are large companies with substantial negotiating power, exacting product standards and potentially competitive internal solutions. If Innoviz is unable to sell its products to these customers, its prospects and results of operations will be adversely affected.***

Many of Innoviz's customers and potential customers are large, multinational companies with substantial negotiating power relative to Innoviz and, in some instances, may have internal solutions that are competitive to Innoviz's products. These large, multinational companies also have significant resources, which may allow them to acquire or develop competitive technologies either independently or in partnership with others. Accordingly, even after investing significant resources to develop a product, Innoviz may not secure a design win or may not be able to commercialize a product on profitable terms. If Innoviz's products are not selected by these large companies or if these companies develop or acquire competitive technology or negotiate terms that are disadvantageous to Innoviz, it will have an adverse effect on Innoviz's business.

***Innoviz continues to implement strategic initiatives designed to grow its business. These initiatives may prove more costly than it currently anticipates, and Innoviz may not succeed in increasing its revenue in an amount sufficient to offset the costs of these initiatives and to achieve and maintain profitability.***

Innoviz continues to make investments and implement initiatives designed to grow its business, including:

- investing in research and development;
- expanding its sales and marketing efforts to attract new customers across industries;
- investing in new applications and markets for its products;
- further enhancing its manufacturing processes and partnerships; and
- investing in legal, accounting, and other administrative functions necessary to support its operations as a public company.

These initiatives may prove more expensive than it currently anticipates, and Innoviz may not succeed in increasing its revenue, if at all, in an amount sufficient to offset these higher expenses and to achieve and maintain profitability. The market opportunities Innoviz is pursuing are at an early stage of development, and it may be many years before the end markets Innoviz expects to serve generate significant demand for its products at scale, if at all.

In addition, Innoviz's revenue may be adversely affected for a number of reasons, including the development and/or market acceptance of new technology that competes with its LiDAR products, changes by OEMs or other market participants to their autonomous vehicle technology, failure of Innoviz's customers to commercialize autonomous systems that include Innoviz's LiDAR solutions, Innoviz's inability to effectively manage its inventory or manufacture products at scale, Innoviz's failure to enter new markets or to attract new customers or expand orders from existing customers or due to increasing competition. Furthermore, it is difficult to predict the size and growth rate of Innoviz's target markets, customer demand for its products, commercialization timelines, developments in autonomous sensing and related technology, the entry of

---

## **Table of Contents**

competitive products, or the success of existing competitive products and services. Accordingly, Innoviz does not expect to achieve profitability over the near term. If Innoviz's revenue does not grow over the long term, its ability to achieve and maintain profitability may be adversely affected, and the value of its business may significantly decrease.

***The markets in which Innoviz competes are characterized by rapid technological change, which requires Innoviz to continue to develop new products and product innovations, and could adversely affect market adoption of its products.***

While Innoviz intends to invest substantial amounts on research and development, continuing technological changes in sensing technology, as well as changes in the ADAS and autonomous driving industries, could adversely affect adoption of LiDAR and/or Innoviz's products. Innoviz's future success will depend upon its ability to develop and introduce a variety of new capabilities and innovations to its existing product offerings, as well as to introduce a variety of new product offerings to address the changing needs of the markets in which Innoviz offers its products. For example, Innoviz is currently working on its InnovizTwo product, as well as several other new LiDAR products. Innoviz cannot guarantee that its new products will be released in a timely manner, or at all, or achieve market acceptance. Delays in delivering new products that meet customer requirements could damage Innoviz's relationships with customers and lead them to seek alternative sources of supply.

If Innoviz is unable to devote adequate resources to develop products or cannot otherwise successfully develop products or system configurations that meet customer requirements, including pricing, on a timely basis or that remain competitive with other technological alternatives, its products could lose market share, its revenue will decline, it may experience operating losses and its business and prospects will be adversely affected.

***Certain of Innoviz's strategic, development and supply arrangements could be terminated or may not materialize into long-term contract partnership arrangements.***

Innoviz has arrangements with strategic, development and supply partners and collaborators. Some of these arrangements are evidenced by memorandums of understandings, early stage agreements that are used for design and development purposes but that will require renegotiation at later stages of development or replacement by production or master agreements that have yet to be implemented under separately negotiated statements of work, each of which could be terminated or may not materialize into next-stage contracts or long-term contract partnership arrangements. If these arrangements are terminated or if Innoviz is unable to enter into next-stage contracts or long-term operational contracts, its business, prospects, financial condition and operating results may be materially adversely affected.

***Innoviz may experience difficulties in managing its growth and expanding its operations.***

Innoviz expects to experience significant growth in the scope and nature of its operations. Innoviz's ability to manage its operations and future growth will require Innoviz to continue to improve its operational, financial and management controls, compliance programs and reporting systems. Innoviz is currently in the process of strengthening its compliance programs, including its compliance programs related to export controls, privacy and cybersecurity and anti-corruption. Innoviz may not be able to implement improvements in an efficient or timely manner and may discover deficiencies in existing controls, programs, systems and procedures, which could have an adverse effect on its business, reputation and financial results.

***Continued pricing pressures, automotive OEM cost reduction initiatives and the ability of automotive OEMs to source or cancel vehicle or technology programs may result in lower than anticipated margins or losses, which may adversely affect Innoviz's business.***

Cost-cutting initiatives adopted by Innoviz's customers often result in increased downward pressure on pricing. Innoviz expects that its agreements with automotive OEMs may require step-downs in pricing over the

---

## Table of Contents

term of the agreements or, if commercialized, over the periods of production. In addition, Innoviz's automotive OEM customers often reserve the right to terminate their supply contracts for convenience, which enhances their ability to obtain price reductions. Automotive OEMs also possess significant leverage over their suppliers, including Innoviz, because the automotive component supply industry is highly competitive, serves a limited number of customers and has a high fixed cost base. Accordingly, Innoviz expects to be subject to substantial continuing pressure from automotive OEMs and Tier-1 suppliers to reduce the price of its products. It is possible that pricing pressures beyond Innoviz's expectations could intensify as automotive OEMs pursue restructuring, consolidation and cost-cutting initiatives. If Innoviz is unable to generate sufficient production cost savings in the future to offset price reductions, its gross margin and profitability would be adversely affected.

***Adverse conditions in the automotive industry or the global economy more generally could have adverse effects on Innoviz's results of operations.***

Innoviz's business is directly affected by and significantly dependent on business cycles and other factors affecting the global automobile industry and global economy generally. Automotive production and sales are highly cyclical and depend on general economic conditions and other factors, including consumer spending and preferences, changes in interest rates and credit availability, consumer confidence, fuel costs, fuel availability, environmental impact, governmental incentives and regulatory requirements and political volatility, especially in energy-producing countries and growth markets. In addition, automotive production and sales can be affected by Innoviz's automotive OEM customers' ability to continue operating in response to challenging economic conditions and in response to regulatory requirements and other factors. The volume of automotive production in North America, Europe and the rest of the world has fluctuated, sometimes significantly, from year to year, and Innoviz expects any such fluctuations to give rise to fluctuations in the demand for its products. Any significant adverse change in any of these factors may result in a reduction in automotive sales and production by Innoviz's automotive OEM customers and could have a material adverse effect on its business, results of operations and financial condition.

***Adoption of LiDAR for other emerging markets may not occur or may occur much more slowly than Innoviz anticipates, which would adversely affect Innoviz's business and prospects.***

Innoviz is investing in and pursuing market opportunities outside of the automotive markets, including in industrial, delivery, surveillance and security robots, mapping applications for topography and smart city initiatives. Innoviz believes that its future revenue growth, if any, will depend in part on its ability to expand within new markets such as these and to enter new markets as they emerge. Each of these markets presents distinct risks and, in many cases, requires Innoviz to address the particular requirements of that market.

Addressing these requirements can be time-consuming and costly. The market for LiDAR technology outside of automotive applications is relatively new, rapidly developing and unproven in many markets or industries. Many of the participants in the markets for LiDAR technology outside of the automotive industry are still in testing and developing their technologies and products and may not succeed to commercialize products or systems with LiDAR products or at all. Innoviz cannot be certain that LiDAR will be sold into these markets, or any market outside of automotive market, at scale. Adoption of LiDAR products, including Innoviz's products, outside of the automotive industry will depend on numerous factors, including: whether the technological capabilities of LiDAR and LiDAR-based products meet users' current or anticipated needs, whether the benefits of designing LiDAR into larger sensing systems outweigh the costs, complexity and time needed to deploy such technology or replace or modify existing systems that may have used other modalities such as cameras and radar, whether users in other applications can move beyond the testing and development phases and proceed to commercializing systems supported by LiDAR technology and whether LiDAR developers such as Innoviz can keep pace with rapid technological change in certain developing markets and the global response to the COVID-19 pandemic and the length of any associated work stoppages. If LiDAR technology does not achieve commercial success outside of the automotive industry, or if the market develops at a pace slower than Innoviz expects, Innoviz's business, results of operation and financial condition may be materially and adversely affected.

## Table of Contents

***As part of growing its business, Innoviz may make acquisitions. If Innoviz fails to successfully select, execute or integrate its acquisitions, then its business, results of operations and financial condition could be materially adversely affected and the stock price of the combined company could decline.***

From time to time, Innoviz may undertake acquisitions to add new products and technologies, acquire talent, gain new sales channels or enter into new markets or sales territories. Acquisitions involve numerous risks and challenges, including relating to the successful integration of the acquired business and its key personnel, entering into new territories or markets with which Innoviz has limited or no prior experience, establishing or maintaining business relationships with new customers, channel partners, vendors and suppliers, unexpected liabilities and potential post-closing disputes.

To date, Innoviz has no experience with acquisitions and the integration of acquired technology and personnel. Further, the ability to successfully identify an acquisition candidate, negotiate and close an acquisition and then integrate the acquired company may be made more difficult by travel limitations and difficulties resulting from the COVID-19 pandemic. Failure to successfully identify, complete, manage and integrate acquisitions could materially and adversely affect its business, financial condition and results of operations and could cause the combined company's share price to decline.

***The complexity of Innoviz's products could result in unforeseen delays or expenses from undetected defects, errors or bugs in hardware or software which could reduce the market adoption of its new products, damage its reputation with current or prospective customers, expose Innoviz to product liability, warranty and other claims and adversely affect its operating costs.***

Innoviz's products are technologically complex and require high standards to manufacture. Innoviz has experienced in the past and will likely also experience in the future defects, errors or bugs at various stages of development and manufacturing. Innoviz may be unable to timely release new products, manufacture existing products, correct problems that have arisen or correct such problems to its customers' satisfaction. Additionally, undetected errors, defects, especially as new products are introduced or as new versions are released, could result in serious injury, including fatalities, to the end users of technology incorporating Innoviz's products, or those in the surrounding area, its customers never being able to commercialize technology incorporating our products, litigation against Innoviz, negative publicity and other consequences. These risks are particularly prevalent in the highly competitive autonomous driving and ADAS markets. Some errors or defects in Innoviz's products may only be discovered after they have been tested, commercialized and deployed by customers. In accordance with customary practice in the automotive industry, Innoviz provides its customer with a time-limited warranty to its products. If such errors or defects occur within the respective warranty period, Innoviz may incur significant additional development costs and product recall, repair or replacement costs. These problems may also result in claims against Innoviz by its customers or by third parties. Innoviz's reputation or brand may be damaged as a result of these problems and customers may be reluctant to buy its products, which could adversely affect its ability to retain existing customers and attract new customers, and could adversely affect its financial results.

In addition, Innoviz could face material legal claims for breach of contract, product liability, tort or breach of warranty as a result of these problems. Defending a lawsuit, regardless of its merit, could be costly and may divert management's attention and adversely affect the market's perception of Innoviz and its products. In addition, Innoviz's business liability insurance coverage could prove inadequate with respect to a claim and future coverage may be unavailable on acceptable terms or at all. These product-related issues could result in claims against Innoviz and its business could be adversely affected.

Moreover, legislation and regulations may be adopted or changed over time to increase Innoviz's liability associated with the use of its products, which may make Innoviz's liability insurance coverage inadequate to fully mitigate such risks or rather make it significantly more costly, which could adversely affect its operating results and financial condition.

***Innoviz operates in a highly competitive market against a large number of both established competitors and new market entrants, and some market participants have substantially greater resources than Innoviz.***

The markets for sensing technology applicable to autonomous solutions across numerous industries are highly competitive. Innoviz's future success will depend on its ability to maintain its lead by continuing to develop and protect from infringement advanced LiDAR technology in a timely manner and to stay ahead of existing and new competitors. Innoviz's competitors are numerous and they compete with it directly by offering LiDAR products and indirectly by attempting to solve some of the same challenges with different technology. Innoviz faces competition from camera and radar companies, other developers of LiDAR products, Tier-1 suppliers and other technology and automotive supply companies, some of which have significantly greater resources than it does. Some examples of Innoviz's competitors include Hesai, Ibeo Automotive Systems, LeddarTech, Velodyne, Luminar, Valeo SA, Bosch and Continental. In the automotive market, Innoviz's competitors have commercialized non-LiDAR-based ADAS technology which has achieved market adoption, strong brand recognition and may continue to improve. Other competitors are working towards commercializing autonomous driving technology and either by themselves, or with a publicly announced partner, have substantial financial, marketing, research and development and other resources. Some of Innoviz's customers in the autonomous vehicle and ADAS markets have announced development efforts or made acquisitions directed at creating their own LiDAR-based or other sensing technologies, which would compete with Innoviz's solutions. Innoviz does not know how close these competitors are to commercializing autonomous driving systems or novel ADAS applications. In markets outside of the automotive industry, its competitors, like Velodyne, seek to develop new sensing applications across industries. Even in these emerging markets, Innoviz faces substantial competition from numerous competitors seeking to prove the value of their technology. Additionally, increased competition may result in pricing pressure and reduced margins and may impede Innoviz's ability to increase the sales of its products or cause it to lose market share, any of which will adversely affect its business, results of operations and financial condition.

***Innoviz expects its results of operations to fluctuate on a quarterly and annual basis, which could cause the share price of the combined company to fluctuate or decline.***

Innoviz's quarterly results of operations have fluctuated in the past and may vary significantly in the future. For example, its revenues for the nine months ended September 20, 2020 and the years ended December 31, 2019 and 2018, respectively, were approximately \$3,680,000, \$1,575,000 and \$62,000. As such, historical comparisons of its operating results may not be meaningful. In particular, because Innoviz's sales to date have primarily been to customers making purchases for research and development projects, sales in any given quarter can fluctuate based on the timing and success of its customers' development projects. Accordingly, the results of any one quarter should not be relied upon as an indication of future performance. Innoviz's quarterly financial results may fluctuate as a result of a variety of factors, many of which are outside of its control and may not fully reflect the underlying performance of Innoviz's business. These fluctuations could adversely affect Innoviz's ability to meet its expectations or those of securities analysts or investors. If Innoviz does not meet these expectations for any period, the value of its business and its securities, or those of the combined company, could decline significantly. Factors that may cause these quarterly fluctuations include, without limitation, those listed below:

- The timing and magnitude of orders and shipments of Innoviz's products in any quarter;
- Pricing changes Innoviz may adopt to drive market adoption or in response to competitive pressure;
- Innoviz's ability to retain its existing customers and attract new customers;
- Innoviz's ability to develop, introduce, manufacture and ship in a timely manner products that meet customer requirements;
- Disruptions in Innoviz's sales channels or termination of its relationship with important channel partners;

---

## Table of Contents

- Delays in customers' purchasing cycles or deferments of customers' purchases in anticipation of new products or updates from Innoviz or its competitors;
- Fluctuations in demand pressures for Innoviz's products;
- The mix of products sold in any quarter;
- The duration of the global COVID-19 pandemic and the time it takes for economic recovery;
- The timing and rate of broader market adoption of autonomous systems utilizing Innoviz's smart vision solutions across the automotive and other market sectors;
- Market acceptance of LiDAR and further technological advancements by Innoviz's competitors and other market participants;
- The ability of Innoviz's customers to commercialize systems that incorporate its products;
- Any change in the competitive dynamics of Innoviz's markets, including consolidation of competitors, regulatory developments and new market entrants;
- Innoviz's ability to effectively manage its inventory;
- Changes in the source, cost, availability of and regulations pertaining to materials Innoviz uses;
- Adverse litigation, judgments, settlements or other litigation-related costs, or claims that may give rise to such costs; and
- General economic, industry and market conditions, including trade disputes.

### ***Changes in tax laws or exposure to additional income tax liabilities could affect Innoviz's future profitability.***

Factors that could materially affect Innoviz's future effective tax rates include but are not limited to:

- Changes in tax laws or the regulatory environment;
- Changes in accounting and tax standards or practices;
- Changes in the composition of operating income by tax jurisdiction; and
- Innoviz's operating results before taxes.

Because Innoviz does not have a long history of operating at its present scale and it has significant expansion plans, Innoviz's effective tax rate may fluctuate in the future. Future effective tax rates could be affected by operating losses in jurisdictions where no tax benefit can be recorded under U.S. GAAP, changes in the composition of earnings in countries with differing tax rates, changes in deferred tax assets and liabilities, or changes in tax laws.

### ***Changes in Innoviz's product mix may impact its financial performance.***

Innoviz's financial performance can be affected by the mix of products it sells during a given period. If Innoviz's sales include more of the lower gross margin products than higher gross margin products, its results of operations and financial condition may be adversely affected. There can be no guarantees that Innoviz will be able to successfully alter its product mix so that it is selling more of its high gross margin products. In addition, Innoviz's earnings forecasts and guidance after the Business Combination are expected to include assumptions about product sales mixes. If actual results vary from this projected product mix of sales, Innoviz's results of operations and financial condition could be adversely affected.

***Innoviz is highly dependent on the services of its co-founders, Omer Keilaf, Oren Rosenzweig and Oren Buskila.***

Innoviz is highly dependent on its co-founders, Omer Keilaf, Oren Rosenzweig and Oren Buskila. Messrs. Keilaf, Rosenzweig and Buskila have acted as Innoviz's Chief Executive Officer, Chief Business Officer and Chief R&D Officer, respectively, since its inception, and as such, are deeply involved in all aspects of Innoviz's business, including product development. The loss of any of them would adversely affect Innoviz's business because this could make it more difficult to, among other things, compete with other market participants, manage Innoviz's R&D activities and retain existing customers or cultivate new ones. Negative public perception of, or negative news related to, any of Messrs. Keilaf, Rosenzweig or Buskila may adversely affect Innoviz's brand, relationship with customers or standing in the industry.

***Innoviz's management team has limited experience managing a public company.***

Innoviz's management team has limited experience managing a publicly-traded company, interacting with public company investors and complying with the increasingly-complex laws pertaining to public companies. Innoviz's management team may not successfully or efficiently manage their new roles and responsibilities, Innoviz's transition to being a public company subject to significant regulatory oversight and reporting obligations under the federal securities laws and the continuous scrutiny of securities analysts and investors. These new obligations and constituents will require significant attention from Innoviz's senior management and could divert their attention away from the day-to-day management of Innoviz's business, which could adversely affect Innoviz's business, financial condition and operating results.

***Innoviz's business depends on its ability to attract and retain highly skilled personnel and senior management. Failure to effectively retain, attract and motivate key employees could diminish the anticipated benefits of the Business Combination.***

Competition for highly-skilled personnel is often intense, especially in Israel, where Innoviz's principal office is located, and it may incur significant costs to attract them. Innoviz may face challenges in attracting or retaining qualified personnel to fulfill its current or future needs. Innoviz has, from time to time, experienced, and it expects to continue to experience, difficulty in hiring and retaining highly skilled employees with appropriate qualifications. In addition, job candidates and existing employees often consider the value of the equity awards they receive in connection with their employment. If the perceived value of Innoviz's equity or equity awards declines, including after Closing, it may adversely affect Innoviz's ability to retain highly skilled employees. The success of the Business Combination will depend in part on the attraction, retention and motivation of executive personnel critical to the business and operations of Innoviz. If Innoviz fails to attract new personnel or fails to retain and motivate its current personnel, Innoviz could face disruptions in its operations, strategic relationships, key information, expertise or know-how and unanticipated recruitment and onboarding costs, and its business and future growth prospects could be adversely affected.

***Innoviz relies on third-party suppliers and, because some of the key components in its products come from limited or sole sources of supply, Innoviz is susceptible to supply shortages, long lead times for components and supply changes, any of which could disrupt its supply chain and could delay deliveries of its products to customers.***

Some of the components that go into the manufacture of Innoviz's solutions are sourced from third-party suppliers. Some of the key components used to manufacture Innoviz's products come from limited or single source suppliers. Innoviz is therefore subject to the risk of shortages and long lead times in the supply of these components and the risk that its suppliers discontinue or modify components used in its products. This risk may be amplified by the effects of the COVID-19 pandemic and other health epidemics and outbreaks due to, among other things, work stoppages or interruptions. For example, Innoviz's products depend on external semi-conductor foundries. Any disruptions to those foundries could materially and adversely affect Innoviz's ability to

---

## Table of Contents

manufacture its solutions. In addition, the lead times associated with certain components are lengthy and preclude rapid changes in quantities and delivery schedules. Innoviz has in the past experienced and may in the future experience component shortages and price fluctuations of certain key components and materials, and the predictability of the availability and pricing of these components may be limited. In the event of a component shortage, supply interruption or material pricing change from suppliers of these components, Innoviz may not be able to develop alternate sources in a timely manner or at all in the case of sole or limited sources. Any interruption or delay in the supply of any of these parts or components, or the inability to obtain these parts or components from alternate sources at acceptable prices and within a reasonable amount of time, could adversely affect Innoviz's relationships with its customers and could cause delays in shipment of its products and adversely affect its operating results. In addition, increased component costs could result in lower gross margins. Even where Innoviz is able to pass increased component costs along to its customers, there may be a lapse of time before it is able to do so such that Innoviz must absorb the increased cost. If Innoviz is unable to buy these components in quantities sufficient to meet its requirements on a timely basis, it will not be able to deliver products to its customers, which may result in such customers using competitive products instead of Innoviz's products.

### ***Innoviz's sales and operations in international markets expose it to operational, financial and regulatory risks.***

International sales comprise a significant amount of Innoviz's overall revenue. Sales to international customers accounted for 100%, 82% and 93% of Innoviz's revenue in 2018 and 2019 and the nine months ended September 30, 2020, respectively. Innoviz is committed to growing its international sales, and while it has committed resources to expanding its international operations and sales channels, these efforts may not be successful. International operations are subject to a number of other risks, including:

- Exchange rate fluctuations;
- Political and economic instability, international terrorism and anti-American sentiment, particularly in emerging markets;
- Global or regional health crises, such as the COVID-19 pandemic;
- Potential for violations of anti-corruption laws and regulations, such as those related to bribery and fraud;
- Preference for locally branded products, and laws and business practices favoring local competition;
- Potential consequences of, and uncertainty related to, the "Brexit" process in the United Kingdom, which could lead to additional expense and complexity in doing business there;
- Increased difficulty in managing inventory;
- Delayed revenue recognition;
- Less effective protection of intellectual property;
- Stringent regulation of the autonomous or other systems or products using Innoviz's products and stringent consumer protection and product compliance regulations, including but not limited to General Data Protection Regulation in the European Union, European competition law, the Restriction of Hazardous Substances directive, the Waste Electrical and Electronic Equipment directive and the European Ecodesign directive that are costly to comply with and may vary from country to country;
- Difficulties and costs of staffing and managing foreign operations;
- Import and export laws and the impact of tariffs; and
- Changes in local tax and customs duty laws or changes in the enforcement, application or interpretation of such laws.

---

## [Table of Contents](#)

The occurrence of any of these risks could negatively affect Innoviz's international business and consequently its business, operating results and financial condition.

***Unforeseen eye safety issues could result in injuries to people which could result in adverse effects on Innoviz's business and reputation.***

Innoviz's LiDAR utilizes lasers for performing 3D sensing. While Innoviz has developed system components designed to prevent its LiDAR lasers from harming human eyes, in the event that an unforeseen issue arises that results in serious injury, Innoviz's reputation or brand may be damaged and Innoviz could face material legal claims for breach of contract, product liability, tort or breach of warranty as a result of these problems. Defending a lawsuit, regardless of its merit, could be costly and may divert management's attention and adversely affect the market's perception of Innoviz and its products. In addition, Innoviz's business liability insurance coverage could prove inadequate with respect to a claim and future coverage may be unavailable on acceptable terms or at all.

***Innoviz's business is subject to the risks of earthquakes, fire, floods and other natural catastrophic events, global pandemics, and interruptions by man-made problems, such as network security breaches, computer viruses or terrorism. Material disruptions of Innoviz's business or information systems resulting from these events could adversely affect its operating results.***

A significant natural disaster, such as an earthquake, fire, flood or significant power outage or other similar events, such as infectious disease outbreaks or pandemic events, including the COVID-19 pandemic, could have an adverse effect on Innoviz's business and operating results. The COVID-19 pandemic has produced meaningful operational challenges and Innoviz expects to continue to experience disruptions in its business during the second half of 2020. COVID-19 has heightened many of the other risks described herein, such as the demand for Innoviz's products, its ability to achieve or maintain profitability and its ability to raise additional capital in the future. Despite the implementation of network security measures, Innoviz's networks and LiDAR products also may be vulnerable to computer viruses, break-ins and similar disruptions from unauthorized tampering with its solutions. In addition, natural disasters, acts of terrorism or war could cause disruptions in Innoviz's remaining manufacturing operations, Innoviz's or its customers' or channel partners' businesses, Innoviz's suppliers' or the economy as a whole. Innoviz also relies on information technology systems to communicate among its workforce and with third parties. Any disruption to Innoviz's communications, whether caused by a natural disaster or by manmade problems, such as power disruptions, could adversely affect its business. Innoviz does not have a formal disaster recovery plan or policy in place and does not currently require that its suppliers' partners have such plans or policies in place. To the extent that any such disruptions result in delays or cancellations of orders or impede its suppliers' ability to timely deliver product components, or the deployment of its products, Innoviz's business, operating results and financial condition would be adversely affected.

***Innoviz has been, and may in the future be, adversely affected by the global COVID-19 pandemic, the duration and economic, governmental and social impact of which is difficult to predict, which may significantly harm Innoviz's business, prospects, financial condition and operating results.***

The ongoing COVID-19 pandemic as well as other possible health epidemics and outbreaks could result in a material adverse impact on Innoviz's or its customers' business operations including reduction or suspension of operations in the U.S. or certain parts of the world. Innoviz's engineering and manufacturing operations, among others, cannot all be conducted in a remote working structure and often require on-site access to materials and equipment. Innoviz has customers with international operations in varying industries. It also depends on suppliers and manufacturers worldwide. Depending upon the duration of the ongoing COVID-19 pandemic and the associated business interruptions, its customers, suppliers, manufacturers and partners may suspend or delay their engagement with Innoviz, which could result in a material adverse effect on its financial condition. Innoviz's response to the ongoing COVID-19 pandemic may prove to be inadequate and it may be unable to continue its

operations in the manner it had prior to the outbreak, and may endure interruptions, reputational harm, delays in its product development and shipments, all of which could have an adverse effect on its business, operating results, and financial condition. In addition, when the pandemic subsides, Innoviz cannot assure you as to the timing of any economic recovery, which could continue to have a material adverse effect on its target markets and its business.

### **Risks Related to Innoviz's Intellectual Property**

***Innoviz may not be able to adequately protect or enforce its intellectual property rights or prevent unauthorized parties from copying or reverse engineering its solutions. Innoviz's efforts to protect and enforce its intellectual property rights and prevent third parties from violating its rights may be costly.***

The success of Innoviz's products and its business depends in part on Innoviz's ability to obtain patents and other intellectual property rights and maintain adequate legal protection for its products in the United States and other international jurisdictions. Innoviz relies on a combination of patent, copyright, service mark, trademark and trade secret laws, as well as confidentiality procedures and contractual restrictions, to establish and protect its proprietary rights, all of which provide only limited protection. Innoviz cannot assure you that any patents will be issued with respect to its currently pending patent applications or that any trademarks will be registered with respect to its currently pending applications in a manner that gives Innoviz adequate defensive protection or competitive advantages, if at all, or that any patents issued to Innoviz or any trademarks registered by it will not be challenged, invalidated or circumvented. Innoviz has filed for patents and trademarks in the United States and in certain international jurisdictions, but such protections may not be available in all countries in which it operates or in which Innoviz seeks to enforce its intellectual property rights, or may be difficult to enforce in practice. Innoviz's currently issued patents and trademarks and any patents and trademarks that may be issued or registered, as applicable, in the future with respect to pending or future applications may not provide sufficiently broad protection or may not prove to be enforceable in actions against alleged infringers. Innoviz cannot be certain that the steps it has taken will prevent unauthorized use of its technology or the reverse engineering of its technology. Moreover, others may independently develop technologies that are competitive to Innoviz or infringe Innoviz's intellectual property.

Protecting against the unauthorized use of Innoviz's intellectual property, products and other proprietary rights is expensive and difficult, particularly internationally. Innoviz believes that its patents relating to the use of 905nm lasers in LiDAR products for the autonomous vehicle market are foundational and it intends to enforce the intellectual property portfolio it has built. Unauthorized parties may attempt to copy or reverse engineer Innoviz's solutions or certain aspects of Innoviz's solutions that it considers proprietary. Litigation may be necessary in the future to enforce or defend Innoviz's intellectual property rights, to prevent unauthorized parties from copying or reverse engineering its solutions, to determine the validity and scope of the proprietary rights of others or to block the importation of infringing products into the U.S.

Effective patent, trademark, service mark, copyright and trade secret protection may not be available in every country in which Innoviz's products are available and competitors based in other countries may sell infringing products in one or more markets. An inability to adequately protect and enforce Innoviz's intellectual property and other proprietary rights or an inability to prevent authorized parties from copying or reverse engineering its smart vision solutions or certain aspects of its solutions that Innoviz considers proprietary could seriously adversely affect its business, operating results, financial condition and prospects.

***In addition to patented technology, Innoviz relies on its unpatented proprietary technology, trade secrets, processes and know-how.***

Innoviz relies on proprietary information (such as trade secrets, know-how and confidential information) to protect intellectual property that may not be patentable or subject to copyright, trademark, trade dress or service mark protection, or that Innoviz believes is best protected by means that do not require public disclosure.

---

## Table of Contents

Innoviz generally seeks to protect this proprietary information by entering into confidentiality agreements, or consulting, services or employment agreements that contain non-disclosure and non-use provisions with its employees, consultants, contractors and third parties. However, Innoviz may fail to enter into the necessary agreements, and even if entered into, these agreements may be breached or may otherwise fail to prevent disclosure, third-party infringement or misappropriation of its proprietary information, may be limited as to their term and may not provide an adequate remedy in the event of unauthorized disclosure or use of proprietary information. Innoviz has limited control over the protection of trade secrets used by its current or future manufacturing partners and suppliers and could lose future trade secret protection if any unauthorized disclosure of such information occurs. In addition, Innoviz's proprietary information may otherwise become known or be independently developed by its competitors or other third parties. To the extent that its employees, consultants, contractors, advisors and other third parties use intellectual property owned by others in their work for Innoviz, disputes may arise as to the rights in related or resulting know-how and inventions. Costly and time-consuming litigation could be necessary to enforce and determine the scope of Innoviz's proprietary rights, and failure to obtain or maintain protection for its proprietary information could adversely affect its competitive business position. Furthermore, laws regarding trade secret rights in certain markets where Innoviz operates may afford little or no protection to its trade secrets.

Innoviz also relies on physical and electronic security measures to protect its proprietary information, but it cannot provide assurance that these security measures will not be breached or provide adequate protection for its property. There is a risk that third parties may obtain and improperly utilize Innoviz's proprietary information to its competitive disadvantage. Innoviz may not be able to detect or prevent the unauthorized use of such information or take appropriate and timely steps to enforce its intellectual property rights.

***Third-party claims that Innoviz is infringing intellectual property, whether successful or not, could subject it too costly and time-consuming litigation or expensive licenses, and its business could be adversely affected.***

Although Innoviz holds patents related to its products, a number of companies, both within and outside of the LiDAR industry, hold other patents covering aspects of LiDAR products. In addition to these patents, participants in this industry typically also protect their technology, especially embedded software, through copyrights and trade secrets. As a result, there is frequent litigation based on allegations of infringement, misappropriation or other violations of intellectual property rights. Innoviz may receive in the future inquiries from other intellectual property holders and may become subject to claims that it infringes their intellectual property rights, particularly as Innoviz expands its presence in the market. In addition, parties may claim that the names and branding of Innoviz's products infringe their trademark rights in certain countries or territories. If such a claim were to prevail, Innoviz may have to change the names and branding of its products in the affected territories and it could incur other costs.

Innoviz currently has a number of agreements in effect pursuant to which it has agreed to defend, indemnify and hold harmless its customers, suppliers, and partners from damages and costs which may arise from the infringement by Innoviz's products of third-party patents or other intellectual property rights. The scope of these indemnity obligations varies, but may, in some instances, include indemnification for damages and expenses, including attorneys' fees. Innoviz's insurance may not cover all intellectual property infringement claims. A claim that its products infringe a third party's intellectual property rights, even if untrue, could adversely affect Innoviz's relationships with its customers, may deter future customers from purchasing its products and could expose Innoviz to costly litigation and settlement expenses. Even if Innoviz is not a party to any litigation between a customer and a third party relating to infringement by its products, an adverse outcome in any such litigation could make it more difficult for Innoviz to defend its products against intellectual property infringement claims in any subsequent litigation in which it is a named party. Any of these results could adversely affect Innoviz's brand and operating results.

Innoviz's defense of intellectual property rights claims brought against it or its customers, suppliers and channel partners, with or without merit, could be time-consuming, expensive to litigate or settle, divert

management resources and attention and force Innoviz to acquire intellectual property rights and licenses, which may involve substantial royalty or other payments and may not be available on acceptable terms or at all. Further, a party making such a claim, if successful, could secure a judgment that requires Innoviz to pay substantial damages or obtain an injunction. An adverse determination also could invalidate Innoviz's intellectual property rights and adversely affect its ability to offer its products to its customers and may require that Innoviz procure or develop substitute products that do not infringe, which could require significant effort and expense. Any of these events could adversely affect Innoviz's business, operating results, financial condition and prospects.

### **Legal and Regulatory Risks Related to Innoviz's Business**

*Innoviz is subject to, and must remain in compliance with, numerous laws and governmental regulations concerning the manufacturing, use, distribution and sale of its products. Some of Innoviz's customers also require that it comply with their own unique requirements relating to these matters.*

Innoviz manufactures and sells products that contain electronic components, and such components may contain materials that are subject to government regulation in both the locations where Innoviz manufactures and assembles its products, as well as the locations where Innoviz sells its products. For example, in the United States, laser-emitting products, including Innoviz's LiDAR systems, are subject to regulation by the U.S. Food and Drug Administration, or FDA, under the Electronic Product Radiation Control Provisions of the Federal Food, Drug, and Cosmetic Act and its implementing regulations. Among other things, these laws and regulations require the submission of annual reports to the FDA certifying that such products comply with applicable performance standards, the maintenance of manufacturing, testing, and distribution records, and the reporting of certain product defects to the FDA and/or consumers. If Innoviz's products fail to comply with applicable FDA regulations, Innoviz and/or its products could be subjected to a variety of enforcement actions or sanctions, such as product recalls, repairs or replacements, warning letters, untitled letters, safety alerts, injunctions, import alerts, administrative product detentions or seizures, or civil penalties. The occurrence of any of the foregoing could harm Innoviz's business, results of operations, and financial condition.

Since Innoviz operates on a global basis, it must continually monitor applicable laws and regulations, and engage in an ongoing compliance process to ensure that Innoviz and its suppliers are in compliance with all existing laws and regulations. If there is an unanticipated or onerous new legislation or regulation that significantly impacts Innoviz's use of various components or requires more expensive components, such legislation or regulation could materially adversely affect its business, results of operations and financial condition.

Innoviz's products are also used for autonomous driving and ADAS applications, which are subject to complicated and rapidly evolving laws and regulatory schemes that vary from jurisdiction to jurisdiction at the state, federal and international levels, including requirements related to safety, data privacy and security, and product liability, among other areas. These are rapidly evolving areas in which new or changed requirements could impose limitations on the use of LiDAR generally or Innoviz's products specifically. If Innoviz fails to adhere to these new laws and regulations or fails to continually monitor emerging developments, it may be subject to litigation, loss of customers or negative publicity and its business, results of operations and financial condition will be adversely affected.

Concerns over environmental pollution and climate change have produced significant legislative and regulatory efforts on a global basis, and Innoviz believes this will continue both in scope and in the number of countries participating. These changes could directly increase the cost of energy, which may have an effect on the way Innoviz manufactures products or utilizes energy to produce its products. In addition, any new regulations or laws in the environmental area might increase the cost of raw materials or key components Innoviz uses in its products. Environmental regulations require Innoviz to reduce product energy usage, monitor and exclude an expanding list of restricted substances and to participate in required recovery and recycling of its products. Innoviz is unable to predict how any future changes will impact it and if such impacts will be material to its business.

### ***Innoviz's business may be adversely affected by changes in automotive safety regulations or concerns that drive further regulation of the automobile safety market.***

Government vehicle safety regulations are an important factor for Innoviz's business. Historically, these regulations have imposed ever-more stringent safety regulations for vehicles. These safety regulations often require, or customers demand that, vehicles have more safety features per vehicle and more advanced safety products.

While Innoviz believes increasing automotive safety standards will present a market opportunity for its products, government safety regulations are subject to change based on a number of factors that are not within Innoviz's control, including new scientific or technological data, adverse publicity regarding industry recalls and safety risks of autonomous driving and ADAS, accidents involving its products, domestic and foreign political developments or considerations, and litigation relating to its products and its competitors' products. Changes in government regulations, as well as changes or evolution in court doctrines in interpreting those regulations, especially in the autonomous driving and ADAS industries could adversely affect Innoviz's business. If government priorities shift and Innoviz is unable to adapt to changing regulations or to court interpretations of those regulations, its business may be materially and adversely affected.

Federal and local regulators impose more stringent compliance and reporting requirements in response to product recalls and safety issues in the automotive industry. As the cars that carry Innoviz's sensors go into production, it is subject to existing stringent requirements under the National Traffic and Motor Vehicle Safety Act of 1966, or the Vehicle Safety Act, including a duty to report, subject to strict timing requirements, safety defects with its products. The Vehicle Safety Act imposes potentially significant civil penalties for violations including the failure to comply with such reporting actions. Innoviz is also subject to the existing U.S. Transportation Recall Enhancement, Accountability and Documentation Act, or TREAD, which requires equipment manufacturers, such as Innoviz, to comply with "Early Warning" requirements by reporting certain information to the NHTSA, such as information related to defects or reports of injury related to its products. TREAD imposes criminal liability for violating such requirements if a defect subsequently causes death or bodily injury. In addition, the National Traffic and Motor Vehicle Safety Act authorizes NHTSA to require a manufacturer to recall and repair vehicles that contain safety defects or fail to comply with U.S. federal motor vehicle safety standards. Sales into foreign countries may be subject to similar regulations. If Innoviz cannot rapidly address any safety concerns or defects with its products, its business, results of operations and financial condition may be adversely affected.

The U.S. Department of Transportation has issued regulations that require manufacturers of certain autonomous vehicles to provide documentation covering specific topics to regulators, such as how automated systems detect objects on the road, how information is displayed to drivers, what cybersecurity measures are in place and the methods used to test the design and validation of autonomous driving systems. As cars that carry Innoviz's sensors go into production, the obligations of complying with safety regulations could increase and it could require increased resources and adversely affect Innoviz's business.

### ***Failures, or perceived failures, to comply with privacy, data protection, and information security requirements in the variety of jurisdictions in which Innoviz operates may adversely impact its business, and such legal requirements are evolving, uncertain and may require improvements in, or changes to, Innoviz's policies and operations.***

Innoviz's current and potential future operations and sales subject it to laws and regulations addressing privacy and the collection, use, storage, disclosure, transfer and protection of a variety of types of data. For example, the European Commission has adopted the General Data Protection Regulation and California recently enacted the California Consumer Privacy Act of 2018, both of which provide for potentially material penalties for non-compliance. These regimes may, among other things, impose data security requirements, disclosure requirements, and restrictions on data collection, uses, and sharing that may impact Innoviz's operations and the

---

## Table of Contents

development of its business. While, generally, Innoviz does not have access to, collect, store, process, or share information collected by its solutions unless its customers choose to proactively provide such information to us, Innoviz's products may evolve both to address potential customer requirements or to add new features and functionality. Therefore, the full impact of these privacy regimes on Innoviz's business is rapidly evolving across jurisdictions and remains uncertain at this time.

Innoviz may also be affected by cyber attacks and other means of gaining unauthorized access to its products, systems, and data. For instance, cyber criminals or insiders may target Innoviz or third-parties with which it has business relationships in an effort to obtain data, or in a manner that disrupts Innoviz's operations or compromises its products or the systems into which its products are integrated. Cyber criminals could also target accessing Innoviz systems in a manner which could impact its sensor data.

Innoviz is assessing the continually evolving privacy and data security regimes and measures it believes are appropriate in response. Since these data security regimes are evolving, uncertain and complex, especially for a global business like Innoviz's, it may need to update or enhance its compliance measures as its products, markets and customer demands further develop and these updates or enhancements may require implementation costs. The compliance measures Innoviz does adopt may prove ineffective. Any failure, or perceived failure, by Innoviz to comply with current and future regulatory or customer-driven privacy, data protection, and information security requirements, or to prevent or mitigate security breaches, cyber attacks, or improper access to, use of, or disclosure of data, or any security issues or cyber attacks affecting Innoviz, could result in significant liability, costs (including the costs of mitigation and recovery), and a material loss of revenue resulting from the adverse impact on its reputation and brand, loss of proprietary information and data, disruption to its business and relationships, and diminished ability to retain or attract customers and business partners. Such events may result in governmental enforcement actions and prosecutions, private litigation, fines and penalties or adverse publicity, and could cause customers and business partners to lose trust in Innoviz, which could have an adverse effect on its reputation and business.

***Innoviz may be exposed to liabilities under the U.S. Foreign Corrupt Practices Act and other U.S. and foreign anti-corruption anti-money laundering, export control, sanctions, and other trade laws and regulations, and any determination that we violated these laws could have a material adverse effect on our business.***

Innoviz is subject to export control and import laws and regulations, including the U.S. Export Administration Regulations, U.S. Customs regulations, and various economic and trade sanctions regulations administered by the U.S. Treasury Department's Office of Foreign Assets Control. Innoviz is also subject to the U.S. Foreign Corrupt Practices Act of 1977, as amended (the "FCPA"), the U.S. domestic bribery statute contained in 18 U.S.C. § 201, the U.S. Travel Act, the USA PATRIOT Act, the United Kingdom Bribery Act 2010, the Proceeds of Crime Act 2002, and possibly other anti-bribery and anti-money laundering laws in countries outside of the United States in which Innoviz conducts its activities. Compliance with these laws has been the subject of increasing focus and activity by regulatory authorities, both in the United States and elsewhere, in recent years. Anti-corruption laws are interpreted broadly and prohibit companies and their employees and third-party intermediaries from authorizing, promising, offering, providing, soliciting, or accepting, directly or indirectly, improper payments or benefits to or from any person whether in the public or private sector. Innoviz's activities outside the United States may create the risk of unauthorized payments or offers of payments by employees, consultants, sales agents or distributors, even though they may not always be subject to Innoviz's control. It is Innoviz's policy to implement safeguards to discourage these practices by its employees, consultants, sales agents and distributors. However, Innoviz's existing safeguards and any future improvements may prove to be less than effective, and its employees, consultants, sales agents, or distributors may engage in conduct for which Innoviz might be held responsible, even if it does not explicitly authorize such activities.

Noncompliance with anti-corruption, anti-money laundering, export control, sanctions, and other trade laws could subject Innoviz to whistleblower complaints, investigations, sanctions, settlements, prosecution, other enforcement actions, disgorgement of profits, significant fines, damages, other civil and criminal penalties or

---

## **Table of Contents**

injunctions, suspension and/or debarment from contracting with certain persons, the loss of export privileges, reputational harm, adverse media coverage and other collateral consequences. If any subpoenas or investigations are launched, or governmental or other sanctions are imposed, or if Innoviz does not prevail in any possible civil or criminal litigation, its business, results of operations and financial condition could be materially harmed. Responding to any action will likely result in a materially significant diversion of management's attention and resources and significant defense and compliance costs and other professional fees. In addition, the U.S. government may seek to hold Innoviz liable for successor liability for FCPA violations committed by companies in which it invests or that it acquires. As a general matter, enforcement actions and sanctions could harm Innoviz's business, results of operations, and financial condition.

***Regulations related to conflict minerals may cause Innoviz to incur additional expenses and could limit the supply and increase the costs of certain metals used in the manufacturing of its products.***

Innoviz is subject to the requirements under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, that will require it to determine, disclose and report whether its products contain conflict minerals. The implementation of these requirements could adversely affect the sourcing, availability and pricing of the materials used in the manufacture of components used in Innoviz's products. In addition, Innoviz will incur additional costs to comply with the disclosure requirements, including costs related to conducting diligence procedures to determine the sources of conflict minerals that may be used in or necessary to the production of its products and, if applicable, potential changes to products, processes or sources of supply as a consequence of such verification activities. It is also possible that its reputation may be adversely affected if Innoviz determines that certain of its products contain minerals not determined to be conflict-free or if Innoviz is unable to alter its products, processes or sources of supply to avoid use of such materials.

**Risks Related to Being a Public Company**

***Innoviz will incur increased costs as a result of operating as a public company, and its management will devote substantial time to new compliance initiatives.***

Upon the completion of the Business Combination, Innoviz will become a public company subject to reporting requirements in the United States, and it will incur significant legal, accounting and other expenses that it did not incur as a private company, and these expenses may increase even more after Innoviz is no longer an emerging growth company, as defined in Section 2(a) of the Securities Act. As a public company, Innoviz will be subject to the reporting requirements of the Exchange Act, the Sarbanes-Oxley Act, the Dodd-Frank Wall Street Reform and Consumer Protection Act, as well as rules adopted, and to be adopted, by the SEC and Nasdaq. Innoviz's management and other personnel will need to devote a substantial amount of time to these compliance initiatives. Moreover, Innoviz expects these rules and regulations to substantially increase its legal and financial compliance costs and to make some activities more time-consuming and costly. The increased costs will increase Innoviz's net loss. For example, Innoviz expects these rules and regulations to make it more difficult and more expensive for it to obtain director and officer liability insurance and it may be forced to accept reduced policy limits or incur substantially higher costs to maintain the same or similar coverage. Innoviz cannot predict or estimate the amount or timing of additional costs it may incur to respond to these requirements. The impact of these requirements could also make it more difficult for Innoviz to attract and retain qualified persons to serve on its board of directors, its board committees or as executive officers.

***A market for Innoviz's securities may not develop or be sustained, which would adversely affect the liquidity and price of our securities.***

Following the Business Combination, the price of Innoviz's securities may fluctuate significantly due to the market's reaction to the Business Combination and general market and economic conditions. An active trading market for Innoviz's securities following the Business Combination may never develop or, if developed, it may not be sustained. In addition, the price of Innoviz's securities after the Business Combination can vary due to

---

## Table of Contents

general economic conditions and forecasts, our general business condition and the release of our financial reports. Additionally, if Innoviz's securities become delisted from Nasdaq and are quoted on the OTC Bulletin Board (an inter-dealer automated quotation system for equity securities that is not a national securities exchange) or the combined company's securities are not listed on Nasdaq and are quoted on the OTC Bulletin Board, the liquidity and price of Innoviz's securities may be more limited than if Innoviz was quoted or listed on the NYSE, Nasdaq or another national securities exchange. You may be unable to sell your securities unless a market can be established or sustained.

***Innoviz's internal controls over financial reporting may not be effective and its independent registered public accounting firm may not be able to certify as to their effectiveness, which could have a significant and adverse effect on Innoviz's business and reputation.***

After the Business Combination, the combined company will carry out Innoviz's business and will be subject to the reporting requirements of the Securities Act, the Exchange Act, the Sarbanes-Oxley Act and the rules and regulations of Nasdaq. Innoviz expects that the requirements of these rules and regulations will continue to increase its legal, accounting and financial compliance costs, make some activities more difficult, time-consuming and costly, and place significant strain on its personnel, systems and resources.

The Sarbanes-Oxley Act requires, among other things, that Innoviz maintain effective disclosure controls and procedures and internal control over financial reporting. Innoviz is continuing to develop and refine its disclosure controls, internal control over financial reporting and other procedures that are designed to ensure that information required to be disclosed by it in the reports that it will file with the SEC is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and that information required to be disclosed in reports under the Exchange Act is accumulated and communicated to Innoviz's principal executive and financial officers.

Innoviz's current controls and any new controls that it develops may become inadequate because of changes in conditions in its business. Further, weaknesses in Innoviz's internal controls may be discovered in the future. Any failure to develop or maintain effective controls, or any difficulties encountered in their implementation or improvement, could adversely affect Innoviz's operating results or cause it to fail to meet its reporting obligations and may result in a restatement of Innoviz's financial statements for prior periods. Any failure to implement and maintain effective internal controls also could adversely affect the results of periodic management evaluations and annual independent registered public accounting firm attestation reports regarding the effectiveness of Innoviz's internal control over financial reporting that it is required to include in its periodic reports. Ineffective disclosure controls and procedures and internal control over financial reporting could also cause investors to lose confidence in Innoviz's reported financial and other information.

In order to maintain and improve the effectiveness of its disclosure controls and procedures and internal control over financial reporting, Innoviz has expended and anticipates that it will continue to expend significant resources, including accounting-related costs, and provide significant management oversight. Any failure to maintain the adequacy of its internal controls, or consequent inability to produce accurate financial statements on a timely basis, could increase Innoviz's operating costs and could materially and adversely affect its ability to operate its business. In the event that Innoviz's internal controls are perceived as inadequate or that it is unable to produce timely or accurate financial statements, investors may lose confidence in Innoviz's operating results and the stock price of the combined company could decline. In addition, if Innoviz is unable to continue to meet these requirements, the combined company may not be able to obtain or maintain listing on Nasdaq.

The combined company's independent registered public accounting firm is not required to formally attest to the effectiveness of its internal control over financial reporting until after the combined company is no longer an emerging growth company. At such time, the combined company's independent registered public accounting firm may issue a report that is adverse in the event it is not satisfied with the level at which Innoviz's controls are

documented, designed or operating. Any failure to maintain effective disclosure controls and internal control over financial reporting could have a material and adverse effect on the combined company's business and operating results.

#### **Risks Related to Ownership of the Combined Company's Shares**

##### ***The Innoviz Articles and Israeli law could prevent a takeover that shareholders consider favorable and could also reduce the market price of Innoviz ordinary shares.***

Certain provisions of Israeli law and the Innoviz Articles could have the effect of delaying or preventing a change in control and may make it more difficult for a third party to acquire Innoviz or for Innoviz's shareholders to elect different individuals to its board of directors, even if doing so would be beneficial to its shareholders, and may limit the price that investors may be willing to pay in the future for the Innoviz ordinary shares. For example, Israeli corporate law regulates mergers and requires that a tender offer be effected when certain thresholds of percentage ownership of voting power in a company are exceeded (subject to certain conditions). Further, Israeli tax considerations may make potential transactions undesirable to Innoviz or to some of its shareholders whose country of residence does not have a tax treaty with Israel granting tax relief to such shareholders from Israeli tax. See the section titled "*Certain Material Israeli Tax Considerations—Taxation of our shareholders*"

Innoviz does not intend to pay dividends for the foreseeable future. Accordingly, you may not receive any return on investment unless you sell your Innoviz ordinary shares for a price greater than the price you paid for the Collective Growth Common Stock.

Innoviz has never declared or paid any cash dividends on its shares. It currently intends to retain all available funds and any future earnings for use in the operation of its business and does not anticipate paying any dividends on the Innoviz ordinary shares in the foreseeable future. Consequently, you may be unable to realize a gain on your investment except by selling such shares after price appreciation, which may never occur.

Innoviz's board of directors has sole discretion whether to pay dividends. If Innoviz's board of directors decides to pay dividends, the form, frequency, and amount will depend upon its future, operations and earnings, capital requirements and surplus, general financial condition, contractual restrictions and other factors that its directors may deem relevant. The Israeli Companies Law, 5759-1999 (the "Companies Law") imposes restrictions on Innoviz's ability to declare and pay dividends. See the section titled "*Description of Innoviz ordinary shares—Dividend and Liquidation rights*" for additional information. Payment of dividends may also be subject to Israeli withholding taxes. See the section titled "*Certain Material Israeli Tax Considerations*" for additional information.

##### ***The Innoviz ordinary shares and Innoviz warrants may not be listed on a national securities exchange after the Business Combination, which could limit investors' ability to make transactions in such securities and subject Innoviz to additional trading restrictions.***

Innoviz intends to apply to have the Innoviz ordinary shares and Innoviz warrants approved for listing on Nasdaq after the consummation of the business combination. Innoviz will be required to meet certain initial listing requirements to be listed, including having a minimum number of round lot shareholders. Innoviz may not be able to meet the initial listing requirements in connection with the Business Combination. Further, even if the Innoviz ordinary shares and Innoviz warrants are so listed, Innoviz may be unable to maintain the listing of such securities in the future. If Innoviz fails to meet the initial listing requirements and Nasdaq does not list the Innoviz ordinary shares and Innoviz warrants (and the related closing condition with respect to the listing of the Innoviz ordinary shares is waived by the parties), Innoviz could face significant material adverse consequences, including:

- a limited availability of market quotations for the Innoviz ordinary shares and Innoviz warrants;

---

## Table of Contents

- a reduced level of trading activity in the secondary trading market for the Innoviz ordinary shares and Innoviz warrants;
- a limited amount of news and analyst coverage for Innoviz;
- a decreased ability to issue additional securities or obtain additional financing in the future; and
- Innoviz’s securities would not be “covered securities” under the National Securities Markets Improvement Act of 1996, which is a federal statute that prevents or pre-empts the states from regulating the sale of certain securities, including securities listed on Nasdaq, in which case Innoviz’s securities would be subject to regulation in each state where Innoviz offers and sells securities.

### ***The market price and trading volume of the Innoviz ordinary shares may be volatile and could decline significantly following the Business Combination.***

The stock markets, including Nasdaq on which Innoviz intends to list the Innoviz ordinary shares and Innoviz warrants to be issued in the Business Combination under the symbol “INVZ,” and “INVZW,” respectively, have from time to time experienced significant price and volume fluctuations. Even if an active, liquid and orderly trading market develops and is sustained for the Innoviz ordinary shares and Innoviz warrants following the Business Combination, the market price of the Innoviz ordinary shares and Innoviz warrants Ordinary Shares may be volatile and could decline significantly. In addition, the trading volume in the Innoviz ordinary shares and Innoviz warrants may fluctuate and cause significant price variations to occur. If the market price of the Innoviz ordinary shares and Innoviz warrants Ordinary Shares declines significantly, you may be unable to resell your shares or warrants at or above the market price of the Ordinary Shares Innoviz ordinary shares and Innoviz warrants as of the date immediately following the consummation of the Business Combination. Innoviz and Collective Growth cannot assure you that the market price of the Innoviz ordinary shares and Innoviz warrants Ordinary Shares will not fluctuate widely or decline significantly in the future in response to a number of factors, including, among others, the following:

- the realization of any of the risk factors presented in this proxy statement/prospectus;
- actual or anticipated differences in Innoviz’s estimates, or in the estimates of analysts, for Innoviz’s revenues, Adjusted EBITDA, results of operations, level of indebtedness, liquidity or financial condition;
- additions and departures of key personnel;
- failure to comply with the requirements of Nasdaq;
- failure to comply with the Sarbanes-Oxley Act or other laws or regulations;
- future issuances, sales, resales or repurchases or anticipated issuances, sales, resales or repurchases, of our securities including due to the expiration of contractual lock-up agreements;
- publication of research reports about Innoviz;
- the performance and market valuations of other similar companies;
- failure of securities analysts to initiate or maintain coverage of Innoviz, changes in financial estimates by any securities analysts who follow Innoviz or Innoviz’s failure to meet these estimates or the expectations of investors;
- new laws, regulations, subsidies, or credits or new interpretations of existing laws applicable to Innoviz;
- commencement of, or involvement in, litigation involving Innoviz;
- broad disruptions in the financial markets, including sudden disruptions in the credit markets;
- speculation in the press or investment community;

- actual, potential or perceived control, accounting or reporting problems;
- changes in accounting principles, policies and guidelines; and
- other events or factors, including those resulting from infectious diseases, health epidemics and pandemics (including the ongoing COVID-19 public health emergency), natural disasters, war, acts of terrorism or responses to these events.

In the past, securities class-action litigation has often been instituted against companies following periods of volatility in the market price of their shares. This type of litigation could result in substantial costs and divert our management's attention and resources, which could have a material adverse effect on us.

***Innoviz's quarterly operating results may fluctuate significantly and could fall below the expectations of securities analysts and investors due to seasonality and other factors, some of which are beyond its control, resulting in a decline in its stock price.***

Innoviz's quarterly operating results may fluctuate significantly because of several factors, including:

- labor availability and costs for hourly and management personnel;
- profitability of Innoviz's products, especially in new markets and due to seasonal fluctuations;
- changes in interest rates;
- impairment of long-lived assets;
- macroeconomic conditions, both nationally and locally;
- changes in consumer preferences and competitive conditions;
- expansion to new markets; and
- fluctuations in commodity prices.

***If, following the Business Combination, securities or industry analysts do not publish or cease publishing research or reports about Innoviz, its business, or its market, or if they change their recommendations regarding the Innoviz ordinary shares adversely, then the price and trading volume of the Innoviz ordinary shares could decline.***

The trading market for the Innoviz ordinary shares is influenced by the research and reports that industry or financial analysts publish about us or our business. Innoviz does not control these analysts, or the content and opinions included in their reports. As a new public company, Innoviz may be slow to attract research coverage and the analysts who publish information about the Innoviz ordinary shares will have had relatively little experience with Innoviz, which could affect their ability to accurately forecast Innoviz's results and make it more likely that Innoviz fails to meet their estimates. In the event Innoviz obtains industry or financial analyst coverage, if any of the analysts who cover Innoviz issues an inaccurate or unfavorable opinion regarding it, Innoviz's share price would likely decline. In addition, the share prices of many companies in the technology industry have declined significantly after those companies have failed to meet, or significantly exceed, the financial guidance publicly announced by the companies or the expectations of analysts. If Innoviz's financial results fail to meet, or significantly exceed, its announced guidance or the expectations of analysts or public investors, analysts could downgrade the Innoviz ordinary shares or publish unfavorable research about it. If one or more of these analysts cease coverage of Innoviz or fail to publish reports on it regularly, Innoviz's visibility in the financial markets could decrease, which in turn could cause its share price or trading volume to decline.

Innoviz's failure to meet the continued listing requirements of Nasdaq could result in a delisting of its Securities.

---

## Table of Contents

If, after listing, Innoviz fails to satisfy the continued listing requirements of Nasdaq such as the corporate governance requirements or the minimum closing bid price requirement, Nasdaq may take steps to delist its securities. Such a delisting would likely have a negative effect on the price of the securities and would impair your ability to sell or purchase the securities when you wish to do so. In the event of a delisting, Innoviz can provide no assurance that any action taken by it to restore compliance with listing requirements would allow its securities to become listed again, stabilize the market price or improve the liquidity of its securities, prevent its securities from dropping below the Nasdaq minimum bid price requirement or prevent future non-compliance with Nasdaq's listing requirements. Additionally, if Innoviz's securities are not listed on, or become delisted from, Nasdaq for any reason, and are quoted on the OTC Bulletin Board, an inter-dealer automated quotation system for equity securities that is not a national securities exchange, the liquidity and price of Innoviz's securities may be more limited than if it were quoted or listed on Nasdaq or another national securities exchange. You may be unable to sell your securities unless a market can be established or sustained.

Innoviz will qualify as an emerging growth company within the meaning of the Securities Act, and if Innoviz takes advantage of certain exemptions from disclosure requirements available to emerging growth companies, this could make Innoviz's securities less attractive to investors and may make it more difficult to compare Innoviz's performance with other public companies.

Innoviz is eligible to be treated as an emerging growth company, as defined in Section 2(a) of the Securities Act, as modified by the JOBS Act. Under the JOBS Act, emerging growth companies can delay adopting new or revised financial accounting standards until such time as those standards apply to private companies. Innoviz intends to take advantage of this extended transition period under the JOBS Act for adopting new or revised financial accounting standards.

For as long as Innoviz continues to be an emerging growth company, it may also take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies, including presenting only limited selected financial data and not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act. As a result, its shareholders may not have access to certain information that they may deem important. Innoviz could be an emerging growth company for up to five years, although circumstances could cause it to lose that status earlier, including if its total annual gross revenue exceeds \$1.07 billion, if it issues more than \$1.0 billion in non-convertible debt securities during any three-year period, or if before that time it is a "large accelerated filer" under U.S. securities laws.

Innoviz cannot predict if investors will find Innoviz ordinary shares less attractive because it may rely on these exemptions. If some investors find Innoviz ordinary shares less attractive as a result, there may be a less active trading market for Innoviz ordinary shares and Innoviz's share price may be more volatile. Further, there is no guarantee that the exemptions available to Innoviz under the JOBS Act will result in significant savings. To the extent that Innoviz chooses not to use exemptions from various reporting requirements under the JOBS Act, it will incur additional compliance costs, which may impact Innoviz's financial condition.

***Innoviz will be a foreign private issuer and, as a result, it will not be subject to U.S. proxy rules and will be subject to Exchange Act reporting obligations that, to some extent, are more lenient and less frequent than those of a U.S. domestic public company.***

Upon the closing of the Business Combination, Innoviz will report under the Exchange Act as a non-U.S. company with foreign private issuer status. Because Innoviz qualifies as a foreign private issuer under the Exchange Act, it is exempt from certain provisions of the Exchange Act that are applicable to U.S. domestic public companies, including (1) the sections of the Exchange Act regulating the solicitation of proxies, consents or authorizations in respect of a security registered under the Exchange Act, (2) the sections of the Exchange Act requiring insiders to file public reports of their share ownership and trading activities and liability for insiders who profit from trades made in a short period of time and (3) the rules under the Exchange Act requiring the

filing with the SEC of quarterly reports on Form 10-Q containing unaudited financial and other specified information, although it is subject to Israeli laws and regulations with regard to certain of these matters and intend to furnish comparable quarterly information on Form 6-K. In addition, foreign private issuers are not required to file their annual report on Form 20-F until 120 days after the end of each fiscal year, while U.S. domestic issuers that are accelerated filers are required to file their annual report on Form 10-K within 75 days after the end of each fiscal year and U.S. domestic issuers that are large accelerated filers are required to file their annual report on Form 10-K within 60 days after the end of each fiscal year. Foreign private issuers are also exempt from Regulation FD, which is intended to prevent issuers from making selective disclosures of material information. As a result of all of the above, you may not have the same protections afforded to shareholders of a company that is not a foreign private issuer.

***Innoviz may lose its foreign private issuer status in the future, which could result in significant additional costs and expenses.***

As discussed above, Innoviz is a foreign private issuer, and therefore is not required to comply with all of the periodic disclosure and current reporting requirements of the Exchange Act. The determination of foreign private issuer status is made annually on the last business day of an issuer's most recently completed second fiscal quarter, and, accordingly, the next determination will be made with respect to Innoviz on June 30, 2021. In the future, Innoviz would lose its foreign private issuer status if (1) more than 50% of its outstanding voting securities are owned by U.S. residents and (2) a majority of its directors or executive officers are U.S. citizens or residents, or it fails to meet additional requirements necessary to avoid loss of foreign private issuer status. If Innoviz loses its foreign private issuer status, it will be required to file with the SEC periodic reports and registration statements on U.S. domestic issuer forms, which are more detailed and extensive than the forms available to a foreign private issuer. Innoviz would also have to mandatorily comply with U.S. federal proxy requirements, and its officers, directors and principal shareholders will become subject to the short-swing profit disclosure and recovery provisions of Section 16 of the Exchange Act. In addition, it would lose its ability to rely upon exemptions from certain corporate governance requirements under the listing rules of Nasdaq. As a U.S. listed public company that is not a foreign private issuer, Innoviz would incur significant additional legal, accounting and other expenses that it will not incur as a foreign private issuer.

***As Innoviz is a "foreign private issuer" and intends to follow certain home country corporate governance practices, its shareholders may not have the same protections afforded to shareholders of companies that are subject to all Nasdaq corporate governance requirements.***

As a foreign private issuer, Innoviz has the option to follow certain home country corporate governance practices rather than those of Nasdaq, provided that it discloses the requirements it is not following and describes the home country practices it is following. Innoviz intends to rely on this "foreign private issuer exemption" with respect to the Nasdaq rules for shareholder meeting quorums and Nasdaq rules requiring shareholder approval. Innoviz may in the future elect to follow home country practices with regard to other matters. As a result, its shareholders may not have the same protections afforded to shareholders of companies that are subject to all Nasdaq corporate governance requirements.

### **Risks Related to Innoviz's Incorporation and Location in Israel**

***Conditions in Israel could materially and adversely affect our business.***

Many of Innoviz's employees, including certain management members operate from its offices that are located in RoshAh-Ay'in, Israel. In addition, a number of Innoviz's officers and directors are residents of Israel. Accordingly, political, economic, and military conditions in Israel and the surrounding region may directly affect Innoviz's business and operations. In recent years, Israel has been engaged in sporadic armed conflicts with Hamas, an Islamist terrorist group that controls the Gaza Strip, with Hezbollah, an Islamist terrorist group that controls large portions of southern Lebanon, and with Iranian-backed military forces in Syria. In addition, Iran

## Table of Contents

has threatened to attack Israel and may be developing nuclear weapons. Some of these hostilities were accompanied by missiles being fired from the Gaza Strip against civilian targets in various parts of Israel, including areas in which Innoviz's employees are located, and negatively affected business conditions in Israel. Any hostilities involving Israel or the interruption or curtailment of trade between Israel and its trading partners could adversely affect our operations and results of operations.

Innoviz's commercial insurance does not cover losses that may occur as a result of events associated with war and terrorism. Although the Israeli government currently covers the reinstatement value of direct damages that are caused by terrorist attacks or acts of war, Innoviz cannot assure you that this government coverage will be maintained or that it will sufficiently cover Innoviz's potential damages. Any losses or damages incurred by Innoviz could have a material adverse effect on its business. Any armed conflicts or political instability in the region would likely negatively affect business conditions and could harm our results of operations.

Further, in the past, the State of Israel and Israeli companies have been subjected to economic boycotts. Several countries still restrict business with the State of Israel and with Israeli companies. These restrictive laws and policies may have an adverse impact on Innoviz's results of operations, financial condition or the expansion of its business. A campaign of boycotts, divestment, and sanctions has been undertaken against Israel, which could also adversely affect Innoviz's business. Actual or perceived political instability in Israel or any negative changes in the political environment, may individually or in the aggregate adversely affect the Israeli economy and, in turn, Innoviz's business, financial condition, results of operations, and prospects.

In addition, many Israeli citizens are obligated to perform several weeks of annual military reserve duty each year until they reach the age of 40 (or older, for reservists who are military officers or who have certain occupations) and, in the event of a military conflict, may be called to active duty. In response to increases in terrorist activity, there have been periods of significant call-ups of military reservists. It is possible that there will be military reserve duty call-ups in the future. Innoviz's operations could be disrupted by such call-ups, which may include the call-up of members of its management. Such disruption could materially adversely affect its business, prospects, financial condition, and results of operations.

Innoviz may become subject to claims for remuneration or royalties for assigned service invention rights by our employees, which could result in litigation and adversely affect our business.

A significant portion of Innoviz's intellectual property has been developed by its employees in the course of their employment by Innoviz. Under the Israeli Patent Law, 5727-1967 (the "Patent Law"), inventions conceived by an employee in the course and as a result of or arising from his or her employment with a company are regarded as "service inventions," which belong to the employer, absent a specific agreement between the employee and employer giving the employee service invention rights. The Patent Law also provides that if there is no such agreement between an employer and an employee, the Israeli Compensation and Royalties Committee (the "Committee"), a body constituted under the Patent Law, shall determine whether the employee is entitled to remuneration for his or her inventions. Case law clarifies that the right to receive consideration for "service inventions" can be waived by the employee and that in certain circumstances, such waiver does not necessarily have to be explicit. The Committee will examine, on a case-by-case basis, the general contractual framework between the parties, using interpretation rules of the general Israeli contract laws. Further, the Committee has not yet determined one specific formula for calculating this remuneration, but rather uses the criteria specified in the Patent Law. Although Innoviz generally enters into assignment-of-invention agreements with its employees pursuant to which such individuals assign to it all rights to any inventions created in the scope of their employment or engagement with Innoviz, Innoviz may face claims demanding remuneration in consideration for assigned inventions. As a consequence of such claims, Innoviz could be required to pay additional remuneration or royalties to its current and/or former employees, or be forced to litigate such claims, which could negatively affect its business.

The tax benefits that are available to Innoviz require it to continue to meet various conditions and may be terminated or reduced in the future, which could increase Innoviz's costs and taxes.

---

## Table of Contents

Innoviz may be eligible for certain tax benefits provided to “Preferred Technology Enterprises” under the Israeli Law for the Encouragement of Capital Investments, 1959, referred to as the Investment Law. In order to remain eligible for the tax benefits for “Preferred Technology Enterprises” it must continue to meet certain conditions stipulated in the Investment Law and its regulations, as amended. If these tax benefits are reduced, cancelled or discontinued, Innoviz’s Israeli taxable income from the approved enterprise would be subject to regular Israeli corporate tax rates. The standard corporate tax rate for Israeli companies in 2016 was 25% of their taxable income and was reduced to 24% in 2017 and 23% in 2018 and thereafter. Additionally, if Innoviz increase its activities outside of Israel through acquisitions, for example, its expanded activities might not be eligible for inclusion in future Israeli tax benefit programs. See “*Certain Material Israeli Tax Considerations*”

It may be difficult to enforce a U.S. judgment against Innoviz, its officers and directors and the Israeli experts named in this prospectus in Israel or the United States, or to assert U.S. securities laws claims in Israel or serve process on Innoviz’s officers and directors and these experts.

Most of Innoviz’s directors or officers are not residents of the United States and most of their and Innoviz’s assets are located outside the United States. Service of process upon Innoviz or its non-U.S. resident directors and officers and enforcement of judgments obtained in the United States against Innoviz or its non-U.S. our directors and executive officers may be difficult to obtain within the United States. Innoviz have been informed by its legal counsel in Israel that it may be difficult to assert claims under U.S. securities laws in original actions instituted in Israel or obtain a judgment based on the civil liability provisions of U.S. federal securities laws. Israeli courts may refuse to hear a claim based on a violation of U.S. securities laws against Innoviz or its non-U.S. officers and directors because Israel may not be the most appropriate forum to bring such a claim. In addition, even if an Israeli court agrees to hear a claim, it may determine that Israeli law and not U.S. law is applicable to the claim. If U.S. law is found to be applicable, the content of applicable U.S. law must be proved as a fact, which can be a time-consuming and costly process. Certain matters of procedure will also be governed by Israeli law. There is little binding case law in Israel addressing the matters described above. Israeli courts might not enforce judgments rendered outside Israel, which may make it difficult to collect on judgments rendered against Innoviz or its non-U.S. officers and directors.

Moreover, among other reasons, including but not limited to, fraud or absence of due process, or the existence of a judgment which is at variance with another judgment that was given in the same matter if a suit in the same matter between the same parties was pending before a court or tribunal in Israel, an Israeli court will not enforce a non-Israeli judgment if it was given in a state whose laws do not provide for the enforcement of judgments of Israeli courts (subject to exceptional cases) or if its enforcement is likely to prejudice the sovereignty or security of the State of Israel. For more information, see “*Enforceability of Civil Liabilities*.”

Your rights and responsibilities as a shareholder of Innoviz will be governed by Israeli law, which may differ in some respects from the rights and responsibilities of shareholders of U.S. corporations.

Innoviz is incorporated under Israeli law. The rights and responsibilities of holders of the Innoviz ordinary shares are governed by the Innoviz Articles and the Israeli Companies Law, 5759-1999 (the “Companies Law”). These rights and responsibilities differ in some respects from the rights and responsibilities of shareholders in typical U.S. corporations. In particular, pursuant to the Companies Law each shareholder of an Israeli company has to act in good faith in exercising his or her rights and fulfilling his or her obligations toward the company and other shareholders and to refrain from abusing his or her power in the company, including, among other things, in voting at the general meeting of shareholders and class meetings, on amendments to a company’s articles of association, increases in a company’s authorized share capital, mergers, and transactions requiring shareholders’ approval under the Companies Law. In addition, a controlling shareholder of an Israeli company or a shareholder who knows that it possesses the power to determine the outcome of a shareholder vote or who has the power to appoint or prevent the appointment of a director or officer in the Company, or has other powers toward the Company has a duty of fairness toward the Company. However, Israeli law does not define the substance of this duty of fairness. Because Israeli corporate law has undergone extensive revision in recent years, there is limited

case law available to assist in understanding the implications of these provisions that govern shareholder behavior.

U.S. holders of Innoviz ordinary shares and/or Innoviz warrants may suffer adverse tax consequences if Innoviz is treated as a passive foreign investment company.

A non-U.S. corporation generally will be treated as a “passive foreign investment company” (“PFIC”) for U.S. federal income tax purposes, in any taxable year if either (1) at least 75% of its gross income for such year is passive income (such as interest income) or (2) at least 50% of the value of its assets (based on an average of the quarterly values of the assets) during such year is attributable to assets that produce or are held for the production of passive income. Based on the current and anticipated composition of the income, assets and operations of Innoviz and its subsidiaries, there is a significant risk that Innoviz will be a PFIC for U.S. federal income tax purposes for the taxable year that includes the Business Combination or in future taxable years. This is a factual determination that depends on, among other things, the composition of Innoviz’s income and assets, and the market value of its shares and assets, including the composition of income and assets and the market value of shares and assets of its subsidiaries, from time to time, and thus a complete determination can only be made annually after the close of each taxable year. If Innoviz is a PFIC for any taxable year, a U.S. Holder of Innoviz ordinary shares may be subject to adverse tax consequences and may incur certain information reporting obligations. Under the PFIC rules, unless such U.S. Holder makes an election available under the Code (which election could itself have adverse consequences for such U.S. Holder), such U.S. Holder may be subject to U.S. federal income tax at the then prevailing maximum rates on ordinary income and possibly an “interest” charge, in respect of “excess distributions” and upon any gain from the disposition of Innoviz ordinary shares, as if the excess distribution or gain had been recognized ratably over such U.S. Holder’s holding period of the Innoviz ordinary shares. Certain elections (including a qualified electing fund or a mark-to-market election) available to U.S. Holders of Innoviz ordinary shares to mitigate some of the adverse tax consequences resulting from PFIC treatment, however, are not available with respect to the Innoviz warrants. For a further discussion, see “*Certain Material U.S. Federal Income Tax Considerations—U.S. Holders—Passive Foreign Investment Company Rules.*” U.S. Holders of Innoviz ordinary shares and Innoviz warrants are strongly encouraged to consult their own advisors regarding the potential application of these rules to Innoviz and the ownership of Innoviz ordinary shares and/or Innoviz warrants.

If a United States person is treated as owning at least 10% of Innoviz’s shares, such person may be subject to adverse U.S. federal income tax consequences.

If a United States person is treated as owning (directly, indirectly or constructively) at least 10% of the value or voting power of Innoviz’s shares, such person may be treated as a “United States shareholder” with respect to each of Innoviz and any of its direct and indirect foreign affiliates (“Innoviz Group”) that is a “controlled foreign corporation.” If the Innoviz Group includes one or more U.S. subsidiaries, certain of Innoviz’s non-U.S. subsidiaries could be treated as controlled foreign corporations regardless of whether Innoviz is treated as a controlled foreign corporation (although there are recently issued final and currently proposed Treasury Regulations that may limit the application of these rules in certain circumstances).

A United States shareholder of a controlled foreign corporation may be required to report annually and include in its U.S. taxable income its pro rata share of the controlled foreign corporation’s “Subpart F income” and, in computing its “global intangible low-taxed income,” “tested income” and a pro rata share of the amount of U.S. property (including certain stock in U.S. corporations and certain tangible assets located in the United States) held by the controlled foreign corporation regardless of whether such controlled foreign corporation makes any distributions. The amount includable by a United States shareholder under these rules is based on a number of factors, including potentially, but not limited to, the controlled foreign corporation’s current earnings and profits (if any), tax basis in the controlled foreign corporation’s assets, and foreign taxes paid by the controlled foreign corporation on its underlying income. Failure to comply with these reporting obligations (or related tax payment obligations) may subject such United States shareholder to significant monetary penalties.

---

and may prevent the statute of limitations with respect to such United States shareholder's U.S. federal income tax return for the year for which reporting (or payment of tax) was due from starting. An individual that is a United States shareholder with respect to a controlled foreign corporation generally would not be allowed certain tax deductions or foreign tax credits that would be allowed to a United States shareholder that is a U.S. corporation. Innoviz cannot provide any assurances that it will assist holders in determining whether any of its non-U.S. subsidiaries are treated as a controlled foreign corporation or whether any holder is treated as a United States shareholder with respect to any of such controlled foreign corporations or furnish to any holder information that may be necessary to comply with reporting and tax paying obligations.

**CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS; MARKET, RANKING AND OTHER INDUSTRY DATA**

This proxy statement/prospectus contains forward-looking statements that involve substantial risks and uncertainties. All statements other than statements of historical facts contained in this proxy statement/prospectus, including statements regarding Innoviz's, Collective Growth's or the combined company's future financial position, business strategy and plans and objectives of management for future operations, are forward-looking statements. In some cases, you can identify forward-looking statements by terminology such as "believe," "may," "estimate," "continue," "anticipate," "intend," "should," "plan," "expect," "predict," "potential" or the negative of these terms or other similar expressions. Forward-looking statements include, without limitation, Innoviz's or Collective Growth's expectations concerning the outlook for their or the combined company's business, productivity, plans and goals for future operational improvements and capital investments, operational performance, future market conditions or economic performance and developments in the capital and credit markets and expected future financial performance, as well as any information concerning possible or assumed future results of operations of the combined company as set forth in the sections of this proxy statement/prospectus titled "*Proposal One—The Business Combination Proposal—Collective Growth's Reasons for the Business Combination.*" Forward-looking statements also include statements regarding the expected benefits of the proposed Business Combination between Innoviz and Collective Growth.

Forward-looking statements involve a number of risks, uncertainties and assumptions, and actual results or events may differ materially from those projected or implied in those statements. Important factors that could cause such differences include, but are not limited to:

- Innoviz is an early stage company with a history of losses, and expects to incur significant expenses and continuing losses for the foreseeable future;
- Innoviz's limited operating history and evolving business model makes evaluating its business and future prospects difficult and may increase the risk of your investment;
- Innoviz is creating innovative technology by designing and developing unique components. The high price of or low yield in these components may affect Innoviz's ability to sell at competitive prices, or may lead to losses;
- Innoviz expects to invest substantially in research and development for the purpose of developing and commercializing new products, and these investments could significantly reduce its profitability or increase its losses and may not generate revenue for Innoviz;
- Innoviz may experience significant delays in the design, production and launch of its LiDAR products for autonomous driving systems, which could harm its business, prospects, financial condition and operating results;
- Innoviz is substantially dependent on its design win with BMW and its relationship with Magna, and its business could be materially and adversely affected if the BMW L3 Program was terminated
- The period of time from a design win to implementation is long and Innoviz is subject to the risks of not achieving design wins, cancellation or postponement of contracts or unsuccessful implementation;
- Innoviz may need to raise additional funds in the future in order to execute its business plan and these funds may not be available to Innoviz when it needs them. If Innoviz cannot raise additional funds when it needs them, its business, prospects, financial condition and operating results could be negatively affected;
- If market adoption of LiDAR for autonomous vehicles does not continue to develop, or develops more slowly than Innoviz expects, its business will be adversely affected;
- Innoviz targets many customers that are large companies with substantial negotiating power, exacting product standards and potentially competitive internal solutions. If Innoviz is unable to sell its products to these customers, its prospects and results of operations will be adversely affected;

- Innoviz continues to implement strategic initiatives designed to grow its business. These initiatives may prove more costly than it currently anticipates and Innoviz may not succeed in increasing its revenue in an amount sufficient to offset the costs of these initiatives and to achieve and maintain profitability;
- The markets in which Innoviz competes are characterized by rapid technological change, which requires Innoviz to continue to develop new products and product innovations, and could adversely affect market adoption of its products;
- Certain of Innoviz's strategic, development and supply arrangements could be terminated or may not materialize into long-term contract partnership arrangements;
- Innoviz may experience difficulties in managing its growth and expanding its operations;
- Continued pricing pressures, automotive OEM cost reduction initiatives and the ability of automotive OEMs to source or cancel vehicle or technology programs may result in lower than anticipated margins, or losses, which may adversely affect Innoviz's business; and
- The other matters described in the section titled "*Risk Factors*" beginning on page 15.

In addition, the Business Combination is subject to the satisfaction of the conditions to the completion of the Business Combination set forth in the Business Combination Agreement and the absence of events that could give rise to the termination of the Business Combination Agreement, the possibility that the Business Combination does not close, and risks that the proposed Business Combination disrupts current plans and operations and business relationships, or poses difficulties in attracting or retaining employees for Innoviz.

Market, ranking and industry data used throughout this proxy statement/prospectus, including statements regarding market size and technology adoption rates, is based on the good faith estimates of Innoviz's management, which in turn are based upon Innoviz's Management's review of internal surveys, independent industry surveys and publications, including reports by Frost and Sullivan, IHS Markit, Wall-Street Research and other third party research and publicly available information. These data involve a number of assumptions and limitations, and you are cautioned not to give undue weight to such estimates. This proxy statement/prospectus provides you with information you need to know to be able to vote or instruct your vote to be cast at the special meeting.

### Date, Time and Place of Special Meeting of Collective Growth's Stockholders

The special meeting will be held on \_\_\_\_\_, 2021, at 9:00 a.m., Eastern time, solely over the Internet by means of a live audio webcast. You may attend the special meeting webcast by accessing the web portal located at <https://> \_\_\_\_\_ and following the instructions set forth on your proxy card.

### Purpose of the Collective Growth Special Meeting

At the special meeting, Collective Growth is asking its stockholders:

1. **Proposal No. 1—The Business Combination Proposal**—to consider and vote upon a proposal to approve and adopt the Business Combination Agreement, a copy of which is attached to this proxy statement/prospectus as *Annex A*, and the transactions contemplated therein, including the Business Combination;
2. **Proposal No. 2—The Charter Proposals**—to approve the following material differences between the SPAC Charter and Innoviz Articles to be effective upon the consummation of the Business Combination: (i) the name of the new public entity will be “Innoviz Technologies Ltd.” as opposed to “Collective Growth Corporation”; (ii) the Innoviz Articles will provide for one class of ordinary shares as opposed to the two classes of Collective Growth Common Stock provided for in the SPAC Charter; (iii) Innoviz’s corporate existence is perpetual as opposed to Collective Growth’s corporate existence terminating if a business combination is not consummated within a specified period of time; and (iv) the Innoviz Articles will not include the various provisions applicable only to special purpose acquisition corporations that the SPAC Charter contains;
3. **Proposal No. 3—The Adjournment Proposal**—to consider and vote upon a proposal to adjourn the special meeting to a later date or dates, if necessary, if the parties are not able to consummate the Business Combination.

### Recommendation of Collective Growth Board of Directors

Collective Growth’s board of directors has determined that each of the proposals outlined above is fair to and in the best interests of Collective Growth and its stockholders and recommended that Collective Growth stockholders vote “FOR” the business combination proposal, “FOR” each of the charter proposals, and “FOR” the adjournment proposal, if presented.

### Record Date; Persons Entitled to Vote

Collective Growth Stockholders will be entitled to vote or direct votes to be cast at the special meeting if they owned shares of Collective Growth Common Stock at the close of business on \_\_\_\_\_, 2021, which is the record date for the special meeting. Stockholders will have one vote for each share of Collective Growth Common Stock owned at the close of business on the record date. If your shares are held in “street name” or are in a margin or similar account, you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. Collective Growth’s Warrants do not have voting rights. On the record date, there were 19,012,500 shares of Collective Growth Common Stock outstanding, of which 15,000,000 were public shares.

## Quorum

A quorum is the minimum number of shares of Collective Growth Common Stock that must be present to hold a valid meeting. A quorum will be present at the Collective Growth special meeting if a majority of all the outstanding shares of Collective Growth Common Stock entitled to vote at the meeting are represented at the virtual special meeting or by proxy. Abstentions and broker non-votes will count as present for the purposes of establishing a quorum. The Class A Stock and Class B Stock are entitled to vote together as a single class on all matters to be considered at the special meeting.

## Vote Required

The proposals to be presented at the special meeting will require the following votes:

**Business Combination Proposal** —The approval of the business combination proposal will require the affirmative vote of the holders of a majority of the then outstanding shares of Collective Growth Common Stock present and entitled to vote at the special meeting. Abstentions will have the same effect as a vote “against” the business combination proposal. Brokers are not entitled to vote on the business combination proposal absent voting instructions from the beneficial holder and, consequently, broker non-votes will have no effect on the business combination proposal. The Transactions will not be consummated if Collective Growth has less than \$5,000,001 of net tangible assets (as determined in accordance with Rule 3a51-1(g)(1) of the Exchange Act) either immediately prior to or upon consummation of the Transactions.

**Charter Proposals** —The approval of each of the charter proposals will require the affirmative vote of the holders of a majority of the Collective Growth Common Stock present and entitled to vote at the special meeting. Abstentions will have the same effect as a vote “against” the charter proposals. The charter proposal to approve “Innoviz Technologies Ltd.” as the name of the new public entity is a routine proposal and, accordingly, your broker, bank or nominee may vote your shares with respect to such proposal without receiving voting instructions. Consequently, there should be no broker non-votes with respect to such proposal. Each other charter proposal is considered a non-routine proposal, and, accordingly, brokers are not entitled to vote on those proposals without receiving voting instructions, and broker non-votes will have no effect with respect to such proposals.

**Adjournment Proposal** —The approval of the adjournment proposal will require the affirmative vote of the holders of a majority of the shares of Collective Growth Common Stock present and entitled to vote at the special meeting. Abstentions will have the same effect as a vote “against” the adjournment proposal. Brokers are entitled to vote on the adjournment proposal absent voting instructions from the beneficial holder because the proposal is considered “routine”. Consequently, there should be no broker non-votes with respect to the adjournment proposal.

## Voting Your Shares

If you are a holder of record of Collective Growth Common Stock, there are two ways to vote your shares of Collective Growth Common Stock at the special meeting:

- *By Mail.* You may vote by proxy by completing the enclosed proxy card and returning it in the postage-paid return envelope. If you vote by proxy card, your “proxy,” whose name is listed on the proxy card, will vote your shares as you instruct on the proxy card. If you sign and return the proxy card but do not give instructions on how to vote your shares, your shares will be voted “FOR” all of the proposals in accordance with the recommendation of the Collective Growth board of directors. Proxy cards received after a matter has been voted upon at the special meeting will not be counted.
- *In Person.* You may attend the special meeting webcast and vote electronically using the ballot provided to you during the webcast. You may attend the special meeting webcast by accessing the web

portal located at <https://> and following the instructions set forth on your proxy card. See “*Questions and Answers about the Business Combination and the Special Meeting—How do I attend the special meeting?*” for more information.

### **Revoking Your Proxy**

If you are a holder of record of Collective Growth Common Stock and you give a proxy, you may revoke it at any time before it is exercised by doing any one of the following:

- you may send another proxy card to Collective Growth’s secretary with a later date so that it is received prior to the vote at the special meeting or attend the live webcast of the special meeting and vote electronically;
- you may notify Collective Growth’s secretary in writing, prior to the vote at the special meeting, that you have revoked your proxy; or
- you may attend the live webcast of the special meeting and vote electronically or revoke your proxy electronically, although your attendance alone will not revoke any proxy that you have previously given.

If you hold your Collective Growth Common Stock in “street name,” you may submit new instructions on how to vote your shares by contacting your broker, bank or other nominee.

### **Who Can Answer Your Questions About Voting Your Shares**

If you are a Collective Growth stockholder and have any questions about how to vote or direct a vote in respect of your shares of Collective Growth Common Stock, you may call \_\_\_\_\_, Collective Growth’s proxy solicitor, at \_\_\_\_\_.

### **Conversion Rights**

Pursuant to the SPAC Charter, a holder of public shares may demand that Collective Growth convert such shares into cash if the Business Combination is consummated; provided that Collective Growth may not consummate the Business Combination if it has less than \$5,000,001 of net tangible assets either immediately prior to or upon consummation of the Business Combination. Holders of public shares will be entitled to receive cash for these shares only if they deliver their shares to Collective Growth’s transfer agent no later than two (2) business days prior to the special meeting. Holders of public shares do not need to affirmatively vote on the Business Combination proposal or be a holder of such public shares as of the record date to exercise conversion rights. If the Business Combination is not consummated, these shares will not be converted into cash. If a holder of public shares properly demands conversion, delivers his, her or its shares to Collective Growth’s transfer agent as described above, and the Business Combination is consummated, Collective Growth will convert each public share into a full pro rata portion of the trust account, calculated as of two (2) business days prior to the date of the special meeting. It is anticipated that this would amount to approximately \$ \_\_\_\_\_ per share. If a holder of public shares exercises his, her or its conversion rights, then it will be exchanging its shares of Collective Growth Common Stock for cash and will not become a shareholder of Innoviz.

Collective Growth’s Sponsor, officers and directors do not have conversion rights with respect to any Innoviz ordinary shares owned by them, directly or indirectly.

Collective Growth requires public stockholders, whether they are a record holder or hold their shares in “street name,” to either tender their certificates to Collective Growth’s transfer agent no later than two (2) business days prior to the vote on the Business Combination or to deliver their shares to the transfer agent electronically using Depository Trust Company’s DWAC (Deposit/Withdrawal At Custodian) System, at the

---

## Table of Contents

holder's option. There is a nominal cost associated with this tendering process and the act of certificating the shares or delivering them through the DWAC system. The transfer agent will typically charge the tendering broker a nominal amount and it would be up to the broker whether or not to pass this cost on to the converting holder.

Any request to convert such shares once made, may be withdrawn at any time up to the vote on the proposed Business Combination. Furthermore, if a holder of a public share delivered his certificate in connection with an election of their conversion and subsequently decides prior to the vote on the Business Combination not to elect to exercise such rights, he may simply request that the transfer agent return the certificate (physically or electronically).

If the Business Combination is not approved or completed for any reason, then public shareholders who elected to exercise their conversion rights would not be entitled to convert their shares for the applicable pro rata share of the trust account. In such case, Collective Growth will promptly return any shares delivered by public holders.

### **Appraisal Rights**

Collective Growth stockholders and holders of Collective Growth warrants do not have appraisal rights in connection with the Transactions under the DGCL.

### **Proxy Solicitation Costs**

Proxies may be solicited by mail, telephone or in person. Collective Growth has engaged \_\_\_\_\_ to assist in the solicitation of proxies, and it will pay such firm \$ \_\_\_\_\_ for such services.

### **Other Matters**

As of the date of this proxy statement/prospectus, the Collective Growth board of directors does not know of any business to be presented at the special meeting other than as set forth in the notice accompanying this proxy statement/prospectus. If any other matters should properly come before the special meeting, it is intended that the shares represented by proxies will be voted with respect to such matters in accordance with the judgment of the persons voting the proxies.

### **Interests of Collective Growth's Officers and Directors in the Transactions**

In considering the recommendation of Collective Growth's board of directors to vote in favor of approval of the business combination proposal and the charter proposals, stockholders should keep in mind that the Sponsor and Collective Growth's directors and executive officers have interests in such proposals that are different from, or in addition to, those of Collective Growth's stockholders generally. In particular:

- If the Business Combination with Innoviz or another business combination is not consummated by November 5, 2021 (or such later date as may be approved by Collective Growth's stockholders), Collective Growth will cease all operations except for the purpose of winding up, redeeming 100% of the outstanding public shares for cash and, subject to the approval of its remaining stockholders and its board of directors, dissolving and liquidating. In such event, the 3,750,000 shares of Class B Stock held by the Sponsor and Collective Growth's directors and officers, which were acquired for an aggregate purchase price of \$25,000 prior to Collective Growth's initial public offering, would be worthless because the holders are not entitled to participate in any redemption or distribution with respect to such shares. On the other hand, if the Business Combination is consummated, each outstanding share of Class B Stock (other than the shares forfeited pursuant to the Forfeiture Agreement) will convert into Innoviz ordinary shares in accordance with the Exchange Ratio at the closing. Such shares had an aggregate market value of \$ \_\_\_\_\_ based upon the closing price of \$ \_\_\_\_\_ per share on Nasdaq on \_\_\_\_\_, 2021.

## Table of Contents

- The Sponsor purchased 1,875,000 private warrants from Collective Growth for \$1.00 per private warrant and the Sponsor and certain of Collective Growth's directors and officers purchased 262,500 private units from Collective Growth for \$10.00 per private unit. These purchases took place on a private placement basis simultaneously with the consummation of the Collective Growth IPO. All of the proceeds Collective Growth received from these purchases were placed in the trust account. Such private warrants (including the warrants included in the private units) had an aggregate market value of \$ [REDACTED] based upon the closing price of \$ [REDACTED] per warrant on Nasdaq on [REDACTED], 2021 and the Class A Stock underlying the private units had an aggregate market value of \$ [REDACTED] based upon the closing price of \$ [REDACTED] per share on Nasdaq on [REDACTED], 2021. The private warrants (including the warrants included in the private units) and the Class A Stock underlying the private units will become worthless if Collective Growth does not consummate a business combination by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter). On the other hand, if the Business Combination is consummated, each outstanding whole warrant will become an Innoviz warrant exercisable to purchase one Innoviz ordinary share following consummation of the Business Combination and each outstanding share of Collective Growth Common Stock (other than the shares forfeited pursuant to the Forfeiture Agreement) will be converted into Innoviz ordinary shares at the Exchange Ratio.
- If Collective Growth is unable to complete a business combination within the required time period, the Sponsor will be personally liable under certain circumstances described herein to ensure that the proceeds in the trust account are not reduced by the claims of target businesses or claims of vendors or other entities that are owed money by Collective Growth for services rendered or contracted for or products sold to Collective Growth. If Collective Growth consummates a business combination, on the other hand, Collective Growth will be liable for all such claims.
- The Sponsor and Collective Growth's officers and directors and their affiliates are entitled to reimbursement of out-of-pocket expenses incurred by them in connection with certain activities on Collective Growth's behalf, such as identifying and investigating possible business targets and business combinations. However, if Collective Growth fails to consummate a business combination within the required period, they will not have any claim against the trust account for reimbursement. Accordingly, Collective Growth may not be able to reimburse these expenses if the Business Combination or another business combination is not completed by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter). As of the record date, the Sponsor and Collective Growth's officers and directors and their affiliates had incurred approximately \$ [REDACTED] of unpaid reimbursable expenses.
- The Business Combination Agreement provides for the continued indemnification of Collective Growth's current directors and officers and the continuation of directors and officers liability insurance covering Collective Growth's current directors and officers.
- Collective Growth's officers and directors (or their affiliates) may make loans from time to time to Collective Growth to fund certain capital requirements. As of the date of this proxy statement/prospectus, no such loans have been made, but loans may be made after the date of this proxy statement/prospectus. If the Business Combination is not consummated, the loans will not be repaid and will be forgiven except to the extent there are funds available to Collective Growth outside of the trust account.

### **Purchases of Collective Growth Shares**

At any time prior to the special meeting, during a period when they are not then aware of any material nonpublic information regarding Collective Growth or its securities, the Sponsor, Collective Growth's officers and directors, Innoviz, Innoviz shareholders and/or their respective affiliates may purchase shares from institutional and other investors who vote, or indicate an intention to vote, against the Business Combination Proposal, or execute agreements to purchase shares from such investors in the future, or they may enter into

---

## Table of Contents

transactions with such investors and others to provide them with incentives to acquire shares of Collective Growth Common Stock or vote their shares in favor of the Business Combination Proposal. The purpose of such share purchases and other transactions would be to increase the likelihood of satisfaction of the requirements to consummate the Business Combination where it appears that such requirements would otherwise not be met. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/prospectus, they might include, without limitation, arrangements to protect such investors or holders against potential loss in value of their shares, including the granting of put options and, with Innoviz's consent, the transfer to such investors or holders of shares or warrants owned by the Sponsor for nominal value.

Entering into any such arrangements may have a depressive effect on Collective Growth Common Stock. For example, as a result of these arrangements, an investor or holder may have the ability to effectively purchase shares at a price lower than market and may therefore be more likely to sell the shares he owns, either prior to or immediately after the special meeting.

If such transactions are effected, the consequence could be to cause the Business Combination to be approved in circumstances where such approval could not otherwise be obtained. Purchases of shares by the persons described above would allow them to exert more influence over the approval of the business combination proposal and other proposals and would likely increase the chances that such proposals would be approved. No agreements dealing with the above arrangements or purchases have been entered into as of the date of this proxy statement/prospectus by the Sponsor, Collective Growth officers and directors, Innoviz, Innoviz shareholders or any of their respective affiliates. Desktop Metal will file a Current Report on Form 8-K to disclose arrangements entered into or significant purchases made by any of the aforementioned persons that would affect the vote on the business combination proposal or the satisfaction of any closing conditions. Any such report will include descriptions of any arrangements entered into or significant purchases by any of the aforementioned persons

This summary is subject to, and qualified in its entirety by reference to, the Business Combination Agreement, a copy of which is attached to this proxy statement/prospectus as *Annex A*. The Business Combination Agreement provides for the merger of Collective Growth with and into Merger Sub, with Collective Growth surviving the Business Combination as a wholly owned subsidiary of Innoviz.

#### *Pro Forma Capitalization*

The pro forma equity valuation of Innoviz upon consummation of the Transactions is estimated to approximate \$1,405,000,000. We estimate that at the Effective Time without giving effect to the issuance of Earnout Shares and assuming none of Collective Growth's public stockholders demand of their public shares pursuant to the SPAC Charter, the securityholders of Innoviz and Company Management will own more than 75% of the outstanding Innoviz ordinary shares and the securityholders of Collective Growth, Perception, Antara, and certain accredited investors purchasing PIPE Shares will own the remaining Innoviz ordinary shares.

#### *Merger Consideration*

Pursuant to the Business Combination Agreement, at the Effective Time, (a) each share of Class A Stock outstanding immediately prior to the Effective Time will be exchanged for 1.13897422 Innoviz ordinary shares, (b) each share of Class B Stock outstanding immediately prior to the Effective Time, after giving effect to the forfeiture of 1,875,000 shares of Class B Stock pursuant to the Forfeiture Agreement, will be exchanged for 1.13897422 Innoviz ordinary shares, (c) each Collective Growth warrant outstanding immediately prior to the Effective Time, after giving effect to the forfeiture of 187,500 Collective Growth warrants pursuant to the Forfeiture Agreement, will be assumed by Innoviz and will become an Innoviz warrant, with the number of Innoviz ordinary shares underlying the Innoviz warrants and the exercise price of such Innoviz warrants subject to adjustment in accordance with the Business Combination Agreement, (d) Innoviz will issue to Perception 3,448,526 Innoviz warrants, (e) each outstanding Innoviz preferred share will be converted into one Innoviz ordinary share and (f) Innoviz will issue to Company Management 2,847,436 Innoviz ordinary shares and 3,986,410 Innoviz warrants, in each case less any applicable withholding taxes.

In addition, pursuant to the Business Combination Agreement, if the trading price of the Innoviz ordinary shares on Nasdaq is greater than \$10.97 for any period of ten (10) trading days out of a twenty (20) consecutive trading-days at any time after the closing of the Transactions until the fourth anniversary of the date of the closing of the Transactions, (i) Innoviz will issue to Perception the Perception Earnout Shares as additional consideration for services provided by Perception to Innoviz, with the number of Innoviz ordinary shares to be issued to Perception to be calculated based on the amount of Initial Transaction Proceeds (as defined herein), and (ii) Innoviz will issue to Company Management 1,423,718 Innoviz ordinary shares, in each case less any applicable withholding taxes.

Concurrently with the execution of the Business Combination Agreement, Innoviz and Antara entered into the Put Option Agreement, pursuant to which Innoviz caused Antara Capital to subscribe for a number of Innoviz ordinary shares in the PIPE with an aggregate equity value equal to \$70,000,000 pursuant to the Put Share

Subscription Agreement. In consideration for entering into the Put Option Agreement, Innoviz agreed to issue to Antara Capital Master 4,310,736 Innoviz warrants and up to 3,559,294 Innoviz ordinary shares, with the number of Innoviz ordinary shares to be issued to Antara Capital Master to be calculated based on the amount of Initial Transaction Proceeds. If Innoviz issues to Perception the Perception Earnout Shares, then Innoviz will also issue to Antara Capital Master the Antara Earnout Shares, with the number of Innoviz ordinary shares to be issued to Antara to be calculated based on the amount of Initial Transaction Proceeds.

Prior to the Effective Time, Innoviz intends to effect the Stock Split, which will cause the value of the outstanding Innoviz ordinary shares immediately prior to the Effective Time to equal \$10.00 per share. Upon consummation of the Stock Split, the Earnout Target and the consideration to be issued to securityholders of Collective Growth, Company Management, Antara, and Perception shall be adjusted appropriately to reflect the effect of the Stock Split.

### **Background of the Business Combination**

The Business Combination with Innoviz is the result of an extensive search for a potential transaction utilizing the network and investing and transaction experience of Collective Growth's management team and board of directors. The terms of the Business Combination Agreement are the result of arm's-length negotiations between representatives of Collective Growth and Innoviz. The following is a brief discussion of the background of these negotiations, the Business Combination Agreement and the Business Combination.

The following chronology summarizes the key meetings and events that led to the signing of the Business Combination Agreement, but it does not purport to catalogue every conversation and correspondence among representatives of Collective Growth, Innoviz and their respective advisors.

On May 5, 2020, Collective Growth consummated its initial public offering of 15,000,000 units. Each unit consisted of one share of Class A Stock and one-half of one redeemable warrant to purchase one share of Class A Stock. The units were sold at an offering price of \$10.00 per unit, generating gross proceeds of \$150,000,000. Simultaneously with the closing of the initial public offering, the Collective Growth consummated the sale of 262,500 units (the "Private Placement Units") at a price of \$10.00 per Private Placement Unit and the sale of 1,875,000 warrants (the "Private Placement Warrants") and, together with the Private Placement Units, the "Private Placement Securities") at a price of \$1.00 per Private Placement Warrant in a private placement to the Sponsor, certain other stockholders of the Collective Growth and the representative of the underwriters, generating gross proceeds of \$4,500,000. Following the closing of the initial public offering on May 5, 2020, an amount of \$150,000,000 (\$10.00 per Unit) from the net proceeds of the sale of the Units in the initial public offering and the sale of the Private Placement Securities was placed in the Trust Account.

Prior to the consummation of its initial public offering, neither Collective Growth, nor anyone on its behalf, contacted any prospective target businesses or had any substantive discussions, formal or otherwise, with respect to a transaction with Collective Growth.

From the date of Collective Growth's initial public offering through the signing of the Business Combination Agreement with Innoviz on December 10, 2020, representatives of Collective Growth, including Bruce Linton, the chief executive officer and chairman of the board of directors of Collective Growth, Geoff Whaling, the President of Collective Growth, and Wilson Kello, the Chief Marketing Officer of Collective Growth, commenced an active search for prospective acquisition targets. During this period, these representatives of Collective Growth reviewed self-generated ideas, initiated contact and were contacted by a number of individuals and entities with respect to business combination opportunities. Collective Growth's officers and directors ultimately identified and evaluated over 170 potential target businesses from a wide range of industry segments during this period. In connection with such evaluation, representatives of Collective Growth had discussions regarding potential transactions with members of management and/or the boards of directors of

---

## Table of Contents

certain potential acquisition targets. From the date of the initial public offering through December 10, 2020, representatives of Collective Growth met with and engaged in substantive discussions with a number of potential acquisition targets with respect to a potential business combination and discussed potential valuations and structures. These discussions resulted in the execution of five non-binding letters of intent, other than the discussions with Innoviz. The decision not to pursue any particular target business that Collective Growth evaluated generally was the result of one or more of: (i) Collective Growth's determination that such business or combination of businesses did not represent an attractive target due to a combination of business and growth prospects, strategic direction, management teams, structure and/or valuation; (ii) a difference in initial valuation expectations between Collective Growth, on the one hand, and the target and/or its owners, on the other hand; (iii) a potential target's unwillingness to engage in substantive discussions with Collective Growth given the timing and uncertainty of closing due to the requirement for Collective Growth to obtain stockholder approval as a condition to consummating any business combination; (iv) a potential target's desire to remain a privately held company; or (v) a potential target's unwillingness to engage in substantive discussions with Collective Growth in light of conflicting business objectives on the target's side.

Collective Growth decided to pursue a combination with Innoviz because it determined that Innoviz represented a compelling opportunity based upon, among other things: Collective Growth's and its advisors' assessment of Innoviz's business and growth prospects; the fact that, unlike many of Innoviz's competitors, Innoviz is ready to deploy its technology, and has established key strategic partnerships and customer accounts; Innoviz's experienced management team in Innoviz's industry; the retention by Company equity holders of 100% of their equity interests in the Business Combination; and the favorable implied valuation of Innoviz compared to its peers in the Business Combination. Compared to Innoviz, Collective Growth and its advisors did not consider the other alternative combination targets to be as compelling when taking the foregoing into consideration.

On September 29, 2020, a telephone call was held with three representatives from Cantor Fitzgerald introducing Collective Growth management to partners with Northern Pacific Group ("NPG"), a private equity firm affiliated with Perception Capital Partners ("Perception"), and Antara Capital. Perception was acting as the lead sponsor of the potential transaction with Innoviz and Antara Capital was committing to participate in the PIPE. Collective Growth management was represented by Mr. Linton and Mr. Kello. Mr. Scott Honour represented NPG, where he is the Managing Director, and Perception, where he is the Chairman, and Mr. Chetan Bansal represented Antara Capital. Perception introduced Innoviz as a potential target along with the potential economics and proposed structure of the Innoviz business combination. That meeting was followed up with an email on the same day from Mr. Honour with a draft Letter of Intent ("LOI" or "Letter Agreement") and a draft non-disclosure agreement. Mr. Linton immediately advised the Collective Growth Board of Directors of the call and the Innoviz business combination proposal by Perception and Antara Capital.

On September 30, 2020, following the meeting on September 29th, an initial draft of the LOI, or Letter Agreement, setting forth the proposed terms of a transaction between Collective Growth and Innoviz was sent by Perception, on behalf of Innoviz, to Collective Growth.

On October 1, 2020, Innoviz sent a draft non-disclosure agreement to Collective Growth in order to allow Innoviz to begin sharing due diligence materials with Collective Growth to assist Collective Growth in evaluating a potential transaction with Innoviz. Following review and revision by Collective Growth's legal counsel, Graubard Miller ("Graubard"), Collective Growth and Innoviz entered into a customary non-disclosure agreement dated October 1, 2020. Soon thereafter, beginning on October 6, 2020, Innoviz began providing financial projections and other due diligence materials to Collective Growth, including through an electronic data room on Intralinks maintained by Innoviz's financial advisor, Goldman Sachs & Co. LLC ("Goldman Sachs").

On a video call on October 1, 2020 requested by Mr. Linton, Perception partners Mr. Honour, Ms. Marcy Haymaker, and Mr. Patrick Williams, along with Mr. Jim Sheridan, CEO of Perception, and Mr. Eldar Cegla, CFO of Innoviz, provided a presentation on Innoviz to Collective Growth management. Collective Growth

management was represented by Mr. Linton, Mr. Kello, and Mr. Whaling. The Perception partners described recent developments at Innoviz and plans for the future. Mr. Linton updated Perception regarding the special purpose acquisition company market and its participants. During that video conversation, Mr. Honour and Mr. Linton then discussed the possibility of a potential transaction between Collective Growth and Innoviz. Following this conversation, Mr. Honour and Mr. Linton made arrangements to further discuss their activities and to determine whether a transaction between Collective Growth and Innoviz would be in the best interests of Collective Growth, Innoviz and their respective shareholders. Mr. Linton then requested a formal introduction to Innoviz management to further explore the potential business combination.

On October 3, 2020, a video call was held between Collective Growth and Perception to gain a deeper understanding of Innoviz. Mr. Linton, Mr. Whaling, Mr. Kello, and Mr. Tim Saunders, Chief Financial Officer, represented Collective Growth management. In addition, Mr. Andrew Townsend, a Collective Growth director and Managing Director of Shipwright Partners, the Sponsor, also attended. Mr. Sheridan and Ms. Haymaker represented Perception where Mr. Sheridan shared his overview of the LiDAR sector and Innoviz's competitive positioning.

On October 5, 2020, following the meeting on October 3rd, a revised draft of the Letter Agreement was sent by Perception, on behalf of Innoviz, to Collective Growth based on the discussions held between the parties up to such date. The draft of the Letter Agreement contemplated Innoviz issuing to the stockholders of Collective Growth an aggregate of 130,000,000 Innoviz ordinary shares based on \$10.00 per share, being a specific reference to the \$1,300,000,000 implied valuation of Innoviz based on the number of Innoviz ordinary shares to be issued to the shareholders of Collective Growth and Innoviz's and its financial advisor's view of the valuations of similarly situated companies. The Letter Agreement also included certain other provisions relating to restrictions on the sale of shares of Innoviz ordinary shares following consummation of the Business Combination and a contemplated \$150,000,000 private placement at \$10.00 per share that would close concurrently with the closing of the Business Combination for the purpose of providing additional cash to the combined company to provide working capital to execute Innoviz's business plan and fund the combined company's growth following the closing of the Business Combination. Matters pertaining to the number and composition of the board of directors was deferred to the definitive agreements to be settled. The draft LOI contemplated that the executed LOI, if any, would be non-binding other than with respect to certain provisions related to a 28-day mutually renewable exclusivity period, representations and warranties, a back-stop commitment by Antara Capital, fees and expenses (with each party to bear its own expenses) and confidentiality.

Preliminary business diligence requests were agreed between Innoviz by Collective Growth in early October 2020. Throughout the period from October 6, 2020 until the signing of the Business Combination Agreement, representatives of Collective Growth and its advisors conducted further analysis and held conference calls with representatives of Innoviz regarding Innoviz's business plan, financial projections, technology and addressable market and continued their extensive business, financial, accounting, tax and legal due diligence investigations of Innoviz.

Commencing on October 6, 2020, the date on which Collective Growth and its advisors were granted access to materials in accordance with the non-disclosure agreement and continuing through the signing of the Business Combination Agreement, representatives of Collective Growth and its legal counsel, Graubard, conducted due diligence of Innoviz through document review and numerous telephone conference calls with representatives of Innoviz and Perception. Collective Growth's diligence covered various areas, including, among others, commercial operations and contracts, financial results, litigation, legal compliance, intellectual property, tax and general corporate matters, with additional legal diligence conducted by Goldfarb, Seligman & Co., who also addressed legal matters particular to Israel. In addition, Collective Growth conducted further diligence, including calls with Innoviz key suppliers, key customers, and investors, as well as competitors and industry experts, which diligence focused on, among other things, Innoviz's products, market share, and future prospects, as well as the outlook for the sector more generally. Based on such diligence, and after internal discussions as well as feedback from its advisors, Collective Growth decided to pursue further diligence, discussions, and negotiations.

Over October 6 and October 7, 2020, management of Collective Growth and Innoviz, including Mr. Omer Keilaf, CEO, and Mr. Eldar Cegla, CFO, met by video call to discuss the final details of the LOI, including the proposed structure of the business combination, capitalization, the PIPE, exclusivity and the forfeiture of Class B Stock and warrants by the Sponsor. Also in attendance were Innoviz's legal counsel, Latham & Watkins LLP ("Latham"), Meitar | Law Offices ("Meitar"). Goldman Sachs, financial advisors to Innoviz, and Mr. Honour.

On October 7, 2020, Collective Growth convened a special meeting of its board of directors via video conference call to discuss the proposed transaction and the draft Letter Agreement, including the implied valuation of Innoviz, and the underlying rationale for such implied valuation (which was consistent with Collective Growth's evaluation of the business, comparable companies in analogous markets), and the number of Innoviz ordinary shares to be issued to the shareholders of Collective Growth. During the board meeting, Mr. Linton and Mr. Saunders updated Collective Growth's board of directors on the status of discussions with Innoviz, including the principal terms of the transaction and timing considerations. Following discussion and deliberation, Collective Growth's board of directors approved and directed the representatives of Collective Growth to continue discussions with Innoviz and enter into the Letter Agreement, subject to the changes proposed by Collective Growth that had been discussed with Innoviz earlier.

On October 7, 2020, following discussion of the changes to the Letter Agreement described above by representatives of Collective Growth, including the Board of Directors, and Innoviz and their respective financial and legal advisors, Collective Growth and Innoviz signed the revised Letter Agreement. The exclusivity period was subsequently extended by amending the Letter Agreement on November 4, 2020. The executed Letter Agreement was a necessary precursor to launching the PIPE investment process led by Goldman Sachs engaged by and on behalf of Innoviz.

At Mr. Linton's request, Mr. Linton was introduced to the recently promoted CEO of a key strategic partner and investor of Innoviz on October 10, 2020. At the time of the call, the incoming CEO held the title of President and was responsible for the LiDAR integration program at this Tier-1 company. The President and incoming CEO provided an overview of the 27 potential LiDAR companies they looked at and the basis for ultimately selecting Innoviz as a strategic partner. The incoming CEO reaffirmed his satisfaction with the choice of Innoviz and its team, products and the opportunity presented.

As part of the ongoing due diligence review, a video call was arranged on November 9, 2020 with a T 1 automobile manufacturing customer for Innoviz who was represented by the Vice President responsible for autonomous driving sensors and integration thereof, along with the company's head of digital cooperations strategy. Mr. Linton, Mr. Saunders, and Mr. Whaling represented Collective Growth management and were joined by Mr. Eugene Dozortsev, a Collective Growth board director. Mr. Sheridan and Mr. Honour from Perception joined the call which was hosted by Goldman Sachs. The video call provided the opportunity for the Vice President to speak to the relationship with Innoviz, how they came to select Innoviz over the field of competitors, its technology and competitive advantages, remaining challenges, and the expected market for LiDAR systems over the next five years. The Vice President also reaffirmed the company's choice and validation of Innoviz and near-term plans for the partnership.

During the period from October 7 to December 10, 2020, over ten special board meetings, Collective Growth's board of directors met through video and telephone calls with Mr. Linton, Mr. Whaling and Mr. Saunders to discuss a variety of matters including the LOI, an extension of the LOI exclusivity on November 4, 2020, ongoing due diligence and market intelligence, the evolution of the definitive agreements, and engaging Cantor Fitzgerald as a financial advisor to provide financial analysis and commentary in management's and the board's determination that the value of Innoviz was fair, from a financial point of view, along with Cantor Fitzgerald's diligence on Innoviz. At the October 22, 2020 board meeting, Mr. Honour and Mr. Sheridan were invited as guests to present their views of Innoviz and the opportunity over the course of a two-hour video call and respond to questions by the Collective Growth board of directors.

## Table of Contents

On October 19, 2020, Innoviz circulated an initial draft of the Business Combination Agreement prepared by Latham, which reflected the terms of the signed Letter Agreement, to Collective Growth and Graubard.

On November 11, 2020, Graubard circulated a revised draft of the Business Combination Agreement to Innoviz. The revised draft provided for, among other things, the conversion of Innoviz preferred shares into common shares immediately prior to the Business Combination, with the treatment of other Company securities to be determined, including the forfeited Sponsor shares, minimum cash to be maintained on closing, an exception to the interim operating covenants for actions reasonably necessary to protect the health and safety of employees and other individuals with whom Innoviz had business dealings and respond to supply or service disruptions caused by COVID-19 during any period of full or partial suspension of operations related to COVID-19, a requirement and closing condition for Collective Growth's initial stockholders to amend their existing lock-up restrictions to be the same the lock-up restrictions applicable to Innoviz's shareholders and certain other closing conditions.

On December 3, 2020 and December 8, 2020, representatives of Latham, Meitar and Graubard held telephone and video conference calls to discuss the revised draft Business Combination Agreement, including, among other things, the treatment of Innoviz's different classes of equity securities, the terms and structure of the proposed transaction and certain of the additional closing conditions proposed in the revised draft Business Combination Agreement. In addition, as described further below, following feedback from PIPE investors and market analysis, the implied pre-money equity valuation of Innoviz was reduced to \$975.0 million, but the PIPE was increased to \$200.0 million with these changes reflected in the evolving business combination agreement.

On October 14, 2020, representatives of Collective Growth, Innoviz, Perception, and Goldman Sachs commenced the discussion and preparation of wall crossing procedures to allow potential interested investors to consider participation in the proposed Innoviz PIPE in connection with the Business Combination.

During the week of October 19, 2020, representatives of Collective Growth, Innoviz and Goldman Sachs held telephone conference calls to discuss and revise marketing materials, timing and investor targeting for the proposed Innoviz PIPE Transaction. Representatives of Collective Growth and Innoviz also began to hold telephone conference calls to discuss the proposed PIPE Transaction with a certain selected group of wall-crossed investors who agreed to be subject to certain confidentiality and other restrictions in order to gain access to information related to the proposed PIPE Transaction.

During the period from October 19, 2020 to November 12, 2020 and over the course of 28 meetings hosted by Goldman Sachs, Mr. Linton joined Innoviz management and the Perception partners to present and discuss the Innoviz opportunity. The meetings with potential PIPE investors covered, among other things, Innoviz's business model, technology and intellectual property, projections, key relationships and market positioning and provided Mr. Linton and Collective Growth with valuable insights into the third-party investors views on the opportunity and valuation thereof.

During this time, representatives of Innoviz continued to negotiate the terms of the contemplated PIPE with potential PIPE investors, including, among other things, the conditions to the closing, the registration rights granted to the investors pursuant to the proposed Subscription Agreements, representations of the investors in the PIPE and the rights of the investors in the PIPE to terminate the Subscription Agreement under certain circumstances. During this period, Innoviz's advisors exchanged revised drafts of the Subscription Agreements with certain potential investors and their respective advisors until the Subscription Agreements were finalized with each investor on December 10, 2020. In light of increased demand by investors interested in participating in the PIPE, representatives of Innoviz, Perception and Goldman Sachs discussed and agreed to increase the size of the PIPE to an aggregate amount of \$200.0 million from the originally anticipated size of \$150.0 million, and to reduce the pre-money equity valuation to \$975.0 million from \$1.3 billion.

On December 8, 2020, the board of directors of Innoviz met by video conference and approved the Business Combination Agreement and the transactions contemplated thereby, subject to final negotiations and modifications.

On December 9, 2020, the board of directors of Collective Growth met by video conference and approved the Business Combination Agreement and the transactions contemplated thereby, subject to final negotiations and modifications and a presentation by Cantor Fitzgerald on the afternoon of December 10, 2020.

On December 10, 2020, Collective Growth's board of directors met via video conference. The entire Collective Growth board of directors was present at the meeting. Also participating by invitation were Mr. Saunders, Mr. Whaling, representatives of Graubard, and Mr. David Batalion of Cantor Fitzgerald, who was present only when making a presentation to the Collective Growth board of directors relating to Innoviz's business. The meeting began with such presentation, after which Mr. Batalion was excused from the meeting and the Collective Growth board of directors began its deliberations. At the meeting, with the entire board of directors present, Mr. Linton and Mr. Saunders gave an extensive presentation about the proposed transaction, including potential risks relevant to Innoviz's business, the implied valuation of Innoviz, the pro forma ownership of the post-closing combined company, the fairness to Collective Growth and its stockholders of the consideration to be paid by Collective Growth in the transaction and the value of Innoviz as a whole being at least equal to 80% of the amount held in Collective Growth's trust account (excluding deferred underwriting commissions). Following such presentation, Collective Growth's board of directors engaged in considerable review and discussion of the transaction. Representatives of Graubard then provided an overview to Collective Growth's board of the directors with respect to their fiduciary duties under Delaware law and the terms of the Business Combination Agreement and the Ancillary Documents and responded to questions from the directors on the terms of the Business Combination Agreement and the Ancillary Documents.

On December 10, 2020, in consideration of all the factors discussed at various meetings and discussions, Collective Growth's board of directors unanimously declared the Business Combination Agreement, the Business Combination, including the PIPE and the Transactions, were advisable and in the best interests of Collective Growth and its stockholders, and approved the form, terms and provisions of, and the transactions contemplated by, including the matters to be submitted to votes of Collective Growth's stockholders, and authorized Collective Growth to enter into, the Business Combination Agreement and the related transaction documentation.

The Business Combination Agreement and the Ancillary Documents were signed on December 10, 2020. Prior to the market open on December 11, 2020, Collective Growth and Innoviz jointly issued a press release announcing the signing of the Business Combination Agreement, and Collective Growth filed on December 14, 2020 a Current Report on Form 8-K announcing the execution of the Business Combination Agreement and disclosing the material terms of the Business Combination Agreement in detail. The investor presentation, investor call script and press release announcing the signing of the Business Combination Agreement were furnished as exhibits to such Current Report on Form 8-K.

On December 30, 2020, Innoviz entered into an additional Subscription Agreement with an investor providing for the purchase of an additional 3 million Innoviz ordinary shares at a price of \$10.00 per share, for additional gross proceeds to Innoviz of \$30 million. Including the previous Subscription Agreements, the total gross proceeds to Innoviz from the sale of Innoviz ordinary shares in the PIPE will now be \$230 million. On January 5, 2021, Collective Growth filed a Current Report on Form 8-K announcing the foregoing.

The parties have continued and expect to continue regular discussions in connection with, and to facilitate, the closing.

### **Collective Growth's Reasons for the Business Combination and Recommendation of the Board of Directors**

In evaluating the Business Combination, Collective Growth's board of directors consulted with Collective Growth's management and legal and financial advisors. Collective Growth's board of directors reviewed various industry and financial data in order to determine that the consideration to be paid was reasonable and that the Business Combination was in the best interests of Collective Growth's stockholders. The financial data reviewed included the historical and projected consolidated financial statements of Innoviz, comparable publicly traded company analyses and an analysis of pro forma capital structure and trading multiples prepared by Collective Growth's management and advisors.

Collective Growth's management conducted a due diligence review of Innoviz that included an industry analysis, an analysis of the existing business model of Innoviz and historical and projected financial results. Collective Growth's management, including its directors and advisors, has many years of experience in both operational management and investment and financial management and analysis and, in the opinion of Collective Growth's board of directors, was suitably qualified to conduct the due diligence and other investigations and analyses required in connection with the search for a business combination partner. A detailed description of the experience of Collective Growth's executive officers and directors is included in the section of this proxy statement/prospectus entitled "*Collective Growth's Business—Directors and Executive Officers.*"

In reaching its unanimous resolution (i) that the terms and conditions of the Business Combination Agreement, including the proposed Business Combination, are advisable, fair to and in the best interests of Collective Growth and its stockholders and (ii) to recommend that stockholders adopt and approve the Business Combination Agreement and approve the Business Combination contemplated therein, Collective Growth's board of directors considered a range of factors, including but not limited to, the factors discussed below. In light of the number and wide variety of factors, Collective Growth's board of directors did not consider it practicable to, and did not attempt to, quantify or otherwise assign relative weights to the specific factors it considered in reaching its determination. Collective Growth's board of directors viewed its position as being based on all of the information available and the factors presented to and considered by it. In addition, individual directors may have given different weight to different factors. This explanation of Collective Growth's reasons for the Business Combination and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the section of this proxy statement/prospectus entitled "*Cautionary Statement Regarding Forward-Looking Statements; Market, Ranking and Other Industry Data.*"

In considering the Business Combination, Collective Growth's board of directors gave considerable weight to the following factors:

- *Unique Market Position.* Innoviz is well-positioned to take advantage of the dramatic adoption of its next generation, cost-effective LiDAR-based perception software and solid-state systems over the next five to ten years with the only current certified automotive-grade higher performance LiDAR system on the market today and is expected to deliver meaningful revenue in the next twelve to twenty-four months compared to its competitors in this emerging industry;
- *Existing Customer and Supplier Relationships.* Innoviz has established key strategic relationships with Tier-1 customers and suppliers to validate Innoviz's position and potential for early, mass commercial adoption of its high quality and safe L3 LiDAR while developing next-generation L2+ with Innoviz's Tier-1 partners across U.S., Europe and China;
- *Experienced Leadership Team with a Proven Track Record.* Innoviz is led by a management team experienced in Innoviz's industry;
- *Platform for Future Development and Expansion.* Its potential public company status following the consummation of the Business Combination, combined with the capital to be provided from the PIPE and possibly from Collective Growth's trust account, is expected to provide Innoviz with an optimal

## Table of Contents

platform for further developing and expanding its current programs of Level 2+, Level 3 and Level 4 LiDAR systems and software;

- *Attractive Valuation.* Collective Growth's board of directors believes Innoviz's implied valuation following the Business Combination relative to the current valuations experienced by comparable publicly traded companies in the LiDAR sector is favorable for Collective Growth;
- *Due Diligence.* Collective Growth's due diligence examinations of Innoviz and discussions with Innoviz's management and financial and legal advisors;
- *Other Alternatives.* Collective Growth's board of directors believes, after a thorough review of other business combination opportunities reasonably available to Collective Growth, that the Business Combination represents the best potential business combination for Collective Growth and the most attractive opportunity for Collective Growth's management to accelerate its business plan based upon the process utilized to evaluate and assess other potential combination targets, and Collective Growth's board of directors' belief that such process has not presented a better alternative; and
- *Negotiated Transaction.* The financial and other terms of the Business Combination Agreement and the fact that such terms and conditions are reasonable and were the product of arm's-length negotiations between Collective Growth and Innoviz.

Collective Growth's board of directors also considered a variety of uncertainties and risks and other potentially negative factors concerning the Business Combination, including, but not limited to, the following:

- *Market Adoption.* Whether the adoption of autonomous cars will occur and be widespread, and whether such adoption will rely on LiDAR rather than another technology.
- *Systems Update.* The need to update Innoviz's financial systems and operations necessary for a public company.
- *Competition.* Competition in Innoviz's industry is intense, which may cause reductions in the price Innoviz can charge for its products and services, thereby potentially lowering Innoviz's profits;
- *Loss of Key Personnel.* Key personnel in Innoviz's industry is vital and competition for such personnel is intense. The loss of any key personnel could be detrimental to Innoviz's operations;
- *Macroeconomic Risks.* Macroeconomic uncertainty and the effects it could have on the combined company's revenues;
- *Benefits Not Achieved.* The risk that the potential benefits of the Business Combination may not be fully achieved or may not be achieved within the expected timeframe;
- *Collective Growth Stockholders Receiving Minority Position.* The fact that existing Collective Growth stockholders will hold a minority position in the combined company; and
- *Other Risks.* Various other risks associated with Innoviz's business, as described in the section entitled "Risk Factors" appearing elsewhere in this proxy statement/prospectus.

### **Unaudited Prospective Financial Information of Innoviz**

Innoviz does not as a matter of course make public projections as to future sales, earnings or other results. However, Innoviz management prepared and provided to the Innoviz board of directors, Innoviz's financial advisors, Collective Growth and potential PIPE investors certain internal, unaudited prospective financial information in connection with the evaluation of the Business Combination. Innoviz management prepared such financial information based on their judgment and assumptions regarding the future financial performance of Innoviz. The inclusion of the below information should not be regarded as an indication that Innoviz or any other recipient of this information considered—or now considers—it to be necessarily predictive of actual future results.

## Table of Contents

The unaudited prospective financial information is subjective in many respects. As a result, there can be no assurance that the prospective results will be realized or that actual results will not be significantly higher or lower than estimated. Since the unaudited prospective financial information covers multiple years, that information by its nature becomes less predictive with each successive year.

While presented in this proxy statement/prospectus with numeric specificity, the information set forth in the summary below was based on numerous variables and assumptions that are inherently uncertain and may be beyond the control of Innoviz management, including, among other things, the matters described in the sections entitled “*Cautionary Statement Regarding Forward-Looking Statements; Market, Ranking and Other Industry Data*” and “*Risk Factors*.” Innoviz believes the assumptions in the prospective financial information were reasonable at the time the financial information was prepared, given the information Innoviz had at the time. However, important factors that may affect actual results and cause the results reflected in the prospective financial information not to be achieved include, among other things, risks and uncertainties relating to the Innoviz business, industry performance, the regulatory environment, and general business and economic conditions. The prospective financial information also reflects assumptions as to certain business decisions that are subject to change. The unaudited prospective financial information was not prepared with a view toward public disclosure or with a view toward complying with the guidelines of the SEC, or the guidelines established by the American Institute of Certified Public Accountants with respect to prospective financial information, but, in the view of Innoviz management, was prepared on a reasonable basis, reflects the best currently available estimates and judgments, and presents, to the best of Innoviz management’s knowledge and belief, the expected course of action and the expected future financial performance of Innoviz. However, this information is not fact and should not be relied upon as being necessarily indicative of future results, and readers of this proxy statement/consent solicitation statement/prospectus are cautioned not to place undue reliance on the prospective financial information.

Neither Innoviz’s independent auditors, nor any other independent accountants, have complied, examined or performed any procedures with respect to the prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability, and assume no responsibility for, and disclaim any association with, the prospective financial information. The audit reports included in this proxy statement/consent solicitation statement/prospectus relate to historical financial information. They do not extend to the prospective financial information and should not be read to do so.

EXCEPT AS REQUIRED BY APPLICABLE SECURITIES LAWS, INNOVIZ DOES NOT INTEND TO MAKE PUBLICLY AVAILABLE ANY UPDATE OR OTHER REVISION TO THE PROSPECTIVE FINANCIAL INFORMATION. THE PROSPECTIVE FINANCIAL INFORMATION DOES NOT TAKE INTO ACCOUNT ANY CIRCUMSTANCES OR EVENTS OCCURRING AFTER THE DATE THAT THE INFORMATION WAS PREPARED. READERS OF THIS PROXY STATEMENT/PROSPECTUS ARE CAUTIONED NOT TO PLACE UNDUE RELIANCE ON THE UNAUDITED PROSPECTIVE FINANCIAL INFORMATION SET FORTH BELOW. NONE OF INNOVIZ, COLLECTIVE GROWTH NOR ANY OF THEIR RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, ADVISORS OR OTHER REPRESENTATIVES HAS MADE OR MAKES ANY REPRESENTATION TO ANY INNOVIZ SHAREHOLDER, COLLECTIVE GROWTH STOCKHOLDER OR ANY OTHER PERSON REGARDING ULTIMATE PERFORMANCE COMPARED TO THE INFORMATION CONTAINED IN THE PROSPECTIVE FINANCIAL INFORMATION OR THAT FINANCIAL AND OPERATING RESULTS WILL BE ACHIEVED.

Certain of the measures included in the prospective financial information may be considered non-GAAP financial measures. Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information presented in compliance with GAAP, and non-GAAP financial measures as used by Innoviz may not be comparable to similarly titled amounts used by other companies. Financial measures provided to a financial advisor in connection with a business combination transaction are excluded from the definition of non-GAAP financial measures and therefore are not subject to SEC rules regarding disclosures of

non-GAAP financial measures, which would otherwise require a reconciliation of a non-GAAP financial measure to a GAAP financial measure. Accordingly, we have not provided a reconciliation of such financial measures.

The following table sets forth certain summarized prospective financial information regarding Innoviz for the years 2020, 2021, 2022, 2023, 2024 and 2025:

(USD in millions)	Forecast Year Ended December 31,					
	2020E	2021E	2022E	2023E	2024E	2025E
Revenue	\$ 5	\$ 9	\$ 23	\$ 79	\$ 237	\$ 581
Gross Profit	\$ *)	\$ 1	\$ 6	\$ 35	\$ 118	\$ 300
Adjusted EBIT(1)	\$ (68)	\$ (89)	\$ (89)	\$ (67)	\$ 4	\$ 168
Free Cash Flow(2)	\$ (69)	\$ (90)	\$ (93)	\$ (82)	\$ (38)	\$ 75

\*) Represents an amount lower than \$1 million.

- (1) Adjusted EBIT is defined as EBIT adjusted for stock-based compensation. We caution investors that amounts presented in accordance with our definition of Adjusted EBIT may not be comparable to similar measures disclosed by other issuers, because not all issuers calculate Adjusted EBIT in the same manner. Adjusted EBIT should not be considered as an alternative to net loss or any other performance measures derived in accordance with GAAP or as an alternative to cash flows from operating activities as a measure of our liquidity.
- (2) Free Cash Flow is defined as Adjusted EBITDA less maintenance capital expenditures, interest expense pertaining to long term debt, amortization of deferred transaction costs and premium on long term debt, current taxes paid and mandatory debt principal repayments. Free Cash Flow is a non-GAAP financial measure and should not be considered as an alternative to net loss or any other performance measures derived in accordance with GAAP or as an alternative to cash flows from operating activities as a measure of our liquidity.

The Innoviz prospective financial information was prepared using several assumptions, including the following assumptions that Innoviz management believed to be material:

- projected revenue is based on a variety of operational assumptions, including among others continued development of autonomous vehicle platforms by the auto industry and other market segments, commercialization timing for new products under development, growth in the number of units sold and product mix, the average selling price per system and resulting sales of systems;
- projected gross profit is driven by a multitude of factors attributed among others to manufacturing efficiencies through volume, cost reductions of components, relying on business partners (such as Tier-1) for high volume production, new technologies and product design and the growth in higher margin mix of products contribution. Reduction in costs associated with manufacturing overhead, warranty and logistics are taken into consideration as well and are supporting the projected gross profits; and
- other key assumptions impacting profitability projections including headcount, third party contractors, engineering consulting and prototyping spend, but excluding costs associated with public company operations and compliance.

In making the foregoing assumptions, which imply a revenue compound annual growth rate of 162% between 2020 and 2025, Innoviz management relied on a number of factors, including:

- its estimates of market maturity over the projected period;
- its best estimates of the timing for new product releases and overall product development process;
- the relevant uses of Innoviz products for different applications and market segments;

---

## Table of Contents

- the historical system usage patterns of Innoviz customers;
- third party forecasts for industry growth

In addition, the foregoing assumptions regarding gross profit and Adjusted EBIT are based on Innoviz management's plan for continued use of resellers and third-party contract manufacturers.

### **Satisfaction of 80% Test**

It is a requirement under the SPAC Charter that any business acquired by Collective Growth have a fair market value equal to at least 80% of the balance of the funds in the trust account (excluding the deferred underwriting commissions and taxes payable) at the time of the execution of a definitive agreement for an initial business combination. The balance of the funds in the trust account (excluding deferred underwriting commissions and taxes payable) at the time of the execution of the Business Combination Agreement with Innoviz was approximately \$150,000,000 and 80% thereof represents approximately \$120,000,000. In determining whether the 80% requirement was met, rather than relying on any one factor, Collective Growth's board of directors concluded that it was appropriate to base such valuation on a number of qualitative factors, such as management strength and depth, competitive positioning, customer relationships and technical skills, as well as quantitative factors, such as the anticipated implied equity value of the combined company being approximately \$975,000,000 with no material debt expected to be outstanding. Collective Growth's assessment that Innoviz's valuation was attractive compared to its competitive peers, the historical performance of Innoviz and the potential for future growth in revenues and profits of Innoviz. Based on the qualitative and quantitative information used to approve the Business Combination described herein, Collective Growth's board of directors determined that the foregoing 80% fair market value requirement was met. Collective Growth's board of directors believes that the financial skills and background of its members qualify it to conclude that the acquisition met the 80% requirement.

### **Interests of Certain Persons in the Business Combination**

In considering the recommendation of Collective Growth's board of directors to vote in favor of approval of the business combination proposal and the charter proposals stockholders should keep in mind that the Sponsor and Collective Growth's directors and executive officers have interests in such proposals that are different from, or in addition to, those of Collective Growth's stockholders generally. In particular:

- If the Business Combination with Innoviz or another business combination is not consummated by November 5, 2021 (or such later date as may be approved by Collective Growth's stockholders), Collective Growth will cease all operations except for the purpose of winding up, redeeming 100% of the outstanding public shares for cash and, subject to the approval of its remaining stockholders and its board of directors, dissolving and liquidating. In such event, the sponsor shares held by the Sponsor and Collective Growth's directors and officers, which were acquired for an aggregate purchase price of \$25,000 prior to the Collective Growth IPO, would be worthless because the holders are not entitled to participate in any redemption or distribution with respect to such shares. Such shares had an aggregate market value of \$ based upon the closing price of \$ per share on Nasdaq on , 2021. On the other hand, if the Business Combination is consummated, each outstanding share of Collective Growth Common Stock (other than the shares forfeited pursuant to the Forfeiture Agreement) will be converted into Innoviz ordinary shares at the Exchange Ratio.
- The Sponsor purchased 1,875,000 private warrants from Collective Growth for \$1.00 per private warrant and the Sponsor and certain of Collective Growth's directors and officers purchased 262,500 private units from Collective Growth for \$10.00 per private unit. These purchases took place on a private placement basis simultaneously with the consummation of the Collective Growth IPO. All of the proceeds Collective Growth received from these purchases were placed in the trust account. Such private warrants (including the warrants included in the private units) had an aggregate market value of

## Table of Contents

\$ based upon the closing price of \$ per warrant on Nasdaq on , 2021 and the Class A Stock underlying the private units had an aggregate market value of \$ based upon the closing price of \$ per share on Nasdaq on , 2021. The private warrants (including the warrants included in the private units) and the Class A Stock underlying the private units will become worthless if Collective Growth does not consummate a business combination by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to). On the other hand, if the Business Combination is consummated, each outstanding whole warrant will become an Innoviz warrant exercisable to purchase one Innoviz ordinary share following consummation of the Business Combination and each outstanding share of Collective Growth Common Stock (other than the shares forfeited pursuant to the Forfeiture Agreement) will be converted into Innoviz ordinary shares at the Exchange Ratio.

- If Collective Growth is unable to complete a business combination within the required time period, the Sponsor will be personally liable under certain circumstances described herein to ensure that the proceeds in the trust account are not reduced by the claims of target businesses or claims of vendors or other entities that are owed money by Collective Growth for services rendered or contracted for or products sold to Collective Growth. If Collective Growth consummates a business combination, on the other hand, Collective Growth will be liable for all such claims.
- The Sponsor and Collective Growth's officers and directors and their affiliates are entitled to reimbursement of out-of-pocket expenses incurred by them in connection with certain activities on Collective Growth's behalf, such as identifying and investigating possible business targets and business combinations. However, if Collective Growth fails to consummate a business combination within the required period, they will not have any claim against the trust account for reimbursement. Accordingly, Collective Growth may not be able to reimburse these expenses if the Business Combination or another business combination is not completed by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC Charter). As of the record date, the Sponsor and Collective Growth's officers and directors and their affiliates had incurred approximately \$ of unpaid reimbursable expenses.
- The Business Combination Agreement provides for the continued indemnification of Collective Growth's current directors and officers and the continuation of directors and officers liability insurance covering Collective Growth's current directors and officers.
- Collective Growth's officers and directors (or their affiliates) may make loans from time to time to Collective Growth to fund certain capital requirements. As of the date of this proxy statement/prospectus, no such loans have been made, but loans may be made after the date of this proxy statement/prospectus. If the Business Combination is not consummated, the loans will not be repaid and will be forgiven except to the extent there are funds available to Collective Growth outside of the trust account.

### **Anticipated Accounting Treatment**

The Transaction is comprised of a series of transactions pursuant to the Business Combination Agreement, as described elsewhere in this proxy statement/prospectus. For accounting purposes, the Transaction effectuated three main steps:

1. The exchange of shares held by Innoviz shareholders, which is accounted for as a recapitalization in accordance with US GAAP.
2. The merger of Collective Growth with Merger Sub, which is not within the scope of ASC 805 ("*Business Combinations*") since Collective Growth does not meet the definition of a business in accordance with ASC 805. Any difference between the fair value of Innoviz ordinary shares issued and the fair value of Collective Growth's identifiable net assets should be recorded as additional paid-in capital. For purposes of the unaudited pro forma condensed combined financial information, it is

## Table of Contents

assumed that the fair value of each individual Innoviz ordinary share issued to Collective Growth stockholders is equal to the fair value of each individual Innoviz shareholder resulting from the \$975.0 million equity value assigned to Innoviz in the Business Combination Agreement.

3. The Subscription Agreements related to the PIPE, which were executed concurrently with and following the Business Combination Agreement, will result in the issuance of Innoviz ordinary shares, leading to an increase in share capital and share premium.

### **Regulatory Matters**

The Business Combination is not subject to any federal or state regulatory requirement or approval, except for the filing of required notifications and the expiration or termination of the required waiting periods under the HSR Act and filings with the State of Delaware necessary to effectuate the Business Combination.

### **Vote Required for Approval**

The approval of the business combination proposal will require the affirmative vote of the holders of a majority of the then outstanding shares of Collective Growth Common Stock present and entitled to vote at the special meeting. Abstentions will have the same effect as a vote “against” the business combination proposal. Brokers are not entitled to vote on the business combination proposal absent voting instructions from the beneficial holder and, consequently, broker non-votes will have no effect on the business combination proposal. The Transactions will not be consummated if Collective Growth has less than \$5,000,001 of net tangible assets (as determined in accordance with Rule 3a51-1(g)(1) of the Securities Exchange Act) either immediately prior to or upon consummation of the Transactions.

The approval of the business combination proposal is a condition to the consummation of the Transactions. If the business combination proposal is not approved, the other proposals (except an adjournment proposal, as described below) will not be presented to the Collective Growth stockholders for a vote.

### **Resolution**

“**RESOLVED**, as an ordinary resolution, that Collective Growth’s entry into the Business Combination Agreement, dated as of December 10, 2020 (the “Business Combination Agreement”), by and among Collective Growth, Innoviz, Hatzata Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Innoviz (“Merger Sub”), Perception Capital Partners LLC, a Delaware limited liability company (“Perception”) (solely for purposes of Sections 2.2(d), 2.3(a), 2.8, 2.9, 5.2, 5.5, 7.2 and Article VIII) and Antara Capital LP, a Delaware limited partnership and investment manager acting on behalf of certain of its funds and/or designees (“Antara Capital”) (solely for purposes of Sections 5.2, 5.5, 7.2 and Article VIII), a copy of which is attached to this proxy statement/prospectus as *Annex A*, pursuant to which, among other things, the merger of Merger Sub with and into Collective Growth, with Collective Growth surviving the merger as a wholly owned subsidiary of Innoviz, in accordance with the terms and subject to the conditions of the Business Combination Agreement, be approved, ratified and confirmed in all respects.”

### **Recommendation of Collective Growth Board of Directors**

**THE COLLECTIVE GROWTH BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE COLLECTIVE GROWTH STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE BUSINESS COMBINATION PROPOSAL.**

### **No Appraisal Rights**

Under Section 262 of the General Corporation Law of the State of Delaware, the holders of Collective Growth Common Stock will not have appraisal rights in connection with the Business Combination.

### **Resale of Innoviz Ordinary Shares**

The Innoviz ordinary shares to be issued in connection with the Business Combination will be freely transferable under the Securities Act except for shares issued to any shareholder who may be deemed for purposes of Rule 144 under the Securities Act an “affiliate” of Collective Growth immediately prior to the Effective Time or an “affiliate” of Innoviz following the Business Combination. Persons who may be deemed to be affiliates include individuals or entities that control, are controlled by, or are under common control with, Innoviz or Collective Growth (as appropriate) and may include the executive officers, directors and significant shareholders of Innoviz or Collective Growth (as appropriate).

### **Stock Exchange Listing of Innoviz Ordinary Shares**

Innoviz will use commercially reasonable efforts to cause, prior to the Effective Time, the Innoviz ordinary shares and warrants (including Innoviz ordinary shares and warrants issuable pursuant to the Business Combination Agreement) to be approved for listing on Nasdaq under the symbols “INVZ” and “INVZW,” respectively, subject to official notice of issuance. Approval of the listing on Nasdaq of the Innoviz ordinary shares (subject to official notice of issuance) is a condition to each party’s obligation to complete the Business Combination.

### **Delisting and Deregistration of Collective Growth Common Stock**

If the Business Combination is completed, shares of Class A Stock, Collective Growth warrants and Collective Growth’s units will be delisted from Nasdaq and will be deregistered under the Exchange Act.

### **Combined Company Status as a Foreign Private Issuer under the Exchange Act**

Innoviz expects to remain a “foreign private issuer” (under SEC rules). Consequently, upon consummation of the Business Combination, the combined company will be subject to the reporting requirements under the Exchange Act applicable to foreign private issuers. The combined company will be required to file its annual report on Form 20-F for the year ending December 31, 2020 with the SEC by April 30, 2021. In addition, the combined company will furnish reports on Form 6-K to the SEC regarding certain information required to be publicly disclosed by the combined company in Israel or that is distributed or required to be distributed by the combined company to its shareholders.

Based on its foreign private issuer status, the combined company will not be required to file periodic reports and financial statements with the SEC as frequently or as promptly as a U.S. company whose securities are registered under the Exchange Act. The combined company will also not be required to comply with Regulation FD, which addresses certain restrictions on the selective disclosure of material information. In addition, among other matters, the combined company officers, directors and principal shareholders will be exempt from the reporting and “short-swing” profit recovery provisions of Section 16 of the Exchange Act and the rules under the Exchange Act with respect to their purchases and sales of the Innoviz ordinary shares.

Given the substantial number of Innoviz ordinary shares that Innoviz will issue in the Business Combination to Collective Growth stockholders who are U.S. residents and the prospective, increased U.S.-oriented profile of the combined company’s officers and directors, assets and business administration, it is possible that the combined company will lose its status as a foreign private issuer after the Business Combination, potentially as soon as January 1, 2022. If that happens the combined company will no longer be exempt from such rules and, among other things, will be required to file quarterly reports on Form 10-Q containing interim financial statements as if it were a company incorporated in the United States, as well as annual reports on Form 10-K. The combined company’s qualification for foreign private issuer status will be tested again as of June 30, 2021, (the final business day of the second fiscal quarter in 2021) to determine whether the combined company will instead be subject to the reporting requirements applicable to U.S. companies registered under the Exchange Act

beginning at the start of 2022. If it no longer meets the definition of a “foreign private issuer” as of that test date, the combined company will begin to be required to file a quarterly report on Form 10-Q for the quarter ending March 31, 2022, and will be required to continue to file quarterly reports with the SEC thereafter.

Despite its initial exemption due to its foreign private issuer status, Innoviz, and following the consummation of the Business Combination, the combined company, nevertheless expects to issue interim quarterly financial information publicly and to furnish it to the SEC on Form 6-K.

### **Combined Company Status as an Emerging Growth Company under U.S. Federal Securities Laws and Related Implications**

Each of Collective Growth and Innoviz is, and consequently, following the Business Combination, the combined company will be, an “emerging growth company,” as defined in Section 2(a) of the Securities Act, as modified by the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). As such, the combined company will be eligible to take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies” including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”), reduced disclosure obligations regarding executive compensation in their periodic reports and proxy statements, and exemptions from the requirements of holding a non-binding advisory vote on executive compensation and shareholder approval of any golden parachute payments not previously approved. If some investors find the combined company’s securities less attractive as a result, there may be a less active trading market for the combined company’s securities and the prices of the combined company’s securities may be more volatile.

Further, Section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such election to opt out is irrevocable. The combined company has elected not to opt out of such extended transition period, which means that when a standard is issued or revised and it has different application dates for public or private companies, the combined company, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of the combined company’s financial statements with certain other public companies difficult or impossible because of the potential differences in accounting standards used.

The combined company will remain an emerging growth company until the earlier of: (i) the last day of the fiscal year (a) following the fifth anniversary of the closing of the combined company’s initial public offering, (b) in which the combined company’s has total annual gross revenue of at least \$1.07 billion, or (c) in which the combined company is deemed to be a large accelerated filer, which means the market value of the combined company’s common equity that is held by non-affiliates exceeds \$700 million as of the last business day of its most recently completed second fiscal quarter; and (ii) the date on which the combined company has issued more than \$1.00 billion in non-convertible debt securities during the prior three-year period. References herein to “emerging growth company” have the meaning associated with it in the JOBS Act.

## PROPOSAL TWO—THE CHARTER PROPOSALS

The charter proposals, if approved, will approve the following material differences between the SPAC Charter and Innoviz Articles to be in effect following the Business Combination:

- the name of the new public entity will be “Innoviz Technologies Ltd.” as opposed to “Collective Growth Corporation”;
- the Innoviz Articles provide for one class of ordinary shares as opposed to the two classes of Collective Growth Common Stock provided for in the SPAC Charter;
- Innoviz’s corporate existence is perpetual as opposed to Collective Growth’s corporate existence terminating if a business combination is not consummated within a specified period of time; and
- the Innoviz Articles do not include the various provisions applicable only to special purpose acquisition corporations that the SPAC Charter contains.

In the judgment of Collective Growth’s board of directors, the charter proposals are desirable for the following reasons:

- the name of the new public entity is desirable to reflect the Business Combination and the combined business going forward;
- the single class of ordinary shares is desirable because all shares of Class B Stock will be exchanged for Innoviz ordinary shares upon the closing of the Business Combination and because it will allow Innoviz to have a streamlined capital structure; and
- the provisions that relate to the operation of Collective Growth as a blank check company prior to the consummation of its initial business combination would not be applicable after the business combination (such as the obligation to dissolve and liquidate if a business combination is not consummated in a certain period of time).

For a comparison of the SPAC Charter and Innoviz Articles, see “*Comparison of Rights of Innoviz Shareholders and Collective Growth Stockholders*”.

Under the Business Combination Agreement, the approval of the charter proposals is a condition to the adoption of the business combination proposal and vice versa. Accordingly, if the business combination proposal is not approved, the charter proposals will not be presented at the special meeting.

A copy of the Innoviz Articles, as will be in effect assuming approval of all of the charter proposals and upon consummation of the Transactions, is attached to this proxy statement/prospectus as Annex .

### Required Vote

The approval of each of the charter proposals will require the affirmative vote of the holders of a majority of the Collective Growth Common Stock present and entitled to vote at the special meeting. Abstentions will have the same effect as a vote “against” the charter proposals. The charter proposal to approve “Innoviz Technologies Ltd.” as the name of the new public entity is a routine proposal and, accordingly, your broker, bank or nominee may vote your shares with respect to such proposal without receiving voting instructions. Consequently, there should be no broker non-votes with respect to such proposal. Each other charter proposal is considered a non-routine proposal, and, accordingly, brokers are not entitled to vote on those proposals without receiving voting instructions, and broker non-votes will have no effect with respect to such proposals.

### Recommendation

**THE COLLECTIVE GROWTH BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT COLLECTIVE GROWTH STOCKHOLDERS VOTE “FOR” THE APPROVAL OF EACH OF THE CHARTER PROPOSALS.**

**PROPOSAL THREE—THE ADJOURNMENT PROPOSAL**

The adjournment proposal, if adopted, will allow Collective Growth’s board of directors to adjourn the special meeting to a later date or dates, if necessary. In no event will Collective Growth solicit proxies to adjourn the special meeting or consummate the Transactions beyond the date by which it may properly do so under the SPAC Charter and Delaware law. The purpose of the adjournment proposal is to provide more time to meet the requirements that are necessary to consummate the Transactions. See the section titled “Proposal One – *The Business Combination Proposal —Interests of Certain Persons in the Transactions.*”

**Consequences If the Adjournment Proposal Is Not Approved**

If the adjournment proposal is presented to the meeting and is not approved by the stockholders, Collective Growth’s board of directors may not be able to adjourn the special meeting to a later date or dates. In such event, the Transactions would not be completed.

**Required Vote**

The approval of the adjournment proposal will require the affirmative vote of the holders of a majority of the shares of Collective Growth Common Stock present and entitled to vote at the special meeting. Abstentions will have the same effect as a vote “against” the adjournment proposal. Brokers are entitled to vote on the adjournment proposal absent voting instructions from the beneficial holder because the proposal is considered “routine”. Consequently, there should be no broker non-votes with respect to the adjournment proposal.

**Recommendation**

**THE COLLECTIVE GROWTH BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT COLLECTIVE GROWTH STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE ADJOURNMENT PROPOSAL.**

### ***Other Conditions to the Obligations of Collective Growth***

The obligations of Collective Growth to consummate the transactions contemplated by the Business Combination Agreement are subject to the satisfaction or, if permitted by applicable law, waiver by Collective Growth of the following further conditions:

- certain representations and warranties of Innoviz regarding the organization of Innoviz and its subsidiaries, the capitalization of Innoviz's subsidiaries, the authority of Innoviz to, among other things, execute and deliver the Business Combination Agreement and each of the Ancillary Documents to which it is or will be a party and to consummate the transactions contemplated thereby, the absence of certain changes and brokers' fees being true and correct (without giving effect to any limitation of "materiality" or "Innoviz Material Adverse Effect" or any similar limitation set forth in the Business Combination Agreement) in all material respects as of the Closing Date as if made at and as of such date (or, if given as of an earlier date, as of such earlier date);
- certain other representations and warranties regarding the capitalization of Innoviz being true and correct in all respects (except for *de minimis* inaccuracies) as of the Closing Date (or, if given as of an earlier date, as of such earlier date);

- Innoviz having performed and complied in all material respects with the covenants and agreements required to be performed or complied with by it under the Business Combination Agreement prior to the Closing;
- since the date of the Business Combination Agreement, no Innoviz Material Adverse Effect has occurred that is continuing;
- Collective Growth having received a certificate executed by an authorized officer of Innoviz confirming that the conditions set forth in the first five bullet points in this section have been satisfied;
- Collective Growth having received a certificate executed by the secretary or equivalent officer of each of Innoviz and Merger Sub (together, the "Innoviz Parties") certifying that attached thereto are true and complete copies of all resolutions adopted by the board of directors or equivalent body of each of the Innoviz Parties authorizing the execution, delivery, and performance of the Business Combination Agreement and the Transactions, and that all such resolutions are in full force and effect and are all of the resolutions adopted in connection with the Transactions;
- the Innoviz board of directors consisting of the number of directors, and comprising the individuals, determined pursuant to the Business Combination Agreement; and
- certain agreements between Innoviz and certain of its shareholders having been terminated.

The obligations of the Innoviz Parties to consummate the transactions contemplated by the Business Combination Agreement are subject to the satisfaction or waiver, if permitted by applicable law, by the Innoviz Parties of the following further conditions:

Combination Agreement and each of the Ancillary Documents to which it is or will be a party and to consummate the transactions contemplated thereby, brokers' fees and the absence of certain changes being true and correct, in all material respects as of the Closing Date, as though made on and as of the Closing Date (or, if given as of an earlier date, as of such earlier date);

- certain other representations and warranties regarding the capitalization of Collective Growth being true and correct in all respects, (except for *de minimis* inaccuracies) as of the Closing Date (or, if given as of an earlier date, as of such earlier date);
- the other representations and warranties of Collective Growth being true and correct (without giving effect to any limitation of "materiality" or "material adverse effect" or any similar limitation set forth in the Business Combination Agreement) in all respects as of the Closing Date, except where the failure of such representations and warranties to be true and correct in all respects, taken as a whole, does not cause a material adverse effect;
- Collective Growth having performed and complied in all material respects with the covenants and agreements required to be performed or complied with by them under the Business Combination Agreement;
- the Aggregate Transaction Proceeds being equal to or greater than \$200,000,000;
- Innoviz having received resignations of all of the directors and officers of Collective Growth, effective as of or prior to the Closing;
- Innoviz having received a certificate executed by the secretary or equivalent officer of Collective Growth certifying that attached thereto are true and complete copies of all resolutions adopted by the board of directors of Collective Growth authorizing the execution, delivery, and performance of the Business Combination Agreement and the Transactions, and that all such resolutions are in full force and effect and are all of the resolutions of the board of directors of Collective Growth adopted with the Transactions;

- the Forfeiture shall have occurred and each of the other covenants of Sponsor required under the Forfeiture Agreement to be performed as of or prior to the Closing shall have been performed in all material respects.

### **Termination**

The Business Combination Agreement may be terminated under certain customary and limited circumstances at any time prior to the Closing, including, among others, the following:

- by the mutual written consent of Collective Growth and Innoviz;
- by Collective Growth, subject to certain exceptions, if any of the representations or warranties made by either Innoviz Party are not true and correct or if either Innoviz Party fails to perform any of their respective covenants or agreements under the Business Combination Agreement (including an obligation to consummate the Closing) such that certain conditions to the obligations of Collective Growth as described in the section entitled "*—Conditions to Closing of the Transactions*" above could not be satisfied and the breach (or breaches) of such representations or warranties or failure (or failures) to perform such covenants or agreements is (or are) not cured or cannot be cured within the earlier of (i) thirty (30) days after written notice thereof, and (ii) May 30, 2021 (the "Termination Date");

- by Innoviz, subject to certain exceptions, if any of the representations or warranties made by Collective Growth are not true and correct or if Collective Growth fails to perform any of its covenants or agreements under the Business Combination Agreement (including an obligation to consummate the Closing) such that certain conditions to the obligations of Innoviz, as described in the section entitled “—*Conditions to Closing of the Transactions*” above could not be satisfied and the breach (or breaches) of such representations or warranties or failure (or failures) to perform such covenants or agreements is (or are) not cured or cannot be cured within the earlier of (i) thirty (30) days after written notice thereof, and (ii) the Termination Date;
- by either Collective Growth or Innoviz if the transactions contemplated by the Business Combination Agreement are not consummated on or prior to the Termination Date, unless the breach of any covenants or obligations under the Business Combination Agreement by the party seeking to terminate proximately caused the failure to consummate the transactions contemplated by the Business Combination Agreement;
- by either Collective Growth or Innoviz:
  - if any governmental entity shall have issued an order, promulgated a law or taken any other action permanently enjoining, restraining or otherwise prohibiting the transactions contemplated by the Business Combination Agreement and such order or other action shall have become final and nonappealable; provided, however, that (i) the right to terminate the Business Combination Agreement pursuant to such provision shall not be available to Collective Growth if (A) Collective Growth’s failure to fulfill any obligation under the Business Combination Agreement has been the primary cause of, or primarily resulted in, the failure of the Closing to occur on or before such date or (B) Collective Growth is in material breach of its obligations under the Business Combination Agreement on such date and (ii) the right to terminate the Business Combination Agreement pursuant to such provision shall not be available to Innoviz if (A) an Innoviz Party’s failure to fulfill any obligation under the Business Combination Agreement has been the primary cause of, or primarily resulted in, the failure of the Closing to occur on before such date or (B) Innoviz is in material breach of its obligations under Business Combination Agreement on such date;
  - if the approval of the Business Combination is not obtained at the Collective Growth special meeting (including any adjournment thereof); or
  - if the approval of the Business Combination is not obtained by either the Innoviz ordinary shareholders or the Innoviz preferred shareholders at the Innoviz shareholder meeting (including any adjournment thereof);
- by Collective Growth if, prior to obtaining the Company Preferred Shareholder Approval and the Company Shareholder Approval, the Innoviz board of directors shall have made a change in recommendation; and
- by Innoviz if, prior to obtaining the required approval by the stockholders of Collective Growth (the “Collective Growth Stockholder Approval”), the Collective Growth board of directors shall have made a change in recommendation or shall have failed to include the Collective Growth board of director recommendation in this proxy statement/prospectus.

### **Fees and Expenses**

The fees and expenses incurred in connection with the Business Combination Agreement and the Ancillary Documents, and the Transactions, including the fees and disbursements of counsel, financial advisors and accountants, will be paid by the party incurring such fees or expenses; provided that (i) if the Business Combination Agreement is terminated upon the Innoviz board of directors making a change in recommendation, Innoviz shall pay a termination fee in the amount of \$14,625,000, (ii) if the Business Combination Agreement is

terminated in accordance with its terms, Innoviz shall pay, or cause to be paid, all unpaid Innoviz expenses and Collective Growth shall pay, or cause to be paid, all unpaid Collective Growth expenses and (iii) if the Closing occurs, then Innoviz shall pay, or cause to be paid, all unpaid Innoviz expenses and all unpaid Collective Growth expenses.

### **Amendments**

The Business Combination Agreement may be amended or modified in whole or in part, only by a duly authorized agreement in writing executed by each of the parties thereto in the same manner as the Business Combination Agreement and which makes reference to the Business Combination Agreement.

### **Governing Law**

The Business Combination Agreement, and all claims or causes of action based upon, arising out of, or related to the Business Combination Agreement or the Transactions, is governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of Delaware.

## AGREEMENTS ENTERED INTO IN CONNECTION WITH THE BUSINESS COMBINATION AGREEMENT

### Subscription Agreements

Concurrently with and following the execution of the Business Combination Agreement, Innoviz entered into the Subscription Agreements, including the Put Share Subscription Agreement, with the PIPE Investors, pursuant to which the PIPE Investors have agreed to purchase, and Innoviz has agreed to sell the PIPE Investors, an aggregate of 23,000,000 Innoviz ordinary shares, for a purchase price of \$10.00 per share and at an aggregate purchase price of \$230,000,000, which price per share and aggregate purchase price assume that Innoviz has effected the Stock Split prior to the Effective Time. The obligations to consummate the transactions contemplated by the Subscription Agreements are conditioned upon, among other things, customary closing conditions and the consummation of the transactions contemplated by the Business Combination Agreement.

### Support Agreements

Concurrently with the execution of the Business Combination Agreement, Innoviz and Collective Growth entered into Support Agreements with the Supporting Innoviz Shareholders, that collectively hold Innoviz ordinary shares and Innoviz preferred shares, respectively, representing the majority of the voting power of the Innoviz ordinary shares and 60% of the voting power of the Innoviz preferred shares, including more than 50% of the Series C Preferred Shares and 50% of the Series C-1 Preferred Shares (voting together). Each Support Agreement provides, among other things, that each Supporting Innoviz Shareholder will (i) vote all Innoviz ordinary shares and Innoviz preferred shares beneficially owned by them in favor of the Business Combination and each other proposal related to the Business Combination on the agenda at the meeting of Innoviz shareholders called to approve the Business Combination, (ii) appear at such shareholder meeting for the purpose of establishing a quorum, (iii) vote all such shares against any action that would reasonably be expected to materially impede, interfere with, delay, postpone, or adversely affect the Business Combination or any of the other transactions contemplated by the Business Combination Agreement, and (iv) not to transfer, assign, or sell such shares, except to certain permitted transferees, prior to the consummation of the Business Combination.

### Registration Rights Agreement

Concurrently with the execution of the Business Combination Agreement, Innoviz, certain equityholders of Innoviz, certain equityholders of Collective Growth, Perception and Antara Capital entered into the Registration Rights Agreement, pursuant to which Innoviz agreed to file a shelf registration statement with respect to the registrable securities under the Registration Rights Agreement within sixty (60) days of the Effective Time. Up to twice in any 12-month period, certain holders of registrable securities under the Registration Rights Agreement may request to sell all or any portion of their registrable securities in an underwritten offering so long as the total offering price is reasonably expected to exceed \$75,000,000. Innoviz also agreed to provide customary “piggyback” registration rights. The Registration Rights Agreement also provides that Innoviz will pay certain expenses relating to such registrations and indemnify the shareholders against certain liabilities.

### Confidentiality and Lockup Agreement

Concurrently with the execution of the Business Combination Agreement, Innoviz, certain equityholders of Innoviz, certain equityholders of Collective Growth, Perception and Antara entered into the Confidentiality and Lockup Agreement. Pursuant to the Confidentiality and Lockup Agreement, such shareholders have agreed that they will not, during the period beginning at the Effective Time and continuing to and including the date that is one hundred eighty (180) days after the date of closing of the Business Combination, directly or indirectly, offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of any shares, or any options or warrants to purchase any shares, or any securities convertible into, exchangeable for or that represent the right to receive shares, or any interest in any of the foregoing, whether now owned or hereinafter

acquired, owned directly by such shareholder (including holding as a custodian) or with respect to which such shareholder has beneficial ownership within the rules and regulations of the SEC (in each case, subject to certain exceptions set forth in the Confidentiality and Lockup Agreement).

In connection with the Confidentiality and Lockup Agreement, at the Effective Time, the transfer restrictions set forth in certain letter agreements among Collective Growth and the Sponsor and officers and directors of Collective Growth will terminate.

### **Assignment, Assumption and Amendment Agreement**

Upon the closing of the Business Combination Agreement, Innoviz, Collective Growth and Continental will enter into the Assignment, Assumption and Amendment Agreement. Such agreement will amend the Existing Warrant Agreement to provide for the assignment by Collective Growth of all its rights, title and interest in the outstanding warrants of Collective Growth to Innoviz. Pursuant to the amendment, all Collective Growth warrants under the Existing Warrant Agreement will no longer be exercisable for shares of Class A Stock, but instead will be exercisable for Innoviz ordinary shares.

### **Sponsor Letter Agreement**

Concurrently with the execution of the Business Combination, the Sponsor and officers and directors of Collective Growth entered into the Sponsor Letter Agreement in favor of Innoviz and Collective Growth, pursuant to which they agreed to (i) vote all shares of Collective Growth Common Stock beneficially owned by them in favor of the Business Combination and each other proposal related to the Business Combination on the agenda at the meeting of Collective Growth shareholders called to approve the Business Combination, (ii) appear at such shareholder meeting for the purpose of establishing a quorum, (iii) vote all such shares against any action that would reasonably be expected to materially impede, interfere with, delay, postpone, or adversely affect the Business Combination or any of the other transactions contemplated by the Business Combination Agreement, and (iv) not to transfer, assign, or sell such shares, except to certain permitted transferees, prior to the consummation of the Transactions.

### **Forfeiture Agreement**

Concurrently with the execution of the Business Combination Agreement, the Sponsor and officers and directors of Collective Growth entered into the Forfeiture Agreement in favor of Innoviz and Collective Growth, pursuant to which they agreed to forfeit an aggregate of 1,875,000 shares of Class B Stock and 187,500 Collective Growth warrants for cancellation in exchange for no consideration at the Effective Time.

### **Put Option Agreement**

Concurrently with the execution of the Business Combination Agreement, Innoviz and Antara Capital entered into the Put Option Agreement, pursuant to which Innoviz caused Antara to subscribe for a number of Innoviz ordinary shares in the PIPE with an aggregate equity value equal to \$70,000,000 pursuant to the Put Share Subscription Agreement. In consideration for entering into the Put Option Agreement, at the Effective Time, Innoviz agreed to issue to Antara Capital Master 4,310,736 Innoviz warrants and up to 3,559,294 Innoviz ordinary shares, with the number of Innoviz ordinary shares to be issued to Antara Capital Master to be calculated based on the amount of Initial Transaction Proceeds. If Innoviz issues to Perception the Perception Earnout Shares, then Innoviz will also issue to Antara Capital Master the Antara Earnout Shares, with the number of Innoviz ordinary shares to be issued to Antara Capital Master to be calculated based on the amount of Initial Transaction Proceeds.

## CERTAIN MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following discussion is a summary of the material U.S. federal income tax considerations of the Business Combination to U.S. Holders (as defined below) of Collective Growth's common stock and warrants (collectively "Collective Growth securities"). The following discussion also summarizes the material U.S. federal income tax consequences to U.S. Holders and Non-U.S. Holders (as defined below) of Collective Growth Common Stock that elect to have their common stock redeemed for cash and the material U.S. federal income tax consequences of the ownership and disposition of Innoviz ordinary shares and Innoviz warrants following the Business Combination. This discussion applies only to the Collective Growth securities, Innoviz ordinary shares and Innoviz warrants, as the case may be, that are held as "capital assets" within the meaning of Section 1221 of the U.S. Internal Revenue Code of 1986, as amended (the "Code") (generally, property held for investment).

The following does not purport to be a complete analysis of all potential tax effects arising in connection with the closing of the Business Combination, the redemptions of Collective Growth common stock or the ownership and disposal of Innoviz ordinary shares and Innoviz warrants. The effects of other U.S. federal tax laws, such as estate and gift tax laws, and any applicable state, local or non-U.S. tax laws are not discussed. This discussion is based on the Code, Treasury regulations promulgated thereunder, judicial decisions, and published rulings and administrative pronouncements of the U.S. Internal Revenue Service (the "IRS"), in each case in effect as of the date hereof. These authorities may change or be subject to differing interpretations. Any such change or differing interpretation may be applied retroactively in a manner that could adversely affect the tax consequences discussed below. Neither Collective Growth nor Innoviz has sought nor will seek any rulings from the IRS regarding the matters discussed below. There can be no assurance the IRS will not take or a court will not sustain a contrary position to that discussed below regarding the tax consequences discussed below.

This discussion does not address the tax treatment of Innoviz ordinary shares or Innoviz warrants to be issued to holders of outstanding Innoviz preferred shares, Perception, Company Management or Antara in connection with the Business Combination. This discussion does not address all U.S. federal income tax consequences relevant to a holder's particular circumstances, including the impact of the Medicare contribution tax on net investment income and the alternative minimum tax. In addition, it does not address consequences relevant to holders subject to special rules, including, without limitation:

- banks, insurance companies, and certain other financial institutions;
- regulated investment companies and real estate investment trusts;
- brokers, dealers or traders in securities;
- traders in securities that elect to mark to market;
- tax-exempt organizations or governmental organizations;
- U.S. expatriates and former citizens or long-term residents of the United States;
- persons holding Collective Growth securities or Innoviz ordinary shares and/or Innoviz warrants, as the case may be, as part of a hedge, straddle, constructive sale, or other risk reduction strategy or as part of a conversion transaction or other integrated investment;
- persons subject to special tax accounting rules as a result of any item of gross income with respect to Collective Growth securities or Innoviz ordinary shares and/or Innoviz warrants, as the case may be, being taken into account in an applicable financial statement;
- persons that actually or constructively own 5% or more (by vote or value) of the outstanding Collective Growth Common Stock or, after the Business Combination, the issued Innoviz ordinary shares;
- "controlled foreign corporations," "passive foreign investment companies," and corporations that accumulate earnings to avoid U.S. federal income tax;

## Table of Contents

- S corporations, partnerships or other entities or arrangements treated as partnerships or other flow-through entities for U.S. federal income tax purposes (and investors therein);
- U.S. Holders having a functional currency other than the U.S. dollar;
- persons who hold or received Collective Growth securities or Innoviz ordinary shares and/or Innoviz warrants, as the case may be, pursuant to the exercise of any employee stock option or otherwise as compensation; and
- tax-qualified retirement plans.

For purposes of this discussion, a “U.S. Holder” is any beneficial owner of shares of Collective Growth securities and Innoviz ordinary shares and/or Innoviz warrants, as the case may be, that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation (or other entity taxable as a corporation) created or organized under the laws of the United States, any state thereof, or the District of Columbia;
- an estate, the income of which is subject to U.S. federal income tax regardless of its source; or
- a trust that (1) is subject to the primary supervision of a U.S. court and the control of one or more “United States persons” (within the meaning of Section 7701(a)(30) of the Code), or (2) has a valid election in effect to be treated as a United States person for U.S. federal income tax purposes.

If an entity or arrangement treated as a partnership for U.S. federal income tax purposes holds Collective Growth securities, Innoviz ordinary shares and/or Innoviz warrants, the tax treatment of an owner of such entity will depend on the status of the owners, the activities of the entity or arrangement and certain determinations made at the owner level. Accordingly, entities or arrangements treated as partnerships for U.S. federal income tax purposes and the partners in such partnerships should consult their tax advisors regarding the U.S. federal income tax consequences to them.

**THE U.S. FEDERAL INCOME TAX TREATMENT OF THE BUSINESS COMBINATION AND THE U.S. FEDERAL INCOME TAX TREATMENT TO HOLDERS OF COLLECTIVE GROWTH SECURITIES DEPENDS IN SOME INSTANCES ON DETERMINATIONS OF FACT AND INTERPRETATIONS OF COMPLEX PROVISIONS OF U.S. FEDERAL INCOME TAX LAW FOR WHICH NO CLEAR PRECEDENT OR AUTHORITY MAY BE AVAILABLE. IN ADDITION, THE U.S. FEDERAL INCOME TAX TREATMENT OF THE BUSINESS COMBINATION AND THE U.S. FEDERAL INCOME TAX TREATMENT OF OWNING INNOVIZ ORDINARY SHARES AND INNOVIZ WARRANTS TO ANY PARTICULAR HOLDER WILL DEPEND ON THE HOLDER’S PARTICULAR TAX CIRCUMSTANCES. YOU ARE URGED TO CONSULT YOUR TAX ADVISOR REGARDING THE U.S. FEDERAL, STATE, AND LOCAL, AND NON-U.S. INCOME AND OTHER TAX CONSEQUENCES TO YOU, IN LIGHT OF YOUR PARTICULAR INVESTMENT OR TAX CIRCUMSTANCES, OF ACQUIRING, HOLDING, AND DISPOSING OF INNOVIZ ORDINARY SHARES AND INNOVIZ WARRANTS.**

### **U.S. Federal Income Tax Treatment of Innoviz**

#### ***Tax Residence of Innoviz for U.S. Federal Income Tax Purposes***

Although Innoviz is incorporated and tax resident in Israel, the IRS may assert that it should be treated as a U.S. corporation (and therefore a U.S. tax resident) for U.S. federal income tax purposes pursuant to Section 7874 of the Code. For U.S. federal income tax purposes, a corporation is generally considered a U.S. “domestic” corporation (or U.S. tax resident) if it is organized in the United States, and a corporation is generally

## Table of Contents

considered a “foreign” corporation (or non-U.S. tax resident) if it is not a U.S. corporation. Because Innoviz is an entity incorporated and tax resident in Israel, it would generally be classified as a foreign corporation (or non-U.S. tax resident) under these rules. Section 7874 of the Code provides an exception under which a foreign incorporated and foreign tax resident entity may, in certain circumstances, be treated as a U.S. corporation for U.S. federal income tax purposes.

Under Code Section 7874, a corporation created or organized outside the United States (i.e., a foreign corporation) will nevertheless be treated as a U.S. corporation for U.S. federal income tax purposes when (i) the foreign corporation directly or indirectly acquires substantially all of the assets held directly or indirectly by a U.S. corporation (including the indirect acquisition of assets of the U.S. corporation by acquiring the outstanding shares of the U.S. corporation), (ii) the shareholders of the acquired U.S. corporation hold, by vote or value, at least 80% (or 60% if the Third Country Rule, as defined herein, applies) of the shares of the foreign acquiring corporation after the acquisition by reason of holding shares in the U.S. acquired corporation (the “Section 7874 Percentage”), and (iii) the foreign corporation’s “expanded affiliated group” does not have substantial business activities in the foreign corporation’s country of tax residency relative to such expanded affiliated group’s worldwide activities (the “Substantial Business Activities Exception”). In order to satisfy the Substantial Business Activities Exception, at least 25% of the employees (by headcount and compensation), real and tangible assets and gross income of the foreign acquiring corporation’s “expanded affiliated group” must be based, located and derived, respectively, in the country in which the foreign acquiring corporation is a tax resident after the acquisition. The Treasury regulations promulgated under Code Section 7874 (the “Section 7874 Regulations”) generally also provide that if (i) there is an acquisition of substantially all of the assets held directly or indirectly by a U.S. corporation after which the shareholders of the acquired U.S. corporation hold, by vote or value, at least 60% of the shares of the foreign acquiring corporation by reason of holding shares in the U.S. acquired corporation, and (ii) in a related acquisition, such foreign acquiring corporation acquires another foreign corporation exceeding a certain threshold value, and the foreign acquiring corporation is not tax resident in the foreign country in which the acquired foreign corporation was tax resident prior to the transactions, then the foreign acquiring corporation will be treated as a domestic corporation for U.S. federal income tax purposes (the “Third Country Rule”). The Section 7874 Regulations further provide for a number of special rules that aggregate multiple acquisitions of U.S. corporations for purposes of Code Section 7874 as part of a plan or conducted over a 36-month period. Moreover, certain acquisitions of U.S. corporations over a 36-month period will impact the Section 7874 Percentage, making it more likely that Code Section 7874 will apply to a foreign acquiring corporation.

Innoviz will indirectly acquire substantially all of the assets of Collective Growth through the Business Combination. Innoviz does not expect the Third Country Rule to be applicable to the Business Combination. As a result, Section 7874 of the Code may apply to cause Innoviz to be treated as a U.S. corporation for U.S. federal income tax purposes following the Business Combination depending on whether the Section 7874 Percentage equals or exceeds 80%, subject to the applicability of the Substantial Business Activities Exception.

Based upon the terms of the Business Combination, the rules for determining share ownership under Code Section 7874 and the Section 7874 Regulations, and certain factual assumptions, Collective Growth and Innoviz currently expect that the Section 7874 Percentage of the Collective Growth stockholders in Innoviz should be less than 80% after the Business Combination. Accordingly, Innoviz is not expected to be treated as a U.S. corporation for U.S. federal income tax purposes under Section 7874 of the Code. The calculation of the Section 7874 Percentage is complex and is subject to detailed regulations (the application of which is uncertain in various respects and would be impacted by changes in such U.S. Treasury regulations with possible retroactive effect) and is subject to certain factual uncertainties. Whether the Section 7874 Percentage is less than 80% must be finally determined after completion of the Business Combination, by which time there could be adverse changes to the relevant facts and circumstances. Moreover, former Collective Growth securityholders will be deemed to own an amount of Innoviz ordinary shares in respect to certain redemptions by Collective Growth of Collective Growth’s common stock prior to the Business Combination for purposes of determining the ownership percentage of former Collective Growth securityholders for purposes of Section 7874 of the Code. Accordingly,

---

## Table of Contents

there can be no assurance that the IRS will not challenge the status of Innoviz as a foreign corporation under Code Section 7874 or that such challenge would not be sustained by a court.

If the IRS were to successfully challenge under Code Section 7874 Innoviz's status as a foreign corporation for U.S. federal income tax purposes, Innoviz and certain Innoviz shareholders would be subject to significant adverse tax consequences, including a higher effective corporate income tax rate on Innoviz and future withholding taxes on certain Innoviz shareholders, depending on the application of any income tax treaty that might apply to reduce such withholding taxes.

However, even if the Section 7874 Percentage was such that Innoviz were still respected as a foreign corporation under Code Section 7874, Innoviz may be limited in using its equity to engage in future acquisitions of U.S. corporations over a 36-month period following the Business Combination. If Innoviz were to be treated as acquiring substantially all of the assets of a U.S. corporation within a 36-month period after the Business Combination, the Section 7874 Regulations would exclude certain shares of Innoviz attributable to the Business Combination for purposes of determining the Section 7874 Percentage of that subsequent acquisition, making it more likely that Code Section 7874 would apply to such subsequent acquisition.

The remainder of this discussion assumes that Innoviz will not be treated as a U.S. corporation for U.S. federal income tax purposes under Section 7874 of the Code.

### ***Utilization of Collective Growth's Tax Attributes and Certain Other Adverse Tax Consequences to Innoviz and Innoviz's Shareholders.***

Following the acquisition of a U.S. corporation by a foreign corporation, Code Section 7874 can limit the ability of the acquired U.S. corporation and its U.S. affiliates to use U.S. tax attributes (including net operating losses and certain tax credits) to offset U.S. taxable income resulting from certain transactions, as well as result in certain other adverse tax consequences, even if the acquiring foreign corporation is respected as a foreign corporation for purposes of Code Section 7874. Specifically, Code Section 7874 can apply in this manner if (i) the foreign corporation acquires, directly or indirectly, substantially all of the properties held directly or indirectly by a U.S. corporation, (ii) after the acquisition, the former shareholders of the acquired U.S. corporation hold at least 60% (by either vote or value) but less than 80% (by vote and value) of the shares of the foreign acquiring corporation by reason of holding shares in the acquired U.S. corporation, (iii) the Third Country Rule does not apply, and (iv) the foreign corporation's "expanded affiliated group" does not meet the Substantial Business Activities Exception.

Based upon the terms of the Business Combination, the rules for determining share ownership under Section 7874 of the Code and the Section 7874 Regulations, and certain factual assumptions, Collective Growth and Innoviz currently expect that the Section 7874 Percentage should be less than 60% after the Business Combination. Accordingly, the limitations and other rules described above are not expected to apply to Innoviz or Collective Growth after the Business Combination.

If the Section 7874 Percentage applicable to the Business Combination is at least 60% but less than 80% and the Third Country Rule does not apply (as expected), Innoviz and certain of Innoviz's shareholders may be subject to adverse tax consequences including, but not limited to, restrictions on the use of tax attributes with respect to "inversion gain" recognized over a 10-year period following the transaction, disqualification of dividends paid from preferential "qualified dividend income" rates and the requirement that any U.S. corporation owned by Innoviz include as "base erosion payments" that may be subject to a minimum U.S. federal income tax any amounts treated as reductions in gross income paid to certain related foreign persons. Furthermore, certain "disqualified individuals" (including officers and directors of a U.S. corporation) may be subject to an excise tax on certain stock-based compensation held thereby at a rate of 20%. However, as a blank check company whose assets are primarily comprised of cash and cash equivalents, it is not expected that Collective Growth will have a significant amount of inversion gain as a result of the Business Combination. Moreover, if it is determined that

---

## **Table of Contents**

the Section 7874 Percentage is at least 60% and that Innoviz is tax resident in a jurisdiction other than Israel, the Third Country Rule would apply and Innoviz would be treated as a U.S. corporation under Section 7874 of the Code in the same manner as described above under “—Tax Residence of Innoviz for U.S. Federal Income Tax Purposes.”

The above determination, however, is subject to detailed regulations (the application of which is uncertain in various respects and would be impacted by future changes in such U.S. Treasury regulations, with possible retroactive effect) and is subject to certain factual uncertainties. Whether the Section 7874 Percentage is less than 60% must be finally determined after completion of the Business Combination, by which time there could be adverse changes to the relevant facts and circumstances. There can be no assurance that the IRS will not challenge whether Innoviz is subject to the above rules or that such a challenge would not be sustained by a court. If the IRS successfully applied these rules to Innoviz, significant adverse tax consequences would result for Innoviz and for certain Innoviz shareholders, including a higher effective corporate tax rate on Innoviz.

#### ***U.S. Federal Income Tax Considerations of the Business Combination***

##### *Tax Consequences of the Business Combination Under Section 368(a) of the Code*

The parties to the Business Combination intend that the Business Combination qualify as a reorganization within the meaning of Section 368(a) of the Code (a “reorganization”). To qualify as a reorganization, a transaction must satisfy certain requirements, including, among others, that the acquiring corporation (or, in the case of certain reorganizations structured similarly to the Business Combination, its corporate parent) continue, either directly or indirectly through certain controlled corporations, either a significant line of the acquired corporation’s historic business or use a significant portion of the acquired corporation’s historic business assets in a business, in each case, within the meaning of Treasury regulations Section 1.368-1(d). However, due to the absence of guidance bearing directly on how the above rules apply in the case of an acquisition of a corporation with no active business and only investment-type assets, such as Collective Growth, the qualification of the Business Combination as a reorganization is not free from doubt. Moreover, the closing of the Business Combination is not conditioned upon the receipt of an opinion of counsel that the Business Combination will qualify as a reorganization, and neither Collective Growth nor Innoviz intends to request a ruling from the IRS regarding the U.S. federal income tax treatment of the Business Combination. Accordingly, no assurance can be given that the IRS will not challenge the Business Combination’s qualification as a reorganization or that a court will not sustain such a challenge by the IRS.

If, notwithstanding the above, at the Effective Time any requirement for Section 368(a) is not met, a U.S. Holder of Collective Growth securities would recognize gain or loss in an amount equal to the difference, if any, between the fair market value as of the closing date of the Business Combination of Innoviz ordinary shares and/or Innoviz warrants received by such holder in the Business Combination over such U.S. Holder’s tax basis in the Collective Growth securities surrendered by such U.S. Holder in the Business Combination. Any gain or loss so recognized would generally be long-term capital gain or loss if the U.S. Holder had held the Collective Growth securities for more than one year (or short-term capital gain otherwise). Long-term capital gains of non-corporate U.S. Holders (including individuals) currently are eligible for preferential U.S. federal income tax rates. However, the deductibility of capital losses is subject to limitations. A U.S. Holder’s holding period in the Innoviz ordinary shares and/or Innoviz warrants received in the Business Combination, if any, would not include the holding period for the Collective Growth securities surrendered in exchange therefor.

##### *Tax Consequences of the Business Combination Under Section 367(a) of the Code*

Section 367(a) of the Code and the Treasury regulations promulgated thereunder provide that, where a U.S. person exchanges stock or securities in a U.S. corporation for stock or securities in a non-U.S. corporation in a transaction that would otherwise qualify as a reorganization under Section 368(a) of the Code, the U.S. person is required to recognize any gain (but not loss) realized on such exchange unless certain requirements are satisfied.

## Table of Contents

In general, for the Business Combination to meet these additional requirements, certain reporting requirements must be satisfied and (i) no more than 50% of both the total voting power and the total value of the stock of the transferee non-U.S. corporation is received, in the aggregate, by the “U.S. transferors” (as defined in the Treasury regulations and computed taking into account direct, indirect and constructive ownership) in the transaction; (ii) no more than 50% of each of the total voting power and the total value of the stock of the transferee non-U.S. corporation is owned, in the aggregate, immediately after the transaction by “U.S. persons” (as defined in the Treasury regulations) that are either officers or directors or “five-percent target shareholders” (as defined in the Treasury regulations and computed taking into account direct, indirect and constructive ownership) of the transferred U.S. corporation; and (iii) the “active trade or business test” as defined in Treasury regulations Section 1.367(a)-3(c)(3) must be satisfied. Conditions (i), (ii), and (iii) are expected to be met, and, as a result, the Business Combination is expected to satisfy the applicable requirements under Section 367(a) of the Code on account of such conditions. Accordingly, it is intended that the Business Combination not result in gain recognition by a U.S. Holder exchanging Collective Growth common stock for Innoviz ordinary shares so long as either (A) the U.S. Holder is not a “five-percent transferee shareholder” (as defined in the Treasury regulations and computed taking into account direct, indirect and constructive ownership) of the transferee non-U.S. corporation (by total voting power or by total value) or (B) the U.S. Holder is a “five-percent transferee shareholder” of the transferee non-U.S. corporation and enters into an agreement with the IRS to recognize gain under certain circumstances. All U.S. Holders that will own 5% or more of either the total voting power or the total value of the outstanding shares of Innoviz after the Business Combination (taking into account, for this purpose, ownership of Innoviz ordinary shares, and any Innoviz ordinary shares not acquired in connection with the Business Combination) may want to enter into a valid “gain recognition agreement” under applicable Treasury regulations and are strongly urged to consult their own tax advisors to determine the particular consequences to them of the Business Combination.

Whether the requirements described above are met will depend on facts existing at the Effective Time, and the closing of the Business Combination is not conditioned upon the receipt of an opinion of counsel or ruling from the IRS that the Business Combination will not result in gain being recognized by U.S. Holders of Collective Growth securities under Section 367(a) of the Code (other than any such holder that would own, actually or constructively, 5% or more (by vote or value) of the outstanding Innoviz ordinary shares immediately after the Business Combination). In addition, no assurance can be given that the IRS will not challenge that the relevant requirements under Section 367(a) of the Code and the Treasury regulations promulgated thereunder have been met with respect to the Business Combination, or that a court would not sustain such a challenge.

If the Business Combination does meet the requirements of Section 368(a) of the Code but, at the Effective Time, any requirement for Section 367(a) of the Code not to impose gain on U.S. Holder is not satisfied, then a U.S. Holder of Collective Growth common stock would recognize gain (but not loss) in an amount equal to the excess, if any, of the fair market value as of the closing date of the Business Combination of the Innoviz ordinary shares received by such holder in the Business Combination over such U.S. Holder’s tax basis in the Collective Growth common stock surrendered by such U.S. Holder in the Business Combination. Any gain so recognized would generally be long-term capital gain if the U.S. Holder had held the Collective Growth common stock for more than one year at the Effective Time (or short-term capital gain otherwise). Long-term capital gain of non-corporate U.S. Holders (including individuals) currently is eligible for preferential U.S. federal income tax rates. A U.S. Holder’s holding period in the Innoviz ordinary shares received in the Business Combination, if any, would not include the holding period for the Collective Growth common stock surrendered in exchange therefor.

### *U.S. Holders exchanging Collective Growth Securities for Innoviz Ordinary Shares and/or Innoviz Warrants*

If the Business Combination qualifies as a reorganization under Section 368(a) of the Code and is not taxable under Section 367(a) of the Code, a U.S. Holder generally should not recognize gain or loss if, pursuant to the Business Combination, the U.S. Holder either (i) exchanges only Collective Growth Common Stock (but

---

## Table of Contents

not Collective Growth warrants) for Innoviz ordinary shares, (ii) exchanges Collective Growth warrants for Innoviz warrants, or (iii) both exchanges Collective Growth Common Stock for Innoviz ordinary shares and exchanges its Collective Growth warrants for Innoviz warrants.

In such a case, the aggregate tax basis of the Innoviz ordinary shares received by a U.S. Holder in the Business Combination should be equal to the aggregate adjusted tax basis of the Collective Growth Common Stock surrendered in exchange therefor. The tax basis in a Innoviz warrant received by a U.S. Holder in the Business Combination should be equal to the adjusted tax basis of an Innoviz warrant exchanged therefor. The holding period of the Innoviz ordinary shares and/or Innoviz warrants received by a U.S. Holder in the Business Combination should include the period during which the Collective Growth Common Stock and/or warrants exchanged therefor were held by such U.S. Holder.

### *U.S. Holders Exercising Redemption Rights with Respect to Collective Growth Common Stock*

In the event that a U.S. Holder's shares of Collective Growth Common Stock are redeemed for cash pursuant to the redemption provisions described herein, the treatment of such redemption for U.S. federal income tax purposes will depend on whether the redemption qualifies as a sale of stock under Section 302 of the Code. Whether a redemption qualifies for sale treatment will depend largely on the total number of shares of Collective Growth Common Stock treated as held by the U.S. Holder relative to all of the shares of Collective Growth Common Stock outstanding both before and after the redemption.

The redemption of Collective Growth Common Stock generally will be treated as a sale of stock (rather than as a corporate distribution) if the redemption (i) results in a "complete termination" of the U.S. Holder's interest in Collective Growth, (ii) is "substantially disproportionate" with respect to the U.S. Holder or (iii) is "not essentially equivalent to a dividend" with respect to the U.S. Holder. These tests are explained more fully below.

In determining whether any of the foregoing tests are satisfied, a U.S. Holder generally should take into account not only Collective Growth Common Stock actually owned by such U.S. Holder but also Collective Growth Common Stock constructively owned by it. A U.S. Holder may constructively own, in addition to shares owned directly, shares owned by certain related individuals and entities in which the U.S. Holder has an interest or that have an interest in such U.S. Holder, as well as any shares the U.S. Holder has a right to acquire by exercise of an option, which would generally include Collective Growth Common Stock or Innoviz ordinary shares which could be directly or constructively acquired pursuant to the exercise of Collective Growth warrants or Innoviz warrants.

There will be a complete termination of a U.S. Holder's interest if either (i) all of the Collective Growth Common Stock actually and constructively owned by the U.S. Holder is redeemed or (ii) all of the Collective Growth Common Stock actually owned by the U.S. Holder is redeemed and the U.S. Holder is eligible to waive, and effectively waives in accordance with specific rules, the attribution of shares owned by certain family members and the U.S. Holder does not constructively own any other shares. In order to meet the "substantially disproportionate" test, the percentage of outstanding voting stock actually or constructively owned by a U.S. Holder immediately following the redemption generally must be less than 80% of the voting stock actually or constructively owned by such U.S. Holder immediately prior to the redemption. The redemption of the Collective Growth Common Stock will not be essentially equivalent to a dividend if a U.S. Holder's redemption results in a "meaningful reduction" of the U.S. Holder's proportionate interest in Collective Growth. Whether the redemption will result in a meaningful reduction in a U.S. Holder's proportionate interest in Collective Growth will depend on the particular facts and circumstances. However, the IRS has indicated in a published ruling that even a small reduction in the proportionate interest of a small minority shareholder in a publicly held corporation who exercises no control over corporate affairs may constitute such a "meaningful reduction." U.S. Holders should consult with their tax advisors as to the tax consequences of a redemption.

---

## Table of Contents

If the redemption qualifies as a sale of stock by the U.S. Holder under Section 302 of the Code, the U.S. Holder would generally be required to recognize gain or loss in an amount equal to the difference, if any, between the amount of cash received and the tax basis of the shares of Collective Growth Common Stock redeemed. Such gain or loss generally would be treated as capital gain or loss if such shares were held as a capital asset on the date of the redemption. A U.S. Holder's tax basis in such holder's Collective Growth Common Stock generally will equal the cost of such shares.

If the redemption does not qualify as a sale of stock under Section 302 of the Code, then the U.S. Holder will be treated as receiving a corporate distribution. Such distribution generally will constitute a dividend for U.S. federal income tax purposes to the extent paid from current or accumulated earnings and profits, as determined under U.S. federal income tax principles. Distributions in excess of current and accumulated earnings and profits will constitute a return of capital that will be applied against and reduce (but not below zero) the U.S. Holder's adjusted tax basis in such U.S. Holder's Collective Growth Common Stock. Any remaining excess will be treated as gain realized on the sale or other disposition of the Collective Growth Common Stock.

### ***Distributions on Innoviz Ordinary Shares***

If Innoviz makes distributions of cash or property on the Innoviz ordinary shares, such distributions will be treated first as a dividend to the extent of Innoviz's current and accumulated earnings and profits (as determined for U.S. federal income tax purposes), and then as a tax-free return of capital to the extent of the U.S. Holder's tax basis, with any excess treated as capital gain from the sale or exchange of the shares. If Innoviz does not provide calculations of its earnings and profits under U.S. federal income tax principles, a U.S. Holder should expect all cash distributions to be reported as dividends for U.S. federal income tax purposes. Any dividend will not be eligible for the dividends received deduction allowed to corporations in respect of dividends received from U.S. corporations.

Subject to the discussions above under "*Utilization of Collective Growth's Tax Attributes and Certain Other Adverse Tax Consequences to Innoviz and Innoviz's Shareholders*" and below under "*Passive Foreign Investment Company Rules*," dividends received by certain non-corporate U.S. Holders (including individuals) may be "qualified dividend income," which is taxed at the lower applicable capital gains rate, provided that:

- either (a) the shares are readily tradable on an established securities market in the United States, or (b) Innoviz is eligible for the benefits of a qualifying income tax treaty with the United States that includes an exchange of information program;
- Innoviz is neither a PFIC (as discussed below under "*Passive Foreign Investment Company Rules*") nor treated as such with respect to the U.S. Holder for Innoviz's taxable year in which the dividend is paid or the preceding taxable year;
- the U.S. Holder satisfies certain holding period requirements; and
- the U.S. Holder is not under an obligation to make related payments with respect to positions in substantially similar or related property.

There can be no assurances that Innoviz will be eligible for benefits of an applicable comprehensive income tax treaty between the United States and Israel. In addition, there also can be no assurance that Innoviz ordinary shares will be considered "readily tradable" on an established securities market in accordance with applicable legal authorities. Furthermore, Innoviz will not constitute a qualified foreign corporation for purposes of these rules if it is a PFIC for the taxable year in which it pays a dividend or for the preceding taxable year. See "*Passive Foreign Investment Company Rules*." U.S. Holders should consult their tax advisors regarding the availability of the lower rate for dividends paid with respect to Innoviz ordinary shares.

---

## Table of Contents

Subject to certain exceptions, dividends on Innoviz ordinary shares will constitute foreign source income for foreign tax credit limitation purposes. If the dividends are qualified dividend income (as discussed above), the amount of the dividend taken into account for purposes of calculating the foreign tax credit limitation will be limited to the gross amount of the dividend, multiplied by a fraction, the numerator of which is the reduced rate applicable to qualified dividend income and the denominator of which is the highest rate of tax normally applicable to dividends. The limitation on foreign taxes eligible for credit is calculated separately with respect to specific classes of income. For this purpose, dividends distributed by Innoviz with respect to the Innoviz ordinary shares generally will constitute “passive category income” but could, in the case of certain U.S. Holders, constitute “general category income”.

### *Sale, Exchange, Redemption or Other Taxable Disposition of Innoviz Ordinary Shares and Innoviz Warrants*

Subject to the discussion below under “—*Passive Foreign Investment Company Rules*,” a U.S. Holder generally will recognize gain or loss on any sale, exchange, redemption or other taxable disposition of Innoviz ordinary shares or Innoviz warrants in an amount equal to the difference between (i) the amount realized on the disposition and (ii) such U.S. Holder’s adjusted tax basis in such shares and/or warrants. Any gain or loss recognized by a U.S. Holder on a taxable disposition of Innoviz ordinary shares or Innoviz warrants generally will be capital gain or loss. A non-corporate U.S. Holder, including an individual, who has held the Innoviz ordinary shares and/or Innoviz warrants for more than one year generally will be eligible for reduced tax rates for such long-term capital gains. The deductibility of capital losses is subject to limitations.

Any such gain or loss recognized generally will be treated as U.S. source income or loss. Accordingly, in the event any Israeli tax (including withholding tax) is imposed upon such sale or other disposition, a U.S. Holder may not be able to utilize foreign tax credits unless such holder has foreign source income or gain in the same category from other sources. Moreover, there are special rules under the income tax treaty between the United States and Israel (the “*Treaty*”), which may impact a U.S. Holder’s ability to claim a foreign tax credit. U.S. Holders are urged to consult their tax advisor regarding the ability to claim a foreign tax credit and the application of the Treaty to such U.S. Holder’s particular circumstances.

### *Exercise or Lapse of an Innoviz Warrant*

Except as discussed below with respect to the cashless exercise of a Company Warrant, a U.S. Holder generally will not recognize gain or loss upon the acquisition of a Innoviz ordinary share on the exercise of a Company Warrant for cash. A U.S. Holder’s tax basis in a Innoviz ordinary shares received upon exercise of the Company Warrant generally should be an amount equal to the sum of the U.S. Holder’s tax basis in the Collective Growth warrant exchanged therefor (assuming the Business Combination is not a taxable transaction under Sections 368(a) or 367(a) of the Code, as discussed above) and the exercise price. The U.S. Holder’s holding period for a Innoviz ordinary share received upon exercise of the Company Warrant will begin on the date following the date of exercise (or possibly the date of exercise) of the Company Warrant and will not include the period during which the U.S. Holder held the Company Warrant. If a Company Warrant is allowed to lapse unexercised, a U.S. Holder generally will recognize a capital loss equal to such holder’s tax basis in the Company Warrant.

The tax consequences of a cashless exercise of a Company Warrant are not clear under current tax law. A cashless exercise may be tax-deferred, either because the exercise is not a gain realization event or because the exercise is treated as a recapitalization for U.S. federal income tax purposes. In either tax-deferred situation, a U.S. Holder’s basis in the Innoviz ordinary shares received would equal the U.S. Holder’s basis in the Innoviz warrants exercised therefore. If the cashless exercise is not treated as a gain realization event, a U.S. Holder’s holding period in the Innoviz ordinary shares would be treated as commencing on the date following the date of exercise (or possibly the date of exercise) of the Innoviz warrants. If the cashless exercise were treated as a recapitalization, the holding period of the Innoviz ordinary shares would include the holding period of the Innoviz warrants exercised therefore.

## Table of Contents

It is also possible that a cashless exercise of a Company Warrant could be treated in part as a taxable exchange in which gain or loss would be recognized in the manner set forth above under “—*Sale, Exchange, Redemption or Other Taxable Disposition of Innoviz Ordinary Shares and Innoviz Warrants.*” In such event, a U.S. Holder could be deemed to have surrendered warrants equal to the number of Innoviz ordinary shares having an aggregate fair market value equal to the exercise price for the total number of warrants to be exercised. The U.S. Holder would recognize capital gain or loss in an amount generally equal to the difference between (i) the fair market value of the Innoviz warrants deemed surrendered and (ii) the U.S. Holder’s tax basis in such Innoviz warrants deemed surrendered. In this case, a U.S. Holder’s tax basis in the Innoviz ordinary shares received would equal the sum of (i) U.S. Holder’s tax basis in the Innoviz warrants deemed exercised and (ii) the exercise price of such Innoviz warrants. A U.S. Holder’s holding period for the Innoviz ordinary shares received in such case generally would commence on the date following the date of exercise (or possibly the date of exercise) of the Innoviz warrants.

Due to the absence of authority on the U.S. federal income tax treatment of a cashless exercise of warrants, there can be no assurance which, if any, of the alternative tax consequences and holding periods described above would be adopted by the IRS or a court of law. Accordingly, U.S. Holders should consult their tax advisors regarding the tax consequences of a cashless exercise of Innoviz warrants.

### *Possible Constructive Distributions*

The terms of each Company Warrant provide for an adjustment to the number of Innoviz ordinary shares for which the Company Warrant may be exercised or to the exercise price of the Company Warrant in certain events, as discussed in the section of this registration statement captioned “Description of Innoviz warrants.” An adjustment which has the effect of preventing dilution generally is not taxable. A U.S. Holder of a Company Warrant would, however, be treated as receiving a constructive distribution from Innoviz if, for example, the adjustment increases the holder’s proportionate interest in Innoviz’s assets or earnings and profits (for instance, through an increase in the number of Innoviz ordinary shares that would be obtained upon exercise of such warrant) as a result of a distribution of cash or other property such as other securities to the holders of the Innoviz ordinary shares which is taxable to the U.S. Holders of such shares as described under “—*Distributions on Innoviz ordinary shares*” above. Such constructive distribution would be subject to tax as described under that section in the same manner as if the U.S. Holder of such Company Warrant received a cash distribution from Innoviz equal to the fair market value of such increased interest.

### *Passive Foreign Investment Company Rules*

The treatment of U.S. Holders of the Innoviz ordinary shares could be materially different from that described above, if Innoviz is treated as a “passive foreign investment company” for U.S. federal income tax purposes. A non-U.S. entity treated as a corporation for U.S. federal income tax purposes generally will be a PFIC for U.S. federal income tax purposes for any taxable year if either:

- at least 75% of its gross income for such year is passive income (such as interest income); or
- at least 50% of the value of its assets (based on an average of the quarterly values of the assets) during such year is attributable to assets that produce passive income or are held for the production of passive income.

For this purpose, Innoviz will be treated as owning its proportionate share of the assets and earning its proportionate share of the income of any other entity treated as a corporation for U.S. federal income tax purposes in which Innoviz own, directly or indirectly, 25% or more (by value) of the stock.

Based on the current and anticipated composition of the income, assets and operations of Innoviz and its subsidiaries, there is a substantial risk that Innoviz will be a PFIC for U.S. federal income tax purposes for the taxable year that includes the Business Combination or for future taxable years. As discussed further below, Innoviz intends to make available information that will allow U.S. Holders to make a QEF election with respect to their Innoviz ordinary shares.

## Table of Contents

Whether Innoviz is treated as a PFIC is determined on an annual basis. The determination of whether a non-U.S. corporation is a PFIC is a factual determination that depends on, among other things, the composition of Innoviz's income and assets, and the market value of its shares and assets, including the composition of income and assets and the market value of shares and assets of its subsidiaries, from time to time, and thus the determination can only be made annually after the close of each taxable year. Under the PFIC rules, if Innoviz were considered a PFIC at any time that a U.S. Holder owns Innoviz ordinary shares, Innoviz would continue to be treated as a PFIC with respect to such investment unless (i) it ceased to be a PFIC and (ii) the U.S. Holder made a "deemed sale" election under the PFIC rules. If such election is made, a U.S. Holder will be deemed to have sold its Innoviz ordinary shares at their fair market value on the last day of the last taxable year in which Innoviz is classified as a PFIC, and any gain from such deemed sale would be subject to the consequences described below. After the deemed sale election, the Innoviz ordinary shares with respect to which the deemed sale election was made will not be treated as shares in a PFIC unless Innoviz subsequently becomes a PFIC.

For each taxable year that Innoviz is treated as a PFIC with respect to a U.S. Holder's Innoviz ordinary shares, the U.S. Holder will be subject to special tax rules with respect to any "excess distribution" (as defined below) received and any gain realized from a sale or disposition (including a pledge) of its Innoviz ordinary shares (collectively the "*excess distribution rules*"), unless the U.S. Holder makes a valid QEF or mark-to-market election as discussed below. Distributions received by a U.S. Holder in a taxable year that are greater than 125% of the average annual distributions received during the shorter of the three preceding taxable years or the U.S. Holder's holding period for the Innoviz ordinary shares will be treated as excess distributions. Under these special tax rules:

- the excess distribution or gain will be allocated ratably over the U.S. Holder's holding period for the Innoviz ordinary shares;
- the amount allocated to the current taxable year, and any taxable years in the U.S. Holder's holding period prior to the first taxable year in which Innoviz is a PFIC, will be treated as ordinary income; and
- the amount allocated to each other taxable year will be subject to the highest tax rate in effect for individuals or corporations, as applicable, for each such year and the interest charge generally applicable to underpayments of tax will be imposed on the resulting tax attributable to each such year.

Under the excess distribution rules, the tax liability for amounts allocated to taxable years prior to the year of disposition or excess distribution cannot be offset by any net operating losses, and gains (but not losses) realized on the sale of the Innoviz ordinary shares cannot be treated as capital gains, even though the U.S. Holder holds the Innoviz ordinary shares as capital assets.

Certain of the PFIC rules may impact U.S. Holders with respect to equity interests in subsidiaries and other entities which Innoviz may hold, directly or indirectly, that are PFICs (collectively, "*Lower-Tier PFICs*"). There can be no assurance, however, that Innoviz does not own, or will not in the future acquire, an interest in a subsidiary or other entity that is or would be treated as a Lower-Tier PFIC. U.S. Holders should consult their tax advisors regarding the application of the PFIC rules to any of Innoviz's subsidiaries.

If Innoviz is a PFIC, a U.S. Holder of shares in Innoviz may avoid taxation under the excess distribution rules described above by making a "qualified electing fund" ("*QEF*") election. However, a U.S. Holder may make a QEF election with respect to its Innoviz ordinary shares only if Innoviz provides U.S. Holders on an annual basis with certain financial information specified under applicable U.S. Treasury regulations. Innoviz intends to provide U.S. Holders with the required information on an annual basis to allow U.S. Holders to make a QEF election with respect to the Innoviz ordinary shares. There can be no assurance, however, that Innoviz will timely provide such information for the current year or subsequent years. The failure to provide such information on an annual basis could prevent a U.S. Holder from making a QEF election or result in the invalidation or termination of a U.S. Holder's prior QEF election. In addition, U.S. Holders of Innoviz warrants will not be able to make a QEF election with respect to their warrants.

## Table of Contents

A U.S. Holder that makes a QEF election with respect to its Innoviz ordinary shares would generally be required to include in income for each year that Innoviz is treated as a PFIC the U.S. Holder's pro rata share of Innoviz's ordinary earnings for the year (which would be subject to tax as ordinary income) and net capital gains for the year (which would be subject to tax at the rates applicable to long-term capital gains), without regard to the amount of any distributions made in respect of the Innoviz ordinary shares. Any net deficits or net capital losses of Innoviz for a taxable year would not be passed through and included on the tax return of the U.S. Holder, however. A U.S. Holder's basis in the Innoviz ordinary shares would be increased by the amount of income inclusions under the qualified electing fund rules. Dividends actually paid on the Innoviz ordinary shares generally would not be subject to U.S. federal income tax to the extent of prior income inclusions and would reduce the U.S. Holder's basis in the Innoviz ordinary shares by a corresponding amount.

If Innoviz owns any interests in a Lower-Tier PFIC, a U.S. Holder generally must make a separate QEF election for each Lower-Tier PFIC, subject to Innoviz's providing the relevant tax information for each Lower-Tier PFIC on an annual basis.

If a U.S. Holder does not make a QEF election (or a mark-to-market election, as discussed below) effective from the first taxable year of a U.S. Holder's holding period for the Innoviz ordinary shares in which Innoviz is a PFIC, then the Innoviz ordinary shares will generally continue to be treated as an interest in a PFIC, and the U.S. Holder generally will remain subject to the excess distribution rules. A U.S. Holder that first makes a QEF election in a later year may avoid the continued application of the excess distribution rules to its Innoviz ordinary shares by making a "deemed sale" election. In that case, the U.S. Holder will be deemed to have sold the Innoviz ordinary shares at their fair market value on the first day of the taxable year in which the QEF election becomes effective, and any gain from such deemed sale would be subject to the excess distribution rules described above. A U.S. Holder that is eligible to make a QEF election with respect to its Innoviz ordinary shares generally may do so by providing the appropriate information to the IRS in the U.S. Holder's timely filed tax return for the year in which the election becomes effective.

U.S. Holders should consult their tax advisors as to the availability and desirability of a QEF election.

Alternatively, a U.S. Holder of "marketable stock" (as defined below) in a PFIC may make a mark-to-market election for its Innoviz ordinary shares to elect out of the excess distribution rules discussed above. If a U.S. Holder makes a mark-to-market election with respect to its Innoviz ordinary shares, such U.S. Holder will include in income for each year that Innoviz is treated as a PFIC with respect to such Innoviz ordinary shares an amount equal to the excess, if any, of the fair market value of the Innoviz ordinary shares as of the close of the U.S. Holder's taxable year over the adjusted basis in the Innoviz ordinary shares. A U.S. Holder will be allowed a deduction for the excess, if any, of the adjusted basis of the Innoviz ordinary shares over their fair market value as of the close of the taxable year. However, deductions will be allowed only to the extent of any net mark-to-market gains on the Innoviz ordinary shares included in the U.S. Holder's income for prior taxable years. Amounts included in income under a mark-to-market election, as well as gain on the actual sale or other disposition of the Innoviz ordinary shares, will be treated as ordinary income. Ordinary loss treatment will also apply to the deductible portion of any mark-to-market loss on the Innoviz ordinary shares, as well as to any loss realized on the actual sale or disposition of the Innoviz ordinary shares, to the extent the amount of such loss does not exceed the net mark-to-market gains for such Innoviz ordinary shares previously included in income. A U.S. Holder's basis in the Innoviz ordinary shares will be adjusted to reflect any mark-to-market income or loss. If a U.S. Holder makes a mark-to-market election, any distributions Innoviz makes would generally be subject to the rules discussed above under "*Distributions on Innoviz ordinary shares*," except the lower rates applicable to qualified dividend income would not apply. U.S. Holders of Innoviz warrants will not be able to make a mark-to-market election with respect to their Innoviz warrants.

The mark-to-market election is available only for "marketable stock," which is stock that is regularly traded on a qualified exchange or other market, as defined in applicable U.S. Treasury regulations. The Innoviz ordinary shares, which are expected to be listed on Nasdaq, are expected to qualify as marketable stock for purposes of the

## Table of Contents

PFIC rules, but there can be no assurance that Innoviz ordinary shares will be “regularly traded” for purposes of these rules. Because a mark-to-market election cannot be made for equity interests in any Lower-Tier PFICs, a U.S. Holder that does not make the applicable QEF elections generally will continue to be subject to the excess distribution rules with respect to its indirect interest in any Lower-Tier PFICs as described above, even if a mark-to-market election is made for Innoviz.

If a U.S. Holder does not make a mark-to-market election (or a QEF election, as discussed above) effective from the first taxable year of a U.S. Holder’s holding period for the Innoviz ordinary shares in which Innoviz is a PFIC, then the U.S. Holder generally will remain subject to the excess distribution rules. A U.S. Holder that first makes a mark-to-market election with respect to the Innoviz ordinary shares in a later year will continue to be subject to the excess distribution rules during the taxable year for which the mark-to-market election becomes effective, including with respect to any mark-to-market gain recognized at the end of that year. In subsequent years for which a valid mark-to-market election remains in effect, the excess distribution rules generally will not apply. A U.S. Holder that is eligible to make a mark-to-market with respect to its Innoviz ordinary shares may do so by providing the appropriate information on IRS Form 8621 and timely filing that form with the U.S. Holder’s tax return for the year in which the election becomes effective.

U.S. Holders should consult their tax advisors as to the availability and desirability of a mark-to-market election, as well as the impact of such election on interests in any Lower-Tier PFICs.

A U.S. Holder of a PFIC may be required to file an IRS Form 8621 on an annual basis. U.S. Holders should consult their tax advisors regarding any reporting requirements that may apply to them if Innoviz is a PFIC.

U.S. Holders are strongly encouraged to consult their tax advisors regarding the application of the PFIC rules to their particular circumstances.

### **Non-U.S. Holders**

The section applies to Non-U.S. Holders of Innoviz ordinary shares and Innoviz warrants. For purposes of this discussion, a Non-U.S. Holder means a beneficial owner (other than a partnership or an entity or arrangement so characterized for U.S. federal income tax purposes) of Innoviz ordinary shares or Innoviz warrants that is not a U.S. Holder, including:

- a nonresident alien individual, other than certain former citizens and residents of the United States;
- a foreign corporation; or
- a foreign estate or trust.

#### *Non-U.S. Holders Exercising Redemption Rights with Respect to Collective Growth Common Stock*

The characterization for U.S. federal income tax purposes of the redemption of a Non-U.S. Holder’s Collective Growth Common Stock generally will correspond to the U.S. federal income tax characterization of such a redemption of a U.S. Holder’s Collective Growth Common Stock, as described above. under “—U.S. Holders Exercising Redemption Rights with Respect to Collective Growth Common Stock” Any redeeming Non- U.S. Holder will generally not be subject to U.S. federal income tax on any gain recognized as a result of the redemption or be able to utilize a loss in computing U.S. federal income tax liability unless one of the exceptions described below under “—U.S. Federal Income Tax Consequences of the Ownership and Disposition of Innoviz Ordinary Shares and Innoviz Warrants to Non-U.S. Holders” applies in respect of gain from the disposition of Collective Growth Common Stock. Moreover, redeeming Non-U.S. Holders may be subject to U.S. federal income tax on any gain recognized as a result of the redemption if Collective Growth Common Stock constitutes a U.S. real property interest by reason of Collective Growth’s status as a U.S. real property holding corporation for U.S. federal income tax purposes. Collective Growth believes that it is not and has not been at any time since its formation a U.S. real property holding corporation.

## Table of Contents

If a Non-U.S. Holder receives cash for Collective Growth Common Stock, and the redemption is treated as a corporate distribution (rather than a sale of stock under Section 302 of the Code), the Non-U.S. Holder will be subject to a 30% withholding tax (unless otherwise reduced by an applicable income tax treaty) on dividends to the extent the distribution is paid from current or accumulated earnings and profits, as determined under U.S. federal income tax principles.

### *U.S. Federal Income Tax Consequences of the Ownership and Disposition of Innoviz Ordinary Shares and Innoviz Warrants to Non-U.S. Holders*

Any (i) distributions of cash or property paid to a Non-U.S. Holder in respect of Innoviz ordinary shares or (ii) gain realized upon the sale or other taxable disposition of Innoviz ordinary shares and/or Innoviz warrants generally will not be subject to U.S. federal income taxation unless:

- the gain or distribution is effectively connected with the Non-U.S. Holder's conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, the Non-U.S. Holder maintains a permanent establishment in the United States to which such gain is attributable); or
- in the case of any gain, the Non-U.S. Holder is a nonresident alien individual present in the United States for 183 days or more during the taxable year of the disposition and certain other requirements are met.

Gain or distributions described in the first bullet point above generally will be subject to U.S. federal income tax on a net income basis at the regular rates. A Non-U.S. Holder that is a corporation also may be subject to a branch profits tax at a rate of 30% (or such lower rate specified by an applicable income tax treaty) on such effectively connected gain, as adjusted for certain items.

Gain described in the second bullet point above will be subject to U.S. federal income tax at a rate of 30% (or such lower rate specified by an applicable income tax treaty), which may be offset by U.S. source capital losses of the Non-U.S. Holder (even though the individual is not considered a resident of the United States), provided the Non-U.S. Holder has timely filed U.S. federal income tax returns with respect to such losses.

The U.S. federal income tax treatment of a Non-U.S. Holder's exercise of a Company Warrant, or the lapse of a Company Warrant held by a Non-U.S. Holder, generally will correspond to the U.S. federal income tax treatment of the exercise or lapse of a warrant by a U.S. Holder, as described under "*U.S. Holders—Exercise or Lapse of a Company Warrant*," above, although to the extent a cashless exercise or lapse results in a taxable exchange, the consequences would be similar to those described in the preceding paragraphs above for a Non-U.S. Holder's gain on the sale or other disposition of the Innoviz ordinary shares and Innoviz warrants.

Non-U.S. Holders should consult their tax advisors regarding potentially applicable income tax treaties that may provide for different rules.

### **Information Reporting and Backup Withholding**

Information reporting requirements may apply to cash received in redemption of Collective Growth common stock, dividends received by U.S. Holders of Innoviz ordinary shares, and the proceeds received on the disposition of Innoviz ordinary shares effected within the United States (and, in certain cases, outside the United States), in each case other than U.S. Holders that are exempt recipients (such as corporations). Backup withholding (currently at a rate of 24%) may apply to such amounts if the U.S. Holder fails to provide an accurate taxpayer identification number (generally on an IRS Form W-9 provided to the paying agent of the U.S. Holder's broker) or is otherwise subject to backup withholding. Any redemptions treated as dividend payments with respect to Collective Growth common stock and Innoviz ordinary shares and proceeds from the sale, exchange, redemption or other disposition of Innoviz ordinary shares may be subject to information reporting to the IRS and possible U.S. backup withholding. U.S. Holders should consult their tax advisors regarding the application of the U.S. information reporting and backup withholding rules.

## Table of Contents

Information returns may be filed with the IRS in connection with, and Non-U.S. Holders may be subject to backup withholding on amounts received in respect of, a Non-U.S. Holder's disposition of Collective Growth Common Stock or warrants or their Innoviz ordinary shares, unless the Non-U.S. Holder furnishes to the applicable withholding agent the required certification as to its non-U.S. status, such as by providing a valid IRS Form W-8BEN, IRS Form W-8BEN-E or IRS Form W-8ECI, as applicable, or the Non-U.S. Holder otherwise establishes an exemption. Dividends paid with respect to Innoviz ordinary shares and proceeds from the sale of other disposition of Innoviz ordinary shares received in the United States by a Non-U.S. Holder through certain U.S.-related financial intermediaries may be subject to information reporting and backup withholding unless such Non-U.S. Holder provides proof of an applicable exemption or complies with certain certification procedures described above, and otherwise complies with the applicable requirements of the backup withholding rules.

Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against the taxpayer's U.S. federal income tax liability, and a taxpayer may obtain a refund of any excess amounts withheld under the backup withholding rules by timely filing the appropriate claim for a refund with the IRS and furnishing any required information.

## CERTAIN MATERIAL ISRAELI TAX CONSIDERATIONS

The following description is not intended to constitute a complete analysis of all tax consequences relating to the acquisition, ownership and disposition of the Innoviz ordinary shares. You should consult your own tax advisor concerning the tax consequences of your particular situation, as well as any tax consequences that may arise under the laws of any state, local, foreign or other taxing jurisdiction.

### Israeli tax considerations

The following is a brief summary of the material Israeli tax laws applicable to Innoviz, and certain Israeli Government programs that benefit Innoviz. This section also contains a discussion of material Israeli tax consequences concerning the ownership and disposition of Innoviz ordinary shares purchased by investors. This summary does not discuss all the aspects of Israeli tax law that may be relevant to a particular investor in light of his or her personal investment circumstances or to some types of investors subject to special treatment under Israeli law. Examples of such investors include residents of Israel or traders in securities who are subject to special tax regimes not covered in this discussion. To the extent that the discussion is based on new tax legislation that has not yet been subject to judicial or administrative interpretation, Innoviz cannot assure you that the appropriate tax authorities or the courts will accept the views expressed in this discussion. The discussion below is subject to change, including due to amendments under Israeli law or changes to the applicable judicial or administrative interpretations of Israeli law, which change could affect the tax consequences described below.

### General corporate tax structure in Israel

Israeli companies are generally subject to corporate tax. In December 2016, the Israeli Parliament approved the Economic Efficiency Law (Legislative Amendments for Applying the Economic Policy for the 2017 and 2018 Budget Years) which reduces the corporate income tax rate from 25% to 24% effective from January 1, 2017, and to 23% effective from January 1, 2018. However, the effective tax rate payable by a company that derives income from an Approved Enterprise, a Preferred Enterprise, a Beneficiary Enterprise or a Technology Enterprise (as discussed below) may be considerably less. Capital gains derived by an Israeli company are generally subject to corporate tax rate.

### Law for the Encouragement of Industry (Taxes), 5729-1969

The Law for the Encouragement of Industry (Taxes), 5729-1969, generally referred to as the Industry Encouragement Law, provides several tax benefits for “Industrial Companies.” We believe that we currently qualify as an Industrial Company within the meaning of the Industry Encouragement Law.

The Industry Encouragement Law defines an “Industrial Company” as an Israeli resident-company, of which 90% or more of its income in any tax year, other than income from certain government loans, is derived from an “Industrial Enterprise” owned by it and located in Israel or in the “Area”, in accordance with the definition under section 3A of the Israeli Income Tax Ordinance (New Version) 1961, or the Ordinance. An “Industrial Enterprise” is defined as an enterprise whose principal activity in a given tax year is industrial production.

Following are the main tax benefits available to Industrial Companies:

- Amortization of the cost of purchased patent, rights to use a patent, and know-how, which are used for the development or advancement of the Industrial Enterprise, over an eight-year period, commencing on the year in which such rights were first exercised;
- Under limited conditions, an election to file consolidated tax returns with controlled Israeli Industrial Companies;
- Expenses related to a public offering are deductible in equal amounts over three years commencing on the year of the offering.

Eligibility for benefits under the Industry Encouragement Law is not contingent upon approval of any governmental authority.

#### **Tax benefits and grants for research and development**

Israeli tax law allows, under certain conditions, a tax deduction for expenditures, including capital expenditures, for the year in which they are incurred. Expenditures are deemed related to scientific research and development projects, if:

- The expenditures are approved by the relevant Israeli government ministry, determined by the field of research;
- The research and development must be for the promotion of the company; and
- The research and development is carried out by or on behalf of the company seeking such tax deduction.

The amount of such deductible expenses is reduced by the sum of any funds received through government grants for the finance of such scientific research and development projects. No deduction under these research and development deduction rules is allowed if such deduction is related to an expense invested in an asset depreciable under the general depreciation rules of the Ordinance. Expenditures that are unqualified under the conditions above are deductible in equal amounts over three years.

From time to time we may apply to the Israel Innovation Authority for approval to allow a tax deduction for all or most of research and development expenses during the year incurred. There can be no assurance that such application will be accepted. If we will not be able to deduct research and development expenses during the year of the payment, we will be able to deduct research and development expenses during a period of three years commencing in the year of the payment of such expenses.

#### **Law for the Encouragement of Capital Investments, 5719-1959**

The Law for the Encouragement of Capital Investments, 5719-1959, generally referred to as the Investment Law, provides certain incentives for capital investments in production facilities (or other eligible assets).

The Investment Law was significantly amended effective as of April 1, 2005 (the “2005 Amendment”), as of January 1, 2011 (the “2011 Amendment”) and as of January 1, 2017 (the “2017 Amendment”). Pursuant to the 2005 Amendment, tax benefits granted in accordance with the provisions of the Investment Law prior to its revision by the 2005 Amendment remain in force but any benefits granted subsequently are subject to the provisions of the amended Investment Law. Similarly, the 2011 Amendment introduced new benefits to replace those granted in accordance with the provisions of the Investment Law in effect prior to the 2011 Amendment. However, companies entitled to benefits under the Investment Law as in effect prior to January 1, 2011 were entitled to choose to continue to enjoy such benefits, provided that certain conditions are met, or elect instead, irrevocably, to forego such benefits and have the benefits of the 2011 Amendment apply. The 2017 Amendment introduces new benefits for Technological Enterprises, alongside the existing tax benefits.

#### ***Tax benefits under the 2011 amendment***

The 2011 Amendment canceled the availability of the benefits granted to Industrial Companies under the Investment Law prior to 2011 and, instead, introduced new benefits for income generated by a “Preferred Company” through its “Preferred Enterprise” (as such terms are defined in the Investment Law) as of January 1, 2011. The definition of a Preferred Company includes a company incorporated in Israel that is not fully owned by a governmental entity, and that has, among other things, Preferred Enterprise status and is controlled and managed from Israel. Pursuant to the 2011 Amendment, a Preferred Company is entitled to a reduced corporate tax rate of 15% with respect to its income derived by its Preferred Enterprise in 2011 and 2012, unless the

## Table of Contents

Preferred Enterprise is located in a specified development zone, in which case the rate will be 10%. Under the 2011 Amendment, such corporate tax rate was reduced from 15% and 10%, respectively, to 12.5% and 7%, respectively, in 2013, 16% and 9% respectively, in 2014, 2015 and 2016, and 16% and 7.5%, respectively, in 2017 and thereafter. Income derived by a Preferred Company from a “Special Preferred Enterprise” (as such term is defined in the Investment Law) would be entitled, during a benefits period of 10 years, to further reduced tax rates of 8%, or 5% if the Special Preferred Enterprise is located in a certain development zone.

Dividends distributed from income which is attributed to a “Preferred Enterprise” will be subject to withholding tax at source at the following rates: (i) Israeli resident corporations–0%, (although, if such dividends are subsequently distributed to individuals or a non-Israeli company the below rates detailed in sub sections (ii) and (iii) shall apply) (ii) Israeli resident individuals–20% (iii) non-Israeli residents (individuals and corporations)–20%, subject to a reduced tax rate under the provisions of any applicable double tax treaty (subject to the receipt in advance of a valid certificate from the Israel Tax Authority allowing for a reduced tax rate).

The 2011 Amendment also provided transitional provisions to address companies already enjoying existing tax benefits under the Investment Law. These transitional provisions provide, among other things, that unless an irrevocable request is made to apply the provisions of the Investment Law as amended in 2011 with respect to income to be derived as of January 1, 2011, a Beneficiary Enterprise can elect to continue to benefit from the benefits provided to it before the 2011 Amendment came into effect, provided that certain conditions are met.

Innoviz currently does not intend to implement the 2011 Amendment.

### **New tax benefits under the 2017 amendment that became effective on January 1, 2017**

The 2017 Amendment was enacted as part of the Economic Efficiency Law that was published on December 29, 2016, and is effective as of January 1, 2017. The 2017 Amendment provides new tax benefits for two types of “Technology Enterprises,” as described below, and is in addition to the other existing tax beneficial programs under the Investment Law.

The 2017 Amendment provides that a technology company satisfying certain conditions will qualify as a “Preferred Technology Enterprise” and will thereby enjoy a reduced corporate tax rate of 12% on income that qualifies as “Preferred Technology Income”, as defined in the Investment Law. The tax rate is further reduced to 7.5% for a Preferred Technology Enterprise located in development zone “A”. In addition, a Preferred Technology Company will enjoy a reduced corporate tax rate of 12% on capital gain derived from the sale of certain “Benefitted Intangible Assets” (as defined in the Investment Law) to a related foreign company if the Benefitted Intangible Assets were acquired from a foreign company on or after January 1, 2017 for at least NIS 200 million, and the sale receives prior approval from the National Authority for Technological Innovation.

The 2017 Amendment further provides that a technology company satisfying certain conditions (group consolidated revenues of at least NIS 10 billion) will qualify as a “Special Preferred Technology Enterprise” and will thereby enjoy a reduced corporate tax rate of 6% on “Preferred Technology Income” regardless of the company’s geographic location within Israel. In addition, a Special Preferred Technology Enterprise will enjoy a reduced corporate tax rate of 6% on capital gain derived from the sale of certain “Benefitted Intangible Assets” to a related foreign company if the Benefitted Intangible Assets were either developed by the Special Preferred Enterprise or acquired from a foreign company on or after January 1, 2017, and the sale received prior approval from the National Authority for Technological Innovation. A Special Preferred Technology Enterprise that acquires Benefitted Intangible Assets from a foreign company for more than NIS 500 million will be eligible for these benefits for at least ten years, subject to certain approvals as specified in the Investment Law.

Dividends distributed by a Preferred Technology Enterprise or a Special Preferred Technology Enterprise, paid out of Preferred Technology Income, are generally subject to withholding tax at source at the rate of 20% or such lower rate as may be provided in an applicable tax treaty (subject to the receipt in advance of a valid

certificate from the Israel Tax Authority allowing for a reduced tax rate). However, if such dividends are paid to an Israeli company, no tax is required to be withheld. If such dividends are distributed to a foreign company that holds solely or together with other foreign companies 90% or more in the Israeli company and other conditions are met, the withholding tax rate will be 4%.

Innoviz believes that it may be eligible to the tax benefits under the 2017 Amendment. It should be noted that the proportion of income that may be considered Preferred Technology Income and enjoy the tax benefits described above, should be calculated according to the Nexus Formula, which is based on the proportion as that of qualifying expenditures in the IP compared to overall expenditures.

#### **Taxation of our shareholders**

##### ***Capital gains taxes applicable to non-Israeli resident shareholders.***

A non-Israeli resident who derives capital gains from the sale of shares in an Israeli resident company that were purchased after the company was listed for trading on a stock exchange outside of Israel, will be exempt from Israeli tax if the shares were not held through a permanent establishment that the non-resident maintains in Israel. However, non-Israeli corporations will not be entitled to the foregoing exemption if Israeli residents: (i) have a controlling interest more than 25% in such non-Israeli corporation or (ii) are the beneficiaries of, or are entitled to, 25% or more of the revenues or profits of such non-Israeli corporation, whether directly or indirectly. In addition, such exemption is not applicable to a person whose gains from selling or otherwise disposing of the shares are deemed to be business income.

Additionally, a sale of securities by a non-Israeli resident may be exempt from Israeli capital gains tax under the provisions of an applicable tax treaty. For example, under Convention Between the Government of the United States of America and the Government of the State of Israel with respect to Taxes on Income, as amended (the "United States Israel Tax Treaty"), the sale, exchange or other disposition of shares by a shareholder who is a United States resident (for purposes of the treaty) holding the shares as a capital asset and is entitled to claim the benefits afforded to such a resident by the U.S. Israel Tax Treaty (a "U.S. Resident") is generally exempt from Israeli capital gains tax unless: (i) the capital gain arising from such sale, exchange or disposition is attributed to real estate located in Israel; (ii) the capital gain arising from such sale, exchange or disposition is attributed to royalties; (iii) the capital gain arising from the such sale, exchange or disposition is attributed to a permanent establishment in Israel, under certain terms; (iv) such U.S. Resident holds, directly or indirectly, shares representing 10% or more of the voting capital during any part of the 12 month period preceding the disposition, subject to certain conditions; or (v) such U.S. Resident is an individual and was present in Israel for 183 days or more during the relevant taxable year.

In some instances where our shareholders may be liable for Israeli tax on the sale of their ordinary shares, the payment of the consideration may be subject to the withholding of Israeli tax at source. Shareholders may be required to demonstrate that they are exempt from tax on their capital gains in order to avoid withholding at source at the time of sale (i.e., resident certificate or other documentation).

##### ***Capital gains taxes applicable to Israeli resident shareholders.***

An Israeli resident corporation who derives capital gains from the sale of shares in an Israeli resident company that were purchased after the company was listed for trading on a stock exchange outside of Israel will generally be subject to tax on the real capital gains generated on such sale at the corporate tax rate of 23%. An Israeli resident individual will generally be subject to capital gain tax at the rate of 25%. However, if the individual shareholder is claiming deduction of interest expenditures or he is a "substantial shareholder" at the time of the sale or at any time during the preceding twelve months period, such gain will be taxed at the rate of 30%. Individual holders dealing in securities in Israel for whom the income from the sale of securities is considered "business income" as defined in section 2(1) of the Israeli Tax Ordinance are taxed at the marginal tax rates applicable to business income (up to 47% in 2020). Certain Israeli institutions who are exempt from tax under section 9(2) or section 129(C)(a)(1) of the Israeli Tax Ordinance (such as exempt trust fund, pension fund) may be exempt from capital gains tax from the sale of the shares.

***Taxation of Israeli shareholders on receipt of dividends.***

An Israeli resident individual is generally subject to Israeli income tax on the receipt of dividends paid on our ordinary shares at the rate of 25%. With respect to a person who is a “substantial shareholder” at the time of receiving the dividend or on any time during the preceding twelve months, the applicable tax rate is 30%. Such dividends are generally subject to Israeli withholding tax at a rate of 25% if the shares are registered with a nominee company (whether the recipient is a substantial shareholder or not) and 15% if the dividend is distributed from income attributed to an Approved Enterprise or a Beneficiary Enterprise and 20% if the dividend is distributed from income attributed to a Preferred Enterprise. If the recipient of the dividend is an Israeli resident corporation such dividend income will be exempt from tax provided the income from which such dividend is distributed was derived or accrued within Israel and was received directly or indirectly from another corporation that is liable to Israeli corporate tax. An exempt trust fund, pension fund or other entity that is exempt from tax under section 9(2) or section 129(C)(a)(1) of the Israeli Tax Ordinance is exempt from tax on dividend.

***Taxation of non-Israeli shareholders on receipt of dividends.***

Non-Israeli residents (either individuals or corporations) are generally subject to Israeli income tax on the receipt of dividends paid on our ordinary shares at the rate of 25%, which tax will be withheld at source, unless relief is provided in a treaty between Israel and the shareholder’s country of residence. With respect to a person who is a “substantial shareholder” at the time of receiving the dividend or on any time during the preceding twelve months, the applicable tax rate is 30%. A “substantial shareholder” is generally a person who alone or together with such person’s relative or another person who collaborates with such person on a permanent basis, holds, directly or indirectly, at least 10% of any of the “means of control” of the corporation. “Means of control” generally include the right to vote, receive profits, nominate a director or an executive officer, receive assets upon liquidation, or order someone who holds any of the aforesaid rights how to act, regardless of the source of such right. Such dividends are generally subject to Israeli withholding tax at a rate of 25% if the shares are registered with a nominee company (whether the recipient is a substantial shareholder or not) and 15% if the dividend is distributed from income attributed to an Approved Enterprise or a Beneficiary Enterprise and 20% if the dividend is distributed from income attributed to a Preferred Enterprise, unless a reduced rate is provided under an applicable tax treaty (subject to the receipt in advance of a valid certificate from the Israel Tax Authority allowing for a reduced tax rate). For example, under the United States-Israel Tax Treaty, the maximum rate of tax withheld at source in Israel on dividends paid to a holder of our ordinary shares who is a U.S. Resident is 25%. However, generally, the maximum rate of withholding tax on dividends, not generated by a Preferred Enterprise or Beneficiary Enterprise, that are paid to a United States corporation holding 10% or more of the outstanding voting capital throughout the tax year in which the dividend is distributed as well as during the previous tax year, is 12.5%, provided that not more than 25% of the gross income for such preceding year consists of certain types of dividends and interest. Notwithstanding the foregoing, dividends distributed from income attributed to an Approved Enterprise, Beneficiary Enterprise or Preferred Enterprise are not entitled to such reduction under the tax treaty but are subject to a withholding tax rate of 15% for a shareholder that is a U.S. corporation, provided that the condition related to our gross income for the previous year (as set forth in the previous sentence) is met. If the dividend is attributable partly to income derived from an Approved Enterprise, Benefited Enterprise or Preferred Enterprise, and partly to other sources of income, the withholding rate will be a blended rate reflecting the relative portions of the two types of income. We cannot assure you that we will designate the profits that we may distribute in a way that will reduce shareholders’ tax liability. Application for the reduced tax rate requires appropriate documentation presented and specific instruction received from the Israeli Tax Authorities to the extent tax is withheld at source at the maximum rates (see above), a qualified tax treaty recipient will have to comply with some administrative procedures with the Israeli Tax Authorities in order to receive back the excess tax withheld.

A foreign resident who had income from a dividend that was accrued from Israeli source, from which the full tax was deducted, will be exempt from filing a tax return in Israel, unless he is liable to additional Surtax (see below) in accordance with section 121B of the Ordinance.

### *Surtax.*

Subject to the provisions of an applicable tax treaty, individuals who are subject to tax in Israel are also subject to an additional tax at a rate of 3% on annual income (including, but not limited to, dividends, interest and capital gain) exceeding NIS 651,600 for 2020, which amount is linked to the annual change in the Israeli consumer price index.

### *Estate and Gift Tax*

Israeli law presently does not impose estate or gift taxes.

### Innoviz Technologies Ltd.

Innoviz is a leading provider of high-performance, solid-state LiDAR and perception solutions that bring enhanced vision and superior performance to enable safe autonomous driving at a mass scale. We believe that Innoviz provides a complete and comprehensive solution for OEMs and Tier-1 partners that are developing and marketing autonomous driving vehicles to the passenger car and other relevant markets, such as robotaxis, shuttles and trucking. Innoviz's unique LiDAR and perception solutions, which feature technological breakthroughs across core components, have propelled Innoviz to the first Level 3 LiDAR Automotive series production contract in its industry. In addition, Innoviz's solutions can enable safe autonomy for other industries, including drones, robotics and mapping.

Innoviz was founded in 2016 by veterans of Unit 81, the elite technology unit of Israel's Intelligence Corps, one of the most prestigious multidisciplinary technological units in the Israeli Defense Forces. From its founding, Innoviz's culture drew from Unit 81's core values of solving sophisticated technological problems through creativity and agile thinking in order to address the needs of autonomous vehicles in a manner that strikes the desired balance between performance and cost. Innoviz created a new type of LiDAR sensor from the chip-level up, including a suite of powerful and sophisticated software applications for high-performance computer vision to allow superior perception. Innoviz's multidisciplinary team developed an operational MEMS-based (Micro-Electro Mechanical System) LiDAR prototype in less than a year, which then attracted the attention of leading Tier-1 companies such as Magna and Aptiv already in 2017. This was followed by a rigorous further development and qualification stage, culminating in Innoviz achieving a design win with BMW in 2018 to power BMW's Level 3 autonomous platform. BMW is a leader and a pioneer in deploying new technologies into the automotive industry and it is the first OEM worldwide to incorporate a LiDAR for a Level 3 autonomous driving

## COLLECTIVE GROWTH'S BUSINESS

### Introduction

Collective Growth was incorporated on December 10, 2019 for the purpose of entering into a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities. Collective Growth's efforts to identify a prospective target business were not limited to any particular industry or geographic region, although it initially focused its search for target businesses on companies operating in the federally permissible cannabinoid industry. Prior to executing the Business Combination Agreement, Collective Growth's efforts were limited to organizational activities, completion of its initial public offering and the evaluation of possible business combinations.

### Initial Public Offering and Simultaneous Private Placement

On May 5, 2020, Collective Growth consummated its initial public offering of 15,000,000 units. The units sold in the initial public offering were sold at an offering price of \$10.00 per unit, generating total gross proceeds of \$150,000,000. Cantor Fitzgerald & Co. acted as sole book-running manager. The securities in the offering were registered under the Securities Act on a registration statement on Form S-1 (No. 333-236798). The SEC declared the registration statement effective on April 30, 2020.

Simultaneously with the consummation of its initial public offering, Collective Growth consummated the private placement of an aggregate of 262,500 units at a price of \$10.00 per private placement unit, and 1,875,000 warrants at a price of \$1.00 per private placement warrant, generating total proceed of \$4,500,000. The issuances were made pursuant to the exemption from registration contained in Section 4(a)(2) of the Securities Act.

The private placement units and private placement warrants are identical to the units and warrants underlying the units sold in the Collective Growth IPO, except that the private placement warrants are not transferable, assignable or salable until 30 days after the completion of a business combination, subject to certain limited exceptions.

Of the gross proceeds received from the initial public offering, and the sale of private securities, \$150,000,000 was placed in Collective Growth's trust account.

Collective Growth may withdraw from the trust account interest earned on the funds held therein necessary to pay its income taxes, if any. Except as described in the prospectus for Collective Growth's initial public offering and described in the subsection below entitled "*Collective Growth's Management's Discussion and Analysis of Financial Condition and Results of Operations*," these proceeds will not be released until the earlier of the completion of an initial business combination and Collective Growth's redemption of 100% of the outstanding public shares upon its failure to consummate a business combination within the required time period.

The remaining proceeds from Collective Growth's initial public offering and simultaneous private placement, net of underwriting discounts and commissions and other costs and expenses, became available to be used as working capital to provide for business, legal and accounting due diligence on prospective business combinations and continuing general and administrative expenses.

### Fair Market Value of Target Business

The target business or businesses that Collective Growth acquires must collectively have a fair market value equal to at least 80% of the balance of the funds in the trust account (excluding the amount of deferred underwriting commissions held in trust and taxes payable) at the time of the execution of a definitive agreement for its initial business combination, although Collective Growth may acquire a target business whose fair market

value significantly exceeds 80% of the trust account balance. Collective Growth's board of directors determined that this test was met in connection with the proposed business combination with Innoviz as described in the section entitled "*Proposal One—The Business Combination Proposal—Satisfaction of 80% Test*" above.

### ***Stockholder Approval of Business Combination***

Under the SPAC Charter, Collective Growth must seek stockholder approval of an initial business combination at a meeting called for such purpose at which public stockholders may seek to have their public shares converted into cash, regardless of whether they vote for or against the proposed business combination or do not vote at all, subject to the limitations described in the prospectus for Collective Growth's initial public offering. Accordingly, in connection with the Business Combination, the Collective Growth public stockholders may seek to have their public shares converted to cash in accordance with the procedures set forth in this proxy statement/prospectus. See "*Special Meeting of Collective Growth Stockholders—Conversion Rights*."

### ***Voting in Connection with the Stockholder Meeting***

In connection with any vote for a proposed business combination, including the vote with respect to the business combination proposal, Collective Growth's stockholders prior to its initial public offering and its officers and directors have each agreed to vote their Collective Growth shares in favor of such proposed Business Combination.

At any time prior to the special meeting, during a period when they are not then aware of any material nonpublic information regarding Collective Growth or its securities, the Collective Growth initial stockholders, its officers and directors, Innoviz shareholders and/or their respective affiliates may purchase shares from institutional and other investors who vote, or indicate an intention to vote, against the business combination proposal, or execute agreements to purchase such shares from them in the future, or they may enter into transactions with such persons and others to provide them with incentives to acquire common stock or vote their shares in favor of the business combination proposal. The purpose of such share purchases and other transactions would be to increase the likelihood of satisfaction of the requirement that the holders of a majority of the shares entitled to vote at the special meeting to approve the business combination proposal vote in its favor and that the conditions to the closing of the Business Combination otherwise will be met, where it appears that such requirements or conditions would otherwise not be met. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/prospectus, they might include, without limitation, include arrangements to protect such investors or holders against potential loss in value of their shares, including the granting of put options and the transfer to such investors or holders of shares for nominal value.

Entering into any such arrangements may have a depressive effect on the shares of Collective Growth Common Stock. For example, as a result of these arrangements, an investor or holder may have the ability to effectively purchase shares at a price lower than market and may therefore be more likely to sell the shares he owns, either prior to or immediately after the special meeting.

If such transactions are effected, the consequence could be to cause the Business Combination to be approved in circumstances where such approval could not otherwise be obtained. Purchases of shares by the persons described above would allow them to exert more influence over the approval of the business combination proposal and the other proposals to be presented at the special meeting and would likely increase the chances that such proposals would be approved. Moreover, any such purchases may make it more likely that the conditions to the closing of the Business Combination are met.

No agreements dealing with the above arrangements or purchases have been entered into as of the date of this proxy statement/prospectus. Collective Growth will file a Current Report on Form 8-K to disclose any arrangements entered into or significant purchases made by any of the aforementioned persons that would affect the vote on the business combination proposal or the satisfaction of any closing conditions. Any such report will include descriptions of any arrangements entered into or significant purchases by any of the aforementioned persons.

***Liquidation if No Business Combination***

Under the SPAC Charter, if Collective Growth does not complete the Business Combination with Innoviz or another initial business combination by November 5, 2021 (or such later date as may be approved by Collective Growth stockholders in an amendment to the SPAC charter), Collective Growth will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the outstanding public shares and (iii) as promptly as reasonably possible following such redemption, subject to the approval of Collective Growth's remaining stockholders and its board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to Collective Growth's obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. At such time, the Collective Growth warrants will expire. Holders of warrants will receive nothing upon a liquidation and the warrants will be worthless.

Each of the initial stockholders of Collective Growth and its officers and directors has agreed to waive its rights to participate in any distribution from Collective Growth's trust account or other assets with respect to the shares held by them prior to Collective Growth's initial public offering. There will be no distribution from the trust account with respect to Collective Growth's warrants, which will expire worthless if Collective Growth is liquidated.

The proceeds deposited in the trust account could, however, become subject to the claims of Collective Growth's creditors which would be prior to the claims of the Collective Growth public stockholders. Although Collective Growth has obtained waiver agreements from certain vendors and service providers it has engaged and owes money to, and the prospective target businesses Collective Growth has negotiated with, whereby such parties have waived any right, title, interest or claim of any kind they may have in or to any monies held in the trust account, and although Collective Growth will seek such waivers from vendors it engages in the future, there is no guarantee that they or other vendors who did not execute such waivers will not seek recourse against the trust account notwithstanding such agreements. The Sponsor has agreed that it will be liable under certain circumstances to pay debts and obligations to target businesses or vendors or other entities that are owed money by Collective Growth for services rendered or contracted for or products sold to it, but Collective Growth cannot ensure that the Sponsor will be able to satisfy its indemnification obligations if it is required to do so. Additionally there are two exceptions to the Sponsor's indemnity: the Sponsor will have no liability (1) as to any claimed amounts owed to a target business or vendor or other entity who has executed an agreement with Collective Growth waiving any right, title, interest or claim of any kind they may have in or to any monies held in the trust account, or (2) as to any claims under the indemnity with the underwriters of Collective Growth's initial public offering against certain liabilities, including liabilities under the Securities Act. Moreover, the Sponsor will not be liable to the Collective Growth public stockholders and instead will only have liability to Collective Growth. Furthermore, the Sponsor may not be able to satisfy its indemnification obligations if it is required to as the Sponsor's only assets are securities of Collective Growth and Collective Growth has not taken any further steps to ensure that the Sponsor will be able to satisfy any indemnification obligations that arise. Accordingly, the actual per-share redemption price could be less than approximately \$10.00, plus interest, due to claims of creditors. Additionally, if Collective Growth is forced to file a bankruptcy case or an involuntary bankruptcy case is filed against it which is not dismissed, the proceeds held in the trust account could be subject to applicable bankruptcy law, and may be included in Collective Growth's bankruptcy estate and subject to the claims of third parties with priority over the claims of Collective Growth's stockholders. To the extent any bankruptcy claims deplete the trust account, Collective Growth cannot assure you it will be able to return to the Collective Growth public stockholders at least approximately \$10.00 per share. Collective Growth's public stockholders are entitled to receive funds from the trust account only in the event of its failure to complete a business combination within the required time period or if the stockholders properly seek to have Collective Growth redeem their respective shares for cash upon a business combination which is actually completed by Collective Growth. In no other circumstances does a stockholder have any right or interest of any kind to or in the trust account.

## Table of Contents

If Collective Growth is forced to file a bankruptcy case or an involuntary bankruptcy case is filed against it which is not dismissed, any distributions received by stockholders could be viewed under applicable debtor, creditor and/or bankruptcy laws as either a “preferential transfer” or a “fraudulent conveyance.” As a result, a bankruptcy court could seek to recover all amounts received by Collective Growth’s stockholders. Because Collective Growth intends to distribute the proceeds held in the trust account to its public stockholders promptly after the expiration of the time period to complete a business combination, this may be viewed or interpreted as giving preference to its public stockholders over any potential creditors with respect to access to or distributions from its assets. Furthermore, by paying public stockholders from the trust account prior to addressing the claims of creditors, Collective Growth’s board of directors may be viewed as having breached their fiduciary duties to Collective Growth’s creditors and/or may be viewed as having acted in bad faith, which may subject Collective Growth and Innoviz to claims of punitive damages. Collective Growth cannot assure you that such claims will not be brought against it.

Collective Growth will pay the costs of any subsequent liquidation from its remaining assets outside of the trust account plus the up to \$100,000 of interest earned on the funds in the trust account that Collective Growth may use for liquidation and dissolution expenses.

## INNOVIZ'S BUSINESS

### Company Overview

Innoviz is a leading provider of high-performance, solid-state LiDAR and perception solutions that bring enhanced vision and superior performance to enable safe autonomous driving at a mass scale. We believe that Innoviz provides a complete and comprehensive solution for OEMs and Tier-1 partners that are developing and marketing autonomous driving vehicles to the passenger car and other relevant markets, such as robotaxis, shuttles and trucking. Innoviz's unique LiDAR and perception solutions, which feature technological breakthroughs across core components, have propelled Innoviz to the first Level 3 LiDAR Automotive series production contract in its industry. In addition, Innoviz's solutions can enable safe autonomy for other industries, including drones, robotics and mapping.

Innoviz was founded in 2016 by veterans of Unit 81, the elite technology unit of Israel's Intelligence Corps, one of the most prestigious multidisciplinary technological units in the Israeli Defense Forces. From its founding, Innoviz's culture drew from Unit 81's core values of solving sophisticated technological problems through creativity and agile thinking in order to address the needs of autonomous vehicles in a manner that strikes the desired balance between performance and cost. Innoviz created a new type of LiDAR sensor from the chip-level up, including a suite of powerful and sophisticated software applications for high-performance computer vision to allow superior perception. Innoviz's multidisciplinary team developed an operational MEMS-based (Micro-Electro Mechanical System) LiDAR prototype in less than a year, which then attracted the attention of leading Tier-1 companies such as Magna and Aptiv already in 2017. This was followed by a rigorous further development and qualification stage, culminating in Innoviz achieving a design win with BMW in 2018 to power BMW's Level 3 autonomous platform. BMW is a leader and a pioneer in deploying new technologies into the automotive industry and it is the first OEM worldwide to incorporate a LiDAR for a Level 3 autonomous driving configuration in a mass commercialization program. Innoviz therefore believes that its close cooperation with BMW and its Tier-1 partner Magna uniquely positions Innoviz to make Level 3 autonomous driving a commercial reality.

The intense sustained cooperation with BMW, both prior to and following the design win, provides Innoviz's engineers and other R&D personnel with a valuable competitive edge. These engineers and other R&D personnel have been meticulously trained to design, operate and verify Innoviz's many groundbreaking inventions in accordance and in compliance with the rigorous ISO26262 standard for Automotive Components, as well as the functional safety automotive industry standards. Compliance with these standards has been enforced by regular ongoing audits of Innoviz and its key suppliers by both Magna and BMW. As a result, Innoviz's products have been constructed from the bottom up with hardware and software technology that meets rigorous automotive safety, quality, environmental, manufacturing and other standards.

Innoviz's innovation has produced LiDAR solutions that deliver market leading performance and that meet the demanding safety requirements for Level 2+ through Level 5 autonomous vehicles at price points suitable for mass production passenger vehicles. Innoviz's integrated custom design of advanced hardware and software components, which leverage the multidisciplinary expertise and experience of the Innoviz team, enable it to provide turn-key autonomous solutions to accelerate widespread adoption across automakers at serial production scale.

Innoviz's robust software suite enables its ~905nm wavelength LiDAR laser-based architecture to be easily leveraged to provide compelling solutions for Level 2+ through Level 5 without the need for any new significant hardware components. This means that Innoviz is positioned to penetrate the current market, which is characterized mainly by Level 2+ production, and to continue to capture and extend its market share through a software-based upgrade of its products to Level 3 and above as the market continues to mature.

The compelling nature of Innoviz's approach and solution is demonstrated by its agreements with four Tier-1 suppliers, including Aptiv and Magna, both of which invested in Innoviz, and Harman and Hirain, as well

its 2018 selection by BMW to supply Innoviz's automotive grade InnovizOne sensor for integration into new vehicle builds.

In addition to its sensor product, Innoviz is providing its computer vision software platform for integration into the BMW stack. Innoviz positioned itself to be chosen for BMW's series production program by creating market-leading technology with clear appeal to customers in terms of cost, automotive grade quality and product performance.

Innoviz is currently expanding its third-party manufacturing capacity through contract manufacturers and partnerships with global Tier-1 suppliers to meet an anticipated increase in customer demand for its products, while also further developing a next generation high-performance automotive-grade LiDAR sensor, the InnovizTwo, that is expected to provide a compelling solution for Level 2+ systems, both from a cost and performance perspective. Innoviz believes that its unique technology, together with its ability to meet automotive industry standards and its partnerships with various major Tier-1 suppliers, place Innoviz at the forefront of Tier-2 automotive suppliers.

### Market Outlook

The automotive industry is increasingly harnessing sophisticated technologies in its push to develop and introduce autonomous driving vehicles. Significant investment and rapid growth in this industry are being driven by the need to assure human safety and the potential recapture of drivers' time. Given the stakes involved in commercializing autonomous driving vehicles, the technologies and products needed for autonomous driving require long development and validation cycles and must ensure safety prior to commercial deployment.

Recognizing the different levels of innovation and autonomy and the need to standardize the approaches across the spectrum of possibilities for the sake of safety, the Society of Automotive Engineers (SAE) has developed and defined six levels of automation for autonomous vehicles: Level 0 through Level 5. These levels have been adopted by the U.S. Department of Transportation.

### Levels of Autonomous Driving

**Level 0:** The driver is fully responsible for all driving functions at all times, even when the driver's feet are off the pedals or if there is no steering. The driver must constantly supervise his or her environment, steer the vehicle and break or accelerate as needed to maintain safety. In Level 0, the driver support features are limited to providing warnings or momentary driving assistance, such as automated emergency braking, blind spot warning and lane departure warning.

**Level 1:** Includes steering or break/acceleration driver assistance features such as steering or break/acceleration, lane centering or adaptive cruise control.

**Level 2:** Includes partial automation driver support features that provide steering and brake/acceleration support to the driver, such as lane centering and adaptive cruise control at the same time. The term L2+ or Level 2+ is used for higher capability systems that will allow the driver to remove their hands from the wheel for certain periods of time, but eyes must remain on the road.

## Table of Contents

Levels 1 and 2 represent the last levels in which the driver is still fully responsible for all driving functions at all times.

**Level 3:** In this level, the vehicle can still be operated in normal driving mode. However, when the automated driving function is engaged, the human is no longer responsible for the driving function, even when seated in the driver’s seat. The vehicle drives in conditional automation mode, and when the vehicle stops the automated driving, the driver must take back complete control and drive. The vehicle is driving in automated mode only under limited conditions and will not operate unless all the required conditions are met – for example, driving on specific roads, under favorable weather conditions or below a specific driving speed.

**Level 4:** Assures the vehicle will continue to function without any human driver intervention, even if in a degraded state, and the driver may have the option to control the vehicle. Pedals and/or steering wheel may or may not be installed.

**Level 5:** Full automation and the vehicle is capable of performing all driving functions under all conditions without human intervention or even occupants.

In addition to these six levels, certain industry participants have also identified a gap between Level 2 and Level 3, which it calls Level 2+. The move from Level 2 to Level 3 is essentially the crossover from driver assist to some level of autonomy. In the jump between these two levels, it is expected that liability will shift from the driver to the system, meaning that responsibility and liability for driving is shifted from the driver to the OEM. This gap can be partially bridged by systems that offer more than Level 2 but less than Level 3, or an enhanced ADAS offering, which has created the industry terminology of “Level 2+”.

Currently, ADAS, which are not considered “autonomous driving” but have important active safety features, have been successfully commercialized. ADAS are not fully autonomous as although the vehicle can control both steering and acceleration/deceleration, a human sits in the driver’s seat and needs to monitor the driving at all times (i.e. have “eyes on the road”). Therefore, the advancement from vehicles with ADAS (Levels 1 through 2+) to Autonomous Driving systems (Levels 3 through 5) requires “environmental detection” capabilities, or the capability to detect the environment in which the vehicle is operating, including speed, weather, HD Maps, a highway or urban setting, density of traffic and every other condition that affects driving decisions, and the ability for the system to make informed decisions independently, without the need for human supervision.

Accordingly, the ADAS+/ Level 2+ segment of the consumer automotive market is expected to grow significantly over the short to medium term. ADAS+/Level 2+ systems are still technically in the driver-assist realm, but incorporate a whole new layer of functionality on top of the traditional ADAS features. For instance, in Level 2+ vehicles, map data may enable lane-centering functions to remain effective even in areas where sensing-only lane centering systems may face difficulties, such as in areas without visible lane marks or low-quality lane markings, ramps with sharp turns, junctions, roundabouts, newly paved roads or urban settings. Level 2+ also supports automatic lane changes by providing information such as lane-marking types and adjusting the drive speed according to road speed/curvature. The following chart represents the projected volumes of Level 2 through Level 5 light vehicles (either privately owned or shared) during the next decade:

**Number of Autonomous Passenger Cars by Level of Autonomy (vehicles in millions)**

*Source: Frost and Sullivan and IHS Markit<sup>2</sup>*

In Level 3 through Level 5 autonomous vehicles, the system is expected to take on the full task of driving task, either undefined-use cases (Level 3 and Level 4) or all use cases (Level 5). Accordingly, the OEM is defined as the legal driver, retains full responsibility and the autonomous vehicle system must comply with highest level of functional safety (ISO26262 ASIL D). This is to guarantee a failure probability low enough such that automakers, consumers and regulators agree that the vehicle can handle driving without any supervision by a human driver in given areas and at given times.

Level 3 through Level 5 systems accordingly require a robust sensing suite, which can be obtained through the use of high performance LiDAR sensors. However, to date, high performance LiDAR sensors have been too expensive for mass market applications. Therefore, until the introduction of cost-effective and high performance LiDAR sensors that enable cost-effective Level 3 through Level 5 system production, growth in this industry segment is likely to remain limited. Innoviz's products feature solid-state reliability, automotive-grade assurance, low cost and distributed sensing advantages and, Innoviz believes, are well-positioned to achieve widespread deployment in this segment.

Beyond the autonomous driving industry, there exist numerous other applications in which a high-performance automotive-grade LiDAR with wide operating range and high reliability can add significant value. For example, numerous off-highway driving applications could significantly benefit from the safety features available with use of LiDAR solutions. These include the mining and construction industries, ports and airports, and material handling in factories, all of which deploy vehicles and machines in restricted environments, at low speeds, and which require autonomous driving not only for cost saving, but also to prevent costly accidents caused by inattentive distracted drivers. The major applications currently relevant to Innoviz beyond autonomous driving are:

#### ***Innoviz LiDAR applications in Shuttles and Robotaxis***

The Automated Shuttle business model is reliant on full autonomy. On the one hand, Shuttles drive repetitively over the same, well mapped routes, with the possibility of software orchestration for specific difficulties—a high-traffic intersection, for example. On the other, margins are thin and any human intervention in the form of safety drivers or tele-ops inhibits affordability.

Similarly, the robotaxi business model is also reliant on full autonomy. However, similar to a human driven taxi, robotaxis travel on constantly changing routes with dynamic pick-up and drop-off locations for passengers that order the robotaxi service. This more complex and dynamic driving environment makes the autonomy challenge for robotaxis harder to solve compared to that of Shuttles.

Both in respect to shuttles and robotaxis, autonomy calls for a comprehensive sensor suite that has surround perception in the most trying circumstances, including busy city streets, pedestrians, dogs, bicycles, erratic traffic behavior, construction sites and others. Sensors need to be precise, see all around the vehicle and detect obstacles at all heights. In addition, localization is needed to locate the shuttle or robotaxi precisely to leverage HD Maps.

Spinning LiDARs (“Spinners”) have 360 degree capability, but they need to be roof-mounted to leverage their surround advantage. Placing a 360 degree sensor on the roof causes blind spots in all the areas immediately surrounding the vehicle, calling for a suite of short-range LiDARs close to the ground to eliminate such blind spots. Because the long range mechanical 360 degree sensors are expensive, typically ranging between \$10,000 to \$100,000 per sensor, and because additional sensors are needed to cover the blind spots, the sensor suite is expensive and a complex and costly integration of multiple LiDAR types is required.

Furthermore, a single long-range Spinner at the center of the vehicle is inherently prone to occlusion. For instance, in the event of a left turn at an intersection where there are two left-turn lanes, and a large truck is at the adjacent lane to the left of the autonomous vehicle, the Spinner on the roof will be occluded until the truck clears the intersection. This situation would be exacerbated if the truck is late to move on green. The autonomous vehicle would be left standing, with a green light, delaying human drivers blocked by traffic at a green light.

The Innoviz solid-state LiDAR is uniquely suited to the shuttle and robotaxi applications. By deploying LiDARs around the perimeter of the vehicle, shuttle designers can avoid both occlusion and blind spots. Just as a human driver would cautiously move forward to peek around the truck, software can creep, allowing a corner mounted LiDAR to see over the intersection and decide to go around the truck when traffic is clear.

The total cost per vehicle is lower when multiple Innoviz LiDARs are deployed around the perimeter of the vehicle compared to multiple spinners and short-range LiDARs.

### ***Innoviz LiDAR applications in Trucks***

Fully autonomous trucks may weigh 20-tons or more and have a stopping distance of several hundred meters. Full autonomy in this space is not only dependent on long-range sensors, but also on advanced and validated software that has to be proved to work at highway speed. This is further complicated by traffic diversions, construction on the freeway, accident sites, traffic cones and other common highway occurrences.

Development of fully autonomous trucks is supported by current Innoviz LiDARs. In addition to long-range sensing needed for the forward-facing highway scenario, trucks need LiDARs for side and rear sensing. Innoviz believes that the high resolution and large field of view of its LiDAR sensors, together with their cost, performance and automotive grade quality, make them an excellent fit for this application.

In addition to the application of a fully autonomous truck driving alone, LIDAR sensors can enable a convoy of leader-follower trucks where the lead vehicle has a human driver. The follower vehicles are autonomous and form a peloton formation. For this application, LiDAR sensors are critical in maintaining distance between leader and follower. A large gap will allow other vehicles to cut-in. The 3 cm precision Innoviz LiDARs bring to range sensing allows a tight peloton to drive at highway speed with safety.

### ***Drones and security applications***

LiDAR solutions are also highly relevant for collision avoidance, landing assist and surveillance functions in autonomous flying machines, or drones. Innoviz believes that the weight, size, power consumption and cost of Innoviz’s products make them particularly suitable for airborne deployment.

Finally, LiDAR with the ability to classify objects and count and track people can enable a range of surveillance and security related static applications both on city streets and in sensitive areas such as airports or stadiums. With respect to these applications, LiDAR features the ability to provide 3D imaging and to track and survey without identifying the particular individual in the image, which provides LiDAR with clear advantages over cameras.

## Addressable Market

### Projected Market Size in USD Billions

Source: Company analysis, IHS Markit (December 2020), Frost and Sullivan (August 2020)

The chart above represents the expected market opportunity for high performance LiDARs in 2025 and 2030. While high performance LiDARs are already deployed in the market, the usage is mainly in R&D and test fleets as different companies develop their autonomy stack across use cases. By 2025 the penetration of passenger vehicles, shuttles and robotaxis is expected to meaningfully increase and represent more than \$10 billion of total addressable market. By 2030, the addressable market is expected to meaningfully grow with the prevalence of Level 2 through Level 5 vehicles as well as Level 3 and Level 4 trucks. Other use cases, as described above, will represent additional addressable market for Innoviz LiDARs that can amount to a meaningful size across drones, heavy machinery and security and Surveillance.

## Innoviz's Technological Differentiation

### Industry approaches and their limitations

The first level of automation that requires sensors beyond radars or cameras is Level 2. Level 2 autonomous vehicles use cameras and radars as the sensors for making actuation decisions for the vehicle (changes in car speed and trajectory). However, in order to meet functional safety targets, the driver is essential, is used as a second observer to the camera and is expected to keep his or her eyes on the road so that he or she can take over in case the car's driving decision-making system makes an error.

A system which complies with the highest level of functional safety (ISO26262 ASIL D) requires the "smart" redundancy of critical elements. The sensor suite is defined as a critical part of the autonomous driving system, as it is not possible to make correct driving decisions without an accurate understanding of the vehicle's surroundings. "Smart" redundancy means not just multiplying the same sensors to deal with sensor malfunction, but rather adding different types of sensors to ensure that, in any given situation where conditions are challenging for certain types of sensors, other sensors will perform well and enable correct driving decision-making. Ideally, sensors should complement each other.

Cameras and radars are ubiquitous today. Both have advantages for use in ADAS and autonomous driving applications, and both are relatively mature technologies with price points that are accessible for almost all new cars. Nevertheless, cameras and radars have known disadvantages that make them inadequate for use in Level 3 through Level 5 systems without a LiDAR. In addition, even Level 2 ADAS systems, which are not considered "autonomous driving" but have important active safety features, can greatly benefit from the addition of LiDARs for detecting and classifying objects and making emergency decisions to avoid accidents. This is especially true of Level 2+ systems offering enhanced ADAS that can empower pseudo-autonomy, such as hands-free highway driving where the driver still retains primary responsibility. This trend will likely be driven by lower cost LiDAR systems.

## [Table of Contents](#)

Camera-based ADAS rely heavily on perception software, as the sensor itself provides 2D data that requires perception algorithms in order to translate the data into a 3D perception model of the road. The ability of cameras to detect range is limited since 2D information does not include a measurement of range. Although range can be deduced from a 2D picture using perception algorithms, that process has limited accuracy. Furthermore, camera performance is limited under low-lighting situations and during sudden exposure to extreme light.

Radar, on the other hand, is limited by its low resolution compared to other sensors such as camera or LiDAR. For example, radar may have difficulty differentiating between reflections from a car that is 50 meters away, the road below it, the fence next to it or a parked car along the way. It may also have issues distinguishing objects that are close together, determining object size and shape and detecting lateral motion, such as a person walking laterally in front of a car.

Real life road conditions may present autonomous vehicles with objects, or a combination of objects, that the vehicles' perception algorithms are not able to classify, as every perception algorithm is only designed to support a limited set of object classes. The value of having a LiDAR as part of the vehicle's sensing suite in this situation is that the LiDAR provides a physical measurement in a high-resolution 3D representation of the driving scene. The perception software layer can then use this 3D representation to determine the existence of an object in the driving path of the vehicle, without the need to classify the type of object. Therefore, safe driving can be maintained.

Most LiDAR lasers work at either around ~905nm or ~1550nm wavelengths. The choice of wavelength impacts, among other things, the type of laser and optical detector used in the system, which are two of the main components that influence performance, cost and power consumption of the LiDAR. ~1550nm wavelength LiDAR lasers can potentially send stronger light pulses than ~905nm wavelength LiDAR lasers while still maintaining eye-safety limitations and therefore provide longer range measurements than ~905nm lasers, but certain factors prevent them from being as cost or energy efficient as ~905nm wavelength based systems. Specifically, ~1550nm based systems may use fiber-coupled lasers that are significantly more expensive than the diode lasers used with ~905nm wavelength based systems. Furthermore, deploying the higher peak optical power used in ~1550nm systems may consume more electrical power than that used by ~905nm systems. This is a critical physical limitation. Since electrical-to-optical power conversion efficiency is similar at both wavelengths, ~1550nm systems generally require more electrical power than ~905nm systems. The increased power consumption may also lead to a greater burden on the car's electric power supply (which is an important factor for electric vehicles) and to size and form factor issues, as it takes a larger mechanical design to manage heat dissipation. Larger components are also harder to fit on the outside of the car from a design perspective. In addition, as silicon detectors cannot detect ~1550nm light efficiently, the detectors for a ~1550nm LiDAR often include compounds such as indium gallium arsenide which are more expensive to source and manufacture relative to silicon, which is ubiquitous in ~905nm detectors.

### ***Innoviz's technology approach***

Recognizing the limitations on the use of ~1550nm lasers in the automotive industry, Innoviz, from its inception, has focused on the development of a commercially viable solid state LiDAR solution that utilized an eye-safe ~905nm-based laser designed to outperform more expensive ~1550nm based LiDARs.

In order to minimize the performance limitations resulting from the stricter eye-safety limitations of ~905nm wavelength lasers compared to ~1550nm wavelength lasers, Innoviz used a multidisciplinary approach to design the key system components from the ground up, including:

- the micro-electro-mechanical ("MEMS") scanner for improved mirror size and better collection of received light);
- silicon detectors for improved optical – electrical conversion of the received signal; and

## Table of Contents

- the signal processing ASIC (the chip that processes the signal coming from the detectors and controls the system functions) in order to both improve the optical link budget of the system, while also getting the best possible detection capabilities for a given optical link budget. Ultimately, Innoviz achieved industry leading point-cloud quality by developing and using custom signal processing algorithms implemented in a proprietary ASIC.

The integration of MEMS scanning in the LiDAR reduces form-factor and improves robustness. The reduced form-factor allows the Innoviz LiDAR to be deployed around the perimeter of the autonomous vehicle, thereby reducing blind spots and improving efficacy of perception in a manner that is consistent with higher levels of autonomy.

The resulting product, InnovizOne, featuring a form factor of 0.5 liters and weight of 0.5 kilograms, is capable of beaming laser signals off obstacles as far as 250 meters away. The signals are then collected in a high sensitivity detector and processed by advanced analog and digital circuits in an ASIC custom-designed by Innoviz. Each reflection represents a point, or reflection of an individual laser beam. A MEMS scanner deflects the laser to scan the field of view (“FOV”). The time-of-flight of each reflection, or point, is measured to yield distance and reflectivity information. The accumulation of all the points in the FOV results in a point-cloud that is transmitted from the LiDAR. Based on the speed of light, the time-of-flight measurement provides an accurate 3D representation of all objects and obstacles in the FOV.

### High Performance Proprietary Architecture

Key components and technologies integrated in the tight form-factor of Innoviz solid-state LiDARs include:

**MEMS.** These are 2D-scanning MEMS mirrors that are used for scanning the FOV. Innoviz’s architecture increases aperture to meet range goals by combining synchronized mirrors in a package. These mirrors are custom designed by Innoviz using standard fabrication processes at commercial microchip fabrication facilities. Automotive standards require that all components as well as the entire sensor go through exhaustive environmental and vibration testing to ensure longevity in the target consumer vehicle. The MEMS devices designed by Innoviz have passed such tests at the individual device, package and LiDAR system level.

Most high performance LiDARs offered in the market today use mechanical scanning systems which typically utilize either a spinning array of lasers or moving macro-mirrors that deflect light coming from a static array of lasers. Mechanical LiDAR mechanisms, which involve parts constantly moving at high speeds, are prone to faults, rendering them unable to achieve the reliability and fail-safe operational standards required for series production.

MEMS are a mature mechanism and based on a reliable technology. They use fast-steering MEMS mirrors that enable high performance compared to mechanical steering, with no significant optical power loss along the optical channel. Several LiDAR solutions use a one-dimensional (1D) MEMS scanning system which are more limited in performance, but Innoviz has developed a proprietary 2D-scanning MEMS that provides a low-cost, wide-FOV, long-range, high-resolution, automotive-grade solution.

**Lasers and Detectors.** The key to accurate range detection in demanding weather and ambient light conditions is high-performance lasers and ultra-sensitive detectors. Innoviz has worked with suppliers to develop

state-of-the-art lasers that leverage ~905 nm wavelengths to meet cost objectives and deliver the performance needed to meet autonomous driving needs.

On the detector front, Innoviz developed and employs highly efficient silicon detectors which deliver superior performance when coupled with a ~905 nm laser.

**Maui ASIC.** Maui is a 16 nm custom ASIC designed by Innoviz to perform multiple functions. It:

- controls the firing of laser light pulses that reflect off objects in the scene and return to be collected by the detectors;
- receives and processes the analog signals from the above-mentioned detectors and creates the point-cloud that is streamed out of the LiDAR; and
- includes the logic that controls the MEMS mirrors to maintain the correct scanning pattern which is configurable by SW, and maintains synchronization among the individual mirrors which is important for the performance of the LiDAR.

Maui includes technology to filter noise such as ambient light and extract the signal which is vital to LiDAR performance.

Maui also includes hardware and CPU cores that address the functional safety and ISO26262 needs of a system that must comply with the safety goals of autonomous vehicles. This requires fail-safe operation and the ability to self-report failures to hierarchical layers of ECUs, which allows the vehicle to be aware of component failures within a specified time and reduces the possibility of catastrophic failure at the overall system level to an acceptable measure.

**Optical System.** The photonics group at Innoviz has designed a miniaturized optics system that transmits light, receives the return pulse and delivers it to the detector. The light path includes multiple mirrors, lenses, collimators and a design that minimizes the effect of stray light. The opto-mechanics were designed to remain stable over the entire specified temperature range inside the housing unit (-40 to 105 degrees Celsius).

**Point-cloud Algorithms.** A combination of fixed digital logic in Maui hardware and firmware running on multiple processing cores process the return signal to create the point-cloud. Sophisticated algorithms are needed to extract the returning signal out of the noise and interference caused by sunlight and other sources of light.

**Perception Software.** From its inception, Innoviz recognized the importance of delivering high performance perception software and has invested significant resources in developing its standalone perception software suite. Due to that emphasis, Innoviz was selected by BMW and Magna to create the processing algorithms that work on the point-cloud to detect obstacles and blockage, classify objects, perform factory and in-vehicle calibration and meet industry functional safety standards.

### Perception Software and Point Cloud Objects

## Competitive Strengths

Innoviz believes that the following strengths differentiate it and will enable the company to successfully compete in its target markets to maintain its leadership position.

*Cost and energy efficient high performance LiDAR solutions.* Tier-1 manufacturers and automakers are extremely sensitive to the cost of any component in the vehicle, and especially to relatively high price individual components such as LiDAR sensors. They demand competitive prices and put significant weight on this parameter when deciding on vendors. Because Innoviz identified these requirements in the development of its original solution architecture, it chose to use ~905nm wavelength lasers, which work with diode lasers. These are much more affordable than the lasers required by ~1550nm wavelength LiDAR lasers that often include compounds such as indium gallium arsenide which is more expensive to source and manufacture than the silicon used in ~905nm wavelength lasers. ~905nm wavelength lasers also use less power than ~1550nm lasers. Autonomous vehicles benefit from this lower power consumption because it increases vehicle driving range (primarily in electric vehicles). In addition, ~1550nm lasers generate more heat than ~905nm lasers, which requires a larger size to allow for more heat dissipation. A larger form factor presents design challenges to automakers as consumer vehicles have limited mounting space with good visibility of the vehicle's surroundings. Accordingly, Innoviz's ~905nm wavelength laser-based LiDAR solution offers a compelling price point, lower power consumption and a smaller form factor than other market participants without sacrifice in performance.

*Automotive grade development and production.* Vehicle components, particularly parts of the autonomous vehicle driving technology system, are required to have a high functional safety grade. Achieving compliance with functional safety standards, such as ISO26262, is a time consuming and labor intensive process that requires significant cooperation with automotive grade industry participants, such as Tier-1 suppliers and automobile manufacturers. Starting in 2017, Innoviz has worked closely with leading Tier-1 suppliers such as Magna and its automaker partner, BMW, to develop a LiDAR solution that meets these rigorous requirements. This process has included continuous and extensive product-safety auditing by BMW and Magna over the past three years. As a result of its close work with these partners, Innoviz has developed rigorous safety and quality expertise. This gives it a significant advantage over competitors that have focused on technology development without having design wins with major automotive customers such as BMW or partnerships with major automotive Tier-1 suppliers early in their development process, as such competitors will be required by consumer auto OEMs and/or Tier-1 suppliers to undergo automotive-grade certifications that can take up to a few years to achieve prior to entering the market.

*Multiple Tier-1 partners enabling market penetration.* OEMs design their future models and vehicles several years in advance and often then freeze the design in order to produce and deliver the vehicles on time. Therefore, designs for mass-production Level 3 and Level 4 consumer car programs expected in 2023-2025 are being decided in 2020-2022. LiDAR solutions that will be candidates for inclusion in these programs must go through the process of automotive-grade manufacturing and audit by the OEMs and Tier-1 suppliers. Innoviz is the only LiDAR company with multiple (four) Tier-1 partnerships. Innoviz's leadership position, together with its Tier-1 tested and OEM-certified technology, significantly increases its chances of both winning upcoming OEM Request for Quotes, or RFQs, and being invited to RFQs given that companies without these market credentials and certifications will not be eligible for RFQs.

*Comprehensive intellectual property portfolio and multidisciplinary R&D organization.* Innoviz's original architecture focused on developing a full LiDAR autonomous driving solution that utilized a ~905nm wavelength laser. In order to break through the performance limitations resulting from lower optical peak power, Innoviz used a multi-disciplinary approach to design all of the system components from the ground up: the MEMS scanner, silicon detectors and the signal processing ASIC, in order to both improve the optical link budget of the system, while getting the best possible detection capabilities for a given optical link budget. This approach has yielded a broad range of intellectual property that Innoviz believes gives it a significant competitive advantage, as it will make it difficult for other market participants to successfully develop and commercialize

cost and energy efficient LiDAR solutions utilizing ~905nm wavelength lasers. Innoviz currently holds a number of key patents, including a LiDAR patent related to its surround view LiDAR design, which Innoviz believes is fundamental. In addition to its ~905nm wavelength laser-based LiDAR architecture, Innoviz also has a powerful standalone software suite that gives it industry-leading perception capabilities. Innoviz believes that the ability of its R&D organization to innovate in many disciplines, across hardware, software, optics and others, provides it with a strong basis for future competition.

### Layered Patent Structure Protects Innoviz Unique IP From Chip Level to System

Market leading perception capabilities. Since its founding, Innoviz adopted a holistic approach to the production of a LiDAR system, including the development of a proprietary standalone software suite. The system features uniform high resolution of  $0.1^\circ \times 0.1^\circ$  across the FOV at all frame rates as opposed to some competing systems, in which resolution is always qualified by operating conditions such as frame rate and a limited FOV. Flexible, software-controlled features such as the Region of Interest (ROI), Pixel Summation (PSM), variable vertical field of view and software selectable frame rate further enhance the performance of the point-cloud. This high-performance time-of-flight point-cloud output is augmented by vision processing algorithms to create a comprehensive LiDAR perception system.

Agile system configuration. Innoviz's system design allows dynamic configuration of its various system functions, such as laser power, scanning pattern and frame rate. This flexibility allows Innoviz to offer different product configurations based on the same hardware with only software modification. This allows Innoviz to address multiple market needs and niches without needing to develop several hardware configurations, a process that would be costly due to the need for additional design, production, validation and support. The ability of the car computer to optimize Innoviz's LiDAR to its real time surroundings is another unique advantage made possible by this system design. For example, when driving on a highway, a forward-focused configuration with narrow FOV and an extended range is desired, while in an urban scenario, a uniform, wide FOV is desired and nominal range is acceptable in order to lower power dissipation.

### Growth Strategy

Drive increased adoption through lower cost products. Innoviz's entire approach and solution architecture focuses on using ~905nm wavelength lasers, which allow for significantly more affordable solutions than ~1550nm wavelength laser-based LiDARs. Innoviz intends to continue to focus on refining its architecture and component engineering in order to produce LiDAR solutions that feature even more attractive pricing than its initial product, the InnovizOne. For example, its recently announced InnovizTwo will feature pricing that is significantly lower than InnovizOne. Innoviz believes that high-performance, cost-efficient solutions will drive increased market adoption of its products.

## [Table of Contents](#)

Penetrate lower levels of autonomy (e.g. Level 2+ ADAS) and leverage its software suite to position for seamless upgrade to Level 3 autonomous driving. Innoviz believes that the recently announced InnovizTwo provides a compelling solution for Level 2+ systems, from both a cost and performance perspective. At the same time, Innoviz's LiDAR solution can be upgraded from Level 2+ to Level 3 through a vehicle software update without changes to the hardware components or the need for new hardware. Therefore, Innoviz believes that its solution is uniquely positioned to provide Level 3 functionality given the ease with which this upgrade can be effected. Accordingly, Innoviz will further refine, develop and integrate its software offering in order to better position itself for capturing market share in the Level 2+ and Level 3 through Level 5 vehicle markets on the basis of software-based transitions from the Level 2+ market.

Expand Tier-1 and OEM partnerships. Innoviz believes that its design win with BMW and partnership with Magna was enabled by its unique automotive grade product design. It also believes that the discipline and adherence to industry leading safety and manufacturing standards required of it as a BMW supplier and Tier-1 partner can be leveraged to penetrate and partner with other OEM customers and Tier-1 suppliers. Innoviz believes that its existing partnerships with multiple leading Tier-1 suppliers including Magna, Aptiv, Harman and Hiraon provide evidence to potential partners and customers of the maturity, robustness and automotive grade nature of Innoviz products. Accordingly, Innoviz intends to pursue partnerships with additional OEMs and Tier-1 suppliers in order to grow its customer base.

Continue to invest in a strong software suite. Innoviz's advanced perception software turns the InnovizOne LiDAR's raw point cloud data into perception outputs. The outputs can serve as a standalone, functionally safe perception software, or can be integrated into the vehicle's existing perception stack at different levels to support various sensor fusion architectures. In addition, Innoviz's software leverages the rich data derived from InnovizOne or InnovizTwo, coupled with proprietary state-of-the-art artificial intelligence-based algorithms, to provide superior scene perception and deliver an automotive-grade ASIL B(D) solution. Innoviz intends to continue to develop and refine its perception software in order to further complement its hardware offerings with advanced AI and machine learning-based classification, detection and tracking features.

Develop additional products to better address other LiDAR markets. Innoviz's main drivers for revenue growth are its automotive applications for LiDARs in passenger cars, the Level 3 and Level 2+ applications, which are expected to show significant growth in the 2024-30 model years. However, the products developed for the passenger car segment have equal appeal in multi-LiDAR perimeter sensing uses, such as in robo-taxi, shuttle, trucking and delivery robot vehicles. Innoviz believes these applications will show a significant rise in sensor consumption because they require multiple units to complete the surround sensing requirements of the completely automated driving machine. As Level 4 platforms such as robo-taxis, Level 4 shuttles, Level 4 trucks and delivery robots complete development and move to commercial deployment, Innoviz believes its LiDARs are well-positioned to capture market share from less robust technologies. The size, look, feel and ease of integration of InnovizOne, together with its automotive grade robustness for environmental performance and the backing of leading Tier-1s, make the product especially appealing to the Level 4 segment. The ability to deploy multiple units around the perimeter is enabled by the cost structure of the solid-state architecture and will be further supported by InnovizTwo.

**Commercial Traction**

The early start with BMW’s Level 3 series production program resulted in the Innoviz team becoming deeply engaged in ISO26262 compliance and functional safety adherence. With active participation, including a resident team, in the BMW program at Unterschleißheim in Germany, the Innoviz team delivered InnovizOne LiDARs to the integration teams at Magna and BMW and learned from the extensive validation testing that is needed to conform to applicable standards.

Recognizing the long path to volume ramp in the automotive industry, with additional complexity due to demanding safety standards for autonomous vehicles, such as ISO26262-ASIL-B, Innoviz has taken a broad-based approach to potential LiDAR market opportunities. Instead of treating adjacent markets in an opportunistic manner, Innoviz placed considerable focus on discovering applications and cultivating customers and resellers in

these markets. Accordingly, Innoviz focuses its business development activity on the consumer automotive market and on other markets:

**Automotive:** high focus, with significant management attention, on a few automotive opportunities, where the LiDAR and perception offering are tailored to the OEMs' needs, with a view to acquiring high volume series production programs, similar to the BMW L3 Program. This approach has Innoviz business and R&D teams working together with Tier-1 partners to respond to OEM RFQs with customized offerings, working with the Tier-1 and OEM engineering and procurement teams with complete transparency to bring innovation, manufacturing knowhow and value to the program.

Innoviz is working closely with leading OEMs in Europe, Japan, China and North America to define and adopt InnovizTwo to Level 2+ and Level 3 programs, and thereby bring significant additional value to the ADAS+ application.

**Other Segments:** leveraging Innoviz products, such as the InnovizOne and InnovizTwo, to win business in all other segments where volumes are lower at present, but where opportunities of scale are likely in the near term. This approach requires a broad presence in the global marketplace, with Innoviz business teams participating in direct and channel relationships with potential customers in all segments.

The business team at Innoviz is in discussions with a number of Robo-Taxi, Shuttle, Trucking and Delivery Robots customers to incorporate InnovizOne into their upcoming builds. The form factor, field-of-view and range of InnovizOne is well suited to sensing applications on the perimeter of these Level 4 platforms.

In addition, LiDARs applications are also applicable to the industrial space, in manufacturing, logistics, delivery, flight and a myriad of other applications. Innoviz is focused on such applications in all major geographies.

### **Sales and Marketing**

Innoviz currently markets and sells its LiDAR solutions through a direct sales organization and with its marketing partners. Innoviz's technology and product focus from inception was on the Automotive OEM opportunity for high performance LiDAR solutions in the autonomous driving industry. This focus has also informed and guided its sales and marketing activities, which led to early contact with OEMs and Tier-1 suppliers and to Innoviz's sales team bridging the gap between its research and development team and these eventual partners. Innoviz's sales and marketing team continues to focus on expanding its relationships with OEMs and Tier-1 suppliers and seeks to leverage its existing relationships to expand our market to other industries. Innoviz is considered a Tier-2 Automotive supplier because it sells its product to Tier-1 companies that then integrate its product into the overall system supplied to the OEMs. Innoviz's business model of being a Tier-2 supplier that subcontracts its manufacturing, together with its market leadership, results in an advantageous cost structure that requires minimal sales and marketing expenses with respect to OEMs.

### **Material Agreements**

#### ***Magna Joint Development and Master Supply Agreement***

In December 2017, Innoviz entered into a Joint Development and Master Supply Agreement, or the JDMSA, with Magna pursuant to which the parties agreed to work together to jointly develop and commercialize various LiDAR-related technologies. This agreement provides the framework for the collaboration between Magna as a leading Tier-1 partner and Innoviz as a leading LiDAR company. The initial term of this agreement is eight years with automatic renewals of 1-year periods thereafter, subject in each case to mutual termination rights in the event of material breach, insolvency or bankruptcy.

---

## **Table of Contents**

### ***BMW SOW***

In connection with the JDMSA, in February 2018, we entered into a Statement of Work, or SOW, with Magna Electronics Europe describing the services to be performed and deliverables to be provided to BMW, to equip Innoviz LiDAR products into BMW's Level 3 vehicle platform. The purpose of the project is primarily to enable highway autonomous driving capabilities on production consumer vehicles.

Pursuant to the BMW SOW, Innoviz is currently collaborating with Magna Electronics Europe and BMW through close collaboration between the respective parties' engineering teams, in order to produce high quality work on accelerated timelines. This framework allows for an agile environment that is not traditionally associated with the automotive industry.

The parties have mutual termination rights, including in the event of a material breach by the other party. Serial production volumes will ultimately be highly dependent on numerous factors and therefore are binding only upon issuance of a purchase order.

In 2019, the parties signed an amendment to the BMW SOW, under which BMW advanced certain payments due under the BMW SOW in consideration for development activities and delivery of early samples to Magna Electronics Europe by the end of August 2019.

### ***Magna Manufacturing MoU***

In October 2020, Innoviz signed an MOU with Magna Electronics for high-volume manufacturing of Innoviz LiDARs at Magna Electronics' automotive grade facility in Holly, Michigan. The MOU contemplates Magna's manufacturing of our LiDAR solution for the BMW program.

### **Research and Development**

Innoviz has invested a significant amount of time and expense into R&D of LiDAR-based technologies. Over 20% of Innoviz's employees are veterans of Unit 81, the elite technology unit of Israel's Intelligence Corps, one of the most prestigious multidisciplinary technological units in the Israeli Defense Forces. Its R&D team is the largest department in the company and is comprised of 197 employees out of a total of 279 as of December 31, 2020. Innoviz's ability to maintain a leadership position in its industry depends in part on its ongoing R&D activities. Our R&D team includes engineers and researchers with a diverse range of expertise and diverse levels of experience and academic backgrounds, including holders of B.Sc., M.Sc. and PhD degrees from prestigious academic institutions.

Creating a solid-state, eye-safe and cost efficient ~905nm wavelength LiDAR solution and the accompanying perception software required the efforts of a multi-disciplinary team with expertise spanning optics, lasers, mechanical engineering, micro-electronics, chip design, MEMS design, complex IC packaging, algorithms, neural networks, systems engineering and software architecture and engineering.

Innoviz's research and development activities are largely conducted at its headquarters in Rosh Haayin, Israel, at its German subsidiary's offices in the vicinity of Munich, Germany and at its subsidiary's office in Minsk, Belarus. As of December 31, 2020, Innoviz had approximately 197 employees engaged in R&D activities.

### **Intellectual Property**

Innoviz's success and competitive advantage depend in part upon its ability to develop and protect its core technology and intellectual property. Innoviz owns a portfolio of intellectual property, including patents and registered trademarks, confidential technical information, and expertise in the development of LiDAR technology and software for autonomous vehicles.

Innoviz has filed patent and trademark applications in order to further secure these rights and strengthen its ability to defend against third parties who may infringe on its rights. It also relies on trade secrets, design and manufacturing know-how, continuing technological innovations, and licensing and exclusivity opportunities to maintain and improve its competitive position. Additionally, Innoviz protects its proprietary rights through agreements with its commercial partners, supply-chain vendors, employees, and consultants, as well as close monitoring of the developments and products in the industry.

As of October 15th, 2020, Innoviz owned 18 allowed and issued patents and has 48 pending or allowed patent applications, including U.S. and foreign. Of the 48 pending applications, 23 are published, and 25 are unpublished. The portfolio includes U.S. and foreign patent applications filed in Europe, China, Japan, and Korea. In addition, Innoviz has three registered U.S. trademarks, five registered foreign trademarks and one pending trademark application. Innoviz's patents and patent applications cover a broad range of system level and component level aspects of its key technology including, among other things, LiDAR systems, laser, scanner, receiver and perception technology.

### **Competition**

The market for competitive automotive sensing solutions that enable autonomous driving is an emerging one with many potential applications in the development stage. As a result, Innoviz faces competition from a range of companies seeking to have their products incorporated into these developing applications and it may take a period of time for its primary competitors to emerge.

Innoviz's competitors are also working to advance technology, reliability, and innovation in their development of new and improved solutions. Although Innoviz believes that it has market leading technology, it continues to face competition from existing competitors and new companies emerging in the LiDAR, camera and radar industries. Within the LiDAR segment of the industry, where competition is based significantly on performance and cost and energy efficiency, Innoviz faces competition from companies utilizing a variety of laser wavelengths such as ~905nm and ~1550nm lasers, as well as a variety of steering mechanisms, such as mechanical, Optical Phased Array, MEMS and non-scanning LiDARs (Flash). Innoviz believes that it may take new, smaller companies a substantial period of time to gain the recognition and trust of top-tier automotive OEMs and Tier-1 suppliers, as well as customers and partners in other non-automotive industries.

Many of Innoviz's competitors offer more limited solutions for niche applications. Some competitors are currently selling solutions that offer lower levels of performance in ADAS and new autonomous driving markets. In the passenger car ADAS market, a number of competitors have already achieved substantial market share using camera and radar-based perception sensing solutions.

Innoviz entered the passenger car market with a higher performance LiDAR product than those used for ADAS today. Innoviz LiDAR product empowers higher performance ADAS at price points that Innoviz believes can displace current solutions. Innoviz's early engagement with a premium OEM and Tier-1 partners also differentiated Innoviz from other LiDAR makers.

While LiDAR competitors will continue to emerge and recede, Innoviz believes that its high-performance LiDARs, strong intellectual property portfolio, software products, design win with BMW and close working relationships with its Tier-1 partners have established barriers to those who follow. Innoviz expects that its technology and continuing innovation, as well as its longstanding cooperation with leading OEMs and Tier-1 companies, will support its position as a leader in advancing LiDAR technology in the market based on several market differentiators.

### **Manufacturing**

Innoviz's original architecture focused on developing a full LiDAR autonomous driving solution that utilized a ~905nm wavelength laser. In order to break through the performance limitations resulting from optical

peak power limitations, Innoviz used a multi-disciplinary approach to design the key system components from the ground up, such as the MEMS module, silicon detectors and the signal processing ASIC in order to both improve the optical link budget of the system while also getting the best possible detection capabilities for a given optical link budget. Designing critical components in-house rather than using off-the-shelf commodity components provides for protectable and sustainable technology differentiation from LiDAR competitors or alternative technologies. Innoviz believes one of the significant barriers to entry for automotive LiDAR are the processes and know-how to manufacture a compact and intricate sensing product in high volumes.

At the same time Innoviz has focused on operating in accordance with the rigorous manufacturing standards of the automotive industry from its earliest days. Therefore, Innoviz utilized an automotive-level contract manufacturer and vendors to manufacture its products and sub-components from an early stage. Working with such an experienced contract manufacturer and vendors added to Innoviz's manufacturing knowhow and instilled discipline and quality in its development process.

Currently, the InnovizOne product is manufactured on a mid-volume line at a contract manufacturer in Germany. Innoviz intends to begin manufacturing InnovizOne at high volume at an IATF certified tier-1 facility to meet increasing demand for its LiDAR product.

Although manufacturing of Innoviz's products and sub-components is outsourced, its operations and quality assurance teams manage the sourcing of specialized equipment required for assembly, calibration and testing of our LiDAR systems. These teams also manage Innoviz's quality control and assurance operations and work with its suppliers to monitor quality and improve yield.

### **Regulation**

Autonomous vehicles ("AVs") are subject to emerging regulatory frameworks at the federal and state levels that are in a rapid state of change. In general, at both the federal and state level, the U.S. has provided a positive and relatively permissive legal environment to allow the safe testing and development of autonomous functionality. We do not anticipate any near-term federal standards that would impede the foreseeable deployments of our LiDAR technology. Some states, however, particularly California and New York, still enforce certain operational or registration requirements for certain autonomous functions. We believe such hurdles will be removed as state regulators gain better experience with the technology. U.S. federal regulations, however, remain largely permissive of deployments of higher levels of safe and responsible autonomous functionality.

Foreign markets such as the China and the EU also continue to develop their respective standards to define deployment requirements for higher levels of autonomy. In China, for example, the government has undertaken numerous efforts to promote AV development, including its February 2020 release of the Strategies for Innovation and Development of Autonomous Vehicles by China's National Development and Reform Commission and ten other agencies. This initiative sets forth an ambitious plan to create a systematic framework for technical innovation, industrial ecology, infrastructure, regulations and standards, product regulation and network security in the AV market by 2025, and from 2035 to 2050, to fully establish an ecosystem for AVs. Much of the emerging regulatory and legislative activity around AVs in the EU has been focused on data privacy and security, given the volume and types of data collected, stored and transmitted by AVs. A key part of Europe's emerging AV strategy is the creation of a common European mobility data space, to be further developed in the EU's "Smart and Sustainable Transport Strategy." Given the intense work in these areas, we expect a workable path forward in the near-term in these markets.

As vehicles equipped with our sensors are deployed on public roads in the United States, we will increasingly be subject to the legal and regulatory authority of various federal agencies, including the National Highway Traffic Safety Administration ("NHTSA"), which is part of the U.S. Department of Transportation ("DOT"). To date, NHTSA's guidance to industry generally has been broad and voluntary, and NHTSA is

---

## **Table of Contents**

actively reviewing unintended regulatory barriers to AV development as it proceeds to promulgate new regulations. It plans to update the Federal Motor Vehicle Safety Standards to accurately reflect new AV technology. Currently, the obligations of motor vehicle equipment manufacturers include regular reporting under the Transportation Recall Enhancement, Accountability and Documentation Act process, as well as strict recall and reporting requirements for any defects related to highway safety or any non-compliance with a Federal Motor Vehicle Safety Standard. Similar such reporting and recall requirements exist in foreign markets.

More generally, the U.S. DOT has established six automation principles that will be applied to its oversight of AV development: (1) prioritizing safety; (2) remaining technology neutral; (3) modernizing regulations; (4) encouraging consistent federal and state regulatory environments; (5) providing guidance, research and best practices to government and industry partners; and (6) protecting consumers' ability to choose conventional and autonomous vehicles.

Many more formal regulatory actions that apply to AVs have been initiated at the state level. At least 29 states and the District of Columbia have enacted some type of AV legislation and a number of governors have issued executive orders. Many of these efforts focus on safety and the regulation of commercial activity.

Overall, the AV regulatory landscape is still evolving rapidly. As the development of federal, state and foreign legal frameworks around autonomous vehicles continue to develop and change, we may become subject to additional regulatory schemes and requirements.

As a LiDAR technology company, we also are subject to the Electronic Product Radiation Control Provisions of the Federal Food, Drug, and Cosmetic Act. These requirements are enforced by the U.S. Food and Drug Administration ("FDA"), and include regulations governing the manufacture and distribution of laser-emitting products. Regulations governing these products are intended to protect the public from hazardous or unnecessary exposure to laser radiation. Among other things, manufacturers of laser-emitting products are required to certify in product labeling and reports to the FDA that their products comply with applicable performance standards, to maintain manufacturing, testing, and distribution records for their products, and to report certain product defects to the FDA and/or consumers. Manufacturers may also be required to affix warnings on laser-emitting products, depending on the relative power output of the product. Failure to comply with applicable FDA regulations may result a variety of sanctions or consequences, including product recalls or replacements, warning letters, untitled letters, safety alerts, injunctions, import alerts, administrative product detentions or seizures, or civil penalties. LiDAR technologies also may need to comply with certain state law requirements regarding applications of particular LiDAR and laser technologies.

Similarly, as a global company deploying cutting-edge technology, we are also subject to trade, export controls, customs product classification and sourcing regulations. Our operations also are subject to various federal, state and local laws and regulations governing the occupational health and safety of our employees and wage regulations. We are subject to the requirements of the federal Occupational Safety and Health Act, as amended, and comparable state laws that protect and regulate employee health and safety.

Like all companies operating in similar industries, we are subject to environmental regulation, including water use; air emissions; use of recycled materials; energy sources; the storage, handling, treatment, transportation and disposal of hazardous materials; and the remediation of environmental contamination. Compliance with these rules may include the need to obtain permits and licenses and to allow inspections of our facilities and products.

## COLLECTIVE GROWTH'S MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion of Collective Growth's financial condition and results of operations should be read in conjunction with Collective Growth's financial statements and notes to those statements included elsewhere in this proxy statement/prospectus. This discussion contains forward-looking statements that involve risks and uncertainties. Please see "*Cautionary Statement Regarding Forward-Looking Statements; Market, Ranking and Other Industry Data*." Collective Growth's actual results may differ materially from those anticipated in these forward-looking statements as a result of many factors, including but not limited to those described under "*Risk Factors*" and elsewhere in this proxy statement/prospectus.

### **Critical Accounting Policies**

We have identified the following critical accounting policies. For a more detailed discussion of Collective Growth's Accounting Policies, please see Note 2 to the financial statements of Collective Growth included elsewhere in this proxy statement/prospectus.

#### ***Common Stock Subject to Possible Redemption***

Collective Growth accounts for its common stock subject to possible redemption in accordance with the guidance enumerated in ASC 480 "Distinguishing Liabilities from Equity." Common stock subject to mandatory redemption (if any) is classified as a liability instrument and is measured at fair value. Conditionally convertible common stock (including common stock that features redemption rights that are either within the control of the holder or subject to redemption upon the occurrence of uncertain events not solely within Collective Growth's control) is classified as temporary equity. At all other times, common stock is classified as stockholders' equity. Collective Growth Common Stock features certain redemption rights that are considered by Collective Growth to be outside of Collective Growth's control and subject to the occurrence of uncertain future events.

#### ***Net Loss Per Common Share***

Collective Growth applies the two-class method in calculating earnings per share. Shares of common stock subject to possible redemption which are not currently redeemable and are not redeemable at fair value, have been excluded from the calculation of basic net loss per share since such shares, if redeemed, only participate in their pro rata share of the trust account earnings. Collective Growth's net income is adjusted for the portion of income that is attributable to common stock subject to possible redemption, as these shares only participate in the earnings of the trust account and not Collective Growth's income or losses.

#### ***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of expenses during the reporting period. Actual results could differ from those estimates.

#### ***Recent Accounting Pronouncements***

Management does not believe that any recently issued, but not yet effective, accounting standards if currently adopted would have a material effect on the consolidated financial statements of Collective Growth included elsewhere in this proxy statement/prospectus.

### **Results of Operations**

Collective Growth has neither engaged in any operations nor generated any revenues to date. Its only activities from December 10, 2019 (inception) through September 30, 2020 were organizational activities and

those necessary to prepare for its initial public offering. Following the initial public offering, Collective Growth sought to identify target companies for a business combination. Collective Growth does not expect to generate any operating revenues until after the completion of the business combination. Collective Growth generates non-operating income in the form of interest income on marketable securities held in the trust account. Collective Growth incurs expenses as a result of being a public company (for legal, financial reporting, accounting and auditing compliance), as well as for due diligence expenses.

For the three months ended September 30, 2020, Collective Growth had a net loss of \$331,847, which consists of operating costs of \$370,797 and a provision for income taxes of \$780, offset by interest income on marketable securities held in the trust account of \$36,016 and an unrealized gain on marketable securities held in the trust account of \$3,714.

For the nine months ended September 30, 2020, Collective Growth had a net loss of \$595,964, which consists of operating costs of \$657,113 and a provision for income taxes of \$359, offset by interest income on marketable securities held in the Trust Account of \$59,799 and an unrealized gain on marketable securities held in the trust account of \$1,709.

### **Liquidity and Capital Resources**

On May 5, 2020, Collective Growth consummated the initial public offering of 15,000,000 Units at a price of \$10.00 per Unit, generating gross proceeds of \$150,000,000. Simultaneously with the closing of the initial public offering, Collective Growth consummated the sale of 262,500 units (“Private Placement Units”) at a price of \$10.00 per Private Placement Unit and the sale of 1,875,000 warrants (“Private Placement Warrants”) and together with the Private Placement Units, the “Private Placement Securities”) at a price of \$1.00 per Private Placement Warrant in a private placement, generating gross proceeds of \$4,500,000.

Following the initial public offering and the sale of the Private Placement Securities, a total of \$150,000,000 was placed in the trust account and Collective Growth had \$840,854 of cash held outside of the trust account, after payment of costs related to the initial public offering, and available for working capital purposes. Collective Growth incurred \$8,737,297 in transaction costs, including \$3,000,000 of underwriting fees, \$5,250,000 of deferred underwriting fees and \$487,297 of other offering costs.

As of September 30, 2020, Collective Growth had marketable securities held in the Trust Account of \$150,061,508 (including approximately \$62,000 of interest income) consisting of U.S. Treasury Bills with a maturity of 180 days or less. Interest income on the balance in the trust account may be used by Collective Growth to pay taxes. Through September 30, 2020, Collective Growth did not withdraw any interest earned on the trust account to pay taxes.

For the nine months September 30, 2020, cash used in operating activities was \$647,121. Net loss of \$595,964 was affected by interest earned on marketable securities held in the trust account of \$59,799, an unrealized gain on marketable securities held in the trust account of \$1,709 and a deferred tax provision of \$359. Changes in operating assets and liabilities provided \$9,992 of cash for operating activities.

Collective Growth intends to use substantially all of the funds held in the trust account, including any amounts representing interest earned on the trust account (less income taxes payable and deferred underwriting commissions) to complete the Business Combination.

As of September 30, 2020, Collective Growth had cash of \$390,234. Collective Growth intends to use the funds held outside the trust account primarily to identify and evaluate target businesses, perform business due diligence on prospective target businesses, travel to and from the offices, plants or similar locations of prospective target businesses or their representatives or owners, review corporate documents and material agreements of prospective target businesses, and structure, negotiate and complete a Business Combination.

---

## **Table of Contents**

In order to fund working capital deficiencies or finance transaction costs in connection with a Business Combination, Collective Growth's officers, directors, Initial Stockholders or their affiliates may, but are not obligated to, loan the company funds as may be required. If Collective Growth completes the Business Combination, it would repay such loaned amounts. In the event that the Business Combination does not close, Collective Growth may use a portion of the working capital held outside the trust account to repay such loaned amounts but no proceeds from the trust account would be used for such repayment. Up to \$750,000 of such loans may be convertible into units and up to \$750,000 of such loans may be convertible into warrants identical to the Private Placement Units and Private Placement Warrants, at a price of \$10.00 per unit and \$1.00 per warrant at the option of the lender, respectively.

Collective Growth does not believe it will need to raise additional funds in order to meet the expenditures required for operating its business until closing of the business combination. However, if its estimates are less than the actual amount necessary to complete the business combination, it may need to obtain funding to satisfy its working capital needs. There is no assurance that any such funding would be available to Collective Growth on terms acceptable to it, or at all. If Collective Growth is unable to complete the Business Combination because it does not have sufficient funds available to it, it will be forced to cease operations and liquidate the trust account.

### **Off-Balance Sheet Arrangements**

Collective Growth did not have any off-balance sheet arrangements as of September 30, 2020.

### **Contractual Obligations**

Collective Growth does not have any long-term debt, capital lease obligations, operating lease obligations or long-term liabilities, other than an agreement to pay an affiliate of certain of Collective Growth's officers and directors a monthly fee of \$10,000 for office space, utilities and secretarial and administrative support, provided to Collective Growth. Collective Growth began incurring these fees on April 30, 2020 and will continue to incur these fees monthly until the earlier of the completion of a Business Combination and its liquidation.

The underwriters are entitled to a deferred fee of 3.5% of the gross proceeds of the initial public offering, or \$5,250,000. The deferred fee will be paid in cash upon the closing of a Business Combination from the amounts held in the trust account, subject to the terms of the underwriting agreement.

## INNOVIZ'S MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

*You should read the following discussion and analysis of our financial condition and results of operations together with the "Selected Consolidated Financial Data" and the historical audited annual consolidated financial statements as of and for the years ended December 31, 2019 and 2018 and unaudited interim consolidated financial statements as of September 30, 2020 and the nine-month periods ended September 30, 2020 and 2019, and the related notes included elsewhere in this proxy statement/prospectus. Some of the information contained in this discussion and analysis or set forth elsewhere in this prospectus, including information with respect to our plans and strategy for our business and related financing, includes forward-looking statements that involve risks and uncertainties. ### Company Overview

Innoviz is a leading provider of high-performance, solid-state LiDAR and perception solutions that bring enhanced vision and superior performance to enable safe autonomous driving at a mass scale. Innoviz believes that it provides a complete and comprehensive solution for OEMs and Tier-1 partners that are developing and marketing autonomous driving vehicles to the passenger car and other relevant markets, such as robotaxis, shuttles and trucking. Innoviz's unique LiDAR and perception solutions feature technological breakthroughs across core components, which propelled Innoviz to the first Level 3 LiDAR Automotive series production contract. In addition, Innoviz's solutions can enable safe autonomy for other industries, including drones, robotics and mapping.

Innoviz was founded in 2016 by veterans of Unit 81, the elite technology unit of Israel's Intelligence Corps, one of the most prestigious multidisciplinary technological units in the Israeli Defense Forces. From its founding, Innoviz's culture drew from Unit 81's creative and agile core values of solving sophisticated technological problems in order to address the needs of autonomous vehicles in a manner that strikes the desired balance between performance and cost. Innoviz created a new type of LiDAR sensor from the chip-level up, including a suite of powerful and sophisticated software applications for high-performance computer vision to allow superior perception. Innoviz's multi-disciplinary team developed an operational MEMS-based (Micro-Electro Mechanical System) LiDAR prototype in less than a year, which then attracted the attention of leading Tier-1 companies such as Magna and Aptiv already in 2017. This was followed by a rigorous further development and qualification stage, culminating in Innoviz achieving a design win with BMW in 2018 to power BMW's Level 3 autonomous platform. BMW is a leader and a pioneer in deploying new technologies into the automotive industry. Therefore, the close cooperation of Innoviz with BMW and its Tier-1 partner Magna, uniquely positions Innoviz to make Level 3 autonomous driving a reality.

Innoviz's innovation has produced LiDAR solutions delivering market leading performance that meets the demanding safety requirements for Level 2+ through Level 5 autonomous vehicles at price points suitable for mass production passenger vehicles. Innoviz's integrated custom design of advanced hardware and software components, which leverage the multidisciplinary expertise and experience of the Innoviz team, enable it to provide a turn-key autonomous solutions to accelerate widespread adoption across automakers at serial production scale.

Innoviz's robust software suite enables its ~905nm wavelength LiDAR laser-based architecture to be easily leveraged to provide compelling solutions for Levels 2+ through Level 5 without need of any new significant hardware components. This means that Innoviz is positioned to penetrate the current market, which is characterized mainly by Level 2+ production, and to continue to capture and extend its market share through a software-based upgrade of its products to Level 3 and above as the market continues to mature.

Going forward, Innoviz is expanding its third-party manufacturing capacity through contract manufacturers and partnerships with global Tier-1 suppliers to meet its customers' anticipated increased demand for its products, while also further developing its a next generation high-performance automotive-grade LiDAR sensor, the InnovizTwo, that provides a compelling solution for Level 2+ systems, both from a cost and performance perspective. Innoviz expects, that its unique technology, coupled with its ability to meet automotive industry standards, and its partnerships with various major Tier-1 suppliers, is likely to place Innoviz as a leading Tier-2 automotive supplier, working with major players in the automotive market.

### **Business Combination and Public Company Costs**

On December 10, 2020, Innoviz entered into the Business Combination Agreement with Collective Growth, Perception, Antara Capital and Merger Sub. Pursuant to the Business Combination Agreement, Merger Sub, a wholly owned subsidiary of Innoviz, will merge with and into Collective Growth, with Collective Growth surviving the merger. As a result of the Business Combination, and upon consummation of the Business Combination and the other transactions contemplated by the Business Combination Agreement, Collective Growth will become a wholly owned subsidiary of Innoviz, with the securityholders of Collective Growth becoming securityholders of Innoviz.

Under both the no redemption and maximum redemption scenarios, the merger will be accounted for as a reverse recapitalization, with no goodwill or other intangible assets recorded, in accordance with GAAP. Under this method of accounting, Innoviz has been determined to be the accounting acquirer. The combined entity will be the successor SEC registrant, meaning that Innoviz's financial statements for previous periods will be disclosed in the registrant's future periodic reports filed with the SEC.

As a consequence of the Business Combination, the Innoviz ordinary shares will be registered under the Exchange Act and listed on Nasdaq, which will require Innoviz to hire additional personnel and implement procedures and processes to address public company regulatory requirements and customary practices. Innoviz expects to incur additional annual expenses as a public company for, among other things, directors' and officers' liability insurance, director fees and additional internal and external accounting and legal and administrative resources, including increased audit and legal fees.

### **Key Factors Affecting Innoviz's Operating Results**

Innoviz believes that its future performance and success depends to a substantial extent on the following factors, each of which is in turn subject to significant risks and challenges, including those discussed below and in the section of this proxy statement/prospectus entitled "*Risk Factors*."

#### ***Market Adoption***

Innoviz believes that widespread adoption of LiDAR across applications for autonomy is approaching and that it is well-positioned in both automotive and nonautomotive markets to take advantage of this opportunity. Nevertheless, automotive OEMs and their suppliers are just beginning to commercialize autonomous systems that rely on LiDAR technology. Accordingly Innoviz expects the rate of actual adoption and commercialization of LiDAR-based solutions by automotive OEMs and their suppliers to impact its results of operations, including revenue and gross margins for the foreseeable future. Similarly,

Innoviz also intends to target markets such as robotaxis, shuttles and trucking, as well as other industries, including drones, robotics and mapping. Innoviz believes that LiDAR based solutions in these emerging markets are still in the pre-commercial development stage and, as a result, Innoviz's future success also depends on customers in these industries adopting and bringing these solutions to commercial scale.

With respect to the automotive OEM market, currently, enhanced ADAS, which are not considered "autonomous driving" but have important active safety features, have been successfully commercialized. The

---

## **Table of Contents**

move from Level 2 ADAS to Level 3 is essentially the crossover from driver assist to some level of autonomy. In the jump between these two levels, it is expected that liability will shift from the driver to the system, meaning that responsibility and liability for driving is shifted from the driver to the OEM. The gap between these two levels can be partially bridged by systems that offer more than Level 2 but less than Level 3, or an enhanced ADAS offerings, which the industry commonly refer to as “L2+” or Level 2+. ADAS+/Level 2+ systems are still technically in the driver-assist realm, but incorporate a whole new layer of functionality on top of the traditional ADAS features. Given the significance of the jump from Level 2 through Level 3, the ADAS+/Level 2+ segment of the consumer automotive market is expected to grow significantly over the short to medium term.

### ***Design Wins***

Innoviz’s solutions are designed to be as a key enabling technology for OEMs in automotive and other applications. Because its solutions must be integrated into a broader platform by the OEM, it is critical that Innoviz achieve design wins with these customers. The time necessary to achieve design wins varies based on the market and application. The design cycle in the automotive market tends to be substantially longer and more onerous than in other markets. Even within the automotive market, achieving a design win with an automotive OEM takes considerably longer than a design cycle for an aftermarket application. Innoviz considers design wins to be critical to its future success, although the revenue generated by each design win and the time necessary to achieve such a win can vary significantly making it difficult to predict Innoviz’s financial performance.

Innoviz’s design win with BMW in 2017 for its InnovizOne product was the first Level 3 LiDAR Automotive series production contract in the industry. However, given the expected growth in the Level 2+ segment of the market, Innoviz announced InnovizTwo in the fourth quarter of 2020. Designed for the Level 2+ segment of the market, InnovizTwo is a next generation high-performance automotive-grade LiDAR sensor that offers a fully featured solution for all levels of autonomous driving and that also features a major cost reduction compared to InnovizOne.

Innoviz believes that InnovizTwo will drive significant revenue growth in the near to medium term. Innoviz has developed a sales funnel for this product and will seek to achieve design wins for it starting in 2021.

Innoviz also believes that market penetration of InnovizTwo will drive revenues in the Level 3 segment of the market. This is because the architecture of Innoviz products, which feature agile configuration of multiple components, allows Innoviz to offer different product configurations based on the same hardware with only software modification. Accordingly Innoviz can address multiple market needs and niches without the need to develop several hardware configurations. Therefore its LiDAR solution enables upgrade from Level 2+ to Level 3 through a vehicle software update without changes to the hardware components or need of new hardware.

### ***Product Cost and Margins***

Innoviz’s results of operations will depend on its ability to leverage the relatively fixed costs involved in production of its solutions and its ability to maintain or improve its gross margins on the basis of its Tier-1 supplier business model. Innoviz’s ability to leverage this model will depend primarily on its revenues and ability to increase sales once a product is commercialized. Specifically, under Innoviz’s commercial relationship with Tier-1 manufacturers such as Magna it can minimize its production costs as it will not bear the cost or responsibility of delivering a full system to automotive manufacturers. By providing a solution comprised primarily of components that it has developed on the basis of its technology, Innoviz thereby eliminates expenses associated with system completion which would not have involved or leveraged its technology. In addition, series level manufacturing of Innoviz’s solution will be conducted by Tier-1 manufacturers, meaning that Innoviz neither has the need to undertake the significant capital expenditures associated with developing series level manufacturing capability nor the expense of operating any such manufacturing capability.

***Continued Investment and Innovation***

Innoviz's unique LiDAR and perception solutions feature technological breakthroughs across core components, which propelled Innoviz to the first Level 3 LiDAR Automotive series production contract. Innoviz believes that its financial performance is significantly dependent on its ability to maintain this leading position. This in turn will depend on Innoviz's future R&D investments and its ability to attract and retain highly qualified and experienced R&D personnel. These are necessary to both continue the work required to bring InnovizOne and InnovizTwo to full commercialization and more generally to identify and respond to rapidly evolving customer requirements, develop and introduce innovative new products and enhance and service existing products. Failure to do this could adversely affect Innoviz's market position and its revenue, and Innoviz's R&D investments would not be recovered.

**COVID-19 Impact**

Innoviz is currently confronting a variety of operational limitations due to the global outbreak of COVID-19 in early 2020. Innoviz's executive offices and R&D and manufacturing locations have been, and continue to be, impacted due to national and regional government declarations requiring closures, quarantines and travel restrictions. The COVID-19 pandemic is also adversely affecting Innoviz's customers' business operations. The extent of the impact of the coronavirus pandemic on Innoviz's operational and financial performance will depend on various future developments, including the duration and spread of the COVID-19 outbreak and impact on Innoviz's customers, suppliers, contract manufacturers and employees, all of which is uncertain at this time. Innoviz expects the COVID-19 pandemic to adversely impact its revenue and results of operations, but is unable to predict at this time the size and duration of this adverse impact. At the same time, Innoviz has seen signs of positive effects for its long-term business prospects and partnerships as a result of the COVID-19 pandemic. Innoviz believes that automakers perceive the incorporation of LiDAR solutions in new models as a long term strategic initiative that they depend on for future growth and which are therefore beyond the direct impact of COVID-19.

**Components of Results of Operations**

***Revenue***

Innoviz's revenues derive mainly from sales of LiDAR sensors to customers. Revenue from LiDAR sensors is recognized at a point in time when the control of the goods is transferred to the customer, generally upon delivery.

Innoviz also provides application engineering services to its customers that are not part of a long-term production arrangement. Application engineering services revenue is recognized at a point in time or over time depending, among other considerations, on whether Innoviz has an enforceable right to payment, for performance completed to date. Services to certain customers may require substantive customer acceptance due to performance acceptance criteria that is considered more than a formality. For these services, revenue is recognized upon customer acceptance. Innoviz did not recognize revenue related to application engineering services during the years ended December 31, 2019 and 2018 and during the nine-months ended September 30, 2020 as acceptance criteria were not met.

***Cost of Revenue***

Cost of revenue includes the manufacturing cost of Innoviz's LiDAR sensors, which primarily consists of components costs, sub assembly costs and personnel-related costs directly associated with Innoviz's operation organization, and amounts paid to Innoviz's third-party contract manufacturers and vendors. Cost of revenue also includes depreciation, cost of component inventory, costs of providing services, an allocated portion of overhead, warranty costs, excess and obsolete inventory and shipping costs. Innoviz expects cost of revenue to increase in absolute dollars in future periods to the extent revenue increases, however it expect its products unit cost to decrease as sales increase thereby leveraging economies of scale achievable due to its business model.

***Operating Expenses***

*Research and Development Expenses*

Innoviz's R&D efforts are focused on enhancing and developing solid-state, eye-safe and cost efficient 905nm wavelength LiDAR solution and the accompanying perception software required the efforts of a multi-disciplinary team with expertise spanning optics, lasers, mechanical engineering, micro-electronics, chip design, MEMS design, complex IC packaging, systems engineering and software architecture and engineering. R&D expenses include

- Personnel-related expenses, including salaries, benefits, and stock-based compensation expense for personnel in research and engineering functions;
- Expenses related to materials, software licenses, supplies and third-party services;
- Prototype expenses; and
- An allocated portion of facility and IT costs and depreciation.

Innoviz expenses R&D costs as incurred until the point that technological feasibility is reached, which for its software products, is generally shortly before the products are released to production. Innoviz expects that its R&D costs will increase for the foreseeable future as it continues to invest in research and develop activities to achieve its product roadmap.

*Sales and Marketing Expenses*

Sales and marketing expenses consist primarily of personnel-related costs directly associated with Innoviz's sales and marketing activities. These include the cost of sales commissions, marketing programs, trade shows, consulting services, promotional materials, demonstration equipment, an allocated portion of facility and IT costs and depreciation. Innoviz expect that its sales and marketing expenses will increase in absolute dollars over time as it hires additional sales and marketing personnel, increases its marketing activities and grows its domestic and international operations.

*General and Administrative Expenses*

General and administrative expenses consist of personnel-related expenses for corporate, executive, finance, and other administrative functions, expenses for outside professional services, including legal, audit and accounting services, as well as expenses for facilities, depreciation, and travel. Personnel related expenses consist of salaries, benefits, and stock-based compensation.

Innoviz expects its general and administrative expenses to increase for the foreseeable future as it scales headcount with the growth of its business, and as a result of the expenses of operating as a public company, including compliance with the rules and regulations of the Securities Exchange Commission, legal, audit, additional insurance expenses, investor relations activities and other administrative and professional services.

***Financial Expenses Income, Net***

Financial income consists primarily of income earned from cash and cash equivalents deposited in Innoviz's bank account. These amounts will vary based on cash and cash equivalents, and with market rates. In addition, financial income (expenses), net includes the fluctuation in value due to foreign exchange differences between cash and cash equivalent and monetary assets and liabilities denominated in NIS.

**Critical Accounting Policies and Use of Estimates**

Innoviz's management's discussion and analysis of financial condition and results of operations is based on its consolidated financial statements, which have been prepared in accordance with GAAP. The preparation of

---

## **Table of Contents**

these financial statements requires Innoviz to make estimates and judgments that affect the reported amounts of assets, liabilities and expenses and the disclosure of contingent assets and liabilities in its consolidated financial statements during the reporting periods. These items are monitored and analyzed by Innoviz for changes in facts and circumstances, and material changes in these estimates could occur in the future. Innoviz bases its estimates on historical experience, known trends and events, and on various other factors that it believes are reasonable under the circumstances, the results of which form the basis for making judgments about the carrying value of assets and liabilities that are not readily apparent from other sources. Changes in estimates are reflected in reported results for the period in which they become known. Actual results may differ materially from these estimates under different assumptions or conditions.

While Innoviz's significant accounting policies are described in more detail in the notes to its consolidated financial statements appearing elsewhere in this proxy statement/prospectus, it believes the following accounting policies used in the preparation of its consolidated financial statements require the most significant judgments and estimates.

### ***Accrued Research and Development Expenses***

As part of the process of preparing its consolidated financial statements, Innoviz is required to estimate its accrued research and development expenses. This process involves reviewing purchase orders and open contracts, communicating with Innoviz's personnel to identify services that have been performed on Innoviz's behalf and estimating the level of service performed and the associated cost incurred for the services when Innoviz has not yet been invoiced or otherwise notified of the actual cost. The majority of Innoviz's service providers invoice Innoviz monthly in arrears for services performed, on a pre-determined schedule or when contractual milestones are met; however, some require advance payments. Innoviz makes estimates of accrued expenses as of each balance sheet date in its consolidated financial statements based on facts and circumstances known to it at that time. Innoviz periodically confirms the accuracy of its estimates with the service providers and makes adjustments if necessary. The significant estimates in Innoviz's accrued research and development expenses include costs incurred for services in connection with development activities for which Innoviz has not yet been invoiced.

Although Innoviz does not expect its estimates to be materially different from amounts actually incurred, Innoviz's understanding of the status and timing of services performed relative to the actual status and timing of services performed may vary and may result in reporting amounts that are too high or too low in any particular period. To date, there have not been any material adjustments to Innoviz's prior estimates of accrued research and development expenses.

### ***Stock-Based Compensation***

Innoviz measures stock options and other share-based awards granted to its employees, consultants or advisors or its affiliates based on their fair value on the date of the grant and recognize compensation expense of those awards, over the requisite service period, which is generally the vesting period of the respective award. Innoviz applies the straight-line method of expense recognition to all awards with only service-based vesting conditions.

Innoviz estimates the fair value of each stock option grant on the date of grant using the Black-Scholes option-pricing model, which uses as inputs the fair value of the Innoviz ordinary shares and assumptions it makes for the volatility of the Innoviz ordinary shares, the expected term of its stock options, the risk-free interest rate for a period that approximates the expected term of its stock options and its expected dividend yield.

### ***Determination of Fair Value of the Innoviz Ordinary Shares***

As a private company with no active public market for the ordinary shares, Innoviz's management periodically determined the estimated per share fair value of the Innoviz ordinary shares at various dates. In

---

## Table of Contents

August 2020, Innoviz engaged a third-party valuation firm to assist in its re-estimation of the value of the Innoviz ordinary shares as of certain prior dates. Innoviz's determinations of the fair value of the Innoviz ordinary shares were made using methodologies, approaches and assumptions consistent with the Accounting and Valuation Guide: Valuation of Privately-Held-Company Equity Securities Issued as Compensation, issued by the American Institute of Certified Public Accountants ("the Practice Guide"). Once a public trading market for the Innoviz ordinary shares has been established in connection with the completion of this registration, it will no longer be necessary for Innoviz to estimate the fair value of the Innoviz ordinary shares in connection with its accounting for stock options.

Innoviz's management considered various objective and subjective factors to determine the fair value of the Innoviz ordinary shares, including:

- the lack of an active public market for the Innoviz ordinary shares and Innoviz preferred shares;
- the prices at which Innoviz sold the Innoviz preferred shares in arm's-length transactions and the superior rights, preferences and privileges of the Innoviz preferred shares relative to Innoviz ordinary shares, including the liquidation preferences of the Innoviz preferred shares;
- Innoviz's results of operations and financial condition, including cash on hand;
- the material risks related to Innoviz's business;
- Innoviz's stage of development and business strategy;
- the composition of, and changes to, Innoviz's management team and board of directors;
- the market performance of publicly traded companies in the Auto-Tech, Semiconductor and Communication sectors, as well as recently completed initial public offerings, or IPOs, of companies in the Auto-Tech sectors; and
- the likelihood of achieving a liquidity event such as an IPO given prevailing market conditions.

Innoviz's valuations were prepared in accordance with the guidelines in the Practice Guide, which prescribes several valuation approaches for setting the value of an enterprise, such as the cost, income and market approaches, and various methodologies for allocating the value of an enterprise to the Innoviz ordinary shares. Through June 30, 2019, Innoviz utilized the option pricing backsolve method, or OPM, based upon recent financing rounds of Series B Preferred Shares and Series C Preferred Shares, which Innoviz believed was the most appropriate for each of the valuations of the Innoviz ordinary shares. The OPM treats Innoviz's security classes as call options on total equity value and allocates its equity value across its security classes based on the rights and preferences of the securities within the capital structure under an assumed liquidation event. The OPM method is used when the range of possible future outcomes is difficult to predict and forecasts would be highly speculative. Innoviz believed this method was the most appropriate given the expectation of various potential liquidity outcomes and the difficulty of selecting appropriate enterprise values given our early stage of development. Beginning in December 2019, for options granted after December 31, 2019, Innoviz utilized a hybrid model of two scenarios: (1) the OPM; and (2) secondary transaction in Innoviz ordinary shares. The OPM was based on a Discount Cash Flow method, or DCF. The DCF method relies on the premise that the value of an investment is equal to the present value of the income that it can expect to generate going forward. From an investor's standpoint, these future income streams represent the dividend paying (i.e. distribution-paying) capacity of the company, or in the case of a leveraged company, monies available for all invested capital (i.e. interest-bearing debt plus owner's capital).

In September 2020, Innoviz utilized a backsolve hybrid model of two scenarios: (1) the OPM; and (2) IPO scenario. The backsolve was based on the latest Series C-1 Preferred Share financing round. The IPO scenario was supported by the Market approach, specifically the Guideline Company method.

---

## **Table of Contents**

Then, an incremental lack of marketability discount was applied to the value of the Innoviz ordinary shares to arrive at the fair value per ordinary share under each method.

There are significant judgments and estimates inherent in the determination of the fair value of the Innoviz ordinary shares. These judgments and estimates are management's best estimates and include assumptions regarding our future operating performance, the time to completing an IPO or other liquidity event, the related company valuations associated with such events and the determinations of the appropriate valuation methods. If Innoviz had made different assumptions, its share-based compensation expense, net loss and net loss per ordinary share could have been different.

### ***Revenue Recognition***

Innoviz was an early adopter of the requirements of the new revenue recognition standard, known as ASC 606, effective January 1, 2018, which utilizes the modified retrospective method of transition. Revenue is recognized upon transfer of control of promised products and to a small extent services to customers in an amount that reflects the consideration that we expect to receive in exchange for those products and services.

When Innoviz enter into contracts, once the contract is determined to be within the scope of Topic 606, Innoviz assesses the goods or services promised within the contract and determines those that are performance obligations and assesses whether each promised good or service is distinct.

Accounting for contracts recognized over time under ASC 606 involves the use of various techniques to estimate total contract revenue and costs. Due to uncertainties inherent in the estimation process, it is possible that estimates of costs to complete a performance obligation will be revised in the near-term. Innoviz evaluates each performance obligation to determine if it is satisfied at a point in time or over time.

Changes in judgments with respect to these assumptions and estimates could impact the timing or amount of revenue recognition.

### ***Inventory Valuation***

Inventories are stated at the lower of cost or estimated net realizable value. Costs are computed under the standard cost method, which approximates actual costs determined on the average moving cost. Innoviz charges cost of revenue for write-downs of inventories which are obsolete or in excess of anticipated demand based on a consideration of marketability and product life cycle stage, product development plans, component cost trends, demand forecasts, historical revenue, and assumptions about future demand and market conditions.

### **Recent Accounting Pronouncements**

See Note 1 to Innoviz's consolidated financial statements included elsewhere in this proxy statement/prospectus for recently adopted accounting pronouncements and recently issued accounting pronouncements not yet adopted as of the date of this proxy statement/prospectus.

### Comparison of the Nine Months Ended September 30, 2019 and 2020

#### Revenue

	Nine Months Ended September 30,		Change \$	Change %
	2019	2020		
	(dollars in thousands)			
<b>Revenue by Geography:</b>				
North America	\$ 268	\$ 251	\$ (17)	(6%)
Asia Pacific	155	324	169	109%
Europe, Middle East and Africa	582	3,105	2,523	434%
<b>Total</b>	<b>\$1,005</b>	<b>\$3,680</b>	<b>\$2,675</b>	<b>266%</b>

Revenue increased by approximately \$2.7 million, or 266%, to approximately \$3.7 million for the nine months ended September 30, 2020, from approximately \$1.0 million for the nine months ended September 30, 2019. The increase in revenue is due to the further development of Innoviz's LiDAR product and the continued execution of its business plan, which among other things led to increased commercial activity with an existing customer and potential customers in the first quarter of 2020.

***Cost of Revenue and Gross Margin***

	Nine Months Ended September 30,		Change \$	Change %
	2019	2020		
	(dollars in thousands)			
Cost of revenue	\$ 956	\$ 5,097	\$4,141	433%
Gross margin	5%	(39)%		

Cost of revenue increased by approximately \$4.1 million, or 433%, to approximately \$5.1 million for the nine months ended September 30, 2020, from approximately \$1.0 million for the nine months ended September 30, 2019. The increase in cost of revenue was due to an increase in revenue and a one-time charge for an inventory write-off related to the discontinuation of a product.

Gross margin decreased from 5% for the nine months ended September 2019 to a negative 39% for the nine months ended September 30, 2020. The change from positive to negative gross margin was primarily due to the inventory write-off of \$1,914. Excluding this charge, the gross margin was 14%. Innoviz anticipates that gross margin will improve due to decreases in per unit manufacturing labor and overhead costs as it moves to mass production, and to better production yields and decreases in the cost of components.

***Operating Expenses***

	Nine Months Ended September 30,		Change \$	Change %
	2019	2020

Research and development	\$45,348	\$41,894	\$(3,454)	(8)%

General and administrative	2,327	2,508	181	8%
Total operating expenses	<u>52,657</u>	<u>48,343</u>	<u>(4,314)</u>	(8)%

***Research and Development***

Research and development expenses decreased by approximately \$3.5 million, or 8%, to approximately \$41.9 million for the nine months ended September 30, 2020, from approximately \$45.3 million for the nine months ended September 30, 2019. The decrease was primarily due to variable outsourced costs which were incurred in 2019 in connection with the successful tape-out of Innoviz's ASIC and conclusion of a major part of its product design.

***Sales and Marketing***

Sales and marketing expenses decreased by approximately \$1.0 million, or 21%, to approximately \$3.9 million for the nine months ended September 30, 2020 from approximately \$5.0 million for the nine months ended September 30, 2019. The decrease was primarily attributable to a decrease in personnel related costs and a decrease in marketing activities associated with trade show and travel costs due to the impact of Covid 19.

***General and Administrative***

General and administrative expenses increased by approximately \$0.2 million, or 8%, to approximately \$2.5 million for the nine months ended September 30, 2020 from approximately \$2.3 million for the nine months ended September 30, 2019. The increase was primarily due to an increase in headcount.

	Nine Months Ended September 30,		Change \$	Change %
	2019	2020		
Financial Income	\$ 1,162	\$ 626	\$ (536)	(46)%

Financial income was approximately \$0.6 million in the nine months ended September 30, 2020 compared to approximately \$1.2 million in the nine months ended September 30, 2019. The decrease was primarily related to foreign exchange gain resulting from foreign currency exchange mainly in ILS fluctuations in the nine months ended September 30, 2020 and to lower cash balance which yielded lower income from interest.

Revenue increased by approximately \$1.5 million, or 2,440%, to approximately \$1.6 million for 2019, from approximately \$0.1 million for 2018. Innoviz started providing the first version of its products in November 2018, such that 2019 was its first full year of commercial activity beyond research and development and marketing. Accordingly, the increase in revenue during 2019 was primarily due to the increase in product availability.

#### Cost of Revenue and Gross Margin

	Year Ended December 31,		Change \$	Change %
	2018	2019		
Cost of revenue	\$ 53	\$ 1,986	\$ 1,933	3,647%
Gross margin	15%	(26)%		

Cost of revenue increased by approximately \$1.9 million, or 3,647%, to approximately \$2.0 million for 2019, from approximately \$0.1 million for 2018. The increase in cost of revenue was primarily due to an increase in revenue and a one-time charge for an inventory write-off in the amount of approximately \$0.7 million.

Gross margin decreased from 15% for 2018 to negative 26% for 2019. The decrease was primarily due to inventory write-off of approximately \$0.7 million in 2019.

### Research and Development

Research and development expenses increased by approximately \$11.1 million, or 23%, to approximately \$59.4 million for 2019, from approximately \$48.3 million for 2018. The increase was primarily attributable to an increase of approximately \$10.0 million in personnel related costs related to Innoviz's increased hiring for its R&D team as well as to an increase in outsourced activity in 2019. The outsourced R&D activity was related to the successful tape-out of Innoviz's ASIC and conclusion of a major part of its product design during 2019.

### Sales and Marketing

Sales and marketing expenses increased by approximately \$1.0 million, or 18%, to approximately \$6.5 million for 2019 from approximately \$5.5 million for 2018. ### General and Administrative

General and administrative expenses increased by approximately \$0.8 million, or 31%, to approximately \$3.2 million for 2019 from approximately \$2.4 million for 2018. The increase was primarily attributable to an increase in rent and related expenses.

### Liquidity and Capital Resources

As of September 30, 2020, Innoviz had cash and cash equivalents totaling \$58.0 million, which were held for working capital purposes. Cash equivalents are invested in accordance with its investment policy. To date, its principal sources of liquidity have been the \$243.0 million of net proceeds received through private placements of its convertible preferred shares. ### *Funding Requirements*

Innoviz expects its expenses to increase in connection with its ongoing activities, particularly as it continues research and development activities and to incur significant commercialization expenses related to product sales, marketing, manufacturing and distribution. Furthermore, upon the closing of the Business Combination, it expects to incur additional costs associated with operating as a public company. Accordingly, Innoviz will need to obtain substantial additional funding in connection with its continuing operations. If it is unable to raise capital when needed or on attractive terms, it could be forced to delay, reduce or eliminate its research and development programs or future commercialization efforts.

As of September 30, 2020, Innoviz had cash and cash equivalents of approximately \$58.0 million. Innoviz expects that the net proceeds from this Business Combination, together with its existing cash and cash equivalents, together with an approximately \$9.0 million private placement raised during the last calendar quarter, will be sufficient to continue to execute Innoviz's business plan over the next two years.

Innoviz also expects its losses to be significantly higher in future periods as it:

- expands production capabilities to produce its LiDAR solutions, and accordingly incurs costs associated with outsourcing the production of its LiDAR solutions;
- expand its design, development, installation and servicing capabilities;
- increases its investment in research and development;
- produces an inventory of its LiDAR solutions; and
- increases its sales and marketing activities and develops its distribution infrastructure.

Because Innoviz will incur the costs and expenses from these efforts before it receives incremental revenues with respect thereto, losses in future periods will be significant. In addition, Innoviz may find that these efforts are more expensive than it currently anticipates or that these efforts may not result in revenues, which would further increase its losses.

In its report on our financial statements for the year ended December 31, 2019, our independent registered public accounting firm included an explanatory paragraph stating that our recurring losses from operations since inception and required additional funding to finance our operations raise substantial doubt about our ability to continue as a going concern.

### Off-Balance Sheet Arrangements

In December, 2017, Innoviz entered into a Joint Development and Master Supply Agreement with Magna Electronics Inc. (“Magna”), pursuant to which Innoviz and Magna agreed to work together to develop and commercialize LiDAR technologies. A SOW under this agreement was signed in February 2018 with respect to the sale of LiDARs to BMW.

Other than as set forth above, Innoviz has not entered into any off-balance sheet arrangements and does not have any holdings in variable interest entities.

### Quantitative and Qualitative Disclosures About Market Risk

Innoviz is exposed to market risk related to changes in interest rates. As of December 31, 2018 and 2019 and September 30, 2020, its cash equivalents consisted of interest-bearing checking accounts. Its primary exposure to market risk is interest rate sensitivity, which is affected by changes in the general level of Bank of Israel interest rates. Due to the short-term nature and the low-risk profile of Innoviz’s interest-bearing accounts, an immediate 10% change in interest rates would not have a material effect on the fair market value of Innoviz’s cash and cash equivalents and short-term restricted bank deposits or on its financial position or results of operations. Innoviz is not currently exposed to significant market risk related to changes in foreign currency exchange rates; however, it has contracted with and may continue to contract with vendors located in China, Europe and Israel. Innoviz’s operations may be subject to fluctuations in foreign currency exchange rates in the future.

We do not believe that inflation had a material effect on our business, financial condition or results of operations during the years ended December 31, 2018 and 2019 and the nine months ended September 30, 2019 and 2020.

## UNAUDITED PROSPECTIVE FINANCIAL INFORMATION OF INNOVIZ TECHNOLOGIES

Innoviz does not as a matter of course make public projections as to future sales, earnings or other results. However, Innoviz management prepared and provided to Innoviz board of directors, Innoviz financial advisors, Collective Growth and potential PIPE investors certain internal, unaudited prospective financial information in connection with the evaluation of the Business Combination. Innoviz management prepared such financial information based on their judgment and assumptions regarding the future financial performance of Innoviz. The inclusion of the below information should not be regarded as an indication that Innoviz or any other recipient of this information considered, or now considers, it to be necessarily predictive of actual future results.

The unaudited prospective financial information is subjective in many respects. As a result, there can be no assurance that the prospective results will be realized or that actual results will not be significantly higher or lower than estimated. Since the unaudited prospective financial information covers multiple years, that information by its nature becomes less predictive with each successive year.

While presented in this proxy statement/prospectus with numeric specificity, the information set forth in the summary below was based on numerous variables and assumptions that are inherently uncertain and may be beyond the control of Innoviz management, including, among other things, the matters described in the sections entitled “*Cautionary Statement Regarding Forward-Looking Statements*,” “*Market, Ranking and Other Industry Data*” and “*Risk Factors*.” Innoviz believes the assumptions in the prospective financial information were reasonable at the time the financial information was prepared, given the information Innoviz had at the time. However, important factors that may affect actual results and cause the results reflected in the prospective financial information not to be achieved include, among other things, risks and uncertainties relating to Innoviz business, industry performance, the regulatory environment, and general business and economic conditions. The prospective financial information also reflects assumptions as to certain business decisions that are subject to change. The unaudited prospective financial information was not prepared with a view toward public disclosure or with a view toward complying with the guidelines of the SEC, or the guidelines established by the American Institute of Certified Public Accountants with respect to prospective financial information, but, in the view of Innoviz management, was prepared on a reasonable basis, reflects the best currently available estimates and judgments, and presents, to the best of management’s knowledge and belief, the expected course of action and the expected future financial performance of Innoviz Technologies. However, this information is not fact and should not be relied upon as being necessarily indicative of future results, and readers of this proxy statement/consent solicitation statement/prospectus are cautioned not to place undue reliance on the prospective financial information.

Neither Innoviz independent auditors, nor any other independent accountants, have complied, examined or performed any procedures with respect to the prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability, and assume no responsibility for, and disclaim any association with, the prospective financial information. The audit reports included in this proxy statement/consent solicitation statement/prospectus relate to historical financial information. They do not extend to the prospective financial information and should not be read to do so.

EXCEPT AS REQUIRED BY APPLICABLE SECURITIES LAWS, INNOVIZ TECHNOLOGIES DOES NOT INTEND TO MAKE PUBLICLY AVAILABLE ANY UPDATE OR OTHER REVISION TO THE PROSPECTIVE FINANCIAL INFORMATION. THE PROSPECTIVE FINANCIAL INFORMATION DOES NOT TAKE INTO ACCOUNT ANY CIRCUMSTANCES OR EVENTS OCCURRING AFTER THE DATE THAT INFORMATION WAS PREPARED. READERS OF THIS PROXY STATEMENT/CONSENT SOLICITATION STATEMENT/PROSPECTUS ARE CAUTIONED NOT TO PLACE UNDUE RELIANCE ON THE UNAUDITED PROSPECTIVE FINANCIAL INFORMATION SET FORTH BELOW. Certain of the measures included in the prospective financial information may be considered non-GAAP financial measures. Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information presented in compliance with GAAP, and non-GAAP financial measures as used by Innoviz Technologies may not be comparable to similarly titled amounts used by other companies. Financial measures provided to a financial advisor in connection with a business combination transaction are excluded from the definition of non-GAAP financial measures and therefore are not subject to SEC rules regarding disclosures of non-GAAP financial measures, which would otherwise require a reconciliation of a non-GAAP financial measure to a GAAP financial measure. Accordingly, we have not provided a reconciliation of such financial measures.

The following table sets forth certain summarized prospective financial information regarding Innoviz for 2020, 2021, 2022, 2023, 2024 and 2025:

(USD in millions)	Forecast Year Ended December 31,					
	2020E	2021E	2022E	2023E	2024E	2025E
Revenue	\$ 5	\$ 9	\$ 23	\$ 79	\$ 237	\$ 581
Gross Profit	\$ *)	\$ 1	\$ 6	\$ 35	\$ 118	\$ 300
Adjusted EBIT(1)	\$ (68)	\$ (89)	\$ (89)	\$ (67)	\$ 4	\$ 168
Free Cash Flow(2)	\$ (69)	\$ (90)	\$ (93)	\$ (82)	\$ (38)	\$ 75

\*) Represents an amount lower than \$1 million.

- (1) Adjusted EBIT is defined as EBIT adjusted for stock-based compensation. We caution investors that amounts presented in accordance with our definition of Adjusted EBIT may not be comparable to similar measures disclosed by other issuers, because not all issuers calculate Adjusted EBIT in the same manner. Adjusted EBIT should not be considered as an alternative to net loss or any other performance measures derived in accordance with GAAP or as an alternative to cash flows from operating activities as a measure of our liquidity.
- (2) Free Cash Flow is defined as Adjusted EBITDA less maintenance capital expenditures, interest expense pertaining to long term debt, amortization of deferred transaction costs and premium on long term debt, current taxes paid and mandatory debt principal repayments. Free Cash Flow is a non-GAAP financial measure and should not be considered as an alternative to net loss or any other performance measures derived in accordance with GAAP or as an alternative to cash flows from operating activities as a measure of our liquidity.

The Innoviz prospective financial information was prepared using several assumptions, including the following assumptions that Innoviz management believed to be material:

- projected revenue is based on a variety of operational assumptions, including among others continued development of autonomous vehicle platforms by the Auto industry and other market segments, commercialization timing for new products under development, growth in the number of units sold and product mix, the average selling price per system and resulting sales of systems;
- projected gross profit is driven by a multitude of factors attributed among others to manufacturing efficiencies through volume, cost reductions of components, relying on business partners (such as Tier-1) for high volume production, new technologies and product design and the growth in higher margin mix of products contribution. Reduction in costs associated with manufacturing overhead, warranty and logistics are taken into consideration as well and are supporting the projected gross profits; and
- other key assumptions impacting profitability projections include headcount, third party contractors, engineering consulting and prototyping spend but exclude costs associated with public company operations and compliance.

---

## Table of Contents

In making the foregoing assumptions, which imply a revenue compound annual growth rate of 162% between 2020 and 2025, Innoviz management relied on a number of factors, including:

- its estimates of market maturity over the projected period;
- its best estimates of the timing for new product releases and overall product development process;
- the relevant uses of Innoviz Technologies products for different applications and market segments;
- the historical system usage patterns of Innoviz Technologies customers, and
- third party forecasts for industry growth.

In addition, the foregoing assumptions regarding gross profit and Adjusted EBIT are based on Innoviz management's plan for continued use of resellers and third-party contract manufacturers.

The unaudited pro forma condensed combined statement of operations for the year ended December 31, 2019 and for the nine months ended September 30, 2020 present pro forma effect to the Transactions as if they had been completed on January 1, 2019.

The unaudited pro forma combined financial statements do not necessarily reflect what the combined company’s financial condition or results of operations would have been had the Transactions occurred on the dates indicated. The unaudited pro forma combined financial information also may not be useful in predicting the future financial condition and results of operations of the combined company. The actual financial position and results of operations may differ significantly from the pro forma amounts reflected herein due to a variety of factors.

This information should be read together with Collective Growth’s and Innoviz’s audited and unaudited financial statements and related notes, the sections titled “*Collective Growth’s Management’s Discussion and Analysis of Financial Condition and Results of Operations*,” and “*Innoviz’s Management’s Discussion and Analysis of Financial Condition and Results of Operations*” and other financial information included elsewhere in this proxy statement/prospectus.

Under both the no redemption and maximum redemption scenarios, the Business Combination will be accounted for as a reverse recapitalization, with no goodwill or other intangible assets recorded, in accordance with GAAP.

The unaudited pro forma condensed combined financial information has been prepared using the assumptions below:

- **Assuming No Redemptions:** This presentation assumes that no Collective Growth stockholders exercise redemption rights with respect to their public shares.
- **Assuming Maximum Redemptions:** This presentation assumes that all Collective Growth stockholders holding approximately 14,019,139 shares of Series A Stock will exercise their redemption rights for the approximately \$140.2 million of funds in Collective Growth’s trust account. Innoviz’s obligations under the Business Combination Agreement are subject to having at least \$200 million Aggregate Transaction Proceeds (as such term is defined in the Business Combination Agreement). Furthermore, Collective Growth will only proceed with the Business Combination if it will have net tangible assets of at least \$5.0 million either immediately prior to or upon consummation of the Business Combination.

### **Description of the Transactions**

On December 10, 2020, Collective Growth entered into the Business Combination Agreement with Innoviz, Perception and Antara. Pursuant to the Business Combination Agreement, Merger Sub will merge with and into Collective Growth, with Collective Growth surviving the merger. As a result of the Merger, and upon consummation of the Merger and the other transactions contemplated by the Business Combination Agreement, Collective Growth will become a wholly-owned subsidiary of the Company, with the securityholders of Collective Growth becoming securityholders of the Company.

The Company will issue to Collective Growth securityholders the following securities at the Effective Time, which in each case assume the Company consummated the Stock Split to cause the value of the outstanding Innoviz ordinary shares immediately prior to the Effective Time to equal \$10.00 per share: (i) each share of Class B Stock after taking into account the forfeiture of 1,875,000 shares of Class B Stock pursuant to the Forfeiture Agreement, will be exchanged for one Innoviz ordinary share, (ii) each outstanding share of Class A Stock will be exchanged for one Innoviz ordinary share, and (iii) each outstanding Collective Growth warrant will be assumed by the Company and will become one Innoviz warrant (with the number of Innoviz ordinary shares underlying the Innoviz warrants and the exercise price of such Innoviz warrants subject to adjustment in accordance with the terms of the Business Combination Agreement).

At the Effective Time, each outstanding preferred share of the Company will be converted into one Innoviz ordinary share. Additionally, the Company will issue to Company Management an aggregate of 2,500,000 Innoviz ordinary shares and 3,500,000 Innoviz warrants and will issue to Perception 175,000 Innoviz warrants, which in each case assume the Stock Split has occurred.

#### *PIPE*

Concurrently with and following the execution of the Business Combination Agreement, the Company and the PIPE Investors entered into the Subscription Agreements providing for the purchase by the PIPE Investors at the Effective Time of an aggregate of 23,000,000 Innoviz ordinary shares at a price per share of \$10.00 for gross proceeds to the Company of \$230,000,000. The price per share to be paid by the PIPE Investors pursuant to the Subscription Agreements assumes the consummation of the Stock Split. The closing of the PIPE is conditioned upon the consummation of the transactions contemplated by the Business Combination Agreement.

#### *Put Option Agreement*

Concurrently with the execution of the Business Combination Agreement, the Company and Antara, on behalf of the funds it manages and/or its designees, entered into the Put Option Agreement pursuant to which the Company caused Antara to subscribe for a number of Innoviz ordinary shares in the PIPE with an aggregate equity value equal to \$70.0 million. Additionally, Antara will receive at the Effective Time an additional 3,784,753 Innoviz warrants and 3,125,000 Innoviz ordinary shares, as follows: (x) 3,125,000 Innoviz ordinary shares if the Initial Transaction Proceeds are equal to or greater than \$150,000,000 or (y) a number of Innoviz ordinary shares equal to the difference of (A) 3,125,000 and (B) the product of (i) 0.5556 and (ii) the Perception Earnout Calculation if the Initial Transaction Proceeds are less than \$150,000,000.

## Table of Contents

The number of Innoviz ordinary shares and Innoviz warrants issuable pursuant to the Put Option Agreement assumes the consummation of the Stock Split.

### Earnout

Pursuant to the Business Combination Agreement, if the last sale price of the Innoviz ordinary shares on Nasdaq is greater than \$12.50 (assuming the consummation Stock Split has occurred) for any ten (10) trading days out of a twenty (20) consecutive trading-day period at any time during the four years after the consummation of the transactions contemplated by the Business Combination Agreement, Perception, Antara and Company Management may be issued additional Innoviz ordinary shares as follows:

(1) to Perception as additional consideration for services provided by Perception to the Company (x) 2,175,000 Innoviz ordinary shares if the Initial Transaction Proceeds are equal to or greater than \$150,000,000 or (y) a number of Innoviz ordinary shares equal to the difference of (A) 2,175,000 and (B) the product of (i) 0.3866 and (ii) the Perception Earnout Calculation if the Initial Transaction Proceeds are less than \$150,000,000; and

The number of Innoviz ordinary shares issuable pursuant to the earnout assumes the consummation of the Stock Split.

## DIRECTOR AND EXECUTIVE COMPENSATION

### Directors

Under the Companies Law, the compensation of a public company's directors requires the approval of its compensation committee, the subsequent approval of its board of directors and, unless exempted under regulations promulgated under the Companies Law, the approval of its shareholders at a general meeting. If the compensation of a public company's directors is inconsistent with its stated compensation policy, then, those provisions that must be included in the compensation policy according to the Companies Law must have been considered by the compensation committee and board of directors, and the shareholder approval will require a special majority under which:

- at least a majority of the shares held by all shareholders who are not controlling shareholders and do not have a personal interest in such matter, present and voting at such meeting, are voted in favor of the compensation package, excluding abstentions; or
- the total number of shares of non-controlling shareholders and shareholders who do not have a personal interest in such matter voting against the compensation package does not exceed 2% of the aggregate voting rights in the company.

### Executive Officers other than the Chief Executive Officer

The Companies Law requires the approval of the compensation of a public company's executive officers (other than the chief executive officer) in the following order: (i) the compensation committee, (ii) the company's board of directors, and (iii) if such compensation arrangement is inconsistent with the company's stated compensation policy, the company's shareholders (by a special majority vote as discussed above with respect to the approval of director compensation). However, if the shareholders of the company do not approve a compensation arrangement with an executive officer that is inconsistent with the company's stated compensation policy, the compensation committee and board of directors may override the shareholders' decision if each of the compensation committee and the board of directors provide detailed reasons for their decision.

### Chief Executive Officer

Under the Companies Law, the compensation of a public company's chief executive officer is required to be approved by: (i) the company's compensation committee; (ii) the company's board of directors, and (iii) the company's shareholders (by a special majority vote as discussed above with respect to the approval of director compensation). However, if the shareholders of the company do not approve the compensation arrangement with the chief executive officer, the compensation committee and board of directors may override the shareholders' decision if each of the compensation committee and the board of directors provide detailed reasons for their decision. The approval of each of the compensation committee and the board of directors should be in accordance with the company's stated compensation policy; however, in special circumstances, they may approve compensation terms of a chief executive officer that are inconsistent with such policy provided that they have considered those provisions that must be included in the compensation policy according to the Companies Law and that shareholder approval was obtained (by a special majority vote as discussed above with respect to the approval of director compensation). In addition, the compensation committee may waive the shareholder approval requirement with regard to the approval of the engagement terms of a candidate for the chief executive officer position if they determine that the compensation arrangement is consistent with the company's stated compensation policy, that the chief executive officer did not have a prior business relationship with the company or a controlling shareholder of the company and that subjecting the approval of the engagement to a shareholder vote would impede the company's ability to engage the chief executive officer candidate.

### Aggregate Compensation of Office Holders

The aggregate compensation paid by Innoviz and its subsidiaries to its executive officers and directors, including share-based compensation, for the year ended December 31, 2020, was approximately \$

This amount includes approximately \$            million set aside or accrued to provide pension, severance, retirement or similar benefits or expenses, but does not include business travel, relocation, professional and business association dues and expenses reimbursed to office holders, and other benefit costs commonly reimbursed or paid by companies in Israel.

In addition, see “*Description of the Transactions—Merger Consideration*” for a description on the payments to the Company Management in connection with the consummation of the Business Combination Agreement.

As of December 31, 2020, options to purchase            Innoviz ordinary shares granted to Innoviz’s executive officers and directors were outstanding under its equity incentive plans at a weighted average exercise price of \$            .

After the closing of the Business Combination, Innoviz initially intends to pay to each of its non-employee directors an annual cash retainer of \$            and a per meeting fee of \$            . It also intends to reimburse them for expenses arising from their board membership.

### **2016 Share Incentive Plan**

Innoviz’ 2016 Share Incentive Plan (the “Plan”) was adopted by its board of directors on May 23, 2016. The Plan provides for the grant of options to our employees, directors, office holders, service providers and consultants of Innoviz and its subsidiaries.

*Authorized Shares.* As of the date of December 31, 2020, are            Innoviz ordinary shares reserved and available for issuance under the Plan. Ordinary shares subject to options granted under the Plan that expire or become unexercisable without having been exercised in full will become available again for future grant under the 2021 Equity Incentive Plan.

*Administration.* Innoviz’s board of directors, or a duly authorized committee of Innoviz’s board of directors, administers the Plan. Under the Plan, the administrator has the authority, subject to applicable law, to interpret the terms of the Plan and any notices of grant or options granted thereunder, designate recipients of option grants, determine and amend the terms of awards, including the exercise price of an option award, the fair market value of a Innoviz ordinary share, the time and vesting schedule applicable to an option grant or the method of payment for an award, accelerate or amend the vesting schedule applicable to an option grant, prescribe the forms of agreement for use under the Plan and take all other actions and make all other determinations necessary for the administration of the Plan. If the administrator is a duly authorized committee of our board of directors, Innoviz’s board of directors will determine the grant of options to be made, if any, to members of such committee.

The administrator also has the authority to amend and rescind rules and regulations relating to the Plan or terminate the Plan at any time before the date of expiration of its ten year term.

*Eligibility.* The Plan provides for granting awards under various tax regimes, including, without limitation, in compliance with Section 102 (“Section 102”) of the Israeli Income Tax Ordinance (New Version), 5721-1961 (the “Ordinance”), and Section 3(i) of the Ordinance, and for awards granted to our United States employees or service providers, including those who are deemed to be residents of the United States for tax purposes, Section 422 of the Code and Section 409A of the Code.

Section 102 of the Ordinance allows employees, directors and officers who are not controlling shareholders and are considered Israeli residents to receive favorable tax treatment for compensation in the form of shares or options under certain terms and conditions. Our non-employee service providers and controlling shareholders who are considered Israeli residents may only be granted options under section 3(i) of the Ordinance, which does

## Table of Contents

not provide for similar tax benefits. Section 102 includes two alternatives for tax treatment involving the issuance of options or shares to a trustee for the benefit of the grantees and also includes an additional alternative for the issuance of options or shares directly to the grantee. Section 102(b)(2) of the Ordinance, the most favorable tax treatment for the grantee, permits the issuance to a trustee under the “capital gain track”.

*Grant.* All awards granted pursuant to the Plan are evidenced by an award agreement, in a form approved, from time to time, by the administrator, in its sole discretion. The award agreement sets forth the terms and conditions of the award, including the type of award, number of shares subject to such award, vesting schedule and conditions (including performance goals or measures) and the exercise price, if applicable. Certain awards under the 2019 Plan may constitute or provide for a deferral of compensation, subject to Section 409A of the Code, which may impose additional requirements on the terms and conditions of such awards.

Each award will expire ten years from the date of the grant thereof, unless such shorter term of expiration is otherwise designated by the administrator.

*Awards.* The Plan provides for the grant of options (including incentive stock options and nonqualified stock options), ordinary shares, restricted shares, restricted share units and other share-based awards.

Options granted under the Plan to our employees who are U.S. residents may qualify as “incentive stock options” within the meaning of Section 422 of the Code, or may be non-qualified stock options. The exercise price of a stock option may not be less than 100% of the fair market value of the underlying share on the date of grant (or 110% in the case of ISOs granted to certain significant shareholders).

*Exercise.* An award under the Plan may be exercised by providing Innoviz with a written or electronic notice of exercise and full payment of the exercise price for such shares underlying the award, if applicable, in such form and method as may be determined by the administrator and permitted by applicable law. An award may not be exercised for a fraction of a share. With regard to tax withholding, exercise price and purchase price obligations arising in connection with awards under the Plan, the administrator may, in its discretion, among others, accept cash or otherwise provide for net withholding of shares in a cashless exercise mechanism.

*Transferability.* Other than by will, the laws of descent and distribution or as otherwise provided under the Plan, neither the options nor any right in connection with such options are assignable or transferable.

*Termination of Employment.* In the event of termination of a grantee’s employment or service with Innoviz or any of its affiliates, all vested and exercisable awards held by such grantee as of the date of termination may be exercised within three months after such date of termination, unless otherwise determined by the administrator. After such three month period, all such unexercised awards will terminate and the shares covered by such awards shall again be available for issuance under the Plan.

In the event of termination of a grantee’s employment or service with Innoviz or any of its affiliates due to such grantee’s death or “disability” (as defined in the Plan), all vested and exercisable awards held by such grantee as of the date of termination may be exercised by the grantee or the grantee’s legal guardian, estate, or by a person who acquired the right to exercise the award by bequest or inheritance, as applicable, within 5 years after such date of termination, unless otherwise provided by the administrator. Any awards which are unvested as of the date of such termination or which are vested but not then exercised within the 5 months period following such date, will terminate and the shares covered by such awards shall again be available for issuance under the Plan.

Notwithstanding any of the foregoing, if a grantee’s employment or services with Innoviz or any of its affiliates is terminated for “cause” (as defined in the Plan), unless otherwise determined by the Committee, all outstanding awards held by such grantee (whether vested or unvested) will terminate on the date of such termination and the shares covered by such awards shall again be available for issuance under the Plan.

*Transactions.* In the event of a share split, reverse share split, share dividend, recapitalization, combination or reclassification of our shares, or any other increase or decrease in the number of issued shares effected without receipt of consideration Innoviz (but not including the conversion of any convertible securities of Innoviz), the administrator in its sole discretion shall make an appropriate adjustment in the number of shares related to each outstanding award and to the number of shares reserved for issuance under the Plan, to the class and kind of shares subject to the Plan, as well as the exercise price per share of each outstanding award, as applicable, the terms and conditions concerning vesting and exercisability and the term and duration of outstanding awards, or any other terms that the administrator adjusts in its discretion, or the type or class of security, asset or right underlying the award (which need not be only that of Innoviz, and may be that of the surviving corporation or any affiliate thereof or such other entity party to any of the above transactions); provided that any fractional shares resulting from such adjustment shall be rounded to the nearest whole share.

In the event of a merger or consolidation of Innoviz, or a sale of all, or substantially all, of Innoviz's shares or assets or other transaction having a similar effect on Innoviz, or change in the composition of the board of directors, or liquidation or dissolution, or such other transaction or circumstances that the board of directors determines to be a relevant transaction, then without the consent of the grantee, the administrator may, but is not required to, (i) cause any outstanding award to be assumed or substituted by such successor corporation, or (ii) regardless of whether or not the successor corporation assumes or substitutes the award (a) provide the grantee with the option to exercise the award as to all or part of the shares, and may provide for an acceleration of vesting of unvested awards, or (b) cancel the award and pay in cash, shares of Innoviz, the acquirer or other corporation which is a party to such transaction or other property as determined by the administrator as fair in the circumstances. Notwithstanding the foregoing, the administrator may upon such event amend, modify or terminate the terms of any award as it shall deem, in good faith, appropriate.

### **2021 Share Incentive Plan**

Innoviz intends to adopt a new share incentive plan, or the 2021 Plan, in connection with this offering, under which it may grant equity-based incentive awards to attract, motivate and retain the talent for which it competes. After the adoption of the 2021 Plan, Innoviz will no longer grant any awards under the 2016 Share Incentive Plan, though previously granted options under the 2016 Share Incentive Plan remain outstanding and governed by the 2016 Share Incentive Plan.

*Authorized Shares.* The maximum number of Innoviz ordinary shares available for issuance under the 2021 Plan is equal to the sum of (i) shares (which also includes any shares subject to awards under the 2016 Share Incentive Plan which have expired or become unexercisable without having been exercised), and (ii) an annual increase on the first day of each year beginning in 2022 and ending in and including 2031, equal to the lesser of (A) 5% of the outstanding shares on the last day of the immediately preceding calendar year and (B) such amount as determined by Innoviz's board of directors if so determined prior to January 1 of a calendar year;; provided, however, no more than shares may be issued upon the exercise of incentive stock options, or ISOs. If permitted by the Innoviz, shares tendered to pay the exercise price or withholding tax obligations with respect to an award granted under the 2021 Plan or 2016 Share Incentive Plan may again be available for issuance under the 2021 Plan. Innoviz's board of directors may also reduce the number of ordinary shares reserved and available for issuance under the 2021 Plan in its discretion.

*Administration.* Innoviz's board of directors, or a duly authorized committee of Innoviz's board of directors, will administer the 2021 Plan. Under the 2021 Plan, the administrator has the authority, subject to applicable law, to interpret the terms of the 2021 Plan and any award agreements or awards granted thereunder, designate recipients of awards, determine and amend the terms of awards, including the exercise price of an option award, the fair market value of an ordinary share, the time and vesting schedule applicable to an award or the method of payment for an award, accelerate or amend the vesting schedule applicable to an award, prescribe the forms of agreement for use under the 2021 Plan and take all other actions and make all other determinations necessary for the administration of the 2021 Plan.

The administrator also has the authority to amend and rescind rules and regulations relating to the 2021 Plan or terminate the 2021 Plan at any time before the date of expiration of its ten year term.

*Eligibility.* The 2021 Plan provides for granting awards under various tax regimes, including, without limitation, in compliance with Section 102 of the Israeli Income Tax Ordinance (New Version), 5721-1961 (the “Ordinance”), and Section 3(i) of the Ordinance and for awards granted to Innoviz’s United States employees or service providers, including those who are deemed to be residents of the United States for tax purposes, Section 422 of the Code and Section 409A of the Code.

Section 102 of the Ordinance allows employees, directors and officers who are not controlling shareholders and are considered Israeli residents to receive favorable tax treatment for compensation in the form of shares or options. Innoviz’s non-employee service providers and controlling shareholders may only be granted options under section 3(i) of the Ordinance, which does not provide for similar tax benefits.

*Grant.* All awards granted pursuant to the 2021 Plan will be evidenced by an award agreement, in a form approved, from time to time, by the administrator in its sole discretion. The award agreement will set forth the terms and conditions of the award, including the type of award, number of shares subject to such award, vesting schedule and conditions (including performance goals or measures) and the exercise price, if applicable. Certain awards under the 2021 Plan may constitute or provide for a deferral of compensation, subject to Section 409A of the Code, which may impose additional requirements on the terms and conditions of such awards.

Each award will expire seven years from the date of the grant thereof, unless such shorter term of expiration is otherwise designated by the administrator.

*Awards.* The 2021 Plan provides for the grant of stock options (including incentive stock options and nonqualified stock options), ordinary shares, restricted shares, restricted share units and other share-based awards.

Options granted under the 2021 Plan to Innoviz’s employees who are U.S. residents may qualify as “incentive stock options” within the meaning of Section 422 of the Code, or may be non-qualified stock options. The exercise price of a stock option may not be less than 100% of the fair market value of the underlying share on the date of grant (or 110% in the case of ISOs granted to certain significant shareholders).

*Exercise.* An award under the 2021 Plan may be exercised by providing Innoviz with a written or electronic notice of exercise and full payment of the exercise price for such shares underlying the award, if applicable, in such form and method as may be determined by the administrator and permitted by applicable law. An award may not be exercised for a fraction of a share. With regard to tax withholding, exercise price and purchase price obligations arising in connection with awards under the 2021 Plan, the administrator may, in its discretion, accept cash, provide for net withholding of shares in a cashless exercise mechanism or direct a securities broker to sell shares and deliver all or a part of the proceeds to Innoviz or the trustee. Unless otherwise determined by the administrator, all options will be exercised using a cashless exercise mechanism.

*Transferability.* Other than by will, the laws of descent and distribution or as otherwise provided under the 2021 Plan, neither the options nor any right in connection with such options are assignable or transferable.

*Termination of Employment.* In the event of termination of a grantee’s employment or service with Innoviz or any of its affiliates, all vested and exercisable awards held by such grantee as of the date of termination may be exercised within three months after such date of termination, unless otherwise determined by the administrator. After such three month period, all such unexercised awards will terminate and the shares covered by such awards shall again be available for issuance under the 2021 Plan.

In the event of termination of a grantee’s employment or service with Innoviz or any of its affiliates due to such grantee’s death, permanent disability or retirement, all vested and exercisable awards held by such grantee

as of the date of termination may be exercised by the grantee or the grantee's legal guardian, estate, or by a person who acquired the right to exercise the award by bequest or inheritance, as applicable, within twelve months after such date of termination, unless otherwise provided by the administrator. Any awards which are unvested as of the date of such termination or which are vested but not then exercised within the twelve month period following such date, will terminate and the shares covered by such awards shall again be available for issuance under the 2021 Plan.

Notwithstanding any of the foregoing, if a grantee's employment or services with Innoviz or any of its affiliates is terminated for "cause" (as defined in the 2021 Plan), all outstanding awards held by such grantee (whether vested or unvested) will terminate on the date of such termination and the shares covered by such awards shall again be available for issuance under the 2021 Plan.

*Transactions.* In the event of a share split, reverse share split, share dividend, recapitalization, combination or reclassification of Innoviz's shares, or any other increase or decrease in the number of issued shares effected without receipt of consideration by Innoviz (but not including the conversion of any convertible securities of Innoviz), the administrator in its sole discretion shall make an appropriate adjustment in the number of shares related to each outstanding award and to the number of shares reserved for issuance under the 2021 Plan, to the class and kind of shares subject to the 2021 Plan, as well as the exercise price per share of each outstanding award, as applicable, the terms and conditions concerning vesting and exercisability and the term and duration of outstanding awards, or any other terms that the administrator adjusts in its discretion, or the type or class of security, asset or right underlying the award (which need not be only that of Innoviz, and may be that of the surviving corporation or any affiliate thereof or such other entity party to any of the above transactions); provided that any fractional shares resulting from such adjustment shall be rounded down to the nearest whole share unless otherwise determined by the administrator. In the event of a distribution of a cash dividend to all shareholders, the administrator may determine, without the consent of any holder of an award, that the exercise price of an outstanding and unexercised award shall be reduced by an amount equal to the per share gross dividend amount distributed by Innoviz, subject to applicable law.

In the event of a merger or consolidation of Innoviz, or a sale of all, or substantially all, of the Innoviz's shares or assets or other transaction having a similar effect on Innoviz, or change in the composition of the board of directors, or liquidation or dissolution, or such other transaction or circumstances that the board of directors determines to be a relevant transaction, then without the consent of the grantee, the administrator may but is not required to (i) cause any outstanding award to be assumed or substituted by such successor corporation, or (ii) regardless of whether or not the successor corporation assumes or substitutes the award (a) provide the grantee with the option to exercise the award as to all or part of the shares, and may provide for an acceleration of vesting of unvested awards, or (b) cancel the award and pay in cash, shares of Innoviz, the acquirer or other corporation which is a party to such transaction or other property as determined by the administrator as fair in the circumstances. Notwithstanding the foregoing, the administrator may upon such event amend, modify or terminate the terms of any award as it shall deem, in good faith, appropriate.

***Director Independence***

As an Israeli company, Innoviz is subject to various corporate governance requirements under the Companies Law. However, pursuant to regulations promulgated under the Companies Law, companies with shares traded on certain U.S. stock exchanges, including Nasdaq, may, subject to certain conditions, opt out from the Companies Law requirements to appoint external directors and related Companies Law rules concerning the composition of the audit committee, compensation committee and nominating committee of the board of directors (other than the gender diversification rule under the Companies Law, which requires the appointment of a director from the other gender if at the time a director is appointed all members of the board of directors are of the same gender). In accordance with these regulations, Innoviz has elected to opt out of those requirements of the Companies Law. These exemptions will continue to be available to Innoviz so long as: (i) it does not have a "controlling shareholder" as used under the Companies Law, (ii) its shares are traded on certain U.S. stock exchanges, including Nasdaq, and (iii) it complies with the director independence requirements and the audit committee, compensation committee and nominating committee composition requirements under U.S. laws (including applicable Nasdaq rules) applicable to U.S. domestic issuers.

The term "controlling shareholder" as used in the Companies Law for purposes related to external directors and for the requirements related to appointment to the audit committee, compensation committee or nominating committee, as described below, means a shareholder with the ability to direct the activities of the company, other than by virtue of being an office holder. A shareholder is presumed to be a controlling shareholder if the shareholder holds 50% or more of the voting rights in a company or has the right to appoint the majority of the directors of the company or its general manager. With respect to certain matters (including various related party transactions), a controlling shareholder is deemed to include a shareholder that holds 25% or more of the voting rights in a public company if no other shareholder holds more than 50% of the voting rights in the company, but excludes a shareholder whose power derives solely from his or her position as a director of the company or from any other position with the company

Accordingly, Innoviz intends to comply with Nasdaq rule 5605(b)(1), which requires that the board of directors be comprised of a majority of independent directors. A majority of the Innoviz board of directors will be composed of directors who are "independent" as defined by the rules of Nasdaq and Innoviz will seek to have all of the nonmanagement directors qualify as "independent" under these standards. The board of directors is expected to establish categorical standards to assist it in making its determination of director independence. We

## Table of Contents

use the definition of “independence” of Nasdaq to make this determination. We are not yet listed on Nasdaq, and although we use its definition of “independence,” its rules are inapplicable to us until such time as we become listed on Nasdaq. Nasdaq Listing Rule 5605(a)(2) provides that an “independent director” is a person other than an officer or employee of Innoviz or any other individual having a relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Nasdaq rules provide that a director cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of Innoviz;
- the director or a family member of the director accepted any compensation from Innoviz in excess of \$120,000 during any period of 12 consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);
- a family member of the director is, or at any time during the past three years was, an executive officer of Innoviz;
- the director or a family member of the director is a partner in, controlling shareholder of, or an executive officer of an entity to which Innoviz made, or from which Innoviz received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient’s consolidated gross revenue for that year or \$200,000, whichever is greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of Innoviz served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of Innoviz’s outside auditor, or at any time during the past three years was a partner or employee of Innoviz’s outside auditor, and who worked on Innoviz’s audit.

Under the following three Nasdaq director independence rules a director is not considered independent: (a) Nasdaq Rule 5605(a)(2)(A), a director is not considered to be independent if he or she also is an executive officer or employee of the corporation, (b) Nasdaq Rule 5605(a)(2)(B), a director is not considered independent if he or she accepted any compensation from Innoviz in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, and (c) Nasdaq Rule 5605(a)(2)(D), a director is not considered to be independent if he or she is a partner in, or a controlling shareholder or an executive officer of, any organization to which Innoviz made, or from which Innoviz received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient’s consolidated gross revenues for that year, or \$200,000. Under such definitions, Innoviz will have independent directors.

The board of directors will assess on a regular basis, and at least annually, the independence of directors and will make a determination as to which members are independent. References to “Innoviz” above include any subsidiary in a consolidated group with Innoviz. The terms “immediate family member” and “executive officer” above are expected to have the same meanings specified for such terms in the Nasdaq listing standards.

However, as a foreign private issuer, Innoviz is permitted to comply with Israeli corporate governance practices instead of the Nasdaq corporate governance rules, *provided* that it disclose which requirements it is not following and the equivalent Israeli requirement. Innoviz intends to rely on this “home country practice exemption” solely with respect to the quorum requirement for shareholder meetings. As permitted under the Companies Law, pursuant to the Innoviz Articles to be effective following upon the closing of the Business Combination, the quorum required for an ordinary meeting of shareholders will consist of at least two shareholders present in person, by proxy or by other voting instrument in accordance with the Companies Law, who hold at least 25% of the voting power of its shares (and in an adjourned meeting, with some exceptions, any number of shareholders), instead of 33 1/3% of the issued share capital required under the Nasdaq corporate

governance rules. Innoviz otherwise intends to comply with the rules generally applicable to U.S. domestic companies listed on Nasdaq. It may in the future decide to use the foreign private issuer exemption with respect to some or all of the other corporate governance rules.

### **Chairman of the Board**

The Innoviz Articles to be effective upon the closing of this offering provide that the chairman of the board is appointed by the members of the board of directors and serves as chairman of the board throughout his term as a director, unless resolved otherwise by the board of directors. Under the Companies Law, the chief executive officer (or any relative of the chief executive officer) may not serve as the chairman of the board of directors, and the chairman (or any relative of the chairman) may not be vested with authorities of the chief executive officer without shareholder approval consisting of a majority vote of the shares present and voting at a shareholders meeting, *provided* that either:

- at least a majority of the shares of non-controlling shareholders or shareholders that do not have a personal interest in the approval voted at the meeting are voted in favor (disregarding abstentions); or
- the total number of shares of non-controlling shareholders and shareholders who do not have a personal interest in such appointment voting against such appointment does not exceed 2% of the aggregate voting rights in the company.

In addition, a person subordinated, directly or indirectly, to the chief executive officer may not serve as the chairman of the board of directors; the chairman of the board may not be vested with authorities that are granted to those subordinated to the chief executive officer; and the chairman of the board may not serve in any other position in the company or a controlled company, but he may serve as a director or chairman of a subsidiary.

### **External Directors**

Under the Companies Law, companies incorporated under the laws of the State of Israel that are public companies, including companies with shares listed on Nasdaq, are required to appoint at least two external directors who must meet heightened independence requirements. Pursuant to regulations promulgated under the Companies Law, companies with shares traded on certain U.S. stock exchanges, including Nasdaq, may, subject to certain conditions, opt out from the Companies Law requirements to appoint external directors and related Companies Law rules concerning the composition of the audit committee, compensation committee and nominating committee of the board of directors. In accordance with these regulations, Innoviz has elected to opt out from these Companies Law requirements. Instead, Innoviz must comply with the director independence requirements, the audit committee, the compensation committee and the nominating committee composition requirements under U.S. laws (including applicable Nasdaq rules) applicable to U.S. domestic issuers.

### **Committees of the Board of Directors**

The board of directors will have the following standing committees: an Audit Committee, a Compensation Committee and a Nominating Committee.

#### ***Audit Committee***

The Audit Committee will be responsible, among its other duties and responsibilities, for overseeing Innoviz's accounting and financial reporting processes, audits of financial statements, qualifications and independence of the independent registered public accounting firm, the effectiveness of internal control over financial reporting and the performance of the internal audit function and independent registered public accounting firm. The Audit Committee will review and assess the qualitative aspects of Innoviz's financial reporting, processes to manage business and financial risks, and compliance with significant applicable legal, ethical and regulatory requirements. The Audit Committee will be directly responsible for the appointment,

compensation, retention and oversight of the independent registered public accounting firm. In addition, the Audit Committee will be responsible for the following additional matters pursuant to the Companies Law:

- recommending to the board of directors the retention and termination of the internal auditor, and the internal auditor’s engagement fees and terms, in accordance with the Companies Law as well as approving the yearly or periodic work plan proposed by the internal auditor;
- reviewing with our general counsel and/or external counsel, as deemed necessary, legal and regulatory matters that could have a material impact on the financial statements;
- identifying irregularities in our business administration, including by consulting with the internal auditor or with the independent auditor, and suggesting corrective measures to the board of directors;
- reviewing policies and procedures with respect to transactions (other than transactions related to the compensation or terms of services) between the company and officers and directors, or affiliates of officers or directors, or transactions that are not in the ordinary course of the Company’s business and deciding whether to approve such acts and transactions if so required under the Companies Law; and
- establishing procedures for the handling of employees’ complaints as to the management of our business and the protection to be provided to such employees.

Following the completion of the distribution, the charter of the Audit Committee will be available without charge at <https://innoviz.tech>.

The members of the Audit Committee are expected to be \_\_\_\_\_ and \_\_\_\_\_. The board of directors is expected to designate \_\_\_\_\_ and \_\_\_\_\_ as “audit committee financial experts” and to determine that each member is “financially literate” under the Nasdaq rules. The board of directors is also expected to determine that each member of the Audit Committee is “independent” as defined under the Nasdaq rules and Exchange Act rules and regulations.

### ***Compensation Committee***

The Compensation Committee will be responsible, among its other duties and responsibilities, for reviewing and approving all forms of compensation to be provided to, and employment agreements with, the executive officers and directors of Innoviz and its subsidiaries, establishing the general compensation policies of Innoviz and its subsidiaries and reviewing, approving and overseeing the administration of the employee benefits plans of Innoviz and its subsidiaries. The Compensation Committee will also be responsible for:

- recommending to the board of directors with respect to the approval of the compensation policy for “office holders” (a term used under the Companies Law, which essentially means directors and executive officers) and, once every three years, regarding any extensions to a compensation policy that has been in effect for a period of more than three years;
- reviewing the implementation of the compensation policy and periodically recommending to the board of directors with respect to any amendments or updates of the compensation plan;
- resolving whether or not to approve arrangements with respect to the terms of office and employment of office holders; and
- exempting, under certain circumstances, from the requirement of approval by the general meeting of shareholders, transactions with the chief executive officer of Innoviz.

The charter of the Compensation Committee will be available without charge at <https://innoviz.tech>.

The members of the Compensation Committee are expected to be \_\_\_\_\_ and \_\_\_\_\_. The board of directors is expected to determine that each member of the Compensation Committee is “independent” as defined under the Nasdaq listing standards. The Compensation Committee has the authority to retain compensation consultants, outside counsel and other advisers.

***Compensation Policy under the Companies Law***

In general, under the Companies Law, a public company must have a compensation policy approved by the board of directors after receiving and considering the recommendations of the compensation committee. In addition, a compensation policy must be approved at least once every three years, first, by the issuer's board of directors, upon recommendation of its compensation committee, and second, by a simple majority of the ordinary shares present, in person or by proxy, and voting at a shareholders meeting, provided that either:

- such majority includes at least a majority of the shares held by shareholders who are not controlling shareholders and do not have a personal interest in such compensation policy and who are present and voting (excluding abstentions); or
- the total number of shares of non-controlling shareholders and shareholders who do not have a personal interest in the compensation policy and who vote against the policy, does not exceed 2% of the company's aggregate voting rights.

In the event that the shareholders fail to approve the compensation policy in a duly convened meeting, the board of directors may nevertheless override that decision, provided that the compensation committee and then the board of directors decide, on the basis of detailed reasons and after further review of the compensation policy, that approval of the compensation policy is for the benefit of the company despite the failure of the shareholders to approve the policy.

If a company that adopts a compensation policy in advance of its initial public offering (or in this case, prior to the closing of the Business Compensation) describes the policy in its prospectus for such offering, then that compensation policy shall be deemed validly adopted in accordance with the Companies Law and will remain in effect for term of five years from the date such company becomes a public company.

The compensation policy must serve as the basis for decisions concerning the financial terms of employment or engagement of office holders, including exculpation, insurance, indemnification or any monetary payment or obligation of payment in respect of employment or engagement. The compensation policy must relate to certain factors, including advancement of the company's objectives, business plan and long-term strategy, and creation of appropriate incentives for office holders. It must also consider, among other things, the company's risk management, size and the nature of its operations. The compensation policy must furthermore consider the following additional factors:

- the education, skills, experience, expertise and accomplishments of the relevant office holder;
- the office holder's position, responsibilities and prior compensation agreements with him or her;
- the ratio between the cost of the terms of employment of an office holder and the cost of the employment of other employees of the company, including employees employed through contractors who provide services to the company, in particular the ratio between such cost, the average and median salary of the employees of the company, as well as the impact of such disparities on the work relationships in the company;
- if the terms of employment include variable components—the possibility of reducing variable components at the discretion of the board of directors and the possibility of setting a limit on the value of non-cash variable equity-based components; and
- if the terms of employment include severance compensation—the term of employment or office of the office holder, the terms of his or her compensation during such period, the company's performance during the such period, his or her individual contribution to the achievement of the company goals and the maximization of its profits and the circumstances under which he or she is leaving the company.

The compensation policy must also include, among other things:

- with regard to variable components of compensation:
  - with the exception of office holders who report directly to the chief executive officer, provisions determining the variable components on the basis of long-term performance and on measurable

## Table of Contents

criteria; however, the company may determine that an immaterial part of the variable components of the compensation package of an office holder shall be awarded based on non-measurable criteria, if such amount is not higher than three monthly salaries per annum, while taking into account such office holder's contribution to the company; and

- the ratio between variable and fixed components, as well as the limit on the values of variable components at the time of their grant.
- a condition under which the office holder will return to the company, according to conditions to be set forth in the compensation policy, any amounts paid as part of his or her terms of employment, if such amounts were paid based on information later to be discovered to be wrong, and such information was restated in the company's financial statements;
- the minimum holding or vesting period of variable equity-based components to be set in the terms of office or employment, as applicable, while taking into consideration long-term incentives; and
- a limit on retirement grants.

Innoviz's compensation policy, which will become effective immediately after the consummation of the Business Combination, is designed to promote retention and motivation of directors and executive officers, incentivize superior individual excellence, align the interests of our directors and executive officers with our long-term performance and provide a risk management tool. To that end, a portion of an executive officer compensation package is targeted to reflect our short and long-term goals, as well as the executive officer's individual performance. On the other hand, its compensation policy includes measures designed to reduce the executive officer's incentives to take excessive risks that may harm Innoviz in the long-term, such as limits on the value of cash bonuses and equity-based compensation, limitations on the ratio between the variable and the total compensation of an executive officer and minimum vesting periods for equity-based compensation.

The compensation policy also addresses Innoviz's executive officers' individual characteristics (such as their respective positions, education, scope of responsibilities and contribution to the attainment of its goals) as the basis for compensation variation among its executive officers and considers the internal ratios between compensation of its executive officers and directors and other employees. Pursuant to Innoviz's compensation policy, the compensation that may be granted to an executive officer may include: base salary, annual bonuses and other cash bonuses (such as a signing bonus and special bonuses with respect to any special achievements, such as outstanding personal achievement, outstanding personal effort or outstanding company performance), equity-based compensation, benefits and retirement and termination of service arrangements. All cash bonuses are limited to a maximum amount linked to the executive officer's base salary. In addition, the total variable compensation components (cash bonuses and equity-based compensation) may not exceed % of each executive officer's total compensation package with respect to any given calendar year.

An annual cash bonus may be awarded to executive officers upon the attainment of pre-set periodic objectives and individual targets. The annual cash bonus that may be granted to Innoviz's executive officers other than its chief executive officer will be based on performance objectives and a discretionary evaluation of the executive officer's overall performance by the chief executive officer and subject to minimum thresholds. The annual cash bonus that may be granted to executive officers other than Innoviz's chief executive officer may be based entirely on a discretionary evaluation. Furthermore, Innoviz's chief executive officer will be entitled to recommend performance objectives, and such performance objectives will be approved by the Compensation Committee (and, if required by law, by Innoviz's board of directors).

The performance measurable objectives of Innoviz's chief executive officer will be determined annually by Innoviz's Compensation Committee and board of directors and will include the weight to be assigned to each achievement in the overall evaluation. A less significant portion of the chief executive officer's annual cash bonus may be based on a discretionary evaluation of the chief executive officer's overall performance by the Compensation Committee and the board of directors based on quantitative and qualitative criteria.

## Table of Contents

The equity-based compensation under the compensation policy for Innoviz's executive officers is designed in a manner consistent with the underlying objectives in determining the base salary and the annual cash bonus. Primary objectives include enhancing the alignment between the executive officers' interests and Innoviz's long-term interests and those of its shareholders and strengthening the retention and the motivation of executive officers in the long term. Innoviz's compensation policy provides for executive officer compensation in the form of share options or other equity-based awards, such as restricted shares and restricted share units, in accordance with its share incentive plan then in place. All equity-based incentives granted to executive officers shall be subject to vesting periods in order to promote long-term retention of the awarded executive officers. Equity-based compensation shall be granted from time to time and be individually determined and awarded according to the performance, educational background, prior business experience, qualifications, role and the personal responsibilities of the executive officer.

In addition, the compensation policy contains compensation recovery provisions which allows Innoviz under certain conditions to recover bonuses paid in excess, enables its chief executive officer to approve immaterial changes in the terms of employment of an executive officer (provided that the changes of the terms of employment are in accordance our compensation policy) and allows Innoviz to exculpate, indemnify and insure its executive officers and directors subject to certain limitations as set forth therein.

The compensation policy also provides for compensation to the members of Innoviz's board of directors either (i) in accordance with the amounts provided in the Companies Regulations (Rules Regarding the Compensation and Expenses of an External Director) of 2000, as amended by the Companies Regulations (Relief for Public Companies Traded in Stock Exchange Outside of Israel) of 2000, as such regulations may be amended from time to time, or (ii) in accordance with the amounts determined in the compensation policy.

Innoviz's compensation policy, which was approved by its board of directors and shareholders on \_\_\_\_\_, 2021, will become effective upon the closing of the Business Combination and is filed as an exhibit to the registration statement of which this prospectus forms a part.

### ***Nominating Committee***

Following the closing of the Business Combination, Innoviz's Nominating Committee will consist of \_\_\_\_\_ and \_\_\_\_\_, and be responsible, among other things, for:

- overseeing and assisting its board in reviewing and recommending nominees for election as directors;
- assessing the performance of the members of the board; and
- establishing and maintaining effective corporate governance policies and practices, including, but not limited to, developing and recommending to our board a set of corporate governance guidelines applicable to Innoviz.

The charter of the Nominating Committee will be available without charge at <https://innoviz.tech>.

### **Internal Auditor**

Under the Companies Law, the board of directors of a public company must appoint an internal auditor based on the recommendation of the audit committee. The role of the internal auditor is, among other things, to examine whether a company's actions comply with applicable law and orderly business procedure. Under the Companies Law, the internal auditor cannot be an interested party or an office holder or a relative of an interested party or an office holder, nor may the internal auditor be the company's independent auditor or its representative. An "interested party" is defined in the Companies Law as: (i) a holder of 5% or more of the issued share capital or voting power in a company, (ii) any person or entity who has the right to designate one or more directors or to designate the chief executive officer of the company, or (iii) any person who serves as a director or as a chief executive officer of the company. As of the date of this prospectus, Innoviz has not yet appointed an internal auditor.

## CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

### **Certain Relationships and Related Person Transactions—Collective Growth**

#### ***Sponsor Shares***

In December 2019, the Sponsor purchased 4,312,500 shares of Class B Stock for an aggregate purchase price of \$25,000, or approximately \$0.006 per share. The Sponsor subsequently transferred certain of the shares of Class B Stock to members of Collective Growth's management team and their designees at the same price originally paid for such shares. In May 2020, an aggregate of 562,500 shares of Class B Stock were forfeited as a result of the underwriters not exercising their over-allotment option from the initial public offering, resulting in an aggregate of 3,750,000 shares of Class B Stock outstanding.

#### ***Collective Growth Private Placement Warrants***

Simultaneously with the consummation of the Collective Growth IPO, Collective Growth consummated the private sale of 262,500 private units at a price of \$10.00 per unit and 1,875,000 private warrants at \$1.00 per warrant generating gross proceeds of \$4.5 million. The private units and private warrants are identical to the units and warrants underlying the units sold in the Collective Growth IPO, except that the private warrants are not transferable, assignable or salable until 30 days after the completion of a business combination, subject to certain limited exceptions.

#### ***Agreements with Directors and Officers and their Affiliates***

Collective Growth agreed to pay Tim Saunders, its Chief Financial Officer, \$10,000 per month for six months, commencing upon consummation of the Collective Growth IPO, and to accrue \$12,000 per month for six months from the date of the Collective Growth IPO for his services as Chief Financial Officer. Such amounts are not payable until, and are only payable upon, consummation of the Business Combination.

Commencing on the date of the Collective Growth IPO, Collective Growth has been obligated to pay Ocelot Capital Management LLC, an affiliate of certain of Collective Growth's officers and directors, a total of \$10,000 per month for office space, utilities and secretarial and administrative support. Upon completion of the Business Combination or Collective Growth's liquidation, these monthly fees will cease being owed.

Collective Growth also entered into indemnification agreements with each of its officers and directors.

#### ***Affiliate Loans***

Prior to the closing of the Collective Growth IPO, the Sponsor loaned Collective Growth \$150,000 to be used for a portion of the expenses of the Collective Growth IPO. Such loans were repaid upon consummation of the Collective Growth IPO.

In order to fund working capital deficiencies or finance transaction costs in connection with an intended initial business combination, the Sponsor and Collective Growth's officers and directors or their respective affiliates may, but are not obligated to, loan Collective Growth funds as may be required. If Collective Growth completes the Business Combination, Collective Growth would repay such loaned amounts, if any. In the event that the Business Combination does not close, Collective Growth may use a portion of the working capital held outside the trust account to repay such loaned amounts, if any, but no proceeds from the trust account would be used for such repayment. If made, up to \$750,000 of such loans may be convertible into private units at a price of \$10.00 per unit and \$750,000 of such loans may be convertible into private warrants of Collective Growth at a price of \$1.00 per warrant at the option of the lender.

***Reimbursement of Expenses***

Other than as described above, no compensation of any kind was or will be paid by Collective Growth to the Sponsor, executive officers and directors, or any of their respective affiliates, for services rendered prior to or in connection with the completion of an initial business combination. However, these individuals will be reimbursed for any out-of-pocket expenses incurred in connection with activities on Collective Growth's behalf such as identifying potential target businesses and performing due diligence on suitable business combinations, which totaled \$ \_\_\_\_\_ as of the date of this proxy statement/prospectus. Collective Growth's audit committee reviews on a quarterly basis all payments that were made to the Sponsor, officers, directors or its or their affiliates.

***Registration Rights***

The holders of Collective Growth's shares prior to the Collective Growth IPO, as well as the holders of the private units and private warrants and any units or warrants the Sponsor or its affiliates may be issued in payment of working capital loans made to Collective Growth (and all underlying securities), are entitled to registration rights pursuant to an agreement signed on the effective date of the Collective Growth IPO. The holders of a majority of these securities are entitled to make up to two demands that Collective Growth register such securities. The holders of a majority of the private warrants or warrants issued in payment of working capital loans made to Collective Growth (or underlying securities) can elect to exercise these registration rights at any time after Collective Growth consummates a business combination. In addition, the holders have certain "piggy-back" registration rights with respect to registration statements filed subsequent to Collective Growth's consummation of a business combination. Collective Growth or any successor entity will be obligated to bear the expenses incurred in connection with the filing of any such registration statements.

**Certain Relationships and Related Person Transactions—Innoviz**

a breach of their duty of care to Innoviz to the fullest extent permitted by law and undertaking to indemnify them to the fullest extent permitted by law, subject to certain exceptions, including with respect to liabilities resulting from this offering to the extent that these liabilities are not covered by insurance.

### ***Material Agreements***

See “*Innoviz’s Business—Material Agreements*” for a description of certain commercial contractual arrangements with BMW and Magna.

### **Approval of Related Party Transactions under Israeli Law**

#### ***Fiduciary Duties of Directors and Executive Officers***

The Companies Law codifies the fiduciary duties that office holders owe to a company. An office holder is defined in the Companies Law as a general manager, chief business manager, deputy general manager, vice general manager, any other person assuming the responsibilities of any of these positions regardless of such person’s title, a director and any other manager directly subordinate to the general manager. Each person listed in the table under the section titled “*Management Following the Business Combination*” is an office holder under the Companies Law.

An office holder’s fiduciary duties consist of a duty of care and a duty of loyalty. The duty of care requires an office holder to act with the level of care with which a reasonable office holder in the same position would have acted under the same circumstances. The duty of loyalty requires that an office holder act in good faith and in the best interests of the company.

The duty of care includes a duty to use reasonable means to obtain:

- information on the appropriateness of a given action submitted for his or her approval or performed by virtue of his or her position; and
- all other important information pertaining to these actions.

The duty of loyalty includes a duty to:

- refrain from any conflict of interest between the performance of his or her duties in the company and his or her personal affairs;
- refrain from any activity that is competitive with the business of the company;
- refrain from exploiting any business opportunity of the company in order to receive a personal gain for himself or herself or others; and
- disclose to the company any information or documents relating to the company’s affairs which the office holder received as a result of his or her position as an office holder.

#### ***Disclosure of Personal Interests of an Office Holder and Approval of Certain Transactions***

The Companies Law requires that an office holder promptly disclose to the board of directors any personal interest that he or she may have and all related material information known to him or her concerning any existing or proposed transaction with the company. A personal interest includes an interest of any person in an act or transaction of a company, including a personal interest of one’s relative or of a corporate body in which such person or a relative of such person is a 5% or greater shareholder, director or general manager or in which he or she has the right to appoint at least one director or the general manager, but excluding a personal interest stemming solely from one’s ownership of shares in the company.

If it is determined that an office holder has a personal interest in a non-extraordinary transaction, approval by the board of directors is required for the transaction, unless the company’s articles of association provide for a different method of approval. Any transaction that is adverse to the company’s interests may not be approved by the board of directors.

---

## Table of Contents

Approval first by the company's audit committee and subsequently by the board of directors is required for an extraordinary transaction, meaning any transaction that is not in the ordinary course of business, not on market terms or that is likely to have a material impact on the company's profitability, assets or liabilities.

A director and any other office holder who has a personal interest in a transaction which is considered at a meeting of the board of directors or the audit committee may generally (unless it is with respect to a transaction which is not an extraordinary transaction) not be present at such a meeting or vote on that matter unless a majority of the directors or members of the audit committee, as applicable, have a personal interest in the matter. If a majority of the members of the audit committee or the board of directors has a personal interest in the approval of such a transaction then all of the directors may participate in deliberations of the audit committee or board of directors, as applicable, with respect to such transaction and vote on the approval thereof and, in such case, shareholder approval is also required.

Pursuant to the Companies Law, compensation arrangements such as insurance, indemnification or exculpation arrangements with office holders who are not the chief executive officer or a director require compensation committee approval and subsequent approval by the board of directors. Compensation arrangements need to comply with the compensation policy of the company. In special circumstances, the compensation committee and the board of directors may approve compensation arrangements that do not comply with the compensation policy of the company, subject to the approval of a majority vote of the shares present and voting at a shareholders meeting, *provided* that either: (a) such majority includes at least a majority of the shares held by all shareholders who are not controlling shareholders and do not have a personal interest in such compensation arrangement; or (b) the total number of shares of non-controlling shareholders and shareholders who do not have a personal interest in the compensation arrangement and who vote against the arrangement does not exceed two percent of the company's aggregate voting rights (the "Special Majority Vote for Compensation"). In the event that the Special Majority Vote for Compensation is not obtained, the compensation committee and the board of directors may reconsider the compensation arrangement and approve it, after a detailed review.

### ***Shareholder Duties***

Pursuant to the Companies Law, a shareholder has a duty to act in good faith and in a customary manner toward the company and other shareholders and to refrain from abusing his or her power with respect to the company, including, among other things, in voting at a general meeting and at shareholder class meetings with respect to the following matters:

- an amendment to the company's articles of association;
- an increase of the company's authorized share capital;
- a merger; or
- interested party transactions that require shareholder approval.

In addition, a shareholder has a general duty to refrain from discriminating against other shareholders.

Certain shareholders also have a duty of fairness toward the company. These shareholders include any controlling shareholder as such term is used under the Companies Law, any shareholder who knows that it has the power to determine the outcome of a shareholder vote and any shareholder who has the power to appoint or to prevent the appointment of an office holder of the company or exercise any other rights available to it under the company's articles of association with respect to the company. The Companies Law does not define the substance of this duty of fairness, except to state that the remedies generally available upon a breach of contract will also apply in the event of a breach of the duty of fairness.

Innoviz may also issue and redeem redeemable securities on such terms and in such manner as our board of directors shall determine. The board of directors may not make calls or assessments on the Innoviz ordinary shares.

The following descriptions of share capital and provisions of the Innoviz Articles are summaries and are qualified by reference to the Innoviz Articles to be effective upon the closing of the Business Combination. ### Election of Directors

Under the amended and restated articles of association to be effective upon completion of the Business Combination, the board of directors must consist of not less than \_\_\_\_\_ but no more than \_\_\_\_\_ directors. Pursuant to the amended and restated articles of association to be effective upon the closing of the Business Combination, each of our directors (other than the Perception director as discussed below) will be appointed by a simple majority vote of holders of our voting shares, participating and voting at an annual general meeting of our shareholders.

In addition, until the date on which Perception together with its permitted transferees beneficially own less than 50% of the total number of Innoviz shares Perception beneficially owns immediately following the consummation of the Business Combination, Perception shall be entitled to appoint, remove and replace one director, subject to the board composition rules under applicable law and the rules of any stock exchange on which the shares of Innoviz are then listed.

power of the shareholders at a general meeting of Innoviz's shareholders or upon the occurrence of certain events, in accordance with the Companies Law and the Innoviz Articles. In addition, the amended and restated articles of association allow Innoviz's board of directors to fill vacancies on the board of directors or to appoint new directors up to the maximum number of directors permitted under the Innoviz Articles. Such directors serve for a term of office equal to the remaining period of the term of office of the directors(s) whose office(s) have been vacated or in the case of new directors, for a term of office according to the class to which such director was assigned upon appointment.

### **Authorized but Unissued Capital Stock**

See "*Authorized Capitalization*" above.

### **Listing, Register Number and Purpose**

Upon the consummation of the Business Combination, the Innoviz ordinary shares are expected to be listed and traded on Nasdaq under the trading symbol, "INVZ."

Innoviz's registration number at the Israeli Registrar of Companies is (and, following the Business Combination, the combined company's number is expected to remain) 515382422. The combined company's purpose under its amended articles of association will include every lawful purpose or activity.

### **Dividend and Liquidation Rights**

Innoviz may declare a dividend to be paid to the holders of the Innoviz ordinary shares in proportion to their respective shareholdings. Under the Companies Law, dividend distributions are determined by the board of directors and do not require the approval of the shareholders of a company unless the company's articles of association provide otherwise. The Innoviz Articles will not require shareholder approval of a dividend distribution and provide that dividend distributions may be determined by the board of directors.

Pursuant to the Companies Law, the distribution amount is limited to the greater of retained earnings or earnings generated over the previous two years, according to the company's most recently reviewed or audited financial statements, provided that the end of the period to which the financial statements relate is not more than six months prior to the date of the distribution. If a company does not meet such criteria, then it may distribute dividends only with court approval. In each case, Innoviz would only be permitted to distribute a dividend if its board of directors and the court, if applicable, determines that there is no reasonable concern that payment of the dividend will prevent it from satisfying its existing and foreseeable obligations as they become due.

In the event of Innoviz's liquidation, after satisfaction of liabilities to creditors, its assets will be distributed to the holders of the Innoviz ordinary shares in proportion to their shareholdings. This right, as well as the right to receive dividends, may be affected by the grant of preferential dividend or distribution rights to the holders of a class of shares with preferential rights which may be authorized in the future.

### **Shareholder Meetings**

Under Israeli law, Innoviz is required to hold an annual general meeting of its shareholders once every calendar year and no later than 15 months after the date of the previous annual general meeting. All meetings other than the annual general meeting of shareholders are referred to in the amended and restated articles of association as special meetings. The board of directors may call special meetings whenever it sees fit, at such time and place, within or outside of Israel, as it may determine. In addition, the Companies Law provides that the board of directors is required to convene a special meeting upon the written request of (i) any two or more of Innoviz's directors or one-quarter or more of the members of Innoviz's board of directors or (ii) one or more shareholders holding, in the aggregate, either (a) 5% or more of Innoviz's issued and outstanding shares and 1% or more of Innoviz's outstanding voting power or (b) 5% or more of Innoviz's outstanding voting power.

---

Under the Companies Law and the Innoviz Articles, shareholders are not permitted to take action by way of written consent in lieu of a meeting.

### **Voting Rights**

All Innoviz ordinary shares will have identical voting and other rights in all respects.

### **Quorum**

Pursuant to the amended and restated articles of association, holders of the Innoviz ordinary shares have one vote for each ordinary share held on all matters submitted to a vote before the shareholders at a general meeting. The quorum required for Innoviz's general meetings of shareholders consists of at least two shareholders present in person, by proxy or written ballot who hold or represent between them at least 25% of the total outstanding voting rights. A meeting adjourned for lack of a quorum shall be adjourned either to the same day in the next week, at the same time and place, to such day and at such time and place as indicated in the notice to such meeting, or to such day and at such time and place as the chairperson of the meeting shall determine. At the reconvened meeting, any number of shareholders present in person or by proxy shall constitute a quorum, unless a meeting was called pursuant to a request by our shareholders, in which case the quorum required is one or more shareholders, present in person or by proxy and holding the number of shares required to call the meeting as described under "*—Shareholder Meetings.*"

### **Vote Requirements**

The amended and restated articles of association provide that all shareholder resolutions require a simple majority vote, unless otherwise required by the Companies Law or by the amended and restated articles of association. Under the Companies Law, each of (i) the approval of an extraordinary transaction with a controlling shareholder and (ii) the terms of employment or other engagement of the controlling shareholder of the company or such controlling shareholder's relative (even if such terms are not extraordinary) require a special majority

approval, and approval of certain compensation-related matters require the approval described above under “*Management Following the Business Combination—Committees of the Board of Directors—Compensation Committee*” and “*—Compensation Policy under the Companies Law*.” Under the amended and restated articles of association, the alteration of the rights, privileges, preferences or obligations of any class of Innoviz’s shares requires a simple majority of the class so affected (or such other percentage of the relevant class that may be set forth in the governing documents relevant to such class), in addition to the ordinary majority vote of all classes of shares voting together as a single class at a shareholder meeting. The Innoviz Articles also provide that the removal of any director from office or the amendment of the provisions relating to Innoviz’s staggered board requires the vote of % of the total voting power of its shareholders. Another exception to the simple majority vote requirement is a resolution for the voluntary winding up, or an approval of a scheme of arrangement or reorganization, of the company pursuant to Section 350 of the Companies Law, which requires the approval of a majority of the holders holding at least 75% of the voting rights represented at the meeting and voting on the resolution.

### **Access to Corporate Records**

Under the Companies Law, all shareholders generally have the right to review minutes of the general meetings and the shareholder register, and, with respect to material shareholders, the articles of association, the financial statements, any document Innoviz is required by law to file publicly with the Israeli Companies Registrar or the Israeli Securities Authority and other documents as provided in the Companies Law. Any shareholder who specifies the purpose of its request may request to review any document in our possession that relates to any action or transaction with a related party which requires shareholder approval under the Companies Law. Innoviz may deny a request to review a document if it determines that the request was not made in good faith, that the document contains a commercial secret or a patent or that the document’s disclosure may otherwise impair its interests.

### **Changes in Capital**

The Innoviz Articles enable Innoviz to increase or reduce its share capital. Any such changes are subject to Israeli law and must be approved by a resolution duly passed by its shareholders at a general meeting by voting on such change in the capital. In addition, transactions that have the effect of reducing capital, such as the declaration and payment of dividends in the absence of sufficient retained earnings or profits, require the approval of both the board of directors and an Israeli court.

### **Limitations on Liability and Indemnification of Officers and Directors**

Under the Companies Law, a company may not exculpate an office holder from liability for a breach of the duty of loyalty. An Israeli company may exculpate in advance an office holder from liability to the company, in whole or in part, for damages caused to the company as a result of a breach of duty of care but only if a provision authorizing such exculpation is included in its articles of association. The Innoviz Articles to be effective following the closing of the Business Combination include such a provision. The company may not exculpate a director from liability arising out of a prohibited dividend or distribution to shareholders.

Under the Companies Law, a company may indemnify an office holder in respect of the following liabilities and expenses incurred for acts performed as an office holder, either in advance of an event or following an event, provided a provision authorizing such indemnification is contained in its articles of association:

- a financial liability imposed on him or her in favor of another person pursuant to a judgment, including a settlement or arbitrator’s award approved by a court. However, if an undertaking to indemnify an office holder with respect to such liability is provided in advance, then such an undertaking must be limited to events which, in the opinion of the board of directors, can be foreseen based on the company’s activities when the undertaking to indemnify is given, and to an amount or according to criteria determined by the board of directors as reasonable under the circumstances, and such undertaking shall detail the abovementioned events and amount or criteria;

- reasonable litigation expenses, including attorneys' fees, incurred by the office holder as a result of an investigation or proceeding instituted against him or her by an authority authorized to conduct such investigation or proceeding, *provided* that (i) no indictment was filed against such office holder as a result of such investigation or proceeding; and (ii) no financial liability, such as a criminal penalty, was imposed upon him or her as a substitute for the criminal proceeding as a result of such investigation or proceeding or, if such financial liability was imposed, it was imposed with respect to an offense that does not require proof of criminal intent; and
- reasonable litigation expenses, including attorneys' fees, incurred by the office holder or imposed by a court in proceedings instituted against him or her by the company, on its behalf or by a third-party or in connection with criminal proceedings in which the office holder was acquitted or as a result of a conviction for an offense that does not require proof of criminal intent.

Under the Companies Law and the Israeli Securities Law, a company may insure an office holder against the following liabilities incurred for acts performed as an office holder if and to the extent provided in the company's articles of association:

- a breach of the duty of loyalty to the company, to the extent that the office holder acted in good faith and had a reasonable basis to believe that the act would not prejudice the company;
- a breach of the duty of care to the company or to a third-party, including a breach arising out of the negligent conduct of the office holder;
- a financial liability imposed on the office holder in favor of a third-party;
- a financial liability imposed on the office holder in favor of a third-party harmed by a breach in an administrative proceeding; and
- reasonable litigation expenses, including attorneys' fees, incurred by the office holder as a result of an administrative proceeding instituted against him or her.

Under the Companies Law, a company may not indemnify, exculpate or insure an office holder against any of the following:

- a breach of the duty of loyalty, except to the extent that the office holder acted in good faith and had a reasonable basis to believe that the act would not prejudice the company;
- a breach of the duty of care committed intentionally or recklessly, excluding a breach arising out of the negligent conduct of the office holder;
- an act or omission committed with intent to derive illegal personal benefit; or
- a fine or forfeit levied against the office holder.

Under the Companies Law, exculpation, indemnification and insurance of office holders must be approved by the audit committee and the board of directors and, with respect to directors, also by shareholders.

The Innoviz Articles permit Innoviz to exculpate, indemnify and insure its office holders for any liability imposed on them as a consequence of an act (including any omission) which was performed by virtue of being an office holder. The office holders are currently covered by a directors and officers' liability insurance policy.

Innoviz has entered into agreements with each of its directors and executive officers exculpating them, to the fullest extent permitted by law, from liability to Innoviz for damages caused to it as a result of a breach of duty of care, and undertaking to indemnify them to the fullest extent permitted by law. This indemnification is limited to events determined as foreseeable by the board of directors based on Innoviz's activities, and to an amount or according to criteria determined by the board of directors as reasonable under the circumstances.

---

## **Table of Contents**

Effective as of the date of the close of this offering, the maximum indemnification amount set forth in such agreements is limited to an amount equal to the higher of \$ \_\_\_\_\_ and \_\_\_\_\_ % of Innoviz shareholder's equity as reflected in Innoviz's most recent consolidated financial statements prior to the date on which the indemnity payment is made. The maximum amount set forth in such agreements is in addition to any amount paid (if paid) under insurance and/or by a third-party pursuant to an indemnification arrangement.

In the opinion of the SEC, indemnification of directors and office holders for liabilities arising under the Securities Act is against public policy and therefore unenforceable.

There is no pending litigation or proceeding against any of Innoviz's office holders as to which indemnification is being sought, nor is Innoviz aware of any pending or threatened litigation that may result in claims for indemnification by any office holder.

### **Exclusive Jurisdiction of Certain Actions**

Unless Innoviz consents in writing to the selection of an alternative forum, the federal district courts of the United States of America shall be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act.

### **Transfer Agent, Warrant Agent and Registrar**

The transfer agent and registrar for the Innoviz ordinary shares is Continental Stock Transfer & Trust Company. Its address is 1 State Street, 30th Floor, New York, NY 10004, and its telephone number is (212) 509-4000.

### **Registration Rights**

For a discussion of the registration rights that Innoviz will be granting to its existing shareholders, certain of Collective Growth's existing stockholders, Perception and Antara, which will provide certain rights relating to the future registration and sale of shares of the combined company following the Business Combination, including, among others, (i) the right to cause the combined company to file a shelf registration statement pursuant to which such shares will be registered with the SEC for future resale and (ii) the right, under certain circumstances, to cause the combined company to initiate a resale of such shares in an underwritten public offering, please see "*Agreements Entered into in Connection with the Business Combination Agreement—Registration Rights Agreement.*"

### **Anti-Takeover Provisions**

#### ***Acquisitions under Israeli Law***

##### *Full Tender Offer*

A person wishing to acquire shares of a public Israeli company and who could as a result hold over 90% of the target company's voting rights or the target company's issued and outstanding share capital (or of a class thereof), is required by the Companies Law to make a tender offer to all of the company's shareholders for the purchase of all of the issued and outstanding shares of the company (or the applicable class). If (a) the shareholders who do not accept the offer hold less than 5% of the issued and outstanding share capital of the company (or the applicable class) and the shareholders who accept the offer constitute a majority of the offerees that do not have a personal interest in the acceptance of the tender offer or (b) the shareholders who did not accept the tender offer hold less than 2% of the issued and outstanding share capital of the company (or of the applicable class), all of the shares that the acquirer offered to purchase will be transferred to the acquirer by operation of law. A shareholder who had its shares so transferred may petition the court within six months from the date of acceptance of the full tender offer, regardless of whether such shareholder agreed to the offer, to

---

## Table of Contents

determine whether the tender offer was for less than fair value and whether the fair value should be paid as determined by the court. However, an offeror may provide in the offer that a shareholder who accepted the offer will not be entitled to appraisal rights as described in the preceding sentence, as long as the offeror and the company disclosed the information required by law in connection with the tender offer. If the full tender offer was not accepted in accordance with any of the above alternatives, the acquirer may not acquire shares of the company that will increase its holdings to more than 90% of the company's issued and outstanding share capital (or of the applicable class) from shareholders who accepted the tender offer.

### *Special Tender Offer*

The Companies Law provides that an acquisition of shares of an Israeli public company must be made by means of a special tender offer if as a result of the acquisition the purchaser would become a holder of 25% or more of the voting rights in the company. This rule does not apply if there is already another holder of 25% or more of the voting rights in the company. Similarly, the Companies Law provides that an acquisition of shares in a public company must be made by means of a tender offer if as a result of the acquisition the purchaser would become a holder of more than 45% of the voting rights in the company, if there is no other shareholder of the company who holds more than 45% of the voting rights in the company. These requirements do not apply if the acquisition (i) occurs in the context of a private placement by the company that received shareholder approval, (ii) was from a shareholder holding 25% or more of the voting rights in the company and resulted in the acquirer becoming a holder of 25% or more of the voting rights in the company, or (iii) was from a holder of more than 45% of the voting rights in the company and resulted in the acquirer becoming a holder of more than 45% of the voting rights in the company. A special tender offer may be consummated only if (i) at least 5% of the voting power attached to the company's outstanding shares will be acquired by the offeror and (ii) the number of shares tendered in the offer exceeds the number of shares whose holders objected to the offer (excluding controlling shareholders, holders of 25% or more of the voting rights in the company and any person having a personal interest in the acceptance of the tender offer).

In the event that a special tender offer is made, a company's board of directors is required to express its opinion on the advisability of the offer, or shall abstain from expressing any opinion if it is unable to do so, *provided* that it gives the reasons for its abstention. An office holder in a target company who, in his or her capacity as an office holder, performs an action the purpose of which is to cause the failure of an existing or foreseeable special tender offer or is to impair the chances of its acceptance, is liable to the potential purchaser and shareholders for damages, unless such office holder acted in good faith and had reasonable grounds to believe he or she was acting for the benefit of the company. However, office holders of the target company may negotiate with the potential purchaser in order to improve the terms of the special tender offer, and may further negotiate with third parties in order to obtain a competing offer.

If a special tender offer is accepted, then shareholders who did not respond to or that had objected the offer may accept the offer within four days of the last day set for the acceptance of the offer.

In the event that a special tender offer is accepted, then the purchaser or any person or entity controlling it or under common control with the purchaser or such controlling person or entity may not make a subsequent tender offer for the purchase of shares of the target company and may not enter into a merger with the target company for a period of one year from the date of the offer, unless the purchaser or such person or entity undertook to effect such an offer or merger in the initial special tender offer.

### *Merger*

The Companies Law permits merger transactions if approved by each party's board of directors and, unless certain conditions described under the Companies Law are met, a majority of each party's shareholders. The board of directors of a merging company is required pursuant to the Companies Law to discuss and determine whether in its opinion there exists a reasonable concern that as a result of a proposed merger, the surviving

---

## Table of Contents

company will not be able to satisfy its obligations towards its creditors, such determination taking into account the financial status of the merging companies. If the board of directors determines that such a concern exists, it may not approve a proposed merger. Following the approval of the board of directors of each of the merging companies, the boards of directors must jointly prepare a merger proposal for submission to the Israeli Registrar of Companies.

For purposes of the shareholder vote, unless a court rules otherwise, if one of the merging companies (or any person who holds 25% or more of the outstanding shares or the right to appoint 25% or more of the directors of one of the merging companies) holds shares in the other merging company, the merger will not be deemed approved if a majority of the shares voted at the shareholders meeting by shareholders other than the other party to the merger, or by any person who holds 25% or more of the outstanding shares or the right to appoint 25% or more of the directors of the other party, vote against the merger. In addition, if the non-surviving entity of the merger has more than one class of shares, the merger must be approved by each class of shareholders. If the transaction would have been approved but for the separate approval of each class or the exclusion of the votes of certain shareholders as provided above, a court may still approve the merger upon the request of holders of at least 25% of the voting rights of a company, if the court holds that the merger is fair and reasonable, taking into account the value of the parties to the merger and the consideration offered to the shareholders. If a merger is with a company's controlling shareholder or if the controlling shareholder has a personal interest in the merger, then the merger is instead subject to the same special majority approval that governs all extraordinary transactions with controlling shareholders.

Under the Companies Law, each merging company must inform its secured creditors of the proposed merger plans. Upon the request of a creditor of either party to the proposed merger, the court may delay or prevent the merger if it concludes that there exists a reasonable concern that, as a result of the merger, the surviving company will be unable to satisfy the obligations of any of the parties to the merger, and may further give instructions to secure the rights of creditors.

In addition, a merger may not be completed unless at least 50 days have passed from the date that a proposal for approval of the merger is filed with the Israeli Registrar of Companies and 30 days from the date that shareholder approval of both merging companies is obtained.

### ***Anti-Takeover Measures***

The Companies Law allows Innoviz to create and issue shares having rights different from those attached to its ordinary shares, including shares providing certain preferred rights with respect to voting, distributions or other matters and shares having preemptive rights. As of the closing of this offering, no preferred shares will be authorized under the amended and restated articles of association. In the future, if Innoviz does authorize, create and issue a specific class of preferred shares, such class of shares, depending on the specific rights that may be attached to it, may have the ability to frustrate or prevent a takeover or otherwise prevent Innoviz shareholders from realizing a potential premium over the market value of their ordinary shares. The authorization and designation of a class of preferred shares will require an amendment to the Innoviz Articles, which requires the prior approval of the holders of a majority of the voting power attaching to the issued and outstanding shares at a general meeting. The convening of the meeting, the shareholders entitled to participate and the majority vote required to be obtained at such a meeting will be subject to the requirements set forth in the Companies Law as described above in "—Voting Rights." In addition, as disclosed under "—Election of Directors" Innoviz will have a classified board structure upon completion of this offering, which will limit the ability of any investor or potential investor or group of investors or potential investors to gain control of Innoviz's board of directors.

## DESCRIPTION OF INNOVIZ WARRANTS

### Public Warrants

Each whole warrant entitles the registered holder to purchase one whole ordinary share of no par value of the combined company, subject to adjustment as discussed below, at any time commencing on the date of the consummation of the transactions contemplated by the Business Combination Agreement. Pursuant to the Existing Warrant Agreement, as amended by the Warrant Agreement Amendment, a warrant holder may exercise its warrants only for a whole number of Innoviz ordinary shares. This means that only a whole warrant may be exercised at any given time by a warrant holder. No fractional warrants will be issued and only whole warrants will trade. The warrants will expire at 5:00 p.m., New York City time on the date that is five years after the date of the consummation of the transactions contemplated by the Business Combination Agreement or earlier upon redemption or liquidation.

The combined company will not be obligated to deliver any Innoviz ordinary shares pursuant to the exercise of a warrant and will have no obligation to settle such warrant exercise unless a registration statement under the Securities Act with respect to the Innoviz ordinary shares underlying the warrants is then effective and a prospectus relating thereto is current, subject to the combined company satisfying its registration obligations. See "*Agreements Entered into in Connection with the Business Combination Agreement—Registration Rights Agreement*." No warrant will be exercisable and the combined company will not be obligated to issue Innoviz ordinary shares upon exercise of a warrant unless Innoviz ordinary shares issuable upon such warrant exercise have been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the warrants. In the event that the conditions in the two immediately preceding sentences are not satisfied with respect to a warrant, the holder of such warrant will not be entitled to exercise such warrant and such warrant may have no value and expire worthless. In no event will the combined company be required to net cash settle any warrant.

During any period when the combined company has failed to maintain an effective registration statement, warrant holders may, until such time as there is an effective registration statement, exercise warrants on a cashless basis pursuant to the exemption provided by Section 3(a)(9) of the Securities Act, provided that such exemption is available. If that exemption, or another exemption, is not available, holders will not be able to exercise their warrants on a cashless basis.

The combined company may call the warrants for redemption:

- in whole and not in part;
- at a price of \$0.01 per warrant;
- upon not less than 30 days' prior written notice of redemption (the "30-day redemption period") to each warrant holder; and
- if, and only if, the reported last sale price of the Innoviz ordinary shares of the combined company equals or exceeds \$18.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within a 30-trading day period commencing on the date of the consummation of the transactions contemplated by the Business Combination Agreement and ending three business days before the combined company sends the notice of redemption to the warrant holders.

If and when the warrants become redeemable by the combined company, the combined company may not exercise its redemption right if the issuance of Innoviz ordinary shares upon exercise of the warrants is not exempt from registration or qualification under applicable state blue sky laws or the combined company is unable to effect such registration or qualification. The combined company will use its best efforts to register or qualify such Innoviz ordinary shares under the blue sky laws of the state of residence in those states in which the warrants were offered by us in this offering.

## Table of Contents

The combined company established the last of the redemption criteria discussed above to prevent a redemption call unless there is at the time of the call a significant premium to the warrant exercise price. If the foregoing conditions are satisfied and the combined company issues a notice of redemption of the warrants, each warrant holder will be entitled to exercise its warrant prior to the scheduled redemption date. However, the price of the Innoviz ordinary shares may fall below the \$18.00 redemption trigger price (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) as well as the \$11.50 warrant exercise price after the redemption notice is issued.

If the combined company calls the warrants for redemption as described above, its management will have the option to require any holder that wishes to exercise its warrant to do so on a “cashless basis.” In determining whether to require all holders to exercise their warrants on a “cashless basis,” the combined company’s management will consider, among other factors, its cash position, the number of warrants that are outstanding and the dilutive effect on its shareholders of issuing the maximum number of Innoviz ordinary shares issuable upon the exercise of the combined company’s warrants. If the combined company’s management takes advantage of this option, all holders of warrants would pay the exercise price by surrendering their warrants for that number of Innoviz ordinary shares equal to the quotient obtained by dividing (x) the product of the number of Innoviz ordinary shares underlying the warrants, multiplied by the difference between the exercise price of the warrants and the “fair market value” (defined below) by (y) the fair market value. The “fair market value” shall mean the average reported last sale price of the Innoviz ordinary shares for the 10 trading days ending on the third trading day prior to the date on which the notice of redemption is sent to the holders of warrants. If the combined company’s management takes advantage of this option, the notice of redemption will contain the information necessary to calculate the number of Innoviz ordinary shares to be received upon exercise of the warrants, including the “fair market value” in such case. Requiring a cashless exercise in this manner will reduce the number of shares to be issued and thereby lessen the dilutive effect of a warrant redemption. This may be an attractive option to the combined company if it does not need the cash from the exercise of the warrants. If the combined company calls the warrants for redemption and management does not take advantage of this option, holders of private warrants would still be entitled to exercise their private warrants for cash or on a cashless basis using the same formula described above that other warrant holders would have been required to use had all warrant holders been required to exercise their warrants on a cashless basis, as described in more detail below. See “—Private Warrants.”

A holder of a warrant may notify the combined company in writing in the event it elects to be subject to a requirement that such holder will not have the right to exercise such warrant, to the extent that after giving effect to such exercise, such person (together with such person’s affiliates), to the warrant agent’s actual knowledge, would beneficially own in excess of 4.9% or 9.8% (or such other amount as a holder may specify) of the Innoviz ordinary shares outstanding immediately after giving effect to such exercise.

If the number of outstanding Innoviz ordinary shares is increased by a stock dividend payable in Innoviz ordinary shares, or by a split-up of Innoviz ordinary shares or other similar event, then, on the effective date of such share dividend, split-up or similar event, the number of Innoviz ordinary shares issuable on exercise of each warrant will be increased in proportion to such increase in the number of outstanding Innoviz ordinary shares. A rights offering to holders of Innoviz ordinary shares entitling holders to purchase Innoviz ordinary shares at a price less than the fair market value will be deemed a share dividend of a number of Innoviz ordinary shares equal to the product of (i) the number of Innoviz ordinary shares actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for Innoviz ordinary shares) and (ii) one (1) minus the quotient of (x) the price per Innoviz ordinary share paid in such rights offering divided by (y) the fair market value. For these purposes (i) if the rights offering is for securities convertible into or exercisable for Innoviz ordinary shares, in determining the price payable for Innoviz ordinary shares, there will be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) fair market value means the volume weighted average price of Innoviz ordinary shares as reported during the ten (10) trading day period ending on the trading day prior to the first date on which the Innoviz ordinary shares trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

---

## Table of Contents

In addition, if the combined company, at any time while the warrants are outstanding and unexpired, pays a dividend or makes a distribution in cash, securities or other assets to the holders of Innoviz ordinary shares on account of such Innoviz ordinary shares (or other shares of the combined company's capital stock into which the warrants are convertible), other than (a) as described above or (b) certain ordinary cash dividends, then the warrant exercise price will be decreased, effective immediately after the effective date of such event, by the amount of cash and/or the fair market value of any securities or other assets paid on each Innoviz ordinary share in respect of such event.

If the number of outstanding Innoviz ordinary shares is decreased by a consolidation, combination, reverse stock split or reclassification of Innoviz ordinary shares or other similar event, then, on the effective date of such consolidation, combination, reverse stock split, reclassification or similar event, the number of Innoviz ordinary shares issuable on exercise of each warrant will be decreased in proportion to such decrease in outstanding Innoviz ordinary shares.

Whenever the number of Innoviz ordinary shares purchasable upon the exercise of the warrants is adjusted, as described above, the warrant exercise price will be adjusted by multiplying the warrant exercise price immediately prior to such adjustment by a fraction (x) the numerator of which will be the number of Innoviz ordinary shares purchasable upon the exercise of the warrants immediately prior to such adjustment, and (y) the denominator of which will be the number of Innoviz ordinary shares so purchasable immediately thereafter.

In case of any reclassification or reorganization of the outstanding Innoviz ordinary shares (other than those described above or that solely affects the par value of such Innoviz ordinary shares), or in the case of any merger or consolidation of the combined company with or into another corporation (other than a consolidation or merger in which the combined company is the continuing corporation and that does not result in any reclassification or reorganization of the combined company's outstanding Innoviz ordinary shares), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the combined company as an entirety or substantially as an entirety in connection with which it is dissolved, the holders of the warrants will thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the warrants and in lieu of the Innoviz ordinary shares immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of Innoviz ordinary shares or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the warrants would have received if such holder had exercised their warrants immediately prior to such event. If less than 70% of the consideration receivable by the holders of Innoviz ordinary shares in such a transaction is payable in the form of Class A Stock in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the registered holder of the warrant properly exercises the warrant within thirty days following public disclosure of such transaction, the warrant exercise price will be reduced as specified in the Existing Warrant Agreement, as amended by the Warrant Agreement Amendment, based on the Black-Scholes value (as defined in the Existing Warrant Agreement, as amended by the Warrant Agreement Amendment) of the warrant. The purpose of such exercise price reduction is to provide additional value to holders of the warrants when an extraordinary transaction occurs during the exercise period of the warrants pursuant to which the holders of the warrants otherwise do not receive the full potential value of the warrants in order to determine and realize the option value component of the warrant. This formula is to compensate the warrant holder for the loss of the option value portion of the warrant due to the requirement that the warrant holder exercise the warrant within 30 days of the event. The Black-Scholes model is an accepted pricing model for estimating fair market value where no quoted market price for an instrument is available.

The warrants will be issued in registered form pursuant to the Existing Warrant Agreement, as amended by the Warrant Agreement Amendment, by and between Continental Stock Transfer & Trust Company, as warrant agent, and the combined company. You should review a copy of the Warrant Agreement Amendment, which is filed as an exhibit to this proxy statement/prospectus, and the Existing Warrant Agreement for a complete

---

## Table of Contents

description of the terms and conditions applicable to the warrants. The Existing Warrant Agreement, as amended, provides that the terms of the warrants may be amended without the consent of any holder to cure any ambiguity or correct any defective provision, but requires the approval by the holders of at least a majority of the then outstanding public warrants to make any change that adversely affects the interests of the registered holders of public warrants.

The warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price (or on a cashless basis, if applicable), by certified or official bank check payable to the combined company, for the number of warrants being exercised. The warrant holders do not have the rights or privileges of holders of Innoviz ordinary shares and any voting rights until they exercise their warrants and receive Innoviz ordinary shares. After the issuance of Innoviz ordinary shares upon exercise of the warrants, each holder will be entitled to one (1) vote for each share held of record on all matters to be voted on by shareholders.

No fractional shares will be issued upon exercise of the warrants. If, upon exercise of the warrants, a holder would be entitled to receive a fractional interest in a share, the combined company will, upon exercise, round down to the nearest whole number of Innoviz ordinary shares to be issued to the warrant holder.

### ***Private Warrants***

The warrants issued to Perception, Antara Capital Master, and Company Management at the Effective Time will be considered private warrants. The private warrants are identical to the public warrants, except that the private warrants and the Innoviz ordinary shares issuable upon the exercise of the private warrants will not be transferable, assignable or saleable until 30 days after the consummation of the Business Combination, subject to certain limited exceptions.

Additionally, the private warrants will be exercisable for cash or on a cashless basis, at the holder's option, and non-redeemable so long as they are held by Perception, Antara Capital Master, or Company Management, or their permitted transferees. If the private warrants are held by someone other than Perception, Antara Capital Master, or Company Management or their permitted transferees, the private warrants will be redeemable by the combined company and exercisable by such holders on the same basis as the public warrants. If holders of the private warrants elect to exercise them on a cashless basis, they would pay the exercise price by surrendering their warrants for that number of Innoviz ordinary shares equal to the quotient obtained by dividing (x) the product of the number of shares of Innoviz ordinary shares underlying the warrants, multiplied by the difference between the exercise price of the warrants and the "fair market value" (defined below) by (y) the fair market value. The "fair market value" means the average reported last sale price of the Innoviz ordinary shares for the 10 trading days ending on the third trading day prior to the date on which the notice of warrant exercise is sent to the warrant agent.

**COMPARISON OF RIGHTS OF INNOVIZ SHAREHOLDERS  
AND COLLECTIVE GROWTH STOCKHOLDERS**

The rights of the shareholders of Innoviz and the relative powers of the Innoviz board of directors are governed by the laws of the State of Israel and the Innoviz Articles of Association. As a result of the Transactions, securities held by the Collective Growth securityholders will be canceled and automatically converted into the right to receive Innoviz ordinary shares and/or Innoviz warrants. Each Innoviz ordinary share will be issued in accordance with, and subject to the rights and obligations of, the Innoviz Articles which will be effective upon the consummation of the Transactions, in substantially the form attached hereto as Annex . Because Innoviz will be, at the Effective Time, a company organized under the laws of the State of Israel, the rights of the stockholders of Collective Growth will be governed by Israeli law and the Innoviz Articles.

Many of the principal attributes of Innoviz ordinary shares and Collective Growth Common Stock will be similar. However, there are differences between the rights of shareholders of Innoviz under Israeli law and the rights of stockholders of Collective Growth, as in effect prior to the consummation of the Transactions under the DGCL. In addition, there are differences between the Innoviz Articles as such will be in effect from and after the consummation of the Transactions and the SPAC Charter and bylaws of Collective Growth.

The following is a summary comparison of the material differences between the rights of Collective Growth securityholders under the SPAC Charter, Collective Growth bylaws and the DGCL, and the rights of Innoviz shareholders under Israeli law and the Innoviz Articles to be effective upon consummation of the Transactions. The discussion in this section does not include a description of rights or obligations under the United States federal securities laws or Nasdaq listing requirements or of Innoviz's or Collective Growth's governance or other policies.

The statements in this section are qualified in their entirety by reference to, and are subject to, the detailed provisions of the Companies Law, the Innoviz Articles, the DGCL and the SPAC Charter and bylaws of Collective Growth as they will be in effect from and after the Effective Time. The SPAC Charter filed as an exhibit to the registration statement of which this proxy statement/prospectus forms a part. At each annual general meeting of our shareholders, the election or re-election of directors following the expiration of the term of office of the directors of that class of directors will be for a term of office that expires on the third annual general meeting following such election or re-election, such that from the annual general meeting of 2021 and after, each year the term of office of only one class of directors will expire.</p>	<p>Under the SPAC Charter, the directors are divided into three classes with staggered three-year terms. In the event that the vacancy creates a situation where the number of directors is less than \_\_\_\_\_, the continuing directors may only act (i) in an emergency, or (ii) to fill the office of a director which has become vacant, or (iii) in order to call a general meeting of the Innoviz shareholders for the purpose of electing directors to fill any and all vacancies.

**SECURITY OWNERSHIP OF CERTAIN  
BENEFICIAL OWNERS AND MANAGEMENT OF INNOVIZ AND THE COMBINED COMPANY**

The following table and accompanying footnotes set forth information known to Innoviz regarding (i) the actual beneficial ownership of the Innoviz ordinary shares and the Innoviz preferred shares, as of \_\_\_\_\_, 2021 and (ii) expected beneficial ownership of the combined company immediately following consummation of the Business Combination, assuming no public shares of Collective Growth are redeemed, and alternatively that all public shares of Collective Growth are redeemed, by:

- each person who is, or is expected to be, the beneficial owner of more than 5% of the outstanding ordinary shares or Innoviz preferred shares or ordinary shares of the combined company, as applicable;
- each of Innoviz’s current directors and named executive officers;
- each person who will become a director or named executive officer of the combined company; and
- all directors and officers of Innoviz, as a group, and of the combined company, as a group.

The beneficial ownership of Innoviz is based on \_\_\_\_\_ Innoviz ordinary shares and \_\_\_\_\_ Innoviz preferred shares issued and outstanding as of \_\_\_\_\_, 2021. In computing the number of ordinary shares and preferred shares beneficially owned by a person and the percentage ownership of such person, Innoviz deemed to be outstanding all Innoviz ordinary shares and Innoviz preferred shares subject to options held by the person that are currently exercisable or exercisable within 60 days of \_\_\_\_\_, 2021. Innoviz did not deem such shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

The expected beneficial ownership of the combined company’s ordinary shares, assuming no public shares of Collective Growth are redeemed, has been determined based upon the following: (i) no public stockholder of Collective Growth has exercised its redemption rights to receive cash from Collective Growth’s Trust Account in exchange for its public shares and Collective Growth has not issued any additional shares of Class A Stock; (ii) \_\_\_\_\_ ordinary shares have been issued pursuant to the Subscription Agreements; and (iii) there will be an aggregate of \_\_\_\_\_ ordinary shares of the combined company issued and outstanding at the closing of the Business Combination.

The expected beneficial ownership of shares of the combined company’s ordinary shares, assuming all public shares of Collective Growth have been redeemed, has been determined based on the following: (i) public stockholders have exercised their redemption rights with respect to approximately \_\_\_\_\_ shares of Class A Stock; (ii) \_\_\_\_\_ ordinary shares have been issued pursuant to the Subscription Agreements; and (iii) there will be an aggregate of \_\_\_\_\_ ordinary shares of the combined company issued and outstanding at the closing of the Business Combination.

**Report of Independent Registered Public Accounting Firm**

**To the Stockholders and the Board of Directors of**

**INNOVIZ TECHNOLOGIES LTD.**

**Opinion on the Financial Statements**

We have audited the accompanying consolidated balance sheets of Innoviz Technologies Ltd., (the “Company”) as of December 31, 2019 and 2018, the related consolidated statements of operations, convertible preferred shares and Stockholders’ deficit and cash flows for each of the two years in the period ended December 31, 2019 and the related notes (collectively referred to as the “consolidated financial statements”). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2019 and 2018, and the results of its operations and its cash flows for each of the two years in the period ended December 31, 2019, in conformity with U.S. generally accepted accounting principles.

**The Company’s Ability to Continue as a Going Concern**

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1e to the financial statements, the Company has suffered recurring losses from operations, has a negative cash-flow from operating activities, and has stated that substantial doubt exists about the Company’s ability to continue as a going concern. Management’s evaluation of the events and conditions and management’s plans regarding these matters are also described in Note 1e. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

**Basis for Opinion**

These financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal controls over financial reporting. As part of our audits we are required to obtain an understanding of internal controls over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal controls over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

**Note 1. Description of Business and Summary of Significant Accounting Policies**

***Description of Business***

Innoviz is a leading provider of high-performance, solid-state LiDAR and perception solutions that bring enhanced vision and superior performance to enable safe autonomous driving at a mass scale. We believe that Innoviz provides a complete and comprehensive solution for OEMs and Tier-1 partners that are developing and marketing autonomous driving vehicles to the passenger car and other relevant markets, such as robotaxis, shuttles and trucking. Innoviz's unique LiDAR and perception solutions, which feature technological breakthroughs across core components, have propelled Innoviz to the first Level 3 LiDAR Automotive series production contract in its industry. In addition, Innoviz's solutions can enable safe autonomy for other industries, including drones, robotics and mapping.

As of December 31, 2019, the Company had an accumulated deficit of \$149,892 thousand. During the year ended December 31, 2019, the Company incurred operating losses of approximately \$69,458 thousand, and its negative cash flow from operating activities was approximately \$69,225 thousand. As of September 30, 2020, the Company had an accumulated deficit of \$199,055 thousands (unaudited). During the nine-months ended September 30, 2020, the Company incurred operating losses of approximately \$49,760 thousand (unaudited), and its negative cash flow from operating activities was approximately \$46,598 thousand (unaudited). The Company requires additional financing in the near term in order to support its research and development activity and to continue to fund its current operations. These conditions raise substantial doubt about the Company's ability to continue as a going concern. The consolidated financial statements do not include any adjustments to the carrying amounts and classifications of assets and liabilities that would result if the Company was unable to continue as a going concern.

***Basis of Presentation***

The consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The consolidated financial statements include the accounts of the Company's wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in consolidation.

***Unaudited Interim Consolidated Financial Information***

The accompanying interim consolidated balance sheet as of September 30, 2020, the interim consolidated statements of operations, shareholders' equity, and cash flows for the nine months ended September 30, 2019 and 2020, and the related notes to such interim consolidated financial statements are unaudited. These unaudited interim consolidated financial statements have been prepared in accordance with GAAP and are presented in accordance with the rules and regulations of the U.S. Securities and Exchange Commission ("SEC") and do not include all disclosures normally required in annual consolidated financial statements prepared in accordance with GAAP. In management's opinion, the unaudited interim consolidated financial statements have been prepared on the same basis as the annual consolidated financial statements and reflect all adjustments, which include only normal recurring adjustments necessary for the fair presentation of the Company's financial position as of September 30, 2020 and the Company's consolidated results of operations and cash flows for the nine months ended September 30, 2019 and 2020. The results for the nine months ended September 30, 2020 are not necessarily indicative of the results to be expected for the full year ended December 31, 2020 or any other future interim or annual period.

## [Table of Contents](#)

### *Use of Estimates*

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Significant items subject to such estimates and assumptions include inventory reserves, warranty provision, valuation allowance for deferred tax assets, share-based compensation including the fair value of the Company's ordinary shares, useful lives of property, plant, and equipment. The Company bases these estimates on historical and anticipated results, trends and various other assumptions that it believes are reasonable under the circumstances, including assumptions as to future events. Actual results could differ from those estimates.

The novel coronavirus ("COVID-19") pandemic has created, and may continue to create, significant uncertainty in macroeconomic conditions, and the extent of its impact on the Company's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and the impact on the Company's customers. The Company considered the impact of COVID-19 on the estimates and assumptions and determined that there were no material adverse impacts on the consolidated financial statements for the period ended September 30, 2020. As events continue to evolve and additional information becomes available, the Company's estimates and assumptions may change materially in future periods.

### *Concentration of Risk*

Most of the Company's cash and cash equivalents and short-term deposits were deposited with Israeli banks and were comprised mainly of cash deposits and short-term deposits.

The Company's trade receivable derived from customers located globally. The Company mitigates its credit risks by performing credit evaluations of its customers' financial conditions and requires customer advance payments in certain circumstances. The Company generally does not require collateral.

One customer accounted for more than 50% of the Company's trade receivables as of December 31, 2018, December 31, 2019 and September 30, 2020 (refer to note 15).

### *Fair value of financial instruments:*

The estimated fair value of financial instruments has been determined by the Company using available market information and valuation methodologies. Considerable judgment is required in estimating fair values. Accordingly, the estimates may not be indicative of the amounts the Company could realize in a current market exchange. The following methods and assumptions were used by the Company in estimating the fair value of their financial instruments:

The carrying values of cash and cash equivalents, short-term and restricted deposits, trade receivables, prepaid expenses and other current assets, trade payables, employees and payroll accruals and accrued expenses and other current liabilities approximate fair values due to the short-term maturities of these instruments.

The Company applies ASC No. 820, "Fair Value Measurements and Disclosures" ("ASC No. 820"), with respect to fair value measurements of all financial assets and liabilities.

In accordance with ASC No. 820, the Company measures its short-term deposits at fair value. Short-term deposits are classified within Level 1. This is because these assets are valued using quoted market prices.

Fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based

---

## **Table of Contents**

measurement that should be determined based on assumptions that market participants would use in pricing an asset or a liability. A three-tier fair value hierarchy is established as a basis for considering such assumptions and for inputs used in the valuation methodologies in measuring fair value:

- Level 1—Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2—Include other inputs that are directly or indirectly observable in the marketplace.
- Level 3—Unobservable inputs which are supported by little or no market activity.

The fair value hierarchy also requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

### ***Consolidated Financial Statements in U.S. Dollars***

A substantial portion of the Company's financing activities, including equity transactions and cash investments, are incurred in U.S. dollars. The Company's management believes that the U.S. dollar is the currency of the primary economic environment in which the Company operates. Thus, the functional and reporting currency of the Company is the U.S. dollar.

A subsidiary's functional currency is the currency of the primary economic environment in which the subsidiary operates; normally, that is the currency of the environment in which a subsidiary primarily generates and expends cash. In making the determination of the appropriate functional currency for a subsidiary, the Company considers cash flow indicators, local market indicators, financing indicators and the subsidiary's relationship with both the parent company and other subsidiaries. For subsidiaries that are primarily a direct and integral component or extension of the parent entity's operations, the U.S. dollar is the functional currency.

The Company has determined the functional currency of its foreign subsidiaries is the U.S. Dollar. The foreign operation is considered a direct and integral part or extension of the Company's operations. The day-to-day operations of the foreign subsidiary are dependent on the economic environment of the U.S. Dollar.

Accordingly, monetary accounts maintained in currencies other than the U.S. dollar are remeasured into U.S. dollars in accordance with Statement of the Accounting Standard Codification ("ACS") No. 830 "Foreign Currency Matters" ("ASC No. 830"). All transaction gains and losses of the remeasured monetary balance sheet items are reflected in the statements of operations as financial income or expenses as appropriate.

### ***Cash and Cash Equivalents and Restricted Cash***

The Company considers all highly liquid short-term deposits with original maturities of three months or less from the purchase date to be cash equivalents. Cash equivalents consist primarily of amounts invested in short term deposits. Restricted cash consists of long-term deposits that serves as collateral for a credit card agreement and lease agreements at one of the Company's financial institutions.

### ***Accrued Post-Employment Benefit***

Under Israeli employment laws, employees of the Company are included under Section 14 of the Severance Compensation Act, 1963 ("Section 14") for a portion of their salaries. According to Section 14, these employees are entitled to monthly payments made by the Company on their behalf with insurance companies.

Payments in accordance with Section 14 release the Company from any future severance payments with respect to those employees. The obligation to make the monthly deposits is expensed as incurred. In addition, the aforementioned deposits are not recorded as an asset in the consolidated balance sheet, and there is no liability

recorded as the Company does not have a future obligation to make any additional payments. Severance costs amounted to approximately \$1.1 million and \$1.7 million for the year ended December 31, 2018 and 2019, respectively. Severance costs amounted to approximately \$1.2 million and \$1.4 million for the nine months ended September 30, 2019 and 2020, respectively.

The Company maintains a 401(k) retirement savings plan for its U.S. employees. Each eligible employee may elect to contribute a portion of the employee's compensation to the plan. As of December 31, 2018, and 2019 and September 2020, the Company has matched 100% of all employee contributions, up to 4% of the employee's base salary.

### ***Trade Receivables***

Trade accounts receivable are recorded at the invoiced amount and do not bear interest. Accounts receivable are periodically assed for allowance for doubtful accounts, which is the Company's best estimate of the amount of credit losses inherent in its existing accounts receivable. In establishing the required allowance, management considers historical losses adjusted to take into account current market conditions and customers' financial condition, the amount of receivables in dispute, and the current receivables aging and current payment patterns. The allowance of doubtful accounts was not material for the periods presented.

### ***Inventories***

Inventories are stated at the lower of cost or estimated net realizable value. Costs are computed under the standard cost method, which approximates actual costs determined on the first-in, first-out basis. The Company charges cost of revenue for write-downs of inventories which are obsolete or in excess of anticipated demand based on a consideration of marketability and product life cycle stage, product development plans, component cost trends, demand forecasts, historical revenue, and assumptions about future demand and market conditions.

### ***Property and Equipment, Net***

Property and equipment are stated at cost, less accumulated depreciation. Depreciation is calculated on a straight-line basis over the estimated useful lives of the related assets, at the following annual rates:

	%
Computers and Software	33
Office Furniture and Equipment	Mainly 15
Electronic Equipment	15
Leasehold Improvements	The shorter of the term of the lease or useful life of the assets

### ***Impairment of Long-Lived Assets:***

Long-lived assets are reviewed for impairment in accordance with ASC 360, "Property, Plant and Equipment" a ("ASC 360"), whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Impairment exists when the carrying value of the asset exceeds the aggregate undiscounted cash flows expected to be generated by the asset. The impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds their fair value. During the years ended December 31, 2018 and December 31, 2019 and the nine months ended September 30, 2020, the Company recorded impairment losses in the amount of \$0, \$0 and \$496, respectively.

### ***Leases***

Leases are reviewed and classified as either capital or operating leases at their inception. In certain lease agreements, the Company may receive renewals or expansion options, rent holidays, and other incentives. For

operating leases, the Company recognizes lease costs on a straight-line basis once control of the leased asset is achieved, without regard to deferred payment terms such as rent holidays that defer the required payments. Additionally, incentives received are treated as a reduction of costs over the term of the agreement. For the periods reported the company did not have any capital leases.

### ***Revenue Recognition***

Effective as of January 1, 2018, the Company has followed the provisions of ASC Topic 606, Revenue from Contracts with Customers (“ASC 606”), which applies to all contracts with customers. Under Topic 606, revenues are recognized when control of the promised goods or services is transferred to the customers, in an amount that reflects the consideration that the Company expects to receive in exchange for those goods or services. To determine the appropriate revenue recognition for arrangements that an entity determines are within the scope of Topic 606, the entity performs the following five steps:

- identify the contract(s) with a customer;
- identify the performance obligations in the contract;
- determine the transaction price;
- allocate the transaction price to the performance obligations in the contract; and
- recognize revenue when (or as) the entity satisfies a performance obligation.

At contract inception, once the contract is determined to be within the scope of Topic 606, the Company assesses the goods or services promised within the contract and determines those that are performance obligations and assesses whether each promised good or service is distinct.

The Company evaluates each performance obligation to determine if it is satisfied at a point in time or over time.

### ***Nature of Products and Services***

The Company derives its revenues mainly from sales of LiDAR sensors. Revenue from LiDAR sensors is recognized at a point in time when the control of the goods is transferred to the customer, generally upon delivery.

The company also provides application engineering services for its customers that are not part of a long-term production arrangement. Application engineering services revenue are recognized at a point in time or over time depending, among other considerations, on whether the Company has an enforceable right to payment, for performance completed to date. Services to certain customers may require substantive customer acceptance due to performance acceptance criteria that is considered more than a formality. For these services, revenue is recognized upon customer acceptance. The Company did not recognize revenue related to application engineering services during the years ended December 31, 2019 and 2018 and during the nine months ended September 30, 2020 as such acceptance criteria has not been met.

The Company does not have significant financing components. The Company applies the practical expedient and does not assess whether a contract has a significant financing component if the expectation at contract inception is such that the period between payment by the customer and the transfer of the promised goods or services to the customer will be one year or less.

The Company’s contracts with customer prepayment terms do not include a significant financing component because the primary purpose is not to receive financing from the customers.

### ***Right of Return***

The Company's general terms and conditions for its contracts do not contain a right of return that allows the customer to return products and receive a credit. Therefore, the Company does not estimate returns and generally recognizes revenue at contract price upon product shipment or delivery.

### ***Deferred Revenue***

Deferred revenues, which represent a contract liability, include amounts paid by customers not yet recognized as revenues.

On December 7, 2017, the Company entered into an agreement with atier-1 partner ("Partner") to provide application engineering services. Revenue related to the agreement are deferred and recognized upon customer acceptance. As of December 31, 2018, December 31, 2019 and September 30, 2020, the Company recorded deferred revenue of \$1.3 million, \$3.5 million and \$3.5 million respectively (refer also to note 16).

### ***Research and Development***

Research and development costs include personnel-related expenses associated with the Company's engineering personnel responsible for the design, development and testing of its products. Such costs related to software development are included in research and development expense until the point that technological feasibility is reached, which for our software products, is generally shortly before the products are released to production. Research and development costs are expensed as incurred.

### ***Income Taxes***

The Company accounts for income taxes in accordance with ASC 740, "Income Taxes". This standard prescribes the use of the liability method whereby deferred tax asset and liability account balances are determined based on differences between financial reporting and tax bases of assets and liabilities and are measured using the enacted tax rates and laws that will be in effect when the differences are expected to reverse. The Company provides a valuation allowance, if necessary, to reduce deferred tax assets to their estimated realizable value, and if it is more likely than not that some portion of the entire deferred tax asset will not be realized.

The Company accounts for uncertain tax positions in accordance with the provisions of ASC740-10, "Income Taxes". Accounting guidance addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the consolidated financial statements, under which a Company may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position.

### ***Contingent Liabilities***

The Company accounts for its contingent liabilities in accordance with ASC No. 450, "Contingencies". A provision is recorded when it is both probable that a liability has been incurred and the amount of the loss can be reasonably estimated. With respect to legal matters, provisions are reviewed and adjusted to reflect the impact of negotiations, estimated settlements, legal rulings, advice of legal counsel and other information and events pertaining to a particular matter. As of December 31, 2018, and 2019 and September 30, 2020, the Company is not a party to any litigation that could have a material adverse effect on the Company's business, financial position, results of operations or cash flows.

### ***Patent Costs***

Legal and related patent costs are expensed as incurred as their realization is uncertain. Costs related to patent registration are classified as general and administrative expenses in the accompanying consolidated statements of operations.

### ***Stock-Based Compensation***

The Company accounts for share-based compensation in accordance with ASC No. 718, "Compensation—Stock Compensation" ("ASC No. 718"). ASC No. 718 requires companies to estimate the fair value of equity-based payment awards on the date of grant using an option-pricing model. The value of the award is recognized as an expense over the requisite service period.

The Company measures its share-based payment awards made to employees, directors, and non-employee service providers based on estimated fair values. The fair value of each option award is estimated on the grant date using the Black-Scholes option pricing model which requires several assumptions, of which the most significant are the expected share price volatility and the expected option term. The company recognize forfeitures of equity-based awards as they occur. For graded vesting awards, the Company recognizes compensation expenses based on the straight-line method over the requisite service period.

### ***Loss per share:***

The Company computes basic loss per share in accordance with ASC Topic 260, "Earnings per Share" by dividing the net loss attributable to ordinary shareholders by the weighted average number of ordinary shares outstanding during the year. Diluted loss per share is computed by taking into account the potential dilution that could occur upon the exercise of options granted under stock-based compensation plans using the treasury stock method.

Basic and diluted net loss per share was adjusted to reflect accumulative dividend rights attributed to Innoviz preferred shares.

### ***Other Comprehensive Income (loss)***

The Company has no components of comprehensive loss other than net loss. Thus, comprehensive loss is the same as net loss for the period presented.

### ***Product Warranty***

With respect to pre-SOP products, the Company provides standard product warranties for a term of up to 12 months to ensure that its products comply with agreed-upon specifications. Standard warranties are considered to be assurance type warranties and are not accounted for as separate performance obligations. Estimated product warranty expenses are accrued in cost of sales at the time the related sale is recognized.

### Recently adopted Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (the "FASB") issued Accounting Standards Update("ASU") 2014-09—*Revenue from contracts with customers*, to achieve a consistent application of revenue recognition, resulting in a single revenue model to be applied by reporting companies under GAAP. Under the new model, recognition of revenue occurs when a customer obtains control of the promised goods or services in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. In addition, the standard requires that reporting companies disclose the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The standard is effective for public entities for fiscal years beginning after December 15, 2017 and for nonpublic entities, as amended by ASU 2020-05, fiscal years beginning after December 15, 2019. The standard is required to be applied retrospectively to each prior reporting period presented or retrospectively with the cumulative effect of initially applying it being recognized at the date of initial application. The Company adopted Accounting Standards Codification 606, Revenue from Contracts with Customers (ASC 606), effective as of January 1, 2018, using the modified retrospective transition method. The comparative information has not been restated and continues to be reported under the accounting standards in effect for those periods. The adoption did not have a material impact on the consolidated financial statements and there was no cumulative adjustment to the Company's retained earnings.

In August 2016, the FASB issued ASU No. 2016-15, Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments (a consensus of the Emerging Issues Task Force), which provides guidance to decrease the diversity in practice in how certain cash receipts and cash payments are presented and classified in the statement of cash flows. For public business entities, it is effective for fiscal years beginning after December 15, 2017, and interim periods within those fiscal years. Early adoption is permitted. The Company adopted the guidance as of January 1, 2018.

In November 2016, the FASB issued ASU No. 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash, which requires that a statement of cash flows explain the change during the period in the total of cash, cash equivalents and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. For public business entities, it is effective for fiscal years beginning after December 15, 2017, and interim periods therein. Early adoption is permitted. The Company adopted the guidance starting January 1, 2018, and the adoption did not have a material impact on the Company's consolidated financial statements.

In May 2017, the FASB issued ASU No. 2017-09, Compensation—Stock Compensation (Topic 718): Scope of Modification Accounting, which provides clarity in applying the guidance in Topic 718 around modifications

of stock-based payment awards. For public business entities, it is effective for fiscal years beginning after December 15, 2017, and interim periods therein. The Company adopted the guidance as of January 1, 2018 and the adoption did not have a material impact on the Company's consolidated financial statements.

In June 2018, the FASB issued ASUNo. 2018-07 Compensation—Stock Compensation (Topic 718): Improvements to Nonemployee Share-Based Payment Accounting. ASU 2018-07 was issued to simplify several aspects of the accounting for nonemployee share-based payment transactions resulting from expanding the scope of Topic 718, "Compensation – Stock Compensation", to include share-based payment transactions for acquiring goods and services from nonemployees. The amendments specify that Topic 718 applies to all share-based payment transactions in which a grantor acquires goods or services to be used or consumed in a grantor's own operations by issuing share-based payment awards. The Company adopted ASU 2018-07 as of January 1, 2018. The adoption did not have a material impact on the consolidated financial statements.

### ***Recently Issued Accounting Pronouncements Not Yet Adopted***

As an "emerging growth company," the Jumpstart Our Business Startups Act ("JOBS Act") allows the Company to delay adoption of new or revised accounting pronouncements applicable to public companies until such pronouncements are made applicable to private companies. The Company has elected to use this extended transition period under the JOBS Act. The adoption dates discussed below reflects this election.

In February 2016, the FASB issued ASU 2016-02—*Leases*, requiring the recognition of lease assets and liabilities on the balance sheet. The standard: (a) clarifies the definition of a lease; (b) requires a dual approach to lease classification similar to current lease classifications; and (c) causes lessees to recognize leases on the balance sheet as a lease liability with a corresponding right-of-use asset for leases with a lease-term of more than 12 months. The standard is effective for public entities for fiscal years beginning after December 15, 2018 and for the Company for fiscal years beginning after December 15, 2020. In June 2020, the FASB issued ASU No. 2020-05, Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842): Effective Dates for Certain Entities, which defers the effective date of ASU 2016-02 for non-public entities to fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. The guidance will be effective for the Company beginning January 1, 2022, and interim periods in fiscal years beginning January 1, 2023. The Company is currently evaluating the impact of the new guidance on its consolidated financial statements.

In June 2016, the FASB issued ASU No. 2016-13 (Topic 326), Financial Instruments—Credit Losses: Measurement of Credit Losses on Financial Instruments, which replaces the existing incurred loss impairment model with an expected credit loss model and requires a financial asset measured at amortized cost to be presented at the net amount expected to be collected. The guidance will be effective for the Company beginning January 1, 2023. The Company is currently evaluating the impact of the new guidance on its consolidated financial statements.

Upon payment in full of the preferred preference to the holders of Innoviz preferred shares, the remaining distribution proceeds (if any), shall be distributed pro-rata basis among the ordinary stockholders.

### ***Voting***

Each holder of the Series A Preferred Shares, Series B Preferred Shares, Series B-1 Preferred Shares and Series C Preferred Shares is entitled to one vote for each Innoviz ordinary share into which such Series A Preferred Share, Series B Preferred Share, Series B-1 Preferred Share or Series C Preferred Share could be converted.

### ***Liquidation***

The Series C Preferred Shares have a senior liquidation preference to the Series B Preferred Shares and Series B-1 Preferred Shares, collectively, which have liquidation preference to the Series A Preferred Shares. The Series A Preferred Shares have liquidation preference to the Innoviz ordinary shares in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company.

Upon a "Distribution Event" as defined in the Articles of Association of the Company, which includes liquidation (including Deemed Liquidation, events such as change in control, license of substantially all of the company's intellectual property, etc.), dissolution or winding up of the Company, the assets and proceeds available for distribution, will be distributed among the Shareholders in accordance with the following order of preference and priority:

Series C Preferred Shareholders are eligible for distributions of an amount equal to the original issue price of the Series C Preferred Shares, plus 6% interest per annum, plus (if applicable), an amount equal to any dividends declared but unpaid thereon (the "Preferred C Preference").

After the preferential payments satisfy in full the Preferred C Preference, Series B and Series B-1 Preferred Shareholders are eligible for any remaining distributions in an amount equal to the original issue price of the Series B or B-1 share class, as applicable, plus 6% interest per annum, plus if applicable, an amount equal to any dividends declared but unpaid thereon (the "Preferred B and B-1 Preference").

After the Preferred C Preference and the Preferred B and B-1 Preference are fully satisfied, the Series A Preferred Shareholders are eligible to receive any remaining distributions in an amount equal to 100% of the original issue price of the Series A share class, plus 6% interest per annum, plus, if applicable, an amount equal to any dividends declared but unpaid thereon.

## Table of Contents

Upon payment in full of the preferred preference to the holders of Innoviz preferred shares, the remaining distributable proceeds (if any), will be distributed pro-rata basis among the Innoviz ordinary shareholders.

If upon any such liquidation, dissolution or winding up of the Company, the assets of the Company available for distribution to its shareholders are insufficient to pay the holders of a security class, proceeds will distributed pro-rata based on ownership of the share class.

### ***Redemption***

The Company's Article of Association include redemption rights for certain holders of the Series C Preferred Shares in the event that the Company fails to hold a board meeting within a calendar year or does not complete an IPO or liquidation event within the 6-year anniversary of February 2019.

The Company's Article of Association do not provide redemption rights to the holders of the Series A Preferred Shares, Series B Preferred Shares or Series B-1 Preferred Shares.

### ***Classification***

Because a deemed liquidation event is not solely within the control of the Company, the Series A Preferred Shares, Series B Preferred Shares, Series B-1 Preferred Shares and Series C Preferred Shares were classified outside of permanent equity as temporary equity pursuant to ASC480-10-S99.

As of December 31, 2018, and 2019, and as of September 30, 2020 the Company did not adjust the carrying values of the Innoviz preferred shares to the deemed liquidation values of such shares since a liquidation event was not probable.

### *Exercise price:*

In determining the exercise prices for share options granted, the board of directors considered the fair value of Innoviz ordinary shares as of each grant date. The fair value of Innoviz ordinary shares underlying the share options was determined by the board of directors at each award grant date based upon a variety of factors, including the results obtained from independent third-party valuations, the Company's financial position and historical financial performance, the status of technological developments within the Company's products, the composition and ability of the current management team, an evaluation or benchmark of the Company's competition, the current business climate in the marketplace, the illiquid nature of Innoviz ordinary shares, arm's length sales of the Company's capital stock, the effect of the rights and preferences of the Innoviz preferred shareholders, and the prospects of a liquidity event, among others.

### *Expected volatility:*

As the Company is privately owned, there is not sufficient historical volatility for the expected term of the stock options. Therefore, the Company uses an average historical share price volatility based on an analysis of reported data for a peer group of comparable publicly traded companies which were selected based upon industry similarities.

### *Expected term (years):*

Expected term represents the period that the Company's option grants are expected to be outstanding. There is not sufficient historical share exercise data to calculate the expected term of the stock options. Therefore, the

## Table of Contents

Company elected to utilize the simplified method to value option grants. Under this approach, the weighted-average expected life is presumed to be the average of the shortest vesting term and the contractual term of the option.

### **Risk-free interest rate:**

The Company determined the risk-free interest rate by using a weighted-average equivalent to the expected term based on the U.S. Treasury yield curve in effect as of the date of grant.

### **Expected dividend yield:**

The Company does not anticipate paying any dividends in the foreseeable future. Thus, the Company used 0% as its expected dividend yield.

**NOTE 1. DESCRIPTION OF ORGANIZATION AND BUSINESS OPERATIONS**

Collective Growth Corporation (the “Company”) was incorporated in Delaware on December 10, 2019. The Company is a blank check company formed for the purpose of entering into a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities (the “Business Combination”). The Company’s efforts to identify a prospective target business will not be limited to a particular industry or geographic region, although the Company initially intends to focus its search for target businesses on companies operating in the Federally permissible cannabinoid industry which are compliant with all applicable laws and regulations within the jurisdictions in which they are located or operate. In particular, the Company will not invest in or consummate a business combination with a target business that it determines has been operating, or whose business plan is to operate, in violation of U.S. federal laws, including the U.S. Controlled Substances Act.

The Company is an early stage and emerging growth company and, as such, the Company is subject to all of the risks associated with early stage and emerging growth companies.

As of September 30, 2020, the Company had not commenced any operations. All activity for the period from December 10, 2019 (inception) through September 30, 2020 relates to the Company’s formation, the initial public offering (“Initial Public Offering”), which is described below, and, subsequent to the Initial Public Offering, identifying a target company for a Business Combination. The Company will not generate any operating revenues until after the completion of a Business Combination, at the earliest. The Company generates non-operating income in the form of interest income from the proceeds derived from the Initial Public Offering.

The registration statement for the Company’s Initial Public Offering was declared effective on April 30, 2020. On May 5, 2020, the Company consummated the Initial Public Offering of 15,000,000 units (the “Units” and, with respect to the shares of Class A common stock included in the Units sold, the “Public Shares”), generating gross proceeds of \$150,000,000, which is described in Note 3.

Simultaneously with the closing of the Initial Public Offering, the Company consummated the sale of 262,500 units (the “Private Placement Units”) at a price of \$10.00 per Private Placement Unit and the sale of 1,875,000 warrants (the “Private Placement Warrants” and, together with the Private Placement Units, the “Private Placement Securities”) at a price of \$1.00 per Private Placement Warrant in a private placement to Shipwright SPAC I, LLC (the “Sponsor”), certain other stockholders of the Company and the representative of the underwriters, generating gross proceeds of \$4,500,000, which is described in Note 4.

Transaction costs amounted to \$8,737,297, consisting of \$3,000,000 of underwriting fees, \$5,250,000 of deferred underwriting fees and \$487,297 of other offering costs. In addition, as of September 30, 2020, cash of \$390,234 was held outside of the Trust Account (as defined below) and is available for working capital purposes.

Following the closing of the Initial Public Offering on May 5, 2020, an amount of \$150,000,000 (\$10.00 per Unit) from the net proceeds of the sale of the Units in the Initial Public Offering and the sale of the Private Placement Securities was placed in a trust account (the “Trust Account”). The proceeds held in the Trust Account are invested in U.S. government securities, within the meaning set forth in Section 2(a)(16) of the Investment Company Act of 1940, as amended (the “Investment Company Act”), with a maturity of 180 days or less or in any open-ended investment company that holds itself out as a money market fund selected by the Company meeting the conditions of Rule 2a-7 of the Investment Company Act, as determined by the Company, until the earlier of: (i) the completion of a Business Combination and (ii) the distribution of the Trust Account, as described below.

---

## Table of Contents

The Company's management has broad discretion with respect to the specific application of the net proceeds of the Initial Public Offering and the sale of the Private Placement Securities, although substantially all of the net proceeds are intended to be applied generally toward consummating a Business Combination. There is no assurance that the Company will be able to complete a Business Combination successfully. The Company must complete a Business Combination having an aggregate fair market value of at least 80% of the assets held in the Trust Account (excluding the deferred underwriting commissions and taxes payable on interest earned on the Trust Account) at the time of the agreement to enter into an initial Business Combination. The Company will only complete a Business Combination if the post-transaction company owns or acquires 50% or more of the outstanding voting securities of the target or otherwise acquires a controlling interest in the target sufficient for it not to be required to register as an investment company under the Investment Company Act.

The Company will provide its holders of the outstanding Public Shares (the "public stockholders") with the opportunity to redeem all or a portion of their Public Shares upon the completion of a Business Combination either (i) in connection with a stockholder meeting called to approve the Business Combination or (ii) by means of a tender offer. The decision as to whether the Company will seek stockholder approval of a Business Combination or conduct a tender offer will be made by the Company, solely in its discretion. The public stockholders will be entitled to redeem their Public Shares for a pro rata portion of the amount then in the Trust Account (\$10.00 per Public Share, plus any pro rata interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations). There will be no redemption rights upon the completion of a Business Combination with respect to the Company's warrants.

**COLLECTIVE GROWTH CORPORATION**  
**NOTES TO CONDENSED FINANCIAL STATEMENTS**  
**SEPTEMBER 30, 2020**  
**(Unaudited)**

The Company will proceed with a Business Combination if the Company has net tangible assets of at least \$5,000,001 immediately prior to or upon consummation of the Business Combination and, solely if the Company seeks stockholder approval, a majority of the shares voted are voted in favor of the Business Combination. If a stockholder vote is not required by law and the Company does not decide to hold a stockholder vote for business or other legal reasons, the Company will, pursuant to its Amended and Restated Certificate of Incorporation (the “Amended and Restated Certificate of Incorporation”), conduct the redemptions pursuant to the tender offer rules of the U.S. Securities and Exchange Commission (“SEC”) and file tender offer documents with the SEC containing substantially the same information as would be included in a proxy statement prior to completing a Business Combination. If, however, stockholder approval of the transaction is required by law, or the Company decides to obtain stockholder approval for business or legal reasons, the Company will offer to redeem shares in conjunction with a proxy solicitation pursuant to the proxy rules and not pursuant to the tender offer rules. If the Company seeks stockholder approval in connection with a Business Combination, the Sponsor and the Company’s stockholders prior to the Initial Public Offering (“Initial Stockholders”) have agreed to vote the Founder Shares (as defined in Note 5), Private Placement Shares (as defined in Note 4) and any Public Shares purchased after the Initial Public Offering (a) in favor of approving a Business Combination and (b) not to redeem any shares in connection with a stockholder vote to approve a Business Combination or amendment to the Amended and Restated Certificate of Incorporation prior thereto or sell any shares to the Company in a tender offer in connection with a Business Combination. Additionally, each public stockholder may elect to redeem their Public Shares irrespective of whether they vote for or against the Initial transaction or do not vote at all and whether or not they are a holder of record on the record date to be established by the Company to determine who can vote on the Business Combination.

Notwithstanding the above, if the Company seeks stockholder approval of a Business Combination and it does not conduct redemptions pursuant to the tender offer rules, the Amended and Restated Certificate of Incorporation provides that a public stockholder, together with any affiliate of such stockholder or any other person with whom such stockholder is acting in concert or as a “group” (as defined under Section 13 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)), will be restricted from redeeming its shares with respect to more than an aggregate of 15% or more of the Public Shares, without the prior consent of the Company.

The Initial Stockholders have agreed (a) to waive their redemption rights with respect to the Founder Shares, Private Placement Shares and Public Shares held by them in connection with the completion of a Business Combination, (b) not to propose an amendment to the Amended and Restated Certificate of Incorporation that would affect a public stockholders’ ability to convert or sell their shares to the Company in connection with a Business Combination or amendment to the Amended and Restated Certificate of Incorporation prior thereto or affect the substance or timing of the Company’s obligation to redeem 100% of its Public Shares if the Company does not complete a Business Combination within the time period required by its Amended and Restated Certificate of Incorporation, unless the Company provides the public stockholders with the opportunity to redeem their Public Shares in conjunction with any such amendment and (c) waive their liquidation rights with respect to the Founder Shares if the Company fails to complete a Business Combination within the Combination Period (defined below).

The Company will have until November 5, 2021 to complete a Business Combination (the “Combination Period”). If the Company is unable to complete a Business Combination within the Combination Period (and the Company’s stockholders do not approve an extension of such date), the Company will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the Public Shares, at a per-share price, payable in cash, equal to the aggregate amount then on

deposit in the Trust Account including interest earned on the funds held in the Trust Account and not previously released to the Company to pay taxes (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding Public Shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidating distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company's remaining stockholders and the Company's board of directors, dissolve and liquidate, subject in the case of clauses (ii) and (iii) to the Company's obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

The underwriters have agreed to waive their rights to their deferred underwriting commission (see Note 6) held in the Trust Account in the event the Company does not complete a Business Combination within the Combination Period and, in such event, such amounts will be included with the funds held in the Trust Account that will be available to fund the redemption of the Public Shares. In the event of such distribution, it is possible that the per share value of the assets remaining available for distribution will be less than the Initial Public Offering price per Unit (\$10.00).

In order to protect the amounts held in the Trust Account, the Sponsor has agreed to be liable to the Company if and to the extent any claims by a third party for services rendered or products sold to the Company, or a prospective target business with which the Company has discussed entering into a transaction agreement, reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per Public Share and (ii) the actual amount per Public Share held in the Trust Account as of the date of the liquidation of the Trust Account, if less than \$10.00 per Public Share due to reductions in the value of the trust assets, less taxes payable, provided that such liability will not apply to any claims by a third party or prospective target business who executed a waiver of any and all rights to the monies held in the Trust Account (whether or not such waiver is enforceable) nor will it apply to any claims under the Company's indemnity of the underwriters of Initial Public Offering against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the "Securities Act"). Moreover, in the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsor will not be responsible to the extent of any liability for such third-party claims. The Company will seek to reduce the possibility that Sponsor will have to indemnify the Trust Account due to claims of creditors by endeavoring to have all vendors, service providers, prospective target businesses or other entities with which the Company does business, execute agreements with the Company waiving any right, title, interest or claim of any kind in or to monies held in the Trust Account.

**Risks and Uncertainties**

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus(COVID-19) as a pandemic which continues to spread throughout the United States and the World. As of the date the financial statements were available to be issued, there was considerable uncertainty around the expected duration of this pandemic. We have concluded that while it is reasonably possible that COVID-19 could have a negative effect on identifying a target company for a Business Combination, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The accompanying unaudited condensed financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”) for interim financial information and in accordance with the instructions to Form 10-Q and Article 8 of Regulation S-X of the Securities and Exchange Commission. Certain information or footnote disclosures normally included in financial statements prepared in accordance with GAAP have been condensed or omitted, pursuant to the rules and regulations of the SEC for interim financial reporting. Accordingly, they do not include all the information and footnotes necessary for a complete presentation of financial position, results of operations, or cash flows. In the opinion of management, the accompanying unaudited condensed financial statements include all adjustments, consisting of a normal recurring nature, which are necessary for a fair presentation of the financial position, operating results and cash flows for the periods presented.

The accompanying unaudited condensed financial statements should be read in conjunction with the Company’s prospectus for its Initial Public Offering as filed with the SEC on May 1, 2020, as well as the Company’s Current Report on Form 8-K, as filed with the SEC on May 11, 2020. The interim results for the three and nine months ended September 30, 2020 are not necessarily indicative of the results to be expected for the period ending December 31, 2020 or for any future periods.

**Emerging Growth Company**

The Company is an “emerging growth company,” as defined in Section 2(a) of the Securities Act, as modified by the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”), and it may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies including, but not limited to, not being required to comply with the independent registered public accounting firm attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in its periodic reports and proxy statements, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved.

Further, Section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such election to opt out is irrevocable. The Company has

---

## Table of Contents

elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, the Company, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of the Company's financial statements with another public company which is neither an emerging growth company nor an emerging growth company which has opted out of using the extended transition period difficult or impossible because of the potential differences in accounting standards used.

### **Use of Estimates**

The preparation of condensed financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the condensed financial statements and the reported amounts of revenues and expenses during the reporting period.

Making estimates requires management to exercise significant judgment. It is at least reasonably possible that the estimate of the effect of a condition, situation or set of circumstances that existed at the date of the condensed financial statements, which management considered in formulating its estimate, could change in the near term due to one or more future confirming events. Accordingly, the actual results could differ significantly from those estimates.

**COLLECTIVE GROWTH CORPORATION**  
**NOTES TO CONDENSED FINANCIAL STATEMENTS**  
**SEPTEMBER 30, 2020**  
**(Unaudited)**

**Cash and Cash Equivalents**

The Company considers all short-term investments with an original maturity of three months or less when purchased to be cash equivalents. The Company did not have any cash equivalents as of September 30, 2020 and December 31, 2019.

**Marketable Securities Held in Trust Account**

At September 30, 2020, substantially all of the assets held in the Trust Account were held in U.S. Treasury Bills.

**Common Stock Subject to Possible Redemption**

The Company accounts for its common stock subject to possible redemption in accordance with the guidance in Accounting Standards Codification (“ASC”) Topic 480 “Distinguishing Liabilities from Equity.” Common stock subject to mandatory redemption is classified as a liability instrument and is measured at fair value. Conditionally redeemable common stock (including common stock that features redemption rights that is either within the control of the holder or subject to redemption upon the occurrence of uncertain events not solely within the Company’s control) is classified as temporary equity. At all other times, common stock is classified as stockholders’ equity. The Company’s common stock features certain redemption rights that are considered to be outside of the Company’s control and subject to occurrence of uncertain future events. Accordingly, common stock subject to possible redemption is presented at redemption value as temporary equity, outside of the stockholders’ equity section of the Company’s condensed balance sheets.

**Income Taxes**

The Company follows the asset and liability method of accounting for income taxes under ASC 740, “Income Taxes.” Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statements carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that included the enactment date. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized. The effective tax rate differs from the statutory tax rate of 21% for the three and nine months ended September 30, 2020 due to the valuation allowance recorded on the Company’s net operating losses.

ASC 740 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities. The Company recognizes accrued interest and penalties related to unrecognized tax benefits as income tax expense. There were no unrecognized tax benefits and no amounts accrued for interest and penalties as of September 30, 2020 and December 31, 2019. The Company is currently not aware of any issues under review that could result in significant payments, accruals or material deviation from its position. The Company is subject to income tax examinations by major taxing authorities since inception.

On March 27, 2020, President Trump signed the Coronavirus Aid, Relief, and Economic Security “CARES” Act into law. The CARES Act includes several significant business tax provisions that, among other things,

---

would eliminate the taxable income limit for certain net operating losses (“NOL”) and allow businesses to carry back NOLs arising in 2018, 2019 and 2020 to the five prior years, suspend the excess business loss rules, accelerate refunds of previously generated corporate alternative minimum tax credits, generally loosen the business interest limitation under IRC section 163(j) from 30 percent to 50 percent among other technical corrections included in the Tax Cuts and Jobs Act tax provisions. The Company does not believe that the CARES Act will have a significant impact on Company’s financial position or statement of operations.

### **Net Loss per Common Share**

Net loss per common share is computed by dividing net loss by the weighted average number of common shares outstanding for the period. The Company applies the two-class method in calculating earnings per share. Shares of common stock subject to possible redemption at September 30, 2020, which are not currently redeemable and are not redeemable at fair value, have been excluded from the calculation of basic net loss per common share since such shares, if redeemed, only participate in their pro rata share of the Trust Account earnings. The Company has not considered the effect of warrants sold in the Initial Public Offering and the private placement to purchase 9,506,250 shares of common stock in the calculation of diluted loss per share, since the exercise of the warrants into shares of common stock is contingent upon the occurrence of future events. As a result, diluted net loss per common share is the same as basic net loss per common share for the period presented.

**Reconciliation of Net Loss per Common Share**

The Company's net loss is adjusted for the portion of income that is attributable to common stock subject to possible redemption, as these shares only participate in the earnings of the Trust Account and not the income or losses of the Company. Accordingly, basic and diluted loss per common share is calculated as follows:

	<b>Three Months Ended September 30, 2020</b>	<b>Nine Months Ended September 30, 2020</b>
Net loss	\$ (331,847)	\$ (595,964)
Less: Income attributable to shares subject to possible redemption	(20,468)	—
Adjusted net loss	<u>\$ (352,315)</u>	<u>\$ (595,964)</u>
Weighted average shares outstanding, basic and diluted	<u>4,960,177</u>	<u>4,398,294</u>
Basic and diluted net loss per common share	<u>\$ (0.07)</u>	<u>\$ (0.14)</u>

**Concentration of Credit Risk**

Financial instruments that potentially subject the Company to concentrations of credit risk consist of a cash account in a financial institution, which, at times, may exceed the Federal Depository Insurance Coverage of \$250,000. The Company has not experienced losses on this account and management believes the Company is not exposed to significant risks on such account.

**Fair Value of Financial Instruments**

The fair value of the Company's assets and liabilities, which qualify as financial instruments under ASC Topic 820, "Fair Value Measurement," approximates the carrying amounts represented in the accompanying condensed balance sheets, primarily due to their short-term nature.

**Recent Accounting Standards**

Management does not believe that any recently issued, but not yet effective, accounting standards, if currently adopted, would have a material effect on the Company's condensed financial statements.

**NOTE 3. PUBLIC OFFERING**

Pursuant to the Initial Public Offering, the Company sold 15,000,000 Units at a price of \$10.00 per Unit. Each Unit consists of one share of Class A common stock and one-half of one warrant ("Public Warrant").

**NOTE 4. PRIVATE PLACEMENT**

Simultaneously with the closing of the Initial Public Offering, the Sponsor, certain of the Initial Stockholders and the representative of the underwriters purchased an aggregate of 262,500 Private Placement Units at a price of \$10.00 per Private Placement Unit, and 1,875,000 Private Placement Warrants at a price of \$1.00 per Private Placement Warrant, for an aggregate purchase price of \$4,500,000. The Sponsor and certain of

the Initial Stockholders purchased an aggregate of 187,500 Private Placement Units and the representative of the underwriters purchased 75,000 Private Placement Units. The Sponsor and certain of the Initial Stockholders purchased an aggregate of 1,875,000 Private Placement Warrants.

Each Private Placement Unit consists of one share of Class A common stock (“Private Placement Share”) and one-half of one warrant (“Private Placement Warrant”). Each whole Private Placement Warrant is exercisable to purchase one share of Class A common stock at a price of \$11.50 per full share, subject to adjustment (see Note 7). The proceeds from the Private Placement Securities were added to the proceeds from the Initial Public Offering held in the Trust Account. If the Company does not complete a Business Combination within the Combination Period (and the Company’s stockholders do not approve an extension of such date), the proceeds from the sale of the Private Placement Securities will be used to fund the redemption of the Public Shares (subject to the requirements of applicable law).

**NOTE 5. RELATED PARTY TRANSACTIONS**

**Founder Shares**

On December 31, 2019, the Sponsor purchased 4,312,500 shares (the “Founder Shares”) of the Company’s common stock for an aggregate price of \$25,000. The Sponsor subsequently transferred certain of the Founder Shares to the other Initial Stockholders. The Founder Shares include an aggregate of up to 562,500 shares subject to forfeiture by the Sponsor to the extent that the underwriter’s over-allotment is not exercised in full or in part, so that the number of Founder Shares will collectively represent approximately 20% of the Company’s issued and outstanding shares after the Initial Public Offering (excluding the Private Placement Shares). On June 19, 2020, the underwriters’ over-allotment option expired unexercised, and, as a result 562,500 Founder Shares were forfeited resulting in an aggregate of 3,750,000 Founder Shares outstanding.

On January 10, 2020, the Company filed an amendment to its Certificate of Incorporation to, among other things, create two classes of common stock, Class A and Class B, and to convert the outstanding Founder Shares into shares of Class B common stock.

The Initial Stockholders have agreed, subject to certain limited exceptions, not to transfer, assign or sell any of the Founder Shares until the earlier to occur of: (A) one year after the completion of a Business Combination or (B) subsequent to a Business Combination, (x) if the last sale price of the Class A common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after a Business Combination, or (y) the date on which the Company completes a liquidation, merger, capital stock exchange or other similar transaction that results in all of the Company’s stockholders having the right to exchange their shares of common stock for cash, securities or other property.

**Promissory Note — Related Party**

On December 31, 2019, the Company issued an unsecured promissory note to the Sponsor (the “Promissory Note”), pursuant to which the Company may borrow up to an aggregate principal amount of \$150,000, of which \$104,901 and \$7,848 was outstanding as of March 31, 2020 and December 31, 2019, respectively. The Promissory Note was non-interest bearing and payable on the earlier of (i) September 30, 2020, (ii) the consummation of the Initial Public Offering or (iii) the date on which the Company determined not to proceed with the Initial Public Offering. The outstanding balance under the Promissory Note of \$111,906 was repaid at the closing of the Initial Public Offering on May 5, 2020.

**Executive Compensation**

The Company has agreed to pay an affiliate of Tim Saunders, the Company’s Chief Financial Officer, \$10,000 per month for up to 6 months commencing on April 30, 2020 and accrue \$12,000 per month for up to six

months from April 30, 2020 and payable until, and only upon, the consummation of an initial Business Combination, for Mr. Saunders' services as Chief Financial Officer. For the three and nine months ended September 30, 2020, the Company incurred \$66,000 and \$110,000, respectively, of such fees, of which \$60,000 is included in accounts payable and accrued expenses in the accompanying condensed balance sheets.

**Administrative Support Agreement**

The Company entered into an agreement, commencing on April 30, 2020 through the earlier of the Company's consummation of a Business Combination and the liquidation of the Trust Account, to pay an affiliate of certain of the Company's officers and directors a total of \$10,000 per month for office space, utilities and secretarial and administrative support. For the three and nine months ended September 30, 2020, the Company incurred and paid \$30,000 and \$50,000 of such fees, respectively.

**Related Party Loans**

In addition, in order to finance transaction costs in connection with a Business Combination, the Sponsor, an affiliate of the Sponsor or certain of the Company's officers and directors may, but are not obligated to, loan the Company funds on a non-interest basis as may be required ("Working Capital Loans"). If the Company completes a Business Combination, the Company would repay the Working Capital Loans out of the proceeds of the Trust Account released to the Company. Otherwise, the Working Capital Loans would be repaid only out of funds held outside the Trust Account. The Working Capital Loans would either be repaid upon consummation of a Business Combination, without interest, or, at the lender's discretion, up to \$750,000 of such Working Capital Loans may be convertible into units of the post Business Combination entity at a price of \$10.00 per unit, and up to \$750,000 of such Working Capital Loans may be converted into warrants of the post Business Combination entity at a price of \$1.00 per warrant. The units and warrants would be identical to the Private Placement Units and Private Placement Warrants, respectively. In the event that a Business Combination does not close, the Working Capital Loans would be forgiven except that the Company may use a portion of proceeds held outside the Trust Account, if any, to repay the Working Capital Loans, but no proceeds held in the Trust Account would be used to repay the Working Capital Loans.

**NOTE 6. COMMITMENTS**

**Registration Rights**

Pursuant to a registration rights agreement entered into on April 30, 2020, the holders of the Founder Shares, Private Placement Securities and units or warrants that may be issued upon conversion of Working Capital Loans (and underlying securities) are entitled to registration rights, requiring the Company to register such securities for resale (in the case of the Founder Shares, only after conversion to the Class A common stock). The holders of the majority of these securities are entitled to make up to three demands, excluding short form demands, that the Company register such securities. In addition, the holders have certain "piggy-back" registration rights with respect to registration statements filed subsequent to the completion of a Business Combination and rights to require the Company to register for resale such securities pursuant to Rule 415 under the Securities Act. Notwithstanding the foregoing, the representative of the underwriters may not exercise its demand and "piggyback" registration rights after five (5) and seven (7) years after the effective date of the Initial Public Offering and may not exercise its demand rights on more than one occasion. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

**Underwriting Agreement**

The underwriters are entitled to a deferred fee of 3.5% of the gross proceeds of the Initial Offering, or \$5,250,000. The deferred fee will be paid in cash upon the closing of a Business Combination from the amounts held in the Trust Account, subject to the terms of the underwriting agreement.

**NOTE 7. STOCKHOLDERS' EQUITY**

**Preferred Stock** — The Company is authorized to issue 1,000,000 of preferred stock with a par value of \$0.0001 per share with such designation, rights and preferences as may be determined from time to time by the Company's board of directors. At September 30, 2020 and December 31, 2019, there were no shares of preferred stock issued or outstanding.

**Class A Common Stock** — On January 10, 2020, the Company amended its Certificate of Incorporation such that the Company is authorized to issue 100,000,000 shares of Class A common stock with a par value of

\$0.0001 per share. Holders of Class A common stock are entitled to one vote for each share. At September 30, 2020 and December 31, 2019, there were 1,243,361 and no shares of Class A common stock issued or outstanding, excluding 14,019,139 and no shares of Class A common stock subject to possible redemption, respectively.

**Class B Common Stock** — On January 10, 2020, the Company amended its Certificate of Incorporation such that the Company is authorized to issue 10,000,000 shares of Class B common stock with a par value of \$0.0001 per share. Holders of Class B common stock are entitled to one vote for each share. At September 30, 2020 and December 31, 2019, there were 3,750,000 and 4,312,500 shares of Class B common stock issued and outstanding, respectively. On June 19, 2020, the underwriters' over-allotment option expired unexercised, and, as a result 562,500 Founder Shares were forfeited resulting in an aggregate of 3,750,000 Founder Shares outstanding.

Holders of Class A common stock and Class B common stock will vote together as a single class on all other matters submitted to a vote of stockholders, except as required by law.

**COLLECTIVE GROWTH CORPORATION**  
**NOTES TO CONDENSED FINANCIAL STATEMENTS**  
**SEPTEMBER 30, 2020**  
**(Unaudited)**

The shares of Class B common stock will automatically convert into shares of Class A common stock at the time of a Business Combination on a one-for-one basis, subject to adjustment. In the case that additional shares of Class A common stock, or equity-linked securities, are issued or deemed issued in excess of the amounts offered in the Initial Public Offering and related to the closing of a Business Combination, the ratio at which shares of Class B common stock shall convert into shares of Class A common stock will be adjusted (unless the holders of a majority of the outstanding shares of Class B common stock agree to waive such adjustment with respect to any such issuance or deemed issuance) so that the number of shares of Class A common stock issuable upon conversion of all shares of Class B common stock will equal, in the aggregate, on an as-converted basis, 20% of the sum of the total number of all shares of common stock outstanding upon the completion of the Initial Public Offering plus all shares of Class A common stock and equity-linked securities issued or deemed issued in connection with a Business Combination (excluding any shares or equity-linked securities issued, or to be issued, to any seller in a Business Combination, any private placement securities and units and warrants issued to the Sponsor or its affiliates upon conversion of loans made to the Company).

**Warrants** — The Company will not issue fractional warrants. The Public Warrants will become exercisable on the later of (a) the completion of a Business Combination or (b) 12 months from the closing of the Initial Public Offering. The Company will not be obligated to deliver any shares of Class A common stock pursuant to the exercise of a warrant and will have no obligation to settle such warrant exercise unless a registration statement under the Securities Act with respect to the shares of Class A common stock underlying the warrants is then effective and a prospectus relating thereto is current, subject to the Company satisfying its obligations with respect to registration. No warrant will be exercisable and the Company will not be obligated to issue shares of Class A common stock upon exercise of a warrant unless Class A common stock issuable upon such warrant exercise has been registered, qualified or deemed to be exempt under the securities laws.

The Company has agreed that as soon as practicable, but in no event later than 15 business days after the closing of a Business Combination, the Company will use its best efforts to file with the SEC a registration statement covering the shares of Class A common stock issuable upon exercise of the warrants, to cause such registration statement to become effective and to maintain a current prospectus relating to those shares of Class A common stock until the warrants expire or are redeemed, as specified in the warrant agreement. If a registration statement covering the shares of Class A common stock issuable upon exercise of the warrants is not effective by the 60<sup>th</sup> business day after the closing of a Business Combination, warrant holders may, until such time as there is an effective registration statement and during any period when the Company will have failed to maintain an effective registration statement, exercise warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act or another exemption. Notwithstanding the foregoing, if a registration statement covering the Class A common stock issuable upon exercise of the warrants is not effective within a specified period following the consummation of a Business Combination, warrant holders may, until such time as there is an effective registration statement and during any period when the Company shall have failed to maintain an effective registration statement, exercise warrants on a cashless basis pursuant to the exemption provided by Section 3(a)(9) of the Securities Act, provided that such exemption is available. If that exemption, or another exemption, is not available, holders will not be able to exercise their warrants on a cashless basis.

Once the warrants become exercisable, the Company may redeem the Public Warrants:

- in whole and not in part;
- at a price of \$0.01 per warrant;
- upon not less than 30 days’ prior written notice of redemption;

---

- if, and only if, the reported last sale price of the shares of Class A common stock equals or exceeds \$18.00 per share (as adjusted for stock splits, stock dividends, reorganizations and recapitalizations), for any 20 trading days within a 30 trading day period ending on the third business day prior to the notice of redemption to warrant holders.

If the Company calls the Public Warrants for redemption, management will have the option to require all holders that wish to exercise the Public Warrants to do so on a “cashless basis,” as described in the warrant agreement.

The exercise price and number of shares of common stock issuable on exercise of the warrants may be adjusted in certain circumstances including in the event of a stock dividend, extraordinary dividend or our recapitalization, reorganization, merger or consolidation. However, except as described below, the warrants will not be adjusted for issuances of shares of common stock at a price below their respective exercise prices. Additionally, in no event will the Company be required to net cash settle the warrants. If the Company is unable to complete a Business Combination within the Combination Period and the Company liquidates the funds held in the Trust Account, holders of warrants will not receive any of such funds with respect to their warrants, nor will they receive any distribution from the Company’s assets held outside of the Trust Account with the respect to such warrants. Accordingly, the warrants may expire worthless.

In addition, if (x) the Company issues additional shares of common stock or equity-linked securities for capital raising purposes in connection with the closing of a Business Combination at an issue price or effective issue price (the "Newly Issued Price") of less than \$9.20 per share of Class A common stock (with such issue price or effective issue price to be determined in good faith by the Company's board of directors, and in the case of any such issuance to the Sponsor or its affiliates, without taking into account any Founder Shares held by them prior to such issuance), (y) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of a Business Combination on the date of the consummation of a Business Combination (net of redemptions), and (z) the volume weighted average trading price of the Company's common stock during the 20 trading day period starting on the trading day prior to the day on which the Company consummates Business Combination (such price, the "Market Value") is below \$9.20 per share, the exercise price of the warrants will be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, and the \$18.00 per share redemption trigger price described above will be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Price and the Newly Issued Price.

The Private Placement Warrants are identical to the Public Warrants underlying the Units sold in the Initial Public Offering, except that the Private Placement Warrants and the shares of common stock issuable upon the exercise of the Private Placement Warrants will not be transferable, assignable or saleable until 30 days after the completion of a Business Combination, subject to certain limited exceptions. Additionally, the Private Placement Warrants will be exercisable for cash or on a cashless basis, at the holder's option, and be non-redeemable so long as they are held by the initial purchasers or their permitted transferees. If the Private Placement Warrants are held by someone other than the initial purchasers or their permitted transferees, the Private Placement Warrants will be redeemable by the Company and exercisable by such holders on the same basis as the Public Warrants.

**NOTE 8. FAIR VALUE MEASUREMENTS**

The Company follows the guidance in ASC 820 for its financial assets and liabilities that are re-measured and reported at fair value at each reporting period, and non-financial assets and liabilities that are re-measured and reported at fair value at least annually.

The fair value of the Company's financial assets and liabilities reflects management's estimate of amounts that the Company would have received in connection with the sale of the assets or paid in connection with the transfer of the liabilities in an orderly transaction between market participants at the measurement date. In connection with measuring the fair value of its assets and liabilities, the Company seeks to maximize the use of observable inputs (market data obtained from independent sources) and to minimize the use of unobservable inputs (internal assumptions about how market participants would price assets and liabilities). The following fair value hierarchy is used to classify assets and liabilities based on the observable inputs and unobservable inputs used in order to value the assets and liabilities:

- Level 1: Quoted prices in active markets for identical assets or liabilities. An active market for an asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.
- Level 2: Observable inputs other than Level 1 inputs. Examples of Level 2 inputs include quoted prices in active markets for similar assets or liabilities and quoted prices for identical assets or liabilities in markets that are not active.
- Level 3: Unobservable inputs based on our assessment of the assumptions that market participants would use in pricing the asset or liability.

---

[Table of Contents](#)

The following table presents information about the Company's assets that are measured at fair value on a recurring basis at September 30, 2020, and indicates the fair value hierarchy of the valuation inputs the Company utilized to determine such fair value:

Assets:

**NOTE 9. SUBSEQUENT EVENTS**

The Company evaluated subsequent events and transactions that occurred after the balance sheet date up to the date that the condensed financial statements were issued. Other than as described below, the Company did not identify any subsequent events that would have required adjustment or disclosure in the condensed financial statements.

On October 28, 2020, the Sponsor committed to provide the Company loans in the aggregate amount of \$170,000 in order to finance transaction costs in connection with a Business Combination. These loans will be non-interest bearing, unsecured and will be repaid upon the consummation of a Business Combination.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Shareholder and the Board of Directors of Collective Growth Corporation

**Opinion on the Financial Statements**

We have audited the accompanying balance sheet of Collective Growth Corporation (the “Company”) as of December 31, 2019 and the related statements of operations, changes in stockholder’s equity and cash flows for the period from December 10, 2019 (inception) through December 31, 2019 and the related notes (collectively referred to as the “financial statements”). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2019 and the results of its operations and its cash flows for the period from December 10, 2019 (inception) through December 31, 2019, in conformity with accounting principles generally accepted in the United States of America.

**Explanatory Paragraph — Going Concern**

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As more fully described in Note 1 to the financial statements, the Company’s business plan is dependent on the completion of a financing and the Company’s cash and working capital as of December 31, 2019 are not sufficient to complete its planned activities. These conditions raise substantial doubt about the Company’s ability to continue as a going concern. Management’s plans in regard to these matters are also described in Notes 1 and 3. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

**Basis for Opinion**

These financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (“PCAOB”) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

**COLLECTIVE GROWTH CORPORATION**  
**NOTES TO FINANCIAL STATEMENTS**

**Note 1 — Description of Organization and Business Operations**

Collective Growth Corporation (the “Company”) was incorporated in Delaware on December 10, 2019. The Company is a blank check company formed for the purpose of entering into a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities (the “Business Combination”).

The Company is an early stage and emerging growth company and, as such, the Company is subject to all of the risks associated with early stage and emerging growth companies.

As of December 31, 2019, the Company had not commenced any operations. All activity for the period from December 10, 2019 (inception) through December 31, 2019 relates to the Company’s formation and the proposed initial public offering (“Proposed Public Offering”), which is described below. The Company will not generate any operating revenues until after the completion of a Business Combination, at the earliest. The Company will generate non-operating income in the form of interest income from the proceeds derived from the Proposed Public Offering. The Company has selected December 31 as its fiscal year end.

The Company’s ability to commence operations is contingent upon obtaining adequate financial resources through a Proposed Public Offering of 15,000,000 units (the “Units” and, with respect to the shares of Class A common stock included in the Units being offered, the “Public Shares”) at \$10.00 per Unit (or 17,250,000 Units if the underwriter’s over-allotment option is exercised in full), which is discussed in Note 3, and the sale of 262,500 units (the “Private Placement Units”) at a price of \$10.00 per Private Placement Unit and the sale of 1,875,000 warrants (the “Private Placement Warrants” and, together with the Private Placement Units, the “Private Placement Securities”) at a price of \$1.00 per Private Placement Warrant in a private placement to Shipwright SPAC I, LLC (the “Sponsor”) and the representative of the underwriters that will close simultaneously with the Proposed Public Offering.

The Company’s management has broad discretion with respect to the specific application of the net proceeds of the Proposed Public Offering and the sale of the Private Placement Securities, although substantially all of the net proceeds are intended to be applied generally toward consummating a Business Combination. There is no assurance that the Company will be able to complete a Business Combination successfully. The Company must complete a Business Combination having an aggregate fair market value of at least 80% of the assets held in the Trust Account (as defined below) (excluding the deferred underwriting commissions and taxes payable on interest earned on the Trust Account) at the time of the agreement to enter into an initial Business Combination. The Company will only complete a Business Combination if the post-transaction company owns or acquires 50% or more of the outstanding voting securities of the target or otherwise acquires a controlling interest in the target sufficient for it not to be required to register as an investment company under the Investment Company Act of 1940, as amended (the “Investment Company Act”). Upon the closing of the Proposed Public Offering, management has agreed that an amount equal to at least \$10.00 per Unit sold in the Proposed Public Offering, including the proceeds from the sale of the Private Placement Securities, will be held in a trust account (“Trust Account”), located in the United States and invested only in U.S. government securities, within the meaning set forth in Section 2(a)(16) of the Investment Company Act, with a maturity of 180 days or less or in any open-ended investment company that holds itself out as a money market fund selected by the Company meeting the conditions of Rule 2a-7 of the Investment Company Act, as determined by the Company, until the earlier of: (i) the completion of a Business Combination and (ii) the distribution of the Trust Account, as described below.

The Company will provide its holders of the outstanding Public Shares (the “public stockholders”) with the opportunity to redeem all or a portion of their Public Shares upon the completion of a Business Combination

either (i) in connection with a stockholder meeting called to approve the Business Combination or (ii) by means of a tender offer. The decision as to whether the Company will seek stockholder approval of a Business Combination or conduct a tender offer will be made by the Company, solely in its discretion. The public stockholders will be entitled to redeem their Public Shares for a pro rata portion of the amount then in the Trust Account (initially anticipated to be \$10.00 per Public Share, plus any pro rata interest earned on the funds held in the Trust Account and not previously released to the Company to pay its tax obligations). There will be no redemption rights upon the completion of a Business Combination with respect to the Company's warrants. The Public Shares subject to redemption will be recorded at redemption value and classified as temporary equity upon the completion of the Proposed Public Offering in accordance with the Accounting Standards Codification ("ASC") Topic 480 "Distinguishing Liabilities from Equity."

The Company will proceed with a Business Combination if the Company has net tangible assets of at least \$5,000,001 immediately prior to or upon consummation of the Business Combination and, solely if the Company seeks stockholder approval, a majority of the shares voted are voted in favor of the Business Combination. If a stockholder vote is not required by law and the Company does not decide to hold a stockholder vote for business or other legal reasons, the Company will, pursuant to its Amended and Restated Certificate of Incorporation (the "Amended and Restated Certificate of Incorporation"), conduct the redemptions pursuant to the tender offer rules of the U.S. Securities and Exchange Commission ("SEC") and file tender offer documents with the SEC containing substantially the same information as would be included in a proxy statement prior to completing a Business Combination. If, however, stockholder approval of the transaction is required by law, or the Company decides to obtain stockholder approval for business or legal reasons, the Company will offer to redeem shares in conjunction with a proxy solicitation pursuant to the proxy rules and not pursuant to the tender offer rules. If the Company seeks stockholder approval in connection with a Business Combination, the Sponsor has agreed to vote its Founder Shares (as defined in Note 5), Private Placement Shares (as defined in Note 4) and any Public Shares purchased during or after the Proposed Public Offering (a) in favor of approving a Business Combination and (b) not to redeem any shares in connection with a stockholder vote to approve a Business Combination or sell any shares to the Company in a tender offer in connection with a Business Combination. Additionally, each public stockholder may elect to redeem their Public Shares irrespective of whether they vote for or against the proposed transaction or do not vote at all and whether or not they are a holder of record on the record date to be established by the Company to determine who can vote on the proposed Business Combination.

Notwithstanding the above, if the Company seeks stockholder approval of a Business Combination and it does not conduct redemptions pursuant to the tender offer rules, the Amended and Restated Certificate of Incorporation provides that a public stockholder, together with any affiliate of such stockholder or any other person with whom such stockholder is acting in concert or as a "group" (as defined under Section 13 of the Securities Exchange Act of 1934, as amended (the "Exchange Act")), will be restricted from redeeming its shares with respect to more than an aggregate of 15% or more of the Public Shares, without the prior consent of the Company.

The Sponsor has agreed (a) to waive its redemption rights with respect to its Founder Shares, Private Placement Shares and Public Shares held by it in connection with the completion of a Business Combination, (b) not to propose an amendment to the Amended and Restated Certificate of Incorporation that would affect a public stockholders' ability to convert or sell their shares to the Company in connection with a Business Combination or affect the substance or timing of the Company's obligation to redeem 100% of its Public Shares if the Company does not complete a Business Combination within the time period required by its Amended and Restated Certificate of Incorporation, unless the Company provides the public stockholders with the opportunity to redeem their Public Shares in conjunction with any such amendment and (c) waive its liquidation rights with respect to the Founder Shares if the Company fails to complete a Business Combination within the Combination Period (defined below).

The Company will have until 18 months from the closing of the Proposed Public Offering to complete a Business Combination (the "Combination Period"). If the Company is unable to complete a Business

Combination within the Combination Period, the Company will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the Public Shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account including interest earned on the funds held in the Trust Account and not previously released to the Company to pay taxes (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding Public Shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidating distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company's remaining stockholders and the Company's board of directors, dissolve and liquidate, subject in the case of clauses (ii) and (iii) to the Company's obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

The purchasers of the Private Placement Securities will agree to waive their liquidation rights with respect to the Private Placement Shares if the Company fails to complete a Business Combination within the Combination Period. However, if the purchasers acquire Public Shares in or after the Proposed Public Offering, such Public Shares will be entitled to liquidating distributions from the Trust Account if the Company fails to complete a Business Combination within the Combination Period. The underwriters are expected to agree to waive their rights to their deferred underwriting commission (see Note 6) held in the Trust Account in the event the Company does not complete a Business Combination within the Combination Period and, in such event, such amounts will be included with the funds held in the Trust Account that will be available to fund the redemption of the Public Shares. In the event of such distribution, it is possible that the per share value of the assets remaining available for distribution will be less than the Proposed Public Offering price per Unit (\$10.00).

In order to protect the amounts held in the Trust Account, the Sponsor has agreed to be liable to the Company if and to the extent any claims by a third party for services rendered or products sold to the Company, or a prospective target business with which the Company has discussed entering into a transaction agreement, reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per Public Share and (ii) the actual amount per Public Share held in the Trust Account as of the date of the liquidation of the Trust Account, if less than \$10.00 per Public Share due to reductions in the value of the trust assets, less taxes payable, provided that such liability will not apply to any claims by a third party or prospective target business who executed a waiver of any and all rights to the monies held in the Trust Account (whether or not such waiver is enforceable) nor will it apply to any claims under the Company's indemnity of the underwriters of Proposed Public Offering against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the "Securities Act"). Moreover, in the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsor will not be responsible to the extent of any liability for such third-party claims. The Company will seek to reduce the possibility that Sponsor will have to indemnify the Trust Account due to claims of creditors by endeavoring to have all vendors, service providers, prospective target businesses or other entities with which the Company does business, execute agreements with the Company waiving any right, title, interest or claim of any kind in or to monies held in the Trust Account.

### **Going Concern Consideration**

At December 31, 2019, the Company had no cash and a working capital deficit of \$7,848. The Company has incurred and expects to continue to incur significant costs in pursuit of its financing and acquisition plans. These conditions raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued. Management plans to address this uncertainty through a Proposed Public Offering as discussed in Note 3. There is no assurance that the Company's plans to raise capital or to consummate a Business Combination will be successful within the Combination Period. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

**Note 2 — Summary of Significant Accounting Policies**

**Basis of Presentation**

The accompanying financial statements are presented in conformity with accounting principles generally accepted in the United States of America (“GAAP”) and pursuant to the rules and regulations of the SEC.

**Emerging Growth Company**

The Company is an “emerging growth company,” as defined in Section 2(a) of the Securities Act, as modified by the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”), and it may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies including, but not limited to, not being required to comply with the independent registered public accounting firm attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in its periodic reports and proxy statements, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved.

Further, Section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such election to opt out is irrevocable. The Company has elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, the Company, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of the Company’s financial statements with another public company which is neither an emerging growth company nor an emerging growth company which has opted out of using the extended transition period difficult or impossible because of the potential differences in accounting standards used.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Company’s management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

Making estimates requires management to exercise significant judgment. It is at least reasonably possible that the estimate of the effect of a condition, situation or set of circumstances that existed at the date of the financial statements, which management considered in formulating its estimate, could change in the near term due to one or more future confirming events. Accordingly, the actual results could differ significantly from those estimates.

**Cash and cash equivalents**

The Company considers all short-term investments with an original maturity of three months or less when purchased to be cash equivalents. The Company did not have any cash equivalents as of December 31, 2019.

### **Deferred Offering Costs**

Deferred offering costs consist of legal, accounting, underwriting fees and other costs incurred through the balance sheet date that are directly related to the Proposed Public Offering and that will be charged to stockholders' equity upon the completion of the Proposed Public Offering. Should the Proposed Public Offering prove to be unsuccessful, these deferred costs, as well as additional expenses to be incurred, will be charged to operations.

### **Income Taxes**

The Company follows the asset and liability method of accounting for income taxes under ASC 740, "Income Taxes." Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statements carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that included the enactment date. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized.

ASC 740 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities. The Company recognizes accrued interest and penalties related to unrecognized tax benefits as income tax expense. There were no unrecognized tax benefits and no amounts accrued for interest and penalties as of December 31, 2019. The Company is currently not aware of any issues under review that could result in significant payments, accruals or material deviation from its position. The Company is subject to income tax examinations by major taxing authorities since inception.

The provision for income taxes was deemed to be immaterial for the period from December 10, 2019 (inception) through December 31, 2019.

### **Net Loss Per Common Share**

Net loss per share is computed by dividing net loss by the weighted average number of shares of common stock outstanding during the period, excluding shares of common stock subject to forfeiture by the Sponsor. Weighted average shares were reduced for the effect of an aggregate of 562,500 shares of common stock that are subject to forfeiture if the over-allotment option is not exercised by the underwriters (see Note 7). At December 31, 2019, the Company did not have any dilutive securities and other contracts that could, potentially, be exercised or converted into shares of common stock and then share in the earnings of the Company. As a result, diluted loss per share is the same as basic loss per share for the period presented.

### **Concentration of Credit Risk**

Financial instruments that potentially subject the Company to concentrations of credit risk consist of a cash account in a financial institution, which, at times, may exceed the Federal Depository Insurance Coverage of \$250,000. The Company has not experienced losses on this account and management believes the Company is not exposed to significant risks on such account.

### **Fair Value of Financial Instruments**

The fair value of the Company's assets and liabilities, which qualify as financial instruments under ASC 820, "Fair Value Measurements and Disclosures," approximates the carrying amounts represented in the accompanying balance sheet, primarily due to their short-term nature.

### **Recent Accounting Pronouncements**

Management does not believe that any recently issued, but not yet effective, accounting pronouncements, if currently adopted, would have a material effect on the Company's financial statements.

### **Note 3 — Public Offering**

Pursuant to the Proposed Public Offering, the Company intends to offer for sale 15,000,000 Units (or 17,250,000 Units if the over-allotment option is exercised in full) at a price of \$10.00 per Unit. Each Unit will consist of one share of Class A common stock, and one-half of one warrant ("Public Warrant").

### **Note 4 — Private Placement**

The Company intends to sell to the Sponsor and the representative of the underwriters an aggregate of 262,500 Private Placement Units at a price of \$10.00 per Private Placement Unit, and 1,875,000 Private Placement Warrants at a price of \$1.00 per Private Placement Warrant, for an aggregate purchase price of \$4,500,000, in a private placement that will occur simultaneously with the closing of the Proposed Public Offering. It is expected that the Sponsor will purchase 187,500 Private Placement Units and representative of the underwriters will purchase 75,000 Private Placement Units. It is also expected that the Sponsor will purchase 1,875,000 Private Placement Warrants

Each Private Placement Unit will consist of one share of Class A common stock ("Private Placement Share") and one-half of one warrant ("Private Placement Warrant"). Each whole Private Placement Warrant is exercisable to purchase one share of Class A common stock at a price of \$11.50 per full share, subject to adjustment (see Note 7). The proceeds from the Private Placement Securities will be added to the proceeds from the Proposed Public Offering to be held in the Trust Account. If the Company does not complete a Business Combination within the Combination Period, the proceeds from the sale of the Private Placement Securities will be used to fund the redemption of the Public Shares (subject to the requirements of applicable law).

### **Note 5 — Related Party Transactions**

#### **Founder Shares**

On December 31, 2019, the Sponsor purchased 4,312,500 shares (the "Founder Shares") of the Company's common stock for an aggregate price of \$25,000. The Founder Shares include an aggregate of up to 562,500 shares subject to forfeiture by the Sponsor to the extent that the underwriter's over-allotment is not exercised in full or in part, so that the number of Founder Shares will collectively represent approximately 20% of the Company's issued and outstanding shares after the Proposed Public Offering (assuming the Sponsor does not purchase any Public Shares in the Proposed Public Offering and excluding the Private Placement Shares).

On January 10, 2020, the Company filed an amendment to its Certificate of Incorporation to, among other things, create two classes of common stock, Class A and Class B, and to convert the outstanding Founder Shares into shares of Class B common stock.

The Sponsor has agreed, subject to certain limited exceptions, not to transfer, assign or sell any of the Founder Shares until the earlier to occur of: (1) one year after the completion of a Business Combination or (B) subsequent to a Business Combination, (x) if the last sale price of the Class A common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after a Business Combination, or (y) the date on which the Company completes a liquidation, merger, capital stock exchange or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares of common stock for cash, securities or other property.

### **Promissory Note — Related Party**

On December 31, 2019, the Company issued an unsecured promissory note to the Sponsor (the “Promissory Note”), pursuant to which the Company may borrow up to an aggregate principal amount of \$150,000, of which \$7,848 was outstanding under the Promissory Note as of December 31, 2019. The Promissory Note is non-interest bearing and payable on the earlier of (i) September 30, 2020, (ii) the consummation of the Proposed Public Offering or (iii) the date on which the Company determines not to proceed with the Proposed Public Offering.

### **Executive Compensation**

The Company intends to pay Tim Saunders, its Chief Financial Officer, \$10,000 per month for up to 6 months commencing upon consummation of the Proposed Public Offering and \$12,000 per month for up to 6 months accrued from the date of Proposed Public Offering and payable until, and only upon, consummation of an initial Business Combination, for his services as Chief Financial Officer.

### **Administrative Support Agreement**

The Company intends to enter into an agreement, commencing on the effective date of the Proposed Public Offering through the earlier of the Company’s consummation of a Business Combination and its liquidation, to pay an affiliate of certain of the Company’s officers and directors a total of \$10,000 per month for office space, utilities and secretarial and administrative support.

### **Related Party Loans**

In addition, in order to finance transaction costs in connection with a Business Combination, the Sponsor, an affiliate of the Sponsor or certain of the Company’s officers and directors may, but are not obligated to, loan the Company funds on a non-interest basis as may be required (“Working Capital Loans”). If the Company completes a Business Combination, the Company would repay the Working Capital Loans out of the proceeds of the Trust Account released to the Company. Otherwise, the Working Capital Loans would be repaid only out of funds held outside the Trust Account. The Working Capital Loans would either be repaid upon consummation of a Business Combination, without interest, or, at the lender’s discretion, up to \$750,000 of such Working Capital Loans may be convertible into units of the post Business Combination entity at a price of \$10.00 per unit, and up to \$750,000 of such Working Capital Loans may be converted into warrants of the post Business Combination entity at a price of \$1.00 per warrant. The units and warrants would be identical to the Private Placement Units and Private Placement Warrants, respectively. In the event that a Business Combination does not close, the Working Capital Loans would be forgiven except that the Company may use a portion of proceeds held outside the Trust Account, if any, to repay the Working Capital Loans, but no proceeds held in the Trust Account would be used to repay the Working Capital Loans.

### **Note 6 — Commitments**

#### **Registration Rights**

The holders of the Founder Shares, Private Placement Securities and units or warrants that may be issued upon conversion of Working Capital Loans (and underlying securities) will be entitled to registration rights pursuant to a registration rights agreement to be signed prior to or on the effective date of Proposed Public Offering, requiring the Company to register such securities for resale (in the case of the Founder Shares, only after conversion to the Class A common stock). The holders of the majority of these securities are entitled to make up to three demands, excluding short form demands, that the Company register such securities. In addition, the holders have certain “piggy-back” registration rights with respect to registration statements filed subsequent to the completion of a Business Combination and rights to require the Company to register for resale such securities pursuant to Rule 415 under the Securities Act. Notwithstanding the foregoing, the representative of the

---

underwriters may not exercise its demand and “piggyback” registration rights after five (5) and seven (7) years after the effective date of the Proposed Public Offering and may not exercise its demand rights on more than one occasion. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

### **Underwriting Agreement**

The Company will grant the underwriters a 45-day option from the date of Proposed Public Offering to purchase up to 2,250,000 additional Units to cover over-allotments, if any, at the Proposed Public Offering price less the underwriting discounts and commissions.

The underwriters will be entitled to a cash underwriting discount of 2.0% of the gross proceeds of the Proposed Public Offering, or \$3,000,000, excluding any amounts raised pursuant to the over-allotment option. In addition, the representative of the underwriters will be entitled to a deferred fee of (i) 3.5% of the gross proceeds of the initial 15,000,000 Units sold in the Proposed Offering, or \$5,250,000, and (ii) 5.5% of the gross proceeds from the Units sold pursuant to the over-allotment option, or \$1,237,500. The deferred fee will be paid in cash upon the closing of a Business Combination from the amounts held in the Trust Account, subject to the terms of the underwriting agreement.

### **Note 7 — Stockholder’s Equity**

**Preferred Stock** — The Company is authorized to issue 1,000,000 of preferred stock with a par value of \$0.0001 per share with such designation, rights and preferences as may be determined from time to time by the Company’s board of directors. At December 31, 2019, there were no shares of preferred stock issued or outstanding.

**Class A Common Stock** — On January 10, 2020, the Company amended its Certificate of Incorporation such that the Company is authorized to issue 100,000,000 shares of Class A common stock with a par value of \$0.0001 per share. Holders of Class A common stock are entitled to one vote for each share. At December 31, 2019, there were no shares of Class A common stock issued or outstanding.

**Class B Common Stock** — On January 10, 2020, the Company amended its Certificate of Incorporation such that the Company is authorized to issue 10,000,000 shares of Class B common stock with a par value of \$0.001 per share. Holders of Class B common stock are entitled to one vote for each share. At December 31, 2019, there were 4,312,500 shares of Class B common stock issued and outstanding, of which an aggregate of up to 562,500 shares are subject to forfeiture to the extent that the underwriter’s over-allotment option is not exercised in full or in part, so that the Sponsor will own 20% of the Company’s issued and outstanding common stock after the Proposed Public Offering (assuming the Sponsor does not purchase any Public Shares in the Proposed Public Offering and excluding the Private Placement Shares).

Holders of Class A common stock and Class B common stock will vote together as a single class on all other matters submitted to a vote of stockholders, except as required by law.

The shares of Class B common stock will automatically convert into shares of Class A common stock at the time of a Business Combination on a one-for-one basis, subject to adjustment. In the case that additional shares of Class A common stock, or equity-linked securities, are issued or deemed issued in excess of the amounts offered in the Proposed Public Offering and related to the closing of a Business Combination, the ratio at which shares of Class B common stock shall convert into shares of Class A common stock will be adjusted (unless the holders of a majority of the outstanding shares of Class B common stock agree to waive such adjustment with respect to any such issuance or deemed issuance) so that the number of shares of Class A common stock issuable upon conversion of all shares of Class B common stock will equal, in the aggregate, on an as-converted basis, 20% of the sum of the total number of all shares of common stock outstanding upon the completion of the

## Table of Contents

Proposed Public Offering plus all shares of Class A common stock and equity-linked securities issued or deemed issued in connection with a Business Combination (excluding any shares or equity-linked securities issued, or to be issued, to any seller in a Business Combination, any private placement securities and units and warrants issued to the Sponsor or its affiliates upon conversion of loans made to the Company).

**Warrants** — The Company will not issue fractional warrants. The Public Warrants will become exercisable on the later of (a) the completion of a Business Combination or (b) 12 months from the closing of the Proposed Public Offering. The Company will not be obligated to deliver any shares of Class A common stock pursuant to the exercise of a warrant and will have no obligation to settle such warrant exercise unless a registration statement under the Securities Act with respect to the shares of Class A common stock underlying the warrants is then effective and a prospectus relating thereto is current, subject to the Company satisfying its obligations with respect to registration. No warrant will be exercisable and the Company will not be obligated to issue shares of Class A common stock upon exercise of a warrant unless Class A common stock issuable upon such warrant exercise has been registered, qualified or deemed to be exempt under the securities laws.

The Company has agreed that as soon as practicable, but in no event later than 15 business days after the closing of a Business Combination, the Company will use its best efforts to file with the SEC a registration statement covering the shares of Class A common stock issuable upon exercise of the warrants, to cause such registration statement to become effective and to maintain a current prospectus relating to those shares of Class A common stock until the warrants expire or are redeemed, as specified in the warrant agreement. If a registration statement covering the shares of Class A common stock issuable upon exercise of the warrants is not effective by the 60<sup>th</sup> business day after the closing of a Business Combination, warrant holders may, until such time as there is an effective registration statement and during any period when the Company will have failed to maintain an effective registration statement, exercise warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act or another exemption. Notwithstanding the foregoing, if a registration statement covering the Class A common stock issuable upon exercise of the warrants is not effective within a specified period following the consummation of a Business Combination, warrant holders may, until such time as there is an effective registration statement and during any period when the Company shall have failed to maintain an effective registration statement, exercise warrants on a cashless basis pursuant to the exemption provided by Section 3(a)(9) of the Securities Act, provided that such exemption is available. If that exemption, or another exemption, is not available, holders will not be able to exercise their warrants on a cashless basis.

Once the warrants become exercisable, the Company may redeem the Public Warrants:

- in whole and not in part;
- at a price of \$0.01 per warrant;
- upon not less than 30 days’ prior written notice of redemption;
- if, and only if, the reported last sale price of the shares of Class A common stock equals or exceeds \$18.00 per share (as adjusted for stock splits, stock dividends, reorganizations and recapitalizations), for any 20 trading days within a 30 trading day period ending on the third business day prior to the notice of redemption to warrant holders.

If the Company calls the Public Warrants for redemption, management will have the option to require all holders that wish to exercise the Public Warrants to do so on a “cashless basis,” as described in the warrant agreement.

The exercise price and number of shares of common stock issuable on exercise of the warrants may be adjusted in certain circumstances including in the event of a stock dividend, extraordinary dividend or our recapitalization, reorganization, merger or consolidation. However, the warrants will not be adjusted for issuances of shares of common stock at a price below their respective exercise prices. Additionally, in no event will the Company be required to net cash settle the warrants. If the Company is unable to complete a Business

Combination within the Combination Period and the Company liquidates the funds held in the Trust Account, holders of warrants will not receive any of such funds with respect to their warrants, nor will they receive any distribution from the Company's assets held outside of the Trust Account with the respect to such warrants. Accordingly, the warrants may expire worthless.

In addition, if (x) the Company issues additional shares of common stock or equity-linked securities for capital raising purposes in connection with the closing of a Business Combination at an issue price or effective issue price (the "Newly Issued Price") of less than \$9.20 per share of Class A common stock (with such issue price or effective issue price to be determined in good faith by the Company's board of directors, and in the case of any such issuance to the Sponsor or its affiliates, without taking into account any Founder Shares held by them prior to such issuance), (y) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of a Business Combination on the date of the consummation of a Business Combination (net of redemptions), and (z) the volume weighted average trading price of the Company's common stock during the 20 trading day period starting on the trading day prior to the day on which the Company consummates Business Combination (such price, the "Market Value") is below \$9.20 per share, the exercise price of the warrants will be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, and the \$18.00 per share redemption trigger price described above will be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Price and the Newly Issued Price.

The Private Placement Warrants will be identical to the Public Warrants underlying the Units being sold in the Proposed Public Offering, except that the Private Placement Warrants and the shares of common stock issuable upon the exercise of the Private Placement Warrants will not be transferable, assignable or saleable until 30 days after the completion of a Business Combination, subject to certain limited exceptions. Additionally, the Private Placement Warrants will be exercisable for cash or on a cashless basis, at the holder's option, and be non-redeemable so long as they are held by the initial purchasers or their permitted transferees. If the Private Placement Warrants are held by someone other than the initial purchasers or their permitted transferees, the Private Placement Warrants will be redeemable by the Company and exercisable by such holders on the same basis as the Public Warrants.

### **Note 8 — Subsequent Events**

The Company evaluated subsequent events and transactions that occurred after the balance sheet date up to January 27, 2020, the date that the financial statements were available to be issued. Other than as described in these financial statements, the Company did not identify any subsequent events that would have required adjustment or disclosure in the financial statements.

The Company, on the one hand, and Perception and Antara, on the other hand, shall each pay fifty percent (50%) of any filing fees under the HSR Act and any other applicable competition, antitrust, merger control or foreign investment Laws; provided, however, that each Party shall bear its out-of-pocket costs and expenses in connection with the preparation of any such Consents. (c) by the Company, if any of the representations or warranties set forth in Article IV shall not be true and correct or if SPAC has failed to perform any covenant or agreement on the part of SPAC set forth in this Agreement (including an obligation to consummate the Closing) such that the condition to Closing set forth in either Section 6.3(a) or Section 6.3(b) could not be satisfied and the breach or breaches causing such representations or warranties not to be true and correct, or the failures to perform any covenant or agreement, as applicable, is (or are) not cured or cannot be cured within the earlier of (i) thirty (30) days after written notice thereof is delivered to SPAC by the Company and (ii) the Termination Date; provided, however, neither Company Party is then in breach of this Agreement so as to prevent the condition to Closing set forth in Section 6.2(a) or Section 6.2(b) from being satisfied;

(d) by either SPAC or the Company, if the transactions contemplated by this Agreement shall not have been consummated on or prior to May 30, 2021 (the "Termination Date"); provided, that (i) the right to terminate this Agreement pursuant to this Section 7.1(d) shall not be available to SPAC if SPAC's breach of any of its covenants or obligations under this Agreement shall have proximately caused the failure to consummate the transactions contemplated by this Agreement on or before the Termination Date, and (ii) the right to terminate this Agreement pursuant to this Section 7.1(d) shall not be available to the Company if either Company Party's breach of its covenants or obligations under this Agreement shall have proximately caused the failure to consummate the transactions contemplated by this Agreement on or before the Termination Date;

(e) by either SPAC or the Company, if any Governmental Entity shall have issued an Order, promulgated a Law or taken any other action permanently enjoining, restraining or otherwise prohibiting the transactions contemplated by this Agreement and such Order or other action shall have become final and nonappealable;

Section 7.2 Effect of Termination. In the event of the termination of this Agreement pursuant to Section 7.1, this entire Agreement shall forthwith become void (and there shall be no Liability or obligation on the part of the Parties, Perception, Antara and their respective Non-Party Affiliates) with the exception of (a) the confidentiality obligation set forth in Section 5.3(a), payment of the Termination Fee as set forth in Section 5.6(d) if this Agreement is terminated following a Company Change in Recommendation, this Section 7.2, and Article I and Article VIII (to the extent related to the foregoing), each of which shall survive such termination and remain valid and binding obligations of the Parties and (b) the Confidentiality Agreement, which shall survive such termination and remain valid and binding obligations of the parties thereto in accordance with their respective terms. Notwithstanding the foregoing or anything to the contrary herein, the termination of this Agreement pursuant to Section 7.1 shall not affect (i) any Liability on the part of any Party for any Willful Breach of any covenant or agreement set forth in this Agreement prior to such termination or fraud or (ii) any Person's Liability under any Subscription Agreement, the Confidentiality Agreement, any Transaction Support Agreement or the Sponsor Letter Agreement to which he, she or it is a party to the extent arising from a claim against such Person by another Person party to such agreement on the terms and subject to the conditions thereunder.

Section 8.5 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement or the Transactions, shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of Delaware.

Section 8.6 Fees and Expenses. Except as otherwise set forth in this Agreement, all fees and expenses incurred in connection with this Agreement, the Ancillary Documents and the Transactions, including the fees and disbursements of counsel, financial advisors and accountants, shall be paid by the Party incurring such fees or expenses; provided that, for the avoidance of doubt, (a) if this Agreement is terminated upon the Company Board's making of a Company Change in Recommendation, the Company shall pay the Termination Fee, (b) if this Agreement is terminated in accordance with its terms, the Company shall pay, or cause to be paid, all Unpaid Company Expenses and SPAC shall pay, or cause to be paid, all Unpaid SPAC Expenses and (c) if the Closing occurs, then the Company shall pay, or cause to be paid, all Unpaid Company Expenses and all Unpaid SPAC Expenses.

Section 8.7 Construction; Interpretation. The term "this Agreement" means this Business Combination Agreement together with the Schedules and Exhibits hereto, as the same may from time to time be amended, modified, supplemented or restated in accordance with the terms hereof. The headings set forth in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement. No Party, Perception or Antara, nor their respective counsels, shall be deemed the drafter of this Agreement for purposes of construing the provisions hereof, and all provisions of this Agreement shall be construed according to their fair meaning and not strictly for or against any Party, Perception or Antara. Unless otherwise indicated to the contrary herein by the context or use thereof: (a) the words, "herein," "hereto," "hereof" and words of similar import refer to this Agreement as a whole, including the Schedules and Exhibits, and not to any particular section, subsection, paragraph, subparagraph or clause set forth in this Agreement; (b) masculine gender shall also include the feminine and neutral genders, and vice versa; (c) words importing the singular shall also include the plural, and vice versa; (d) the words "include," "includes" or "including" shall be deemed to be followed by the words "without limitation"; (e) references to "\$" or "dollar" or "US\$" shall be references to United States dollars; (f) the word "or" is disjunctive but not necessarily exclusive; (g) the words "writing", "written" and comparable terms refer to printing, typing and other means of reproducing words (including electronic media) in a visible form; (h) the word "day" means calendar day unless Business Day is expressly specified; (i) the word "extent" in the phrase "to the extent" means the degree to which a subject or other thing extends, and such phrase shall not mean simply "if"; (j) all references to Articles, Sections, Exhibits or Schedules are to Articles, Sections, Exhibits and Schedules of this Agreement; (k) the words "provided" or "made available" or words of similar import (regardless of whether capitalized or not) shall mean, when used with reference to documents or other materials required to be provided or made available to SPAC, any documents or other materials posted to the electronic data room located [www.intralinks.com](http://www.intralinks.com) under the project name "Innoviz Technologies" as of 5:00 p.m., Eastern Time, at least one (1) day prior to the date of this Agreement; (l) all references to any Law will be to such Law as amended, supplemented or otherwise modified or re-enacted from time to time; and (m) all references to any Contract are to that Contract as amended or

modified from time to time in accordance with the terms thereof (subject to any restrictions on amendments or modifications set forth in this Agreement). If any action under this Agreement is required to be done or taken on a day that is not a Business Day, then such action shall be required to be done or taken not on such day but on the first succeeding Business Day thereafter.

Section 8.8 Exhibits and Schedules. All Exhibits and Schedules, or documents expressly incorporated into this Agreement, are hereby incorporated into this Agreement and are hereby made a part hereof as if set out in full in this Agreement. The Schedules shall be arranged in sections and subsections corresponding to the numbered and lettered Sections and subsections set forth in this Agreement. Any item disclosed in the Company Disclosure Schedules or in the SPAC Disclosure Schedules corresponding to any Section or subsection of Article III (in the case of the Company Disclosure Schedules) or Article IV (in the case of the SPAC Disclosure Schedules) shall be deemed to have been disclosed with respect to every other section and subsection of Article III (in the case of the Company Disclosure Schedules) or Article IV (in the case of the SPAC Disclosure Schedules), as applicable, where the relevance of such disclosure to such other Section or subsection is reasonably apparent on the face of the disclosure. The information and disclosures set forth in the Schedules that correspond to the section or subsections of Article III or Article IV may not be limited to matters required to be disclosed in the Schedules, and any such additional information or disclosure is for informational purposes only and does not necessarily include other matters of a similar nature.

Section 8.9 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each Party, Perception and Antara and their respective successors and permitted assigns and, except as provided in Section 5.14 and the two subsequent sentences of this Section 8.9, nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement. Sponsor shall be an express third-party beneficiary of Section 8.2, Section 8.3, Section 8.14 and this Section 8.9 (to the extent related to the foregoing). Each of the Non-Party Affiliates shall be an express third-party beneficiary of Section 8.13 and this Section 8.9 (to the extent related to the foregoing).

Section 8.10 Severability. Whenever possible, each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable Law, but if any term or other provision of this Agreement is held to be invalid, illegal or unenforceable under applicable Law, all other provisions of this Agreement shall remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party or Perception or Antara, as applicable. Upon such determination that any term or other provision of this Agreement is invalid, illegal or unenforceable under applicable Law, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

Section 8.11 Counterparts; Electronic Signatures. This Agreement and each Ancillary Document (including any of the closing deliverables contemplated hereby) may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement or any Ancillary Document (including any of the closing deliverables contemplated hereby) by electronic means, including docusign, e-mail, or scanned pages shall be effective as delivery of a manually executed counterpart to this Agreement or any such Ancillary Document.

Section 8.12 Knowledge of Company; Knowledge of SPAC. For all purposes of this Agreement, the phrase “to the Company’s knowledge” and “known by the Company” and any derivations thereof shall mean as of the applicable date, the actual knowledge of the individuals set forth on Section 8.12(a) of the Company Disclosure Schedules, assuming reasonable due inquiry. For all purposes of this Agreement, the phrase “to SPAC’s knowledge” and “to the knowledge of SPAC” and any derivations thereof shall mean as of the applicable date, the actual knowledge of the individuals set forth on Section 8.12(b) of the SPAC Disclosure Schedules, assuming

reasonable due inquiry. For the avoidance of doubt, none of the individuals set forth on Section 8.12(a) of the Company Disclosure Schedules or Section 8.12(b) of the SPAC Disclosure Schedules shall have any personal Liability or obligations regarding such knowledge.

Section 8.13 No Recourse. Except for claims pursuant to any Ancillary Document by any party(ies) thereto against any Company Non-Party Affiliate or any SPAC Non-Party Affiliate (each, a “Non-Party Affiliate”), and then solely with respect to claims against the Non-Party Affiliates that are party to the applicable Ancillary Document, each Party agrees on behalf of itself and on behalf of the Company Non-Party Affiliates, in the case of the Company, and the SPAC Non-Party Affiliates, in the case of SPAC, that (a) this Agreement may only be enforced against, and any action for breach of this Agreement may only be made against, the Parties, Perception and Antara and no claims of any nature whatsoever arising under or relating to this Agreement, the negotiation hereof or its subject matter, or the transactions contemplated hereby shall be asserted against any Non-Party Affiliate, and (b) none of the Non-Party Affiliates shall have any Liability arising out of or relating to this Agreement, the negotiation hereof or its subject matter, or the transactions contemplated hereby, including with respect to any claim (whether in tort, contract or otherwise) for breach of this Agreement or in respect of any written or oral representations made or alleged to be made in connection herewith, as expressly provided herein, or for any actual or alleged inaccuracies, misstatements or omissions with respect to any information or materials of any kind furnished by the Company, SPAC or any Non-Party Affiliate concerning any Group Company, SPAC, this Agreement or the transactions contemplated hereby.

Section 8.14 Extension; Waiver. The Company prior to the Closing and the Company and Sponsor after the Closing may (a) extend the time for the performance of any of the obligations or other acts of SPAC set forth herein, (b) waive any inaccuracies in the representations and warranties of SPAC set forth herein or (c) waive compliance by SPAC with any of the agreements or conditions set forth herein. SPAC may (i) extend the time for the performance of any of the obligations or other acts of the Company, set forth herein, (ii) waive any inaccuracies in the representations and warranties of the Company set forth herein or (iii) waive compliance by the Company with any of the agreements or conditions set forth herein. Any agreement on the part of any such Party, Perception or Antara to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such Party, Perception or Antara. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of any Party to assert any of its rights hereunder shall not constitute a waiver of such rights.

Section 8.15 Waiver of Jury Trial. THE PARTIES, PERCEPTION AND ANTARA EACH HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO TRIAL BY JURY OF ANY PROCEEDING, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION (I) ARISING UNDER THIS AGREEMENT OR UNDER ANY ANCILLARY DOCUMENT OR (II) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES, PERCEPTION AND ANTARA IN RESPECT OF THIS AGREEMENT OR ANY ANCILLARY DOCUMENT OR ANY OF THE TRANSACTIONS RELATED HERETO OR THERETO OR ANY FINANCING IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED HEREBY OR ANY OF THE TRANSACTIONS CONTEMPLATED THEREBY, IN EACH CASE, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY, OR OTHERWISE. THE PARTIES, PERCEPTION AND ANTARA EACH HEREBY AGREES AND CONSENTS THAT ANY SUCH PROCEEDING, CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES, PERCEPTION AND ANTARA MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY, PERCEPTION AND ANTARA CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH SUCH PARTY

UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) EACH SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.15.

Section 8.16 Submission to Jurisdiction. Each of the Parties, Perception and Antara irrevocably and unconditionally submits to the exclusive jurisdiction of the Chancery Court of the State of Delaware (or, if the Chancery Court of the State of Delaware declines to accept jurisdiction, any state or federal court sitting in the Borough of Manhattan, State of New York, New York County), for the purposes of any Proceeding, claim, demand, action or cause of action (a) arising under this Agreement or under any Ancillary Document or (b) in any way connected with or related or incidental to the dealings of the Parties, Perception and Antara in respect of this Agreement or any Ancillary Document or any of the Transactions, and irrevocably and unconditionally waives any objection to the laying of venue of any such Proceeding in any such court, and further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Proceeding has been brought in an inconvenient forum. Each Party, Perception and Antara hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Proceeding claim, demand, action or cause of action against such Party (i) arising under this Agreement or under any Ancillary Document or (ii) in any way connected with or related or incidental to the dealings of the Parties in respect of this Agreement or any Ancillary Document or any of the Transactions, (A) any claim that such Party is not personally subject to the jurisdiction of the courts as described in this Section 8.16 for any reason, (B) that such Party or such Party's property is exempt or immune from the jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (C) that (x) the Proceeding, claim, demand, action or cause of action in any such court is brought against such Party in an inconvenient forum, (y) the venue of such Proceeding, claim, demand, action or cause of action against such Party is improper or (z) this Agreement, or the subject matter hereof, may not be enforced against such Party in or by such courts. Each Party, Perception and Antara agrees that service of any process, summons, notice or document by registered mail to such party's respective address set forth in Section 8.4 shall be effective service of process for any such Proceeding, claim, demand, action or cause of action.

Section 8.17 Remedies. Except as otherwise expressly provided herein, any and all remedies provided herein will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, Perception and Antara, and the exercise by a Party, Perception or Antara of any one remedy will not preclude the exercise of any other remedy. The Parties, Perception and Antara agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the Parties, Perception or Antara do not perform their obligations under the provisions of this Agreement (including failing to take such actions as are required of them hereunder to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. The Parties, Perception and Antara acknowledge and agree that (i) the Parties, Perception and Antara shall be entitled to an injunction, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof and thereof, without proof of damages and without posting a bond, prior to the valid termination of this Agreement in accordance with Section 7.1, this being in addition to any other remedy to which they are entitled under this Agreement, and (ii) the right of specific enforcement is an integral part of the transactions contemplated by this Agreement and without that right, none of the Parties would have entered into this Agreement. Each Party, Perception and Antara agrees that it will not oppose the granting of specific performance and other equitable relief on the basis that the other Parties, Perception or Antara have an adequate remedy at law or that an award of specific performance is not an appropriate remedy for any reason at law or equity. The Parties, Perception and Antara acknowledge and agree that any Party, Perception or Antara seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 8.17 shall not be required to provide any bond or other security in connection with any such injunction.

Section 8.18 Trust Account Waiver. Reference is made to the final prospectus of SPAC, filed with the SEC (File No. 333-236798) on May 1, 2020 (the “SPAC Prospectus”). The Company acknowledges and agrees and understands that SPAC has established a trust account (the “Trust Account”) containing the proceeds of its initial public offering (the “IPO”) and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of SPAC’s public shareholders (including overallocation shares acquired by SPAC’s underwriters, the “Public Shareholders”), and SPAC may disburse monies from the Trust Account only in the express circumstances described in the SPAC Prospectus. For and in consideration of SPAC entering into this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Company Parties each hereby agree on behalf of itself and its Representatives and controlled Affiliates that, notwithstanding the foregoing or anything to the contrary in this Agreement, none of the Company Parties nor any of its or their Representatives or controlled Affiliates does now or shall at any time hereafter have any right, title, interest or claim of any kind in or to any monies in the Trust Account or distributions therefrom, or make any claim against the Trust Account (including any distributions therefrom), regardless of whether such claim arises as a result of, in connection with or relating in any way to, this Agreement or any proposed or actual business relationship between SPAC or any of its Representatives, on the one hand, and, the Company Party or any of its Representatives or controlled Affiliates, on the other hand, or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the “Trust Account Released Claims”). Each Company Party, on its own behalf and on behalf of its Representatives and controlled Affiliates, hereby irrevocably waives any Trust Account Released Claims that it or any of its Representatives or controlled Affiliates may have against the Trust Account (including any distributions therefrom) now or in the future as a result of, or arising out of, any negotiations, or Contracts with SPAC or its Representatives and will not seek recourse against the Trust Account (including any distributions therefrom) for any reason whatsoever (including for an alleged breach of any agreement with SPAC or its Affiliates).

### Section 8.19 Conflicts; Privilege.

(a) The parties hereto acknowledge and agree, on their own behalf and on behalf of their respective directors, members, shareholders, stockholders, partners, officers, employees and Affiliates, as applicable, that:

(i) Graubard Miller, Cassels Brock & Blackwell LLP, and Goldfarb Seligman & Co. (the “Pre-Closing SPAC Law Firms”) have acted as counsel to SPAC and the holders of SPAC Common Stock (individually and collectively, the “SPAC Group”), in connection with the negotiation, preparation, execution and delivery of this Agreement and the applicable Ancillary Documents and the consummation of the transactions contemplated hereby and thereby. The Company Parties agree, and shall cause the Group Companies to agree, that, following consummation of the transactions contemplated hereby, such representation and any prior representation of SPAC by the Pre-Closing SPAC Law Firms, or any successors thereto, shall not preclude the Pre-Closing SPAC Law Firms from serving as counsel to the SPAC Group or any director, member, shareholder, stockholder, partner, officer or employee of the SPAC Group, in connection with any litigation, claim or obligation arising out of or relating to this Agreement or the transactions contemplated hereby. The Company Parties shall not, and each shall cause the Group Companies not to, seek to or have the Pre-Closing SPAC Law Firms disqualified from any such representation based upon the prior representation of SPAC by the Pre-Closing SPAC Law Firms. The parties hereto hereby consent thereto and waive any potential conflict of interest arising from such prior representation, and each of such parties shall cause any of their respective Affiliates to consent to waive any potential conflict of interest arising from such representation. Each of the parties acknowledges that such consent and waiver is voluntary, that it has been carefully considered, and that the parties have consulted with counsel or have been advised they should do so in connection herewith.

(ii) Latham & Watkins LLP and Meitar | Law Offices (“Pre-Closing Company Law Firms”) has acted as counsel to the Company Parties and the Group Companies (individually and collectively, the “Company Group”), in connection with the negotiation, preparation, execution and delivery of this Agreement and the applicable Ancillary Documents and the consummation of the transactions contemplated hereby and thereby.

SPAC agrees that, following consummation of the transactions contemplated hereby, such representation and any prior representation of the Company Group by the Pre-Closing Company Law Firms shall not preclude the Pre-Closing Company Law Firms from serving as counsel to the Company Group or any director, member, shareholder, partner, officer or employee of the Company Group, in connection with any litigation, claim or obligation arising out of or relating to this Agreement or the transactions contemplated hereby. SPAC shall not seek or have the Pre-Closing Company Law Firms disqualified from any such representation based upon the prior representation of the Company Group by the Pre-Closing Company Law Firms. Each of the parties hereto hereby consents thereto and waives any potential conflict of interest arising from such prior representation, and each of such parties shall cause any of its Affiliates to consent to waive any potential conflict of interest arising from such representation. Each of the parties acknowledges that such consent and waiver is voluntary, that it has been carefully considered, and that the parties have consulted with counsel or have been advised they should do so in connection herewith.

(iii) The covenants, consents and waivers contained in this Section 8.19 shall not be deemed exclusive of any other rights to which the Pre-Closing SPAC Law Firms or the Pre-Closing Company Law Firms are entitled whether pursuant to law, contract or otherwise.

(b) All communications between the SPAC Group, on the one hand, and Pre-Closing SPAC Law Firms, on the other hand, relating to the negotiation, preparation, execution and delivery of this Agreement and the consummation of the transactions contemplated hereby (the “SPAC Privileged Communications”) and all communications between the Company Group, on the one hand, and Pre-Closing Company Law Firms, on the other hand, relating to the negotiation, preparation, execution and delivery of this Agreement and the consummation of the transactions contemplated hereby (the “Company Privileged Communications”) shall be deemed to be attorney-client privileged and the expectation of client confidence relating thereto shall belong solely to the SPAC Group and the Company Group, as applicable, and shall not pass to or be claimed by Company, Merger Sub, or any Group Company (in the case of SPAC Privileged Communication) or the SPAC (in the case of Company Privileged Communication). Accordingly, Company, Merger Sub, and the Group Companies shall not have access to any SPAC Privileged Communications or to the files of the Pre-Closing SPAC Law Firms and SPAC shall not have access to the Company Privileged Communications or to the files of the Pre-Closing Company Law Firms relating to the engagement of the Pre-Closing SPAC Law Firms by the SPAC Group and the Pre-Closing Company Law Firms by the Company Group, as applicable, from and after Closing.

(c) Without limiting the generality of the foregoing, from and after the Closing, (i) (A) the SPAC Group (and not the Company, Merger Sub, or any Group Company) shall be the sole holders of the attorney-client privilege with respect to the engagement of the Pre-Closing SPAC Law Firms, and none of Company, Merger Sub, or any Group Company shall be a holder thereof and (B) the Company Group (and not SPAC) shall be the sole holders of the attorney-client privilege with respect to the engagement of the Pre-Closing Company Law Firms, and SPAC shall not be a holder thereof, (ii) (A) to the extent that files of the Pre-Closing SPAC Law Firms in respect of their engagement by the SPAC Group constitute property of the client, only the SPAC Group (and not the Company, Merger Sub, nor any Group Company) shall hold such property rights and (B) to the extent that files of Pre-Closing Company Law Firms in respect of its engagement by the Company Group constitute property of the client, only the Company Group (and not SPAC) shall hold such property rights and (iii) (A) the Pre-Closing SPAC Law Firms shall have no duty whatsoever to reveal or disclose any such attorney-client communications or files to the Company, Merger Sub, or any Group Company by reason of any attorney-client relationship between the Pre-Closing SPAC Law Firms and SPAC or otherwise and (B) the Pre-Closing Company Law Firms shall have no duty whatsoever to reveal or disclose any such attorney-client communications or files to SPAC by reason of any attorney-client relationship between the Pre-Closing Company Law Firms and the Group Companies or otherwise.

(d) Notwithstanding the foregoing, in the event that a dispute arises between SPAC or its Affiliates, on the one hand, and a third party other than any of the Company Group, on the other hand, SPAC and its Affiliates

may assert the attorney-client privilege to prevent disclosure of confidential communications to such third party; *provided, however*, that neither SPAC nor any of its Affiliates may waive such privilege without the prior written consent of Company, which consent shall not be unreasonably withheld, conditioned or delayed. In the event that SPAC or any of its Affiliates is legally required by order of a Governmental Entity or otherwise legally required to access or obtain a copy of all or a portion of the Company Privileged Communications, to the extent (x) permitted by applicable Law, and (y) advisable in the opinion of SPAC's counsel, then SPAC shall immediately (and, in any event, within five (5) Business Days) notify the Company in writing so that the Company can seek a protective order.

(e) This [Section 8.19](#) is intended for the benefit of, and shall be enforceable by, the SPAC Group and the Company Group. This [Section 8.19](#) shall be irrevocable, and no term of this [Section 8.19](#) may be amended, waived or modified, without the prior written consent of the Pre-Closing SPAC Law Firms or Pre-Closing Company Law Firms, as applicable.

INFORMATION NOT REQUIRED IN PROSPECTUS

**Item 20. Indemnification of directors and officers**

The Israeli Companies Law, 5759-1999 (the “Companies Law”) provides that a company may not exempt or indemnify a director or an executive officer (each an “Officer”) for, or enter into an insurance contract that would provide coverage for, any liability incurred as a result of any of the following: (i) a breach by the Officer of his or her duty of loyalty unless, with respect to insurance coverage or indemnification, due to a breach of his or her duty of loyalty to the company committed in good faith and with reasonable grounds to believe that such act would not prejudice the interests of the company; (ii) a breach by the Officer of his or her duty of care to the company committed intentionally or recklessly; (iii) any act or omission done with the intent of unlawfully realizing personal gain; or (iv) a fine, monetary sanction, forfeit or penalty imposed upon an Officer. In addition, the Companies Law provides that Officers can only be exempted in advance with respect to liability for damages caused as a result of a breach of their duty of care to the company (but not for such breaches committed intentionally or recklessly, as noted above, or in connection with a distribution (as defined in the Companies Law)).

Innoviz’s Articles of Association include provisions under which officers are or may be insured, exempted or indemnified against liability, which they may incur in their capacities as such, to the maximum extent permitted by law.

### **Item 22. Undertakings**

The undersigned registrant hereby undertakes:

- To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
- To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;
- To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- To file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A of Form 20-F at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Act need not be furnished, provided that the registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (1)(d) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements.

That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such

purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

The registrant undertakes that every prospectus: (a) that is filed pursuant to the immediately preceding paragraph, or (b) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes (i) to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means; and (ii) to arrange or provide for a facility in the U.S. for the purpose of responding to such requests. The undertaking in subparagraph (i) above includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

10.2. Distribution Preferences.

In the event of any (i) liquidation, dissolution, bankruptcy, reorganization or winding up of the Company whether voluntary or involuntary (ii) a Distribution, or (iii) a Deemed Liquidation of the Company (each, a “**Distribution Event**”) all the funds, assets or proceeds distributed or legally available for distribution to the Shareholders (the “**Distributable Proceeds**”) shall be distributed among the Shareholders in accordance with the following order of preference and priority:

- 10.2.1. *First*, each Preferred C Shareholder shall be entitled to receive (on a pari passu basis), by reason of his, her or its ownership of such Preferred C Shares and/or Preferred C-1 Shares, as applicable, prior and in preference to the distribution of any Distributable Proceeds to the holders of Ordinary Shares, Preferred A Shares, Preferred B Shares and/or Preferred B-1 Shares (in each case, by reason of ownership thereof), (i) an amount per each Preferred C Share and/or Preferred C-1 Share, as applicable, held by such holder equal to the Original Issue Price thereof, *plus* (ii) interest at the rate of 6% per annum, compounded annually, from the original date of issuance of such Preferred C Share and/or Preferred C-1 Share, as applicable, until the date of such Distribution Event for such Preferred C Share and/or Preferred C-1 Share, as applicable, *less* (iii) the aggregate of all amounts previously paid in preference in respect of such Preferred C Share and/or Preferred C-1 Share, as applicable, pursuant to this Article 10.2.1, *plus* (iv) an amount equal to the declared but unpaid dividends per each Preferred C Share and/or Preferred C-1 Share, as applicable (collectively, the “**Preferred C Preference**”). In the event that the Distributable Proceeds shall be insufficient to make payment of the full Preferred C Preference to all holders of Preferred C Shares per each Preferred C Share held thereby and to all holders of Preferred C-1 Shares per each Preferred C-1 Share held thereby, then all Distributable Proceeds shall be distributed ratably (on a pari passu basis) among the holders of the Preferred C Shares and Preferred C-1 Shares, in proportion to the Preferred C Preference amount each such holder would otherwise be entitled to receive hereunder pursuant to this Article 10.2.1.
- 10.2.2. *Second*, upon payment in full of the Preferred C Preference to the holders of Preferred C Shares and Preferred C-1 Shares, each Preferred B Shareholder shall be entitled to receive, by reason of his, her or its ownership of such Preferred B Shares, prior and in preference to the distribution of any Distributable Proceeds to the holders of Ordinary

In the event that the remaining Distributable Proceeds shall be insufficient to make payment of the full Preferred B Preference to all holders of Preferred B Shares per each Preferred B Share held thereby, then all such remaining Distributable Proceeds shall be distributed ratably among the holders of the Preferred B Shares in proportion to the Preferred B Preference amount each such holder would otherwise be entitled to receive hereunder pursuant to this Article 10.2.2.

- 10.2.3. Third, upon payment in full of the Preferred C Preference to the holders of Preferred C Shares and PreferredC-1 Shares and of the Preferred B Preference to the holders of Preferred B Shares, each Preferred A Shareholder shall be entitled to receive, by reason of his, her or its ownership of such Preferred A Shares, prior and in preference to the distribution of any Distributable Proceeds to the holders of Ordinary Shares (by reason of ownership thereof), (i) an amount per each Preferred A Share held by such holder equal to the Original Issue Price thereof plus (ii) interest at the rate of 6% per annum, compounded annually, from the original date of issuance of such Preferred A Share, until the date of such Distribution Event for such Preferred A Share, less (iii) the aggregate of all amounts previously paid in preference in respect of such Preferred A Share pursuant to this Article 10.2.3, plus (iv) an amount equal to the declared but unpaid dividends per each Preferred A Share (collectively, the “**Preferred A Preference**”, and together with the Preferred C Preference and the Preferred B Preference, the “**Preferred Preference**”). In the event that the remaining Distributable Proceeds shall be insufficient to make payment of the full Preferred A Preference to all holders of Preferred A Shares per each Preferred A Share held thereby, then all such remaining Distributable Proceeds (after distribution in full of the of the Preferred C Preference and the Preferred B Preference) shall be distributed ratably among the holders of the Preferred A Shares in proportion to the Preferred A Preference amount each such holder would otherwise be entitled to receive hereunder pursuant to this Article 10.2.3.

- 10.2.5. Notwithstanding the aforementioned, if a conversion of a series of Preferred Shares into Ordinary Shares immediately prior to the applicable distribution of the Distributable Proceeds would result in the applicable Preferred Shareholders receiving a greater payment in respect

of such series of Preferred Shares (taking into account any amount actually previously paid to the Preferred Shareholders in respect of such series on account of the distribution pursuant to Article 10.2.1, 10.2.2, or 10.2.3, as applicable), THEN, such Preferred Shareholders shall automatically and without the need for any other action participate in such distribution in respect of such series together with the Ordinary Shareholders, on a *pari passu* and as-converted basis (instead of receiving the applicable Preferred Preference in respect of such series as stated above, and without the need to actually convert such applicable series of Preferred Shares into Ordinary Shares).

- 10.2.6. Whenever the distribution provided for in this Article 10.2 shall be payable in securities or property other than cash, the value of such distribution shall be the fair market value of such securities or property as reasonably determined in good faith by the Board of Directors, except that any publicly-traded securities to be distributed to Shareholders in a Distribution Event shall be valued as follows: (i) if the securities are then traded on a national securities exchange or the Nasdaq Stock Market (or similar national quotation system), then the value of the securities shall be deemed to be the average of the closing prices of the securities on such exchange or system over the thirty (30) trading-day period ending five (5) trading days prior to the Distribution Event; or (ii) if the securities are actively traded over-the-counter, then the value of the securities shall be deemed to be the average of the closing bid prices of the securities over the thirty (30) trading-day period ending five (5) trading days prior to the Distribution Event. The US dollar equivalent of any non-US dollar distribution under this Article 10.2 shall be determined in accordance with the representative rate of exchange last published by the Bank of Israel prior to the date of the Distribution Event. In the event of a merger or other acquisition of the Company by another entity, the distribution date shall be deemed to be the date on which such transaction closes. The foregoing methods for valuing non-cash consideration to be distributed in connection with a Distribution Event shall be superseded by any determination of such value set forth in the definitive agreements governing such Distribution Event.
- 10.2.7. For the purpose of calculating whether Distributable Proceeds to which the holders of Preferred Shares are entitled to have exceeded the Preference Amount under this Article 10.2, the Distributable Proceeds shall exclude any future payments to be made pursuant to contingency (i.e. earn-out payments and other similar contingent payment mechanisms, but excluding any "time based" escrow or holdback amounts (i.e. amounts placed in escrow or holdback to indemnify the purchaser against breach of representations and warranties and customary covenants, that are released from escrow or holdback based on a defined time period that has elapsed)), (the aforementioned contingent payment(s), the "**Contingent Payment**"), and the Distributable Proceeds after exclusion of such Contingent Payment, the "**Initial Consideration**"). Thereafter, any Contingent Payment which becomes payable to the Shareholders (or the Company, as applicable) that is actually paid to the Shareholders (or the Company, as applicable), shall be allocated among the Shareholders in accordance with this Article 10.2 after taking into account the previous actual payment of the Initial Consideration and the Contingent Payment as part of the same transaction.

10.2A Redemption Rights.

To the extent that (a) (i) the Company does not conduct any Board meeting (whether by way of an actual meeting in person, a written resolution or by teleconference) during any calendar year, and (ii) CMS requests the Company in writing, after the lapse of such period, to call a Board meeting, and (iii) the Company does not conduct any Board meeting within 60 days from the date of CMS' written notification, or (b) the Company does not consummate either (i) a Deemed Liquidation, or (ii) a Qualified IPO, prior to the 6<sup>th</sup> anniversary of the closing of the Series C SPA (each of (a) and (b) above, a "**Redemption Date**"), then, the Preferred C and C-1 Majority (provided that such Preferred C and C-1 Majority includes CMS) (the "**Requesting Holders**") may, at their discretion, within a period of 60 days after the Redemption Date, deliver written notice to the Company (the "**Redemption Notice**") requesting the Company to redeem all of the Preferred C Shares and Preferred C-1 Shares held by the Requesting Holders, as applicable, for an amount equal to their Preferred C Preference. Following the receipt by the Company of such Redemption Notice by the Requesting Holders in accordance with the aforementioned, subject to applicable law, the Company shall pay the Preferred C Preference of the Requesting Holders (or, at its discretion, attempt to obtain a third party buyer to purchase their shares) in one or more installments, by no later than 9 months after the receipt by the Company of the Redemption Notice. If such redemption is not permissible due to applicable law governing distributions to shareholders, the Company shall undertake to effectuate such redemption as promptly as practicable following such time as the conditions prohibiting such redemption have abated.

Without derogating from the above, to the extent that the Preferred C Shares and Preferred C-1 Shares held by the Requesting Holders, as applicable, are purchased by the Company in accordance with the aforementioned, upon the payment by the Company to each Requesting Holder, the Preferred C Shares and Preferred C-1 Shares held thereby shall automatically and without the need of any further action by any party be deemed to have been transferred to the Company and classified as dormant shares, and such Requesting Holder shall have of no further rights or claims of any kind or nature as of such time with respect to any Preferred C Shares previously held thereby. To the extent that Requesting Holders require redemption of their Preferred C Shares and Preferred C-1 Shares, as applicable, as set forth herein, the Requesting Holders shall cooperate with Company in good faith to facilitate the process set forth above and agree to sign any documents reasonably required to effect the above redemption.

10.3. Conversion Rights.

10.3.1. Right to Convert. Subject to the applicable provisions of the Companies Law, each Preferred Share shall be convertible at the option of the holder thereof, at any time after the date of issuance of such share, into such number of duly and validly issued, fully paid and non-assessable

Ordinary Shares as is determined by dividing the applicable Original Issue Price for such Preferred Shares by the Preferred Conversion Price (as defined below) at the time in effect for such Preferred Share. The Preferred Conversion Price with respect to each Preferred Share shall initially be the applicable Original Issue Price of such Preferred Share; *provided, however*, that the Preferred Conversion Price shall be subject to adjustments as provided below (the “**Preferred Conversion Price**”).

- 10.3.2. *Automatic Conversion.* All Preferred Shares shall automatically be converted, without payment of additional consideration by the holder thereof, at the then applicable conversion ratio (subject to adjustment as set forth below) into Ordinary Shares immediately upon the earlier to occur of (i) a Qualified IPO, or (ii) written consent or written agreement or affirmative vote of the Preferred Majority, including the consent in writing of the Preferred C and C-1 Majority.
- 10.3.3. *Mechanics of Conversion.* In the case of conversion under Article 10.3.1 or 10.3.2(ii), the conversion shall be deemed to occur immediately upon the business day or the occurrence of the event specified in a written notice of conversion received by the Company from the converting holder or the Preferred Majority (including the Preferred C and C-1 Majority), as applicable, and the Person(s) entitled to receive the Ordinary Shares issuable upon such conversion shall be treated for all purposes as the record holder of such Ordinary Shares as of such date. In case of conversion under Article 10.3.2(i), the conversion shall be deemed to occur immediately prior to and contingent upon the closing of the Qualified IPO, and the Person(s) entitled to receive the Ordinary Shares issuable upon such conversion shall be treated for all purposes as the record holder of such Ordinary Shares as of such date. From and after conversion, any share certificates evidencing the converted Preferred Shares shall be deemed cancelled and shall only evidence the Ordinary Shares issued upon conversion of the applicable Preferred Shares and the right to receive share certificates for Ordinary Shares upon their return to the Company (or the provision of an affirmation of lost certificate if the certificate was lost or destroyed). A conversion of Preferred Shares into Ordinary Shares in the manner specified above shall not require any additional corporate action by the Company in order to become effective and shall not affect the number of authorized Ordinary Shares or authorized Preferred Shares of the Company.
- 10.3.4. *Adjustments to the Preferred Conversion Price for Anti-Dilution Purposes*
- 10.3.4.1. In the event that the Company, at any time or from time to time, prior to a Qualified IPO, shall issue New Securities, for a consideration per share lower than the applicable Preferred Conversion Price in effect on the date of and immediately prior to such issuance (including issuances at no consideration) (the “**Reduced Issuance Price**”), then in such event the Preferred Conversion Price shall be reduced, concurrently with such issuance, by applying the following broad-based weighted average formula, to a number (rounded to the nearest whole US

cent) equal to a fraction (i) the numerator of which is the sum of (A) the number of Ordinary Shares of the Company, on a fully diluted, and on an as-converted basis (as if all securities (including without limitation, Preferred Shares, options, warrants and convertible notes) directly or indirectly exercisable or convertible into any Ordinary Shares of the Company had been fully exercised and converted into Ordinary Shares, as of such date), outstanding immediately prior to the relevant issuance of the New Securities, *multiplied* by the applicable Preferred Conversion Price in effect immediately prior to the issuance of such New Securities *plus* (B) the total amount of the consideration received by the Company for such New Securities, and (ii) the denominator of which is the sum of the number of shares of the Company, on a fully diluted, and on an as-converted basis (as if all securities (including without limitation, Preferred Shares, options, warrants and convertible notes) directly or indirectly exercisable or convertible into any shares of the Company had been fully exercised and converted into Ordinary Shares, as of such date), outstanding immediately prior to the relevant issuance of the New Securities *plus* the number of New Securities issued.

- 10.3.4.2. In the event that the New Securities issued by the Company are rights, options or warrants to purchase equity interests, or securities of any type whatsoever that are convertible into equity interests (“**Convertible Securities**”), then the maximum number of shares directly or indirectly deliverable upon exercise (assuming the satisfaction of any conditions to exercisability, including without limitation the passage of time, but without taking into account potential anti-dilution adjustments), conversion or exchange of such Convertible Securities shall be deemed to have been issued at the time of issuance of such Convertible Securities, at a consideration equal to the consideration (determined in the manner provided in Article 10.3.4.3) if any, received by the Company for such Convertible Securities upon the issuance of such Convertible Securities *plus* the minimum consideration payable to the Company pursuant to the terms of such Convertible Securities, if any (without taking into account potential anti-dilution adjustments) for the issuance of shares covered thereby; *provided, however,* that in any such case in which Convertible Securities are issued: (i) no further adjustment in the Preferred Conversion Price shall be made upon the subsequent issuance of shares upon the exercise or conversion of such Convertible Securities, pursuant to their terms; *provided* that one adjustment is made in accordance with Article 10.3.4.1 above; (ii) if such Convertible Securities by their terms provide, with the passage of time or otherwise, for any increase in the consideration payable to the Company, or decrease in the number of shares issuable, upon the exercise, conversion or exchange thereof, the Preferred Conversion Price computed

upon the original issue thereof, and any subsequent adjustments based thereon, shall, upon any such increase or decrease becoming effective, be recomputed to reflect such increase or decrease insofar as it affects such Convertible Securities; (iii) upon the expiration or termination of any such Convertible Securities which shall not have been exercised or converted, the Preferred Conversion Price shall be readjusted (but to no greater extent than originally adjusted, and any subsequent adjustments based thereon) in order to eliminate from the adjustment the effect of any such Convertible Securities as shall have expired or terminated, and adjust only to the extent of such New Securities actually issued, if any, and the consideration actually received by the Company therefore. Adjustments as a result of the issuance of Convertible Securities that by their terms provide for multiple conversion and/or exercise scenarios (e.g. convertible loans) shall be deferred and be effected only upon the actual conversion and/or exercise of such Convertible Securities, to the extent that issuance of New Securities thereunder is at a Reduced Issuance Price.

10.3.4.3. For the purpose of making any adjustment required under Article 10.3.4 above, the consideration received by the Company for any issue or sale of New Securities shall (x) to the extent it consists of cash, be computed at the gross amount of cash received by the Company in consideration for such issuance or sale, (y) to the extent it consists of property other than cash, be computed at the fair market value of that property as determined in good faith by the Board of Directors, and (z) if New Securities or rights or options to purchase New Securities are issued or sold together with other shares or securities or other assets of the Company for a consideration which covers both, be computed as the portion of the consideration so received that may be reasonably determined in good faith by the Board of Directors to be allocable to such New Securities or rights or options.

10.3.5. *Adjustments to the Preferred Conversion Price for Splits and Combinations*

10.3.5.1. Should the Company at any time or from time to time fix a record date for the effectuation of a split, subdivision or similar Recapitalization Event of the outstanding Ordinary Shares or for the determination of the outstanding Ordinary Shares entitled to receive a dividend or other distribution payable in additional Ordinary Shares without payment of any consideration by such holder for the additional Ordinary Shares, then, as of such record date (or the date of such dividend, distribution, split or subdivision if no record date is fixed), the applicable Preferred Conversion Price shall be appropriately decreased to ensure no dilution takes place such that the number of Ordinary Shares issuable on conversion of each Preferred Share shall be increased in proportion to such increase of the aggregate number of Ordinary Shares outstanding.

- 10.3.5.2. If the number of Ordinary Shares outstanding at any time or from time to time is decreased by a combination of the outstanding Ordinary Shares, reverse stock split, or similar recapitalization events then, following the record date of such combination or reverse stock split, the applicable Preferred Conversion Price shall be appropriately increased to ensure no dilution takes place such that the number of Ordinary Shares issuable on conversion of each Preferred Share shall be decreased in proportion to such decrease in the aggregate number of Ordinary Shares outstanding.
- 10.3.6. *Other Distributions.* Without derogating from Article 10.2 above, in the event the Company shall declare a distribution payable in securities of other corporations, evidences of indebtedness issued by the Company or other corporations, assets (excluding cash dividends) or options or rights not referred to in Article 10.3.5 above, then, in each such case for the purpose of this Article, the holders of Preferred Shares shall be entitled to a proportionate share of any such distribution as though they were the holders of the number of Ordinary Shares of the Company into which their Preferred Shares are convertible as of the record date fixed for such distribution.
- 10.3.7. *Adjustments to the Preferred Conversion Price Upon Recapitalization Events.* Without derogating from Article 10.2 above, if at any time or from time to time there shall be a recapitalization or exchange of the Ordinary Shares (other than as provided for elsewhere in this Article 10.3 or Article 10.2 above), provision shall be made so that the holders of Preferred Shares shall thereafter be entitled to receive, upon conversion of the Preferred Shares, the number of shares or other securities or property of the Company or otherwise, which an Ordinary Shareholder deliverable upon conversion immediately prior to such recapitalization or exchange would have been entitled to receive on such recapitalization or exchange. In any such case, appropriate adjustment shall be made in the application of the provisions of this Article 10.3 with respect to the rights of the holders of Preferred Shares after the recapitalization to the end that the provisions of this Article 10.3 (including adjustment of the applicable Preferred Conversion Price then in effect and the number of shares purchasable upon conversion of the Preferred Shares) shall be applicable after that event as nearly equivalently as may be practicable.
- 10.3.8. *No Impairment.* The Company will not, by amendment of these Articles or through any reorganization, recapitalization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed under this Article 10.3 by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Article 10.3 and in the taking of all such actions as may be necessary or appropriate in order to protect the conversion rights under this Article 10.3 of the Preferred Shareholders against impairment.

- 10.3.9. No Fractional Shares and Certificates as to Adjustments. No fractional shares shall be issued upon conversion of the Preferred Shares, and the number of Ordinary Shares to be issued shall be rounded to the nearest whole share (after aggregating all fractions held by each single shareholder and with one half of a share being rounded up).
- 10.3.10. Certificate as to Adjustment. Upon the occurrence of each adjustment of the Preferred Conversion Price pursuant to this Article 10.3, the Company, at its expense, shall promptly compute such adjustment in accordance with the terms hereof and prepare and furnish to each Preferred Shareholder (as applicable) a certificate setting forth such adjustment and showing in detail the facts upon which such adjustment is based. The Company shall, upon the reasonable written request at any time of any Preferred Shareholder, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustment, if any, (ii) the applicable Preferred Conversion Price in effect at the time, and (iii) the number of Ordinary Shares and the amount, if any, of other property which at the time would be received upon the conversion of a Preferred Share.
- 10.3.11. Reservation of Shares Issuable Upon Conversion. The Company shall at all times reserve and keep available out of its authorized but unissued Ordinary Shares, solely for the purpose of effecting the conversion of the Preferred Shares, such number of its Ordinary Shares as shall from time to time be sufficient to effect the conversion of all outstanding Preferred Shares; and if at any time the number of authorized but unissued Ordinary Shares shall not be sufficient to effect the conversion of all then outstanding Preferred Shares, in addition to such other remedies as shall be available to the Preferred Shareholders, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued Ordinary Shares to such number of shares as shall be sufficient for such purposes. Without derogating from the aforesaid, in the event that in the opinion of the Company's legal counsel, any conversion of Preferred Shares shall require additional shareholders' resolutions or consents, each Shareholder shall execute any such document and/or resolutions reasonably necessary to effectuate such conversion.
- 10.3.12. Taxes. The Company shall pay any and all transfer taxes and other similar taxes (other than income or capital gain taxes, for the avoidance of doubt) that may be payable in respect of any issuance or delivery of Ordinary Shares upon conversion of Preferred Shares pursuant to this Article 10.3. For clarification, the Company shall not be obligated to pay any transfer taxes resulting from any transfer of securities requested by any holder in connection with any such conversion.

11. SPECIAL RIGHTS; MODIFICATIONS OF RIGHTS.

Subject to the provisions of these Articles, including, without limitation, the provisions of Article 42 and the applicable provisions of the Companies Law, the Company may, from time to time, issue shares with such preferred or deferred rights or rights of redemption or other special rights and/or such restrictions, whether in regard to dividends, voting, repayment or otherwise, as may be stipulated in such resolution.

- 
- 11.1. Subject to Article 42 and to applicable law, if at any time, the authorized shares of the Company are divided into different classes of shares, the Company may modify, convert, broaden, add or otherwise alter the rights, privileges, advantages, restrictions and provisions related at that time to the shares of any class by a resolution passed at a general meeting of the holders of all the Shares voting as one class, and subject to Article 42 and to applicable law, the Ordinary Shareholders and Preferred Shareholders shall not be entitled to any class vote provided, however, that any amendment, modification or abrogation to the rights, preferences, privileges or powers of, or the restrictions provided for the benefit of a specific class of shares which (A) adversely change such rights, preferences, privileges or powers and do not apply in the same manner and with the same effect to the other classes of shares of the Company, or (B) improve such rights without improving in the same manner and with the same effect the rights of the other classes of shares of the Company, shall require the consent of the holders of at least a majority (or, in case of Preferred Shares, at least 60%, and in case of the Preferred C Shares – the Preferred C Majority, and in case of the Preferred C-1 Shares – the Preferred C-1 Majority, and in case of the Preferred C Shares and Preferred C-1 Shares, together, – the Preferred C and C-1 Majority) of the issued and outstanding shares of such class the rights of which were so adversely changed, in the case of clause (A) above, or not improved, in the case of clause (B) above. For the avoidance of doubt, the Shareholders intend to avoid any legal proposition relating to an “interest vote” and all votes are to be based on the class of shares held by shareholders and shall not be determined according to the economic interests associated with a specific class of shares or the fact that a certain shareholder may hold more than one class of shares. Thus, for example, any resolution required to be adopted pursuant to these Articles by a separate general meeting of a certain class of shares, shall be voted upon and adopted by the holders of such class entitled to vote thereon (without excluding shares held by Shareholders holding, in addition, shares of other classes in the Company) and no holder of a certain class shall be banned from participating and voting in a separate general meeting of such class by virtue of being a holder of more than one class of shares of the Company, irrespective of any conflicting interests that may exist between such different classes of shares. Anything contained herein to the contrary notwithstanding, subject to any applicable law, a Shareholder shall not be required to refrain from participating in the discussion or voting on any resolution concerning the modification or abrogation of the rights attached to any class of shares held by such Shareholder, due to the fact that such Shareholder may benefit in one way or another from the outcome of such resolution; e.g. a Shareholder shall be entitled to vote on the modification of rights attached to shares held by such Shareholder in a way that may benefit such holder either directly or indirectly (such as in the case of an increased financial value gained by virtue of such change). Subject to the other provisions of these Articles, in the event that modifications to or abrogation of the rights attached to shares of the Company may be effected by way of amendment to these Articles or by way of proceedings under a scheme of arrangement or similar procedure under sanction of a court, such modification or abrogation

shall, to the maximum extent permitted under applicable law, be effected through amendment of these Articles and as such shall not require any class votes. Any right granted specifically to, or any other covenant with respect to, any Shareholder (granted to such Shareholder by name) may not be amended, terminated or waived (in addition to any other requirement under these Articles), without the written consent of such Shareholder unless such right has expired in accordance with its terms. Any right granted to the holders of a certain majority may not be amended or terminated or the observance of any such specific right granted to the holders of a certain majority may not be waived, without, the written consent of the holders of such applicable majority.

- 11.2. The provisions of these Articles relating to General Meetings of the Shareholders, to the convening thereof, notices in respect of and resolutions to be passes thereat, shall *mutatis mutandis*, apply to any separate general meeting of the holders of the shares of a particular class.
- 11.3. Unless otherwise provided by these Articles, including, without limitation, under Article 42, it is hereby clarified that the enlargement of an existing class of shares, or the issuance or allotment of additional shares thereof, or the creation of a new class of shares ranking pari passu with an existing class of shares or superior to any existing class of shares, shall not be deemed, for purposes of this Article 11 to be an adverse change or affect to the rights attached to any one class of shares, or to modify or abrogate the rights attached to the previously issued shares of such class or of any other class.

12. SHARE CERTIFICATES

- 12.1. Share certificates shall be issued under the name of the Company and shall bear the signatures of a Director and/or of any other person or persons authorized thereto by the Board of Directors.
- 12.2. Each shareholder shall be entitled to one numbered certificate for all the shares of any class registered in his name, and if the Board of Directors so approves, to several certificates, each for one or more of such shares.
- 12.3. A share certificate registered in the names of two or more persons shall be delivered to the person first named in the Registrar of Shareholders in respect of such co-ownership.
- 12.4. If a share certificate is defaced, lost or destroyed, it may be replaced upon the payment of such fee and upon the furnishing of such evidence of ownership and such indemnity, as the Board of Directors may think fit.

13. REGISTERED HOLDER

Except as otherwise provided in these Articles, the Company shall be entitled to treat the registered holder of any share as the absolute owner thereof, and, accordingly, shall not, except as ordered by a court of competent jurisdiction, or as required by statute, be bound to recognize any equitable or other claim to, or interest in such share on the part of any other person.

14. ALLOTMENT OF SHARES.

Subject to the provisions of Article 42 and other provisions of these Articles, the Company's authorized shares, other than the issued and outstanding shares, shall be under the control of the Board of Directors, who shall have the power to allot shares or otherwise dispose of them to such persons, on such terms and conditions (including inter alia terms relating to calls as set forth in Article 17 herein), either at par or at a premium, or, subject to the provisions of the Companies Law, at a discount, and at such times, as the Board of Directors may think fit, and the power to give to any person the option to acquire from the Company any shares, either at par or at a premium, or, subject as aforesaid, at a discount, during such time and for such consideration as the Board of Directors may think fit. Such issuance may be made in cash, cash equivalents or for in kind consideration or for no consideration.

15. PRE-EMPTIVE RIGHTS.

- 15.1. Prior to the closing of a Qualified IPO, if the Company proposes to issue or sell any New Securities, the Company shall grant, prior to such issuance, to each Entitled Holder the right to purchase its pro-rata share (on a fully diluted as converted basis) of the New Securities; provided, that no Founder exercising its pre-emptive rights pursuant to this Article 15.1 may grant any security interest and/or any other right of any kind or nature, either direct or indirect, with respect to or based upon the acquired securities or any other securities of the Company held by that Founder in connection with the purchase of any such New Securities. "**pro-rata share**", for purposes of this Article 15, shall mean the ratio of the number of shares of the Company held by such Entitled Holder immediately prior to the issuance of the New Securities (on a fully diluted and as-converted basis) in relation to the total number of all Ordinary Shares of the Company issued and outstanding and held by all the Shareholders immediately prior to the issuance of New Securities (on a fully diluted and as-converted to Ordinary Shares basis).
- 15.2. Unless waived by a resolution of the Preferred Majority in connection with a proposed issuance or sale of New Securities to any proposed investor that is not an Affiliate or a Permitted Transferee of any Preferred Shareholder who is part of the Shareholders comprising such Preferred Majority, each Entitled Holder shall also have a right of over-allotment such that if any Entitled Holder declines or fails to exercise in full its right hereunder to purchase its pro-rata share of the New Securities, each other Entitled Holder exercising its preemptive right hereunder may purchase such declining Entitled Holder's portion, on a pro-rata basis to those Entitled Holders exercising their right of over-allotment and shall indicate its intention to do so in its Rights Response (as defined below).
- 15.3. In the event the Company proposes to issue New Securities, it shall give each Entitled Holder written notice (the "**Rights Notice**") of its intention, describing the type of New Securities, their price and the general terms upon which the Company proposes to issue the same. Each Entitled Holder shall have fourteen (14) days from the date on which such notice is received by it to inform the Company of its desire to purchase all or any part of its pro rata share of such New Securities and any additional shares as may be available for over-allotment, upon the terms and conditions specified in the Rights Notice, by giving a written notice (the "**Rights Response**") to the Company and stating therein the maximum amount of New Securities desired to be purchased by it.

- 
- 15.4. Any Entitled Holder who does not inform the Company in writing within the said fourteen (14) days shall be considered as waiving its preemptive rights hereunder. Any Entitled Holder informing the Company of its decision to exercise its preemptive rights hereunder (the “**Exercising Purchaser**”) shall be obligated to accept the allotment of the number of shares specified in its Rights Response only if as part of notice of the Rights Notice the Company provides also the definitive transaction agreements, substantially in their final form; *provided* that the Exercising Purchaser shall be entitled to withdraw its consent if the Company does not consummate the sale of all New Securities pursuant to the terms specified in the Rights Notice.
  - 15.5. In the event the Entitled Holders fail to exercise fully the preemptive rights within the said fourteen (14) days period, the Company shall have ninety (90) days thereafter to sell to any third party the remainder of the New Securities with respect to which the Entitled Holders’ preemptive rights were not exercised, at a price and upon terms no less favorable to the Company than specified in the Company’s Rights Notice. If the Company does consummate such sale of New Securities within the aforementioned ninety (90) day period, the pre-emptive right provided hereunder shall be deemed to be revived and such New Securities shall not be offered unless first reoffered to the Entitled Holders in accordance herewith.
  - 15.6. An Entitled Holder may assign its right under this Article 15, in whole or in part, to any Person that is a Permitted Transferee thereof.
  - 15.7. Notwithstanding anything in this Article 15 to the contrary, if the offer to Entitled Holders under this Article 15 may, in the opinion of the Company’s counsel, constitute an offer to the public under applicable laws which is subject to prospectus requirements then such offer shall be limited to (i) the type of offerees the offering to which is exempted from such prospectus requirement, (ii) Shareholders who are holders of Preferred Shares, and (iii) to such limited number of Shareholders with the highest holdings of shares in the Company (aggregating holdings of Permitted Transferees for the purpose of calculating the Shareholders with the highest holdings); *provided*, that such Permitted Transferees shall be considered as separate entities to the extent viewed as such by applicable law; and *further provided* that the transfers to such Permitted Transferees were not made for the purpose of increasing the number of entities that are Permitted Transferees of the original transferring Shareholder(s) eligible to participate in the offer to Shareholders under this Article 15), not including and in addition to the offerees under paragraph (i), the offering to which is exempted from such prospectus requirement.
  - 15.8. Subject to the following, the pre-emptive rights under this Article 15 may not be waived by the Preferred Majority with respect to an Entitled Holder (the “**Excluded Holder**”) without its consent solely to the extent that such waiver and the issuance of New Securities by the Company in connection therewith would result in such Excluded Holder losing its status as an Entitled Holder (i.e., such Excluded Holder’s holdings in the Company on an as converted basis would decrease below the applicable threshold for being an ‘Entitled Holder’ should these New Securities be issued without its participation). In such an event, to the extent the consent of such Excluded Holder was not received, the waiver of pre-emptive rights would apply and be in effect with respect to all other Entitled Holders in the Company other than such specific Excluded Holder. Notwithstanding the aforementioned, in the event that such Excluded Holder did not exercise its preemptive rights in full in two successive and

separate rounds of issuance of New Securities by the Company prior to such time (to the extent applicable), the provisions of this Article 15.8 would expire with respect to such Excluded Holder in their entirety and the Preferred Majority shall be entitled to waive the pre-emptive rights with respect to such Excluded Holder with no limitation

15.9. Section 290(a) of the Companies Law shall not apply to the Company.

16. PAYMENT IN INSTALLMENTS.

If by the terms of allotment of any share, the whole or any part of the price thereof shall be payable in installments, every such installment shall, when due, be paid to the Company by the then registered holder(s) of the share of the person(s) entitled thereto.

17. CALLS ON SHARES.

17.1. The Board of Directors may, from time to time make such calls as it may think fit upon Shareholders in respect of any sum unpaid in respect of shares held by such Shareholders which is not, by the terms of allotment thereof or otherwise, payable at a fixed time, and each shareholder shall pay the amount of every call so made upon him (and of each installment thereof if the same is payable in installments), to the person(s) and at the time(s) and place(s) designated by the Board of Directors, as any such time(s) may be thereafter extended and/or such person(s) or place(s) changed. Unless otherwise stipulated in the resolution of the Board of Directors (and in the notice hereafter referred to), each payment in response to a call shall be deemed to constitute a pro rata payment on account of all shares in respect of which such call was made.

17.2. Notice of any call shall be given in writing to the Shareholder(s) in question no less than fourteen (14) days prior to the time of payment, specifying the time and place of payment, and designating the person to whom such payment shall be made; *provided, however*, that before the time for any such payment, the Board of Directors may, by notice in writing to such Shareholder(s), revoke such call in whole or in part, extend such time, or alter such person and/or place. In the event of a call payable in installments, only one notice thereof need be given.

17.3. If, by the terms of allotment of any share or otherwise, any amount is made payable at any fixed time, every such amount shall be payable at such time as if it were a call duly made by the Board of Directors and of which due notice had been given, and all the provisions herein contained with respect to such calls shall apply to each such amount.

17.4. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof and all interest payable thereon.

17.5. Any amount unpaid in respect of a call shall bear interest from the date on which it is payable until actual payment thereof, at such rate (not exceeding the then prevailing debitory rate charged by leading commercial banks in Israel), and at such time(s) as the Board of Directors may prescribe.

17.6. Upon the allotment of shares, the Board of Directors may provide for differences among the allottees of such shares as to the amount of calls and/or the times of payment thereof.

18. PREPAYMENT.

With the approval of the Board of Directors, any Shareholder may pay to the Company any amount not yet payable in respect of his shares, and the Board of Directors may approve the payment of interest on any such amount until the same would be payable if it had not been paid in advance, at such rate and time(s) as may be approved by the Board of Directors. The Board of Directors may at any time cause the Company to repay all or any part of the money so advanced, without premium or penalty. Nothing in this Article 18 shall derogate from the right of the Board of Directors to make any call before or after receipt by the Company of any such advance.

19. FORFEITURE AND SURRENDER.

- 19.1. If any Shareholder fails to pay any amount payable in respect of a call, or interest thereon as provided for herein, on or before the day fixed for payment of the same, the Company, by resolution of the Board of Directors, and subject to the provisions of Section 181 of the Companies Law, may at any time thereafter, so long as the said amount or interest remains unpaid, forfeit all or any of the shares in respect of which said call had been made. Any expense incurred by the Company in attempting to collect any such amount or interest, including, inter alia, attorneys' fees and costs of suit, shall be added to, and shall, for all purposes (including the accrual of interest thereon), constitute a part of the amount payable to the Company in respect of such call.
- 19.2. Upon the adoption of a resolution of forfeiture, the Board of Directors shall cause notice thereof to be given to such shareholder, which notice shall state that, in the event of the failure to pay the entire amount so payable within a period stipulated in the notice (which period shall not be less than fourteen (14) days and which may be extended by the Board of Directors), such shares shall be ipso facto forfeited; *provided, however*, that, prior to the expiration of such period, the Board of Directors may nullify such resolution of forfeiture, but no such nullification shall stop the Board of Directors from adopting a further resolution of forfeiture in respect of the non-payment of the same amount.
- 19.3. Whenever shares are forfeited as herein provided, all dividends theretofore declared in respect thereof and not actually paid shall be deemed to have been forfeited at the same time.
- 19.4. The Company, by resolution of the Board of Directors, may accept the voluntary surrender of any share.
- 19.5. Any share forfeited or surrendered as provided herein shall become dormant shares (as defined in Section 308 of the Companies Law), and the same, subject to the provisions of these Articles, may be sold, re-allotted or otherwise disposed of as the Board of Directors thinks fit.
- 19.6. Any Shareholder whose shares have been forfeited or surrendered shall cease to be a shareholder in respect of the forfeited or surrendered shares, but shall, notwithstanding, be liable to pay, and shall forthwith pay, to the Company, all calls, interest and expenses owing upon or in respect of such shares at the time of forfeiture or surrender, together with interest thereon from the time of forfeiture or surrender until actual payment, at the rate prescribed in Article 17.5 above, unless such shares were sold by the Company, and the Company shall have received in full the amounts specified above in addition to any additional costs of such sale of shares, and the Board of Directors, in its discretion, may enforce the payment of such moneys, or any part thereof, but

shall not be under any obligation to do so. In the event of such forfeiture or surrender, the Company, by resolution of the Board of Directors, may accelerate the date(s) of payment of any or all amounts then owing by the shareholder in question (but not yet due) in respect of all shares owned by such shareholder, solely or jointly with another, and in respect of any other matter or transaction whatsoever.

19.7. The Board of Directors may at any time, before any share so forfeited or surrendered shall have been sold, re-allotted or otherwise disposed of, nullify the forfeiture or surrender on such conditions as it thinks fit, but no such nullification shall stop the Board of Directors from re-exercising its powers of forfeiture pursuant to this Article 19.7.

20. LIEN.

20.1. Except to the extent the same may be waived or subordinated in writing, the Company shall have a first and paramount lien upon all the shares registered in the name of each Shareholder on which a call was duly made by the Board of Directors (without regard to any equitable or other claim or interest in such shares on the part of any other person), and upon the proceeds of the sale thereof, in respect of unpaid sum relating to shares held by such Shareholder. Such lien shall extend to all dividends from time to time declared in respect of such unpaid for shares. Unless otherwise provided, the registration by the Company of a transfer of shares shall not be deemed to be a waiver on the part of the Company of the lien (if any) existing on such shares immediately prior to such transfer.

20.2. The Board of Directors may cause the Company to sell any shares subject to such lien when any such debt, liability or engagement has matured, in such manner as the Board of Directors may think fit, but no such sale shall be made unless such debt, liability or engagement has not been satisfied within fourteen (14) days after written notice of the intention to sell shall have been served on such shareholder, his executors or administrators.

20.3. The net proceeds of any such sale, after payment of the costs thereof, shall be applied in or toward satisfaction of the debts, liabilities or engagements of such Shareholder (whether or not the same have matured), or any specific part of the same (as the Company may determine), and the residue (if any) shall be paid to the Shareholder, his executors, administrators or assigns.

21. SALE AFTER FORFEITURE OR SURRENDER OR IN ENFORCEMENT OF LIEN.

Upon any sale of shares after forfeiture or surrender or for enforcing a lien, the Board of Directors may appoint any person to execute an instrument of transfer of the shares so sold and cause the purchaser's name to be entered in the Register of Shareholders in respect of such shares, and the purchaser shall not be bound to see to the regularity of the proceedings, or to the application of the purchase money, and after his name has been entered in the Register of Shareholders in respect of such shares, the validity of the sale shall not be impeached by any person, and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

22. REDEEMABLE SHARES.

The Company may, subject to applicable law, issue redeemable shares and redeem the same.

23. Effectiveness and Registration.

- 23.1. Any transfer of shares of the Company shall be subject to the provisions of Articles 23 and 26 through 29 herein; *provided, however*, that any transfer of shares (other than Permitted Transfer (as defined below)) shall require the approval of the Board of Directors, which approval shall not be unreasonably withheld, *provided* that the Board of Directors shall be entitled to reject a transfer if: (i) the transferee's primary business is competitive with the Company (which status as a competitor is determined by the Board of Directors in good faith) or a person convicted of a criminal offense involving moral turpitude, (ii) as a result of such transfer the number of shareholders of the Company shall exceed the permitted number pursuant to Article 2.2, (iii) the proposed transfer does not comply with the terms of these Articles, or (iv) the proposed transfer violates any law applicable to the Company (including any applicable securities law). In the event that the Board of Directors does not notify the transferor of its refusal to allow a transfer together with the reasoning for such refusal within fourteen (14) days of receipt by the Company of a request for transfer which includes the identity of the transferee then the Board of Directors shall be deemed to have agreed to such transfer, *provided* that such agreement by the Board of Directors will be deemed to be subject to compliance by the transferor and the transferee with the terms of these Articles related to a transfer.
- 23.2. No transfer of shares shall be approved or registered unless a proper instrument of transfer has been submitted to the Company (or its transfer agent) together with the share certificate for the transferred shares (if such has been issued) or an affirmation of lost certificate in its stead, and with any other evidence the Board of Directors may require in order to prove to its satisfaction the rights of the transferor in the transferred shares. Subject to the transfer limitations set forth in these Articles, a Shareholder shall not make any transfer of the shares, unless (i) such transfer is in compliance with these Articles, as shall be amended from time to time and any other agreement governing the subject matter and to which the transferring Shareholder is subject, as shall be from time to time; and (ii) such transferee undertook in advance in writing to be bound by and to be subject to the terms and conditions of these Articles as shall be amended from time to time and any other agreement governing the transferred shares and to which the transferring Shareholder is subject, as shall be amended from time to time, as if it were an original party thereunder, and accepts and assumes any and all liabilities and obligations of the transferring Shareholder under said agreements with respect to the transferred shares.
- 23.3. The instrument of transfer shall be signed by the transferor and the transferee, and the transferor shall be considered the owner of the shares until the transferee is registered in the Register of Shareholders in respect of the shares transferred to him. The instrument of transfer of any share shall be in writing in the following form or as near thereto as possible, or in a usual or accepted form that shall be approved by the Board of Directors:

"I \_\_\_\_\_ (the "Transferor") hereby transfer to \_\_\_\_\_ (the "Transferee") \_\_\_\_\_ [Ordinary Shares] / [Preferred \_\_\_ Shares] of Innoviz Technologies Ltd., to be held by the Transferee, the executors and

administrators of his estate, his custodian and his legal personal representative, under the same conditions under which I myself held them immediately prior to signing this instrument of transfer, and I, the Transferee, hereby agree to accept the above mentioned shares in accordance with the above mentioned conditions.

IN WITNESS THEREOF we hereby affix our signatures this \_\_\_\_ day of \_\_\_\_\_ 20\_\_.

\_\_\_\_\_  
The Transferor                      The Transferee”

- 23.4. The Board of Directors may suspend the registration of transfers during the fourteen (14) days immediately preceding the ordinary general meeting in each year.
- 23.5. Instruments of transfer that are registered shall remain in the Company’s possession; however, instruments of transfer which the Board of Directors refuses to register in accordance with this Article 23, shall be returned, on demand, to whomever delivered them along with the share certificate (if delivered).
- 23.6. The provisions of this Article 23 shall expire upon the consummation of the earlier of an IPO or a Deemed Liquidation.

TRANSMISSION OF SHARES

24. DECEDENT’S SHARES.

- 24.1. The executors and administrators of a deceased sole holder of a share, or, if there are no executors or administrators, the persons beneficially entitled as heirs of a deceased sole holder, shall be the only persons recognized by the Company as having any title to the share. In case of a share registered in the names of two or more holders, the Company shall recognize the survivor or survivors as the only persons having any title to or benefit in the share. Nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share jointly held by him.
- 24.2. Any person becoming entitled to a share in consequence of the death of any person, upon producing evidence of the grant of probate or letters of administration or declaration of succession or such other evidence as the Board of Directors may deem sufficient that he sustains the character in respect of which he proposes to act under this Article 24 or of his title, shall be registered as a Shareholder in respect of such shares, or may, subject to the regulations as to transfer herein contained, transfer such shares.
- 24.3. A person upon whom the ownership of a share devolves by transmission shall be entitled to receive, and may give a discharge for any dividends or other monies payable in respect of the share but he shall not be entitled in respect of it to receive notices, or to attend or vote at meetings of the Company, or, save as otherwise provided herein, to exercise any of the rights or privileges of a Shareholder unless and until he shall be registered in the Register of Shareholders.

25. RECEIVERS AND LIQUIDATORS.

- 25.1. The Company may recognize the receiver or liquidator of any corporate shareholder in winding up or dissolution, or the receiver or trustee in bankruptcy of any Shareholder, as being entitled to the shares registered in the name of such Shareholder.
- 25.2. The receiver or liquidator of a corporate Shareholder in winding up or dissolution, or the receiver or trustee in bankruptcy of any Shareholder, upon producing such evidence as the Board of Directors may deem sufficient that he sustains the character in respect of which he proposes to act under this Article 25 or of his title, shall with the consent of the Board of Directors (which the Board of Directors may grant or refuse in its absolute discretion), be registered as a Shareholder in respect of such shares, or may, subject to the regulations as to transfer herein contained, transfer such shares.

26. RESTRICTIONS ON TRANSFER OF SHARES BY THE FOUNDERS.

- 26.1. Until an IPO or a Deemed Liquidation (such period shall be referred to hereafter as the “**No Sale Period**”), each of the Founders shall be subject to an absolute prohibition on sales, assignments, transfers, pledges, charges or otherwise encumbering or effecting other dispositions or the grant in any way to third parties of any other rights (each, a “**Disposition**” and the verb “**dispose**” shall have the correlative meaning) solely with respect to any or all of the Company’s Ordinary Shares held by such Founder as of the First Closing (including any Company’s shares which may be issued to such Founder by the Company on account of such shares) (the “**Subject Shares**”) other than (i) in the context of a Transaction with respect to the purchase of all of the Company’s securities or assets which was accepted by the Requisite Majority (as defined in Article 29 below), (ii) a Disposition to a Founder’s Permitted Transferee and (iii) a Disposition by a Founder of Subject Shares that constitutes up to 10% of the Subject Shares in each twelve (12) months period commencing on the twenty four (24) month anniversary of the First Closing (each, the “**Annual Quota**” and each 12 month term, an “**Eligible 12-Month Term**”); *provided* that the aggregate amount of Subject Shares Disposed by each such Founder shall not exceed 30% of the Subject Shares held by such Founder as of the First Closing; *provided, however*, that in the event a Founder did not dispose of his full Annual Quota during a given Eligible 12-Month Term, the balance of such unused Annual Quota may be disposed of by such Founder in any of the following Eligible 12-Month Term or at any time thereafter, in addition to the Annual Quota applicable to such Eligible 12-Month Term (such permitted Dispositions, the “**Founder’s Permitted Sale**”). Any Disposition of the Subject Shares not made in accordance with this Article 26 shall be null and void, shall not be recorded on the books of the Company and shall not be recognized by the Company. All restrictions on Transfer of shares set forth in this Article 26 may be waived in whole or in part by the Preferred Majority.

27. RIGHT OF FIRST REFUSAL.

- 27.1. The term “**Permitted Transferee**” of a Shareholder shall mean any of the following (no section shall derogate from the applicability of any other section):

-

- 27.1.3. - 27.2. Subject to any terms and conditions contained in these Articles and any ancillary agreement with respect to the transferred securities, the term “**Permitted Transfer**” shall mean a transfer to a Permitted Transferee; *provided* that a transfer of any share pursuant to this Article 27.2 shall only be treated as a Permitted Transfer if (i) the transferee agrees in writing to be bound by the terms and conditions of these Articles and any ancillary agreement with respect to the transferred securities, and (ii) such a transferee is not deemed by the Board in good faith as a party whose primary business is competitive with the Company); *provided further* that any transfer by a Founder to a Permitted Transferee shall be effected only if such Permitted Transferee executes, upon such transfer and as a condition thereto, an irrevocable proxy in a form approved by the Board of Directors with respect to the transferred securities granting such Founder full and complete irrevocable authority to vote and execute any and all documents with respect to all the securities so transferred until the IPO.
- 27.3. Subject to the provisions of Article 26 and except for: (i) Permitted Transfers in accordance with Article 27, (ii) a transfer as part of a Deemed Liquidation, or (iii) a repurchase by the Company of its own shares or a surrender to the Company of shares, if at any time prior to a Qualified IPO a Shareholder (in these Articles 27 and 28, the “**Selling Shareholder**”) desires to transfer any or all of his or its securities of the Company, whether in a voluntary or involuntary transfer (the “**Offered Shares**”), such Selling Shareholder shall first give written notice to the Company, which shall promptly thereafter deliver such notice (“**Notice of Sale**”) to all of the Entitled Holders.
- 27.3.1. The Notice of Sale shall state the following: the number of Offered Shares; that the Offered Shares will, upon transfer, be free of all liens, charges and encumbrances; that a bona fide offer has been received from a third party; and the price and other material terms. Upon receipt of the Notice of Sale, the Entitled Holders shall have the right to exercise the option (the “**Option**”) set forth in Article 27.3.2.
- 27.3.2. For a period of fourteen (14) days after receipt of the Notice of Sale, each Entitled Holder may elect to purchase all or a part of its pro rata share of the Offered Shares and shall also have a right of over-allotment such that if any Entitled Holder declines or fails to exercise in full its right hereunder to purchase its pro-rata share of the Offered Shares, each other Entitled Holder exercising its right of first refusal hereunder may purchase such declining Entitled Holder’s portion, on a pro-rata basis to those Entitled Holders exercising their right of over-allotment; *provided*, that no Founder exercising its right of first refusal pursuant to this Article 27 may grant any security interest and/or any other right of any kind or nature, either direct or indirect, with respect to or based upon the acquired securities or any other securities of the Company held by that Founder in connection with the purchase of any such Offered Shares. Any Entitled Holder that fails to respond to the Notice of Sale within said 14 day period shall be deemed to have waived its right of first refusal to exercise the Option in full.

- 27.3.3. An Entitled Holder's "**pro-rata share**", for purposes of this Article 27, is the ratio of the number of Shares held by such Entitled Holder immediately prior to the proposed transfer of the Offered Shares (on an as-converted basis) in relation to the total number of Shares issued and outstanding immediately prior to the Disposition of the Offered Shares (on an as-converted basis) held by all the Entitled Holders (excluding the Selling Shareholder).
- 27.3.4. The Option shall be exercised by delivery of a notice to the Selling Shareholder and the Company within fourteen (14) days of receipt of the Notice of Sale, stating the desire to purchase all or a portion of the pro rata share of such Offered Shares, and to the extent applicable, any additional shares as may be available for over-allotment, and stating therein the maximum amount of Offered Shares desired to be purchased. If the Entitled Holder(s) exercised the Option to purchase all but not less than all of the Offered Shares (the "**Buying Shareholders**"), they shall acquire all of the Offered Shares, in proportion to their respective pro rata shares; *provided* that no Buying Shareholder shall be entitled to acquire under the provisions of this Article 27 more than the number of Offered Shares initially accepted by such Buying Shareholder, and upon the allocation to that Buying Shareholder of the full number of shares so accepted, the Buying Shareholder shall be disregarded in any subsequent computations and allocations hereunder. Any shares remaining after the computation of such respective entitlements shall be re-allocated among the Buying Shareholder (other than those to be disregarded as aforesaid), in the same manner, until one hundred percent (100%) of the Offered Shares have been allocated as aforesaid. The purchase of the Offered Shares shall be on the same terms and conditions as stated in the Notice of Sale.
- 27.3.5. If the Entitled Holders did not exercise the Option or exercised the Option to purchase less than all of the Offered Shares, then the Selling Shareholder shall be free, within ninety (90) days of the date of expiration of the Option, to sell all such Offered Shares at the price and on the terms contained in the Notice of Sale. If such sale is not consummated within such 90-day period, the Selling Shareholder shall not sell or transfer the Offered Shares, or any other shares acquired before or after the date hereof, without again complying with the provisions of this Article 27.
- 27.3.6. An Entitled Holder may assign its right under this Article 27.3 to any Person who is a Permitted Transferee thereof. Should the purchase price specified in the Notice of Sale be payable in property other than cash, an unsecured promissory note, or a combination of both, the Entitled Holders shall have the right to pay the purchase price in the form of cash equal in amount to the value of such property. If the

Selling Shareholder and Entitled Holders holding a majority of the shares held by all Entitled Holders participating in the transaction cannot agree on such cash value within seven (7) days after receipt of the Notice of Sale, the valuation shall be made by an appraiser of recognized standing selected by the Selling Shareholder and Entitled Holders holding a majority of the shares held by all Entitled Holders participating in the transaction, or, if they cannot agree on an appraiser within seven (7) days after the end of such initial seven-day period, each shall select an appraiser (one (1) appraiser to be selected by the Selling Shareholder and one (1) appraiser to be selected by the Entitled Holders holding a majority of the shares held by all Entitled Holders participating in the transaction) of recognized standing and the two appraisers shall designate a third appraiser of recognized standing, whose appraisal shall be determinative of such value. The period for exercise of the right of first refusal by the Entitled Holders shall commence at such time that the valuation has been provided to all Entitled Holders. The cost of such appraisal shall be shared equally by the Selling Shareholder and the Entitled Holders who elected to exercise the right of first refusal.

- 27.3.7. Notwithstanding, if the offer to the Entitled Holders under this Article 27.3 may, in the opinion of the Company's counsel, constitute an offer to the public under applicable laws which is subject to prospectus requirements then such offer shall be limited to (i) the type of offerees the offering to which is exempted from such prospectus requirement, (i) offerees which are holders of Preferred Shares, and (iii) to such limited number of Entitled Holders with the highest holdings of shares in the Company (aggregating holdings of Permitted Transferees for the purpose of calculating the Entitled Holders with the highest holdings; *provided that* such Permitted Transferees holdings shall not be aggregated and they shall be considered as separate entities to the extent viewed as such by applicable law), and *further provided* that the Transfers to such Permitted Transferees were not made for the purpose of increasing the number of entities that are Permitted Transferees of the original Transferring Shareholder(s) eligible to participate in the offer to Shareholders under this Article 27.3, not including and in addition to the offerees under paragraph (i), the offering to which is exempted from such prospectus requirement.
- 27.4. In the event that fractional shares will need to be transferred, the number of shares will be rounded to the nearest whole number so that only full shares will be transferred; *provided* that in no event will the Selling Shareholders be required to Dispose of more than the number of Offered Shares.
- 27.5. The provisions of Article 27 shall be of no further force and effect immediately prior to and conditioned upon the consummation of a Qualified IPO.

28. CO-SALE RIGHTS.

- 28.1. Subject to Article 26 above, if at any time prior to a Qualified IPO or the consummation of a Deemed Liquidation, any Founder (or his Permitted Transferee, solely with respect to Ordinary Shares transferred thereto by such Founder as a Permitted Transfer) desires or proposes to effect a transfer of any Ordinary Shares held by such Founder (or his Permitted Transferee, solely with respect to Ordinary Shares transferred thereto by such Founder as a Permitted Transfer) (for the purpose of this Article 28 only, such Ordinary Shares shall be referred to as the “**Offered Shares**”), whether voluntary or involuntary, except for (i) Founder’s Permitted Sale according to Article 26 above; and (ii) Permitted Transfers according to Article 27.2 above, then the provisions of this Article 28 shall apply and any Entitled Investor shall have the right to participate on a pro rata basis in the proposed transfer and shall be entitled to sell the Participating Shareholder’s pro rata portion, as such term is defined below.
- 28.2. Such Entitled Investor’s right to participate in such sale or transfer, shall be exercisable by a written notice to the Company and to the applicable Founder (or his Permitted Transferee, if applicable) (for the purpose of this Article 28 only, such Founder (or his Permitted Transferee, if applicable) shall be referred to as the “**Selling Shareholder**”) within fourteen (14) days after receipt of the Notice of Sale (as defined in Article 27.3 above), in which each Entitled Investor wishing to participate in such sale or transfer (each, a “**Participating Shareholder**”) shall notify the Selling Shareholder of the number of shares or securities it wishes to sell on the same terms and conditions as the Selling Shareholder. For the purpose of this Article 28, the term “**Participating Shareholder’s pro rata portion**” shall mean the number of shares owned at such time by the Participating Shareholder (on an as-converted basis), in proportion to the respective number of shares owned at such time by the Selling Shareholder and all the Participating Shareholder. If such option is exercised by the Participating Shareholders, the Selling Shareholder shall not proceed with such sale or transfer unless each Participating Shareholder is given the right to participate and the number of Offered Shares that the Selling Shareholder may sell in that sale or transfer shall be correspondingly reduced.
- 28.3. Subject to the preceding paragraph, if the Participating Shareholders did not exercise their co-sale option in full, then the Selling Shareholder shall be free, within the 90-day period referenced in Article 27.3.5 above, to sell all such remaining shares to the prospective buyer set forth in the Notice of Sale at the price and on the terms contained in the Notice of Sale. If such sale is not consummated within such 90-day period, the Selling Shareholder shall not sell or transfer the Offered Shares, or any other shares acquired before or after the date hereof, without again complying with the provisions of this Articles 27 and 28.
- 28.4. In the event that fractional shares will need to be transferred, the number of shares will be rounded to the nearest whole number so that only full shares will be transferred; provided that in no event will the Selling Shareholders be required to Dispose of more than the number of Offered Shares.
- 28.5. The provisions of this Article 28 shall be of no further force and effect immediately prior to and conditioned upon the consummation of a Qualified IPO or the consummation of a Deemed Liquidation.

29. BRING ALONG.

29.1. Notwithstanding the provisions of Articles 26 to 28 above, and subject to the provisions of Articles 10.2 and 42 and without limitation of any provision of applicable law, if at any time prior to an IPO, Shareholders holding a majority of the Company's issued and outstanding shares (calculated on an as-converted basis) including the Preferred Majority and the Preferred C and C-1 Majority (the "**Proposing Shareholders**"; the "**Requisite Majority**"), shall have approved and accepted in writing a transaction or series of related transactions with any person or entity (in this Article 29 each a "**Buyer**") regarding a sale, whether through a purchase, merger or otherwise, of all the Company securities or a sale of all or substantially all of the Company's assets (the "**Transaction**") (*provided, however* that in the event that the Transaction yields to the holders of Preferred C-1 Shares at least 200% of the Original Issue Price of the Preferred C-1 Shares then the separate approval of the Preferred Majority and the Preferred C and C-1 Majority shall not be required as part of the Requisite Majority, and the consent of Shareholders holding a majority of the Company's issued and outstanding shares (calculated on an as-converted basis) shall suffice), then:

29.1.1. at every meeting of the Shareholders called with respect to any of the following, and at every adjournment or postponement thereof, and on every action or approval by written consent of the Proposing Shareholders with respect to any of the following, the other Shareholders (such other Shareholders, collectively, the "**Remaining Holders**") shall vote all shares of the Company that such Remaining Holders then hold or for which such Remaining Holders otherwise then have voting power: (A) in favor of approval of the Transaction and any matter that could reasonably be expected to facilitate the Transaction, and (B) against any proposal for any recapitalization, merger, sale of assets or other business combination (other than the Transaction) between the Company and any person or entity other than the party or parties to the Transaction or any other action or agreement that would result in a breach of any covenant, representation or warranty or any other obligation or agreement of the Company under the definitive agreement(s) related to the Transaction or which could result in any of the conditions to the Company's obligations under such agreement(s) not being fulfilled.

29.1.2. If the Transaction is structured as (A) a merger or consolidation, each Remaining Holder shall waive any dissenting minority or similar rights in connection with such merger or consolidation, or (B) a sale of shares, each Remaining Holder shall agree to sell all of the shares and rights to acquire shares of the Company held by such Remaining Holder on the terms and conditions approved by the Participating Holders; *provided, however*, that notwithstanding anything stated to the contrary in these Articles, the Preferred Shareholders will not be required to participate, agree to, and/or sell their Company's shares in the Transaction unless, with respect to any share purchase agreement, merger agreement and indemnification agreements to be entered into pursuant to the Transaction: (i) the liabilities set forth in such agreement will be several and not joint (other than with respect to funds that are placed in escrow to cover breach of representations, warranties and covenants of the Company, as well as breach by any Shareholder of any of identical representations, warranties and

covenants provided by all Shareholders) and will in no event (other than fraud or willful misrepresentation or intentional breach) exceed the amount paid to each Preferred Shareholder pursuant to the Transaction, (ii) no Shareholder shall be liable for the inaccuracy of any representation or warranty made by any other Shareholder in connection with the Transaction (other than the Company, for the avoidance of doubt), except as contemplated in subpart (i) above, (iii) no holder of Preferred Shares shall be required to agree to any covenant not to compete, or covenant not to solicit customers, employees or suppliers of any party to the Transaction, and (iv) the representations and warranties each Preferred Shareholder will be required to make will be limited to his, her or its: (aa) authority to enter into the Transaction; (bb) ownership of its shares; (cc) shares being free and clear of any liens; (dd) non contravention and no breach of any applicable law or agreement; and (ee) when consideration is in the form of Buyer's equity, standard representations relating to securities law matters.

29.1.3. Each Remaining Holder shall take all necessary actions in connection with the consummation of the Transaction as requested by the Company or the Participating Holders and shall, if requested by the Participating Holders, execute and deliver any agreements and instruments prepared in connection with such Transaction which agreements are executed by the Participating Holders.

29.1.4. Subject to the limitations set forth in this Article 29.1, if any of the Remaining Holders fail to execute and/or deliver the appropriate documentation required to effect the Transaction as set out in this Article 29 after reasonable requests to do so by the Company consistent with the terms of this Article 29, it is hereby agreed that such Remaining Holders shall be deemed to have given an irrevocable power of attorney to the Board of Directors to accept the Transaction on behalf of such Remaining Holder and any additional obligations, and to execute and deliver any agreements and instruments prepared in connection with such Transaction applicable to all Shareholders (including without limitation, any purchase agreements, indemnity agreements, escrow agreements, transfer instruments and deeds, any and all waivers, or related documents), and at the closing of the Transaction, to transfer all its shares to the Buyer. Each Remaining Holder hereby irrevocably appoints, to the full extent permitted by applicable law, any officer or director of the Company designated by the Board of Directors, as the sole and exclusive attorney and proxy of such Remaining Holder, to: (i) vote (at any general meeting or class meeting or any written consent in lieu of the same) and exercise all voting and related rights, to the full extent the Remaining Holder is entitled to do so, with respect to all of the shares in the Company that are beneficially owned by such Remaining Holder, and all other securities of the Company that are beneficially owned or will be owned by such Remaining Holder, and all other securities of the Company issued or issuable in respect thereof (the "Securities") in favor of any matter necessary to

complete the Transaction; and (ii) execute and/or deliver the appropriate documentation required to effect the Transaction as set out in this Article 29, all if and to the extent such Remaining Holder fails to vote all of such Remaining Holder's Securities or execute and deliver such documents and instruments in accordance with the provisions of this Article 29 within three (3) days of the Company's or the Participating Holders written request. This irrevocable consent shall be valid and in full force and effect for the purposes of this Article 29, and/or for the purposes of Section 341 of the Companies Law ("**Section 341**"), should it be applicable to such transaction.

29.1.5. In the event that a Remaining Holder fails to surrender its certificate in connection with the consummation of a Transaction, such certificate shall be deemed cancelled and the Company shall be authorized to issue a new certificate in the name of the Buyer and the Board of Directors shall be authorized to establish an escrow account, for the benefit of such Remaining Holder into which the consideration for such securities represented by such cancelled certificate shall be deposited and to appoint a trustee to administer such account.

29.2. The provisions of this Article 29 are in addition to (but may not be acted upon simultaneously with) the provisions of Section 341 and not in substitution of such provisions, and the Proposing Shareholders at their sole discretion may elect whether to act upon the provisions of this Article 29 and/or of Section 341. No Shareholder shall be entitled to request the Company, the other shareholders of the Company or any other party to the Transaction (*e.g. the Buyer*) to act upon the provisions of Section 341 and to object to the execution and delivery of any transaction documentation pertaining to the Transaction. The aforesaid Requisite Majority is hereby determined also for the purposes of Sections 341.

29.3. For the avoidance of doubt, any proceeds payable to the Shareholders hereunder shall be distributed in accordance with the provisions relating to Deemed Liquidation as set forth in the Article 10.2 above.

30. SHARE INCENTIVE PLANS

The Company shall not issue any securities, or any other right to subscribe for, or convert to, securities (including options or shares issued or granted under stock option or share incentive plan approved by the Board of Directors (the "**Plan**")), unless the Plan shall include provisions that such securities are subject to the provisions of these Articles, including without limitation, Articles 27, 28 and 29 herein.

GENERAL MEETINGS

31. ANNUAL GENERAL MEETING.

The Company does not have to hold an annual general meeting of the Company's Shareholders except to the extent that is necessary in order to appoint the Company's auditors. The function of the annual general meeting shall be to receive and consider the profit and loss account, the balance sheet and the ordinary reports and accounts of the Directors and auditors; to appoint auditors and to fix their remuneration; and to transact any other business which under these Articles or applicable law may be transacted by a general meeting. All general meetings other than the annual general meetings shall be called "**Extraordinary General Meetings**".

32. EXTRAORDINARY GENERAL MEETINGS.

The Board of Directors may, whenever it thinks fit, convene an Extraordinary General Meeting at such time and place, within or outside the State of Israel, as may be determined by the Board of Directors, and shall be obliged to do so upon a requisition in writing in accordance with Section 63 of the Companies Law.

33. NOTICE OF GENERAL MEETINGS; OMISSION TO GIVE NOTICE; RECORD DATE.

- 33.1. No less than seven (7) days' prior notice shall be given of every general meeting. Each such notice shall specify the place, date and hour of the meeting and the general nature of each item to be acted upon thereat. Notice shall be given to all Shareholders who would be entitled to attend and vote at such meeting, if it were held on the date when such notice is issued. Anything herein to the contrary notwithstanding, with the consent of all Shareholders entitled to vote thereon, a resolution may be proposed and passed at such meeting although a lesser notice than hereinabove prescribed has been given.
- 33.2. Unless otherwise specified in these Articles, the Board of Directors shall specify a record date for determining the identity of the Shareholders entitled to receive notices of general meetings, vote in such meetings and for any other matter with regard to the rights of the Shareholders, including without limitation, the rights with regard to distribution of dividends, and shall notify the Shareholders of such record date at least 7 days prior to such date.

PROCEEDINGS AT GENERAL MEETINGS

34. QUORUM.

- 34.1. Subject to the provisions of Article 42, no business shall be transacted at a general meeting, or at any adjournment thereof, unless the requisite quorum is present when the meeting proceeds to business, and no resolution shall be passed unless the requisite quorum is present when the resolution is voted upon. Unless otherwise provided in these Articles, any two or more shareholder(s) (not in default in payment of any sum referred to in Article 40.1 below), present in person, or by audio or video conference (as set forth in Article 34.2 below), or by proxy and holding shares conferring in the aggregate a majority of the voting power of the Company, including the Preferred Majority, shall constitute a quorum.
- 34.2. Shareholders entitled to be present and vote at a General Meeting may participate in a General Meeting by means of audio or video conference or similar communications equipment by means of which all persons participating in the meeting can hear each other and such participation in a meeting shall constitute attendance in person at the meeting.
- 34.3. Subject to the provisions of Article 42, if within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon requisition under Sections 63 or 64 of the Companies Law, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week, at the same time and place, or to such day and at such time and place as the Chairman may determine with the consent of the holders of a

majority of the voting power represented at the meeting in person or by proxy and voting on the question of adjournment. No business shall be transacted at any adjourned meeting except business, which might lawfully have been transacted at the meeting as originally called. If at such adjourned meeting the quorum specified in Article 34.1 is not present half an hour from the time stated, then any one or more Shareholders present in person or by proxy shall constitute a quorum, and shall be entitled to deliberate and to resolve in respect of the matters for which the meeting was convened. If such quorum is not present the adjourned meeting shall be cancelled.

35. CHAIRMAN.

The Chairman will serve as the chairman of the General Meetings of the Company. If the Board of Directors has no Chairman or if he is not present 15 minutes from the time stated for the commencement of the meeting, the Shareholders present at the meeting may choose someone amongst them to chair the meeting. The office of Chairman shall not, by itself, entitle the holder thereof to vote at any General Meeting nor shall it entitle such holder to a second or casting vote (without derogating, however, from the rights of such Chairman to vote as a shareholder or proxy of a shareholder if, in fact, he is also a shareholder or such proxy).

36. ADOPTION OF RESOLUTIONS AT GENERAL MEETINGS.

- 36.1. Unless otherwise prescribed by applicable law or by these Articles, including, without limitation in Article 42 below, Shareholders resolution shall be deemed adopted if approved by the holders of a majority of the voting power represented at the Shareholders meeting in person or by proxy and voting thereon.
- 36.2. Every question submitted to a general meeting shall be decided by a show of hands, but if a written ballot is demanded by any Shareholder, present in person or by proxy and entitled to vote at the meeting, the same shall be decided by such ballot. A written ballot may be demanded before the proposed resolution is voted upon or immediately after the declaration by the Chairman of the results of the vote by a show of hands. If a vote by written ballot is taken after such declaration, the results of the vote by a show of hands shall be of no effect, and the proposed resolution shall be decided by such written ballot. The demand for a written ballot may be withdrawn at any time before the same is conducted, in which event another shareholder may then demand such written ballot. The demand for a written ballot shall not prevent the continuance of the meeting for the transaction of business other than the question on which the written ballot has been demanded. A written ballot demanded on the election of a Chairman and on a question of an adjournment of a meeting shall be taken forthwith.
- 36.3. A declaration by the Chairman of the meeting that a resolution has been carried unanimously, or carried by a particular majority, or lost, and an entry to that effect in the minute book of the Company, shall be a *prima facie* evidence of the fact without proof of the number or proportion of the votes recorded in favor of or against such resolution.

37. RESOLUTIONS IN WRITING.

A resolution in writing signed by all of the Shareholders then entitled to attend and vote at general meetings or to which all such Shareholders have given their written consent (by letter, facsimile, e-mail or otherwise) shall be deemed to have been unanimously adopted as a regular, special or extraordinary resolution (as the case may be) at a general meeting duly convened and held. Any such resolution may consist of several documents in like form and signed or consented to as aforesaid, by one or more Shareholders.

38. POWER TO ADJOURN.

38.1. The Chairman of a General Meeting at which a quorum is present may, with the consent of the holders of a majority of the voting power represented in person or by proxy and voting on the question of adjournment (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting as originally called.

38.2. It shall not be necessary to give any notice of an adjournment, unless the meeting is adjourned for a date which is more than twenty-one (21) days, in which event notice thereof shall be given in the manner required for the meeting as originally called.

39. VOTING POWER.

Subject to any provision hereof conferring special rights as to voting, or restricting the right to vote, including, without limitation, the provisions of Article 42 below, every Shareholder present in person or by proxy, whether in a vote by a show of hands or by written ballot or by any other means, shall have one vote for each Ordinary Share held by such Shareholder of record and in the case of a Preferred Shareholder, one vote for each Ordinary Share into which the Preferred Shares held by such Shareholder of record could be converted.

40. VOTING RIGHTS.

40.1. No Shareholder shall be entitled to vote at any General Meeting (or be counted as a part of the quorum thereat), with respect to shares for which duly made calls have not been paid.

40.2. A company or other corporate body being a Shareholder of the Company may authorize any person to be its representative at any meeting of the Company. Any person so authorized shall be entitled to exercise on behalf of such Shareholder all the power, which the latter could have exercised if it were an individual shareholder. Upon the request of the Chairman of the meeting, written evidence of such authorization (in form acceptable to the Chairman) shall be delivered to the Chairman.

  - 79.1.5. any other event, occurrence or circumstances in respect of which the Company may lawfully indemnify an Officer of the Company.
- 79.2. Subject to the provisions of the Companies Law and to the extent permitted under law, and subject further to Article 81, the Company may undertake to indemnify an Officer, in advance, in respect of the following liabilities or expenses, imposed on such Officer or incurred by him in consequence of an act which he has performed by virtue of being an Officer:

79.2.1. As set forth in Article 79.1.1, provided that the undertaking to indemnify shall be limited to events which the Board of Directors believes are predictable in light of the Company's business de facto at the time the undertaking to indemnify is granted, and to amounts or criterion that the Board of Directors had determined to be reasonable in the circumstances, and that the undertaking to indemnify shall specify such predictable event and the amounts or criterion so determined.

79.2.2. As set forth in Articles 79.1.2 to 79.1.3, and to the extent permitted by law, in Article 79.1.4 and 79.1.5.

80. RELEASE.

Subject to the provisions of the Companies Law and to the extent permitted under law, and subject further to Article 81, the Company may release, in advance, an Officer from all or any part of the liability due to damages arising out of the breach of duty of care towards the Company; provided however, that the Company may not exempt in advance a director from his/her/its liability for damages resulting from a breach of his/her/its duty of care to the Company in a "Distribution" (as defined in the Companies Law).

81. GENERAL.

81.1. Notwithstanding anything to the contrary contained herein and subject to applicable law, these Articles are not intended, and shall not be interpreted, to restrict the Company in any manner in respect of the procurement of insurance and/or in respect of indemnification:

81.1.1. in connection with any person who is not an Officer, including, without limitation, any employee, agent, consultant or contractor of the Company who is not an Officer; and/or

81.1.2. in connection with any Officer to the extent that such insurance and/or indemnification is not specifically prohibited under law; provided that if the Company has an Audit Committee, the procurement of any such insurance and/or the provision of any such indemnification shall be approved by the Audit Committee of the Company.

81.2. Notwithstanding anything to the contrary in these Articles or any other agreement or instrument, the Company shall not insure, indemnify or release the Officer with respect to events or circumstances for which insurance, indemnification or release are not permitted under law.

82. Any amendment to the Companies Law or other applicable law adversely affecting the right of any Officer to be indemnified, insured or released pursuant to Articles 78 to 81 above shall be prospective in effect, and shall not affect the Company's obligation or ability to indemnify or insure an Officer for any act or omission occurring prior to such amendment, unless otherwise provided by applicable law.

83. To the fullest extent permitted by law, the Company renounces, any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any Excluded Opportunity. An "**Excluded Opportunity**" is any matter, transaction or interest that is presented to, or acquired, created or developed by, or which otherwise comes into the possession of any holder of Preferred Shares or any partner, member, director, stockholder, employee or agent of any such holder, other than someone who is an employee of the Company or any of its subsidiaries (collectively, "**Covered Persons**"), unless such matter, transaction or interest is presented to, or acquired, created or developed by, or otherwise comes into the possession of, a Covered Person expressly and solely in such Covered Person's capacity as a director of the Company.

84. Subject to the provisions of Article 10.2 herein, if the Company be wound up, then, subject to applicable law and to the rights of the holders of shares with priority and preference rights upon winding up, the assets of the Company available for distribution among the Shareholders as such shall be distributed to the Shareholders in proportion to their respective holdings of the shares in respect of which such distribution is being made.

**AMENDED AND RESTATED  
CERTIFICATE OF INCORPORATION  
OF  
COLLECTIVE GROWTH CORPORATION**

**Pursuant to Sections 242 and 245 of the  
Delaware General Corporation Law**

Collective Growth Corporation, a corporation existing under the laws of the State of Delaware (the "Corporation"), by its Chief Executive Officer, hereby certifies as follows:

1. The name of the Corporation is "Collective Growth Corporation".
2. The Corporation's Certificate of Incorporation was filed in the office of the Secretary of State of the State of Delaware on December 10, 2019.
3. This Amended Restated Certificate of Incorporation restates, integrates and amends the Certificate of Incorporation of the Corporation.
4. This Amended and Restated Certificate of Incorporation was duly adopted by joint written consent of the directors and stockholders of the Corporation in accordance with the applicable provisions of Sections 141(f), 228, 242 and 245 of the General Corporation Law of the State of Delaware ("DGCL").
5. The text of the Certificate of Incorporation of the Corporation is hereby amended and restated to read in full as follows:

FIRST: The name of the corporation is Collective Growth Corporation (hereinafter sometimes referred to as the "Corporation").

SECOND: The registered office of the Corporation is to be located at c/o Vcorp Services, LLC, 1013 Centre Road, Suite 403-B, Wilmington, Delaware 19805. The name of its registered agent at that address is Vcorp Services, LLC.

THIRD: The purpose of the Corporation shall be to engage in any lawful act or activity for which corporations may be organized under the DGCL. In addition to the powers and privileges conferred upon the Corporation by law and those incidental thereto, the Corporation shall possess and may exercise all the powers and privileges that are necessary or convenient to the conduct, promotion or attainment of the business or purposes of the Corporation including, but not limited to, a Business Combination (as defined below).

FOURTH: The total number of shares of all classes of capital stock which the Corporation shall have authority to issue is 111,000,000 of which 110,000,000 shares shall be Common Stock of the par value of \$.0001 per share ("Common Stock"), representing (a) 100,000,000 shares of Class A Common Stock ("Class A Common Stock") and (b) 10,000,000 shares of Class B Common Stock ("Class B Common Stock"), and 1,000,000 shares shall be Preferred Stock of the par value of \$.0001 per share.

A. Preferred Stock. The Board of Directors is expressly granted authority to issue shares of the Preferred Stock, in one or more series, and to fix for each such series such voting powers, full or limited, and such designations, preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof as shall be stated and expressed in the resolution or resolutions adopted by the Board of Directors providing for the issue of such series (a "Preferred Stock Designation") and as may be permitted by the DGCL. The number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all of the then outstanding shares of the capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, without a separate vote of the holders of the Preferred Stock, or any series thereof, unless a vote of any such holders is required pursuant to any Preferred Stock Designation.

---

**B. Common Stock.**

*(1) Voting.*

(i) Except as otherwise required by law or this Certificate (including any Preferred Stock Designation), the holders of the Common Stock shall exclusively possess all voting power with respect to the Corporation.

(ii) Except as otherwise required by law or this Certificate (including any Preferred Stock Designation), the holders of shares of Common Stock shall be entitled to one vote for each such share on each matter properly submitted to the stockholders on which the holders of the Common Stock are entitled to vote.

(iii) Except as otherwise required by law or this Certificate (including any Preferred Stock Designation), at any annual or special meeting of the stockholders of the Corporation, holders of the Class A Common Stock and holders of the Class B Common Stock, voting together as a single class, shall have the exclusive right to vote for the election of directors and on all other matters properly submitted to a vote of the stockholders. Notwithstanding the foregoing, except as otherwise required by law or this Certificate (including any Preferred Stock Designation), holders of shares of any series of Common Stock shall not be entitled to vote on any amendment to this Certificate (including any amendment to any Preferred Stock Designation) that relates solely to the terms of one or more outstanding series of Preferred Stock or other series of Common Stock if the holders of such affected series of Preferred Stock or Common Stock, as applicable, are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Certificate (including any Preferred Stock Designation) or the DGCL.

(iv) Any action required or permitted to be taken at any meeting of the holders of Common Stock may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of the outstanding Common Stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares of Common Stock were present and voted and shall be delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which minutes of proceedings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. Prompt written notice of the taking of corporate action without a meeting by less than unanimous written consent of the holders of Common Stock shall, to the extent required by law, be given to those holders of Common Stock who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for notice of such meeting had been the date that written consents signed by a sufficient number of holders of Common Stock to take the action were delivered to the Corporation.

*(2) Class B Common Stock.*

(i) Shares of Class B Common Stock shall be convertible into shares of Class A Common Stock on a one-for-one basis (the "Initial Conversion Ratio") (A) at any time and from time to time at the option of the holder thereof and (B) automatically on the business day following the closing of the Business Combination (as defined below).

(ii) Notwithstanding the Initial Conversion Ratio, in the case that additional shares of Class A Common Stock, or equity-linked securities, are issued or deemed issued in excess of the amounts sold in the Corporation's initial public offering of securities and related to the closing of the initial Business Combination (as defined), the ratio at which the Class B common stock will convert into shares of Class A common stock will be adjusted so that the number of shares of Class A common stock issuable upon

conversion of all shares of Class B common stock will equal, in the aggregate 20% of the sum of the shares outstanding upon the completion of the initial public offering plus the number of shares of Class A common stock and equity-linked shares issued or deemed issued in connection with the initial Business Combination, excluding any shares of Class A common stock or equity-linked securities issued, or to be issued, to any seller in the initial Business Combination and any private placement securities and any units or warrants issued to any of the Corporation's holders of Class B common stock or their affiliates upon conversion of loans made to the Corporation.

Notwithstanding anything to the contrary contained herein, (i) the foregoing adjustment to the Initial Conversion Ratio may be waived as to any particular issuance or deemed issuance of additional shares of Class A Common Stock or equity-linked securities by the written consent or agreement of holders of a majority of the shares of Class B Common Stock then outstanding consenting or agreeing separately as a single class, and (ii) in no event shall the Class B Common Stock convert into Class A Common Stock at a ratio that is less than one-for-one.

The foregoing conversion ratio shall also be adjusted to account for any subdivision (by stock split, subdivision, exchange, stock dividend, reclassification, recapitalization or otherwise) or combination (by reverse stock split, exchange, reclassification, recapitalization or otherwise) or similar reclassification or recapitalization of the outstanding shares of Class A Common Stock into a greater or lesser number of shares occurring after the original filing of this Certificate without a proportionate and corresponding subdivision, combination or similar reclassification or recapitalization of the outstanding shares of Class B Common Stock.

Each share of Class B Common Stock shall convert into its *pro rata* number of shares of Class A Common Stock pursuant to this section. The *pro rata* share for each holder of Class B Common Stock will be determined as follows: Each share of Class B Common Stock shall convert into such number of shares of Class A Common Stock as is equal to the product of one (1) multiplied by a fraction, the numerator of which shall be the total number of shares of Class A Common Stock into which all of the issued and outstanding shares of Class B Common Stock shall be converted pursuant to this section and the denominator of which shall be the total number of issued and outstanding shares of Class B Common Stock at the time of conversion.

(iii) *Voting.* Except as otherwise required by law or this Certificate (including any Preferred Stock Designation), for so long as any shares of Class B Common Stock shall remain outstanding, the Corporation shall not, without the prior vote or written consent of the holders of a majority of the shares of Class B Common Stock then outstanding, voting separately as a single class, amend, alter or repeal any provision of this Certificate, whether by merger, consolidation or otherwise, if such amendment, alteration or repeal would alter or change the powers, preferences or relative, participating, optional or other or special rights of the Class B Common Stock.

(3) *Dividends.* Subject to applicable law, the rights, if any, of the holders of any outstanding series of the Preferred Stock, the holders of shares of Common Stock shall be entitled to receive such dividends and other distributions (payable in cash, property or capital stock of the Corporation) when, as and if declared thereon by the Board from time to time out of any assets or funds of the Corporation legally available therefor and shall share equally on a per share basis in such dividends and distributions.

(4) *Liquidation, Dissolution or Winding Up of the Corporation.* Subject to applicable law, the rights, if any, of the holders of any outstanding series of the Preferred Stock, in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation, the holders of shares of Common Stock shall be entitled to receive all the remaining assets of the Corporation available for distribution to its stockholders, ratably in proportion to the number of shares of Class A Common Stock (on an as converted basis with respect to the Class B Common Stock) held by them.

FIFTH: Intentionally Omitted.

SIXTH: The introduction and the following provisions (A) through (J) of this Article Sixth shall apply during the period commencing upon the filing of this Certificate of Incorporation and terminating upon the consummation of any "Business Combination" and no amendment to this Article Sixth shall be effective during the "Target Business Acquisition Period" unless approved by the affirmative vote of the holders of at least sixty-five percent (65%) of all then outstanding shares of the Common Stock. Notwithstanding the foregoing, if the Corporation seeks to amend any of the foregoing provisions other than in connection with a Business Combination, the Corporation will provide holders of IPO Shares (defined below) with the opportunity to convert their IPO Shares in connection with any such vote as described below. The "Target Business Acquisition Period" shall mean the period from the effectiveness of the registration statement on Form S-1 ("Registration Statement") filed with the Securities and Exchange Commission ("Commission") in connection with the Corporation's initial public offering ("IPO") up to and including the first to occur of (a) a Business Combination or (b) the Termination Date (defined below).

A "Business Combination" shall mean any merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination involving the Corporation and one or more businesses or entities ("Target Business" or "Target Businesses"). The Target Business or Target Businesses acquired in the Business Combination must together have a fair market value of at least 80% of the assets held in the Trust Account (defined below), net of amounts previously disbursed to the Corporation's management for tax obligations and excluding the amount of Deferred Underwriting Compensation (defined below), at the time of the signing of the definitive agreement governing the terms of the initial Business Combination. If the Corporation acquires less than 100% of the equity interests or assets of a Target Business, the portion of such Target Business that the Corporation acquires is what will be valued for purposes of the 80% fair market value test.

The "fair market value" for purposes of this Article Sixth will be determined by the Board of Directors of the Corporation based upon one or more standards generally accepted by the financial community (such as actual and potential sales, earnings, cash flow and/or book value). If the Board of Directors is unable to independently determine the fair market value of the Target Business, the Corporation will obtain an opinion from an independent investment banking firm, or another independent entity that commonly renders valuation opinions, with respect to the satisfaction of such criteria.

A. Prior to the consummation of any Business Combination, the Corporation shall either (i) submit such Business Combination to its stockholders for approval ("Proxy Solicitation") pursuant to the proxy rules promulgated under the Securities Exchange Act of 1934, as amended ("Exchange Act") or (ii) provide all holders of its Common Stock with the opportunity to sell their shares to the Corporation, effective upon consummation of such Business Combination, for cash through a tender offer ("Tender Offer") pursuant to the tender offer rules promulgated under the Exchange Act.

B. If the Corporation engages in a Proxy Solicitation in connection with any proposed Business Combination, the Corporation will consummate such Business Combination only if a majority of the then outstanding shares of Common Stock present and entitled to vote at the meeting to approve the Business Combination are voted for the approval of such Business Combination.

C. In the event that a Business Combination is approved in accordance with the above paragraph (B) and is consummated by the Corporation, any holder of shares of Common Stock sold in the IPO (the "IPO Shares") may demand that the Corporation convert his IPO Shares into cash, irrespective of whether such holder votes for or against the Business Combination or at all. If so demanded, the Corporation shall, promptly after consummation of the Business Combination, convert such shares into cash at a per share price equal to the quotient determined by dividing (i) the amount then held in the Trust Account including any interest earned on the funds held in the Trust Account net of interest that may be used by the Corporation to pay its taxes payable, calculated as of two business days prior to the consummation of the Business Combination, by (ii) the total number of IPO Shares then outstanding (such price being referred to as the "Conversion Price"). Notwithstanding the foregoing, except as otherwise agreed to by the Corporation, a holder of IPO Shares, together with any affiliate of his or any other person with whom he is acting in concert or as a "group" (within the meaning of Section 13(d)(3) of the Exchange Act ("Group")) with, will be restricted from demanding conversion with respect to more than 15% of the IPO Shares. "Trust Account" shall mean the trust account established by the Corporation at the consummation of its IPO and into which a certain amount of the net proceeds of the IPO and simultaneous private placement is deposited, all as described in the Registration Statement. The Corporation may require any holder of IPO Shares who demands that the Corporation convert such IPO Shares

into cash to either tender such holder's certificates to the Corporation's transfer agent at any time prior to the vote taken at the stockholder meeting relating to such Business Combination or to deliver their shares to the transfer agent electronically using The Depository Trust Company's DWAC (Deposit/Withdrawal At Custodian) System at any time prior to the vote taken at the stockholder meeting relating to such Business Combination, with the exact timing of the delivery of the IPO Shares to be set forth in the proxy materials relating to such Business Combination.

D. If the Corporation engages in a Tender Offer, the Corporation shall file tender offer documents with the Commission which will contain substantially the same financial and other information about the Business Combination as is required under the proxy rules promulgated under the Exchange Act and that would have been included in any proxy statement filed with the Commission in connection with a Proxy Solicitation, even if such information is not required under the tender offer rules promulgated under the Exchange Act. The per-share price at which the Corporation will repurchase the IPO Shares in any such Tender Offer shall be equal to the Conversion Price. The Corporation shall not purchase any shares of Common Stock other than IPO Shares in any such Tender Offer.

E. The Corporation will not consummate any Business Combination unless it has net tangible assets of at least \$5,000,001 either immediately prior to or upon consummation of such Business Combination.

F. In the event that the Corporation does not consummate a Business Combination by 18 months from the consummation of the IPO or, if such date is not a date on which government offices in Delaware are open, the next date on which such offices are open (such date being referred to as the "Termination Date"), the Corporation shall (i) cease all operations except for the purposes of winding up, (ii) as promptly as reasonably possible but not more than ten (10) business days thereafter, redeem 100% of the IPO Shares for cash for a redemption price per share equal to the amount then held in the Trust Account, including the interest earned thereon, less up to \$100,000 of interest for the Corporation's liquidation expenses and any interest for taxes payable, divided by the total number of IPO Shares then outstanding (which redemption will completely extinguish such holders' rights as stockholders, including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to approval of the Corporation's then stockholders and subject to the requirements of the DGCL, including the adoption of a resolution by the Board pursuant to Section 275(a) of the DGCL finding the dissolution of the Corporation advisable and the provision of such notices as are required by said Section 275(a) of the DGCL, dissolve and liquidate, subject (in the case of clauses (ii) and (iii) above) to the Corporation's obligations under the DGCL to provide for claims of creditors and other requirements of applicable law.

G. A holder of IPO Shares shall be entitled to receive distributions from the Trust Fund only in the event (i) he demands conversion of his shares in accordance with paragraph C above in connection with any Proxy Solicitation, (ii) he sells his shares to the Corporation in accordance with paragraph D above in connection with any Tender Offer, (iii) that the Corporation has not consummated a Business Combination by the Termination Date or (iv) the Corporation seeks to amend the provisions of this Article Sixth prior to the consummation of a Business Combination. In no other circumstances shall a holder of IPO Shares have any right or interest of any kind in or to the Trust Fund.

. Unless and until the Corporation has consummated its initial Business Combination as permitted under this Article Sixth, the Corporation may not consummate any other business combination transaction, whether by merger, capital stock exchange, asset acquisition, stock purchase, reorganization or other similar business combination, transaction or otherwise. The Corporation shall not consummate a Business Combination with an entity that is affiliated with any of the Corporation's officers, directors or sponsors unless the Corporation has obtained an opinion from an independent investment banking firm or another independent entity that commonly renders valuation opinions that such a Business Combination is fair to the Corporation from a financial point of view and a majority of the Corporation's disinterested independent directors approve such Business Combination.

I. Prior to a Business Combination, the Board of Directors may not issue any securities which participate in or are otherwise entitled in any manner to any of the proceeds in the Trust Account or which vote as a class with the Common Stock on any matter.

J. In the event the Corporation enters into an initial Business Combination with a target business in the cannabis industry, the Corporation's Board of Directors must determine that such target business is compliant with all applicable laws and regulations within the jurisdictions in which they are located or operate. The Corporation will not invest in, or consummate a Business Combination with, a target business that the Corporation's Board of Directors determines has been operating, or whose business plan is to operate, in violation of U.S. federal laws, including the U.S. Controlled Substances Act.

K. The Board of Directors shall be divided into three classes: Class A, Class B and Class C. The number of directors in each class shall be fixed exclusively by the Board of Directors and shall be as nearly equal as possible. At the first election of directors by the incorporator, the incorporator shall elect a Class C director for a term expiring at the Corporation's third Annual Meeting of Stockholders. The Class C director shall then appoint additional Class A, Class B and Class C directors, as necessary. The directors in Class A shall be elected for a term expiring at the first Annual Meeting of Stockholders, the directors in Class B shall be elected for a term expiring at the second Annual Meeting of Stockholders and the directors in Class C shall be elected for a term expiring at the third Annual Meeting of Stockholders. Commencing at the first Annual Meeting of Stockholders, and at each annual meeting thereafter, directors elected to succeed those directors whose terms expire shall be elected for a term of office to expire at the third succeeding annual meeting of stockholders after their election. Except as the DGCL may otherwise require, in the interim between annual meetings of stockholders or special meetings of stockholders called for the election of directors and/or the removal of one or more directors and the filling of any vacancy in that connection, newly created directorships and any vacancies in the Board of Directors, including unfilled vacancies resulting from the removal of directors for cause, may be filled only by the vote of a majority of the remaining directors then in office, although less than a quorum (as defined in the Corporation's Bylaws), or by the sole remaining director. All directors shall hold office until the expiration of their respective terms of office and until their successors shall have been elected and qualified. A director elected to fill a vacancy resulting from the death, resignation or removal of a director shall serve for the remainder of the full term of the director whose death, resignation or removal shall have created such vacancy and until his successor shall have been elected and qualified.

SEVENTH: The following provisions are inserted for the management of the business and for the conduct of the affairs of the Corporation, and for further definition, limitation and regulation of the powers of the Corporation and of its directors and stockholders:

A. Election of directors need not be by ballot unless the by-laws of the Corporation so provide.

B. In furtherance and not in limitation of the powers conferred by the laws of the State of Delaware, the Board of Directors is expressly authorized to make, alter and repeal the by-laws of the Corporation, subject to the power of the stockholders of the Corporation to alter or repeal any by-law whether adopted by them or otherwise.

C. The directors in their discretion may submit any contract or act for approval or ratification at any annual meeting of the stockholders or at any special meeting of the stockholders called for the purpose of considering any such act or contract, and any contract or act that shall be approved or be ratified by the vote of the holders of a majority of the stock of the Corporation which is represented in person or by proxy at such meeting and entitled to vote thereat (provided that a lawful quorum of stockholders be there represented in person or by proxy), unless a higher vote is required by applicable law, shall be as valid and binding upon the Corporation and upon all the stockholders as though it had been approved or ratified by every stockholder of the Corporation, whether or not the contract or act would otherwise be open to legal attack because of directors' interests, or for any other reason.

D. In addition to the powers and authorities hereinbefore or by statute expressly conferred upon them, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation; subject, nevertheless, to the provisions of the statutes of Delaware, of this Certificate of Incorporation, and to any by-laws from time to time made by the stockholders; provided, however, that no by-law so made shall invalidate any prior act of the directors which would have been valid if such by-law had not been made.

EIGHTH: A. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended. Any repeal or modification of this paragraph A by the stockholders of the Corporation shall not adversely affect any right or protection of a director of the Corporation with respect to events occurring prior to the time of such repeal or modification.

B. The Corporation, to the full extent permitted by Section 145 of the DGCL, as amended from time to time, shall indemnify all persons whom it may indemnify pursuant thereto. Expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative, or investigative action, suit or proceeding for which such officer or director may be entitled to indemnification hereunder shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Corporation as authorized hereby.

NINTH: Whenever a compromise or arrangement is proposed between this Corporation and its creditors or any class of them and/or between this Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of this Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for this Corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for this Corporation under Section 279 of Title 8 of the Delaware Code order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, to be summoned in such manner as the said court directs. If a majority in number representing three fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this Corporation as a consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of this Corporation, as the case may be, and also on this Corporation.

TENTH: A. Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the DGCL or this Amended and Restated Certificate or the By-Laws, or (iv) any action asserting a claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine and, if brought outside of Delaware, the stockholder bringing the suit will be deemed to have consented to service of process on such stockholder's counsel. Notwithstanding the foregoing, the Court of Chancery of the State of Delaware shall not be the sole and exclusive forum for any of the following actions: (A) as to which the Court of Chancery in the State of Delaware determines that there is an indispensable party not subject to the jurisdiction of the Court of Chancery (and the indispensable party does not consent to the personal jurisdiction of the Court of Chancery within ten days following such determination), (B) which is vested in the exclusive jurisdiction of a court or forum other than the Court of Chancery, (C) for which the Court of Chancery does not have subject matter jurisdiction, or (D) any action arising under the Securities Act of 1933, as amended, as to which the Court of Chancery and the federal district court for the District of Delaware shall have concurrent jurisdiction. Furthermore, notwithstanding the foregoing, the provisions of this Section A will not apply to suits brought to enforce any liability or duty created by the Exchange Act or any other claim for which the federal courts have exclusive jurisdiction.

B. If any action the subject matter of which is within the scope of Section A immediately above is filed in a court other than a court located within the State of Delaware (a "Foreign Action") in the name of any stockholder, such stockholder shall be deemed to have consented to (i) the personal jurisdiction of the state and federal courts located within the State of Delaware in connection with any action brought in any such court to enforce paragraph A immediately above (an "Enforcement Action") and (ii) having service of process made upon such stockholder in any such Enforcement Action by service upon such stockholder's counsel in the Foreign Action as agent for such stockholder.

C. If any provision or provisions of this Article TENTH shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions

---

of this Article TENTH (including, without limitation, each portion of any sentence of this Article TENTH containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article TENTH.

ELEVENTH: The doctrine of corporate opportunity, or any other analogous doctrine, shall not apply with respect to the Corporation or any of its officers or directors in circumstances where the application of any such doctrine would conflict with any fiduciary duties or contractual obligations they may have as of the date of this Certificate of Incorporation or in the future. In addition to the foregoing, the doctrine of corporate opportunity shall not apply to any other corporate opportunity with respect to any of the directors or officers of the Corporation unless such corporate opportunity is offered to such person solely in his or her capacity as a director or officer of the Corporation and such opportunity is one the Corporation is legally and contractually permitted to undertake and would otherwise be reasonable for the Corporation to pursue.

THIS CERTIFIES THAT \_\_\_\_\_

is the owner of \_\_\_\_\_ Units.

Each Unit (“Unit”) consists of one (1) share of Class A common stock, par value \$0.0001 per share (“Common Stock”), of Collective Growth Corporation, a Delaware corporation (the “Company”), and one-half of one warrant (“Warrant”). Each whole Warrant entitles the holder to purchase one share of Common Stock for \$11.50 per share (subject to adjustment). Each whole Warrant will become exercisable on the later of (i) the Company’s completion of an initial merger, capital stock exchange, asset acquisition, or other similar business combination with one or more businesses or entities (a “Business Combination”) and (ii) 12 months from the closing of the Company’s initial public offering (“IPO”), and will expire unless exercised before 5:00 p.m., New York City Time, on the fifth anniversary of the completion of an initial Business Combination, or earlier upon redemption or liquidation. The Common Stock and Warrant(s) comprising the Unit(s) represented by this certificate are not transferable separately until fifty-two days following the IPO, unless Cantor Fitzgerald & Co. informs the Company of its decision to allow earlier separate trading, except that in no event will the Common Stock and Warrants be separately tradeable until the Company has filed an audited balance sheet reflecting the Company’s receipt of the gross proceeds of its initial public offering and issued a press release announcing when such separate trading will begin. The terms of the Warrants are governed by a Warrant Agreement, dated as of April 30, 2020, between the Company and Continental Stock Transfer & Trust Company, as Warrant Agent, and are subject to the terms and provisions contained therein, all of which terms and provisions the holder of this certificate consents to by acceptance hereof. Copies of the Warrant Agreement are on file at the office of the Warrant Agent at 1 State Street, 30th Floor, New York, New York 10004, and are available to any Warrant holder on written request and without cost.

This certificate is not valid unless countersigned by the Transfer Agent and Registrar of the Company.

## COLLECTIVE GROWTH CORPORATION

CUSIP 19424L 119

## WARRANT

THIS CERTIFIES THAT, for value received is the registered holder of a warrant or warrants (the "Warrant(s)") of Collective Growth Corporation, a Delaware corporation (the "Company"), expiring at 5:00 p.m., New York City time, on the five year anniversary of the Company's completion of an initial merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities (a "Business Combination"), to purchase one fully paid and non-assessable share of Class A common stock, par value \$0.0001 per share ("Shares"), of the Company for each whole Warrant evidenced by this Warrant Certificate. The Warrant entitles the holder thereof to purchase from the Company, commencing on the later of (a) May 5, 2021 and (b) the Company's completion of an initial Business Combination, such number of Shares of the Company at the Warrant Price (as defined below), upon surrender of this Warrant Certificate and payment of the Warrant Price at the office or agency of Continental Stock Transfer & Trust Company (the "Warrant Agent"), but only subject to the conditions set forth herein and in the Warrant Agreement between the Company and Continental Stock Transfer & Trust Company. In no event will the Company be required to net cash settle any warrant exercise. The term "Warrant Price" as used in this Warrant Certificate refers to the price per Share at which Shares may be purchased at the time the Warrant is exercised. The initial Warrant Price per Share is equal to \$11.50 per share. The Warrant Agreement provides that upon the occurrence of certain events the Warrant Price, the Redemption Trigger Price (defined below) and the number of Shares purchasable hereunder, set forth on the face hereof, may, subject to certain conditions, be adjusted.

No fraction of a Share will be issued upon any exercise of a Warrant. If the holder of a Warrant would be entitled to receive a fraction of a Share upon any exercise of a Warrant, the Company shall, upon such exercise, round up to the nearest whole number the number of Shares to be issued to such holder.

Upon any exercise of the Warrant for less than the total number of full Shares provided for herein, there shall be issued to the registered holder hereof or the registered holder's assignee a new Warrant Certificate covering the number of Shares for which the Warrant has not been exercised.

Warrant Certificates, when surrendered at the office or agency of the Warrant Agent by the registered holder in person or by attorney duly authorized in writing, may be exchanged in the manner and subject to the limitations provided in the Warrant Agreement, but without payment of any service charge, for another Warrant Certificate or Warrant Certificates of like tenor and evidencing in the aggregate a like number of Warrants.

Upon due presentment for registration of transfer of the Warrant Certificate at the office or agency of the Warrant Agent, a new Warrant Certificate or Warrant Certificates of like tenor and evidencing in the aggregate a like number of Warrants shall be issued to the transferee in exchange for this Warrant Certificate, subject to the limitations provided in the Warrant Agreement, without charge except for any applicable tax or other governmental charge.

The Company and the Warrant Agent may deem and treat the registered holder as the absolute owner of this Warrant Certificate (notwithstanding any notation of ownership or other writing hereon made by anyone), for the purpose of any exercise hereof, of any distribution to the registered holder, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary.

This Warrant does not entitle the registered holder to any of the rights of a stockholder of the Company.

---

The Company reserves the right to call the Warrant at any time prior to its exercise with a notice of call in writing to the holders of record of the Warrant, giving at least 30 days' notice of such call, at any time while the Warrant is exercisable, if the last sale price of the Shares has been at least \$18.00 per share (the "Redemption Trigger Price") on each of 20 trading days within any 30 trading day period (the "30-day trading period") commencing after the Warrants become exercisable and ending on the third business day prior to the date on which notice of such call is given and if, and only if, there is a current registration statement in effect with respect to the Shares underlying the Warrants commencing five business days prior to the 30-day trading period and continuing each day thereafter until the date of redemption. The call price of the Warrants is to be \$0.01 per Warrant. Any Warrant either not exercised or tendered back to the Company by the end of the date specified in the notice of call shall be canceled on the books of the Company and have no further value except for the \$0.01 call price.

WHEREAS, the Company has filed with the Securities and Exchange Commission (the “SEC”) a Registration Statement on Form S-1, No. 333-236798 (“Registration Statement”), for the registration, under the Securities Act of 1933, as amended (“Act”) of, among other securities, the Public Warrants; and

WHEREAS, the Company has received binding commitments (“Subscription Agreements”) from Shipwright SPAC I, LLC and Cantor Fitzgerald & Co., the representative of the underwriters in the Public Offering (“Representative”), to purchase Units and Warrants and, in connection therewith, will issue and deliver up to an aggregate of 2,006,250 Warrants (the “Private Warrants”) upon consummation of the Public Offering; and

WHEREAS, following consummation of the Public Offering, the Company may issue additional warrants (“Post IPO Warrants”) and together with the Public Warrants, Private Warrants and Working Capital Warrants, the “Warrants”) in connection with, or following the consummation by the Company of, a Business Combination (defined below); and

WHEREAS, the Company desires the Warrant Agent to act on behalf of the Company, and the Warrant Agent is willing to so act, in connection with the issuance, registration, transfer, exchange, redemption, and exercise of the Warrants; and

WHEREAS, the Company desires to provide for the form and provisions of the Warrants, the terms upon which they shall be issued and exercised, and the respective rights, limitation of rights, and immunities of the Company, the Warrant Agent, and the holders of the Warrants; and

WHEREAS, all acts and things have been done and performed which are necessary to make the Warrants, when executed on behalf of the Company and countersigned by or on behalf of the Warrant Agent, as provided herein, the valid, binding, and legal obligations of the Company, and to authorize the execution and delivery of this Agreement.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. Appointment of Warrant Agent. The Company hereby appoints the Warrant Agent to act as agent for the Company for the Warrants, and the Warrant Agent hereby accepts such appointment and agrees to perform the same in accordance with the terms and conditions set forth in this Agreement.

## 2. Warrants.

2.1. Form of Warrant. Each Warrant shall be issued in registered form only, shall be in substantially the form of Exhibit A hereto, the provisions of which are incorporated herein and shall be signed by, or bear the facsimile signature of, the Chairman of the Board of Directors or Chief Executive Officer and Treasurer, Secretary or Assistant Secretary of the Company and shall bear a facsimile of the Company's seal. In the event the person whose facsimile signature has been placed upon any Warrant shall have ceased to serve in the capacity in which such person signed the Warrant before such Warrant is issued, it may be issued with the same effect as if he or she had not ceased to be such at the date of issuance.

2.2. Uncertificated Warrants. Notwithstanding anything herein to the contrary, any Warrant, or portion thereof, may be issued as part of, and be represented by, a Unit, and any Warrant may be issued in uncertificated or book-entry form through the Warrant Agent and/or the facilities of The Depository Trust Company (the "Depository") or other book-entry depository system, in each case as determined by the Board of Directors of the Company or by an authorized committee thereof. Any Warrant so issued shall have the same terms, force and effect as a certificated Warrant that has been duly countersigned by the Warrant Agent in accordance with the terms of this Agreement.

2.3. Effect of Countersignature. Except with respect to uncertificated Warrants as described above, unless and until countersigned by the Warrant Agent pursuant to this Agreement, a Warrant shall be invalid and of no effect and may not be exercised by the holder thereof.

### 2.4. Registration.

2.4.1. Warrant Register. The Warrant Agent shall maintain books ("Warrant Register") for the registration of original issuance and the registration of transfer of the Warrants. Upon the initial issuance of the Warrants, the Warrant Agent shall issue and register the Warrants in the names of the respective holders thereof in such denominations and otherwise in accordance with instructions delivered to the Warrant Agent by the Company.

2.4.2. Registered Holder. Prior to due presentment for registration of transfer of any Warrant, the Company and the Warrant Agent may deem and treat the person in whose name such Warrant is then registered in the Warrant Register ("registered holder") as the absolute owner of such Warrant and of each Warrant represented thereby (notwithstanding any notation of ownership or other writing on the Warrant certificate made by anyone other than the Company or the Warrant Agent), for the purpose of any exercise thereof, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary.

2.5. Detachability of Warrants. The securities comprising the Units will not be separately transferable until the 52<sup>nd</sup> day following the date of the prospectus or, if such 52<sup>nd</sup> day is not on a day, other than Saturday, Sunday or federal holiday, on which banks in New York City are generally open for normal business (a "Business Day"), then on the immediately succeeding Business Day following such date, or earlier with the consent of the Representative, but in no event will the Representative allow separate trading of the securities comprising the Units until (i) the Company has filed a Current Report on Form 8-K which includes an audited balance sheet reflecting the receipt by the Company of the gross proceeds of the Public Offering including the proceeds received by the Company from the exercise of the underwriters' option to purchase additional units in the Public Offering, if such option is exercised prior to the filing of the Form 8-K, and (ii) the Company has issued a press release and has filed a Current Report on Form 8-K announcing when such separate trading shall begin (the "Detachment Date").

2.6. Private Warrant and Working Capital Warrant Attributes. The Private Warrants and Working Capital Warrants will be issued in the same form as the Public Warrants but they (i) will not be redeemable by the Company and (ii) may be exercised for cash or on a cashless basis at the holder's option, in either case as long as they are held by the initial purchasers or their permitted transferees (as prescribed in Section 5.6 hereof). Once a Private Warrant or Working Capital Warrant is transferred to a holder other than an affiliate or permitted transferee, it shall be treated as a Public Warrant hereunder for all purposes.

2.7. Post IPO Warrants. The Post IPO Warrants, when and if issued, shall have the same terms and be in the same form as the Public Warrants except as may be agreed upon by the Company.

### 3. Terms and Exercise of Warrants

3.1. Warrant Price. Each whole Warrant shall, when countersigned by the Warrant Agent (except with respect to uncertificated Warrants), entitle the registered holder thereof, subject to the provisions of such Warrant and of this Agreement, to purchase from the Company the number of shares of Common Stock stated therein, at the price of \$11.50 per share, subject to the adjustments provided in Section 4 hereof and in the last sentence of this Section 3.1. The term "Warrant Price" as used in this Agreement refers to the price per share at which the shares of Common Stock may be purchased at the time a Warrant is exercised. The Company in its sole discretion may lower the Warrant Price at any time prior to the Expiration Date (as defined below) for a period of not less than twenty (20) Business Days; provided, that the Company shall provide at least twenty (20) days prior written notice of such reduction to registered holders of the Warrants and, provided further that any such reduction shall be applied consistently to all of the Warrants.

3.2. Duration of Warrants. A Warrant may be exercised only during the period commencing on the later of the consummation by the Company of a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities ("Business Combination") (as described more fully in the Registration Statement) or 12 months from the closing of the Public Offering, and terminating at 5:00 p.m., New York City time on the earlier to occur of (i) five years from the consummation of a Business Combination, (ii) the Redemption Date as provided in Section 6.2 of this Agreement and (iii) the liquidation of the Company ("Expiration Date"). The period of time from the date the Warrants will first become exercisable until the expiration of the Warrants shall hereafter be referred to as the "Exercise Period." Except with respect to the right to receive the Redemption Price (as set forth in Section 6 hereunder), as applicable, each Warrant not exercised on or before the Expiration Date shall become void, and all rights thereunder and all rights in respect thereof under this Agreement shall cease at the close of business on the Expiration Date. The Company in its sole discretion may extend the duration of the Warrants by delaying the Expiration Date; provided, however, that the Company will provide at least twenty (20) days prior written notice of any such extension to registered holders and, provided further that any such extension shall be applied consistently to all of the Warrants. Notwithstanding anything to the contrary contained herein, for so long as any Private Placement Warrant is held by Cantor and/or its designees, such Private Placement Warrant may not be exercised after five years from the effective date of the Registration Statement

### 3.3. Exercise of Warrants.

3.3.1. Payment. Subject to the provisions of the Warrant and this Agreement, a Warrant, when countersigned by the Warrant Agent, may be exercised by the registered holder thereof by surrendering it, at the office of the Warrant Agent, or at the office of its successor as Warrant Agent, in the Borough of Manhattan, City and State of New York, with the subscription form, as set forth in the Warrant, duly executed, and by paying in full the Warrant Price for each share of Common Stock as to which the Warrant is exercised and any and all applicable taxes due in connection with the exercise of the Warrant, as follows:

(a) by good certified check or good bank draft payable to the order of the Warrant Agent or wire transfer; or

(b) in the event of redemption pursuant to Section 6 hereof in which the Company's management has elected to force all holders of Warrants to exercise such Warrants on a "cashless basis," by surrendering the Warrants for that number of shares of Common Stock equal to the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the Warrants, multiplied by the difference between the Warrant Price and the "Fair Market Value" (defined below) by (y) the Fair Market Value. Solely for purposes of this Section 3.3.1(b), the "Fair Market Value" shall mean the average last reported sale price of the Common Stock for the ten (10) trading days ending on the third trading day prior to the date on which the notice of redemption is sent to holders of the Warrants pursuant to Section 6 hereof; or

(c) with respect to any Private Warrants or Working Capital Warrants, so long as such Private Warrants or Working Capital Warrants are held by the initial purchasers or their permitted transferees, by surrendering such Private Warrants or Working Capital Warrants for that number of shares of Common Stock equal to the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the

Warrants, multiplied by the difference between the exercise price of the Warrants and the "Fair Market Value" by (y) the Fair Market Value; provided, however, that no cashless exercise shall be permitted unless the Fair Market Value is equal to or higher than the exercise price. Solely for purposes of this Section 3.3.1(c), the "Fair Market Value" shall mean the average reported last sale price of the Common Stock for the ten (10) trading days ending on the third trading day prior to the date of exercise; or

(d) in the event the registration statement required by Section 7.4 hereof is not effective and current within sixty (60) days after the closing of a Business Combination, by surrendering such Warrants for that number of shares of Common Stock equal to the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the Warrants, multiplied by the difference between the exercise price of the Warrants and the "Fair Market Value" by (y) the Fair Market Value; provided, however, that no cashless exercise shall be permitted unless the Fair Market Value is equal to or higher than the exercise price. Solely for purposes of this Section 3.3.1(d), the "Fair Market Value" shall mean the average reported last sale price of the Common Stock for the ten (10) trading days ending on the trading day prior to the date of exercise.

3.3.2. Issuance of Shares of Common Stock. As soon as practicable after the exercise of any Warrant and the clearance of the funds in payment of the Warrant Price (if any), the Company shall issue to the registered holder of such Warrant a certificate or certificates, or book entry position, for the number of shares of Common Stock to which he, she or it is entitled, registered in such name or names as may be directed by him, her or it, and if such Warrant shall not have been exercised in full, a new countersigned Warrant, or book entry position, for the number of shares as to which such Warrant shall not have been exercised. Notwithstanding the foregoing, in no event will the Company be required to net cash settle the Warrant exercise. No Warrant shall be exercisable for cash and the Company shall not be obligated to issue shares of Common Stock upon exercise of a Warrant unless the Common Stock issuable upon such Warrant exercise has been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the Warrants. In the event that the condition in the immediately preceding sentence is not satisfied with respect to a Warrant, the holder of such Warrant shall not be entitled to exercise such Warrant for cash and such Warrant may have no value and expire worthless, in which case the purchaser of a Unit containing such Public Warrants shall have paid the full purchase price for the Unit solely for the shares of Common Stock underlying such Unit. Warrants may not be exercised by, or securities issued to, any registered holder in any state in which such exercise would be unlawful.

3.3.3. Valid Issuance. All shares of Common Stock issued upon the proper exercise of a Warrant in conformity with this Agreement shall be validly issued, fully paid and nonassessable.

3.3.4. Date of Issuance. Each person in whose name any book entry position or certificate for shares of Common Stock is issued shall for all purposes be deemed to have become the holder of record of such shares on the date on which the Warrant, or book entry position representing such Warrant, was surrendered and payment of the Warrant Price was made, irrespective of the date of delivery of such certificate, except that, if the date of such surrender and payment is a date when the share transfer books of the Company or book entry system of the Warrant Agent are closed, such person shall be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the share transfer books or book entry system are open.

3.3.5 Maximum Percentage. A holder of a Warrant may notify the Company in writing in the event it elects to be subject to the provisions contained in this subsection 3.3.5; however, no holder of a Warrant shall be subject to this subsection 3.3.5 unless he, she or it makes such election. If the election is made by a holder, the Warrant Agent shall not cause the exercise of the holder's Warrant, and such holder shall not have the right to exercise such Warrant, to the extent that after giving effect to such exercise, such person (together with such person's affiliates), to the Warrant Agent's actual knowledge, would beneficially own in excess of 4.9% or 9.8% (as specified by the holder) (the "Maximum Percentage") of the shares of Common Stock outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by such person and its affiliates shall include the number of shares of Common Stock issuable upon exercise of the Warrant with respect to which the determination of such sentence is being made, but shall exclude shares of Common Stock that would be issuable upon (x) exercise of the remaining, unexercised portion of the Warrant beneficially owned by such person and its affiliates and (y) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by such person and its affiliates (including, without limitation, any convertible notes or convertible preferred stock or warrants) subject to a limitation on conversion or

exercise analogous to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this paragraph, beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). For purposes of the Warrant, in determining the number of outstanding shares of Common Stock, the holder may rely on the number of outstanding shares of Common Stock as reflected in (1) the Company’s most recent annual report on Form 10-K, quarterly report on Form 10-Q, current report on Form 8-K or other public filing with the Securities and Exchange Commission as the case may be, (2) a more recent public announcement by the Company or (3) any other notice by the Company or Continental Stock Transfer & Trust Company setting forth the number of shares of Common Stock outstanding. For any reason at any time, upon the written request of the holder of the Warrant, the Company shall, within two (2) Business Days, confirm orally and in writing to such holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of equity securities of the Company by the holder and its affiliates since the date as of which such number of outstanding shares of Common Stock was reported. By written notice to the Company, the holder of a Warrant may from time to time increase or decrease the Maximum Percentage applicable to such holder to any other percentage specified in such notice; provided, however, that any such increase shall not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

#### 4. Adjustments.

4.1. Stock Dividends: Split Ups. If after the date hereof, and subject to the provisions of Section 4.6 below, the number of outstanding shares of Common Stock is increased by a stock dividend payable in shares of Common Stock, or by a split up of shares of Common Stock, or other similar event, then, on the effective date of such stock dividend, split up or similar event, the number of shares of Common Stock issuable on exercise of each Warrant shall be increased in proportion to such increase in outstanding shares of Common Stock. A rights offering to holders of the Common Stock entitling holders to purchase shares of Common Stock at a price less than the “Fair Market Value” (as defined below) shall be deemed a stock dividend of a number of shares of Common Stock equal to the product of (i) the number of shares of Common Stock actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for the Common Stock) and (ii) one (1) minus the quotient of (x) the price per share of Common Stock paid in such rights offering divided by (y) the Fair Market Value. For purposes of this subsection 4.1.1, (i) if the rights offering is for securities convertible into or exercisable for Common Stock, in determining the price payable for Common Stock, there shall be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) “Fair Market Value” means the volume weighted last reported average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the first date on which the shares of Common Stock trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

4.2. Aggregation of Shares. If after the date hereof, the number of outstanding shares of Common Stock is decreased by a consolidation, combination, reverse stock split or reclassification of shares of Common Stock or other similar event, then, on the effective date of such consolidation, combination, reverse stock split, reclassification or similar event, the number of shares of Common Stock issuable on exercise of each Warrant shall be decreased in proportion to such decrease in outstanding shares of Common Stock.

4.3 Extraordinary Dividends. If the Company, at any time while the Warrants are outstanding and unexpired, shall pay a dividend or make a distribution in cash, securities or other assets to the holders of the shares of Common Stock or other shares of the Company’s capital stock into which the Warrants are convertible (an “Extraordinary Dividend”), then the Warrant Price shall be decreased, effective immediately after the effective date of such Extraordinary Dividend, by the amount of cash and the fair market value (as determined by the Company’s Board of Directors, in good faith) of any securities or other assets paid on each share of Common Stock in respect of such Extraordinary Dividend; provided, however, that none of the following shall be deemed an Extraordinary Dividend for purposes of this provision: (a) any adjustment described in subsection 4.1 above, (b) any cash dividends or cash distributions which, when combined on a per share basis with all other cash dividends and cash distributions paid on the Common Stock during the 365-day period ending on the date of declaration of such dividend or distribution does not exceed \$0.50 (as adjusted to appropriately reflect any of the events referred to in other subsections of this Section 4 and excluding cash dividends or cash distributions that resulted in an adjustment to the Warrant Price or to the number of shares of Common Stock issuable on exercise of each Warrant) but only with respect to the amount of the aggregate

cash dividends or cash distributions equal to or less than \$0.50, (c) any payment to satisfy the conversion rights of the holders of the shares of Common Stock in connection with a proposed initial Business Combination or an amendment to the Company's amended and restated certificate of incorporation prior to an initial Business Combination or (d) any payment in connection with the Company's liquidation and the distribution of its assets upon its failure to consummate a Business Combination. Solely for purposes of illustration, if the Company, at a time while the Warrants are outstanding and unexpired, pays a cash dividend of \$0.35 and previously paid an aggregate of \$0.40 of cash dividends and cash distributions on the Common Stock during the 365-day period ending on the date of declaration of such \$0.35 dividend, then the Warrant Price will be decreased, effectively immediately after the effective date of such \$0.35 dividend, by \$0.25 (the absolute value of the difference between \$0.75 (the aggregate amount of all cash dividends and cash distributions paid or made in such 365-day period, including such \$0.35 dividend) and \$0.50 (the greater of (x) \$0.50 and (y) the aggregate amount of all cash dividends and cash distributions paid or made in such 365-day period prior to such \$0.35 dividend)).

#### 4.4 Adjustments in Exercise Price.

4.4.1 Whenever the number of shares of Common Stock purchasable upon the exercise of the Warrants is adjusted, as provided in Sections 4.1 and 4.2 above, the Warrant Price shall be adjusted (to the nearest cent) by multiplying such Warrant Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of shares of Common Stock purchasable upon the exercise of the Warrants immediately prior to such adjustment, and (y) the denominator of which shall be the number of shares of Common Stock so purchasable immediately thereafter.

4.4.2 If (i) the Company issues additional shares of Common Stock or securities convertible into or exercisable or exchangeable for shares of Common Stock for capital raising purposes in connection with the closing of its initial Business Combination at an issue price or effective issue price of less than \$9.20 per share of Common Stock, with such issue price or effective issue price to be determined in good faith by the Board (and in the case of any such issuance to the Sponsor or its affiliates, without taking into account any founder shares held by such holder or affiliates, as applicable, prior to such issuance) (the "New Issuance Price"), (ii) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of the initial Business Combination on the date of the consummation thereof (net of redemptions) and (iii) the volume weighted average trading price of the Common Stock during the 20 trading day period starting on the trading day prior to the day on which the Company consummates the initial Business Combination (such price, the "Market Value") is below \$9.20 per share, the Warrant Price shall be adjusted (to the nearest cent) to be equal to 115% of the greater of the Market Value and the New Issuance Price and the Redemption Trigger Price (as defined below) shall be adjusted to equal to 180% of the greater of the Market Value and the Newly Issued Price.

4.5. Replacement of Securities upon Reorganization, etc. In case of any reclassification or reorganization of the outstanding shares of Common Stock (other than a change covered by Section 4.1, 4.2 or 4.3 hereof or that solely affects the par value of the Common Stock), or in the case of any merger or consolidation of the Company with or into another corporation (other than a consolidation or merger in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding Common Stock), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the Warrant holders shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Warrants and in lieu of the shares of Common Stock of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares of stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the Warrant holder would have received if such Warrant holder had exercised his, her or its Warrant(s) immediately prior to such event; (the "Alternative Issuance"); provided, however, that in connection with the closing of any such consolidation, merger, sale or conveyance, the successor or purchasing entity shall execute an amendment hereto with the Warrant Agent providing for delivery of such Alternative Issuance; provided, further, that (i) if the holders of the Common Stock were entitled to exercise a right of election as to the kind or amount of securities, cash or other assets receivable upon such consolidation or merger, then the kind and amount of securities, cash or other assets constituting the Alternative Issuance for which each Warrant shall become exercisable shall be deemed to be the weighted average of the kind and amount received per share by the holders of the Common Stock in such consolidation or merger that affirmatively make such election, and (ii) if a tender, exchange

or redemption offer shall have been made to and accepted by the holders of the Common Stock (other than a tender, exchange or redemption offer made by the Company in connection with redemption rights held by stockholders of the Company as provided for in the Company's amended and restated certificate of incorporation or as a result of the repurchase of shares of Common Stock by the Company if a proposed initial Business Combination is presented to the stockholders of the Company for approval) under circumstances in which, upon completion of such tender or exchange offer, the maker thereof, together with members of any group (within the meaning of Rule 13d-5(b)(1) under the Exchange Act (or any successor rule)) of which such maker is a part, and together with any affiliate or associate of such maker (within the meaning of Rule 12b-2 under the Exchange Act (or any successor rule)) and any members of any such group of which any such affiliate or associate is a part, own beneficially (within the meaning of Rule 13d-3 under the Exchange Act (or any successor rule)) more than 50% of the outstanding shares of Common Stock, the holder of a Warrant shall be entitled to receive as the Alternative Issuance, the highest amount of cash, securities or other property to which such holder would actually have been entitled as a stockholder if such Warrant holder had exercised the Warrant prior to the expiration of such tender or exchange offer, accepted such offer and all of the Common Stock held by such holder had been purchased pursuant to such tender or exchange offer, subject to adjustments (from and after the consummation of such tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in this Section 4; provided, further, that if less than 70% of the consideration receivable by the holders of the Common Stock in the applicable event is payable in the form of common stock in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the Registered Holder properly exercises the Warrant within thirty (30) days following the public disclosure of the consummation of such applicable event by the Company pursuant to a Current Report on Form 8-K filed with the Commission, the Warrant Price shall be reduced by an amount (in dollars) (but in no event less than zero) equal to the difference of (i) the Warrant Price in effect prior to such reduction minus (ii) (A) the Per Share Consideration (as defined below) minus (B) the Black-Scholes Warrant Value (as defined below). The "Black-Scholes Warrant Value" means the value of a Warrant immediately prior to the consummation of the applicable event based on the Black-Scholes Warrant Model for a Capped American Call on Bloomberg Financial Markets ("Bloomberg"). For purposes of calculating such amount, (1) Section 6 of this Agreement shall be taken into account, (2) the price of each share of Common Stock shall be the volume weighted last reported average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event, (3) the assumed volatility shall be the 90 day volatility obtained from the HVT function on Bloomberg determined as of the trading day immediately prior to the day of the announcement of the applicable event, and (4) the assumed risk-free interest rate shall correspond to the U.S. Treasury rate for a period equal to the remaining term of the Warrant. "Per Share Consideration" means (i) if the consideration paid to holders of the Common Stock consists exclusively of cash, the amount of such cash per share of Common Stock, and (ii) in all other cases, the volume weighted last reported average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event. If any reclassification also results in a change in the Common Stock covered by Section 4.1, 4.2 or 4.3, then such adjustment shall be made pursuant to Sections 4.1, 4.2, 4.3, 4.4 and this Section 4.5. The provisions of this Section 4.5 shall similarly apply to successive reclassifications, reorganizations, mergers or consolidations, sales or other transfers. In no event will the Warrant Price be reduced to less than the par value per share issuable upon exercise of the Warrant.

4.6. Notices of Changes in Warrant. Upon every adjustment of the Warrant Price or the number of shares issuable upon exercise of a Warrant, the Company shall give written notice thereof to the Warrant Agent, which notice shall state the Warrant Price resulting from such adjustment and the increase or decrease, if any, in the number of shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Upon the occurrence of any event specified in Sections 4.1, 4.2, 4.3, 4.4 or 4.5, then, in any such event, the Company shall give written notice to each Warrant holder, at the last address set forth for such holder in the Warrant Register, of the record date or the effective date of the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

4.7. No Fractional Warrants or Shares. Notwithstanding any provision contained in this Agreement to the contrary, the Company shall not issue fractional shares upon exercise of Warrants. If, by reason of any adjustment made pursuant to this Section 4, the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share, the Company shall, upon such exercise, round up to the nearest whole number of shares of Common Stock to be issued to the Warrant holder.

4.8. Form of Warrant. The form of Warrant need not be changed because of any adjustment pursuant to this Section 4, and Warrants issued after such adjustment may state the same Warrant Price and the same number of shares as is stated in the Warrants initially issued pursuant to this Agreement. However, the Company may at any time in its sole discretion make any change in the form of Warrant that the Company may deem appropriate and that does not affect the substance thereof, and any Warrant thereafter issued or countersigned, whether in exchange or substitution for an outstanding Warrant or otherwise, may be in the form as so changed.

4.9. Other Events. In case any event shall occur affecting the Company as to which none of the provisions of preceding subsections of this Section 4 are strictly applicable, but which would require an adjustment to the terms of the Warrants in order to (i) avoid an adverse impact on the Warrants and (ii) effectuate the intent and purpose of this Section 4, then, in each such case, the Company shall appoint a firm of independent public accountants, investment banking or other appraisal firm of recognized national standing, which shall give its opinion as to whether or not any adjustment to the rights represented by the Warrants is necessary to effectuate the intent and purpose of this Section 4 and, if they determine that an adjustment is necessary, the terms of such adjustment. The Company shall adjust the terms of the Warrants in a manner that is consistent with any adjustment recommended in such opinion.

## 5. Transfer and Exchange of Warrants.

5.1. Registration of Transfer. The Warrant Agent shall register the transfer, from time to time, of any outstanding Warrant upon the Warrant Register, upon surrender of such Warrant for transfer, properly endorsed with signatures, in the case of certificated Warrants, properly guaranteed and accompanied by appropriate instructions for transfer. Upon any such transfer, a new Warrant representing an equal aggregate number of Warrants shall be issued and the old Warrant shall be cancelled by the Warrant Agent. In the case of certificated Warrants, the Warrants so cancelled shall be delivered by the Warrant Agent to the Company from time to time upon request.

5.2. Procedure for Surrender of Warrants. Warrants may be surrendered to the Warrant Agent, either in certificated form or in book entry position, together with a written request for exchange or transfer, and thereupon the Warrant Agent shall issue in exchange therefor one or more new Warrants, or book entry positions, as requested by the registered holder of the Warrants so surrendered, representing an equal aggregate number of Warrants; provided, however, that in the event that a Warrant surrendered for transfer bears a restrictive legend, the Warrant Agent shall not cancel such Warrant and issue new Warrants in exchange therefor until the Warrant Agent has received an opinion of counsel for the Company stating that such transfer may be made and indicating whether the new Warrants must also bear a restrictive legend.

5.3. Fractional Warrants. The Warrant Agent shall not be required to effect any registration of transfer or exchange which will result in the issuance of a warrant certificate or book-entry position for a fraction of a warrant.

5.4. Service Charges. No service charge shall be made for any exchange or registration of transfer of Warrants.

5.5. Warrant Execution and Countersignature. The Warrant Agent is hereby authorized to countersign and to deliver, in accordance with the terms of this Agreement, the Warrants required to be issued pursuant to the provisions of this Section 5, and the Company, whenever required by the Warrant Agent, will supply the Warrant Agent with Warrants duly executed on behalf of the Company for such purpose.

5.6. Private Warrants. The Warrant Agent shall not register any transfer of Private Warrants or Working Capital Warrants until 30 days after the consummation by the Company of an initial Business Combination, except for transfers (i) among the initial stockholders or to the initial stockholders' or the Company's officers, directors, consultants or their affiliates, (ii) to a holder's stockholders or members upon the holder's liquidation, in each case if the holder is an entity, (iii) by bona fide gift to a member of the holder's immediate family or to a trust, the beneficiary of which is the holder or a member of the holder's immediate family, in each case for estate planning purposes, (iv) by virtue of the laws of descent and distribution upon death, (v) pursuant to a qualified domestic relations order, (vi) to the Company for no value for cancellation in connection with the consummation of a Business Combination, (vii) in connection with the consummation of a Business Combination by private sales at prices no greater than the price at which the Private Warrants were originally purchased, (viii) in the event of the Company's liquidation prior to its consummation of an initial Business Combination or (ix) in the event that, subsequent to the consummation of an initial Business Combination, the Company completes a liquidation, merger, share exchange or other similar

transaction which results in all of the Company's stockholders having the right to exchange their Common Stock for cash, securities or other property, in each case (except for clauses (vi), (viii) or (ix) or with the Company's prior written consent) on the condition that prior to such registration for transfer, the Warrant Agent shall be presented with written documentation pursuant to which each transferee or the trustee or legal guardian for such transferee agrees to be bound by the terms of the Subscription Agreement and any other applicable agreement the transferor is bound by. Notwithstanding the foregoing, with respect to any Private Warrants held by the Representative and/or its designees, in addition to the foregoing restriction on transfer of the Private Warrants, the Private Warrants purchased by the Representative and/or its designees shall not be sold during the Public Offering, or sold, transferred, assigned, pledged or hypothecated for a period of 180 days immediately following the date of effectiveness of the Registration Statement or commencement of sales of the Public Offering, except to any member participating in the Public Offering and the officers or partners thereof. Additionally, the Private Warrants purchased by the Representative and/or its designees shall not be the subject of any hedging, short sale, derivative, put or call transaction that would result in the effective economic disposition of the securities by any person for a period of 180 days immediately following the date of effectiveness of the Registration Statement or commencement of sales of the Public Offering.

5.7. Transfers prior to Detachment. Prior to the Detachment Date, the Public Warrants may be transferred or exchanged only together with the Unit in which such Warrant is included, and only for the purpose of effecting, or in conjunction with, a transfer or exchange of such Unit. Furthermore, each transfer of a Unit on the register relating to such Units shall operate also to transfer the Warrants included in such Unit. Notwithstanding the foregoing, the provisions of this Section 5.7 shall have no effect on any transfer of Warrants on or after the Detachment Date.

## 6. Redemption.

6.1. Redemption. Subject to Section 6.4 hereof, not less than all of the outstanding Warrants may be redeemed, at the option of the Company, at any time during the Exercise Period, at the office of the Warrant Agent, upon the notice referred to in Section 6.2, at the price of \$0.01 per Warrant ("Redemption Price"), provided that the last sales price of the Common Stock equals or exceeds \$18.00 per share (subject to adjustment in accordance with Section 4 hereof) (the "Redemption Trigger Price"), on each of twenty (20) trading days within any thirty (30) trading day period commencing after the Warrants become exercisable and ending on the third trading day prior to the date on which notice of redemption is given and provided that there is an effective registration statement covering the shares of Common Stock issuable upon exercise of the Warrants, and a current prospectus relating thereto, available throughout the 30-day redemption or the Company has elected to require the exercise of the Warrants on a "cashless basis" pursuant to subsection 3.3.1(b); provided, however, that if and when the Public Warrants become redeemable by the Company, the Company may not exercise such redemption right if the issuance of shares of Common Stock upon exercise of the Public Warrants is not exempt from registration or qualification under applicable state blue sky laws or the Company is unable to effect such registration or qualification.

6.2. Date Fixed for, and Notice of, Redemption. In the event the Company shall elect to redeem all of the Warrants that are subject to redemption, the Company shall fix a date for the redemption (the "Redemption Date"). Notice of redemption shall be mailed by first class mail, postage prepaid, by the Company not less than thirty (30) days prior to the Redemption Date to the registered holders of the Warrants to be redeemed at their last addresses as they shall appear on the registration books. Any notice mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not the registered holder received such notice.

6.3. Exercise After Notice of Redemption. The Public Warrants may be exercised, for cash (or on a "cashless basis" in accordance with Section 3 of this Agreement) at any time after notice of redemption shall have been given by the Company pursuant to Section 6.2 hereof and prior to the Redemption Date. In the event the Company determines to require all holders of Public Warrants to exercise their Warrants on a "cashless basis" pursuant to Section 3.3.1(b), the notice of redemption will contain the information necessary to calculate the number of shares of Common Stock to be received upon exercise of the Warrants, including the "Fair Market Value" in such case. On and after the Redemption Date, the record holder of the Warrants shall have no further rights except to receive, upon surrender of the Warrants, the Redemption Price.

6.4. Exclusion of Certain Warrants. The Company agrees that the redemption rights provided in this Section 6 shall not apply to (i) the Private Warrants and Working Capital Warrants if at the time of the redemption such Private Warrants or Working Capital Warrants continue to be held by the initial purchasers or their permitted transferees or

(ii) Post IPO Warrants if such warrants provide that they are non-redeemable by the Company. However, with respect to the Private Warrants or Working Capital Warrants, once such Private Warrants or Working Capital Warrants are transferred (other than to permitted transferees under Section 5.6), the Company may redeem the Private Warrants and Working Capital Warrants in the same manner as the Public Warrants.

#### 7. Other Provisions Relating to Rights of Holders of Warrants.

7.1. No Rights as Stockholder. A Warrant does not entitle the registered holder thereof to any of the rights of a stockholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights to vote or to consent or to receive notice as stockholders in respect of the meetings of stockholders or the election of directors of the Company or any other matter.

7.2. Lost, Stolen, Mutilated, or Destroyed Warrants. If any Warrant is lost, stolen, mutilated, or destroyed, the Company and the Warrant Agent may on such terms as to indemnify or otherwise as they may in their discretion impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination, tenor, and date as the Warrant so lost, stolen, mutilated, or destroyed. Any such new Warrant shall constitute a substitute contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated, or destroyed Warrant shall be at any time enforceable by anyone.

7.3. Reservation of Shares of Common Stock. The Company shall at all times reserve and keep available a number of its authorized but unissued shares of Common Stock that will be sufficient to permit the exercise in full of all outstanding Warrants issued pursuant to this Agreement.

7.4. Registration of Shares of Common Stock. The Company agrees that as soon as practicable, but in no event later than fifteen (15) business days, after the closing of its initial Business Combination, it shall use its best efforts to file with the Securities and Exchange Commission a registration statement for the registration, under the Act, of the shares of Common Stock issuable upon exercise of the Warrants, and it shall use its best efforts to take such action as is necessary to register or qualify for sale, in those states in which the Warrants were initially offered by the Company and in those states where holders of Warrants then reside, the shares of Common Stock issuable upon exercise of the Warrants, to the extent an exemption is not available. The Company will use its best efforts to cause the same to become effective and to maintain the effectiveness of such registration statement until the expiration of the Warrants in accordance with the provisions of this Agreement. In addition, the Company agrees to use its best efforts to register such securities under the blue sky laws of the states of residence of the existing warrant holders to the extent an exemption is not available. If any such registration statement has not been declared effective by the 60th day following the closing of the Business Combination, holders of the Warrants shall have the right, during the period beginning on the 61st day after the closing of the Business Combination and ending upon such registration statement being declared effective by the Securities and Exchange Commission, and during any other period when the Company shall fail to have maintained an effective registration statement covering the shares of Common Stock issuable upon exercise of the Warrants, to exercise such Warrants on a "cashless basis" as determined in accordance with Section 3.3.1(d). The Company shall provide the Warrant Agent with an opinion of counsel for the Company (which shall be an outside law firm with securities law experience) stating that (i) the exercise of the Warrants on a cashless basis in accordance with this Section 7.4 is not required to be registered under the Act and (ii) the shares of Common Stock issued upon such exercise will be freely tradable under U.S. federal securities laws by anyone who is not an affiliate (as such term is defined in Rule 144 under the Act) of the Company and, accordingly, will not be required to bear a restrictive legend.

#### 8. Concerning the Warrant Agent and Other Matters.

8.1. Payment of Taxes. The Company will from time to time promptly pay all taxes and charges that may be imposed upon the Company or the Warrant Agent in respect of the issuance or delivery of shares of Common Stock upon the exercise of Warrants, but the Company shall not be obligated to pay any transfer taxes in respect of the Warrants or such shares.

## 8.2. Resignation, Consolidation, or Merger of Warrant Agent

8.2.1. Appointment of Successor Warrant Agent. The Warrant Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder after giving sixty (60) days' notice in writing to the Company. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor Warrant Agent in place of the Warrant Agent. If the Company shall fail to make such appointment within a period of thirty (30) days after it has been notified in writing of such resignation or incapacity by the Warrant Agent or by the holder of the Warrant (who shall, with such notice, submit his Warrant for inspection by the Company), then the holder of any Warrant may apply to the Supreme Court of the State of New York for the County of New York for the appointment of a successor Warrant Agent at the Company's cost. Any successor Warrant Agent, whether appointed by the Company or by such court, shall be a corporation organized and existing under the laws of the State of New York, in good standing and having its principal office in the Borough of Manhattan, City and State of New York, and authorized under such laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority. After appointment, any successor Warrant Agent shall be vested with all the authority, powers, rights, immunities, duties, and obligations of its predecessor Warrant Agent with like effect as if originally named as Warrant Agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor Warrant Agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor Warrant Agent all the authority, powers, and rights of such predecessor Warrant Agent hereunder; and upon request of any successor Warrant Agent the Company shall make, execute, acknowledge, and deliver any and all instruments in writing for more fully and effectually vesting in and confirming to such successor Warrant Agent all such authority, powers, rights, immunities, duties, and obligations.

8.2.2. Notice of Successor Warrant Agent. In the event a successor Warrant Agent shall be appointed, the Company shall give notice thereof to the predecessor Warrant Agent and the transfer agent for the shares of Common Stock not later than the effective date of any such appointment.

8.2.3. Merger or Consolidation of Warrant Agent. Any corporation into which the Warrant Agent may be merged or with which it may be consolidated or any corporation resulting from any merger or consolidation to which the Warrant Agent shall be a party shall be the successor Warrant Agent under this Agreement without any further act.

## 8.3. Fees and Expenses of Warrant Agent

8.3.1. Remuneration. The Company agrees to pay the Warrant Agent reasonable remuneration for its services as such Warrant Agent hereunder and will reimburse the Warrant Agent upon demand for all expenditures that the Warrant Agent may reasonably incur in the execution of its duties hereunder.

8.3.2. Further Assurances. The Company agrees to perform, execute, acknowledge, and deliver or cause to be performed, executed, acknowledged, and delivered all such further and other acts, instruments, and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Agreement.

## 8.4. Liability of Warrant Agent

8.4.1. Reliance on Company Statement. Whenever in the performance of its duties under this Agreement, the Warrant Agent shall deem it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a statement signed by the Chief Executive Officer or Chairman of the Board of Directors of the Company and delivered to the Warrant Agent. The Warrant Agent may rely upon such statement for any action taken or suffered in good faith by it pursuant to the provisions of this Agreement.

8.4.2. Indemnity. The Warrant Agent shall be liable hereunder only for its own fraud, gross negligence, willful misconduct or bad faith. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted by the Warrant Agent in the execution of this Agreement except as a result of the Warrant Agent's fraud, gross negligence, willful misconduct, or bad faith.

8.4.3. Exclusions. The Warrant Agent shall have no responsibility with respect to the validity of this Agreement or with respect to the validity or execution of any Warrant (except its countersignature thereof); nor shall it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Warrant; nor shall it be responsible to make any adjustments required under the provisions of Section 4 hereof or responsible for the manner, method, or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any shares of Common Stock to be issued pursuant to this Agreement or any Warrant or as to whether any shares of Common Stock will, when issued, be valid and fully paid and nonassessable.

8.5. Acceptance of Agency. The Warrant Agent hereby accepts the agency established by this Agreement and agrees to perform the same upon the terms and conditions herein set forth and among other things, shall account promptly to the Company with respect to Warrants exercised and concurrently account for, and pay to the Company, all monies received by the Warrant Agent for the purchase of shares of Common Stock through the exercise of Warrants.

9. Miscellaneous Provisions.

9.1. Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns.

9.2. Notices. Any notice, statement or demand authorized by this Agreement to be given or made by the Warrant Agent or by the holder of any Warrant to or on the Company shall be sufficiently given when so delivered if by hand or overnight delivery or if sent by certified mail or private courier service within five (5) days after deposit of such notice, postage prepaid, addressed (until another address is filed in writing by the Company with the Warrant Agent), as follows:

Collective Growth Corporation

---

**WHEREAS**, concurrently with the execution of the Business Combination Agreement, Sponsor and SPAC entered into a forfeiture agreement (“Forfeiture Agreement”), pursuant to which, among other things, immediately prior to the Effective Time, Sponsors will forfeit to SPAC for cancellation in exchange for no consideration 187,500 Sponsor Warrants;

**WHEREAS**, upon consummation of the Merger, as provided in Section 4.5 of the Existing Warrant Agreement, each of the issued and outstanding Warrants will no longer be exercisable for shares of Common Stock but instead will be exercisable (subject to the terms and conditions of the Existing Warrant Agreement as amended hereby) for ordinary shares of no par value of the Company (“Company Ordinary Shares”);

**WHEREAS**, pursuant to the Business Combination Agreement, upon consummation of the Merger, the Company will issue Warrants to Perception Capital Partners LLC, Antara Capital LP and to certain members of the Company's management; and

“The Warrant Agent shall not register any transfer of Private Warrants [or Working Capital Warrants] until 30 days after the date of the consummation of the Business Combination, except for transfers (i) among the initial stockholders of Collective Growth or to such stockholders’ or the Company’s officers, directors, consultants or their affiliates, (ii) to a holder’s stockholders or members upon the holder’s liquidation, in each case if the holder is an entity, (iii) by bona fide gift to a member of the holder’s immediate family or to a trust, the beneficiary of which is the holder or a member of the holder’s immediate family, in each case for estate planning purposes, (iv) by virtue of the laws of descent and distribution upon death, (v) pursuant to a qualified domestic relations order, or (vi) in the event that, subsequent to the consummation of the Business Combination, the Company completes a liquidation, merger, share exchange or other similar transaction which results in all of the Company’s shareholders having the right to exchange their Company Ordinary Shares for cash, securities or other property, in each case (except for clause (vi) or with the Company’s prior written consent) on the condition that prior to such registration for transfer, the Warrant Agent shall be presented with written documentation pursuant to which each transferee or the trustee or legal guardian for such transferee agrees to be bound by the terms of any other applicable agreement the transferor is bound by.”

## ARTICLE II REGISTRATIONS AND OFFERINGS

### 2.1 Shelf Registration.

2.1.1 Filing. The Company shall file within sixty (60) days after the Closing Date, and use commercially reasonable efforts to cause to be declared effective as soon as practicable thereafter, a Registration Statement for a Shelf Registration on Form F-1 (the “**Form F-1 Shelf**”) or, if the Company is eligible to use a Registration Statement on Form F-3, a Shelf Registration on Form F-3 (the “**Form F-3 Shelf**”), in each case, covering the resale of all the Registrable Securities (determined as of two business days prior to such filing) on a delayed or continuous basis. Such Shelf shall provide for the resale of the Registrable Securities included therein pursuant to any method or combination of methods legally available to, and requested by, any Holder named therein. The Company shall maintain a Shelf in accordance with the terms hereof, and shall prepare and file with the SEC such amendments, including post-effective amendments, and supplements as may be necessary to keep a Shelf continuously effective, available for use and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. In the event the Company files a Form F-1 Shelf, the Company shall use its commercially reasonable efforts to convert the FormF-1 Shelf (and any Subsequent Shelf Registration) to a Form F-3 Shelf as soon as practicable after the Company is eligible to use FormF-3.

2.1.2 Subsequent Shelf Registration. If any Shelf ceases to be effective under the Securities Act for any reason at any time while Registrable Securities are still outstanding, the Company shall, subject to Section 3.4, use its commercially reasonable efforts to as promptly as is reasonably practicable cause such Shelf to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf), and shall use its commercially reasonable efforts to as promptly as is reasonably practicable amend such Shelf in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf or file an additional registration statement as a Shelf Registration (a “**Subsequent Shelf Registration**”) registering the resale of all Registrable Securities (determined as of two business days prior to such filing), and pursuant to any method or combination of methods legally available to, and requested by, any Holder named therein.

If a Subsequent Shelf Registration is filed, the Company shall use its commercially reasonable efforts to (i) cause such Subsequent Shelf Registration to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof (it being agreed that the Subsequent Shelf Registration shall be an automatic shelf registration statement (as defined in Rule 405 promulgated under the Securities Act) if the Company is a well-known seasoned issuer (as defined in Rule 405 promulgated under the Securities Act) at the most recent applicable eligibility determination date) and (ii) keep such Subsequent Shelf Registration continuously effective, available for use and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. Any such Subsequent Shelf Registration shall be on Form F-3 to the extent that the Company is eligible to use such form. Otherwise, such Subsequent Shelf Registration shall be on another appropriate form.

2.1.3 Additional Registrable Securities. In the event that any Holder holds Registrable Securities that are not registered for resale on a delayed or continuous basis, the Company, upon request of a Innoviz Equityholder, a SPAC Holder or an Other Equityholder that holds at least five (5.0%) percent of the Registrable Securities, shall promptly use its commercially reasonable efforts to cause the resale of such Registrable Securities to be covered by either, at the Company's option, the Shelf (including by means of a post-effective amendment) or a Subsequent Shelf Registration and cause the same to become effective as soon as practicable after such filing and such Shelf or Subsequent Shelf Registration shall be subject to the terms hereof; provided, however, that the Company shall only be required to cause such Registrable Securities to be so covered twice per calendar year for the Innoviz Equityholders, the SPAC Holders, and the Other Equityholders, respectively.

2.1.4 Requests for Underwritten Shelf Takedowns. At any time and from time to time when an effective Shelf is on file with the Commission, any Innoviz Equityholder, SPAC Holder, or Other Equityholder (any of the Innoviz Equityholders, the SPAC Holders, or the Other Equityholders being, in such case, a "**Demanding Holder**") may request to sell all or any portion of its Registrable Securities in an Underwritten Offering or other coordinated offering that is registered pursuant to the Shelf (each, an "**Underwritten Shelf Takedown**"); provided that the Company shall only be obligated to effect an Underwritten Shelf Takedown if such offering shall include Registrable Securities proposed to be sold by the Demanding Holder with a total offering price reasonably expected to exceed, in the aggregate, \$75 million (the "**Minimum Takedown Threshold**"). All requests for Underwritten Shelf Takedowns shall be made by giving written notice to the Company, which shall specify the approximate number of Registrable Securities proposed to be sold in the Underwritten Shelf Takedown. Subject to Section 2.4.4, the Company shall have the right to select the Underwriters for such offering (which shall consist of one or more reputable nationally recognized investment banks), subject to the initial Demanding Holder's prior approval (which shall not be unreasonably withheld, conditioned or delayed). The Innoviz Equityholders, the SPAC Holders, and the Other Equityholders may each demand not more than two (2) Underwritten Shelf Takedowns pursuant to this Section 2.1.4 in any 12-month period. Notwithstanding anything to the contrary in this Agreement, the Company may effect any Underwritten Offering pursuant to any then effective Registration Statement, including a Form F-3, that is then available for such offering.

2.1.5 Reduction of Underwritten Offering. If the managing Underwriter or Underwriters in an Underwritten Shelf Takedown, in good faith, advises the Company, the Demanding Holders and the Holders requesting piggy back rights pursuant to this Agreement with respect to such Underwritten Shelf Takedown (the "**Requesting Holders**") (if any) in writing that the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other Ordinary Shares or other equity securities that the Company desires to sell and all Ordinary Shares or other equity securities, if any, that have been requested to be sold in such Underwritten Offering pursuant to separate written contractual piggy-back registration rights held by any other shareholders, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in the Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution

method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the “*Maximum Number of Securities*”), then the Company shall include in such Underwritten Offering, before including any Ordinary Shares or other equity securities proposed to be sold by Company or by other holders of Ordinary Shares or other equity securities, the Registrable Securities of the Demanding Holders and the Requesting Holders (if any) (pro rata based on the respective number of Registrable Securities that each Demanding Holder and Requesting Holder (if any) has requested be included in such Underwritten Shelf Takedown and the aggregate number of Registrable Securities that the Demanding Holders and Requesting Holders have requested be included in such Underwritten Shelf Takedown) that can be sold without exceeding the Maximum Number of Securities. To facilitate the allocation of Registrable Securities in accordance with the above provisions, the Company or the Underwriters may round the number of shares allocated to any Holder to the nearest 100 shares. The Company shall not be required to include any Registrable Securities in such Underwritten Shelf Takedown unless the Holders accept the terms of the underwriting as agreed upon between the Company and its Underwriters.

**2.1.6 Withdrawal.** Prior to the filing of the applicable “red herring” prospectus or prospectus supplement used for marketing such Underwritten Shelf Takedown, a majority-in-interest of the Demanding Holders initiating an Underwritten Shelf Takedown shall have the right to withdraw from such Underwritten Shelf Takedown for any or no reason whatsoever upon written notification (a “*Withdrawal Notice*”) to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Shelf Takedown; provided that any Innoviz Equityholder, SPAC Holder, or Other Equityholder may elect to have the Company continue an Underwritten Shelf Takedown if the Minimum Takedown Threshold would still be satisfied by the Registrable Securities proposed to be sold in the Underwritten Shelf Takedown by the Innoviz Equityholders, the SPAC Holders, or the Other Equityholders or any of their respective Permitted Transferees, as applicable. If withdrawn, a demand for an Underwritten Shelf Takedown shall constitute a demand for an Underwritten Shelf Takedown for purposes of Section 2.1.4, unless either (i) the Demanding Holder has not previously withdrawn any Underwritten Shelf Takedown or (ii) the Holder reimburses the Company for all Registration Expenses with respect to such Underwritten Shelf Takedown; provided that, if a Innoviz Equityholder, a SPAC Holder, or an Other Equityholder elects to continue an Underwritten Shelf Takedown pursuant to the proviso in the immediately preceding sentence, such Underwritten Shelf Takedown shall instead count as an Underwritten Shelf Takedown demanded by the Innoviz Equityholders, the SPAC Holders, or the Other Equityholders, as applicable, for purposes of Section 2.1.4. Following the receipt of any Withdrawal Notice, the Company shall promptly forward such Withdrawal Notice to any other Holders that had elected to participate in such Shelf Takedown. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Shelf Takedown prior to its withdrawal under this Section 2.1.6, other than if a Demanding Holder elects to pay such Registration Expenses pursuant to clause (ii) of the second sentence of this Section 2.1.6.

## 2.2 Piggyback Registration.

**2.2.1 Piggyback Rights.** Subject to Section 2.4.3, if the Company or any Holder proposes to conduct a registered offering of, or if the Company proposes to file a Registration Statement under the Securities Act with respect to the Registration of, equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of shareholders of the Company (or by the Company and by the shareholders of the Company including, without limitation, an Underwritten Shelf Takedown pursuant to Section 2.1 hereof), other than a Registration Statement (or any registered offering with respect thereto) (i) filed in connection with any employee stock option or other benefit plan, (ii) pursuant to a Registration Statement on Form F-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), (iii) for an offering of debt that is convertible into equity securities of the Company or, (iv) for a

dividend reinvestment plan or (v) for a rights offering, then the Company shall give written notice of such proposed offering to all of the Holders of Registrable Securities as soon as practicable but not less than ten (10) days before the anticipated filing date of such Registration Statement or, in the case of an Underwritten Offering pursuant to a Shelf Registration, the applicable “red herring” prospectus or prospectus supplement used for marketing such offering, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any, in such offering, and (B) offer to all of the Holders of Registrable Securities the opportunity to include in such registered offering such number of Registrable Securities as such Holders may request in writing within five (5) days after receipt of such written notice (such registered offering, a “**Piggyback Registration**”). Subject to Section 2.2.2, the Company shall, in good faith, cause such Registrable Securities to be included in such Piggyback Registration and, if applicable, shall use its commercially reasonable efforts to cause the managing Underwriter or Underwriters of such Piggyback Registration to permit the Registrable Securities requested by the Holders pursuant to this Section 2.2.1 to be included therein on the same terms and conditions as any similar securities of the Company included in such registered offering and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. The inclusion of any Holder’s Registrable Securities in a Piggyback Registration shall be subject to such Holder’s agreement to enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering.

2.2.2 Reduction of Piggyback Registration. If the managing Underwriter or Underwriters in an Underwritten Offering that is to be a Piggyback Registration, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that the dollar amount or number of Ordinary Shares or other equity securities that the Company desires to sell, taken together with (i) the Ordinary Shares or other equity securities, if any, as to which Registration or a registered offering has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder, (ii) the Registrable Securities as to which registration has been requested pursuant to Section 2.2 hereof, and (iii) the Ordinary Shares or other equity securities, if any, as to which Registration or a registered offering has been requested pursuant to separate written contractual piggy-back registration rights of other shareholders of the Company, exceeds the Maximum Number of Securities, then:

(a) If the Registration or registered offering is undertaken for the Company’s account, the Company shall include in any such Registration or registered offering (A) first, the Ordinary Shares or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to Section 2.2.1, *pro rata*, based on the respective number of Registrable Securities that each Holder has requested be included in such Underwritten Offering and the aggregate number of Registrable Securities that the Holders have requested to be included in such Underwritten Offering, which can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Ordinary Shares or other equity securities, if any, as to which Registration or a registered offering has been requested pursuant to written contractual piggy-back registration rights of other shareholders of the Company, which can be sold without exceeding the Maximum Number of Securities;

(b) If the Registration or registered offering is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration or registered offering (A) first, the Ordinary Shares or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of

Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to Section 2.2.1, *pro rata*, based on the respective number of Registrable Securities that each Holder has requested be included in such Underwritten Offering and the aggregate number of Registrable Securities that the Holders have requested to be included in such Underwritten Offering, which can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Ordinary Shares or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the Ordinary Shares or other equity securities for the account of other persons or entities that the Company is obligated to register pursuant to separate written contractual arrangements with such persons or entities, which can be sold without exceeding the Maximum Number of Securities; and

(c) If the Registration or registered offering is pursuant to a request by Holder(s) of Registrable Securities pursuant to Section 2.1 hereof, then the Company shall include in any such Registration or registered offering securities pursuant to Section 2.1.5.

2.2.3 Piggyback Registration Withdrawal. Any Holder of Registrable Securities (other than a Demanding Holder, whose right to withdrawal from an Underwritten Shelf Takedown, and related obligations, shall be governed by Section 2.1.6) shall have the right to withdraw from a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw from such Piggyback Registration prior to the effectiveness of the Registration Statement filed with the Commission with respect to such Piggyback Registration or, in the case of a Piggyback Registration pursuant to a Shelf Registration, the filing of the applicable “red herring” prospectus or prospectus supplement with respect to such Piggyback Registration used for marketing such transaction. The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration (which, in no circumstance, shall include the Shelf) at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement (other than Section 2.1.6), the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this Section 2.2.3.

2.2.4 Unlimited Piggyback Registration Rights. For purposes of clarity, subject to Section 2.1.6, any Piggyback Registration effected pursuant to Section 2.2 hereof shall not be counted as a demand for an Underwritten Shelf Takedown under Section 2.1.4 hereof.

2.3 Market Stand-off. In connection with any Underwritten Offering of equity securities of the Company (other than a Block Trade), each Holder given an opportunity to participate in the Underwritten Offering pursuant to the terms of this Agreement agrees that it shall not Transfer any Ordinary Shares or other equity securities of the Company (other than those included in such offering pursuant to this Agreement), without the prior written consent of the Company, during the 90-day period beginning on the date of pricing of such offering or such shorter period during which the Company agrees not to conduct an underwritten primary offering of Ordinary Shares or other equity securities, except in the event the Underwriters managing the offering otherwise agree by written consent. Each Holder agrees to execute a customary lock-up agreement in favor of the Underwriters to such effect (in each case on substantially the same terms and conditions as all such Holders).

## 2.4 Block Trades.

2.4.1 Notwithstanding the foregoing, at any time and from time to time when an effective Shelf is on file with the Commission and effective, if a Demanding Holder wishes to engage in an underwritten or other coordinated registered offering not involving a “roadshow,” an offer commonly known as a “block trade” (a “**Block Trade**”), with a total offering price reasonably expected to exceed, in the aggregate, either (x) \$100 million or (y) all remaining Registrable Securities held by the Demanding Holder, then notwithstanding the time periods provided for in Section 2.1.4, such Demanding Holder need only to notify the Company of the Block Trade at least five (5) business days prior to the day such offering is to commence and the Company shall as expeditiously as possible use its commercially reasonable efforts to facilitate such Block Trade; provided that the Demanding Holders representing a majority of the Registrable Securities wishing to engage in the Block Trade shall use commercially reasonable efforts to work with the Company and any Underwriters prior to making such request in order to facilitate preparation of the registration statement, prospectus and other offering documentation related to the Block Trade.

2.4.2 Prior to the filing of the applicable “red herring” prospectus or prospectus supplement used in connection with a Block Trade, a majority-in-interest of the Demanding Holders initiating such Block Trade shall have the right to submit a Withdrawal Notice to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Block Trade. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a block trade prior to its withdrawal under this Section 2.4.2.

2.4.3 Notwithstanding anything to the contrary in this Agreement, Section 2.2 hereof shall not apply to a Block Trade initiated by a Demanding Holder pursuant to this Agreement.

2.4.4 The Demanding Holder in a Block Trade shall have the right to select the Underwriters for such Block Trade (which shall consist of one or more reputable nationally recognized investment banks).

## ARTICLE III COMPANY PROCEDURES

3.1 General Procedures. In connection with any Shelf and/or Shelf Takedown, the Company shall use its commercially reasonable efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended plan of distribution thereof, and pursuant thereto the Company shall, as expeditiously as possible:

3.1.1 prepare and file with the Commission as soon as practicable a Registration Statement with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities have ceased to be Registrable Securities;

3.1.2 prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be reasonably requested by any Holder that holds at least five (5.0%) percent of the Registrable Securities registered on such Registration Statement or any Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by the Company or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus;

3.1.3 prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Holders of Registrable Securities included in such Registration, and such Holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

3.1.4 prior to any public offering of Registrable Securities (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or "*blue sky*" laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request (or provide evidence satisfactory to such Holders that the Registrable Securities are exempt from such registration or qualification) and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be necessary or advisable to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

3.1.5 cause all such Registrable Securities to be listed on each national securities exchange on which similar securities issued by the Company are then listed;

3.1.6 provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

3.1.7 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use its reasonable best efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;

3.1.8 at least five (5) days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus (or such shorter period of time as may be necessary in order to comply with the Securities Act, the Exchange Act, and the rules and regulations promulgated under the Securities Act or Exchange Act, as applicable), furnish a copy thereof to each seller of such Registrable Securities or its counsel (excluding any exhibits thereto and any filing made under the Exchange Act that is to be incorporated by reference therein);

3.1.9 notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 3.4 hereof;

3.1.10 permit a representative of any Holder, the Underwriters, if any, and any attorney or accountant retained by such Holder(s) or Underwriter to participate, at each such person's own expense, in the preparation of the Registration Statement, and cause the Company's officers, directors and employees

to supply all information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with the Registration; provided, however, that such representatives or Underwriters agree to confidentiality arrangements reasonably satisfactory to the Company, prior to the release or disclosure of any such information;

3.1.11 obtain a “comfort” letter from the Company’s independent registered public accountants in the event of an Underwritten Offering or other coordinated offering that is registered pursuant to a Registration Statement, in customary form and covering such matters of the type customarily covered by “comfort” letters as the managing Underwriter or other similar type of sales agent or placement agent may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders;

3.1.12 on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the Holders, the placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the Holders, placement agent, sales agent, or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to a majority-in-interest of the participating Holders;

3.1.13 in the event of any Underwritten Offering or other coordinated offering that is registered pursuant to a Registration Statement, enter into and perform its obligations under an underwriting agreement, sales agreement or placement agreement, in usual and customary form, with the managing Underwriter, sales agent or placement agent of such offering;

3.1.14 make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of the Company’s first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any successor rule then in effect);

3.1.15 if the Registration involves the Registration of Registrable Securities involving gross proceeds in excess of \$50 million with respect to an Underwritten Offering pursuant to Section 2.1.4, use its reasonable efforts to make available senior executives of the Company to participate in customary “road show” presentations that may be reasonably requested by the Underwriter in such Underwritten Offering; and

3.1.16 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, in connection with such Registration.

Notwithstanding the foregoing, the Company shall not be required to provide any documents or information to an Underwriter or other sales agent or placement agent if such Underwriter or other sales agent or placement agent has not then been named with respect to the applicable Underwritten Offering or other coordinated offering that is registered pursuant to a Registration Statement.

3.2 Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters’ or agents’ commissions and discounts, brokerage fees, Underwriter marketing costs and, other than as set forth in the definition of “*Registration Expenses*,” all reasonable fees and expenses of any legal counsel representing the Holders.

3.3 Requirements for Participation in Registration Statement Underwritten Offerings Notwithstanding anything in this Agreement to the contrary, if any Holder does not provide the Company with its requested Holder Information, the Company may exclude such Holder's Registrable Securities from the applicable Registration Statement or Prospectus if the Company determines, based on the advice of counsel, that such information is necessary to effect the registration and such Holder continues thereafter to withhold such information. No person may participate in any Underwritten Offering or other coordinated offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such person (i) agrees to sell such person's securities on the basis provided in any arrangements approved by the Company and (ii) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting or other agreements and other customary documents as may be reasonably required under the terms of such arrangements. The exclusion of a Holder's Registrable Securities as a result of this Section 3.3 shall not affect the registration of the other Registrable Securities to be included in such Registration.

3.4 Suspension of Sales; Adverse Disclosure; Restrictions on Registration Rights.

3.4.1 Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, each of the Holders shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice), or until it is advised in writing by the Company that the use of the Prospectus may be resumed.

3.4.2 If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would (a) require the Company to make an Adverse Disclosure, (b) require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control, or (c) in the good faith judgment of the majority of the Board such Registration, cause serious and irreparable harm to the Company and the majority of the Board concludes as a result that it is essential to defer such filing, initial effectiveness or continued use at such time, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time determined in good faith by the Company to be necessary for such purpose. In the event the Company exercises its rights under this Section 3.4.2, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities.

3.4.3 (a) During the period starting with the date sixty (60) days prior to the Company's good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company-initiated Registration and provided that the Company continues to actively employ, in good faith, all reasonable efforts to maintain the effectiveness of the applicable Shelf Registration Statement, or (b) if, pursuant to Section 2.1.4, Holders have requested an Underwritten Shelf Takedown and the Company and such Holders are unable to obtain the commitment of underwriters to firmly underwrite such offering, the Company may, upon giving prompt written notice of such action to the Holders, delay any other registered offering pursuant to Section 2.1.4 or 2.4.

3.5 Reporting Obligations. As long as any Holder shall own Registrable Securities, the Company, at all times while it shall be a reporting company under the Exchange Act, covenants to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings; provided that any documents publicly filed or furnished with the Commission pursuant to the Electronic

Data Gathering, Analysis and Retrieval System shall be deemed to have been furnished or delivered to the Holders pursuant to this Section 3.5. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule then in effect). Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements.

#### ARTICLE IV INDEMNIFICATION AND CONTRIBUTION

##### 4.1 Indemnification.

4.1.1 The Company agrees to indemnify and hold harmless, to the extent permitted by law, each Holder of Registrable Securities, its officers, directors and agents and each person who controls such Holder (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and out-of-pocket expenses (including without limitation reasonable outside attorneys' fees) arising out of or resulting from any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same are caused by or contained in any information or affidavit so furnished in writing to the Company by such Holder expressly for use therein, or any violation by the Company of the Securities Act or any rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction of the Company in connection therewith.

4.1.2 In connection with any Registration Statement in which a Holder of Registrable Securities is participating, such Holder shall furnish to the Company in writing such information and affidavits with respect to such Holder as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus (the "**Holder Information**") and, to the extent permitted by law, shall indemnify and hold harmless the Company, its directors, officers and agents and each person who controls the Company (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and out-of-pocket expenses (including without limitation reasonable outside attorneys' fees) arising out of or resulting from any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue or alleged untrue statement or omission or alleged omission is contained in any information or affidavit so furnished in writing by such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to indemnification of the Company.

4.1.3 Any person entitled to indemnification herein shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel

reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person of such indemnified party and shall survive the transfer of securities. The Company and each Holder of Registrable Securities participating in an offering also agrees to make such provisions as are reasonably requested by any indemnified party for contribution to such party in the event the Company's or such Holder's indemnification is unavailable for any reason.

4.1.5 If the indemnification provided under Section 4.1 hereof from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and out-of-pocket expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and out-of-pocket expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action; provided, however, that the liability of any Holder under this Section 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or out-of-pocket expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 4.1.5 were determined by *pro rata* allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this Section 4.1.5. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 4.1.5 from any person who was not guilty of such fraudulent misrepresentation.

## 5.2 Assignment; No Third Party Beneficiaries

5.2.1 This Agreement and the rights, duties and obligations of the Company hereunder may not be assigned or delegated by the Company in whole or in part.

5.2.2 A Holder may assign or delegate such Holder's rights, duties or obligations under this Agreement, in whole or in part, to any person to whom it transfers Registrable Securities; provided that such Registrable Securities remain Registrable Securities following such transfer and such person agrees to become bound by the terms and provisions of this Agreement.

5.2.3 No assignment by any party hereto of such party's rights, duties and obligations hereunder shall be binding upon or obligate the Company unless and until the Company shall have received (i) written notice of such assignment as provided in Section 5.1 hereof and (ii) the written agreement of the assignee, in a form reasonably satisfactory to the Company, to be bound by the terms and provisions of this Agreement (which may be accomplished by an addendum or certificate of joinder to this Agreement).

5.2.4 Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns. Any attempted assignment in violation of the terms of this Section 5.2 shall be null and void, *ab initio*.

5.2.5 This Agreement shall not confer any rights or benefits on any persons that are not parties hereto, other than as expressly set forth in this Agreement and Section 5.2 hereof.

5.3 Captions: Counterparts. The headings, subheadings and captions contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement. This Agreement and any amendment hereto may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement or any amendment hereto by electronic means, including docuSign, e-mail, or scanned pages shall be effective as delivery of a manually executed counterpart to this Agreement or any amendment hereto.

5.4 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement, shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of Delaware.

5.5 Jurisdiction: Waiver of Jury Trial

5.5.1 Each of the parties hereto irrevocably and unconditionally submits to the exclusive jurisdiction of the Chancery Court of the State of Delaware (or, if the Chancery Court of the State of Delaware declines to accept jurisdiction, any state or federal court sitting in the Borough of Manhattan, State of New York, New York County), for the purposes of any Proceeding (as defined in the Business Combination Agreement), claim, demand, action or cause of action (a) arising under this Agreement or (b) in any way connected with or related or incidental to the dealings of the parties hereto in respect of this Agreement, and irrevocably and unconditionally waives any objection to the laying of venue of any such Proceeding in any such court, and further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Proceeding has been brought in an inconvenient forum. Each party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Proceeding, claim, demand, action or cause of action against such Party (i) arising under this Agreement or (ii) in any way connected with or related or incidental to the dealings of the parties hereto in respect of this Agreement, (A) any claim that such party is not personally subject to the jurisdiction of the courts as described in this Section 5.5 for any reason, (B) that such party or such party's property is exempt or immune from the jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (C) that (x) the Proceeding, claim, demand, action or cause of action in any such court is brought against such party in an inconvenient forum, (y) the venue of such Proceeding, claim, demand, action or cause of action against such party is improper or (z) this Agreement, or the subject matter hereof, may not be enforced against such party in or by such courts. Each party agrees that service of any process, summons, notice or document by registered mail to such party's respective address set forth in Section 5.5 shall be effective service of process for any such Proceeding, claim, demand, action or cause of action.

5.5.2 THE PARTIES HERETO EACH HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO TRIAL BY JURY OF ANY PROCEEDING, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION (I) ARISING UNDER THIS AGREEMENT OR UNDER ANY ANCILLARY DOCUMENT OR (II) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO IN RESPECT OF THIS AGREEMENT, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY, OR OTHERWISE. THE PARTIES HERETO EACH HEREBY AGREES AND CONSENTS THAT ANY SUCH PROCEEDING, CLAIM, DEMAND, ACTION OR

CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES HERETO MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) EACH SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.5.

5.6 Amendments and Modifications. Upon the written consent of (a) the Company and (b) the Holders of a majority of the total Registrable Securities, compliance with any of the provisions, covenants and conditions set forth in this Agreement may be waived, or any of such provisions, covenants or conditions may be amended or modified; provided, however, that in the event any such waiver, amendment or modification would be adverse in any material respect to the material rights or obligations hereunder of a Holder of at least five (5.0%) percent of the Registrable Securities, the written consent of such Holder will also be required; provided further that in the event any such waiver, amendment or modification would be disproportionate and adverse in any material respect to the material rights or obligations hereunder of a Holder, the written consent of such Holder will also be required. No course of dealing between any Holder or the Company and any other party hereto or any failure or delay on the part of a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party.

5.7 Termination of Existing Registration Rights. The registration rights granted under this Agreement shall supersede any registration, qualification or similar rights of the Holders with respect to any shares or securities of Collective Growth or the Company granted under any other agreement, including, but not limited to, that certain Registration Rights Agreement dated as of May 5, 2020, among Collective Growth and the investors party thereto, and that certain Amended and Restated Investors' Rights Agreement, dated as of October 1, 2020, among the Company, the Founders defined therein and the Investors defined therein, and any of such preexisting registration, qualification or similar rights and such agreements shall be terminated and of no further force and effect.

5.8 Term. This Agreement shall terminate with respect to any Holder on the date that such Holder no longer holds any Registrable Securities. The provisions of Sections 3.5, 5.1, 5.4, and 5.5, and Article IV shall survive any termination.

5.9 Termination if Business Combination Agreement is Terminated. In the event the Business Combination Agreement is terminated in accordance with its terms, this Agreement shall automatically terminate and be of no further force and effect, except for Article IV and Sections 5.1, 5.4, and 5.5, which shall survive such termination.

5.10 Holder Information. Each Holder agrees, if requested in writing, to represent to the Company the total number of Registrable Securities held by such Holder in order for the Company to make determinations hereunder.

## INVESTMENT MANAGEMENT TRUST AGREEMENT

This Agreement is made as of April 30, 2020 by and between Collective Growth Corporation (the “Company”) and Continental Stock Transfer & Trust Company (“Trustee”).

WHEREAS, the Company’s registration statement on Form S-1, No. 333-236798 (“Registration Statement”) for its initial public offering of securities (“IPO”) has been declared effective as of the date hereof (“Effective Date”) by the Securities and Exchange Commission (capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Registration Statement); and

WHEREAS, Cantor Fitzgerald & Co. (the “Representative”) is acting as the representative of the several underwriters in the IPO; and

WHEREAS, as described in the Registration Statement, and in accordance with the Company’s Amended and Restated Certificate of Incorporation, \$150,000,000 (\$172,500,000 if the over-allotment option is exercised in full) of the proceeds from the IPO and a simultaneous private placement of units will be delivered to the Trustee to be deposited and held in a segregated trust account located at all times in the United States (the “Trust Account”) for the benefit of the Company and the holders of the Company’s Class A common stock, par value \$0.0001 per share (“Common Stock”), issued in the IPO as hereinafter provided (the proceeds to be delivered to the Trustee and any interest subsequently earned thereon will be referred to herein as the “Property”; the stockholders for whose benefit the Trustee shall hold the Property will be referred to as the “Public Stockholders,” and the Public Stockholders and the Company will be referred to together as the “Beneficiaries”); and

WHEREAS, a portion of the Property equal to \$5,250,000, or \$6,487,500 if the underwriters’ over-allotment option is exercised in full, is attributable to deferred underwriting discounts and commissions (the “Deferred Discount”) that shall become payable by the Company to the Representative upon the consummation of an initial business combination (as described in the Registration Statement, a “Business Combination”); and

WHEREAS, the Company and the Trustee desire to enter into this Agreement to set forth the terms and conditions pursuant to which the Trustee shall hold the Property;

IT IS AGREED:

1. Agreements and Covenants of Trustee. The Trustee hereby agrees and covenants to:

(a) Hold the Property in trust for the Beneficiaries in accordance with the terms of this Agreement in the Trust Account established by the Trustee in the United States at J.P. Morgan Chase Bank, N.A. (or at another U.S. chartered commercial bank with consolidated assets of \$100 billion or more) in the United States, maintained by Trustee, and at a brokerage institution selected by the Company that is reasonably satisfactory to the Trustee;

(b) Manage, supervise, and administer the Trust Account subject to the terms and conditions set forth herein;

(c) In a timely manner, upon the written instruction of the Company, invest and reinvest the Property in United States “government securities” within the meaning of Section 2(a)(16) of the Investment Company Act of 1940, as amended (the “Investment Company Act”), having a maturity of 180 days or less, and/or in any open ended investment company registered under the Investment Company Act that holds itself out as a money market fund selected by the Company meeting the conditions of paragraph (d) of Rule 2a-7 promulgated under the Investment Company Act, which invest only in direct U.S. government treasury obligations; it being understood that the Trust Account will earn no interest while account funds are uninvested awaiting the Company’s instructions hereunder and the Trustee may earn bank credits or other consideration during such periods;

(d) Collect and receive, when due, all principal and income arising from the Property, which shall become part of the “Property,” as such term is used herein;

(e) Promptly notify the Company and the Representative of all communications received by it with respect to any Property requiring action by the Company;

(f) Supply any necessary information or documents as may be requested by the Company in connection with the Company's preparation of its tax returns;

(g) Participate in any plan or proceeding for protecting or enforcing any right or interest arising from the Property if, as, and when instructed by the Company to do so;

(h) Render to the Company monthly written statements of the activities of and amounts in the Trust Account reflecting all receipts and disbursements of the Trust Account;

(i) Commence liquidation of the Trust Account only after and promptly after receipt of, and only in accordance with, the terms of a letter ("Termination Letter"), in a form substantially similar to that attached hereto as either Exhibit A or Exhibit B, signed on behalf of the Company by its Chief Executive Officer and Chief Financial Officer and, in the case of a Termination Letter in a form substantially similar to that attached hereto as Exhibit A, jointly signed by the Representative, and complete the liquidation of the Trust Account and distribute the Property in the Trust Account, including interest not previously released to the Company to pay its franchise and income taxes (and in the case of a Termination Letter in a form substantially similar to the attached hereto as Exhibit B, less up to \$100,000 of interest that may be released to the Company to pay dissolution expenses), only as directed in the Termination Letter and the other documents referred to therein; provided, however, that in the event that a Termination Letter has not been received by the Trustee within the period of time provided in the Company's Amended and Restated Certificate of Incorporation, as the same may be amended from time to time ("Last Date"), the Trust Account shall be liquidated in accordance with the procedures set forth in the Termination Letter attached as Exhibit B hereto and distributed to the Public Stockholders as of the Last Date. The provisions of this Section 1(i) may not be modified, amended or deleted under any circumstances;

(j) Upon receipt of a letter (an "Amendment Notification Letter") in the form of Exhibit C, signed on behalf of the Company by its Chief Executive Officer or Chief Financial Officer and, distribute to Public Stockholders who exercised their conversion rights in connection with an amendment to Article Sixth of the Company's amended and restated certificate of incorporation (an "Amendment") an amount equal to the pro rata share of the Property relating to the Common Stock for which such Public Stockholders have exercised conversion rights in connection with such Amendment; and

(k) Unless otherwise agreed between the Company and the Representative, ensure that any Instruction Letter (as defined in Exhibit A) delivered in connection with a Termination Letter in the form of Exhibit A expressly provides that the Deferred Discount is paid directly to the account or accounts directed by the Representative prior to or concurrently with any transfer of the funds held in the Trust Account to the Company or any other person.

## 2. Limited Distributions of Income from Trust Account

(a) Upon written request from the Company, which may be given from time to time in a form substantially similar to that attached hereto as Exhibit D, the Trustee shall distribute to the Company the amount of interest income earned on the Trust Account requested by the Company to cover any income or other tax obligation owed by the Company.

(b) The limited distributions referred to in Section 2(a) above shall be made only from income collected on the Property. Except as provided in Section 2(a) above, no other distributions from the Trust Account shall be permitted except in accordance with Sections 1(i) or 1(j) hereof.

(d) The Company shall provide the Representative with a copy of any Termination Letter, Amendment Notification Letter, and/or any other correspondence that it issues to the Trustee with respect to any proposed withdrawal from the Trust Account promptly after such issuance.

3. Agreements and Covenants of the Company. The Company agrees and covenants to:

(a) Give all instructions to the Trustee hereunder in writing, signed by its Chief Executive Officer or Chief Financial Officer of the Company. In addition, except with respect to its duties under Sections 1(i), 1(j) and 2(a) above, the Trustee shall be entitled to rely on, and shall be protected in relying on, any verbal or telephonic advice or instruction which it in good faith and with reasonable care believes to be given by any one of the persons authorized above to give written instructions, provided that the Company shall promptly confirm such instructions in writing;

(b) Subject to the provisions of Section 5 of this Agreement, hold the Trustee harmless and indemnify the Trustee from and against any and all expenses, including reasonable counsel fees and disbursements, or losses suffered by the Trustee in connection with any claim, potential claim, action, suit, or other proceeding brought against the Trustee which in any way arises out of or relates to this Agreement, the services of the Trustee hereunder, or the Property or any income earned from investment of the Property, except for expenses and losses resulting from the Trustee's gross negligence, fraud or willful misconduct. Promptly after the receipt by the Trustee of notice of demand or claim or the commencement of any action, suit, or proceeding, pursuant to which the Trustee intends to seek indemnification under this paragraph, it shall notify the Company in writing of such claim (hereinafter referred to as the "Indemnified Claim"). The Trustee shall have the right to conduct and manage the defense against such Indemnified Claim, provided, that the Trustee shall obtain the consent of the Company with respect to the selection of counsel, which consent shall not be unreasonably withheld. The Trustee may not agree to settle any Indemnified Claim without the prior written consent of the Company, which consent shall not be unreasonably withheld. The Company may participate in such action with its own counsel;

(c) Pay the Trustee an initial acceptance fee, an annual fee, and a transaction processing fee for each disbursement made pursuant to Section 2(a) as set forth on Schedule A hereto, which fees shall be subject to modification by the parties from time to time. It is expressly understood that the Property shall not be used to pay such fees unless such payment is in connection with the consummation of a Business Combination. The Company shall pay the Trustee the initial acceptance fee and first year's fee at the consummation of the IPO and thereafter on the anniversary of the Effective Date;

(d) In connection with any vote of the Company's stockholders regarding a Business Combination, provide to the Trustee an affidavit or certificate of a firm regularly engaged in the business of soliciting proxies and/or tabulating stockholder votes verifying the vote of the Company's stockholders regarding such Business Combination;

(e) In the event that the Company directs the Trustee to commence liquidation of the Trust Account pursuant to Section 1(i), the Company agrees that it will not direct the Trustee to make any payments that are not specifically authorized by this Agreement;

(f) If the Company's stockholders approve an Amendment, provide the Trustee with an Amendment Notification Letter in the form of Exhibit C providing instructions for the distribution of funds to Public Stockholders who exercise their conversion option in connection with such Amendment; and

(g) Within five business days after the Representative, on behalf of the underwriters in the IPO, exercises the over-allotment option (or any unexercised portion thereof) or such over-allotment option expires, provide the Trustee with a notice in writing (with a copy to the Representative) of the total amount of the Deferred Discount, which shall in no event be less than \$5,250,000.

4. Limitations of Liability. The Trustee shall have no responsibility or liability to:

(a) Take any action with respect to the Property, other than as directed in Sections 1 and 2 hereof, and the Trustee shall have no liability to any party except for liability arising out of its own gross negligence, fraud or willful misconduct;

(b) Institute any proceeding for the collection of any principal and income arising from, or institute, appear in, or defend any proceeding of any kind with respect to, any of the Property unless and until it shall have received instructions from the Company given as provided herein to do so and the Company shall have advanced or guaranteed to it funds sufficient to pay any expenses incident thereto;

---

(c) Change the investment of any Property, other than in compliance with Section 1(c);

(d) Refund any depreciation in principal of any Property;

(e) Assume that the authority of any person designated by the Company to give instructions hereunder shall not be continuing unless provided otherwise in such designation, or unless the Company shall have delivered a written revocation of such authority to the Trustee;

(f) The other parties hereto or to anyone else for any action taken or omitted by it, or any action suffered by it to be taken or omitted, in good faith and in the exercise of its own best judgment, except for its gross negligence, fraud or willful misconduct. The Trustee may rely conclusively and shall be protected in acting upon any order, notice, demand, certificate, opinion, or advice of counsel (including counsel chosen by the Trustee), statement, instrument, report, or other paper or document (not only as to its due execution and the validity and effectiveness of its provisions, but also as to the truth and acceptability of any information therein contained) which is believed by the Trustee, in good faith and with reasonable care, to be genuine and to be signed or presented by the proper person or persons. The Trustee shall not be bound by any notice or demand, or any waiver, modification, termination, or rescission of this Agreement or any of the terms hereof, unless evidenced by a written instrument delivered to the Trustee signed by the proper party or parties and, if the duties or rights of the Trustee are affected, unless it shall give its prior written consent thereto;

(g) Verify the correctness of the information set forth in the Registration Statement or to confirm or assure that any business combination consummated by the Company or any other action taken by it is as contemplated by the Registration Statement;

(h) File local, state, and/or federal tax returns or information returns with any taxing authority on behalf of the Trust Account or deliver payee statements to the Company documenting the taxes, if any, payable by the Company or the Trust Account, relating to the income earned on the Property;

(i) Pay any taxes on behalf of the Trust Account (it being expressly understood that the Property shall not be used to pay any such taxes and that such taxes, if any, shall be paid by the Company from funds not held in the Trust Account or released to it under Section 2(a) hereof);

(j) Imply obligations, perform duties, inquire, or otherwise be subject to the provisions of any agreement or document other than this agreement and that which is expressly set forth herein; or

(k) Verify calculations, qualify, or otherwise approve Company requests for distributions pursuant to Sections 1(i), 1 (j) or 2(a) above.

5. Trust Account Waiver. The Trustee has no right of set-off or any right, title, interest or claim of any kind ("Claim") to, or to any monies in, the Trust Account, and hereby irrevocably waives any Claim to, or to any monies in, the Trust Account that it may have now or in the future. In the event the Trustee has any Claim against the Company under this Agreement, including, without limitation, under Section 3(b) or Section 3(c) hereof, the Trustee shall pursue such Claim solely against the Company and its assets outside the Trust Account and not against the Property or any monies in the Trust Account.

6. Termination. This Agreement shall terminate as follows:

(a) If the Trustee gives written notice to the Company that it desires to resign under this Agreement, the Company shall use its reasonable efforts to locate a successor trustee during which time the Trustee shall act in accordance with this Agreement. At such time that the Company notifies the Trustee that a successor trustee has been appointed by the Company and has agreed to become subject to the terms of this Agreement, the Trustee shall transfer the management of the Trust Account to the successor trustee, including but not limited to the transfer of copies of the reports and statements relating to the Trust Account, whereupon this Agreement shall terminate; provided, however, that, in the event that the Company does not locate a successor trustee within ninety (90) days of receipt of the resignation notice from the Trustee, the Trustee may submit an application to have the Property deposited with any court in the State of New York or with the United States District Court for the Southern District of New York and upon such deposit, the Trustee shall be immune from any liability whatsoever; or

(b) At such time that the Trustee has completed the liquidation of the Trust Account in accordance with the provisions of Section 1(i) hereof, and distributed the Property in accordance with the provisions of the Termination Letter, this Agreement shall terminate except with respect to Section 3(b) and Section 5.

(c) If the Offering is not consummated within ten business days of the date of this Agreement, in which case any funds received by the Trustee from the Company or its sponsor, as applicable, shall be returned promptly following the receipt by the Trustee of written instructions from the Company.

#### 7. Miscellaneous.

(a) The Company and the Trustee will each restrict access to confidential information relating to funds being transferred to or from the Trust Account to authorized persons. Each party must notify the other party immediately if it has reason to believe unauthorized persons may have obtained access to such information, or of any change in its authorized personnel. In executing funds transfers, the Trustee will rely upon all information supplied to it by the Company, including account names, account numbers, and all other identifying information relating to a beneficiary, beneficiary's bank, or intermediary bank. Except for any liability arising out of the Trustee's gross negligence or willful misconduct, the Trustee shall not be liable for any loss, liability, or expense resulting from any error in the information supplied to it or funds transferred based on such information.

(b) This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The parties hereto consent to the jurisdiction and venue of any state or federal court located in the City of New York, Borough of Manhattan, for purposes of resolving any disputes hereunder. As to any claim, cross-claim, or counterclaim in any way relating to this Agreement, each party waives the right to trial by jury.

(c) This Agreement may be executed in several original or facsimile counterparts, each one of which shall constitute an original, and together shall constitute but one instrument.

(d) This Agreement contains the entire agreement and understanding of the parties hereto with respect to the subject matter hereof. Except for Sections 1(i) and 1(j) (which sections may not be modified, amended or deleted without the affirmative vote of sixty five percent (65%) of the then outstanding shares of Class A and Class B Common Stock of the Company; provided that no such amendment will affect any Public Stockholder who has otherwise indicated his, her or its election to redeem his, her or its shares of Class A Common Stock in connection with a vote sought to amend this Agreement), this Agreement or any provision hereof may only be changed, amended, or modified by a writing signed by each of the parties hereto; provided, however, that no such change, amendment or modification (including with respect to Exhibit A) may be made without the prior written consent of the Representative. The Trustee may require from Company counsel an opinion as to the propriety of any proposed amendment.

### AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, SPAC, the Company and the Shareholder hereby agree as follows:

1. Agreement to Vote. Subject to the earlier termination of this Agreement in accordance with Section 3, the Shareholder, in its capacity as a shareholder of the Company, irrevocably and unconditionally agrees that it shall, and shall cause any other holder of record of any of the Shareholder’s Covered Shares to, validly execute and deliver to the Company, on (or effective as of) the fifth (5th) day following the date that the notice of the Company Shareholder Meeting (the “Company Shareholder Meeting Notice”) is delivered by the Company, the voting proxy in substantially the form attached hereto as Exhibit A in respect of all of the Shareholder’s Covered Shares. In addition, prior to the Termination Date (as defined herein), the Shareholder, in its capacity as a shareholder of the Company, irrevocably and unconditionally agrees that, at any other meeting of the shareholders of the Company (whether annual or special and whether or not an adjourned or

postponed meeting, however called and including any adjournment or postponement thereof) and in connection with any written consent of shareholders of the Company, the Shareholder shall, and shall cause any other holder of record of any of the Shareholder's Covered Shares to:

(a) if and when such meeting is held, appear at such meeting or otherwise cause the Shareholder's Covered Shares to be counted as present thereat for the purpose of establishing a quorum;

(b) execute and return an action by written consent (or vote, in person or by proxy), or validly execute and return and cause such consent to be granted with respect to (or cause to be voted at such meeting), all of the Shareholder's Covered Shares owned as of the date that any written consent is executed by the Shareholder (or the record date for such meeting) in favor of (i) the Merger and the adoption of the Business Combination Agreement, (ii) the Company Shareholder Proposals, (iii) the Company Preferred Shareholder Proposals, if applicable, and (iv) any other matters necessary or reasonably requested by the Company for consummation of the Merger and the other transactions contemplated by the Business Combination Agreement; and

(c) execute and return an action by written consent (or vote, in person or by proxy), or validly execute and return and cause such consent to be granted with respect to (or cause to be voted at such meeting), all of the Shareholder's Covered Shares against any Company Acquisition Proposal and any other action that would reasonably be expected to materially impede, interfere with, delay, postpone or adversely affect the Merger or any of the other transactions contemplated by the Business Combination Agreement or result in a breach of any covenant, representation or warranty or other obligation or agreement of the Company under the Business Combination Agreement that would result in the failure of any condition set forth in Section 6.1, Section 6.2 or Section 6.3 of the Business Combination Agreement to be satisfied or result in a breach of any covenant, representation or warranty or other obligation or agreement of the Shareholder contained in this Agreement.

(d) The obligations of the Shareholder specified in this Section 1 shall apply whether or not the Merger or any action described above is recommended by the Company Board or the Company Board has effected a Company Change in Recommendation.

(e) The Shareholder hereby irrevocably, to the fullest extent permitted by law, appoints the Company, or any designee of the Company, for so long as the provisions of this Section 1 remain in effect, as the Shareholder's attorney-in-fact and proxy with full power of substitution, to vote and otherwise act (by written consent or otherwise) with respect to the Owned Shares, solely on the matters and in the manner specified in this Section 1. This proxy shall be valid for the duration of this Agreement.

(f) THE PROXIES AND POWERS OF ATTORNEY GRANTED PURSUANT TO SECTION 1(e) ARE IRREVOCABLE AND COUPLED WITH AN INTEREST. The proxies and powers of attorney shall not be terminated by any act of the Shareholder or by operation of law, by lack of appropriate power or authority, or by the occurrence of any other event or events and shall be binding upon all successors, assigns, heirs, beneficiaries and legal representatives of the Shareholder. The Shareholder hereby revokes all other proxies and powers of attorney on the matters specified in this Section 1 with respect to the Owned Shares that the Shareholder may have previously appointed or granted, and no subsequent proxy or power of attorney shall be given or written consent executed (and if given or executed, shall not be effective) by the Shareholder with respect thereto. All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the Shareholder and any obligation of the Shareholder under this Agreement shall be binding upon the heirs, personal representatives, and successors of the Shareholder.

2. No Inconsistent Agreements. The Shareholder hereby covenants and agrees that the Shareholder shall not, at any time prior to the Termination Date, (i) enter into any voting agreement or voting trust with respect to any of the Shareholder's Covered Shares that is inconsistent with the Shareholder's obligations pursuant to this Agreement, (ii) grant a proxy or power of attorney with respect to any of the Shareholder's Covered Shares that is inconsistent with the Shareholder's obligations pursuant to this Agreement, or (iii) enter into any agreement or undertaking that is otherwise inconsistent with, or would interfere with, or prohibit or prevent it from satisfying, its obligations pursuant to this Agreement.

3. Termination. This Agreement shall terminate, and no party shall have any further obligations or liabilities under this Agreement, upon the earliest of (i) the Effective Time, (ii) the termination or expiration of the Business Combination Agreement in accordance with its terms, (iii) the time this Agreement is terminated upon the mutual written agreement of SPAC, the Company and the Shareholder, or (iv) the election of the Shareholder in its sole discretion to terminate this Agreement following any modification or amendment to, or the waiver of any provision of, the Business Combination Agreement, as in effect on the date hereof, that reduces the amount or changes the form of consideration payable to the Shareholder in a manner disproportionate to the Company Shareholders as a whole (the earliest such date under clause (i), (ii), (iii) and (iv) being referred to herein as the "Termination Date"); provided, that the provisions set forth in Sections 10 to 22 below shall survive the termination of this Agreement; provided further, that termination of this Agreement shall not relieve any party hereto from any liability for any Willful Breach of, or actual fraud in connection with, this Agreement prior to such termination.

4. Representations and Warranties of the Shareholder. The Shareholder hereby represents and warrants to SPAC as to itself as follows:

(a) The Shareholder is the only record and beneficial owner (within the meaning of Rule 13d-3 under the Exchange Act) of, and has good, valid and marketable title to, the Covered Shares, free and clear of Liens other than as created by this Agreement and Permitted Liens. As of the date hereof, other than the Owned Shares, the Shareholder does not own beneficially or of record any share capital of the Company (or any securities convertible into share capital of the Company).

(b) The Shareholder (i) except as provided in this Agreement, has full voting power, full power of disposition and full power to issue instructions with respect to the matters set forth herein, in each case, with respect to the Shareholder's Covered Shares, (ii) has not entered into any voting agreement or voting trust with respect to any of the Shareholder's Covered Shares that is inconsistent with the Shareholder's obligations pursuant to this Agreement, (iii) has not granted a proxy or power of attorney with respect to any of the Shareholder's Covered Shares that is inconsistent with the Shareholder's obligations pursuant to this Agreement and (iv) has not entered into any agreement or undertaking that is otherwise inconsistent with, or would interfere with, or prohibit or prevent it from satisfying, its obligations pursuant to this Agreement.

(c) [The Shareholder (i) is a legal entity duly organized, validly existing and, to the extent such concept is applicable, in good standing under the Laws of the jurisdiction of its organization, and (ii) has all requisite corporate or other power and authority and has taken all corporate or other action necessary in order to, execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby.<sup>1</sup>] This Agreement has been duly executed and delivered by the Shareholder and constitutes a valid and binding agreement of the Shareholder enforceable against the Shareholder in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity.

(d) Other than the filings, notices and reports pursuant to, in compliance with or required to be made under the Exchange Act, if any, no filings, notices, reports, consents, registrations, approvals, permits, waivers, expirations of waiting periods or authorizations are required to be obtained by the Shareholder from, or to be given by the Shareholder to, or be made by the Shareholder with, any Governmental Entity in connection with the execution, delivery and performance by the Shareholder of this Agreement, the consummation of the transactions contemplated hereby or the Merger and the other transactions contemplated by the Business Combination Agreement.

(e) The execution, delivery and performance of this Agreement by the Shareholder do not, and the consummation of the transactions contemplated hereby or the Merger and the other transactions contemplated by the Business Combination Agreement will not, constitute or result in [(i) a breach or violation of, or a default under, the limited liability company agreement or similar governing documents of the Shareholder,<sup>2</sup>] (ii) with or without notice, lapse of time or both, a breach or violation of, a termination (or right of termination) of or a default under, the loss of any benefit under, the creation, modification or acceleration of any obligations under or the creation of a Lien on any of the properties, rights or assets of the Shareholder pursuant to any Contract binding upon the Shareholder or, assuming (solely with respect to performance of this Agreement and the transactions contemplated hereby), compliance with the matters referred to in Section 4(d), under any applicable Law to which the Shareholder is subject or (iii) any change in the rights or obligations of any party under any Contract legally binding upon the Shareholder, except, in the case of clause (ii) or (iii) directly above, for any such breach, violation, termination, default, creation, acceleration or change that would not, individually or in the aggregate, reasonably be expected to prevent or materially delay or impair the Shareholder's ability to perform its obligations hereunder or to consummate the transactions contemplated hereby, the consummation of the Merger or the other transactions contemplated by the Business Combination Agreement.

(f) As of the date of this Agreement, there is no action, proceeding or investigation pending against the Shareholder or, to the knowledge of the Shareholder, threatened against the Shareholder that questions the beneficial or record ownership of the Shareholder's Owned Shares, the validity of this Agreement or the performance by the Shareholder of its obligations under this Agreement.

<sup>1</sup> **NTD:** To be included if the Shareholder is an entity.  
<sup>2</sup> **NTD:** To be included if the Shareholder is an entity.

(g) The Shareholder understands and acknowledges that SPAC is entering into the Business Combination Agreement in reliance upon the Shareholder's execution and delivery of this Agreement and the representations, warranties, covenants and other agreements of the Shareholder contained herein.

(h) No investment banker, broker, finder or other intermediary is entitled to any broker's, finder's, financial advisor's or other similar fee or commission for which SPAC or the Company is or will be liable in connection with the transactions contemplated hereby based upon arrangements made by or, to the knowledge of the Shareholder, on behalf of the Shareholder.

5. Certain Covenants of the Shareholder. Except in accordance with the terms of this Agreement, the Shareholder hereby covenants and agrees as follows:

(a) No Solicitation. Subject to Section 6 hereof, prior to the Termination Date, the Shareholder shall not, and shall cause its Affiliates and Subsidiaries not to, shall not authorize its Representatives to, and shall use its reasonable best efforts to cause its and their respective Representatives not to, directly or indirectly, (i) solicit, initiate, knowingly encourage (including by means of furnishing or disclosing information), knowingly facilitate, discuss or negotiate, directly or indirectly, any inquiry, proposal or offer (written or oral) that constitutes, or may reasonably be expected to lead to, a Company Acquisition Proposal; (ii) furnish or disclose any non-public information about the Company to any Person in connection with, or that could reasonably be expected to lead to, a Company Acquisition Proposal (except that the Shareholder shall be permitted to disclose non-public information about the Company to its limited partners, members, or shareholders for the limited purpose of securing the corporate or other power and authority to execute and perform this Agreement, provided the Shareholder takes reasonable efforts to cause such Persons to comply with this Section 5(a)); (iii) enter into any Contract or other arrangement or understanding regarding a Company Acquisition Proposal; or (iv) otherwise cooperate in any way with, or assist or participate in, or knowingly facilitate or encourage any effort or attempt by any Person to do or seek to do any of the foregoing. The Shareholder shall (A) notify SPAC promptly upon receipt of any Company Acquisition Proposal by the Shareholder, and describe the material terms and conditions of any such Company Acquisition Proposal in reasonable detail (including the identity of the Persons making such Company Acquisition Proposal) and (B) keep SPAC reasonably informed on a current basis of any modifications to such offer or information.

Notwithstanding anything in this Agreement to the contrary, (i) the Shareholder shall not be responsible for the actions of the Company or the Company Board (or any committee thereof), any Subsidiary of the Company, or any officers, directors (in their capacity as such), employees and professional advisors of any of the foregoing (the "Company Related Parties"), including with respect to any of the matters contemplated by this Section 5(a), (ii) the Shareholder makes no representations or warranties with respect to the actions of any of the Company Related Parties and (iii) any breach by the Company of its obligations under Section 5.6(a) of the Business Combination Agreement shall not be considered a breach of this Section 5(a) (it being understood for the avoidance of doubt that the Shareholder shall remain responsible for any breach by it or its Representatives (other than any such Representative that is a Company Related Party) of this Section 5(a)).

(b) The Shareholder hereby agrees not to, directly or indirectly, prior to the Termination Date, except in connection with the consummation of the Merger, (i) sell, transfer, pledge, encumber, assign, hedge, swap, convert or otherwise dispose of (including by merger (including by conversion into securities or other consideration), by tendering into any tender or exchange offer, by testamentary disposition, by operation of Law or otherwise), either voluntarily or involuntarily (collectively, "Transfer"), or enter into any Contract or option with respect to the Transfer of any of the Shareholder's Covered Shares, or (ii) take any action that would make any representation or warranty of the Shareholder contained herein untrue or incorrect or have the effect of preventing or disabling the Shareholder from performing its obligations under this Agreement; provided, however, that nothing herein shall prohibit a Transfer to an Affiliate of the Shareholder (a "Permitted Transfer"); provided, further, that any Permitted Transfer shall be permitted only if, as a precondition to such Transfer, the transferee agrees in a writing, reasonably satisfactory in form and substance to SPAC, to assume all of the obligations of the Shareholder under, and be bound by all of the terms of, this Agreement; provided, further, that any Transfer permitted under this Section 5(b) shall not relieve the Shareholder of its obligations under this Agreement. Any Transfer in violation of this Section 5(b) with respect to the Shareholder's Covered Shares shall be null and void. Nothing in this Agreement shall prohibit direct or indirect transfers of equity or other interests in a Shareholder.

(c) The Shareholder hereby authorizes the Company to maintain a copy of this Agreement at either the executive office or the registered office of the Company.

6. Further Assurances. From time to time, at SPAC's request and without further consideration, the Shareholder shall execute and deliver such additional documents and take all such further action as may be reasonably necessary to effect the actions and consummate the transactions contemplated by this Agreement. The Shareholder further agrees not to commence or participate in, and to take all actions necessary to opt out of any class action with respect to, any action or claim, derivative or otherwise, against SPAC, SPAC's Affiliates, the Sponsors, the Company or any of their respective successors and assigns relating to the negotiation, execution or delivery of this Agreement, the Business Combination Agreement (including the Per Share Consideration and conversion of Company Preferred Shares) or the consummation of the transactions contemplated hereby and thereby.

7. Disclosure. The Shareholder hereby authorizes the Company and SPAC to publish and disclose in any announcement or disclosure required by the SEC, or include in any document or information required to be filed with or furnished to the SEC or Nasdaq, the Shareholder's identity and ownership of the Covered Shares and the nature of the Shareholder's obligations under this Agreement; provided, that prior to any such publication or disclosure, the Company and SPAC have provided the Shareholder with an opportunity to review and comment upon such announcement or disclosure, which comments the Company and SPAC will consider in good faith.

8. Changes in Share Capital. In the event of a share split, share dividend or distribution, or any change in the Company's share capital by reason of any split-up, reverse share split, recapitalization, combination, reclassification, exchange of shares or the like, the terms "Owned Shares" and "Covered Shares" shall be deemed to refer to and include such shares as well as all such share dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

9. Amendment and Modification. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing signed by SPAC, the Company and the Shareholder.

10. Waiver. Any party to this Agreement may, at any time prior to the Termination Date, waive any of the terms or conditions of this Agreement, or agree to an amendment or modification to this Agreement in the manner contemplated by Section 9 and by an agreement in writing executed in the same manner (but not necessarily by the same Persons) as this Agreement.

11. Notices. All notices, requests, claims, demands and other communications among the parties shall be in writing and shall be deemed to have been duly given (i) when delivered in person, (ii) when delivered after posting in the United States mail having been sent registered or certified mail return receipt requested, postage prepaid, (iii) when delivered by FedEx or other nationally recognized overnight delivery service or (iv) when e-mailed during normal business hours (and otherwise as of the immediately following Business Day), addressed as follows:

12. No Ownership Interest. Nothing contained in this Agreement shall be deemed to vest in SPAC any direct or indirect ownership or incidence of ownership of or with respect to the Covered Shares of the Shareholder. All rights, ownership and economic benefits of and relating to the Covered Shares of the Shareholder shall remain vested in and belong to the Shareholder, and SPAC shall have no authority to manage, direct, restrict, regulate, govern or administer any of the policies or operations of Company or exercise any power or authority to direct the Shareholder in the voting or disposition of any of the Shareholder's Covered Shares, except as otherwise provided herein.

13. Entire Agreement. This Agreement and the Business Combination Agreement constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersede all other prior agreements and understandings, both written and oral, among the parties hereto with respect to the subject matter hereof. No representations, warranties, covenants, understandings, agreements, oral or otherwise, with respect to the subject matter contemplated by this Agreement exist between the parties hereto except as expressly set forth or referenced in this Agreement and the Business Combination Agreement. In the event of any inconsistency, conflict, or ambiguity as to the rights and obligations of the parties hereto under this Agreement and the Business Combination Agreement, the terms of this Agreement shall control and supersede any such inconsistency, conflict or ambiguity.

14. No Third-Party Beneficiaries. The Shareholder hereby agrees that its representations, warranties and covenants set forth herein are solely for the benefit of SPAC in accordance with and subject to the terms of this Agreement, and this Agreement is not intended to, and does not, confer upon any Person other than the parties hereto any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein, and the parties hereto hereby further

agree that this Agreement may only be enforced against, and any Proceeding that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement may only be made against, the Persons expressly named as parties hereto; provided, that the Company shall be an express third party beneficiary with respect to Section 4, Section 5(b) and Section 7 hereof.

15. Governing Law and Venue; Service of Process; Waiver of Jury Trial

(a) This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement, shall be governed by and construed in accordance with the Laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Law of any jurisdiction other than the State of Delaware.

(b) Each of the parties irrevocably and unconditionally submits to the exclusive jurisdiction of the Chancery Court of the State of Delaware (or, if the Chancery Court of the State of Delaware declines to accept jurisdiction, any state or federal court sitting in the Borough of Manhattan, State of New York, New York County), for the purposes of any Proceeding, claim, demand, action or cause of action (a) arising under this Agreement or (b) in any way connected with or related or incidental to the dealings of the parties in respect of this Agreement or any of the transactions contemplated hereby, and irrevocably and unconditionally waives any objection to the laying of venue of any such Proceeding in any such court, and further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Proceeding has been brought in an inconvenient forum. Each party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Proceeding claim, demand, action or cause of action against such party (i) arising under this Agreement or (ii) in any way connected with or related or incidental to the dealings of the parties in respect of this Agreement or any of the transactions contemplated hereby, (A) any claim that such party is not personally subject to the jurisdiction of the courts as described in this Section 15 for any reason, (B) that such party or such party's property is exempt or immune from the jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (C) that (x) the Proceeding, claim, demand, action or cause of action in any such court is brought against such party in an inconvenient forum, (y) the venue of such Proceeding, claim, demand, action or cause of action against such party is improper or (z) this Agreement, or the subject matter hereof, may not be enforced against such party in or by such courts. Each party agrees that service of any process, summons, notice or document by registered mail to such party's respective address set forth in Section 11 shall be effective service of process for any such Proceeding, claim, demand, action or cause of action.

16. Assignment; Successors. No party hereto shall assign this Agreement or any part hereof without the prior written consent of the other parties. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns. Any attempted assignment in violation of the terms of this Section 16 shall be null and void, *ab initio*.

17. Non-Recourse. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby may only be brought against, the entities that are expressly named as parties hereto, and then only with respect to the specific obligations set forth herein with respect to such party. Except to the extent a named party to this Agreement (and then only to the extent of the specific obligations undertaken by such named party in this Agreement), (a) no past, present or future director, officer, employee, incorporator, member, partner, shareholder, affiliate, agent, attorney, advisor or representative or affiliate of any named party to this Agreement and (b) no past, present or future director, officer, employee, incorporator, member, partner, shareholder, affiliate, agent, attorney, advisor or representative or affiliate of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of any one or more of SPAC, the Company or the Shareholder under this Agreement or for any claim based on, arising out of, or related to this Agreement or the transactions contemplated hereby.

18. Enforcement. The parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. The parties acknowledge and agree that (a) the parties shall be entitled to an injunction, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, including the Shareholder's obligations to vote its Covered Shares as provided in this Agreement, without proof of damages, prior to the valid termination of this Agreement, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific enforcement is an integral part of the transactions contemplated by this Agreement and without that right, none of the parties would have entered into this Agreement. Each party agrees that it will not oppose the granting of specific performance and other equitable relief on the basis that the other parties have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The parties acknowledge and agree that any party seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 18 shall not be required to provide any bond or other security in connection with any such injunction.

19. Severability. Whenever possible, each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable Law, but if any term or other provision of this Agreement is held to be invalid, illegal or unenforceable under applicable Law, all other provisions of this Agreement shall remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision of this Agreement is invalid, illegal or unenforceable under applicable Law, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

20. Counterparts. This Agreement and any amendment hereto may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement or any amendment hereto by electronic means, including docusign, e-mail, or scanned pages shall be effective as delivery of a manually executed counterpart to this Agreement or any amendment hereto.

## PUT OPTION AGREEMENT

This Put Option Agreement (this "**Agreement**") is made and entered as of December 10, 2020 by and between Innoviz Technologies Ltd., a company organized under the laws of the State of Israel (the "**Company**") and Antara Capital LP, a Delaware limited partnership, on behalf of the funds it manages and/or its designees ("**Antara**" and, together with the Company, the "**Parties**").

**WITNESSETH:**

**WHEREAS**, the Parties have entered into that certain letter agreement (the "**Innoviz Agreement**"), dated as of October 7, 2020, by and among the Company, Perception Capital Corp., a Delaware corporation, Antara and Collective Growth Corporation, a Delaware corporation, as amended and supplemented by that certain letter agreement among such parties dated as of November 22, 2020 (the "**Letter Agreement**");

**WHEREAS**, in order to enable the transactions contemplated by the BCA (as defined below) and to induce investors other than Antara to participate in the PIPE Financing, the Parties have agreed as of November 27, 2020 (the "**Effective Date**") to implement the backstop commitment contemplated in Section 2 of the Letter Agreement pursuant to a put option arrangement which would provide, among other things, that, notwithstanding the Letter Agreement, Antara's total investment in the Company in connection with the exercise of such put option, excluding, for the avoidance of doubt, the aggregate equity value ascribed to the Antara Ordinary Shares (defined below) and the Antara Warrants (defined below), shall be no greater than \$150 million and no less than \$70 million (the "**Investment Parameters**"); and

**WHEREAS**, the Parties wish to enter into this Agreement to memorialize such put option arrangement agreed in principle in the initial stages of negotiation of the transactions contemplated by the BCA and to set forth certain of their respective rights and obligations in furtherance thereof.

**NOW, THEREFORE**, for and in consideration of the premises, agreements and covenants hereinafter set forth and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties agree as set forth below.

1. **Business Combination Agreement.** A copy of the Business Combination Agreement, dated as of December 10, 2020, by and among Collective Growth Corporation, a Delaware corporation, Hatzata Merger Sub, Inc., a Delaware corporation, and the Company (the "**BCA**"), is attached hereto as **Exhibit A**. All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the BCA.

2. **Grant of Put Option.**

(a) **Right to Sell.** Subject to the terms and conditions of this Agreement, at any one time from and after the Effective Date and up to and until the Closing Press Release is released pursuant to the BCA (the "**Put Exercise Period**"), the Company shall purchase a put option right (the "**Option**" or "**Asset**"), according to which the Company will have the right but not the obligation, to cause Antara to purchase a number of newly-issued Company Ordinary Shares at the Put Shares Purchase Price (defined below); *provided,*

however, that the aggregate equity value ascribed to such Company Ordinary Shares purchased by Antara shall be within the Investment Parameters. For the avoidance of doubt, the Company shall have the right to exercise the Option only one time; in the event the Company exercises the Option to cause Antara to purchase Company Ordinary Shares, the aggregate equity value ascribed to which is less than \$150 million, it will be deemed to have waived its right with respect to any unutilized amount within the Investment Parameters and shall not have the right to subsequently exercise the Option to cause Antara to purchase any additional Company Ordinary Shares.

(b) Procedures.

(i) If the Company desires to exercise the Option and sell Company Ordinary Shares at the Put Shares Purchase Price to Antara pursuant to Section 2(a) above, the Company shall deliver to Antara within the Put Exercise Period a written, unconditional and irrevocable notice in the form attached hereto at Exhibit B (the “*Put Exercise Notice*”) exercising the Option and specifying the number of Company Ordinary Shares to be sold at the Put Shares Purchase Price (the “*Put Option Shares*”), the Put Shares Purchase Price and the aggregate equity value ascribed to such Company Ordinary Shares, together with the Put Shares Subscription Agreement (defined below).

(ii) By delivering the Put Exercise Notice, the Company represents and warrants to Antara that: (A) the Company has the requisite power and authority and has taken all necessary action to issue and sell the Put Option Shares as contemplated by this Section 2; (B) each of the Company Fundamental Representations and the representations and warranties set forth in Section 3.23 of the BCA is true and correct (without giving effect to any limitation as to “materiality” or “Company Material Adverse Effect” or any similar limitation set forth therein) in all material respects (or, solely in the case of the representations and warranties set forth in Section 3.2(a) of the BCA, true and correct in all respects except for *de minimis* inaccuracies) as of the date on which the Company exercises the Option and Antara executes and delivers the Put Shares Subscription Agreement (defined below), as though made on and as of such date (except to the extent that any such representation and warranty is made in the BCA as of an earlier date (other than the Closing Date), in which case such representation and warranty shall be true and correct in all material respects as of such earlier date or, solely in the case of the representations and warranties set forth in Section 3.2(a) of the BCA, true and correct in all respects except for *de minimis* inaccuracies as of such earlier date); and (C) each of the Put Option Shares will be upon issuance and delivery to Antara free and clear of any and all Liens other than transfer restrictions under applicable securities Laws.

(c) Consummation of Issuance and Sale.

(i) The closing of the issuance and sale of Put Option Shares pursuant to the Option shall take place on such date and at such time (the “**Exercise Closing Date**”) and in such manner, including with respect to the payment of the Put Shares Purchase Price, as is set forth in one or more definitive, binding and enforceable Subscription Agreements, substantially in the form of Subscription Agreement attached hereto as **Exhibit C** (collectively, the “**Put Shares Subscription Agreement**”), to be executed and delivered by the Parties.

(ii) Antara’s obligation to close the purchase of the Put Option Shares pursuant to the Option shall be subject Antara’s satisfaction, in Antara’s reasonable determination, that the transactions contemplated by the BCA have been consummated or will be consummated substantially concurrently with the Closing; and

(iii) Without limiting the generality of Section 2(c)(i) above, (A) Antara shall pay the Company the aggregate purchase price for the Put Option Shares set forth in the Put Shares Subscription Agreement, which shall be calculated on a \$10.00 per Put Share basis (which assumes that the Company has effected a reverse stock split prior to the Effective Time in order to cause the Company Share Value to equal \$10.00) unless otherwise agreed by Antara (the “**Put Shares Purchase Price**”), at such time and in such manner as provided in Section 3 of the Put Shares Subscription Agreement, and (B) the Company shall deliver to Antara newly-issued certificates representing the Put Option Shares, which such shares will bear restrictive legends and stop transfer instructions as set forth in the Put Shares Subscription Agreement, free and clear of any and all Liens other than transfer restrictions under applicable securities Laws.

(d) No Other Representations and Warranties. Other than as provided for in Section 2(b)(ii) above and Section 4 below, the Company does not make any representation or warranty hereunder, express or implied, with respect to the Put Option Shares or the transactions contemplated hereby.

(e) Commercially Reasonable Efforts; Transaction Documents. Each of the Parties shall use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or advisable to consummate and make effective as promptly as practicable the transactions contemplated hereby, including, without limitation, the satisfaction, but not waiver, of the conditions set forth in Section 2(c)(ii) above, and to execute and/or deliver this Agreement, the Put Exercise Notice, the Put Share Subscription Agreement, the Put Option Shares, the Antara Ordinary Shares and the Antara Warrants (collectively, the “**Transaction Documents**”), including, without limitation, by delivering all notices, making all filings and seeking and using reasonable best efforts to obtain all consents and approvals reasonably required in connection therewith, if any. Each of the Transaction Documents shall be in form and substance reasonably satisfactory to Antara.

3. Consideration for Purchased Asset. In consideration for the Option, as agreed between the parties at fair market value, the Company shall issue and deliver to Antara Capital Master Fund LP, a fund managed by Antara Capital LP, free and clear of any and all Liens other than transfer restrictions under applicable securities Laws and without reduction, deduction, set-off, claim or withholding:

(a) Upon the consummation of the PIPE Financing, such number of Company Ordinary Shares equal to (i) 3,559,294 Company Ordinary Shares if the Initial Transaction Proceeds are equal to or greater than \$150,000,000, or (ii) a number of Company Ordinary Shares equal to the difference of (A) 3,559,294 and (B) the product of (x) 0.5556 and (y) the Perception Earnout Calculation if the Initial Transaction Proceeds are less than \$150,000,000, as applicable.

(b) Concurrently with the issuance of the Perception Earnout Shares, if any, pursuant to Section 2.3(a) of the BCA, such number of Company Ordinary Shares equal to (i) 370,167 Company Ordinary Shares if the Initial Transaction Proceeds are equal to or greater than \$150,000,000, or (ii) a number of Company Ordinary Shares equal to the difference of (A) 370,167 and (B) the product of (x) 0.577 and (y) the Perception Earnout Calculation if the Initial Transaction Proceeds are less than \$150,000,000, as applicable (such Company Ordinary Shares, if any, together with the Company Ordinary Shares issuable to Antara pursuant to clause (a) above, the “*Antara Ordinary Shares*”).

(c) Upon the consummation of the PIPE Financing, 4,310,736 Company Warrants (the “*Antara Warrants*”). The Company acknowledges that the terms of the Antara Warrants will include (among others) that such Company Warrants may be exercised for cash or on a cashless basis at the holder’s option, in either case as long as they are held by the initial purchasers or their permitted transferees (as prescribed in Section 5.6 of that certain Warrant Agreement, dated as of April 30, 2020, and filed with the United States Securities and Exchange Commission on May 5, 2020, as amended by that certain Amendment to the Company Warrant Agreement, substantially in the form set forth on Exhibit G to the BCA, to entered into at the Closing and to be effective upon the Closing).

(d) The Company acknowledges that the Equity Securities of the Company issued or issuable to Antara Capital Master Fund LP pursuant to this Section 3 are subject to registration rights pursuant to the Registration Rights Agreement.

(e) Antara acknowledges that the Equity Securities of the Company issued or issuable to Antara Capital Master Fund LP pursuant to this Section 3 (and not, for the avoidance of doubt, the Equity Securities of the Company issued or issuable to Antara pursuant to Section 2 above) are subject to confidentiality and lockup restrictions pursuant to the Lockup Agreement.

(f) Antara Capital Master Fund LP is a Cayman Islands exempted limited partnership. Its EIN is 98-1426769 and its business and mailing address is 500 Fifth Avenue, Suite 2320, New York, NY 10110, Attn: Lance Kravitz, Telephone No.: +1 (646) 762-8591.

(g) The number of Antara Ordinary Shares and Antara Warrants that may be issued to Antara pursuant to this Section 3 and other dependent items shall be adjusted appropriately to reflect the effect of any stock split, reverse stock split, including a reverse stock split prior to the Effective Time in order to cause the Company Share Value to equal \$10.00, stock dividend, reorganization, recapitalization, reclassification, combination,

exchange of shares or other like change with respect to the number of Company Ordinary Shares or Company Preferred Shares outstanding after the date hereof and prior to the Effective Time, so as to provide Antara with the same economic effect as contemplated by this Agreement prior to such event and as so adjusted shall, from and after the date of such event, be the number of Antara Ordinary Shares and Antara Warrants that may be issued to Antara pursuant to this Section 3; provided, that the Parties agree that the conversion of each Company Preferred Share into one Company Ordinary Share pursuant to Section 2.1(g) of the BCA shall not require, or result in, any adjustments pursuant to this Section 3(g).

4. Representations and Warranties. Each Party represents and warrants to the other Party as follows:

(a) Such Party has the power, authority and legal right to carry on the business now being conducted by it and to enter into this Agreement and to perform its obligations hereunder.

(b) This Agreement has been duly and validly authorized, executed and delivered by such Party and is a valid and binding agreement of such Party (assuming that this Agreement has been duly and validly authorized, executed and delivered by the other Party) enforceable against it in accordance with its terms subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other Laws affecting generally the enforcement of creditors' rights and subject to general principles of equity.

(c) The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by all requisite company action.

(d) Neither the execution and delivery of this Agreement nor the consummation of any of the transactions contemplated hereby will violate or contravene any Law to which such Party is subject, except as would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole.

5. Withholding. The Company will indemnify Antara for any tax claim by the Israeli tax authorities with respect to any Equity Securities of the Company issued or issuable to Antara pursuant to this Agreement. Antara shall cooperate with the Company in good faith and provide reasonable assistance with respect to meeting any necessary tax reporting or other tax compliance requirements in connection with this Agreement, including any reasonable and necessary actions to reduce, mitigate or eliminate any deduction or withholding of any taxes if applicable to any consideration, whether in cash or otherwise, provided to Antara under this Agreement in consideration for the Option.

This Agreement, together with the other Transaction Documents, constitute the sole and entire agreement of the Parties with respect to the backstop commitment contemplated in Section 2 of the Letter Agreement and the other subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such backstop commitment and subject matter. For the avoidance of doubt and notwithstanding anything to the contrary herein, in the event that any term, condition, covenant, agreement or provision in this Agreement conflicts with any term, condition, covenant, agreement or provision in the Innoviz Agreement and/or the Letter Agreement that is intended to specifically address any of the subject matter herein, then the term, condition, covenant, agreement or provision of this Agreement shall govern and control solely to the extent of such conflict.

8. Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and permitted assigns. No Party may assign or transfer any of its rights or obligations hereunder to any other Person, without the prior written consent of the other Party. Any attempted transfer or assignment in violation of this Section 8 shall be void *ab initio*.

9. No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, under or by reason of this Agreement.

10. Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

11. Amendment and Modification: Waiver. This Agreement may only be amended, modified or supplemented by an agreement in writing signed by each Party. No waiver by any Party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

12. Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

13. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Agreement (including any of the closing deliverables contemplated hereby) by electronic means, including DocuSign, e-mail, or scanned pages shall be effective as delivery of a manually executed counterpart to this Agreement.

THIS AGREEMENT, AND ALL CLAIMS OR CAUSES OF ACTION BASED UPON, ARISING OUT OF, OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY, SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE APPLICATION OF THE LAW OF ANY JURISDICTION OTHER THAN THE STATE OF DELAWARE.

15. Venue. Each of the Parties irrevocably and unconditionally submits to the exclusive jurisdiction of the Chancery Court of the State of Delaware (or, if the Chancery Court of the State of Delaware declines to accept jurisdiction, any state or federal court sitting in the Borough of Manhattan, State of New York, New York County), for the purposes of any Proceeding, claim, demand, action or cause of action (a) arising under this Agreement or (b) in any way connected with or related or incidental to the dealings of the Parties in respect of this Agreement or any of the Transactions, and irrevocably and unconditionally waives any objection to the laying of venue of any such Proceeding in any such court, and further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Proceeding has been brought in an inconvenient forum. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Proceeding claim, demand, action or cause of action against such Party (i) arising under this Agreement or (ii) in any way connected with or related or incidental to the dealings of the Parties in respect of this Agreement, (A) any claim that such Party is not personally subject to the jurisdiction of the courts as described in this Section 15 for any reason, (B) that such Party or such Party's property is exempt or immune from the jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (C) that (x) the Proceeding, claim, demand, action or cause of action in any such court is brought against such Party in an inconvenient forum, (y) the venue of such Proceeding, claim, demand, action or cause of action against such Party is improper or (z) this Agreement, or the subject matter hereof, may not be enforced against such Party in or by such courts. Each Party agrees that service of any process, summons, notice or document by registered mail to such party's respective address set forth in Section 15 shall be effective service of process for any such Proceeding, claim, demand, action or cause of action.

16. WAIVER OF JURY TRIAL. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 16.

---

17. No Strict Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the Parties, and no presumption or burden of proof will arise favoring or disfavoring either Party by virtue of the authorship of any of the provisions of this Agreement.

(1) in the case of each transfer or distribution pursuant to clauses (ii) through (vii) above, (a) each donee, trustee, distributee or transferee, as the case may be, agrees to be bound in writing by the restrictions set forth in this Section 3.1; and (b) any such transfer or distribution shall not involve a disposition for value, other than with respect to any such transfer or distribution for which the transferor or distributor receives (x) equity interests of such transferee or (y) such transferee’s interests in the transferor;

(2) in the case of each transfer or distribution pursuant to clauses (ii) through (vii) above, if any public reports or filings (including filings under Section 16(a) of the Exchange Act) reporting a reduction in beneficial ownership of shares shall be required or shall be voluntarily made during the Lock-Up Period (x) such Shareholder Party shall provide the Company prior written notice informing them of such report or filing and (y) such report or filing shall disclose that such donee, trustee, distributee or transferee, as the case may be, agrees to be bound in writing by the restrictions set forth herein; and

(3) for purposes of clause (x) above, “**Change of Control**” shall mean the transfer to or acquisition by (whether by tender offer, merger, consolidation, division or other similar transaction), in one transaction or a series of related transactions, a Person or group of Affiliated Persons (other than an underwriter pursuant to an offering), of the Company’s voting securities if, after such transfer or acquisition, such Person or group of Affiliated Persons would Beneficially Own more than 50% of the outstanding voting securities of the Company (or the surviving entity).

(c) Each Shareholder Party shall be permitted to enter into a trading plan established in accordance with Rule 10b5-1 under the Exchange Act during the applicable Lock-Up Period so long as no transfers or other dispositions of such Shareholder Party’s shares in contravention of Section 3.1 are effected prior to the expiration of the applicable Lock-Up Period.

(d) Each Shareholder Party also agrees and consents to the entry of stop transfer instructions with the Company’s transfer agent and registrar against the transfer of the covered shares except in compliance with the foregoing restrictions and to the addition of a legend to such Shareholder Party’s shares describing the foregoing restrictions.

4.3 **Amendment; Waiver.** (a) The terms and provisions of this Agreement may be amended or modified in whole or in part only by a duly authorized agreement in writing executed by the Company and Shareholder Parties holding a majority of the shares then held by the Shareholder Parties in the aggregate as to which this Agreement has not been terminated pursuant to Section 4.1. Prior to the consummation of the Merger, this Agreement may not be amended without the prior written consent of the Company.

(b) Except as expressly set forth in this Agreement, neither the failure nor delay on the part of any party hereto to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy power or privilege preclude any other or further exercise of the same or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence.

4.4 **Further Assurances.** The parties hereto will sign such further documents, cause such meetings to be held, resolutions passed, exercise their votes and do and perform and cause to be done such further acts and things necessary, proper or advisable in order to give full effect to this Agreement and every provision hereof. To the fullest extent permitted by Law, the Company shall not directly or indirectly take any action that is intended to, or would reasonably be expected to result in, the Shareholder Parties being deprived of the rights contemplated by this Agreement.

4.5 **Assignment.** No party shall assign, delegate, or otherwise transfer this Agreement or any part hereof without the prior written consent of the other parties hereto. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns. Any attempted assignment in violation of the terms of this Section 4.5 shall be null and void, *ab initio*.

4.6 **Third Parties.** Except as provided for in Article II, Article III and Article IV with respect to any Non-Recourse Party, nothing expressed or implied in this Agreement is intended or shall be construed to confer upon or give any Person, other than the parties hereto, any right or remedies under or by reason of this Agreement.

4.7 **Governing Law.** This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement, shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of Delaware.

---

#### **4.8 Jurisdiction: Waiver of Jury Trial**

(a) Each of the parties hereto irrevocably and unconditionally submits to the exclusive jurisdiction of the Chancery Court of the State of Delaware (or, if the Chancery Court of the State of Delaware declines to accept jurisdiction, any state or federal court sitting in the Borough of Manhattan, State of New York, New York County), for the purposes of any Proceeding (as defined in the Business Combination Agreement), claim, demand, action or cause of action (a) arising under this Agreement or (b) in any way connected with or related or incidental to the dealings of the parties hereto in respect of this Agreement, and irrevocably and unconditionally waives any objection to the laying of venue of any such Proceeding in any such court, and further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Proceeding has been brought in an inconvenient forum. Each party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Proceeding, claim, demand, action or cause of action against such Party (i) arising under this Agreement or (ii) in any way connected with or related or incidental to the dealings of the parties hereto in respect of this Agreement, (A) any claim that such party is not personally subject to the jurisdiction of the courts as described in this Section 4.8 for any reason, (B) that such party or such party's property is exempt or immune from the jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (C) that (x) the Proceeding, claim, demand, action or cause of action in any such court is brought against such party in an inconvenient forum, (y) the venue of such Proceeding, claim, demand, action or cause of action against such party is improper or (z) this Agreement, or the subject matter hereof, may not be enforced against such party in or by such courts. Each party agrees that service of any process, summons, notice or document by registered mail to such party's respective address set forth in Section 4.8 shall be effective service of process for any such Proceeding, claim, demand, action or cause of action.

(b) THE PARTIES HERETO EACH HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO TRIAL BY JURY OF ANY PROCEEDING, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION (I) ARISING UNDER THIS AGREEMENT OR UNDER ANY ANCILLARY DOCUMENT OR (II) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO IN RESPECT OF THIS AGREEMENT, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY, OR OTHERWISE. THE PARTIES HERETO EACH HEREBY AGREES AND CONSENTS THAT ANY SUCH PROCEEDING, CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES HERETO MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH

---

OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) EACH SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 4.8.

4.9 **Specific Performance.** The parties hereto each agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties hereto do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. The parties acknowledge and agree that (a) the parties shall be entitled to an injunction, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, without proof of damages, prior to the valid termination of this Agreement, and (b) the right of specific enforcement is an integral part of the transactions contemplated by this Agreement and without that right, none of the parties would have entered into this Agreement. Each party agrees that it will not oppose the granting of specific performance and other equitable relief on the basis that the other parties have an adequate remedy at law or that an award of specific performance is not an appropriate remedy for any reason at law or equity. The parties hereto each acknowledge and agree that any party seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 4.9 shall not be required to provide any bond or other security in connection with any such injunction.

4.10 **Severability.** Whenever possible, each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable Law, but if any term or other provision of this Agreement is held to be invalid, illegal or unenforceable under applicable Law, all other provisions of this Agreement shall remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision of this Agreement is invalid, illegal or unenforceable under applicable Law, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

4.11 **Entire Agreement.** This Agreement constitutes the entire agreement among the parties hereto with respect to the subject matter hereof and supersedes all other prior agreements and understandings, both written and oral, among the parties hereto with respect to the subject matter hereof. No representations, warranties, covenants, understandings, agreements, oral or otherwise, with respect to the subject matter contemplated by this Agreement exist between the parties hereto except as expressly set forth or referenced in this Agreement.

4.12 **Captions; Counterparts.** The headings, subheadings and captions contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement. This Agreement and any amendment hereto may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement or any amendment hereto by electronic means, including docusign, e-mail, or scanned pages shall be effective as delivery of a manually executed counterpart to this Agreement or any amendment hereto.

---

4.13 **Effectiveness; Termination if Business Combination Agreement is Terminated.** This Agreement shall be valid and enforceable as of the date of this Agreement and may not be revoked by any party hereto; *provided that* the provisions herein (other than this Article IV) shall not be effective until the consummation of the Merger. In the event the Business Combination Agreement is terminated in accordance with its terms, this Agreement shall automatically terminate and be of no further force or effect.

4.14 **Non-Recourse.** This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement or the transactions contemplated hereby may only be brought against, the entities that are expressly named as parties hereto, and then only with respect to the specific obligations set forth herein with respect to such party. Except to the extent a named party to this Agreement (and then only to the extent of the specific obligations undertaken by such named party in this Agreement), no Non-Recourse Party shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of the parties to this Agreement or for any claim based on, arising out of, or related to this Agreement or the transactions contemplated hereby.

## SUBSCRIPTION AGREEMENT

This SUBSCRIPTION AGREEMENT (this “**Subscription Agreement**”) is entered into this 10th day of December, 2020, by and among Innoviz Technologies Ltd., a company organized under the laws of the State of Israel (the “**Issuer**”), and the undersigned (“**Subscriber**” or “**you**”). Defined terms used but not otherwise defined herein shall have the respective meanings ascribed thereto in the Business Combination Agreement (as defined below).

WHEREAS, the Issuer, Hatzata Merger Sub, Inc., a wholly owned subsidiary of the Issuer (the “**Merger Sub**”) and Collective Growth Corporation, a Delaware corporation (the “**Company**”), will, immediately following the execution of this Subscription Agreement, enter into that certain Business Combination Agreement, dated as of December 10, 2020 (as amended, modified, supplemented or waived from time to time in accordance with its terms, the “**Business Combination Agreement**”), pursuant to which, *inter alia*, the Merger Sub will be merged with and into the Company, with the Company surviving as a wholly owned subsidiary of the Issuer (the “**Business Combination**”), on the terms and subject to the conditions set forth therein (the Business Combination, together with the other transactions contemplated by the Business Combination Agreement, the “**Transactions**”); and

WHEREAS, in connection with the Transactions, Subscriber desires to subscribe for and purchase from the Issuer that number of Issuer’s ordinary shares of no par value (the “**Ordinary Shares**”) set forth on the signature page hereto (the “**Shares**”) for a purchase price of \$10.00 per share, for the aggregate purchase price set forth on Subscriber’s signature page hereto, which purchase price assumes that the Issuer has effected a reverse stock split prior to the Effective Time in order to cause the Company Share Value to equal \$10.00 (the “**Purchase Price**”), and the Issuer desires to issue and sell to Subscriber the Shares in consideration of the payment of the Purchase Price therefor by or on behalf of Subscriber to the Issuer, all on the terms and conditions set forth herein; and

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

1. Subscription. Subject to the terms and conditions hereof, at the Closing, Subscriber hereby agrees to subscribe for and purchase, and the Issuer hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Shares (such subscription and issuance, the “**Subscription**”).

2. Representations, Warranties and Agreements.

2.1 Subscriber’s Representations, Warranties and Agreements. To induce the Issuer to issue the Shares to Subscriber, Subscriber hereby represents and warrants to the Issuer and acknowledges and agrees with the Issuer as follows:

2.1.1 If Subscriber is not an individual, Subscriber has been duly formed or incorporated and is validly existing in good standing under the laws of its jurisdiction of incorporation or formation, with power and authority to enter into, deliver and perform its obligations under this Subscription Agreement. If Subscriber is an individual, Subscriber has the authority to enter into, deliver and perform its obligations under this Subscription Agreement.

2.1.2 If Subscriber is not an individual, this Subscription Agreement has been duly authorized, validly executed and delivered by Subscriber. If Subscriber is an individual, the signature on this Subscription Agreement is genuine, and Subscriber has legal competence and capacity to execute the same. This Subscription Agreement is enforceable against Subscriber in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, and (ii) principles of equity, whether considered at law or equity.

2.1.3 The execution, delivery and performance by Subscriber of this Subscription Agreement and the consummation of the transactions contemplated herein do not and will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber or any of its subsidiaries pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber or any of its subsidiaries is a party or by which Subscriber or any of its subsidiaries is bound or to which any of the property or assets of Subscriber or any of its subsidiaries is subject, which would reasonably be expected to prevent or delay Subscriber's timely performance of its obligations under this Subscription Agreement (a "**Subscriber Material Adverse Effect**"), (ii) if Subscriber is not an individual, result in any violation of the provisions of the organizational documents of Subscriber or any of its subsidiaries or (iii) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its subsidiaries or any of their respective properties that would reasonably be expected to have a Subscriber Material Adverse Effect.

2.1.4 Subscriber (i) is a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act of 1933 (as amended, the "**Securities Act**")) or an "accredited investor" (within the meaning of Rule 501(a) under the Securities Act) satisfying the applicable requirements set forth on Schedule I, (ii) is acquiring the Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is an accredited investor and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations, warranties and agreements herein on behalf of each owner of each such account and (iii) is not acquiring the Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and shall provide the requested information on Schedule I following the signature page hereto). Subscriber is not an entity formed for the specific purpose of acquiring the Shares.

2.1.5 Subscriber understands that the Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Shares have not been registered under the Securities Act. Subscriber understands that the Shares may not be resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Issuer or a subsidiary thereof, (ii)

to non-U.S. persons pursuant to offers and sales that occur solely outside the United States within the meaning of Regulation S under the Securities Act or (iii) pursuant to another applicable exemption from the registration requirements of the Securities Act, and in each of cases (i) and (iii), in accordance with any applicable securities laws of the states and other jurisdictions of the United States, and that any certificates or book entries representing the Shares shall contain a legend to such effect. Subscriber acknowledges that the Shares will not be eligible for resale pursuant to Rule 144A promulgated under the Securities Act. Subscriber understands and agrees that the Shares will be subject to transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Shares and may be required to bear the financial risk of an investment in the Shares for an indefinite period of time. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Shares.

2.1.6 Subscriber understands and agrees that Subscriber is purchasing the Shares directly from the Issuer. Subscriber further acknowledges that there have been no representations, warranties, covenants or agreements made to Subscriber by the Issuer, the Company or any of their respective affiliates, officers or directors, expressly or by implication, other than those representations, warranties, covenants and agreements expressly set forth in this Subscription Agreement, and Subscriber is not relying on any representations, warranties or covenants other than those expressly set forth in this Subscription Agreement.

2.1.7 Subscriber represents and warrants that its acquisition and holding of the Shares will not constitute or result in a non-exempt prohibited transaction under Section 406 of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), Section 4975 of the Internal Revenue Code of 1986, as amended, or any applicable similar law.

2.1.8 In making its decision to purchase the Shares, Subscriber represents that it has relied solely upon independent investigation made by Subscriber. Without limiting the generality of the foregoing, Subscriber has not relied on any statements or other information provided by anyone other than the Issuer concerning the Issuer or the Shares or the offer and sale of the Shares. Subscriber acknowledges and agrees that Subscriber has received and has had an adequate opportunity to review, such financial and other information as Subscriber deems necessary in order to make an investment decision with respect to the Shares, including with respect to the Issuer, the Company and the Transactions and made its own assessment and is satisfied concerning the relevant tax and other economic considerations relevant to the Subscriber’s investment in the Shares. Subscriber acknowledges that it has reviewed the documents made available to the Subscriber by the Company. Subscriber represents and agrees that Subscriber and Subscriber’s professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such Subscriber’s professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Shares. Subscriber acknowledges that Goldman Sachs & Co. LLC (the “**Placement Agent**”) and its respective directors, officers, employees, representatives and controlling persons have made no independent investigation with respect to the Issuer, the Company or the Shares or the accuracy, completeness or adequacy of any information supplied to the Subscriber by the Issuer or the Company. Subscriber acknowledges that (i) it has not relied on any statements or other information provided by the Placement Agent or any of the Placement Agent’s affiliates with respect to its decision to invest in the Shares, including information related

---

to the Issuer, the Company, the Shares and the offer and sale of the Shares, and (ii) neither the Placement Agent nor any of its affiliates have prepared any disclosure or offering document in connection with the offer and sale of the Shares. Subscriber further acknowledges that the information provided to Subscriber is preliminary and subject to change, and that any changes to such information, including, without limitation, any changes based on updated information or changes in terms of the Transaction, shall in no way affect the Subscriber's obligation to purchase the Shares hereunder.

2.1.9 Subscriber became aware of this offering of the Shares solely by means of direct contact from either the Placement Agent or the Issuer as a result of a pre-existing substantive relationship (as interpreted in guidance from the Securities and Exchange Commission (the "**Commission**") under the Securities Act) with the Issuer or its representatives, and the Shares were offered to Subscriber solely by direct contact between Subscriber and the Placement Agent or the Issuer. Subscriber did not become aware of this offering of the Shares, nor were the Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Placement Agent has not acted as its financial advisor or fiduciary. Subscriber acknowledges that the Shares (i) were not offered by any form of general solicitation or general advertising, including methods described in section 502(c) of Regulation D under the Securities Act and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

2.1.10 Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Shares, and Subscriber has sought such accounting, legal and tax advice as Subscriber has considered necessary to make an informed investment decision. Subscriber understands and acknowledges that the purchase and sale of the Shares hereunder meets (i) the exemptions from filing under FINRA Rule 5123(b)(1)(A) and (ii) the institutional customer exemption under FINRA Rule 2111(b).

2.1.11 Alone, or together with any professional advisor(s), Subscriber represents and acknowledges that Subscriber has adequately analyzed and fully considered the risks of an investment in the Shares and determined that the Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Issuer. Subscriber acknowledges specifically that a possibility of total loss exists.

2.1.12 Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Shares or made any findings or determination as to the fairness of an investment in the Shares.

2.1.13 Subscriber represents and warrants that Subscriber is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons administered by the U.S. Treasury Department's Office of Foreign Assets Control ("**OFAC**") or in any Executive Order issued by the President of the United States and administered by OFAC ("**OFAC List**"), or a person or entity prohibited by any OFAC sanctions program, (ii) a Designated National as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515 or (iii) a non-

U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank. Subscriber agrees to provide law enforcement agencies, if requested thereby, such records as required by applicable law, provided that Subscriber is permitted to do so under applicable law. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.) (the “**BSA**”), as amended by the USA PATRIOT Act of 2001 (the “**PATRIOT Act**”), and its implementing regulations (collectively, the “**BSA/PATRIOT Act**”), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required, it maintains policies and procedures reasonably designed for the screening of its investors against the OFAC sanctions programs, including the OFAC List. Subscriber further represents and warrants that, to the extent required, it maintains policies and procedures reasonably designed to ensure that the funds held by Subscriber and used to purchase the Shares were legally derived.

2.1.14 If Subscriber is an employee benefit plan that is subject to Title I of ERISA, a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Code or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code (collectively, “**Similar Laws**”), or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “**Plan**”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that neither Issuer, nor any of its respective affiliates (the “**Transaction Parties**”) has acted as the Plan’s fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Shares.

2.1.15 Subscriber is not currently (and at all times through Closing will refrain from being or becoming) a member of a “group” (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), or any successor provision), including any group acting for the purpose of acquiring, holding or disposing of equity securities of the Issuer (within the meaning of Rule 13d-5(b)(1) under the Exchange Act).

2.1.16 No foreign person (as defined in 31 C.F.R. Part 800.224) in which the national or subnational governments of a single foreign state have a substantial interest (as defined in 31 C.F.R. Part 800.244) will acquire a substantial interest in the Issuer as a result of the purchase and sale of Shares hereunder such that a declaration to the Committee on Foreign Investment in the United States would be mandatory under 31 C.F.R. Part 800.401, and no foreign person will have control (as defined in 31 C.F.R. Part 800.208) over the Issuer from and after the Closing as a result of the purchase and sale of Shares hereunder.

2.1.17 Subscriber has, and on each date the Purchase Price would be required to be funded to the Issuer pursuant to Section 3.1 will have, sufficient immediately available funds to pay the Purchase Price pursuant to Section 3.1.

2.1.18 Subscriber represents that no disqualifying event described in Rule 506(d)(1)(i)-(viii) under the Securities Act (a “**Disqualification Event**”) is applicable to Subscriber or any of its Rule 506(d) Related Parties (as defined below), except, if applicable, for a Disqualification Event as to which Rule 506(d)(2)(ii) or (iii) or (d)(3) is applicable. Subscriber hereby agrees that it shall notify the Company promptly in writing in the event a Disqualification Event becomes applicable to Subscriber or any of its Rule 506(d) Related Parties, except, if applicable, for a Disqualification Event as to which Rule 506(d)(2)(ii) or (iii) or (d)(3) is applicable. For purposes of this Section 2.1.18, “**Rule 506(d) Related Party**” shall mean a person or entity that is a beneficial owner of Subscriber’s securities for purposes of Rule 506(d) under the Securities Act.

2.1.19 Subscriber acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation (including, without limitation, the Company, any of its affiliates or any of its or their respective control persons, officers, directors or employees), other than the representations and warranties of the Issuer expressly set forth in this Subscription Agreement, in making its investment or decision to invest in the Issuer. Subscriber agrees that neither (i) any other Subscriber pursuant to this Subscription Agreement or any other agreement related to the private placement of shares of the Issuer’s share capital (including the controlling persons, officers, directors, partners, agents or employees of any such Subscriber) nor (ii) the Company, its affiliates or any of their or their respective affiliates’ control persons, officers, directors, partners, agents or employees, shall be liable to any other Subscriber pursuant to this Subscription Agreement or any other agreement related to the private placement of shares of the Issuer’s share capital for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the purchase of the Shares hereunder.

2.2 Issuer’s Representations, Warranties and Agreements. To induce Subscriber to purchase the Shares, the Issuer hereby represents and warrants to Subscriber and agrees with Subscriber as follows:

2.2.1 The Issuer is a corporation duly organized, validly existing and in good standing under the laws of the State of Israel, with corporate power and authority to own, lease and operate its properties and conduct its business as presently conducted and to enter into, deliver and perform its obligations under this Subscription Agreement.

2.2.2 The Shares have been duly authorized and, when issued and delivered to Subscriber against full payment for the Shares in accordance with the terms of this Subscription Agreement and registered with the Issuer’s transfer agent, the Shares will be validly issued, fully paid and non-assessable and will not have been issued in violation of or subject to any preemptive or similar rights created under the Issuer’s amended and restated articles of association or under the Laws of the State of Israel.

2.2.3 This Subscription Agreement has been duly authorized, executed and delivered by the Issuer and is enforceable against it in accordance with its terms, except as may be limited or otherwise affected by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws affecting generally the enforcement of creditors’ rights and subject to general principles of equity.

2.2.4 The execution, delivery and performance of this Subscription Agreement (including compliance by the Issuer with all of the provisions hereof), issuance and sale of the Shares and the consummation of the certain other transactions contemplated herein will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Issuer pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Issuer is a party or by which the Issuer is bound or to which any of the property or assets of the Issuer is subject, which would reasonably be expected to have a material adverse effect on the legal authority of the Issuer to enter into and perform its obligations under this Subscription Agreement (a “**Issuer Material Adverse Effect**”), (ii) result in any violation of the provisions of the organizational documents of the Issuer or (iii) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Issuer or any of its properties that would reasonably be expected to have an Issuer Material Adverse Effect.

2.2.6 Assuming the accuracy of Subscriber’s representations and warranties set forth in Section 2.1 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Shares by the Issuer to Subscriber.

2.2.7 The Issuer has provided Subscriber an opportunity to ask questions regarding the Issuer and made available to Subscriber all the information reasonably available to the Issuer that Subscriber has reasonably requested to make an investment decision with respect to the Shares.

2.2.8 Neither the Issuer, nor any person acting on its behalf has, directly or indirectly, made any offers or sales of any Issuer security or solicited any offers to buy any security under circumstances that would adversely affect reliance by the Issuer on Section 4(a)(2) of the Securities Act for the exemption from registration for the transactions contemplated hereby or would require registration of the issuance of the Shares under the Securities Act.

2.2.9 No Disqualification Event is applicable to the Issuer or, to the Issuer’s knowledge, any Issuer Covered Person (as defined below), except for a Disqualification Event as to which Rule 506(d)(2)(ii)-(iv) or (d)(3) under the Securities Act is applicable. The Issuer has complied, to the extent applicable, with any disclosure obligations under Rule 506(e) under the Securities Act. “**Issuer Covered Person**” means, with respect to the Issuer as an “issuer” for purposes of Rule 506 under the Securities Act, any person listed in the first paragraph of Rule 506(d)(1) under the Securities Act.

### 3. Settlement Date and Delivery.

3.1 Closing. The closing of the Subscription contemplated hereby (the “**Closing**”) shall occur on the date of (the “**Closing Date**”), and immediately following, the consummation of the Transactions. Upon written notice from (or on behalf of) the Issuer to Subscriber (the “**Closing Notice**”) at least five (5) Business Days prior to the date that the Issuer reasonably expects all conditions to the closing of the Transactions to be satisfied, Subscriber shall deliver to the Issuer within two (2) Business Days after receiving the Closing Notice, the Purchase Price for the Shares, by wire transfer of United States dollars in immediately available funds to the account specified by the Issuer in the Closing Notice, such funds to be held by the Issuer in escrow until the Closing. Unless otherwise agreed by the Company in writing, the Issuer shall deliver the Closing Notice at least four (4) Business Days prior to the date of the Special Meeting. At the Closing, upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 3, the Issuer shall deliver to Subscriber the Shares in book entry form, in the name of Subscriber (or its nominee in accordance with its delivery instructions) or to a custodian designated by Subscriber, as applicable.

3.2 Conditions to Closing of the Issuer. The Issuer’s obligations to sell and issue the Shares at the Closing are subject to the fulfillment or (to the extent permitted by applicable law) written waiver, on or prior to the Closing Date, of each of the following conditions:

3.2.1 Representations and Warranties Correct. The representations and warranties made by Subscriber in Section 2.1 hereof shall be true and correct in all material respects when made (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect, which representations and warranties shall be true and correct in all respects) and shall be true and correct in all material respects on and as of the Closing Date (unless they specifically speak as of another date in which case they shall be true and correct in all material respects as of such date) (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect, which representations and warranties shall be true and correct in all respects), with the same force and effect as if they had been made on and as of said date, but in each case without giving effect to consummation of the Transactions.

3.2.2 Closing of the Transactions. The Transactions set forth in the Business Combination Agreement shall have been or will be consummated substantially concurrently with the Closing.

3.2.3 Legality. There shall not be in force any order, judgment, injunction, decree, writ, stipulation, determination or award, in each case, entered by or with any governmental authority, statute, rule or regulation enjoining or prohibiting the consummation of the Subscription.

3.3 Conditions to Closing of Subscriber. Subscriber's obligation to purchase the Shares at the Closing is subject to the fulfillment or (to the extent permitted by applicable law) written waiver, on or prior to the Closing Date, of each of the following conditions:

3.3.1 Representations and Warranties Correct. The representations and warranties made by the Issuer in Section 2.2 hereof shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Issuer Material Adverse Effect, which representations and warranties shall be true and correct in all respects) on and as of the Closing Date (unless they specifically speak as of another date in which case they shall be true and correct in all material respects as of such date) with the same force and effect as if they had been made on and as of said date, but in each case without giving effect to consummation of the Transactions; provided, that in the event this condition would otherwise fail to be satisfied as a result of a breach of one or more of the representations and warranties of the Issuer contained in this Subscription Agreement and the facts underlying such breach would also cause a condition to the Issuer's obligations under the Business Combination Agreement to fail to be satisfied, this condition shall nevertheless be deemed satisfied in the event the Company waives such condition with respect to such breach under the Business Combination Agreement.

3.3.2 Closing of the Transactions. The Transactions set forth in the Business Combination Agreement shall have been or will be consummated substantially concurrently with the Closing.

3.3.3 Legality. There shall not be in force any order, judgment, injunction, decree, writ, stipulation, determination or award, in each case, entered by or with any governmental authority, statute, rule or regulation enjoining or prohibiting the consummation of the Subscription.

#### 4. Registration Statement.

4.1 The Issuer agrees that, within forty-five (45) calendar days after the consummation of the Transactions (the "**Filing Date**"), the Issuer will file with the Commission (at the Issuer's sole cost and expense) a registration statement registering the resale of the Shares (the "**Registration Statement**"), and the Issuer shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the earlier of (i) the 90th calendar day (or 135th calendar day if the Commission notifies the Issuer that it will "review" the Registration Statement) following the Closing and (ii) the 10th Business Day after the date the Issuer is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be "reviewed" or will not be subject to further review (such earlier date, the "**Effectiveness Date**"); provided, however, that the Issuer's obligations to include the Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Issuer such information regarding Subscriber, the securities of the Issuer held by Subscriber and the intended method of disposition of the Shares as shall be reasonably requested by the Issuer to effect the registration of the Shares, and Subscriber shall execute such documents in connection with such registration as the Issuer may reasonably request that are customary of a selling shareholder in similar situations, including providing that the Issuer shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder. For purposes of clarification, any failure by the Issuer to file the Registration Statement by the Filing Date or to effect such Registration Statement by the Effectiveness Date shall not otherwise relieve the Issuer of its obligations to file or effect the Registration Statement as set forth above in this Section 4.

4.2 In the case of the registration effected by the Issuer pursuant to this Subscription Agreement, the Issuer shall, upon reasonable request, inform Subscriber as to the status of such registration. At its expense the Issuer shall:

4.2.1 except for such times as the Issuer is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, use its commercially reasonable efforts to keep such registration, and any qualification, exemption or compliance under state securities laws which the Issuer determines to obtain, continuously effective with respect to Subscriber, and to keep the applicable Registration Statement or any subsequent shelf registration statement free of any material misstatements or omissions, until the earlier of the following: (i) Subscriber ceases to hold any Shares, (ii) the date all Shares held by Subscriber may be sold without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions which may be applicable to affiliates under Rule 144 and without the requirement for the Issuer to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable), and (iii) two years from the Effectiveness Date of the Registration Statement;

4.2.2 advise Subscriber within five (5) Business Days:

(a) when a Registration Statement or any post-effective amendment thereto has become effective;

(b) of the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose;

(c) of the receipt by the Issuer of any notification with respect to the suspension of the qualification of the Shares included therein for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and

(d) subject to the provisions in this Subscription Agreement, of the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading.

Notwithstanding anything to the contrary set forth herein, the Issuer shall not, when so advising Subscriber of such events, provide Subscriber with any material, nonpublic information regarding the Issuer other than to the extent that providing notice to Subscriber of the occurrence of the events listed in (a) through (d) above constitutes material, nonpublic information regarding the Issuer;

4.2.3 use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable;

4.2.4 upon the occurrence of any event contemplated in Section 4.2.2(d), except for such times as the Issuer is permitted hereunder to suspend, and has suspended, the use of a prospectus forming part of a Registration Statement, the Issuer shall use its commercially reasonable efforts to as soon as reasonably practicable prepare a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

4.2.5 use its commercially reasonable efforts to cause all Shares to be listed on each securities exchange or market, if any, on which the Issuer's Ordinary Shares are then listed; and

4.3 Notwithstanding anything to the contrary in this Subscription Agreement, the Issuer shall be entitled to delay or postpone the effectiveness of the Registration Statement, and from time to time to require Subscriber not to sell under the Registration Statement or to suspend the effectiveness thereof, if the negotiation or consummation of a transaction by the Issuer or its subsidiaries is pending or an event has occurred, which negotiation, consummation or event the Issuer's board of directors reasonably believes, upon the advice of in-house legal counsel, would require additional disclosure by the Issuer in the Registration Statement of material information that the Issuer has a bona fide business purpose for keeping confidential and the non-disclosure of which in the Registration Statement would be expected, in the reasonable determination of the Issuer's board of directors, upon the advice of in-house legal counsel, to cause the Registration Statement to fail to comply with applicable disclosure requirements (each such circumstance, a "**Suspension Event**"); provided, however, that the Issuer may not delay or suspend the Registration Statement on more than three occasions or for more than sixty (60) consecutive calendar days, or more than one hundred and twenty (120) total calendar days, in each case during any twelve-month period. Upon receipt of any written notice from the Issuer of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, Subscriber agrees that (i) it will immediately discontinue offers and sales of the Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until Subscriber receives copies of a supplemental or amended prospectus (which the Issuer agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Issuer that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Issuer unless otherwise required by law or subpoena. If so directed by the Issuer, Subscriber will deliver to the Issuer or, in Subscriber's sole discretion destroy, all copies of the prospectus covering the Shares in Subscriber's possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Shares shall not apply (i) to the extent Subscriber is required to retain a copy of such prospectus (a) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (b) in accordance with a bona fide pre-existing document retention policy or (ii) to copies stored electronically on archival servers as a result of automatic data back-up.

5. Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (i) such date and time as the Business Combination Agreement is validly terminated in accordance with its terms and (ii) upon the mutual written agreement of each of the parties hereto to terminate this Subscription Agreement; provided, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Issuer shall promptly notify Subscriber of the termination of the Business Combination Agreement promptly after the termination of such agreement.

6. Miscellaneous.

6.1 Further Assurances. At the Closing, the parties hereto shall execute and deliver such additional documents and take such additional actions as the parties reasonably may deem to be practical and necessary in order to consummate the Subscription as contemplated by this Subscription Agreement.

6.1.1 Subscriber acknowledges that the Issuer, the Company, the Placement Agent and others will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Issuer and the Company if any of the acknowledgments, understandings, agreements, representations and warranties set forth herein are no longer accurate in all material respects. Subscriber further acknowledges and agrees that the Placement Agent is a third-party beneficiary of the representations and warranties of the Subscriber contained in Section 2.1.8 and Section 2.1.9 of this Subscription Agreement to the extent such representations and warranties relate to the Placement Agent.

6.1.2 Each of the Issuer, Subscriber and the Company is entitled to rely upon this Subscription Agreement and is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

6.1.3 The Issuer may request from Subscriber such additional information as the Issuer may deem necessary to evaluate the eligibility of Subscriber to acquire the Shares, and Subscriber shall provide such information as may be reasonably requested.

6.1.4 Subscriber shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

6.1.5 Each of Subscriber and the Issuer shall take, or cause to be taken, all actions and do, or cause to be done, all things necessary, proper or advisable to consummate the transactions contemplated by this Subscription Agreement on the terms and conditions described therein no later than immediately following the consummation of the Transactions.

6.2 Notices. Any notice or communication required or permitted hereunder shall be in writing and either delivered personally, emailed or sent by overnight mail via a reputable overnight carrier, or sent by certified or registered mail, postage prepaid, and shall be deemed to be given and received (i) when so delivered personally, (ii) when sent, with no mail undeliverable or other rejection notice, if sent by email, or (iii) three (3) Business Days after the date of mailing to the address below or to such other address or addresses as such person may hereafter designate by notice given hereunder:

6.3 Entire Agreement. This Subscription Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof, including any commitment letter entered into relating to the subject matter hereof.

6.4 Modifications and Amendments. This Subscription Agreement may not be amended, modified, supplemented or waived (i) except by an instrument in writing, signed by the party against whom enforcement of such amendment, modification, supplement or waiver is sought and (ii) without the prior written consent of the Issuer and the Company.

6.5 Assignment. Neither this Subscription Agreement nor any rights, interests or obligations that may accrue to the parties hereunder (including Subscriber's rights to purchase the Shares) may be transferred or assigned without the prior written consent of each of the other parties hereto (other than the Shares acquired hereunder, if any, and then only in accordance with this Subscription Agreement).

6.6 Benefit.

6.6.1 Except as otherwise provided herein, this Subscription Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns. This Subscription Agreement shall not confer rights or remedies upon any person other than the parties hereto and their respective successors and assigns. Notwithstanding the foregoing, the Company is an express third-party beneficiary of Section 6.4.

6.6.2 Each of the Issuer and Subscriber acknowledges and agrees that (a) this Subscription Agreement is being entered into in order to induce the Company to execute and deliver the Business Combination Agreement and without the representations, warranties, covenants and agreements of the Issuer and Subscriber hereunder, the Company would not enter into the Business Combination Agreement, (b) each representation, warranty, covenant and agreement of the Issuer and Subscriber hereunder is being made also for the benefit of the Company, and (c) the Company may directly enforce (including by an action for specific performance, injunctive relief or other equitable relief, including to cause the Purchase Price to be paid and the Closing to occur) each of the covenants and agreements of each of the Issuer and Subscriber under this Subscription Agreement.

6.7 Governing Law. This Subscription Agreement, and any claim or cause of action hereunder based upon, arising out of or related to this Subscription Agreement (whether based on law, in equity, in contract, in tort or any other theory) or the negotiation, execution, performance or enforcement of this Subscription Agreement, shall be governed by and construed in accordance with the Laws of the State of Delaware, without giving effect to the principles of conflicts of law thereof.

6.8 Consent to Jurisdiction; Waiver of Jury Trial. Each of the parties irrevocably consents to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware, provided, that if subject matter jurisdiction over the matter that is the subject of the legal proceeding is vested exclusively in the U.S. federal courts, such legal proceeding shall be heard in the U.S. District Court for the District of Delaware (together with the Court of Chancery of the State of Delaware "**Chosen Courts**"), in connection with any matter based upon or arising out of this Subscription Agreement. Each party hereby waives, and shall not assert as a defense in any legal dispute, that (i) such person is not personally subject to the jurisdiction of the Chosen Courts for any reason, (ii) such legal proceeding may not be brought or is not maintainable in the Chosen Courts, (iii) such person's property is exempt or immune from execution, (iv) such legal proceeding is brought in an inconvenient forum or (v) the venue of such legal proceeding is improper. Each Party hereby consents to service of process in any such proceeding in any manner permitted by Delaware law, further consents to service of process by nationally recognized overnight courier service guaranteeing overnight delivery, or by registered or certified mail, return receipt requested, at its address specified pursuant to Section 6.2 and waives and covenants not to assert or plead any objection which they might otherwise have to such manner of service of process. Notwithstanding the foregoing in this Section 6.8, a party may commence any action, claim, cause of action or suit in a court other than the Chosen Courts solely for the purpose of enforcing an order or judgment issued by the Chosen Courts. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW WHICH CANNOT BE WAIVED, EACH OF THE PARTIES WAIVES ANY RIGHT TO TRIAL BY JURY ON ANY CLAIMS OR COUNTERCLAIMS ASSERTED IN ANY LEGAL DISPUTE RELATING TO THIS SUBSCRIPTION AGREEMENT WHETHER NOW EXISTING OR HEREAFTER ARISING. IF THE SUBJECT MATTER OF ANY SUCH LEGAL DISPUTE IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY SHALL ASSERT IN SUCH LEGAL DISPUTE A NONCOMPULSORY COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS SUBSCRIPTION AGREEMENT. FURTHERMORE, NO PARTY SHALL SEEK TO CONSOLIDATE ANY SUCH LEGAL DISPUTE WITH A SEPARATE ACTION OR OTHER LEGAL PROCEEDING IN WHICH A JURY TRIAL CANNOT BE WAIVED.

6.9 Severability. If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

6.10 No Waiver of Rights, Powers and Remedies No failure or delay by a party hereto in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Subscription Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

#### 6.11 Remedies.

6.11.1 The parties agree that the Issuer and the Company would suffer irreparable damage if this Subscription Agreement was not performed or the Closing is not consummated in accordance with its specific terms or was otherwise breached and that money damages or other legal remedies would not be an adequate remedy for any such damage. It is accordingly agreed that the Issuer and the Company shall be entitled to equitable relief, including in the form of an injunction or injunctions, to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement in an appropriate court of competent jurisdiction as set forth in Section 6.8, this being in addition to any other remedy to which any party is entitled at law or in equity, including money damages. The right to specific enforcement shall include the right of the Issuer or the Company to cause Subscriber and the right of the Company to cause the Issuer to cause the transactions contemplated hereby to be consummated on the terms and subject to the conditions and limitations set forth in this Subscription Agreement. The parties hereto further agree (i) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy, (ii) not to assert that a remedy of specific enforcement pursuant to this Section 6.11 is unenforceable, invalid, contrary to applicable law or inequitable for any reason and (iii) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. In connection with any Action for which the Company is being granted an award of money damages, each of the Issuer and Subscriber agrees that such damages, to the extent payable by such party, shall include, without limitation, damages related to the consideration that is or was to be paid to the Company or its equityholders under the Business Combination Agreement and/or Subscription Agreement and such damages are not limited to an award of out-of-pocket fees and expenses related to the Business Combination Agreement and Subscription Agreement.

6.11.2 The parties acknowledge and agree that this Section 6.11 is an integral part of the transactions contemplated hereby and without that right, the parties hereto would not have entered into this Subscription Agreement.

6.11.3 In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

6.12 Survival of Representations and Warranties. All representations and warranties made by the Subscriber shall survive the Closing. For the avoidance of doubt, if for any reason the Closing does not occur immediately following the consummation of the Transactions, all representations, warranties, covenants and agreements of the parties hereunder shall survive the consummation of the Transactions and remain in full force and effect.

6.13 No Broker or Finder. Other than the Placement Agent (which has been engaged by the Issuer in connection with this Subscription), each of the Issuer and Subscriber each represents and warrants to the other parties hereto that no broker, finder or other financial consultant has acted on its behalf in connection with this Subscription Agreement or the transactions contemplated hereby in such a way as to create any liability on any other party hereto. Each of the Issuer and Subscriber agrees to indemnify and save the other parties hereto harmless from any claim or demand for commission or other compensation by any broker, finder, financial consultant or similar agent claiming to have been employed by or on behalf of such party and to bear the cost of legal expenses incurred in defending against any such claim.

6.14 Headings and Captions. The headings and captions of the various subdivisions of this Subscription Agreement are for convenience of reference only and shall in no way modify or affect the meaning or construction of any of the terms or provisions hereof.

6.15 Counterparts. This Subscription Agreement may be executed in one or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other parties, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or any other form of electronic delivery, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

6.16 Construction. The words "include," "includes," and "including" will be deemed to be followed by "without limitation." Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words "this Subscription Agreement," "herein," "hereof," "hereby," "hereunder," and words of similar import refer to this Subscription Agreement as a whole and not to any particular subdivision unless expressly so limited. The parties hereto intend that each representation, warranty, and covenant contained herein will have independent significance. If any party hereto has breached any

representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) which such party hereto has not breached will not detract from or mitigate the fact that such party hereto is in breach of the first representation, warranty, or covenant. All references in this Subscription Agreement to numbers of shares, per share amounts and purchase prices shall be appropriately adjusted to reflect any stock split, stock dividend, stock combination, recapitalization or the like occurring after the date hereof.

6.17 Mutual Drafting. This Subscription Agreement is the joint product of the parties hereto and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and shall not be construed for or against any party hereto.

7. Consent to Disclosure. Subscriber hereby consents to the publication and disclosure in any press release issued by the Issuer or the Company or Form 8-K filed by the Issuer or the Company with the SEC in connection with the execution and delivery of the Business Combination Agreement and the Proxy Statement (and, as and to the extent otherwise required by the federal securities laws or the SEC or any other securities authorities, any other documents or communications provided by the Issuer or the Company to any Governmental Authority or to securityholders of the Issuer or the Company) of Subscriber's identity and beneficial ownership of Covered Shares and the nature of Subscriber's commitments, arrangements and understandings under and relating to this Subscription Agreement and, if deemed appropriate by the Issuer or the Company, a copy of this Subscription Agreement. Subscriber will promptly provide any information reasonably requested by the Issuer or the Company for any regulatory application or filing made or approval sought in connection with the Transactions (including filings with the SEC).

8. Trust Account Waiver. Notwithstanding anything to the contrary set forth herein, Subscriber acknowledges that it has read the Investment Management Trust Agreement, dated as of April 30, 2020, by and between the Company and Continental Stock Transfer & Trust Company, a New York corporation, and understands that the Company has established the trust account described therein (the "**Trust Account**") for the benefit of the Company's public stockholders and that disbursements from the Trust Account are available only in the limited circumstances set forth therein. Subscriber further acknowledges and agrees that the Company's sole assets consist of the cash proceeds of the Company's initial public offering and private placements of its securities, and that substantially all of these proceeds have been deposited in the Trust Account for the benefit of its public stockholders. Accordingly, Subscriber (on behalf of itself and its affiliates) hereby waives any past, present or future claim of any kind against, and any right to access, the Trust Account, any trustee of the Trust Account and the Company to collect from the Trust Account any monies that may be owed to them by the Company or any of its affiliates for any reason whatsoever, and will not seek recourse against the Trust Account at any time for any reason whatsoever, including, without limitation, for any knowing and intentional material breach by any of the parties to this Subscription Agreement of any of its representations or warranties as set forth in this Subscription Agreement, or such party's material breach of any of its covenants or other agreements set forth in this Subscription Agreement, which material breach constitutes, or is a consequence of, a purposeful act or failure to act by such party with the knowledge that the taking of such act or failure to take such act would cause a material breach of this Subscription Agreement. This Section 8 shall survive the termination of this Subscription Agreement for any reason.

---

9. Waiver of Sovereign Immunity. With respect to the liability of Subscriber to perform its obligations under this Subscription Agreement, with respect to itself or its property, Subscriber:

9.1 agrees that, for purposes of the doctrine of sovereign immunity, the execution, delivery and performance by it of this Subscription Agreement constitutes private and commercial acts done for private and commercial purposes;

9.2 agrees that, should any proceedings be brought against it or its assets in any jurisdiction in relation to this Subscription Agreement or any transaction contemplated by this Subscription Agreement in accordance with the terms hereof, Subscriber is not entitled to any immunity on the basis of sovereignty in respect of its obligations under this Subscription Agreement, and no immunity from such proceedings (including, without limitation, immunity from service of process from suit, from the jurisdiction of any court, from an order or injunction of such court or the enforcement of same against its assets) shall be claimed by or on behalf of such party or with respect to its assets;

9.3 waives, in any such proceedings, to the fullest extent permitted by law, any right of immunity which it or any of its assets now has or may acquire in the future in any jurisdiction;

9.4 subject to the terms and conditions hereof, consents generally in respect of the enforcement of any judgment or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including, without limitation, pre-judgment attachment, post judgment attachment, the making, enforcement or execution against or in respect of any assets whatsoever irrespective of their use or intended use of any order or judgment that may be made or given in connection therewith); and

9.5 specifies that, for the purposes of this provision, “assets” shall be taken as excluding “premises of the mission” as defined in the Vienna Convention on Diplomatic Relations signed at Vienna, April 18, 1961, “consular premises” as defined in the Vienna Convention on Consular Relations signed in 1963, and military property or military assets or property of the Investor.]<sup>1</sup>

**(XV) ANY OTHER MATTER WHICH IS NECESSARY OR DESIRABLE FOR, OR INCIDENTAL TO, THE ADMINISTRATION OF THIS PLAN AND ANY AWARD THEREUNDER.**

**D.** The authority granted hereunder includes the authority to modify Awards to eligible individuals who are foreign nationals or are individuals who are employed outside Israel to recognize differences in local law, tax policy or custom, in order to effectuate the purposes of this Plan but without amending this Plan.

**E.** The Board and the Committee shall be free at all times to make such determinations and take such actions as they deem fit. The Board and the Committee need not take the same action or determination with respect to all Awards, with respect to certain types of Awards, with respect to all Service Providers or any certain type of Service Providers and actions and determinations may differ as among the Grantees, and as between the Grantees and any other holders of securities of the Company.

**F.** All decisions, determinations, and interpretations of the Committee, the Board and the Company under this Plan shall be final and binding on all Grantees (whether before or after the issuance of Shares pursuant to Awards), unless otherwise determined by the Committee, the Board or the Company, respectively. The Committee shall have the authority (but not the obligation) to determine the interpretation and applicability of Applicable Laws to any Grantee or any Awards. No member of the Committee or the Board shall be liable to any Grantee for any action taken or determination made in good faith with respect to this Plan or any Award granted hereunder.

---

G. Any officer or authorized signatory of the Company shall have the authority to act on behalf of the Company with respect to any matter, right, obligation, determination or election which is the responsibility of or which is allocated to the Company herein, provided such person has apparent authority with respect to such matter, right, obligation, determination or election. Such person or authorized signatory shall not be liable to any Grantee for any action taken or determination made in good faith with respect to this Plan or any Award granted hereunder.

#### **IV. ELIGIBILITY.**

Awards may be granted to Service Providers of the Company or any Affiliate thereof, taking into account, at the Committee's discretion and without an obligation to do so, the qualification under each tax regime pursuant to which such Awards are granted, subject to the limitation on the granting of Incentive Stock Options set forth in Section 8.1. A person who has been granted an Award hereunder may be granted additional Awards, if the Committee shall so determine, subject to the limitations herein. However, eligibility in accordance with this Section 4 shall not entitle any person to be granted an Award, or, having been granted an Award, to be granted an additional Award.

Awards may differ in number of Shares covered thereby, the terms and conditions applying to them or on the Grantees or in any other respect (including, that there should not be any expectation (and it is hereby disclaimed) that a certain treatment, interpretation or position granted to one shall be applied to the other, regardless of whether or not the facts or circumstances are the same or similar).

#### **V. SHARES.**

A. The maximum aggregate number of Shares that may be issued pursuant to Awards under this Plan (the "Pool") shall initially be 325,581 authorized but unissued Shares (except and as adjusted pursuant to Section 14.1 of this Plan), or such other number as the Board may determine from time to time (without the need to amend the Plan in case of such determination). However, except as adjusted pursuant to Section 14.1, in no event shall more than 1,627,905 Shares, as adjusted in accordance with Section 5.2, be available for issuance pursuant to the exercise of Incentive Stock Options over the term of this Plan.

B. Any Shares (a) underlying an Award granted hereunder that has expired, or was cancelled, terminated, forfeited or, repurchased or settled in cash in lieu of issuance of Shares, for any reason, without having been exercised; (b) if permitted by the Company, tendered to pay the Exercise Price of an Award, or withholding tax obligations with respect to an Award; or (c) if permitted by the Company, subject to an Award that are not delivered to a Grantee because such Shares are withheld to pay the Exercise Price of such Award, or withholding tax obligations with respect to such Award; shall automatically, and without any further action on the part of the Company or any Grantee, again be available for grant of Awards and Shares issued upon exercise of (if applicable) vesting thereof for the purposes of this Plan (unless this Plan shall have been terminated) or unless the Board determines otherwise. Such Shares may, in whole or in part, be authorized but unissued Shares, treasury shares (dormant shares) or Shares otherwise that shall have been or may be repurchased by the Company (to the extent permitted pursuant to the Companies Law).

C. Any Shares under the Pool that are not subject to outstanding or exercised Awards at the termination of this Plan shall cease to be reserved for the purpose of this Plan.

## **VI. TERMS AND CONDITIONS OF AWARDS.**

**EACH AWARD GRANTED PURSUANT TO THIS PLAN SHALL BE EVIDENCED BY A WRITTEN OR ELECTRONIC AGREEMENT BETWEEN THE COMPANY AND THE GRANTEE OR A WRITTEN OR ELECTRONIC NOTICE DELIVERED BY THE COMPANY (THE "AWARD AGREEMENT"), IN SUBSTANTIALLY SUCH FORM OR FORMS AND CONTAINING SUCH TERMS AND CONDITIONS, AS THE COMMITTEE SHALL FROM TIME TO TIME APPROVE. THE AWARD AGREEMENT SHALL COMPLY WITH AND BE SUBJECT TO THE FOLLOWING GENERAL TERMS AND CONDITIONS AND THE PROVISIONS OF THIS PLAN (EXCEPT FOR ANY PROVISIONS APPLYING TO AWARDS UNDER DIFFERENT TAX REGIMES), UNLESS OTHERWISE SPECIFICALLY PROVIDED IN SUCH AWARD AGREEMENT, OR THE TERMS REFERRED TO IN OTHER SECTIONS OF THIS PLAN APPLYING TO AWARDS UNDER SUCH APPLICABLE TAX REGIMES, OR TERMS PRESCRIBED BY APPLICABLE LAW. AWARD AGREEMENTS NEED NOT BE IN THE SAME FORM AND MAY DIFFER IN THE TERMS AND CONDITIONS INCLUDED THEREIN.**

**A. Number of Shares.** Each Award Agreement shall state the number of Shares covered by the Award.

**B. Type of Award.** Each Award Agreement may state the type of Award granted thereunder, provided that the tax treatment of any Award, whether or not stated in the Award Agreement, shall be as determined in accordance with Applicable Laws.

**C. Exercise Price.** Each Award Agreement shall state the Exercise Price, if applicable. Unless otherwise set forth in this Plan, an Exercise Price of an Award of less than the par value of the Shares (if shares bear a par value) shall comply with Section 304 of the Companies Law, 1999, as amended. Subject to Sections 3 7.2 and 8.2 and to the foregoing, the Committee may reduce the Exercise Price of any outstanding Award, on terms and subject to such conditions as it deems advisable. The Exercise Price shall also be subject to adjustment as provided in Section 14 hereof.

**D. Manner of Exercise.** An Award may be exercised, as to any or all Shares as to which the Award has become exercisable, by written notice delivered in person or by mail (or such other methods of delivery prescribed by the Company) to the Chief Executive Officer of the Company or to such other person as determined by the Committee, or in any other manner as the Committee shall prescribe from time to time, specifying the number of Shares with respect to which the Award is being exercised (which may be equal to or lower than the aggregate number of Shares that have become exercisable at such time, subject to the last sentence of this Section), accompanied by payment of the aggregate Exercise Price for such Shares in the manner specified in the following sentence. The Exercise Price shall be paid in full with respect to each Share, at the time of exercise, either in (i) cash, (ii) if the Company's shares are listed for trading on any securities exchange or over-the-counter market, and if the Committee so determines, all or part of the Exercise Price and any withholding taxes may be paid by the delivery (on a form prescribed by the Company) of an irrevocable direction to a securities broker approved by the Company to sell Shares and to deliver all or part of the sales proceeds to the Company or the Trustee, (iii) if the Company's shares are listed for trading on any securities exchange or over-the-counter market, and if the Committee so determines, all or part of the Exercise Price and any withholding taxes may be paid by the delivery (on a form prescribed by the Company) of an irrevocable direction to pledge Shares to a securities broker or lender approved by the Company, as security for a loan, and to deliver all or part of the loan proceeds to the Company or the Trustee, or (iv) in such other manner as the Committee shall determine, which may include procedures for cashless exercise. For as long as the Company's shares are not listed for trading on any securities exchange or over-the-counter market and unless the Committee determines otherwise, a Grantee may not exercise Awards unless the aggregate Exercise Price thereof is equal to or in excess of the lower of: (a) the aggregate Exercise Price for all Shares as to which the Award has become exercisable at such time; or (b) US\$2,000.

#### E. Term and Vesting of Awards

1. Each Award Agreement shall provide the vesting schedule for the Award as determined by the Committee. The Committee shall have the authority to determine the vesting schedule and accelerate the vesting of any outstanding Award at such time and under such circumstances as it, in its sole discretion, deems appropriate. Unless otherwise resolved by the Committee and stated in the Award Agreement, and subject to Sections 6.6 and 6.7 hereof, Awards shall vest and become exercisable under the following schedule: twenty-five percent (25%) of the Shares covered by the Award, on the first anniversary of the vesting commencement date determined by the Committee (and in the absence of such determination, of date on which such Award was granted), and six and one-quarter percent (6.25%) of the Shares covered by the Award at the end of each subsequent three-month period thereafter over the course of the following three (3) years; provided that the Grantee remains continuously as a Service Provider of the Company or its Affiliates throughout such vesting dates.

2. The Award Agreement may contain performance goals and measurements (which, in case of 102 Awards, shall, if then required, be subject to obtaining a specific tax ruling or determination from the ITA), and the provisions with respect to any Award need not be the same as the provisions with respect to any other Award. Such performance goals may include, but are not limited to, sales, earnings before interest and taxes, return on investment, earnings per share, any combination of the foregoing or rate of growth of any of the foregoing, as determined by the Committee. The Committee may adjust performance goals pursuant to Awards previously granted to take into account changes in law and accounting and tax rules and to make such adjustments as the Committee deems necessary or appropriate to reflect the inclusion or the exclusion of the impact of extraordinary or unusual items, events or circumstances.

3. The Exercise Period of an Award will be ten (10) years from the date of grant of the Award, unless otherwise determined by the Committee and stated in the Award Agreement, but subject to the vesting provisions described above and the early termination provisions set forth in Sections 6.6 and 6.7 hereof. At the expiration of the Exercise Period, any Award, or any part thereof, that has not been exercised within the term of the Award and the Shares covered thereby not paid for in accordance with this Plan and the Award Agreement shall terminate and become null and void, and all interests and rights of the Grantee in and to the same shall expire.

#### F. Termination.

1. Unless otherwise determined by the Committee, and subject to Section 6.7 hereof, an Award may not be exercised unless the Grantee is then a Service Provider of the Company or an Affiliate thereof or, in the case of an Incentive Stock Option, a company or a parent or subsidiary company of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies, and unless the Grantee has remained continuously so employed since the date of grant of the Award and throughout the vesting dates.

2. In the event that the employment or service of a Grantee shall terminate (other than by reason of death, Disability or Retirement), all Awards of such Grantee that are unvested at the time of such termination shall terminate on the date of such termination, and all Awards of such Grantee that are vested and exercisable at the time of such termination may be exercised within up to three (3) months after the date of such termination (or such different period as the Committee shall prescribe), but in any event no

later than the date of expiration of the Award's term as set forth in the Award Agreement or pursuant to this Plan; provided, however, that if the Company (or the Subsidiary or Affiliate, when applicable) shall terminate the Grantee's employment or service for Cause (as defined below) or if at any time during the Exercise Period (whether prior to and after termination of employment or service, and whether or not the Grantee's employment or service is terminated by either party as a result thereof), facts or circumstances arise or are discovered with respect to the Grantee that would have constituted Cause, all Awards theretofore granted to such Grantee (whether vested or not) shall, to the extent not theretofore exercised, terminate on the date of such termination (or on such subsequent date on which such facts or circumstances arise or are discovered, as the case may be) unless otherwise determined by the Committee; and any Shares issued upon exercise or (if applicable) vesting of Awards (including other Shares or securities issued or distributed with respect thereto), whether held by the Grantee or by the Trustee for the Grantee's benefit, shall be deemed to be irrevocably offered for sale to the Company, any of its Affiliates or any person designated by the Company to purchase, at the Company's election and subject to Applicable Law, either for no consideration, for the par value of such Shares (if shares bear a par value) or against payment of the Exercise Price previously received by the Company for such Shares upon their issuance, as the Committee deems fit, upon written notice to the Grantee at any time after the Grantee's termination of employment or service. Such Shares or other securities shall be sold and transferred within 30 days from the date of the Company's notice of its election to exercise its right. If the Grantee fails to transfer such Shares or other securities to the Company, the Company, at the decision of the Committee, shall be entitled to forfeit or repurchase such Shares and to authorize any person to execute on behalf of the Grantee any document necessary to effect such transfer, whether or not the share certificates are surrendered. The Company shall have the right and authority to affect the above either by: (i) repurchasing all of such Shares or other securities held by the Grantee or by the Trustee for the benefit of the Grantee, or designate any other person who shall have the right and authority to purchase all of Such Shares or other securities, for the Exercise Price paid for such Shares, the par value of such Shares (if shares bear a par value) or for no payment or consideration whatsoever, as the Committee deems fit; (ii) forfeiting all such Shares or other securities; (iii) redeeming all such Shares or other securities, for the Exercise Price paid for such Shares, the par value of such Shares (if shares bear a par value) or for no payment or consideration whatsoever, as the Committee deems fit; (iv) taking action in order to have such Shares or other securities converted into deferred shares entitling their holder only to their par value (if shares bear a par value) upon liquidation of the Company; or (v) taking any other action which may be required in order to achieve similar results; all as shall be determined by the Committee, at its sole and absolute discretion, and the Grantee is deemed to irrevocably empower the Company or any person which may be designated by it to take any action by, in the name of or on behalf of the Grantee to comply with and give effect to such actions (including, voting such shares, filling in, signing and delivering share transfer deeds, etc.).

3. Notwithstanding anything to the contrary, the Committee, in its absolute discretion, may, on such terms and conditions as it may determine appropriate, extend the periods for which Awards held by any Grantee may continue to vest and be exercisable; it being clarified that such Awards may lose their entitlement to certain tax benefits under Applicable Law as a result of the modification of such Awards and/or in the event that the Award is exercised beyond the later of: (i) three (3) months after the date of termination of the employment or service relationship; or (ii) the applicable period under Section 6.7 below with respect to a termination of the employment or service relationship because of the death, Disability or Retirement of Grantee.

4. For purposes of this Plan:

a. a termination of employment or service of a Grantee shall not be deemed to occur (except to the extent required by the Code with respect to the Incentive Stock Option status of an Option) in case of (i) a transition or transfer of a Grantee among the Company and its Affiliates, (ii) a change in the capacity in which the Grantee is employed or renders service to the Company or any of its Affiliates or a change in the identity of the employing or engagement entity among the Company and its Affiliates, provided, in case of (i) and (ii) above, that the Grantee has remained continuously employed by and/or in the service of the Company and its Affiliates since the date of grant of the Award and throughout the vesting period; or (iii) if the Grantee takes any unpaid leave as set forth in Section 6.8(i) below.

b. An entity or an Affiliate thereof assuming an Award or issuing in substitution thereof in a transaction to which Section 424(a) of the Code applies or in a Merger/Sale in accordance with Section 14 shall be deemed as an Affiliate of the Company for purposes of this Section 6.6, unless the Committee determines otherwise.

c. In the case of a Grantee whose principal employer or service recipient is a Subsidiary or Affiliate, the Grantee's employment shall also be deemed terminated for purposes of this Section 6.6 as of the date on which such principal employer or service recipient ceases to be a Subsidiary or Affiliate.

d. The term "**Cause**" shall mean (irrespective of, and in addition to, any definition included in any other agreement or instrument applicable to the Grantee, and unless otherwise determined by the Committee) any of the following: (i) any theft, fraud, embezzlement, dishonesty, willful misconduct, breach of fiduciary duty for personal profit, falsification of any documents or records of the Company or any of its Affiliates, felony or similar act by the Grantee (whether or not related to the Grantee's relationship with the Company); (ii) an act of moral turpitude by the Grantee, or any act that causes significant injury to, or is otherwise adversely affecting, the reputation, business, assets, operations or business relationship of the Company (or a Subsidiary or Affiliate, when applicable); (iii) any breach by the Grantee of any material agreement with or of any material duty of the Grantee to the Company or any Subsidiary or Affiliate thereof (including breach of confidentiality, non-disclosure, non-use non-competition or non-solicitation covenants towards the Company or any of its Affiliates) or failure to abide by code of conduct or other policies (including, without limitation, policies relating to confidentiality and reasonable workplace conduct); or (iv) any act which constitutes a breach of a Grantee's fiduciary duty towards the Company or an Affiliate or Subsidiary, including disclosure of confidential or proprietary information thereof or acceptance or solicitation to receive unauthorized or undisclosed benefits, irrespective of their nature, or funds, or promises to receive either, from individuals, consultants or corporate entities that the Company or a Subsidiary does business with; (v) the Grantee's unauthorized use, misappropriation, destruction, or diversion of any tangible or intangible asset or corporate opportunity of the Company or any of its Affiliates (including, without limitation, the improper use or disclosure of confidential or proprietary information); or (vi) any circumstances that constitute grounds for termination for cause under the Grantee's employment or service agreement with the Company or Affiliate, to the extent applicable. For the avoidance of doubt, the determination as to whether a termination is for Cause for purposes of this Plan, shall be made in good faith by the Committee and shall be final and binding on the Grantee.

---

**G. Death, Disability or Retirement of Grantee**

1. If a Grantee shall die while employed by, or performing service for, the Company or its Affiliates, or within the three (3) month period (or such longer period of time as determined by the Board, in its discretion) after the date of termination of such Grantee's employment or service (or within such different period as the Committee may have provided pursuant to Section 6.6 hereof), or if the Grantee's employment or service shall terminate by reason of Disability, all Awards theretofore granted to such Grantee may (to the extent otherwise vested and exercisable and unless earlier terminated in accordance with their terms) be exercised by the Grantee or by the Grantee's estate or by a person who acquired the legal right to exercise such Awards by bequest or inheritance, or by a person who acquired the legal right to exercise such Awards in accordance with applicable law in the case of Disability of the Grantee, as the case may be, at any time within five (5) years (or such longer period of time as determined by the Committee, in its discretion) after the death or Disability of the Grantee (or such different period as the Committee shall prescribe), but in any event no later than the date of expiration of the Award's term as set forth in the Award Agreement or pursuant to this Plan. In the event that an Award granted hereunder shall be exercised as set forth above by any person other than the Grantee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or proof satisfactory to the Committee of the right of such person to exercise such Award.

2. In the event that the employment or service of a Grantee shall terminate on account of such Grantee's Retirement, all Awards of such Grantee that are exercisable at the time of such Retirement may, unless earlier terminated in accordance with their terms, be exercised at any time within the three (3) month period after the date of such Retirement (or such different period as the Committee shall prescribe).

**H. Suspension of Vesting.** Unless the Committee provides otherwise, vesting of Awards granted hereunder shall be suspended during any unpaid leave of absence, other than in the case of any (i) leave of absence which was pre-approved by the Company explicitly for purposes of continuing the vesting of Awards, or (ii) transfers between locations of the Company or any of its Affiliates, or between the Company and any of its Affiliates, or any respective successor thereof. For clarity, for purposes of this Plan, military leave, statutory maternity or paternity leave or sick leave are not deemed unpaid leave of absence.

**I. Securities Law Restrictions.** Except as otherwise provided in the applicable Award Agreement or other agreement between the Service Provider and the Company, if the exercise of an Award following the termination of the Service Provider's employment or service (other than for Cause) would be prohibited at any time solely because the issuance of Shares would violate the registration requirements under the Securities Act or equivalent requirements under equivalent laws of other applicable jurisdictions, then the Award shall remain exercisable and terminate on the earlier of (i) the expiration of a period of three (3) months (or such longer period of time as determined by the Board, in its discretion) after the termination of the Service Provider's employment or service during which the exercise of the Award would not be in such violation, or (ii) the expiration of the term of the Award as set forth in the Award Agreement or pursuant to this Plan. In addition, unless otherwise provided in a Grantee's Award Agreement, if the sale of any Shares received upon exercise or (if applicable) vesting of an Award following the termination of the Grantee's employment or service (other than for Cause) would violate the Company's insider trading policy, then the Award shall terminate on the earlier of (i) the expiration of a period equal to the applicable post-termination exercise period after the termination of the Grantee's employment or service during which the exercise of the Award would not be in violation of the Company's insider trading policy, or (ii) the expiration of the term of the Award as set forth in the applicable Award Agreement or pursuant to this Plan.

**J. Voting Proxy.** Until immediately after the listing for trading on a stock exchange or market or trading system of the Company's (or the Successor Corporation's) shares, the Shares subject to an Award or to be issued pursuant to an Award or any other Securities, shall, unless otherwise determined by the Committee, be subject to an irrevocable proxy and power of attorney by the Grantee or the Trustee (if so requested from the Trustee), as the case may be, to the Company, which shall designate such person or persons (with a right of substitution) from time to time as determined by the Committee (and in the absence of such determination, the CEO or Chairman of the Board, ex officio). The Trustee is deemed to be instructed by the Grantee to sign such proxy, as requested by the Company. The proxy shall entitle the holder thereof to receive notices, vote and take such other actions in respect of the Shares or other Securities. Any person holding or exercising such voting proxies shall do so solely in his capacity as the proxy holder and not individually. All Awards granted hereunder shall be conditioned upon the execution of such irrevocable proxy in substantially the form prescribed by the Committee from time to time. So long as any such Shares are subject to such irrevocable proxy and power of attorney or held by a Trustee (and unless a proxy was given by the Trustee as aforesaid), (i) in any shareholders meeting or written consent in lieu thereof, such Shares shall be voted by the proxy holder (or the Trustee, as applicable), unless directed otherwise by the Board, in the same proportion as the result of the vote at the shareholders' meeting (or written consent in lieu thereof) in respect of which the Shares are being voted (whether an extraordinary or annual meeting, and whether of the share capital as one class or of any class thereof), and (ii) or in any act or consent of shareholders under the Company's Articles of Association or otherwise, such Shares shall be cast by the proxy holder (or the Trustee, as applicable), unless directed otherwise by the Board, in the same proportion as the result of the shareholders' act or consent. The provisions of this Section shall apply to the Grantee and to any purchaser, assignee or transferee of any Shares.

**K. Other Provisions.** The Award Agreement evidencing Awards under this Plan shall contain such other terms and conditions not inconsistent with this Plan as the Committee may determine, at or after the date of grant, including provisions in connection with the restrictions on transferring the Awards or Shares covered by such Awards, which shall be binding upon the Grantees and any purchaser, assignee or transferee of any Awards, and other terms and conditions as the Committee shall deem appropriate.

## **VII. NONQUALIFIED STOCK OPTIONS**

Awards granted pursuant to this Section 7 are intended to constitute Nonqualified Stock Options and shall be subject to the general terms and conditions specified in Section 6 hereof and other provisions of this Plan, except for any provisions of this Plan applying to Awards under different tax laws or regulations. In the event of any inconsistency or contradictions between the provisions of this Section 7 and the other terms of this Plan, this Section 7 shall prevail.

**A. Certain Limitations on Eligibility for Nonqualified Stock Options** Nonqualified Stock Options may not be granted to a Service Provider who is deemed to be a resident of the United States for purposes of taxation or who is otherwise subject to United States federal income tax unless the Shares underlying such Options constitute "service recipient stock" under Section 409A of the Code or unless such Options comply with the payment requirements of Section 409A of the Code.

**B. Exercise Price** The Exercise Price of a Nonqualified Stock Option shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option unless the Committee specifically indicates that the Awards will have a lower Exercise Price and the Award complies with Section 409A of the Code. Notwithstanding the foregoing, a Nonqualified Stock Option may be granted with an exercise price lower than the minimum exercise price set forth above if such Award is granted pursuant to an assumption or substitution for another option in a manner qualifying under the provisions of that complies with Section 424(a) of the Code 1.409A-1(b)(5)(v)(D) of the U.S. Treasury Regulations or any successor guidance.

## VIII. INCENTIVE STOCK OPTIONS.

AWARDS GRANTED PURSUANT TO THIS SECTION 8 ARE INTENDED TO CONSTITUTE INCENTIVE STOCK OPTIONS AND SHALL BE GRANTED SUBJECT TO THE FOLLOWING SPECIAL TERMS AND CONDITIONS, THE GENERAL TERMS AND CONDITIONS SPECIFIED IN SECTION 6 HEREOF AND OTHER PROVISIONS OF THIS PLAN, EXCEPT FOR ANY PROVISIONS OF THIS PLAN APPLYING TO AWARDS UNDER DIFFERENT TAX LAWS OR REGULATIONS. IN THE EVENT OF ANY INCONSISTENCY OR CONTRADICTIONS BETWEEN THE PROVISIONS OF THIS SECTION 8 AND THE OTHER TERMS OF THIS PLAN, THIS SECTION 8 SHALL PREVAIL.

**A. Eligibility for Incentive Stock Options.** Incentive Stock Options may be granted only to Employees of the Company, or to Employees of a Parent or Subsidiary, determined as of the date of grant of such Options. An Incentive Stock Option granted to a prospective Employee upon the condition that such person become an Employee shall be deemed granted effective on the date such person commences employment, with an exercise price determined as of such date in accordance with Section 8.2.

**B. Exercise Price.** The Exercise Price of an Incentive Stock Option shall not be less than one hundred percent (100%) of the Fair Market Value of the Shares covered by the Awards on the date of grant of such Option or such other price as may be determined pursuant to the Code. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an exercise price lower than the minimum exercise price set forth above if such Award is granted pursuant to an assumption or substitution for another option in a manner that complies with the provisions of Section 424(a) of the Code.

**C. Date of Grant.** Notwithstanding any other provision of this Plan to the contrary, no Incentive Stock Option may be granted under this Plan after 10 years from the date this Plan is adopted, or the date this Plan is approved by the shareholders, whichever is earlier.

**D. Exercise Period.** No Incentive Stock Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Award, subject to Section 8.6. No Incentive Stock Option granted to a prospective Employee may become exercisable prior to the date on which such person commences employment.

**E. \$100,000 Per Year Limitation.** The aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the Shares with respect to which all Incentive Stock Options granted under this Plan and all other "incentive stock option" plans of the Company, or of any Parent or Subsidiary or Affiliate, become exercisable for the first time by each Grantee during any calendar year shall not exceed one hundred thousand United States dollars (\$100,000) with respect to such Grantee. To the extent that the aggregate Fair Market Value of Shares with respect to which such Incentive Stock Options and any other such incentive stock options are exercisable for the first time by any Grantee during any calendar year exceeds one hundred thousand United States dollars (\$100,000), such options shall be treated as Nonqualified Stock Options. The foregoing shall be applied by taking options into account in the order in which they were granted. If the Code is amended to provide for a different limitation from that set forth in this Section 8.5, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Awards as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonqualified Stock Option in part by reason of the limitation set forth in this Section 8.5, the Grantee may designate which portion of such Option the Grantee is exercising. In the absence of such designation, the Grantee shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Separate certificates representing each such portion may be issued upon the exercise of the Option.

**F. Ten Percent Shareholder.** In the case of an Incentive Stock Option granted to a Ten Percent Shareholder, (i) the Exercise Price shall not be less than one hundred and ten percent (110%) of the Fair Market Value of a Share on the date of grant of such Incentive Stock Option, and (ii) the Exercise Period shall not exceed five (5) years from the effective date of grant of such Incentive Stock Option.

**G. Payment of Exercise Price.** Each Award Agreement evidencing an Incentive Stock Option shall state each alternative method by which the Exercise Price thereof may be paid.

**H. Leave of Absence.** Notwithstanding Section 6.8, a Grantee's employment shall not be deemed to have terminated if the Grantee takes any leave as set forth in Section 6.8(i); provided, however, that if any such leave exceeds three (3) months, on the day that is six (6) months following the commencement of such leave any Incentive Stock Option held by the Grantee shall cease to be treated as an Incentive Stock Option and instead shall be treated thereafter as a Nonqualified Stock Option, unless the Grantee's right to return to employment is guaranteed by statute or contract.

**I. Exercise Following Termination for Disability.** Notwithstanding anything else in this Plan to the contrary, Incentive Stock Options that are not exercised within three (3) months following termination of the Grantee's employment with the Company or its Parent or Subsidiary or a corporation or a Parent or Subsidiary of such corporation issuing or assuming an Option in a transaction to which Section 424(a) of the Code applies, or within one year in case of termination of the Grantee's employment with the Company or its Parent or Subsidiary due to a Disability (within the meaning of Section 22(e)(3) of the Code), shall be deemed to be Nonqualified Stock Options.

**J. Adjustments to Incentive Stock Options.** Any Awards Agreement providing for the grant of Incentive Stock Options shall indicate that adjustments made pursuant to this Plan with respect to Incentive Stock Options could constitute a "modification" of such Incentive Stock Options (as that term is defined in Section 424(h) of the Code) or could cause adverse tax consequences for the holder of such Incentive Stock Options and that the holder should consult with his or her tax advisor regarding the consequences of such "modification" on his or her income tax treatment with respect to the Incentive Stock Option.

**K. Notice to Company of Disqualifying Disposition.** Each Grantee who receives an Incentive Stock Option must agree to notify the Company in writing immediately after the Grantee makes a Disqualifying Disposition of any Shares received pursuant to the exercise of Incentive Stock Options. A "Disqualifying Disposition" is any disposition (including any sale) of such Shares before the later of (i) two years after the date the Grantee was granted the Incentive Stock Option, or (ii) one year after the date the Grantee acquired Shares by exercising the Incentive Stock Option. If the Grantee dies before such Shares are sold, these holding period requirements do not apply and no disposition of the Shares will be deemed a Disqualifying Disposition.

#### **IX. 102 AWARDS.**

**AWARDS GRANTED PURSUANT TO THIS SECTION 9 ARE INTENDED TO CONSTITUTE 102 AWARDS AND SHALL BE GRANTED SUBJECT TO THE FOLLOWING SPECIAL TERMS AND CONDITIONS, THE GENERAL TERMS AND CONDITIONS SPECIFIED IN SECTION 6 HEREOF AND OTHER PROVISIONS OF THIS PLAN, EXCEPT FOR ANY PROVISIONS OF THIS PLAN APPLYING TO AWARDS UNDER DIFFERENT TAX LAWS OR REGULATIONS. IN THE EVENT OF ANY INCONSISTENCY OR CONTRADICTIONS BETWEEN THE PROVISIONS OF THIS SECTION 9 AND THE OTHER TERMS OF THIS PLAN, THIS SECTION 9 SHALL PREVAIL.**

**A. Tracks.** Awards granted pursuant to this Section 9 are intended to be granted pursuant to Section 102 of the Ordinance pursuant to either (i) Section 102(b)(2) or (3) thereof (as applicable), under the capital gain track (“**102 Capital Gain Track Awards**”), or (ii) Section 102(b)(1) thereof under the ordinary income track (“**102 Ordinary Income Track Awards**”, and together with 102 Capital Gain Track Awards, “**102 Trustee Awards**”). 102 Trustee Awards shall be granted subject to the special terms and conditions contained in this Section 9, the general terms and conditions specified in Section 6 hereof and other provisions of this Plan, except for any provisions of this Plan applying to Options under different tax laws or regulations.

**B. Election of Track.** Subject to Applicable Law, the Company may grant only one type of 102 Trustee Awards at any given time to all Grantees who are to be granted 102 Trustee Awards pursuant to this Plan, and shall file an election with the ITA regarding the type of 102 Trustee Awards it elects to grant before the date of grant of any 102 Trustee Awards (the “**Election**”). Such Election shall also apply to any other securities, including bonus shares, received by any Grantee as a result of holding the 102 Trustee Awards. The Company may change the type of 102 Trustee Awards that it elects to grant only after the expiration of at least 12 months from the end of the year in which the first grant was made in accordance with the previous Election, or as otherwise provided by Applicable Law. Any Election shall not prevent the Company from granting Awards, pursuant to Section 102(c) of the Ordinance without a Trustee (“**102 Non-Trustee Awards**”).

**C. Eligibility for Awards.**

1. Subject to Applicable Law, 102 Awards may only be granted to an “employee” within the meaning of Section 102(a) of the Ordinance (which as of the date of the adoption of this Plan means (i) individuals employed by an Israeli company being the Company or any of its Affiliates, and (ii) individuals who are serving and are engaged personally (and not through an entity) as “office holders” by such an Israeli company), but may not be granted to a Controlling Shareholder (“**Eligible 102 Grantees**”). Eligible 102 Grantees may receive only 102 Awards, which may either be granted to a Trustee or granted under Section 102 of the Ordinance without a Trustee.

**D. 102 Award Grant Date.**

1. Each 102 Award will be deemed granted on the date determined by the Committee, subject to Section 9.4.2, provided that (i) the Grantee has signed all documents required by the Company or pursuant to Applicable Law, and (ii) with respect to 102 Trustee Award, the Company has provided all applicable documents to the Trustee in accordance with the guidelines published by the ITA, and if an agreement is not signed and delivered by the Grantee within 90 days from the date determined by the Committee (subject to Section 9.4.2), then such 102 Trustee Award shall be deemed granted on such later date as such agreement is signed and delivered and on which the Company has provided all applicable documents to the Trustee in accordance with the guidelines published by the ITA. In the case of any contradiction, this provision and the date of grant determined pursuant hereto shall supersede and be deemed to amend any date of grant indicated in any corporate resolution or Award Agreement.

2. Unless otherwise permitted by the Ordinance, any grants of 102 Trustee Awards that are made on or after the date of the adoption of this Plan or an amendment to this Plan, as the case may be, that may become effective only at the expiration of thirty (30) days after the filing of this Plan or any amendment thereof (as the case may be) with the ITA in accordance with the Ordinance shall be conditional upon the expiration of such 30-day period, such condition shall be read and is incorporated by reference into any corporate resolutions approving such grants and into any Award Agreement evidencing such grants (whether or not explicitly referring to such condition), and the date of grant shall be at the expiration of such 30-day period, whether or not the date of grant indicated therein corresponds with this Section. In the case of any contradiction, this provision and the date of grant determined pursuant hereto shall supersede and be deemed to amend any date of grant indicated in any corporate resolution or Award Agreement.

**E. 102 Trustee Awards.**

1. Each 102 Trustee Award, each Share issued pursuant to the exercise of any 102 Trustee Award, and any rights granted thereunder, including bonus shares, shall be issued to and registered in the name of the Trustee and shall be held in trust for the benefit of the Grantee for the requisite period prescribed by the Ordinance or such longer period as set by the Committee (the "**Required Holding Period**"). In the event that the requirements under Section 102 of the Ordinance to qualify an Award as a 102 Trustee Award are not met, then the Award may be treated as a 102 Non-Trustee Award or 3(9) Award, all in accordance with the provisions of the Ordinance. After expiration of the Required Holding Period, the Trustee may release such 102 Trustee Awards and any such Shares, provided that (i) the Trustee has received an acknowledgment from the ITA that the Grantee has paid any applicable taxes due pursuant to the Ordinance, or (ii) the Trustee and/or the Company and/or its Affiliate withholds all applicable taxes and compulsory payments due pursuant to the Ordinance arising from the 102 Trustee Awards and/or any Shares issued upon exercise or (if applicable) vesting of such 102 Trustee Awards. The Trustee shall not release any 102 Trustee Awards or Shares issued upon exercise or (if applicable) vesting thereof prior to the payment in full of the Grantee's tax and compulsory payments arising from such 102 Trustee Awards and/or Shares or the withholding referred to in (ii) above.

2. Each 102 Trustee Award shall be subject to the relevant terms of the Ordinance, the Rules and any determinations, rulings or approvals issued by the ITA, which shall be deemed an integral part of the 102 Trustee Awards and shall prevail over any term contained in this Plan or Award Agreement that is not consistent therewith. Any provision of the Ordinance, the Rules and any determinations, rulings or approvals by the ITA not expressly specified in this Plan or Award Agreement that are necessary to receive or maintain any tax benefit pursuant to Section 102 of the Ordinance shall be binding on the Grantee. The Grantee granted a 102 Trustee Awards shall comply with the Ordinance and the terms and conditions of the trust agreement entered into between the Company and the Trustee. The Grantee shall execute any and all documents that the Company and/or its Affiliates and/or the Trustee determine from time to time to be necessary in order to comply with the Ordinance and the Rules.

3. During the Required Holding Period, the Grantee shall not release from trust or sell, assign, transfer or give as collateral, the Shares issuable upon the exercise or (if applicable) vesting of a 102 Trustee Awards and/or any securities issued or distributed with respect thereto, until the expiration of the Required Holding Period. Notwithstanding the above, if any such sale, release or other action occurs during the Required Holding Period it may result in adverse tax consequences to the Grantee under Section 102 of the Ordinance and the Rules, which shall apply to and shall be borne solely by such Grantee. Subject to the foregoing, the Trustee may, pursuant to a written request from the Grantee, but subject to the terms of this Plan, release and transfer such Shares to a designated third party, provided that both of the following conditions have been fulfilled prior to such release or transfer: (i) payment has been made to the ITA of all taxes and compulsory payments required to be paid upon the release and transfer of the Shares, and confirmation of such payment has been received by the Trustee and the Company, and (ii) the Trustee has received written confirmation from the Company that all requirements for such release and transfer have been fulfilled according to the terms of the Company's corporate documents, any agreement governing the Shares, this Plan, the Award Agreement and any Applicable Law.

4. If a 102 Trustee Award is exercised or (if applicable) vested, the Shares issued upon such exercise or (if applicable) vesting shall be issued in the name of the Trustee for the benefit of the Grantee.

5. Upon or after receipt of a 102 Trustee Award, if required, the Grantee may be required to sign an undertaking to release the Trustee from any liability with respect to any action or decision duly taken and executed in good faith by the Trustee in relation to this Plan, or any 102 Trustee Awards or Share granted to such Grantee thereunder.

**F. 102 Non-Trustee Awards.** The foregoing provisions of this Section 9 relating to 102 Trustee Awards shall not apply with respect to 102 Non-Trustee Awards, which shall, however, be subject to the relevant provisions of Section 102 of the Ordinance and the applicable Rules. The Committee may determine that 102 Non-Trustee Awards, the Shares issuable upon the exercise or (if applicable) vesting of a 102 Non-Trustee Awards and/or any securities issued or distributed with respect thereto, shall be allocated or issued to the Trustee, who shall hold such 102 Non-Trustee Awards and all accrued rights thereon (if any), in trust for the benefit of the Grantee and/or the Company, as the case may be, until the full payment of tax arising from the 102 Non-Trustee Awards, the Shares issuable upon the exercise or (if applicable) vesting of a 102 Non-Trustee Awards and/or any securities issued or distributed with respect thereto. The Company may choose, alternatively, to force the Grantee to provide it with a guarantee or other security, to the satisfaction of each of the Trustee and the Company, until the full payment of the applicable taxes.

**G. Israeli Index Base for 102 Awards.** Each 102 Award will be subject to the Israeli index base of the Value of Benefit, as defined in Section 102(a) of the Ordinance, as determined by the Committee in its discretion, pursuant to the Rules, from time to time. The Committee may amend (which may have a retroactive effect) the Israeli index base, pursuant to the Ordinance, without the Grantee's consent.

**H. Written Grantee Undertaking.** To the extent and with respect to any 102 Trustee Award, and as required by Section 102 of the Ordinance and the Rules, by virtue of the receipt of such Award, the Grantee is deemed to have undertaken and confirm in writing the following (and such undertaking is deemed incorporated into any documents signed by the Grantee in connection with the employment or service of the Grantee and/or the grant of such Award). The following written undertaking shall be deemed to apply and relate to all 102 Trustee Awards granted to the Grantee, whether under this Plan or other plans maintained by the Company, and whether prior to or after the date hereof.

1. The Grantee shall comply with all terms and conditions set forth in Section 102 of the Ordinance with regard to the "Capital Gain Track" or the "Ordinary Income Track", as applicable, and the applicable rules and regulations promulgated thereunder, as amended from time to time;

2. The Grantee is familiar with, and understands the provisions of, Section 102 of the Ordinance in general, and the tax arrangement under the "Capital Gain Track" or the "Ordinary Income Track" in particular, and its tax consequences; the Grantee agrees that the 102 Trustee Awards and Shares that may be issued upon exercise or (if applicable) vesting of the 102 Trustee Awards (or otherwise in relation to the 102 Trustee Awards), will be held by a trustee appointed pursuant to Section 102 of the Ordinance for at least the duration of the "Holding Period" (as such term is defined in Section 102) under the "Capital Gain Track" or the "Ordinary Income Track", as applicable. The Grantee understands that any release of such 102 Trustee Awards or Shares from trust, or any sale of the Share prior to the termination of the Holding Period, as defined above, will result in taxation at marginal tax rate, in addition to deductions of appropriate social security, health tax contributions or other compulsory payments; and

3. The Grantee agrees to the trust deed signed between the Company, his employing company and the trustee appointed pursuant to Section 102 of the Ordinance.

**X. 3(9) AWARDS.**

Awards granted pursuant to this Section 10 are intended to constitute 3(9) Awards and shall be granted subject to the general terms and conditions specified in Section 6 hereof and other provisions of this Plan, except for any provisions of this Plan applying to Awards under different tax laws or regulations. In the event of any inconsistency or contradictions between the provisions of this Section 10 and the other terms of this Plan, this Section 10 shall prevail.

A. To the extent required by the Ordinance or the ITA or otherwise deemed by the Committee to be advisable, the 3(9) Awards and/or any shares or other securities issued or distributed with respect thereto granted pursuant to this Plan shall be issued to a Trustee nominated by the Committee in accordance with the provisions of the Ordinance. In such event, the Trustee shall hold such Awards and/or any shares or other securities issued or distributed with respect thereto in trust, until exercised or (if applicable) vested by the Grantee and the full payment of tax arising therefrom, pursuant to the Company's instructions from time to time as set forth in a trust agreement, which will have been entered into between the Company and the Trustee. If determined by the Board or the Committee, and subject to such trust agreement, the Trustee shall be responsible for withholding any taxes to which a Grantee may become liable upon issuance of Shares, whether due to the exercise or (if applicable) vesting of Awards.

B. Shares pursuant to a 3(9) Award shall not be issued, unless the Grantee delivers to the Company payment in cash or by bank check or such other form acceptable to the Committee of all withholding taxes due, if any, on account of the Grantee acquired Shares under the Award or gives other assurance satisfactory to the Committee of the payment of those withholding taxes.

**XI. RESTRICTED SHARES.**

**THE COMMITTEE MAY AWARD RESTRICTED SHARES TO ANY ELIGIBLE GRANTEE, INCLUDING UNDER SECTION 102 OF THE ORDINANCE. EACH AWARD OF RESTRICTED SHARES UNDER THIS PLAN SHALL BE EVIDENCED BY A WRITTEN AGREEMENT BETWEEN THE COMPANY AND THE GRANTEE (THE "RESTRICTED SHARE AGREEMENT"), IN SUCH FORM AS THE COMMITTEE SHALL FROM TIME TO TIME APPROVE. THE RESTRICTED SHARES SHALL BE SUBJECT TO ALL APPLICABLE TERMS OF THIS PLAN, WHICH IN THE CASE OF RESTRICTED SHARES GRANTED UNDER SECTION 102 OF THE ORDINANCE SHALL INCLUDE SECTION 9 HEREOF, AND MAY BE SUBJECT TO ANY OTHER TERMS THAT ARE NOT INCONSISTENT WITH THIS PLAN. THE PROVISIONS OF THE VARIOUS RESTRICTED SHARES AGREEMENTS ENTERED INTO UNDER THIS PLAN NEED NOT BE IDENTICAL. THE RESTRICTED SHARE AGREEMENT SHALL COMPLY WITH AND BE SUBJECT TO SECTION 6 AND THE FOLLOWING TERMS AND CONDITIONS, UNLESS OTHERWISE SPECIFICALLY PROVIDED IN SUCH AGREEMENT AND NOT INCONSISTENT WITH THIS PLAN, OR APPLICABLE LAW:**

A. Purchase Price. Section 6.4 shall not apply. Each Restricted Share Agreement shall state an amount of Exercise Price to be paid by the Grantee, if any, in consideration for the issuance of the Restricted Shares and the terms of payment thereof, which may include, payment in cash or, subject to the Committee's approval, by issuance of promissory notes or other evidence of indebtedness on such terms and conditions as determined by the Committee.

**B. Restrictions.** Restricted Shares may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except by will or the laws of descent and distribution (in which case they shall be transferred subject to all restrictions then or thereafter applicable thereto), until such Restricted Shares shall have vested (the period from the date on which the Award is granted until the date of vesting of the Restricted Share thereunder being referred to herein as the “**Restricted Period**”). The Committee may also impose such additional or alternative restrictions and conditions on the Restricted Shares, as it deems appropriate, including the satisfaction of performance criteria. Such performance criteria may include, but are not limited to, sales, earnings before interest and taxes, return on investment, earnings per share, any combination of the foregoing or rate of growth of any of the foregoing, as determined by the Committee or pursuant to the provisions of any Company policy required under mandatory provisions of Applicable Law. Certificates for shares issued pursuant to Restricted Share Awards, if issued, shall bear an appropriate legend referring to such restrictions, and any attempt to dispose of any such shares in contravention of such restrictions shall be null and void and without effect. Such certificates may, if so determined by the Committee, be held in escrow by an escrow agent appointed by the Committee, or, if a Restricted Share Award is made pursuant to Section 102 of the Ordinance, by the Trustee. In determining the Restricted Period of an Award the Committee may provide that the foregoing restrictions shall lapse with respect to specified percentages of the awarded Restricted Shares on successive anniversaries of the date of such Award. To the extent required by the Ordinance or the ITA, the Restricted Shares issued pursuant to Section 102 of the Ordinance shall be issued to the Trustee in accordance with the provisions of the Ordinance and the Restricted Shares shall be held for the benefit of the Grantee for at least the Required Holding Period.

**C. Forfeiture: Repurchase.** Subject to such exceptions as may be determined by the Committee, if the Grantee’s continuous employment with or service to the Company or any Affiliate thereof shall terminate for any reason prior to the expiration of the Restricted Period of an Award or prior to the timely payment in full of the Exercise Price of any Restricted Shares, any Shares remaining subject to vesting or with respect to which the purchase price has not been paid in full, shall thereupon be forfeited, transferred to, and redeemed, repurchased or cancelled by, as the case may be, in any manner as set forth in Section 6.6.2(i) through (v), subject to Applicable Laws and the Grantee shall have no further rights with respect to such Restricted Shares.

**D. Ownership.** During the Restricted Period the Grantee shall possess all incidents of ownership of such Restricted Shares, subject to Section 6.10 and Section 11.2, including the right to vote and receive dividends with respect to such Shares. All securities, if any, received by a Grantee with respect to Restricted Shares as a result of any stock split, stock dividend, combination of shares, or other similar transaction shall be subject to the restrictions applicable to the original Award.

## **XII. RESTRICTED SHARE UNITS.**

An RSU is an Award covering a number of Shares that is settled, if vested and (if applicable) exercised, by issuance of those Shares. An RSU may be awarded to any eligible Grantee, including under Section 102 of the Ordinance, provided that, to the extent required by Applicable Laws, a specific ruling is obtained from the ITA to grant RSUs as 102 Trustee Awards. The Award Agreement relating to the grant of RSUs under this Plan (the “**Restricted Share Unit Agreement**”), shall be in such form as the Committee shall from time to time approve. The RSUs shall be subject to all applicable terms of this Plan, which in the case of RSUs granted under Section 102 of the Ordinance shall include Section 9 hereof, and may be subject to any other terms that are not inconsistent with this Plan. The provisions of the various Restricted Share Unit Agreements entered into under this Plan need not be identical. RSUs may be granted in consideration of a reduction in the recipient’s other compensation.

**A. Exercise Price.** No payment of Exercise Price shall be required as consideration for RSUs, unless included in the Award Agreement or as required by Applicable Law (including, Section 304 of the Companies Law, 1999, as amended), and Section 6.4 shall apply, if applicable.

**B. Shareholders' Rights.** The Grantee shall not possess or own any ownership rights in the Shares underlying the RSUs and no rights as a shareholder shall exist prior to the actual issuance of Shares in the name of the Grantee.

**C. Settlements of Awards.** Settlement of vested RSUs shall be made in the form of Shares. Distribution to a Grantee of an amount (or amounts) from settlement of vested RSUs can be deferred to a date after settlement as determined by the Committee. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents. Until the grant of RSUs is settled, the number of Shares underlying such RSUs shall be subject to adjustment pursuant hereto.

**D. Section 409A Restrictions.** Notwithstanding anything to the contrary set forth herein, any RSUs granted under this Plan that are not exempt from the requirements of Section 409A of the Code shall contain such restrictions or other provisions so that such RSUs will comply with the requirements of Section 409A of the Code, if applicable to the Company. Such restrictions, if any, shall be determined by the Committee and contained in the Restricted Share Unit Agreement evidencing such RSU. For example, such restrictions may include a requirement that any Shares that are to be issued in a year following the year in which the RSU vests must be issued in accordance with a fixed, pre-determined schedule.

### **XIII. OTHER SHARE OR SHARE-BASED AWARDS.**

**A.** The Committee may grant other Awards under this Plan pursuant to which Shares (which may, but need not, be Restricted Shares pursuant to Section 11 hereof), cash (in settlement of Share-based Awards) or a combination thereof, are or may in the future be acquired or received, or Awards denominated in stock units, including units valued on the basis of measures other than market value.

**B.** The Committee may also grant stock appreciation rights without the grant of an accompanying option, which rights shall permit the Grantees to receive, at the time of any exercise of such rights, cash equal to the amount by which the Fair Market Value of the Shares in respect to which the right was granted is so exercised exceed the exercise price thereof. The exercise price of any such stock appreciation right granted to a Grantee who is subject to U.S. federal income tax shall be determined in compliance with Section 7.2.

**C.** Such other Share-based Awards as set forth above may be granted alone, in addition to, or in tandem with any Award of any type granted under this Plan.

### **XIV. EFFECT OF CERTAIN CHANGES.**

**A. General.** In the event of a division or subdivision of the outstanding share capital of the Company, any distribution of bonus shares (stock split), consolidation or combination of share capital of the Company (reverse stock split), reclassification with respect to the Shares or any similar recapitalization events (each, a "**Recapitalization**"), a merger (including, a reverse merger and a reverse triangular merger), consolidation, amalgamation or like transaction of the Company with or into another corporation, a reorganization (which may include a combination or exchange of shares, spin-off or other corporate divestiture or division, or other similar occurrences, the Committee shall have the authority to make, without the need for a consent of any holder of an Award, such adjustments as determined by the Committee to be appropriate, in its discretion, in order to adjust (i) the number and class of shares reserved and available for grants of Awards, (ii) the number and class of shares covered by outstanding Awards, (iii) the Exercise Price per share covered by any Award, (iv) the terms and conditions concerning vesting and exercisability and the term and duration of the outstanding Awards, and (v) any other terms of the Award that in the opinion of the Committee should be adjusted. Any fractional shares

resulting from such adjustment shall be treated as determined by the Committee, and in the absence of such determination shall be rounded to the nearest whole share, and the Company shall have no obligation to make any cash or other payment with respect to such fractional shares. No adjustment shall be made by reason of the distribution of subscription rights or rights offering to outstanding shares or other issuance of shares by the Company, unless the Committee determines otherwise. The adjustments determined pursuant to this Section 14.1 (including a determination that no adjustment is to be made) shall be final, binding and conclusive.

**B. Merger/Sale of Company.** In the event of (i) a sale of all or substantially all of the assets of the Company, or a sale (including an exchange) of all or substantially all of the shares of the Company, to any person, or a purchase by a shareholder of the Company or by an Affiliate of such shareholder, of all the shares of the Company held by all or substantially all other shareholders or by other shareholders who are not Affiliated with such acquiring party; (ii) a merger (including, a reverse merger and a reverse triangular merger), consolidation, amalgamation or like transaction of the Company with or into another corporation; (iii) a scheme of arrangement for the purpose of effecting such sale, merger, consolidation, amalgamation or other transaction; (iv) approval by the shareholders of the Company of a complete liquidation or dissolution of the Company, or (v) such other transaction or set of circumstances that is determined by the Board, in its discretion, to be a transaction subject to the provisions of this Section 14.2 excluding any of the above transactions in clauses (i) through (v) if the Board determines that such transaction should be excluded from the definition hereof and the applicability of this Section 14.2 (such transaction, a “**Merger/Sale**”), then, without derogating from the general authority and power of the Board or the Committee under this Plan, without the Grantee’s consent and action and without any prior notice requirement:

**1.** Unless otherwise determined by the Committee in its sole and absolute discretion, any Award then outstanding shall be assumed or be substituted by the Company, or by the successor corporation in such Merger/Sale or by any parent or Affiliate thereof, as determined by the Committee in its discretion (the “**Successor Corporation**”), under terms as determined by the Committee or the terms of this Plan applied by the Successor Corporation to such assumed or substituted Awards.

For the purposes of this Section 14.2.1, the Award shall be considered assumed or substituted if, following a Merger/Sale, the Award confers on the holder thereof the right to purchase or receive, for each Share underlying an Award immediately prior to the Merger/Sale, either (i) the consideration (whether stock, cash, or other securities or property, or any combination thereof) distributed to or received by holders of Shares in the Merger/Sale for each Share held on the effective date of the Merger/Sale (and if holders were offered a choice or several types of consideration, the type of consideration as determined by the Committee), or (ii) regardless of the consideration received by the holders of Shares in the Merger/Sale, solely shares or any type of Awards (or their equivalent) of the Successor Corporation at a value to be determined by the Committee in its discretion, or a certain type of consideration (whether stock, cash, or other securities or property, or any combination thereof) as determined by the Committee. Any of the above consideration referred to in clauses (i) and (ii) shall be subject to the same vesting and expiration terms of the Awards applying immediately prior to the Merger/Sale, unless determined by the Committee in its discretion that the consideration shall be subject to different vesting and expiration terms, or other terms, and the Committee may determine that it be subject to other or additional terms. The foregoing shall not limit the Committee’s authority to determine, in its sole discretion, that in lieu of such assumption or substitution of Awards for Awards of the Successor Corporation, such Award will be substituted for any other type of asset or property, including as set forth in Section 14.2.2 hereunder.

2. Regardless of whether or not Awards are assumed or substituted, the Committee may (but shall not be obligated to), in its sole discretion:

a. provide for the Grantee to have the right to exercise the Award in respect of Shares covered by the Award which would otherwise be exercisable or vested, under such terms and conditions as the Committee shall determine, and the cancellation of all unexercised Awards (whether vested or unvested) upon or immediately prior to the closing of the Merger/Sale, unless the Committee provides for the Grantee to have the right to exercise the Award, or otherwise for the acceleration of vesting of such Award, as to all or part of the Shares covered by the Award which would not otherwise be exercisable or vested, under such terms and conditions as the Committee shall determine; and/or

b. provide for the cancellation of each outstanding Award at or immediately prior to the closing of such Merger/Sale, and if and to the extent payment shall be made to the Grantee of an amount in cash, shares of the Company, the acquiror or of a corporation or other business entity which is a party to the Merger/Sale or other property, as determined by the Committee to be fair in the circumstances, and subject to such terms and conditions as determined by the Committee. The Committee shall have full authority to select the method for determining the payment (being the Black-Scholes model or any other method). *Inter alia*, and without limitation of the following determination being made in other circumstances, the Committee's determination may provide that payment shall be set to zero if the value of the Shares is determined to be less than the Exercise Price, or in respect of Shares covered by the Award which would not otherwise be exercisable or vested, or that payment may be made only in excess of the Exercise Price.

3. The Committee may, in its sole discretion, determine: that any payments made in respect of Awards shall be made or delayed to the same extent that payment of consideration to the holders of the Shares in connection with the Merger/Sale is made or delayed as a result of escrows, indemnification, earn outs, holdbacks or any other contingencies or conditions; and the terms and conditions applying to the payment made to the Grantees, including participation in escrow, indemnification, releases, earn-outs, holdbacks or any other contingencies.

4. The Committee may, in its sole discretion, determine to suspend the Grantee's rights to exercise any vested portion of an Award for a period of time prior to the signing or consummation of a Merger/Sale transaction.

5. Notwithstanding anything to the contrary, in the event of a Merger/Sale, the Committee may determine, in its sole discretion, that upon consummation of such Merger/Sale the terms of any Award shall be otherwise amended, modified or terminated, as the Committee shall deem in good faith to be appropriate and without any liability to the Company or its Affiliates and to their respective officers, directors, employees and representatives and the respective successors and assigns of any of the foregoing in connection with the method of treatment or chosen course of action permitted hereunder.

6. Neither the authorities and powers of the Committee under this Section 14.2, nor the exercise or implementation thereof, shall (i) be restricted or limited in any way by any adverse consequences (tax or otherwise) that may result to any holder of an Award, and (ii) as, *inter alia*, being a feature of the Award upon its grant, be deemed to constitute a change or an amendment of the rights of such holder under this Plan, nor shall any such adverse consequences (as well as any adverse tax consequences that may result from any tax ruling or other approval or determination of any relevant tax authority) be deemed to constitute a change or an amendment of the rights of such holder under this Plan, and may be effected without consent of any Grantee and without any liability to the Company or its Affiliates and to their respective its officers, directors, employees and representatives and the respective successors and assigns of any of the foregoing. The Committee need not take

the same action with respect to all Awards or with respect to all Service Providers. The Committee may take different actions with respect to the vested and unvested portions of an Award. The Committee may determine an amount or type of consideration to be received or distributed in a Merger/Sale which may differ as among the Grantees, and as between the Grantees and any other holders of shares of the Company.

7. The Committee's determinations pursuant to this Section 14 shall be conclusive and binding on all Grantees.

8. If determined by the Committee, the Grantees shall be subject to the definitive agreement(s) in connection with the Merger/Sale as applying to holders of Shares including, such terms, conditions, representations, undertakings, liabilities, limitations, releases, indemnities, participating in transaction expenses, shareholders/sellers representative expense fund and escrow arrangement, in each case as determined by the Committee. Each Grantee shall execute such separate agreement(s) or instruments as may be requested by the Company, the Successor Corporation or the acquirer in connection with such in such Merger/Sale and in the form required by them. The execution of such separate agreement(s) may be a condition to the receipt of assumed or substituted Awards, payment in lieu of the Award or the exercise of any Award.

**C. Reservation of Rights.** Except as expressly provided in this Section 14 (if any), the Grantee of an Award hereunder shall have no rights by reason of any Recapitalization of shares of any class, any increase or decrease in the number of shares of any class, or any dissolution, liquidation, reorganization (which may include a combination or exchange of shares, spin-off or other corporate divestiture or division, or other similar occurrences), Merger/Sale. Any issue by the Company of shares of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number, type or price of shares subject to an Award. The grant of an Award pursuant to this Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structures or to merge or to consolidate or to dissolve, liquidate or sell, or transfer all or part of its business or assets or engage in any similar transactions.

#### **XV. NON-TRANSFERABILITY OF AWARDS; SURVIVING BENEFICIARY.**

A. All Awards granted under this Plan by their terms shall not be transferable other than by will or by the laws of descent and distribution, unless otherwise determined by the Committee or under this Plan, provided that with respect to Shares issued upon exercise or (if applicable) the vesting of Awards the restrictions on transfer shall be the restrictions referred to in Section 16 (Conditions upon Issuance of Shares) hereof. Subject to the above provisions, the terms of such Award, this Plan and any applicable Award Agreement shall be binding upon the beneficiaries, executors, administrators, heirs and successors of such Grantee. Awards may be exercised or otherwise realized, during the lifetime of the Grantee, only by the Grantee or by his guardian or legal representative, to the extent provided for herein. Any transfer of an Award not permitted hereunder (including transfers pursuant to any decree of divorce, dissolution or separate maintenance, any property settlement, any separation agreement or any other agreement with a spouse) and any grant of any interest in any Award to, or creation in any way of any direct or indirect interest in any Award by, any party other than the Grantee shall be null and void and shall not confer upon any party or person, other than the Grantee, any rights. A Grantee may file with the Committee a written designation of a beneficiary, who shall be permitted to exercise such Grantee's Award or to whom any benefit under this Plan is to be paid, in each case, in the event of the Grantee's death before he or she fully exercises his or her Award or receives any or all of such benefit, on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Grantee, the executor or administrator of the Grantee's estate shall be deemed to be the Grantee's beneficiary. Notwithstanding the foregoing, upon the request of the Grantee and subject to Applicable Law the Committee, at its sole discretion, may permit the Grantee to transfer the Award to a trust whose beneficiaries are the Grantee and/or the Grantee's immediate family members (all or several of them).

B. Notwithstanding any other provisions of the Plan to the contrary, no Incentive Stock Option may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution or in accordance with a beneficiary designation pursuant to Section 15.1. Further, all Incentive Stock Options granted to a Grantee shall be exercisable during his or her lifetime only by such Grantee.

C. As long as the Shares are held by the Trustee in favor of the Grantee, all rights possessed by the Grantee over the Shares are personal, and may not be transferred, assigned, pledged or mortgaged, other than by will or laws of descent and distribution.

D. If and to the extent a Grantee is entitled to transfer an Award and/or Shares underlying an Award in accordance with the terms of the Plan and any other applicable agreements, such transfer shall be subject (in addition, to any other conditions or terms applying thereto) to receipt by the Company from such proposed transferee of a written instrument, on a form reasonably acceptable to the Company, pursuant to which such proposed transferee agrees to be bound by all provisions of the Plan and any other applicable agreements, including without limitation, any restrictions on transfer of the Award and/or Shares set forth herein (however, failure to so deliver such instrument to the Company as set forth above shall not derogate from all such provisions applying on any transferee).

E. The provisions of this Section 15 shall apply to the Grantee and to any purchaser, assignee or transferee of any Shares.

#### **XVI. CONDITIONS UPON ISSUANCE OF SHARES; GOVERNING PROVISIONS.**

A. Legal Compliance. The grant of Awards and the issuance of Shares upon exercise or settlement of Awards shall be subject to compliance with all Applicable Laws as determined by the Company, including, applicable requirements of federal, state and foreign law with respect to such securities. The Company shall have no obligations to issue Shares pursuant to the exercise or settlement of an Award and Awards may not be exercised or settled, if the issuance of Shares upon exercise or settlement would constitute a violation of any Applicable Laws as determined by the Company, including, applicable federal, state or foreign securities laws or other law or regulations or the requirements of any stock exchange or market system upon which the Shares may then be listed. In addition, no Award may be exercised unless (i) a registration statement under the Securities Act shall at the time of exercise or settlement of the Award be in effect with respect to the shares issuable upon exercise of the Award, or (ii) in the opinion of legal counsel to the Company, the shares issuable upon exercise of the Award may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. The inability of the Company to obtain authority from any regulatory body having jurisdiction, if any, deemed by the Company to be necessary to the lawful issuance and sale of any Shares hereunder, and the inability to issue Shares hereunder due to non-compliance with any Company policies with respect to the sale of Shares, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority or compliance shall not have been obtained or achieved. As a condition to the exercise of an Award, the Company may require the person exercising such Award to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any Applicable Law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company, including to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares, all in form and content specified by the Company.

**B. Provisions Governing Shares.** Shares issued pursuant to an Award shall be subject to the Articles of Association of the Company, any limitation, restriction or obligation included in any shareholders agreement applicable to all or substantially all of the holders of shares (regardless of whether or not the Grantee is a formal party to such shareholders agreement), any other governing documents of the Company, all policies, manuals and internal regulations adopted by the Company from time to time, in each case, as may be amended from time to time, including any provisions included therein concerning restrictions or limitations on disposition of Shares (such as, but not limited to, right of first refusal and lock up/market stand-off) or grant of any rights with respect thereto, forced sale and bring along provisions, any provisions concerning restrictions on the use of inside information and other provisions deemed by the Company to be appropriate in order to ensure compliance with Applicable Laws. Each Grantee shall execute such separate agreement(s) as may be requested by the Company relating to matters set forth in this Section 16.2. The execution of such separate agreement(s) may be a condition by the Company to the exercise of any Award.

**C. Forced Sale.** In the event the that Board approves a Merger/Sale effected by way of a forced or compulsory sale (whether pursuant to the Company's Articles of Association or pursuant to Section 341 of the Companies Law), then, without derogating from such provisions and in addition thereto, the Grantee shall be obligated, and shall be deemed to have agreed to the offer to effect the Merger/Sale on the terms approved by the Board (and the Shares held by or for the benefit of the Grantee shall be included in the shares of the Company approving the terms of such Merger/Sale for the purpose of satisfying the required majority), and shall sell all of the Shares held by or for the benefit of the Grantee on the terms and conditions applying to the holders of Shares, in accordance with the instructions then issued by the Board, whose determination shall be final. No Grantee shall contest, bring any claims or demands, or exercise any appraisal rights related to any of the foregoing. The proxy pursuant to Section 6.10 includes an authorization of the holder of such proxy to sign, by and on behalf of any Grantee, such documents and agreements as are required to affect the sale of Shares in connection with such Merger/Sale.

**D. Share Transfer Restrictions.** Any transfer or other disposition of Shares or any interest therein is subject to the prior approval of the Board, which, if granted (without any obligation to do so), may be subject to such terms, conditions and restrictions, as it deems appropriate. The terms, conditions and restrictions of any approval may differ from one Grantee to another, and need not be the same. Any transfer or otherwise grant of any interest in any Shares to any third party that does not comply with this Section shall be null and void and shall not confer upon any person, other than the Grantee, any rights. This Section shall terminate immediately after the public offering of securities of the Company pursuant to an effective registration statement filed under the Securities Act or equivalent law in another jurisdiction and the listing for trading on a stock exchange or market or trading system. This Section shall apply in addition to any other limitation, restriction and/or condition in this Plan (including, without limitation, after the application of Section 16), any Award Agreement, shareholders agreement, Company's Articles of Association or other instrument between the Grantee and the Company or by which the Grantee is bound. This Section shall not apply to a transfer of Shares in a sale of all or substantially all of the shares of the Company which was approved by the Board or pursuant to the Company's Articles of Association or upon a Merger/Sale.

## **XVII. MARKET STAND-OFF**

**A.** In connection with any underwritten public offering of equity securities of the Company pursuant to an effective registration statement filed under the Securities Act or equivalent law in another jurisdiction, the Grantee shall not directly or indirectly, without the prior written consent of the Company or its underwriters, (i) lend, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any Shares or other Awards, any securities of the Company (whether or not such Shares were acquired under this Plan), or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Shares or securities of the Company and any other shares or securities issued or distributed in respect thereto or in substitution thereof (collectively, “**Securities**”), or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Securities, whether any such transaction described in clauses (i) or (ii) is to be settled by delivery of Securities, in cash or otherwise. The foregoing provisions of this Section 17.1 shall not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement. Such restrictions (the “**Market Stand-Off**”) shall be in effect for such period of time (the “**Market Stand-Off Period**”): (A) following the first public filing of the registration statement relating to the underwritten public offering until the expiration of 180 days following the effective date of such registration statement relating to the Company’s initial public offering or 90 days following the effective date of such registration statement relating to any other public offering, in each case, provided, however, that if (1) during the last 17 days of the initial Market Stand-Off Period, the Company releases earnings results or announces material news or a material event or (2) prior to the expiration of the initial Market Stand-Off Period, the Company announces that it will release earnings results during the 15-day period following the last day of the initial Market Stand-Off Period, then in each case the Market Stand-Off Period will be automatically extended until the expiration of the 18-day period beginning on the date of release of the earnings results or the announcement of the material news or material event; or (B) such other period as shall be requested by the Company or the underwriters. Notwithstanding anything herein to the contrary, if the underwriter(s) and the Company agree on a termination date of the Market Stand-Off Period in the event of failure to consummate a certain public offering, then such termination shall apply also to the Market Stand-Off Period hereunder with respect to that particular public offering.

**B.** In the event of a subdivision of the outstanding share capital of the Company, the distribution of any securities (whether or not of the Company), whether as bonus shares or otherwise, and whether as dividend or otherwise, a recapitalization, a reorganization (which may include a combination or exchange of shares or a similar transaction affecting the Company’s outstanding securities without receipt of consideration), a consolidation, a spin-off or other corporate divestiture or division, a reclassification or other similar occurrence, any new, substituted or additional securities which are by reason of such transaction distributed with respect to any Shares subject to the Market Stand-Off, or into which such Shares thereby become convertible, shall immediately be subject to the Market Stand-Off.

**C.** In order to enforce the Market Stand-Off, the Company may impose stop-transfer instructions with respect to the Shares acquired under this Plan until the end of the applicable Market Stand-Off period.

**D.** The underwriters in connection with a registration statement so filed are intended third party beneficiaries of this Section 17 and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Grantee shall execute such separate agreement(s) as may be requested by the Company or the underwriters in connection with such registration statement and in the form required by them, relating to Market Stand-Off (which need not be identical to the provisions of this Section 17, and may include such additional provisions and restrictions as the underwriters deem advisable) or that are necessary to give further effect thereto. The execution of such separate agreement(s) may be a condition by the Company to the exercise of any Award.

E. Without derogating from the above provisions of this Section 17 or elsewhere in this Plan, the provisions of this Section 17 shall apply to the Grantee and the Grantee's heirs, legal representatives, successors, assigns, and to any purchaser, assignee or transferee of any Awards or Shares.

**XVIII. AGREEMENT REGARDING TAXES; DISCLAIMER.**

A. If the Committee shall so require, as a condition of exercise of an Award, the release of Shares by the Trustee or the expiration of the Restricted Period, a Grantee shall agree that, no later than the date of such occurrence, the Grantee will pay to the Company (or the Trustee, as applicable) or make arrangements satisfactory to the Committee and the Trustee (if applicable) regarding payment of any applicable taxes and compulsory payments of any kind required by Applicable Law to be withheld or paid.

B. TAX LIABILITY. ALL TAX CONSEQUENCES UNDER ANY APPLICABLE LAW WHICH MAY ARISE FROM THE GRANT OF ANY AWARDS OR THE EXERCISE THEREOF, THE SALE OR DISPOSITION OF ANY SHARES GRANTED HEREUNDER OR ISSUED UPON EXERCISE OR (IF APPLICABLE) THE VESTING OF ANY AWARD, THE ASSUMPTION, SUBSTITUTION, CANCELLATION OR PAYMENT IN LIEU OF AWARDS OR FROM ANY OTHER ACTION IN CONNECTION WITH THE FOREGOING (INCLUDING WITHOUT LIMITATION ANY TAXES AND COMPULSORY PAYMENTS, SUCH AS SOCIAL SECURITY OR HEALTH TAX PAYABLE BY THE GRANTEE OR THE COMPANY IN CONNECTION THEREWITH) SHALL BE BORNE AND PAID SOLELY BY THE GRANTEE, AND THE GRANTEE SHALL INDEMNIFY THE COMPANY, ITS SUBSIDIARIES AND AFFILIATES AND THE TRUSTEE, AND SHALL HOLD THEM HARMLESS AGAINST AND FROM ANY LIABILITY FOR ANY SUCH TAX OR PAYMENT OR ANY PENALTY, INTEREST OR INDEXATION THEREON. EACH GRANTEE AGREES TO, AND UNDERTAKES TO COMPLY WITH, ANY RULING, SETTLEMENT, CLOSING AGREEMENT OR OTHER SIMILAR AGREEMENT OR ARRANGEMENT WITH ANY TAX AUTHORITY IN CONNECTION WITH THE FOREGOING WHICH IS APPROVED BY THE COMPANY.

C. NO TAX ADVICE. THE GRANTEE IS ADVISED TO CONSULT WITH A TAX ADVISOR WITH RESPECT TO THE TAX CONSEQUENCES OF RECEIVING, EXERCISING OR DISPOSING OF AWARDS HEREUNDER. THE COMPANY DOES NOT ASSUME ANY RESPONSIBILITY TO ADVISE THE GRANTEE ON SUCH MATTERS, WHICH SHALL REMAIN SOLELY THE RESPONSIBILITY OF THE GRANTEE.

D. TAX TREATMENT. THE COMPANY DOES NOT UNDERTAKE OR ASSUME ANY LIABILITY OR RESPONSIBILITY TO THE EFFECT THAT ANY AWARD SHALL QUALIFY WITH ANY PARTICULAR TAX REGIME OR RULES APPLYING TO PARTICULAR TAX TREATMENT, OR BENEFIT FROM ANY PARTICULAR TAX TREATMENT OR TAX ADVANTAGE OF ANY TYPE AND THE COMPANY SHALL BEAR NO LIABILITY IN CONNECTION WITH THE MANNER IN WHICH ANY AWARD IS EVENTUALLY TREATED FOR TAX PURPOSES, REGARDLESS OF WHETHER THE AWARD WAS GRANTED OR WAS INTENDED TO QUALIFY UNDER ANY PARTICULAR TAX REGIME OR TREATMENT. THIS PROVISION SHALL SUPERSEDE ANY TYPE OF AWARDS OR TAX QUALIFICATION INDICATED IN ANY CORPORATE RESOLUTION OR AWARD AGREEMENT, WHICH SHALL AT ALL TIMES BE SUBJECT TO THE REQUIREMENTS OF APPLICABLE LAW. THE COMPANY DOES NOT UNDERTAKE AND SHALL NOT BE REQUIRED TO TAKE ANY ACTION IN ORDER TO QUALIFY THE AWARD WITH THE REQUIREMENT OF ANY PARTICULAR TAX TREATMENT AND NO INDICATION IN ANY DOCUMENT TO THE EFFECT THAT ANY AWARD IS INTENDED TO QUALIFY FOR ANY TAX TREATMENT SHALL IMPLY

SUCH AN UNDERTAKING. NO ASSURANCE IS MADE BY THE COMPANY OR ANY OF ITS AFFILIATES THAT ANY PARTICULAR TAX TREATMENT ON THE DATE OF GRANT WILL CONTINUE TO EXIST OR THAT THE AWARD WOULD QUALIFY AT THE TIME OF EXERCISE OR DISPOSITION THEREOF WITH ANY PARTICULAR TAX TREATMENT. THE COMPANY AND ITS AFFILIATES SHALL NOT HAVE ANY LIABILITY OR OBLIGATION OF ANY NATURE IN THE EVENT THAT AN AWARD DOES NOT QUALIFY FOR ANY PARTICULAR TAX TREATMENT, REGARDLESS WHETHER THE COMPANY COULD HAVE OR SHOULD HAVE TAKEN ANY ACTION TO CAUSE SUCH QUALIFICATION TO BE MET AND SUCH QUALIFICATION REMAINS AT ALL TIMES AND UNDER ALL CIRCUMSTANCES AT THE RISK OF THE GRANTEE. THE COMPANY DOES NOT UNDERTAKE OR ASSUME ANY LIABILITY TO CONTEST A DETERMINATION OR INTERPRETATION (WHETHER WRITTEN OR UNWRITTEN) OF ANY TAX AUTHORITIES, INCLUDING IN RESPECT OF THE QUALIFICATION UNDER ANY PARTICULAR TAX REGIME OR RULES APPLYING TO PARTICULAR TAX TREATMENT. IF THE AWARDS DO NOT QUALIFY UNDER ANY PARTICULAR TAX TREATMENT IT COULD RESULT IN ADVERSE TAX CONSEQUENCES TO THE GRANTEE.

E. The Company or any Subsidiary or Affiliate may take such action as it may deem necessary or appropriate, in its discretion, for the purpose of or in connection with withholding of any taxes and compulsory payments which the Trustee, the Company or any Subsidiary or Affiliate is required by any Applicable Law to withhold in connection with any Awards (collectively, "**Withholding Obligations**"). Such actions may include (i) requiring a Grantees to remit to the Company in cash an amount sufficient to satisfy such Withholding Obligations and any other taxes and compulsory payments, payable by the Company in connection with the Award or the exercise or (if applicable) the vesting thereof; (ii) subject to Applicable Law, allowing the Grantees to provide Shares to the Company, in an amount that at such time, reflects a value that the Committee determines to be sufficient to satisfy such Withholding Obligations; (iii) withholding Shares otherwise issuable upon the exercise of an Award at a value which is determined by the Committee to be sufficient to satisfy such Withholding Obligations; or (iv) any combination of the foregoing. The Company shall not be obligated to allow the exercise of any Award by or on behalf of a Grantee until all tax consequences arising from the exercise of such Award are resolved in a manner acceptable to the Company.

F. Each Grantee shall notify the Company in writing promptly and in any event within ten (10) days after the date on which such Grantee first obtains knowledge of any tax bureau inquiry, audit, assertion, determination, investigation, or question relating in any manner to the Awards granted or received hereunder or Shares issued thereunder and shall continuously inform the Company of any developments, proceedings, discussions and negotiations relating to such matter, and shall allow the Company and its representatives to participate in any proceedings and discussions concerning such matters. Upon request, a Grantee shall provide to the Company any information or document relating to any matter described in the preceding sentence, which the Company, in its discretion, requires.

G. With respect to 102 Non-Trustee Options, if the Grantee ceases to be employed by the Company or any Affiliate, the Grantee shall extend to the Company and/or its Affiliate with whom the Grantee is employed a security or guarantee for the payment of taxes due at the time of sale of Shares, all in accordance with the provisions of Section 102 of the Ordinance and the Rules.

H. For the purpose hereof “tax(es)” means (a) all federal, state, local or foreign taxes, charges, fees, imposts, levies or other assessments, including all income, capital gains, transfer, withholding, payroll, employment, social security, national security, health tax, wealth surtax, stamp, registration and estimated taxes, customs duties, fees, assessments and charges of any similar kind whatsoever (including under Section 280G of the Code), (b) all interest, indexation differentials, penalties, fines, additions to tax or additional amounts imposed by any taxing authority in connection with any item described in clause (a), (c) any transferee or successor liability in respect of any items described in clauses (a) or (b) payable by reason of contract, assumption, transferee liability, successor liability, operation of Applicable Law, or as a result of any express or implied obligation to assume Taxes or to indemnify any other person, and (d) any liability for the payment of any amounts of the type described in clause (a) or (b) payable as a result of being a member of an affiliated, consolidated, combined, unitary or aggregate group for any taxable period, including under U.S. Treasury Regulations Section 1.1502-6(a) (or any predecessor or successor thereof of any analogous or similar provision under Law) or otherwise.

I. If a Grantee makes an election under Section 83(b) of the Code to be taxed with respect to an Award as of the date of transfer of Shares rather than as of the date or dates upon which the Grantee would otherwise be taxable under Section 83(a) of the Code, such Grantee shall deliver a copy of such election to the Company upon or prior to the filing such election with the U.S. Internal Revenue Service. Neither the Company nor any Affiliate shall have any liability or responsibility relating to or arising out of the filing or not filing of any such election or any defects in its construction.

**XIX. RIGHTS AS A SHAREHOLDER; VOTING AND DIVIDENDS.**

A. Subject to Section 11.4, a Grantee shall have no rights as a shareholder of the Company with respect to any Shares covered by an Award until the Grantee shall have exercised the Award, paid the Exercise Price therefor and becomes the record holder of the subject Shares. In the case of 102 Awards or 3(9) Awards (if such Awards are being held by a Trustee), the Trustee shall have no rights as a shareholder of the Company with respect to the Shares covered by such Award until the Trustee becomes the record holder for such Shares for the Grantee’s benefit, and the Grantee shall not be deemed to be a shareholder and shall have no rights as a shareholder of the Company with respect to the Shares covered by the Award until the date of the release of such Shares from the Trustee to the Grantee and the transfer of record ownership of such Shares to the Grantee (provided however that the Grantee shall be entitled to receive from the Trustee any cash dividend or distribution made on account of the Shares held by the Trustee for such Grantee’s benefit, subject to any tax withholding and compulsory payment). No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date on which the Grantee or Trustee (as applicable) becomes the record holder of the Shares covered by an Award, except as provided in Section 14 hereof.

B. With respect to all Awards issued in the form of Shares hereunder or upon the exercise or (if applicable) the vesting of Awards hereunder, any and all voting rights attached to such Shares shall be subject to Section 6.9, and the Grantee shall be entitled to receive dividends distributed with respect to such Shares, subject to the provisions of the Company’s Articles of Association, as amended from time to time, and subject to any Applicable Law.

C. The Company may, but shall not be obligated to, register or qualify the sale of Shares under any applicable securities law or any other Applicable Law.

**XX. NO REPRESENTATION BY COMPANY.**

**BY GRANTING THE AWARDS, THE COMPANY IS NOT, AND SHALL NOT BE DEEMED AS, MAKING ANY REPRESENTATION OR WARRANTIES TO THE GRANTEE REGARDING THE COMPANY, ITS BUSINESS AFFAIRS, ITS PROSPECTS OR THE FUTURE VALUE OF ITS SHARES. THE COMPANY SHALL NOT BE REQUIRED TO PROVIDE TO ANY GRANTEE ANY INFORMATION,**

DOCUMENTS OR MATERIAL IN CONNECTION WITH THE GRANTEE'S CONSIDERING AN EXERCISE OF AN AWARD. TO THE EXTENT THAT ANY INFORMATION, DOCUMENTS OR MATERIALS ARE PROVIDED, THE COMPANY SHALL HAVE NO LIABILITY WITH RESPECT THERETO. ANY DECISION BY A GRANTEE TO EXERCISE AN AWARD SHALL SOLELY BE AT THE RISK OF THE GRANTEE.

**XXI. NO RETENTION RIGHTS.**

NOTHING IN THIS PLAN, ANY AWARD AGREEMENT OR IN ANY AWARD GRANTED OR AGREEMENT ENTERED INTO PURSUANT HERETO SHALL CONFER UPON ANY GRANTEE THE RIGHT TO CONTINUE IN THE EMPLOY OF, OR BE IN THE SERVICE OF THE COMPANY OR ANY SUBSIDIARY OR AFFILIATE THEREOF AS A SERVICE PROVIDER OR TO BE ENTITLED TO ANY REMUNERATION OR BENEFITS NOT SET FORTH IN THIS PLAN OR SUCH AGREEMENT, OR TO INTERFERE WITH OR LIMIT IN ANY WAY THE RIGHT OF THE COMPANY OR ANY SUCH SUBSIDIARY OR AFFILIATE TO TERMINATE SUCH GRANTEE'S EMPLOYMENT OR SERVICE (INCLUDING, ANY RIGHT OF THE COMPANY OR ANY OF ITS AFFILIATES TO IMMEDIATELY CEASE THE GRANTEE'S EMPLOYMENT OR SERVICE OR TO SHORTEN ALL OR PART OF THE NOTICE PERIOD, REGARDLESS OF WHETHER NOTICE OF TERMINATION WAS GIVEN BY THE COMPANY OR ITS AFFILIATES OR BY THE GRANTEE). AWARDS GRANTED UNDER THIS PLAN SHALL NOT BE AFFECTED BY ANY CHANGE IN DUTIES OR POSITION OF A GRANTEE, SUBJECT TO SECTIONS 6.6 THROUGH 6.8. NO GRANTEE SHALL BE ENTITLED TO CLAIM AND THE GRANTEE HEREBY WAIVES ANY CLAIM AGAINST THE COMPANY OR ANY SUBSIDIARY OR AFFILIATE THAT HE OR SHE WAS PREVENTED FROM CONTINUING TO VEST AWARDS AS OF THE DATE OF TERMINATION OF HIS OR HER EMPLOYMENT WITH, OR SERVICES TO, THE COMPANY OR ANY SUBSIDIARY OR AFFILIATE. NO GRANTEE SHALL BE ENTITLED TO ANY COMPENSATION IN RESPECT OF THE AWARDS WHICH WOULD HAVE VESTED HAD SUCH GRANTEE'S EMPLOYMENT OR ENGAGEMENT WITH THE COMPANY (OR ANY SUBSIDIARY OR AFFILIATE) NOT BEEN TERMINATED.

**XXII. PERIOD DURING WHICH AWARDS MAY BE GRANTED.**

AWARDS MAY BE GRANTED PURSUANT TO THIS PLAN FROM TIME TO TIME WITHIN A PERIOD OF TEN (10) YEARS FROM THE EFFECTIVE DATE, WHICH PERIOD MAY BE EXTENDED FROM TIME TO TIME BY THE BOARD. FROM AND AFTER SUCH DATE (AS EXTENDED) NO GRANTS OF AWARDS MAY BE MADE AND THIS PLAN SHALL CONTINUE TO BE IN FULL FORCE AND EFFECT WITH RESPECT TO AWARDS OR SHARES ISSUED THEREUNDER THAT REMAIN OUTSTANDING.

**XXIII. AMENDMENT OF THIS PLAN AND AWARDS**

A. The Board at any time and from time to time may suspend, terminate, modify or amend this Plan, whether retroactively or prospectively. Any amendment effected in accordance with this Section shall be binding upon all Grantees and all Awards, whether granted prior to or after the date of such amendment, and without the need to obtain the consent of any Grantee. No termination or amendment of this Plan shall affect any then outstanding Award unless expressly provided by the Board.

B. Subject to changes in Applicable Law that would permit otherwise, without the approval of the Company's shareholders, there shall be (i) no increase in the maximum aggregate number of Shares that may be issued under this Plan as Incentive Stock Options (except by operation of the provisions of Section 14.1), (ii) no change in the class of persons eligible to receive Incentive Stock Options, and (iii) no other amendment of this Plan that would require approval of the Company's shareholders under any Applicable Law. Unless not permitted by Applicable Law, if the grant of an Award is subject to approval by shareholders, the date of grant of the Award shall be determined as if the Award had not been subject to such approval. Failure to obtain approval by the shareholders shall not in any way derogate from the valid and binding effect of any grant of an Award, which is not an Incentive Stock Option. Upon approval of an amendment to this Plan by the shareholders of the Company as set forth above, all Incentive Stock Options granted under this Plan on or after such amendment shall be fully effective as if the shareholders of the Company had approved the amendment on the same date.

C. The Board or the Committee at any time and from time to time may modify or amend any Award theretofore granted, including any Award Agreement, whether retroactively or prospectively.

#### **XXIV. APPROVAL.**

A. This Plan shall take effect upon its adoption by the Board (the "Effective Date").

B. Solely with respect to grants of Incentive Stock Options, this Plan shall also be subject to shareholders' approval, within one year of the Effective Date, by a majority of the votes cast on the proposal at a meeting or a written consent of shareholders (however, if the grant of an Award is subject to approval by shareholders, the date of grant of the Award shall be determined as if the Award had not been subject to such approval). Failure to obtain such approval by the shareholders within such period shall not in any way derogate from the valid and binding effect of any grant of an Award, except that any Options previously granted under this Plan may not qualify as Incentive Stock Options but, rather, shall constitute Nonqualified Stock Options. Upon approval of this Plan by the shareholders of the Company as set forth above, all Incentive Stock Options granted under this Plan on or after the Effective Date shall be fully effective as if the shareholders of the Company had approved this Plan on the Effective Date.

C. 102 Awards are conditional upon the filing with or approval by the ITA, if required, as set forth in Section 9.49. Failure to so file or obtain such approval shall not in any way derogate from the valid and binding effect of any grant of an Award, which is not a 102 Award.

#### **XXV. RULES PARTICULAR TO SPECIFIC COUNTRIES; SECTION 409A.**

A. Notwithstanding anything herein to the contrary, the terms and conditions of this Plan may be supplemented or amended with respect to a particular country or tax regime by means of an appendix to this Plan, and to the extent that the terms and conditions set forth in any appendix conflict with any provisions of this Plan, the provisions of such appendix shall govern. Terms and conditions set forth in such appendix shall apply only to Awards granted to Grantees under the jurisdiction of the specific country or such other tax regime that is the subject of such appendix and shall not apply to Awards issued to a Grantee not under the jurisdiction of such country or such other tax regime. The adoption of any such appendix shall be subject to the approval of the Board or the Committee, and if determined by the Committee to be required in connection with the application of certain tax treatment, pursuant to applicable stock exchange rules or regulations or otherwise, then also the approval of the shareholders of the Company at the required majority.

B. This Section 25.2 shall only apply to Awards granted to Grantees who are subject to United States Federal income tax.

25.2.1 It is the intention of the Company that no Award shall be deferred compensation subject to Code Section 409A unless and to the extent that the Committee specifically determines otherwise as provided in Section 25.2.2, and the Plan and the terms and conditions of all Awards shall be interpreted and administered accordingly.

---

25.2.2 The terms and conditions governing any Awards that the Committee determines will be subject to Section 409A of the Code, including any rules for payment or elective or mandatory deferral of the payment or delivery of Shares or cash pursuant thereto, and any rules regarding treatment of such Awards in the event of a Change in Control, shall be set forth in the applicable Award Agreement and shall be intended to comply in all respects with Section 409A of the Code, and the Plan and the terms and conditions of such Awards shall be interpreted and administered accordingly.

25.2.3 The Company shall have complete discretion to interpret and construe the Plan and any Award Agreement in any manner that establishes an exemption from (or compliance with) the requirements of Code Section 409A. If for any reason, such as imprecision in drafting, any provision of the Plan and/or any Award Agreement does not accurately reflect its intended establishment of an exemption from (or compliance with) Code Section 409A, as demonstrated by consistent interpretations or other evidence of intent, such provision shall be considered ambiguous as to its exemption from (or compliance with) Code Section 409A and shall be interpreted by the Company in a manner consistent with such intent, as determined in the discretion of the Company. If, notwithstanding the foregoing provisions of this Section 25.2.3, any provision of the Plan or any such agreement would cause a Grantee to incur any additional tax or interest under Code Section 409A, the Company shall reform such provision in a manner intended to avoid the incurrence by such Grantee of any such additional tax or interest; provided that the Company shall maintain, to the extent reasonably practicable, the original intent and economic benefit to the Grantee of the applicable provision without violating the provisions of Code Section 409A.

25.2.4 Notwithstanding any other provision in the Plan, any Award Agreement, or any other written document establishing the terms and conditions of an Award, if any Grantee is a "specified employee," within the meaning of Section 409A of the Code, as of the date of his or her "separation from service" (as defined under Section 409A of the Code), then, to the extent required by Treasury Regulation Section 1.409A-3(i)(2) (or any successor provision), any payment made to such Grantee on account of his or her separation from service shall not be made before a date that is six months after the date of his or her separation from service. The Committee may elect any of the methods of applying this rule that are permitted under Treasury Regulation Section 1.409A-3(i)(2)(ii) (or any successor provision).

25.2.5 Notwithstanding any other provision of this Section 25.2 to the contrary, although the Company intends to administer the Plan so that Awards will be exempt from, or will comply with, the requirements of Code Section 409A, the Company does not warrant that any Award under the Plan will qualify for favorable tax treatment under Code Section 409A or any other provision of federal, state, local, or non-United States law. The Company shall not be liable to any Grantee for any tax, interest, or penalties the Grantee might owe as a result of the grant, holding, vesting, exercise, or payment of any Award under the Plan.

**XXVI. GOVERNING LAW; JURISDICTION.**

THIS PLAN AND ALL DETERMINATIONS MADE AND ACTIONS TAKEN PURSUANT HERETO SHALL BE GOVERNED BY THE LAWS OF THE STATE OF ISRAEL, EXCEPT WITH RESPECT TO MATTERS THAT ARE SUBJECT TO TAX LAWS, REGULATIONS AND RULES OF ANY SPECIFIC JURISDICTION, WHICH SHALL BE GOVERNED BY THE RESPECTIVE LAWS, REGULATIONS AND RULES OF SUCH JURISDICTION. CERTAIN DEFINITIONS, WHICH REFER TO LAWS OTHER THAN THE LAWS OF SUCH JURISDICTION, SHALL BE CONSTRUED IN ACCORDANCE WITH SUCH OTHER LAWS. THE COMPETENT COURTS LOCATED IN TEL-AVIV-JAFFA, ISRAEL SHALL HAVE EXCLUSIVE JURISDICTION OVER ANY DISPUTE ARISING OUT OF OR IN CONNECTION WITH THIS PLAN AND ANY AWARD GRANTED HEREUNDER. BY SIGNING ANY AWARD AGREEMENT OR ANY OTHER AGREEMENT RELATING TO AN AWARD, EACH GRANTEE IRREVOCABLY SUBMITS TO SUCH EXCLUSIVE JURISDICTION.

**XXVII. NON-EXCLUSIVITY OF THIS PLAN.**

THE ADOPTION OF THIS PLAN SHALL NOT BE CONSTRUED AS CREATING ANY LIMITATIONS ON THE POWER OR AUTHORITY OF THE COMPANY TO ADOPT SUCH OTHER OR ADDITIONAL INCENTIVE OR OTHER COMPENSATION ARRANGEMENTS OF WHATEVER NATURE AS THE COMPANY MAY DEEM NECESSARY OR DESIRABLE OR PRECLUDE OR LIMIT THE CONTINUATION OF ANY OTHER PLAN, PRACTICE OR ARRANGEMENT FOR THE PAYMENT OF COMPENSATION OR FRINGE BENEFITS TO EMPLOYEES GENERALLY, OR TO ANY CLASS OR GROUP OF EMPLOYEES, WHICH THE COMPANY OR ANY AFFILIATE NOW HAS LAWFULLY PUT INTO EFFECT, INCLUDING ANY RETIREMENT, PENSION, SAVINGS AND STOCK PURCHASE PLAN, INSURANCE, DEATH AND DISABILITY BENEFITS AND EXECUTIVE SHORT-TERM OR LONG-TERM INCENTIVE PLANS.

**XXVIII. MISCELLANEOUS.**

A. Survival. The Grantee shall be bound by and the Shares issued upon exercise or (if applicable) the vesting of any Awards granted hereunder shall remain subject to this Plan after the exercise or (if applicable) the vesting of Awards, in accordance with the terms of this Plan, whether or not the Grantee is then or at any time thereafter employed or engaged by the Company or any of its Affiliates.

B. Additional Terms. Each Award awarded under this Plan may contain such other terms and conditions not inconsistent with this Plan as may be determined by the Committee, in its sole discretion.

C. Fractional Shares. No fractional Share shall be issuable upon exercise or vesting of any Award and the number of Shares to be issued shall be rounded down to the nearest whole Share, with in any Share remaining at the last vesting date due to such rounding to be issued upon exercise at such last vesting date.

D. Severability. If any provision of this Plan, any Award Agreement or any other agreement entered into in connection with an Award shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction. In addition, if any particular provision contained in this Plan, any Award Agreement or any other agreement entered into in connection with an Award shall for any reason be held to be excessively broad as to duration, geographic scope, activity or subject, it shall be construed by limiting and reducing such provision as to such characteristic so that the provision is enforceable to fullest extent compatible with Applicable Law as it shall then appear.

E. Captions and Titles. The use of captions and titles in this Plan or any Award Agreement or any other agreement entered into in connection with an Award is for the convenience of reference only and shall not affect the meaning or interpretation of any provision of this Plan or such agreement.

Any such projects shall be memorialized in an addendum to this Agreement which shall be executed by both Parties (an “**Addendum**”). The Parties will describe in each Addendum the activities and services to be completed, deliverables, allocation of responsibility for such activities or services between the Parties, completion schedule, payment schedule, acceptance criteria and any other relevant information, as may be applicable, in a statement of work in a form to be mutually agreed upon. Each Addendum shall be governed by the terms of this Agreement to the extent they are applicable to the subject matter of the relevant Addendum and do not conflict with its terms. #### **5. ACCESS TO VOLUMES**

Innoviz shall fulfil Magna's requirements for the InnovizPRO product solution in a maximum amount of 500 units per calendar year until December 31, 2019, provided that Magna's maximum monthly requirements shall be limited to 30% of Innoviz's existing monthly production capacity for the InnovizPRO product solution on the date the relevant purchase order is placed by Magna with Innoviz. Until December 31, 2019, Innoviz shall provide Magna with its estimated monthly capacity availability for the InnovizPRO product solution for the upcoming month at a minimum thirty (30) days prior to the 1<sup>st</sup> day of such month in order to allow Magna to determine its requirements for such month (if any). Subsequently, if Magna decides to require InnovizPRO product solution units for such month, Magna will do so by placing a non-cancelable purchase order for a specific unit amount of the InnovizPRO product solution at a minimum fifteen (15) days prior to the 1<sup>st</sup> day of such month.

#### **6. SUPPLY OF PRODUCTS**

**6.1 Issuance of Purchase Orders.** Magna may, from time to time, elect to purchase Products by issuing written purchase orders to Innoviz, including purchase orders which are conditional upon winning a program award from a Magna customer. Magna's purchase of Products will be exclusively governed by the terms of the Magna Terms. Innoviz shall use commercially reasonable efforts to agree to supply to Magna at that time or in the future, as specified in a proposed Magna purchase order, a sufficient number of Innoviz product solution units to enable Magna to satisfy its customer obligations, provided that, once Innoviz has agreed in writing to accept and make effective such purchase order, then notwithstanding any provision of this Agreement (other than the last sentence of Section 7.1) Innoviz shall perform its obligations, and otherwise meet the terms, under such purchase order.

**6.2 Emergency Supply Interruption.** The Parties shall discuss in the future provisions related to emergency supply interruption, which may be included in the Magna Terms.

**6.3 Applicable Terms and Conditions; Precedence.** This Agreement and the Magna Terms will exclusively govern Magna's purchase of Products specified in any purchase order agreed on between the Parties. Without derogating from each of Innoviz's representations and warranties in the Magna Terms, if the terms of a purchase order for Products issued by Magna to Innoviz conflict with this Agreement, then this Agreement will take precedence unless the Parties expressly state in the relevant purchase order that any inconsistent term is intended to take precedence over any conflicting term in this Agreement. Any terms in any other document issued by either Party (e.g., an order acknowledgement) that are different from or additional to the provisions of this Agreement, the Magna Terms or the applicable purchase order, shall not binding upon the Parties unless otherwise agreed in writing between the Parties.

## **7. TERM AND TERMINATION**

**7.1 Term.** This Agreement will begin on the Effective Date and will continue for a period of eight (8) years (the "**Initial Term**"), automatically renewing for successive one (1) year periods thereafter (each, a "**Renewal Term**"). Either Party may terminate this Agreement upon expiration of the Initial Term or a Renewal Term, as the case may be, by providing the other Party with at least ninety (90) days' written notice of its intention to terminate this Agreement. The "**Initial Term**" and any "**Renewal Term**" shall be collectively referred to as the "**Term**". Additionally, any particular Addendum may have a shorter term, as agreed to by the Parties and reflected in the applicable Addendum. Notwithstanding anything in this Agreement or any Addendum, obligations of Innoviz under a Magna purchase order that has been accepted and confirmed by Innoviz cannot be terminated, including as a result of termination of this Agreement, without prior written approval of Magna, unless the Agreement was terminated by Innoviz for non-payment by Magna pursuant to Section 7.2 below.

**7.2 Termination for Cause.** Either Party may terminate the Agreement (including all Addendums) or any particular Addendum if the other Party is in material breach of the Agreement or any such particular Addendum (as applicable) and has failed to cure that breach (if curable) within thirty (30) days after the non-breaching Party's written notice thereof. Either Party may, at its option, terminate a particular Addendum pursuant to this Section 7.2 without terminating this Agreement and all other Addendum will remain in full force and effect in accordance with their terms.

**7.3 Other Termination.** Either Party may terminate this Agreement (including all Addendums) immediately upon written notice to the other Party if the other Party: (i) makes an assignment in violation of this Agreement; (ii) ceases to carry on its business, liquidates or dissolves its business or disposes of a substantial portion of its assets; (iii) becomes insolvent or makes an assignment for the benefit of creditors; or (iv) voluntarily or involuntarily becomes the subject of any proceeding relating to bankruptcy, insolvency, receivership, liquidation or other similar proceeding. In addition, either Party shall have the right to terminate this Agreement upon a thirty day prior written notice to the other in connection with the acquisition of such Party (whether by way of merger, asset or share sale or other similar transaction) (an "**Acquisition**"), provided that: (i) the right to terminate this Agreement upon consummation of

an Acquisition does not give the right to terminate Addendums or purchase orders that are in force at the time such termination becomes effective, and for greater certainty such Addendums and purchase orders remain in effect and Innoviz shall continue to perform its obligations under such Addendums and purchase orders, and (ii) that Sections 4, 5 and 6 shall survive a termination of this Agreement resulting from the consummation of an Acquisition pursuant to the terms of this Section until December 31, 2019 with respect to Section 5 and the end of the Term with respect to Sections 4 and 6.

#### **7.4 Effect of Termination**

**A. Termination of an Addendum.** Upon termination or expiration of any particular Addendum: (i) all licenses granted in the applicable Addendum will automatically terminate, except as otherwise set forth in the Addendum; (ii) any outstanding payment obligations will survive such expiration or termination with respect to the applicable Addendum; and (iii) firm orders for Products issued prior to the effective date of termination or expiration shall be fulfilled by Innoviz (and Magna shall pay all related consideration) in accordance with the terms of the applicable Addendum. For the avoidance of doubt, the termination or expiration of any particular Addendum will not terminate or otherwise have any effect on this Agreement or any other Addendum then in force or effect (unless specifically stated otherwise in such Addendum).

**B. Termination of the Agreement.** Upon termination or expiration of the Agreement, in addition to the provisions of Section 7.4A, any outstanding payment obligations will survive such termination or expiration and Sections 8, 9, 12, 15 and 17 will survive. In addition, individual Addenda may have additional survival terms as set forth therein. After expiration or termination of the Agreement, each Party will, within twenty (20) business days return or destroy, at the election of the other Party (and provide certification of such destruction, if applicable) all Confidential Information of the other Party in its possession at the time of expiration or termination. Furthermore, the Parties will use reasonable efforts to timely transition any work in process to the other Party or its designee; provided any outstanding payments or invoices are satisfied at such time.

### **8. INTELLECTUAL PROPERTY RIGHTS**

**8.1 Ownership.** Each of Innoviz and Magna shall retain ownership of its Background IP and nothing contained in this Agreement shall be construed as resulting in the assignment or transfer of Background IP.

**A.** Subject to the following, for any Jointly Developed IP the Parties shall, unless otherwise agreed in the applicable Addendum, jointly own the IP Rights and maintain an irrevocable, assignable, sub-licensable, royalty-free, perpetual, worldwide license to use for any purpose (including develop, make, have-made, offer to sell and commercialize) the other Party's rights in such jointly owned IP Rights, all without having to account to the other Party.

**B.** Each Party will keep confidential any development results that result from the joint development (algorithms, software, etc.) for a period of five (5) years from the date they are created or for any other period of time to be agreed by the Parties.

C. Unless otherwise agreed upon between Innoviz and Magna in the future: (i) unpatented modifications or adjustments made by either Party and/or both Parties to Magna's Background IP or products shall be solely and exclusively owned by Magna and will be treated as confidential information of Magna, and (ii) unpatented modifications or adjustments made by either Party and/or both Parties to Innoviz's Background IP or products shall be solely and exclusively owned by Innoviz and will be treated as confidential information of Innoviz.

D. Each of the Parties shall have sole discretion to file patents related to its Background IP. Each Party will reasonably cooperate with the other in the filing of such patents or assignment of IP Rights in accordance with the above. In case of Jointly Developed IP, the Parties will discuss, in good faith, the registration, protection and enforcement of such Jointly Developed IP.

**8.2 Restrictions on the Parties.** Notwithstanding anything else to the contrary, unless expressly authorized in an Addendum or otherwise by a Party's prior written consent (and in such a case, only to such extent), the other Party may not, and agrees that it will not nor will it permit others to do any of the following:

A. Reverse engineer, decompile, disassemble or otherwise attempt to derive the source code or underlying algorithms of software delivered or made available by a Party to the other Party pursuant to this Agreement;

B. Modify, create derivative works of or translate any software delivered or made available by a Party to the other Party pursuant to this Agreement or combine any such software with publicly available software in a manner that would require such software to: (i) be disclosed or distributed in source code form; (ii) be licensed for the purpose of making derivative works; or (iii) be redistributable at no charge;

C. Copy any of the software delivered or made available by a Party to the other Party pursuant to this Agreement other than as reasonably necessary to perform a Party's obligations or exercise the rights granted with respect to such software under this Agreement or for backup purposes; the Parties agree to reproduce any copyright and other proprietary right notices on any such permitted copy; or

D. Remove any proprietary notices on any of the deliverables or software delivered or made available by a Party to the other Party under this Agreement.

The foregoing restrictions will also apply to any improvement or derivative work of the other Party's software developed under this Agreement (to the extent applicable), regardless of which Party creates the improvement or derivative work.

**8.3 Notification of Infringement.** In the event that a Party learns of any infringement or misappropriation of any Intellectual Property Rights of the other Party, such Party shall promptly notify in writing the other Party of such infringement or misappropriation.

**8.4 Reservation of Rights.** All rights not expressly granted by either Party to the other Party hereunder are expressly reserved by the Party holding such rights. No licenses are granted by one Party to the other Party other than the licenses expressly granted in this Agreement.

**8.5 Access to and Use of Data.** Data collected by the Parties through the development activities pursuant to this Agreement under an Addendum (the “**Collected Data**”) will be shared among the Parties and may be freely used by Magna or Innoviz for its internal research and development purposes. Collected Data will be treated as Confidential Information but is excluded from the requirements to return or destroy the information as set forth in Section 9 below.

## **9. CONFIDENTIAL INFORMATION**

**9.1 Confidential Information.** Each Party (the “**Receiving Party**”) undertakes to retain in confidence the terms of this Agreement and all other non-public information, technology, materials and know-how of the other Party (the “**Disclosing Party**”) disclosed to or acquired by the Receiving Party in connection with this Agreement that is either designated as proprietary or confidential or, by the nature of the circumstances surrounding disclosure, ought in good faith to be treated as proprietary or confidential (“**Confidential Information**”); provided that each Party may disclose the terms of this Agreement to its immediate legal and financial consultants in the ordinary course of its business. Receiving Party will not use any Confidential Information of the Disclosing Party for any purpose other than to carry out the activities contemplated by this Agreement. The Receiving Party will use commercially reasonable efforts to protect Confidential Information of the Disclosing Party, and in any event, take precautions at least as great as those taken to protect its own confidential information of a similar nature. The Receiving Party will also notify the Disclosing Party promptly in writing in the event Receiving Party learns of any unauthorized use or disclosure of any of the Disclosing Party’s Confidential Information, and Receiving Party will cooperate in good faith to remedy such occurrence to the extent reasonably possible. Upon request of the Disclosing Party, Receiving Party will return to the Disclosing Party all materials, in any medium, that contain or reveal all or any part of any of the Disclosing Party’s Confidential Information.

**9.2 Exceptions.** The restrictions set forth in this Article 9 will not apply to any Confidential Information that: (i) was known by the Receiving Party without any obligation of confidentiality prior to disclosure thereof by the Disclosing Party, as can be demonstrated by written records; (ii) was in or entered the public domain through no fault of the Receiving Party or any of its Affiliates; (iii) is disclosed to the Receiving Party by a third party legally entitled to make such disclosure without violation of any obligation of confidentiality by such third party or any of its Affiliates; (iv) is independently developed by the Receiving Party without use of, reference or access to any Confidential Information of the Disclosing Party, as can be demonstrated by written records; or (v) is authorized in writing for disclosure to a third party at the direction of the Disclosing Party, provided that the foregoing exception will only apply to the third party specified by the Disclosing Party for that particular disclosure. In addition, notwithstanding Section 9.1, a Receiving Party may disclose the Disclosing Party’s Confidential Information if such disclosure is required by applicable laws or regulations, provided that the Receiving Party give the Disclosing Party advance written notice of such disclosure (to the extent legally permissible), reasonably cooperates with the Disclosing Party in seeking confidential treatment of such information, and only discloses that portion of information that, based on the reasonable advice of counsel, is legally required to be disclosed.

The Receiving Party is permitted to disclose Confidential Information it receives hereunder to its Affiliates, directors, officers, employees, investors, auditors, counsel, agents or other advisors (collectively “**Representatives**”), provided that the Receiving Party’s Representatives are informed of the confidential nature of the Confidential Information disclosed to them and the confidentiality obligations described in this Agreement. The Receiving Party will be responsible for any breaches by its Representatives of these confidentiality obligations.

---

**9.3 Injunctive Relief.** Each Party acknowledges that breach of this provision by it may result in irreparable harm to the other Party, for which money damages may be an insufficient remedy, and therefore that the other Party will be entitled to seek injunctive relief to enforce the provisions this Article 9 in any jurisdiction.

**10. JOINT STEERING COMMITTEE:**

Innoviz and Magna shall establish a joint steering committee on terms to be mutually agreed.

**11. NON-EXCLUSIVITY**

The Parties acknowledge and agree that, except as otherwise provided in this Agreement, the development and supply activities described in this Agreement are being performed on a nonexclusive basis. Subject to the terms of this Agreement, nothing in this Agreement shall in any manner limit, restrict or preclude either Party from pursuing the Purpose with a third party; provided, however, that no Intellectual Property Rights or Confidential Information of the other Party is used or disclosed in the course of such activities.

Except as set forth in this Agreement to the contrary, the Parties shall not be precluded in any manner from pursuing, developing or investing in technology that is similar to the other Party's product offerings and technology, either independently or with the support of a business partner. The Parties shall not, however, incorporate or use any of the other Party's deliverables, IP Rights or Confidential Information in such instances or product development initiatives.

**12. INDEMNIFICATION**

**12.1 Magna.** [\*\*\*]

**12.2 Innoviz.** [\*\*\*]

---

**12.3 Procedure.** The indemnified Party will give the other indemnifying Party prompt written notice of any claim subject to indemnification, provided that the indemnified Party's failure to promptly notify the indemnifying Party will not affect such Party's indemnification obligations except to the extent that the indemnified Party's delay prejudices the indemnifying Party's ability to defend such claim. The indemnified Party will give the indemnifying Party sole control of the defense or settlement of the claim, and the indemnifying Party will defend the claim at its expense with counsel of its own choosing, provided that the indemnifying Party will not enter into any settlement that requires the indemnified Party to pay money or admit to liability without the indemnified Party's written consent. At the indemnifying Party's expense, the indemnified Party will conduct, and will reasonably cooperate with the indemnifying Party in, the defense and settlement of any claim subject to indemnification by the indemnifying Party. At its discretion and expense, the indemnified Party may participate in the defense, any appeals, and settlement with its own counsel. In addition, if the indemnifying Party fails to timely conduct the defense, the indemnified Party may assume the defense and the indemnifying Party will reimburse the indemnified Party for any actual expenses associated with the defense reasonably incurred by the indemnified Party.

**12.4** If as a result of a claim under this Article 12, all or any part of a Magna deliverable, Innoviz deliverable or Product becomes enjoined from use, the applicable indemnifying Party shall, at its sole discretion: (x) procure for the indemnified Party the right to continue using the infringing element or component as contemplated in this Agreement; (y) modify the infringing element or component so that it is non-infringing without materially affecting the quality, performance and functionality of such infringing element or component such that it continues to comply substantially with the requirements of this Agreement, including conforming in all material respect to any applicable specifications; or (z) replace the infringing element or component with a substitute non-infringing element or component of materially equivalent quality, performance and functionality.

**13. COMPLIANCE WITH LAW: REGULATORY**

Magna and Innoviz will each comply with all applicable national, state and local laws, ordinances, regulations and rules for the performance of their respective responsibilities and obligations under this Agreement, including applicable anti-bribery laws. The Parties will cooperate and provide reasonable assistance in obtaining any regulatory approvals, licenses, registrations and permits as may be required to perform any obligations under this Agreement. To the extent legally permissible, each Party will notify the other Party, as soon as reasonably practicable, if it becomes the subject of a government audit or investigation concerning the deliverables supplied under this Agreement.

**14. INSURANCE**

Each Party will obtain and maintain the insurance coverage listed below. The existence of insurance does not release either Party of its obligations or liabilities under this Agreement. Each Party will furnish the other Party with a certificate showing compliance with this requirement (as applicable) within ten (10) days of the Effective Date of this Agreement:

<u>COVERAGE</u>	<u>LIMITS OF LIABILITY</u>
Workers compensation	Statutory

Comprehensive general liability insurance, including contractual liability coverage, general aggregate, products & completed operations aggregate	[***]

The above insurance coverage shall be obtained by Innoviz prior to such time that Innoviz initiates supply of commercial Products to Magna.

**15. DISPUTE RESOLUTION**

Before initiating any legal claim or action (except with respect to equitable, injunctive or time-sensitive relief), the Parties agree to work in good faith to settle any dispute or claim arising out of or related to this Agreement (collectively, a “Dispute”) through discussions which will be initiated upon written notice of a Dispute. If the Parties cannot come to a mutually agreeable resolution of the Dispute within sixty (60) days after their first meeting, then such Dispute will be referred to members of the Parties’ executive management for resolution. If the Parties’ executive management have not reached a resolution of the Dispute within fifteen (15) business days after their initial meeting, then either Party may submit the Dispute to the terms of Section 17.10 below.

**16. REPRESENTATIONS AND WARRANTIES**

Each Party represents and warrants to the other Party that: (i) it is duly organized, validly existing, and has full and adequate power and authority to enter into this Agreement, to grant the rights granted to the other Party hereunder and in any Addendum and to perform its obligations hereunder and in any Addendum; (ii) the execution, delivery and performance of this Agreement

by such Party and the performance by such Party of the transactions contemplated in this Agreement have been duly and validly authorized by all necessary action, corporate or otherwise, on its part, and this Agreement constitutes the valid, legal and binding obligation of such Party; and (iii) such Party is not and will not be subject to any agreement or other constraint that does, would or with the passage of time would prohibit, conflict with or restrict such Party's right or ability to enter into or carry out its obligations hereunder.

EXCEPT AS PROVIDED OTHERWISE HEREIN, IN AN ADDENDUM OR EXCEPT AS SPECIFICALLY PROVIDED IN THE MAGNA TERMS WITH RESPECT TO THE SUPPLY OF PRODUCTS, IN NO EVENT SHALL EITHER PARTY BE LIABLE UNDER THIS AGREEMENT, ANY ADDENDUM AND/OR THE MAGNA TERMS FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, LOSS OF REVENUE, LOSS OF PROFIT, COST OF PROCURING SUBSTITUTE SERVICES, EXEMPLARY, PUNITIVE, OR SPECIAL DAMAGES WHATSOEVER RESULTING FROM THE OTHER PARTY'S PRODUCTS, PERFORMANCE OR FAILURE TO PERFORM, WHETHER DUE TO BREACH OF CONTRACT, BREACH OF WARRANTY, STRICT LIABILITY, PRODUCT LIABILITY, NEGLIGENCE OR OTHERWISE.

The particulars of the development services to be performed by INNOVIZ in realizing the Development Project (hereinafter the “Development Services”) and the assistance to be provided, where applicable, by MAGNA ELECTRONICS (hereinafter “Contributions to the Development”) are stipulated in

- 2.1.1. [\*\*\*] — — — — —
- 2.1.2. [\*\*\*]
- 2.1.3. [\*\*\*]
- 2.1.4 [\*\*\*]

ANNEX 1 is going to be provided in English wording as soon as applicable and subject to further negotiations.

The Parties shall agree on further requirements, which need to be derived from the BMW requirements (see attached annex) within the first project phase, as early as reasonably possible. Once agreed in the form of an amendment or next revision of this SOW, such further requirements shall form an integral part of this SOW.

INNOVIZ shall perform the Development Services referred to in the attached annexes hereof on its own responsibility to the tasks under its RASIC.

MAGNA ELECTRONICS is entitled to attend the business premises of INNOVIZ during usual business hours by prior agreement, without disruption to INNOVIZ’ business operations, and to inform itself regarding the overall development status of the Project and of test results. INNOVIZ shall permit MAGNA ELECTRONICS to inspect and review the available Work Results (excluding any items relating to source code) at any time pending prior agreement. Such approval shall not be unreasonably withheld by Innoviz.

INNOVIZ shall ensure that, in performing its services, it shall at all times comply with the applicable legal norms and rules in effect as of the time of performance of its services, irrespective of whether it performs the services directly or indirectly by utilizing Subcontractors in connection with its performance of the services. To the extent that the Development Result (in particular software) is to be endowed with functionalities which are potentially capable of violating or circumventing legal norms, INNOVIZ must inform MAGNA ELECTRONICS thereof prior to formal acceptance.

INNOVIZ hereby undertakes that, in order to achieve the aims of the SOW, it shall exercise commercially reasonable care in selecting qualified personnel and monitoring them, and shall use commercially reasonable efforts to ensure continuity of the staffing required throughout the SOW term.

INNOVIZ shall give advance written notice to MAGNA ELECTRONICS regarding any subcontracting with third parties and their development sites. MAGNA ELECTRONICS is entitled to object to subcontracting where good cause for such objection is present in respect of the identity of the third party to be engaged or where BMW refuses for good cause the acceptance of such third party.

In the event of subcontracting by INNOVIZ, INNOVIZ shall bear a duty to carefully select and monitor the third party and to involve that third party in a suitable fashion in the information and working processes to the extent necessary in order to execute the Development Project. ### 4. Communication (frequency, methods, etc.)

The Parties shall by mutual agreement stipulate a reporting process in order to ensure the efficient exchange of information.

During the initial project phase (Gate-1) both parties will agree on an exact project interaction setup. Exact methods and cadence will be maintained in the project handbook. Following generic methods shall be applied:

- regular team meetings
- jour fixes
- regular steering boards for development purposes
- Change control board
- Workshops
- Defect tracking meetings

#### **5. Change Control rules and agreements**

The change control mechanism will be finalized in the first project phase(Gate-1). An IT-tool based Change Management System is targeted. The mandatory participants shall be defined in the project handbook. Initial baseline shall be the following process:

[\*\*\*]

Magna Electronics Europe GmbH & Co. OHG  
Kurfürst-Eppstein-Ring 9  
63877 Sailauf, Germany

Until such time as formal acceptance of the development Work Results takes place, MAGNA ELECTRONICS may at any time, in its reasonable discretion, and taking into account of INNOVIZ interests, request changes and additions to the Development Project for which it has contracted (hereinafter "Change Orders"). INNOVIZ shall propose changes to MAGNA ELECTRONICS which it considers necessary or expedient in light of changed legal or other mandatory rules or for other reasons. Without a Change Order or an equal written confirmation by MAGNA ELECTRONICS, INNOVIZ is not entitled to deviate from the specifications document, in particular not to include additional functions or to change the Work Results without the notification to MAGNA ELECTRONICS.

To the extent that any change entails an increase or reduction in costs and/or an overrun of a deadline, INNOVIZ shall alert MAGNA ELECTRONICS thereto at the same time as it makes the change proposal or immediately upon receipt of MAGNA ELECTRONICS Change Order, and shall submit a corresponding contract addendum proposal. Any changes under a Change Order shall be subject to a written agreement acceptable to both parties, stipulating, among others, the compensation for the additional costs or taking account of the reduced costs and of the Schedule.

## **6. Software**

If and to the extent the Development Result includes software, then the following provisions shall apply to INNOVIZ:

### **6.1 Use of Third-Party Software**

The use of Third-Party Software shall be disclosed to MAGNA ELECTRONICS in advance.

MAGNA ELECTRONICS is entitled to object to the use of certain Third-Party Software inserted into the Development Result where good cause for such objection is present or where BMW refuses for good reason the acceptance of such Third-Party Software.

The validity of MAGNA ELECTRONICS' objection shall in all cases be limited to the components expressly referenced and to their specific use in line with the INNOVIZ's application. INNOVIZ shall, at the time of rendering the relevant services, also deliver to MAGNA ELECTRONICS all information and items of property, including the relevant documentary evidence, which are required in order to verify the rights of use with respect to such components and which are necessary for the provision of such services.

Where INNOVIZ has actual knowledge of third-party IP rights which may constitute an obstacle to the Development Result envisaged, and for which INNOVIZ is unable to acquire the necessary licenses, it shall promptly communicate this to MAGNA ELECTRONICS upon learning thereof and shall obtain MAGNA ELECTRONICS' decision on whether or not to use them.

### **6.2 Open Source Software**

In addition, with respect to the use of Open Source Software, the "BMW Terms and Conditions for the Use of Open Source Software" in effect at the time of contracting (hereinafter the "OSS Terms and Conditions") shall govern, and shall constitute a material element of the present SOW. The OSS Terms and Conditions may be downloaded from the following pathway: BMW Partner Portal of the BMW

Any obligation owed to BMW under the BMW Terms and Conditions for the Use of Open Source Software shall be owed by INNOVIZ to MAGNA ELECTRONICS, and Innoviz shall otherwise assist or enable MAGNA ELECTRONICS to satisfy the BMW Terms and Conditions for the Use of Open Source Software in respect of Work Product or Deliverables from Innoviz.

#### **7. IP Rights – Ownership, License and Rights of use**

IP provisions are governed by Section 8 of the Joint Development and Master Supply Agreement between the parties unless extended or updated and agreed in written form.

#### **8. Applicable Standards**

All applicable automotive related standards have to be considered and fulfilled by INNOVIZ

#### **9. Acceptance Criteria**

Following completion of the Development Services for which the Parties have contracted and upon delivery of the Work Results and all other results for which INNOVIZ is responsible under the SOW (including documentation, electronic storage media etc.), MAGNA ELECTRONICS shall carry out formal acceptance of the Development Result. A formal acceptance process with specific timing for the process will be commonly agreed upon.

The acceptance criteria are jointly defined with BMW:

- 171010\_Implementation\_plan\_Lidar\_v6.xlsx (ANNEX 6)

Where the SOW envisages multiple individual Projects (e.g. multiple vehicle derivatives), a separate formal acceptance procedure shall be carried out for each individual Project. The parties shall not conduct any partial formal acceptance within such individual Projects.

However, formal acceptance shall be deferred until such time as INNOVIZ has eliminated any defects which may be ascertained.

Elimination of defects/remediation must be carried out promptly.

c) Depending on the type and the level of protection required for the BMW Data in question, or the significance of INNOVIZ’ services in respect of the BMW Group’s business operations, Magna or BMW may demand that INNOVIZ implement a particular degree of security measures and furnish evidence as prescribed by Magna or BMW regarding an appropriate level of Information Security within the Contractor’s business, in particular by producing appropriate certificates (e.g. ISO/IEC 27001 “Information technology – IT security techniques – Information security management systems - Requirements”) or testing under the VDA model “TISAX” (Trusted Information Security Assessment Exchange).

d) INNOVIZ shall ensure that, in the course of performing the services, it does not deploy any software which might potentially cause damage (e.g. viruses, worms or Trojan horses) for example contained within drivers or firmware supplied together with the Contractor’s Work Results. INNOVIZ must verify this in suitable form and must confirm in writing to Magna upon request that, in undertaking such tests, it has not found any indications of any harmful software.

e) Where INNOVIZ learns of an event constituting a breach of Information Security (e.g. security gaps, Data losses, malfunctions, hazards, infections by harmful software, Data misuse), and in particular of any unauthorized third-party access to BMW Data (e.g. Data leak or cyberattacks), or where INNOVIZ has information that, in the considered view of an expert, would justify the suspicion of such an event INNOVIZ shall promptly undertake the following measures without any charge to Magna or BMW at the direction of Magna:

Magna Electronics Europe GmbH & Co. OHG  
Kurfürst-Eppstein-Ring 9  
63877 Sailauf, Germany

i) INNOVIZ shall ensure that all of its Subcontractors are subject to suitable contractual rules vis-à-vis the Contractor imposing a contractual duty on them to comply with the provisions in force in this Section (Data and Information Security).

#### **14. Term of SOW, Termination**

This SOW shall come into force at the Effective Start Date and, unless terminated earlier due to a material breach as set forth below, shall remain in force until conclusion of the Development Project. Both Parties shall have the right to terminate this SOW due to a material breach of the other party, according to the terms set forth in Section 7.2 of the Agreement. It is deemed to be a material breach, where INNOVIZ violates a relevant legal rule or where the services constitute a violation of any relevant legal provision, contrary to this SOW. Good cause shall, in particular, be deemed present where INNOVIZ or any Subcontractor directly or indirectly engaged by it fails to comply with or violates any relevant provision of law and it thus becomes unreasonable to expect MAGNA ELECTRONICS to continue collaborating with INNOVIZ, taking account of all of the circumstances and weighing the interests of each of the Parties.

In addition, MAGNA ELECTRONICS shall be entitled to terminate this SOW without good cause prior to formal acceptance of the Development Services solely if BMW terminates the project (in which event, MAGNA ELECTRONICS shall provide INNOVIZ with written confirmation to BMW's termination of the project). In such case, MAGNA ELECTRONICS shall compensate INNOVIZ for the expenditures it has verifiably incurred prior to termination and which have resulted directly from the Development Services contracted and for the costs resulting from liabilities which cannot be rescinded, to a maximum total of the amount of the agreed compensation. INNOVIZ shall not be entitled to any claims for specific performance or damages exceeding the foregoing by virtue of the termination.

Where the normative substance of individual provisions under this SOW apply beyond the end of the Parties' contract, such provisions shall to such extent also remain in force following the end of the SOW. The foregoing shall apply, in particular, to the provisions contained in "Confidentiality", IP Rights, Ownership, License and Rights of use", "Industrialization and Serial Supply" and "Rights to BMW Data".

All items of property provided by MAGNA ELECTRONICS to INNOVIZ, including all drawings and other documents, data media, devices and tools, must be returned to MAGNA ELECTRONICS, irrespective of whether they have been modified or not modified.

#### **15. Export Controls**

INNOVIZ shall comply with all applicable laws and regulations, in particular in respect of export controls (including US and locally applicable export control laws). INNOVIZ must alert Magna to potential export restrictions with respect to the development services to be rendered by it, which may be applicable in the country of manufacture and/or of delivery. INNOVIZ must inform Magna if the development services

are subject to any export/re-export approval under US law. Where INNOVIZ is legally domiciled within the European Union, it must alert Magna to existing obligations to obtain approvals for dual-use goods and armaments in line with the EU export restrictions and national legislation implementing such restrictions. INNOVIZ shall, in addition, inform Magna of the applicable classification number (e.g. the ECCN Export Control Classification Number for US products, the “AL number” of goods listed in the German export list or in the EC Dual-Use Regulation, etc.) as well as with respect to potential exemption permits for goods and manufacturing resources.

### 16. Escalation

The escalation process shall be documented in the project handbook. The following scheme shall applied:

The overall steering board is defined as follows:

**Memorandum of Understanding -  
Magna Manufacturing  
Proposed Terms for [\*\*\*]**

This Memorandum of Understanding (the “**MOU**”) is made and entered into as of this 12th day of October, 2020, (the “**Effective Date**”) by and between **Magna Electronics Technology, Inc.** with place of business at 10410 North Holly Road, Holly, Michigan, 48442, United States (“**Magna**”) and **Innoviz Technologies Ltd.**, an Israeli company with a place of business located at 2 Amal Street, Afek Park, Rosh Ha’Ayin, Israel (“**Innoviz**”). The parties herein may be referred to individually as a “**Party**” and collectively as the “**Parties**”.

**WHEREAS**, the Parties are currently discussing the terms of that certain Procurement Agreement (as defined below);

**WHEREAS**, the Parties wish to summarize certain understandings regarding the future manufacturing and supply arrangements between them;

**NOW THEREFORE**, the Parties hereby agree as follows:

**1) Scope**

This Memorandum of Understanding (“**MOU**”) has proposed terms for:

- (i) Magna to manufacture and sell an Optical Module to BMW [\*\*\*] program (“[\*\*\*]”) based on Innoviz’ design (Generation I) and Innoviz’ manufacturing process (such optical module shall be referred to herein as the “**InnovizOne OM**”).
- (ii) Innoviz to supply the Maui ASIC, MEMS and Detector (“**Innoviz Components**”) as part of the InnovizOne OM to Magna according to mutually agreed requirements which meet BMW requirements. The Innoviz Components may not be used by Magna for any other purpose other than as set forth in (i) above. Magna may not manufacture the InnovizOne OM for any other purpose other than as set forth in (i) above.
- (iii) Innoviz to sell to Magna the [\*\*\*] (the “**Equipment**”). The Parties’ intention is that:
  - (a) [\*\*\*] shall: (1) fulfill mutually agreed industrialization requirements, attached hereto in Appendix IIb, (2) be provided in accordance with the mutually agreed specifications, including the specifications set out in Appendix IIb, and (3) enable Magna to manufacture and assemble the InnovizOne OM according to mutually agreed requirements which meet BMW’s requirements.
  - (b) [\*\*\*] shall: (1) fulfill industrialization requirements to be mutually agreed in the Procurement Agreement (2) be provided in accordance with the specifications to be mutually agreed in the Procurement Agreement and (3) enable Magna to manufacture and assemble the InnovizOne OM according to mutually agreed requirements which meet BMW’s requirements.

- (c) The terms set forth herein apply for [\*\*\*] only. The Parties agree to use commercially reasonable efforts to collaboratively win other InnovizOne projects, and to work together on Generation II (“**Future Opportunities**”). Due to the fact that [\*\*\*] this MoU focuses exclusively on [\*\*\*]. At such time that [\*\*\*] Magna will provide Innoviz with a binding quote for the assembly of an Optical Module.

This MoU has a binding effect upon signature. The parties will use commercially reasonable efforts to enter into a definitive supply agreement which will also address the procurement of the equipment and is expected to replace this MoU within no later than two (2) months from the date hereof (“**Procurement Agreement**”), unless otherwise agreed between the parties in writing.

## **2) Confidentiality**

Parties will treat the terms of this MOU as confidential unless prior written consent is granted by the other party. Magna cannot use any information provided by Innoviz, and Innoviz cannot use any information provided by Magna, for any purpose other than as set forth in Section 1 (**Scope**) above.

## **3) Products**

The products covered by this MOU are:

- (i) The InnovizOne OM: InnovizOne LiDAR planned for initial launch for BMW [\*\*\*].
- (ii) The Innoviz Components: Maui ASIC, MEMS and Detector.
- (iii) The Equipment: [\*\*\*]

## **4) Supply Obligations and Pricing**

### **(i) Innoviz Components**

The purchase price of the Innoviz Components, including pricing for Samples, for [\*\*\*] is outlined in Appendix I.

The Innoviz Components will be sold by Innoviz to Magna, all as mutually agreed upon and as will be set forth in the Procurement Contract.

**(ii) Equipment**

The purchase price of the Equipment is outlined in Appendix II (a).

If more than one [\*\*\*] is required to support the BMW [\*\*\*] volume over the program life (to a maximum [\*\*\*] +20% flexibility in the peak year 2024 and based on a 15 shift model per week at 85% OEE), Innoviz will bear the cost of the additional Equipment required to fulfill program volume requirements, if and to the extent needed in accordance with BMW's demand in a certain point in time. Furthermore, Innoviz will bear the cost (up to a maximum of USDS[\*\*\*] for all pieces of Equipment) to bring up the additional equipment. Ownership of the additional equipment transfers to Magna once equipment is delivered to Holly, and Magna will cover other related costs associated with such added Equipment, including but not limited to, factory floor space, maintenance, and applicable staff.

The Equipment will be sold by Innoviz to Magna, all as mutually agreed upon and as will be set forth in the Procurement Contract. At its own expense, Innoviz shall provide all information and support (including training) to Magna which is necessary to properly operate and maintain the Equipment (with respect to the Active Alignment—support and training will be from [\*\*\*]) so as to manufacture and assemble the InnovizOne OM according to BMW's requirements. Innoviz shall promptly pass through to Magna the warranty and support received from [\*\*\*] for the Active Alignment Station.

**5) Magna & Innoviz Supply Chain/Manufacturing Process**

Innoviz will have the right to inspect the Magna manufacturing line and will have reasonable access to all manufacturing files only at Magna's site. Disclosure and use of this data by Innoviz, is prohibited without Magna's prior written consent.

Any changes in the design files, BOM, or the supply chain in respect of the InnovizOne OM (both in terms of manufacturing process and product) ("Changes"), must be made in accordance with the agreed Change Request mechanism as in effect between Magna and Innoviz for [\*\*\*].

Should Changes in design or the manufacturing process sought by Innoviz, or Magna to meet BMW requirements through final approved DV lead to additional costs in the BOM (Innoviz and non-Innoviz components), Innoviz shall bear the cost. Conversely, should these Changes result in a BOM cost reduction, Innoviz shall receive the full benefit thereof. C2 design is the baseline against which such Changes shall be tracked and measured. For clarify, design change includes: part number additions/deletions, and/or component count changes.

The impact of changes in the BOM cost for Non-Innoviz components attributable to the Changes shall be treated as an adjustment to the price for Innoviz Components, for which the baseline is outlined in Appendix I.

Magna further agrees to provide Innoviz with full transparency of the BOM cost.

Each party will notify the other party prior to making any Changes, including any amendments, and such Changes will be available for the other party to review at any time.

Magna will have the right to inspect the Innoviz supply chain manufacturing process and suppliers, through scheduled audits, which shall be agreed in a timely manner and will have reasonable access to all manufacturing files only at the supplier's site. Disclosure and use of this data by Magna for purposes outside the Scope, is prohibited without Innoviz's prior written consent.

Innoviz will have reasonable access to all traceability information per product, that may be used for yield/process analysis and improvement, including but not limited to material, process, equipment, subject to BMW's consent, provided that Magna shall make best efforts to obtain such consent.

- (i) [\*\*\*]
- (ii) [\*\*\*]

**7) Warranty and Liability**

Warranty with respect to the Equipment is attached to the applicable quote attached hereto in Appendix II, and shall include the following: (i) 12 months warranty period, (ii) standard warranty carve outs and exclusions as shall be agreed between the Parties, and (iii) 4 levels of support/warranty service, at an order of precedence as shall be agreed between the Parties.

Innoviz is responsible to ensure that the InnovizOne OM (pursuant to Innoviz's design, and Innoviz's guidelines on manufacturing and manufacturing testing) is compliant with Laser Class 1 requirements in accordance with IEC 60825-1 Rev 3 Class 1 and will also comply by December 31, 2020 with FDA regulatory requirements for introduction of laser Class 1 products into the United States (CDRH, provided that Magna: (i) shall follow Innoviz's design and all of Innoviz's guidelines and instructions and shall not make any changes to the design (including components, materials, assembly process, or supplier), to the InnovizOne OM or to any processes, guidelines or instructions received from Innoviz without Innoviz's advance written approval which shall be based on engineering suggestions for applicable tests and/or repeating laser classification in a certified lab, (ii) shall confirm that all such guidelines and processes are being followed during its manufacturing process of each unit, and (iii) shall confirm that the end user shall use the InnovizOne OM as a LiDAR sensor for the automotive industry, as agreed between the Parties in the InnovizOne OM mission profile. Innoviz will provide Magna with all instructions, technical and functional specifications and requirements, including quality standards, so as to enable Magna to manufacture (and conduct related activities hereto, for example assemble, package) the InnovizOne in line with such standards. Innoviz guarantees that the InnovizOne OM will be certified at a certified laboratory chosen by Innoviz.

**8) Intellectual Property**

IP ownership for background technology and jointly developed technology will be per the terms of the Joint Development and Master Supply Agreement entered into between Magna Electronics Inc. and Innoviz dated December 4, 2017. All other terms relating to intellectual property shall be mutually agreed in the Procurement Agreement. Section 8 of the JDMSA is hereby incorporated by reference and shall apply as if fully set forth herein, mutatis mutandis.

**9) Fees**

Magna shall further pay Innoviz time and material fees for requested manufacturing engineering support:

Up to a maximum of [\*\*\*] per person per day, depending on level of seniority.

Travel costs at actuals, provided that Magna has previously approved the respective trip in writing. Train tickets shall only be reimbursed for trips in the 2nd class, air travel shall only be refundable for flights in economy class.

The manufacturing engineering support shall be quoted by Innoviz in detail in writing and submitted to Magna for approval. Magna's written approval must be obtained and a purchase order issued prior to commencement of any activity associated.

Effort undertaken and costs incurred by Innoviz to close out production equipment, test tool description and manufacturing line approval through SAT at Holly will be borne by Innoviz.

Efforts undertaken and costs incurred by Magna to qualify as a LiDAR manufacturer and meet the mutually agreed manufacturing requirements will be borne by Magna.

**10) Forecasting**

Magna will provide Innoviz with rolling forecasts on a quarterly basis based on customer releases, setting forth the Components quantity requirements anticipated by Magna over the following [\*\*\*] months period ("Magna Forecast"). The Magna Forecast is binding for its immediate [\*\*\*] months.

Additional terms and conditions related to forecasting shall be agreed to by the Parties in the Procurement Agreement.

**11) Additional Undertakings**

The following Magna's employees/consultants that are involved in [\*\*\*] shall not be engaged in any othemon-Innoviz LiDAR project at Magna: (i) [\*\*\*] or any successor test engineer taking over his duties with respect to [\*\*\*], and (ii) [\*\*\*] or any successor manufacturing engineer taking over his duties with respect to [\*\*\*].

During the term of this MoU or the Procurement Agreement (as applicable) and for a period of 12 months thereafter, the Parties shall not, directly or indirectly, solicit, hire or retain as an employee, consultant or otherwise, any employee of the other party or induce or attempt to induce any such employee to terminate or reduce the scope of such employee's engagement with the other party.

**12) Miscellaneous**

- a. This MOU (including its validity, formation, and termination) is governed by, and shall be interpreted, construed, and enforced in accordance with, the laws of New York, USA, without regard to its conflict of laws principles. In the events that there is any dispute or controversy in connection with interpretation of this MOU that cannot be resolved amicably between the Parties, the dispute shall be resolved in any court of competent jurisdiction.
- b. Each party shall bear its own expenses in relation to this MOU, and the preparation and negotiation of the Procurement Agreement.
- c. Headings used in this MOU are for convenience only. If any provision of this MOU is held by a court of competent jurisdiction to be illegal, invalid or unenforceable, then: (a) the remaining provisions of this MOU shall remain in full force and effect; and (b) the Parties hereto agree that the court making such determination shall have the power to limit the provision, to delete specific words or phrases, or to replace the provision with a provision that is legal, valid and enforceable and that most closely approximates the original legal intent and economic impact of such provision, and this MOU shall be enforceable as so modified in respect of such jurisdiction. In the event such court does not exercise the power granted to it as aforesaid, then such provision will be ineffective solely as to such jurisdiction (and only to the extent and for the duration of such illegality, invalidity or unenforceability), and will be substituted (in respect of such jurisdiction) with a valid, legal and enforceable provision that most closely approximates the original legal intent and economic impact of such provision.
- d. No failure or delay on the part of any party hereto in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy.
- e. Any waiver granted hereunder or amendment to this MOU must be in writing, duly signed and such waiver shall be valid only in the specific instance in which given.
- f. This Agreement may not be assigned, in whole or in part, by either Party without the prior written consent of the other Party, except, however, that each Party may assign this Agreement in whole to a successor in connection with a merger, consolidation, or acquisition of all or substantially all of the assigning Party's assets or other form of corporate reorganization. Only in the event that any such merger, consolidation, or acquisition results in a Change of Control (as defined below) of the assigning Party, then it shall require the consent of the other Party, which shall not be unreasonably withheld. Any prohibited assignment will be null and void. In the event of a permitted assignment hereunder, this MoU will bind and benefit each Party and its respective successors and assigns.

Change of Control means the closing of a merger, consolidation, or acquisition that results in acquisition of the ownership of more than fifty percent (50%) of a Party's shares or voting rights attached to such shares by a third party, unless such third party is majority-owned, directly or indirectly, by the same persons or entities who were the majority-equity holders of such Party immediately prior to the closing of the transaction.

- g. If the Procurement Agreement is not reached and no extension or other agreement is reached between the parties, each party has the right to terminate this MoU in writing with immediate effect without incurring any liability or obligation towards the other party in connection with this MoU as a result of such termination. Termination of this MoU shall not affect the provisions that by their nature remain in effect, such as in particular Section 2 (Confidentiality) and Section 8 (Intellectual Property).

**IN WITNESS WHEREOF**, Innoviz and Magna have caused this MoU to be executed by their respective duly authorized officers or representatives as of the Effective Date.
